

Wonder Doctor

Chapter 203

“Report your ass!”

Finally Liu Xuan couldn't hold back any longer and stormed up and kicked the office door open, following which he rushed out.

“Liu... General Liu!”

Through the door of the room, Zhou Ling saw Tiny inside, who was hurriedly arranging her clothes, and secretly cried out in his heart.

“This is the end, disturbing the beauty of General Liu, this is really the end!”

“Liu you daddy, where is the person!”

Liu Xuan angrily rebuked, seeing that the cooked duck was about to be in his mouth, only to be lost by this guy shouting in front of him, this heart was holding a mouthful of anger.

“On the... On the ground floor!”

Zhou Ling said resentfully.

“What? The ground floor?”

Liu Xuan was furious when he heard that, and raised his hand and gave Zhou Ling a slap, as if his eyes were about to kill.

In a three-star hotel, those who ate on the ground floor were usually casual customers, and he couldn't even look at such customers, at least those who ate on the second or third floor.

“But Mr. Liu... The other party is really big!”

Zhou Ling was afraid, ringing the eyes of Lin Ran he still felt a chill in his heart, if Liu Xuan did not go, he was afraid that if he went he would not be able to come back completely.

“Useless thing, still not leading the way!”

Liu Xuan thought of Tiny and scolded at Zhou Ling, then turned to look at Tiny behind him and smiled

“Little baby, be good and don't run around, wait for me here!”

“Okay, I know!”

Little pouted, her voice was so whiny that it gave Zhou Ling goose bumps.

“Why are you still standing there, why don't you go now!”

Liu Xuan turned around and scolded.

The two of them quickly went downstairs and headed straight for Lin Ran and the others' private room.

In the private room, Lin Ran and Song Yujiang's father and daughter were eating and chatting. There were problems with the shredded potatoes, but all the other dishes were still normal, and the three of them were not shy about it.

"Knock, knock, knock."

As they were eating, there was suddenly a knock on the door from outside, Lin Ran smiled and got up, opening the door.

And when he saw Liu Xuan, he was stunned.

"Why is it you?"

Liu Xuan was equally stunned, and then his brow furrowed slightly.

"I didn't expect it to be you, what a coincidence!"

Liu Xuan said grimly.

"Yes! It's quite a coincidence, I didn't expect to come to your Liu family's property for a casual meal!"

Lin Ran laughed.

"Cut the crap, are you the one who said there was something wrong with the dish?"

Liu Xuan asked with a stern face, his family didn't let him antagonise this guy, but they didn't say he couldn't talk with a stern face.

And when he saw Lin Ran, he got angry, a good face? Not at all.

"Right! There's something wrong with this shredded potato!"

Lin Ran nodded his head while bringing the dish over.

"What's wrong with this dish?"

Liu Xuan asked with a frown, whether it was from the colour of the dish or to the overall colour, it was all very normal there was no way to see any problem at all.

"Take a taste yourself!"

Lin Ran didn't bother to explain and said directly.

"And!"

Liu Xuan snorted coldly and followed with a bite, the taste didn't seem to be any different, just slightly bitter, it seemed that the potatoes had been left for a long time.

"What's wrong with this dish?"

Liu Xuan asked with a calm face, although he ate out some problems, but absolutely can not admit, as long as the surface is not a glance to know is pregnant, this kind of thing is absolutely can not admit.

"You own a restaurant, can't you eat it out?"

Lin Ran frowned.

He also understood this kind of thing about restaurants, he hadn't worked in them many times before, so he was clear that this kind of dish that was only a minor problem, the restaurant would usually not admit it.

"I can't eat it, you say there's a problem, so tell us, what's wrong with our dish? Or are you saying that you don't have money to pay and want to have a bully meal?"

Liu Xuan laughed blandly.

Originally, he wanted to settle this as soon as possible so that he could go back and continue to live in a two-person world with Xiao Xiao, but when he saw that it was actually Lin Ran, a hint of a playful attitude rose in his heart.

"You all say he has real skills, I want to see today, what real skills he can have!"

Liu Xuan thought in his mind.

Seeing this, Song Yujiang at the side said with an ugly face.

"Is this your attitude towards cooking?"

"Hm?"

Liu Xuan smiled and looked away, and could not help but frown slightly, Zhou Ling's vision was average, but he, Liu Xuan, had seen the world.

The middle-aged man in front of him was not dressed in an ordinary way, but mainly because this man was leaking an intimidating pressure that made him feel a little hairy in his heart.

As the heir to the Liu family, he had naturally been brought up from a young age, and there were only two kinds of people he had seen with this kind of aura.

One type was a retired old man, usually someone of great renown, while the other type was someone who was in a high position and held great power.

"Could this person be ...."

Liu Xuan's heart was wondering, feeling that the middle-aged man in front of him looked somewhat familiar, but before he could think of it, Lin Ran was speaking .

"Since you want to know, then I'll tell you!"

Liu Xuan looked back at Lin Ran, only to see him picking up the dish of shredded potatoes once again and said.

"This dish of yours, the colour of the potatoes is obviously late processed, the potatoes themselves are no longer fresh, and should even be long in the tooth!"

Said Lin Ran, picking out one of them and pointing to a small nick on it.

“This nick is very irregular, not cut out with a knife, but dug out, if I’m right, to remove the teeth that have grown!”

Saying this, Lin Ran put the vegetable back in and continued.

“Although potatoes with long teeth are also edible, they are very detrimental to the taste and can carry a small amount of toxins!”

Saying this, Lin Ran turned to look at the sign on the wall.

“You’re a three-star restaurant, and your main focus is on fresh quality, but now what? Is it a slap in your own face?”

Liu Xuan was stunned at his words, and then actually laughed.

“Awesome! Awesome! No wonder even my father thinks highly of you, these words are really well reasoned and convincing to me!”

Liu Xuan laughed, Lin Ran’s words not only brought out the problem with the dish, but also pulled in his restaurant, making it impossible for him to refute it.

And most importantly, for just one dish, he was actually able to see so many details, just this kind of eyesight was already enough to impress him, Liu Xuan.

“It was my eyes that were clumsy in the past, I, Liu Xuan, am here to apologise to you, brother Lin Ran, and please include more of what happened in the past!”

Liu Xuan laughed, full of sincerity, he was not a fool, although he was a rich second generation, he knew what people could be offended and what people absolutely could not be offended.

Especially, right now he couldn’t see through the identity of this middle-aged man beside Lin Ran.

“It’s not necessary to concede, let’s change this dish, besides I hope this incident won’t happen again, otherwise it will affect the reputation of your restaurant!”

Lin Ran said indifferently, the person sitting next to him was Song Yujiang, you are simply looking to be investigated if you serve a dish like this.

“I will make sure they correct it immediately!”

Liu Xuan laughed.

Song Yujiang, who was sitting on the side, saw that Liu Xuan’s attitude was still good and spoke up.

“You have a good attitude as a boss, but your lobby manager has a very poor attitude!”

“Hey! What do you mean!”

Zhou Ling was not happy to hear this, actually in front of his own boss, saying that he is not, this is not deliberately looking for trouble.

“What you say is, I just don’t know what your name is?”

Liu Xuan asked with a smile, this middle-aged man in front of him looked extraordinary, he didn't dare to offend him easily.

Chapter 204

"Mr. Liu, you are too polite, he said before that he is Lin Ran's friend, just like this kid, what kind of powerful friend can he have!"

Zhou Ling sneered beside him again.

Song Yujiang's words just now had caused him to harbour a grudge, so he naturally wanted to jump out and take revenge at this moment.

"Shut up!"

Liu Xuan coldly shouted, cursing in his heart that this guy did not grow a brain, all the years of learning to read people's words in the hotel had been learned from a dog.

"Liu ...."

Zhou Ling still wanted to say something else, but was glared at by Liu Xuan with a look, so that he immediately swallowed his words back.

"Dare I ask how to address you?"

Liu Xuan asked as he turned to look at Song Yujiang at the side.

However, Song Yujiang did not speak, but only looked at him blandly.

"There are some things that it is better not to ask!"

Lin Ran spoke.

Liu Xuan was stunned at his words, his heart was a little upset, he was at least the grandson of the Liu clan, there was actually someone he couldn't ask, this was too big of a frame.

"Brother Lin Ran, you are saying this, do you think that my Liu Clan's face is not enough, or the other party has a very big stance!"

Liu Xuan said in an icy voice, he could give Lin Ran face, but he could not break the face of the Liu family.

"Are you questioning my words?"

Lin Ran frowned.

"Not questioning, if a person respects me a foot, I will return a foot, what you said made my Liu family lose face!"

Liu Xuan said with a leathery smile.

"You really want to know?"

Lin Ran looked at Liu Xuan and asked.

"Naturally."

Liu Xuan returned.

“Well, go back and watch more TV and you’ll know!”

Lin Ran replied back.

“You!”

Liu Xuan was so angry that his face turned blue, what kind of answer was that, it was the same as not saying anything,

“Kid, you fucking dare to fool our Mr. Liu, you’re tired of living, aren’t you!”

Zhou Ling angrily rebuked, but just as he finished his sentence, Liu Xuan glared at him, and Zhou Ling immediately wilted.

“If you’re talking, get the hell out of here!”

Liu Xuan coldly rebuked, his heart was exceptionally annoyed, not being able to feel the other party’s bottom, so he had nowhere to vent his anger.

“I remember Liu Xuan, green hills never change, green water always flows, we will see you later!”

Liu Xuan turned around and left, but when he was about to go out, he heard Lin Ran behind him say.

“It’s better not to see you, I’m afraid you won’t be able to suppress it next time!”

“Humph!”

Liu Xuan snorted coldly and followed, then left the private room.

Back in the office, Liu Xuan didn’t say a word, he directly turned on the TV and watched it.

The little one at the side was a bit confused, when he left just now, he asked people to wait, why did he come back and watch the TV instead of looking at himself?

“What’s going on?”

Xiao Xiao came to the side and asked Zhou Ling, this guy stood to the side and did not dare to speak, just watching the TV.

“Mr. Liu just had a defeat!”

Seeing Little ask himself, Zhou Ling whispered back.

“Who is it? Dare to make Brother Prince eat defeat?”

Tiny was surprised.

“I don’t know, Chief Liu is also checking!”

Zhou Ling said.

While the two of them were talking, the TV had already changed several stations, and when the TV changed to the Tamagawa station, immediately Zhou Ling and Liu Xuan froze.

Only to see that on the TV, the recent missing person case in Tanjiang City was being reported, and the person being interviewed at that moment was the head of Tanjiang City, Song Yujiang.

“He .... He... He! He’s Song Yujiang!”

Zhou Ling exclaimed.

“Laozi fucking saw it!”

Liu Xuan blackened his face and almost didn’t get pissed off!

“Mr. Liu, then we ....”

Zhou Ling stammered, not daring to say anything further.

“If you have a fart, let it out!”

Liu Xuan scolded.

“Mr. Liu, should we ..... go back one more time!”

Zhou Ling said.

“Does that even fucking need to be asked!”

Liu Xuan’s face was blue, and he gave Zhou Ling a fierce glare, following which he rushed out.

Just kidding, it was actually Song Yujiang who was having dinner, if this got out, it would be such a great honour for their Liu’s, but now it was actually screwed up by him.

“Why the fuck don’t I usually watch more TV!”

Liu Xuan cursed in his heart, usually his old man didn’t stop telling himself to learn more about these big shots, but he didn’t think so, he didn’t expect to actually run into them today and actually didn’t recognise them!

The two rushed back to the ground floor private room, but at this time, the private room was already empty.

“Where is everyone!”

Liu Xuan asked angrily.

The waiter who was cleaning up saw Liu Xuan coming and hurriedly came forward and said.

“Mr. Liu, the guests here have already left!”

“Gone? Gone... Gone?”

Liu Xuan was like a deflated ball, sitting on his butt on the floor, his face ashen.

“It’s over... It’s all over now!”

Liu Xuan muttered to himself, his eyes dulled and no longer had the sharpness they had before.

“General Liu, it may not be so, people are a handful, it’s always impossible how we are catty!”

Zhou Ling said resentfully at the side, he was the one who broke out of this incident, if he was really retaliated, then he would also be the first to bear the brunt.

“You think people are like you? You fucking think that people are all idiots like you!”

Liu Xuan cursed angrily, what he was worried about was not the calculating, but the future development of the Liu family, if a business wanted to develop, dealing with people like Song Yujiang was commonplace, but after offending him today, I’m afraid that in the future .....

“Bastard!”

The more Liu Xuan thought about it, the angrier he became, and raised his hand to give Zhou Ling a big mouth, followed by a direct rush out, before leaving the door, scolded.

“You’re fired, you don’t have to come to work tomorrow!”

“Liu... Liu .... Chief!”

Zhou Ling was instantly confused and fell on his buttocks, his eyes straightening out.

“Fired? Laozi is fucking unemployed?”

A moment later, Zhou Ling still couldn’t accept it, and the resentment in his heart towards Lin Ran grew even more.

“You’re the one who caused me to lose my fucking job, I wouldn’t be Zhou Ling if I didn’t get you killed!”

With a fierce chill in his eyes, Zhou Ling stood up after him, and then rushed out with a cold face.

Outside the hotel, by the street.

“Uncle Song, you should go back first, I will contact you first when this matter has come to light!”

Lin Ran said.

“Good! Remember to contact me if you need anything!”

Song Yujiang returned, in fact, there was nothing more he could do about the matter now at all, if Lin Ran’s side could really use the Thousand Mile Trace and find a breakthrough, it would be a great help to him.

“Definitely!”

Lin Ran smiled and nodded his head, then watched Song Yujiang leave.

“The car has left, what are you still looking at!”

Song Nuan said with a smile beside him again.

“Then, with the car gone, you can’t have a bad attitude, otherwise what about the future marriage proposal and the father-in-law’s lion’s demand!”

Lin Ran laughed.

“Yo, you’re a billionaire, you’re still short of this money!”

Song Nuan laughed, but as soon as the words finished, he felt something was wrong and hurriedly said.

“Bah! Who’s going to marry you, and propose a marriage, you go propose a marriage to a pig!”

“Pigs? Pigs aren’t as pretty as you, you’re the prettiest!”

Lin Ran laughed.

“Slick talker, you’re a rascal!”

Song Nuan blushed and pouted, but her heart was full of joy, jokingly, which girl didn’t want the boy she liked to compliment her beauty.

“Hooligan?”

Lin Ran smiled and shook his head, then said.

“Even if I’m a rogue, I’m still a handsome rogue that attracts people, or at least more attractive to school girls!”

Song Nuan’s pretty face turned even redder at his words and glared back at him.

“Stinking shameless!”
