

Wonder Doctor

Chapter 209

“Brother Lin Ran, thank you so much!”

After Seven Treasures left, Hu Ming came to Lin Ran and bowed respectfully.

“It’s alright.”

Lin Ran said with a smile, even if he hadn’t stumbled upon this matter himself, any other doctor who stumbled upon it would not have sat back and watched.

It was said that the money of the elderly and children was the best to make, but equally, the money of the elderly and children was also the best to cheat.

“Then my father him?”

Hu Ming looked at Hu Sanqi, with worry in his eyes.

“Don’t worry, the old man’s illness will be over in a moment, we can talk about business now!”

Lin Ran said.

The eye treatment would take at least half an hour, so they just needed to be patient.

“Good! Good, then let’s go inside and talk!”

Hu Ming hurriedly greeted him and followed, letting Lin Ran and Wang Yifeng into the inner room, then settling down his father before hurriedly following him in.

In the room, there were only the three of them, and Hu Ming asked directly without any nonsense.

“Brother Lin Ran, when can we start?”

“Don’t rush, I need a few things, you prepare them!”

Lin Ran said as he brought over a piece of paper and wrote out a few things, Hu Ming looked at it and wondered.

The paper read, “Three drops of blood from a relative, a toy for a child, and a piece of clothing.”

“Brother Lin Ran, this three drops of blood of a relative, I know it is for me, but this child’s toy It’s a bit much, is there any instructions for this?”

Hu Ming asked.

“Just one of the child’s favorite one!”

Lin Ran said.

“Good! I’ll go and prepare it now!”

With that Hu Ming left the room, and at once only Wang Yifeng and Lin Ran were left in the room.

“Brother Lin Ran.”

Wang Yifeng suddenly spoke.

“What?”

Lin Ran looked at him in confusion.

“Do you really want to help him?”

Wang Yifei said with a frown.

“Hm?”

Lin Ran smiled and looked at Wang Yifeng suspiciously, he was the one who had asked for his help in the beginning of this matter, how come he was now starting to hesitate himself instead.

“It’s like this, I thought carefully about what you said last time and felt it made sense, so I’m a bit hesitant!”

Wang Yifeng said.

Lin Ran nodded at his words, he understood what Wang Yifeng meant and said.

“Success is in the hands of man, wealth is in the hands of God, this is the path he has chosen for himself, no one else can influence it!”

“But it’s him who is reducing his life expectancy after all! And it’s only with our help that it’s like this!”

Wang Yifeng was a little hesitant.

“That’s life!”

Lin Ran laughed lightly.

“Everyone cares at different points, it’s like you and I haven’t been fathers, so we can’t understand this love Hu Ming has for his child!”

“Forget it, don’t think too much, everyone has everyone’s different choices, since you’re in this business, you have to learn to look past a lot of things!”

Lin Ran said comfortingly.

Wang Yifeng’s face turned red as he listened, and after a moment he held in a sentence.

“How does it feel, you’re even more professional than me, I’m the professional feng shui master, and now I’m actually letting you enlighten me! Hey really not as skilled as others!”

“Haha!”

Lin Ran laughed and didn’t say anything.

Outside, Hu Ming had already prepared everything, and when Lin Ran and Wang Yifeng came out, everything was already neatly laid out on the coffee table.

“This toy is quite special!”

Looking at a, spit-shaped water gun toy on the coffee table, Lin Ran couldn't help but smile.

“This is Xiao Tian's favorite toy, when he was still here, he used to shout at me to have water fights, but now”

Lin Ran's words evoked Hu Ming's thoughts of his son and he couldn't help but shed a tear.

Lin Ran could not bear to see Hu Ming like this and was busy finding a topic to digress.

“Where's the blood?”

“In the washroom, I'm afraid the smell of blood will be too strong and the old man will suspect!”

Hu Ming said worriedly, at this moment, the old man was sleeping, his face was very peaceful.

“Hmm!”

Lin Ran nodded and greeted Wang Yifeng as he put away the toys and the child's clothes, following up.

“You put the three drops of blood in a bottle, I'll pull the needle for the old man first!”

Said Lin Ran as he took out a thumb-sized glass bottle and handed it to Hu Ming, before coming to the old man.

The old man was still asleep, so Lin Ran did not disturb him and gently removed the silver needles one by one.

Hu Ming watched and waited for all the silver needles to be removed before sending Lin Ran downstairs first.

Before leaving, Lin Jean instructed.

“The old man's eyesight should have recovered, if there is any discomfort later, you should stay with him more, he will be fine in a while!”

“Good! When I'm done on my end, I'll go out and find you!”

Hu Ming responded, following which he went home to prepare for the blood.

Lin Ran and the two of them went downstairs and waited patiently.

As long as they waited for the blood to be ready, Lin Ran could start the next step of preparation.

But just as the two were waiting patiently for Hu Ming, the latter didn't appear, but the Seven Treasures who had left earlier came over with someone in tow.

“What's with this guy's shadowy soul!”

Seeing Seven Treasures, even Wang Yifeng could not help but frown slightly.

“This fellow is afraid that he's here for revenge too!”

Lin Ran shook his head helplessly, he had just cleaned up Zhou Ling in the morning, and this had messed with Seven Treasures, people were really too impetuous nowadays, they wanted to make a date at the drop of a hat, when very arrogant and domineering.

“Retaliation? Who gave him the guts!”

Wang Yifeng’s face suddenly turned gloomy.

Seven Treasures led two sturdy men and walked straight towards the two Lin Ran.

“What? Something wrong?”

Lin Ran asked indifferently as he raised his head.

With a calm attitude, he looked at Seven Treasures with irritation in his heart, it was this guy in front of him who had just made him lose face and even a stable income.

Previously, he had been able to make a very handsome profit every year just selling those health products to Hu Ming’s family, but now, that money had completely gone down the drain.

“Brother Luo, Brother Qi! It’s this kid!”

Qibao said as he rushed to the two youths beside him, from whom he had bought his medicine.

“Your name is Lin Ran?”

One of the fat youths, the one named Brother Luo, looked at Lin Ran and asked.

“Old Luo, what’s the point of bothering with him, he’s a rash young man, just pay the money directly!”

Next to him, the slightly thin Brother Qi spoke impatiently.

“That’s right!”

Brother Luo nodded at his words, then looked towards Lin Ran and extended a palm, saying.

“Kid! Because of your stupidity, you’ve caused old me to lose a hundred thousand dollars a year, either give me the money today, or! Just leave me a leg, choose for yourself!”

Just as Luo finished speaking, Qi, who was on the side, also spoke up.

“I advise you to take the money, or else when I remove your leg later, if your hand shakes accidentally, you may lose this life, I forgot to tell you, I used to be a pig killer!”

He said, “I forgot to tell you, I used to be a pig killer!” Qi also forgot to raise a guy in his hand, an object wrapped in red cloth in the shape of a kitchen knife.

Lin Ran was just about to reply, but Wang Yifeng, who was on the side, reached out and pulled him back, saying.

“Leave it to me, every time I let you get the limelight, today I also have to show off Wang’s masculinity!”

“Are you sure?”

Lin Ran asked as he looked at Wang Yifeng.

“Sure!”

Wang Yifeng affirmed, following which he took out the Spirit Swallowing Demon Tower with a wave of his hand, a scene that startled Lin Ran.

“Holy shit! What are you doing in broad daylight!”

Lin Ran said, “There are evil spirits living inside this demon dwelling, is it possible that this guy is going to summon evil spirits in broad daylight?”

Chapter 210

“Haha don’t be nervous, don’t these guys want to play! I’ll play with them today!”

Said Wang Yifeng, and with a wave of his hand, the Guardian Spirit of Mordor appeared, the same old woman with the same face that made people shudder at the sight.

“Master!”

The old woman said respectfully.

Wang Yifeng smiled blandly and pointed at the three people in front of him.

“Go! Play with them!”

“Yes! Master!”

It seemed that the old woman had not been out to let off steam for a long time, and was in a good mood at that moment, her face full of folds tackling a smile, and when she turned around and saw that opposite her were actually three flamboyant youths, she smiled even more broadly, and even spoke.

“Three little brothers, old lady here I come! Haha”

“I’ll go!”

Lin Ran looked helpless and hurriedly turned around and flung out a few jade talismans, hastily setting up a shielding formation to shield the place from everything, otherwise if people from outside saw it, I’m afraid it would shock the entire Temperance City again.

“I cao what the hell is this!”

Inside the formation, Qibao, Luo and Qi were all confused, they had come to find Lin Ran, how could the scene change in an instant.

Where was Lin Ran in front of them, there was only an old woman floating in mid-air and a smug kid standing in front of them, not knowing what he was fooling around with.

“Where the fuck did you come from, old woman!”

Luo was the boldest and opened his mouth to question.

On the side, however, Qi was sharp-eyed and could already see what was unusual, patting the former on the shoulder with a face full of horror and pointing at his feet.

“You’re fucking stupid, you Look at her feet It didn’t even touch the ground!”

Luo sniffed and hurriedly looked, and was dumbfounded at this glance as well.

He saw the old woman floating in mid-air, her feet not touching the ground at all, floating rapidly towards the three of them at that moment, simply like a ghost.

“Ghost! A ghost!”

Seven Treasures couldn’t help but shout out and turned around to run.

“Don’t you fucking panic!”

Luo scolded, but as soon as the words left his mouth, Qi, who was beside him, followed suit and shouted “Ghosts!” Then he ran away too.

“You’re both a bunch of losers!”

Luo cursed and turned to run, but the old woman behind him was already chasing him, and with a wave of her dry palm, a black wind flew out and the three of them were dragged back.

“Ghost! Ghosts!”

This time even Luo couldn’t help but shout out.

“What to do Brother Luo, help!”

Seven Treasures was so scared shitless that he was close to losing his life.

“How the fuck should I know!”

Brother Luo was so angry that his nose was crooked, and when his eyes saw Wang Yifeng who was laughing in the distance, he had an idea.

“Hurry! Beg him, he must have made it!”

“Beg him?”

Qi was a little hesitant at his words, they were here to find trouble, would it be useful to beg the other side now?

“If you don’t beg you can just wait to go play with this coming woman!”

Luo’s heart was crossed and he ran towards Wang Yifeng, shouting as he ran.

“Brother, misunderstanding this is all a misunderstanding, you quickly get this granny out of here!”

“Misunderstanding? What misunderstanding? It’s a misunderstanding when you’re asking for money at the door?”

Wang Yifeng said with intent.

Luo saw that there was a play and hurriedly said.

“It’s really a misunderstanding, it’s not about asking for money, I’ve long seen this kid Qibao in a bad light, this time I’ve specially brought him here to apologize, to pay back the money!”

Said Luo and took out a bank card from his pocket and threw it to Wang Yifeng.

At this moment, Qibao also ran over and saw this and said in a hurry.

“Yes, yes! We’re here to apologize, the money on this card is all fraudulent, and now it’s all replaced to you guys!”

“Fuck you guys!”

From afar, Qi looked furious in his heart, but now that he was left alone, he couldn’t really go and play with this old woman, so he gritted his teeth and had to follow suit and rush over.

When Wang Yifeng came out of the formation, Lin Ran was surprised to find that all three of the Seven Treasures had disappeared.

“Where are they?”

Lin Ran asked.

“You mean them! They’re playing with the wife now, I’m sure they’ll have a good time!”

Wang Yifeng laughed.

“You take it easy, don’t play with people!”

Lin Ran reminded, the old lady was after all a severe ghost, and if a normal person stayed with her for a long time, the consequences of Yin Qi entering the body could be very serious.

“Don’t worry, it won’t happen.”

Wang Yifei said with a smile, while handing Lin Ran two bank cards.

“What’s this?”

Lin Ran looked stunned, how come there were two extra bank cards.

“This is the money they cheated before, it’s all here!”

Wang Yifeng smiled smugly.

“That’s fine!”

Lin Ran’s gaze towards Wang Yifeng couldn’t help but change, this guy usually looked like he didn’t have a brain, but he didn’t expect that today he could actually gouge out the money he had cheated out of the Seven Treasures trio’s hands.

“Haha, didn’t expect that! This is called, those who are close to the vermilion are red and those who are close to the ink are black!”

Wang Yifeng laughed in triumph.

“And! Don’t be smug, hurry up and let them go, Hu Ming is coming down too!”

Lin Ran greeted.

“Yes!”

Wang Yifeng nodded and followed with a wave, and in the far corner, four people immediately appeared, none other than the old woman and the three Seven Treasures.

The old woman was glowing with spring, smiling happily, while the three Seven Treasures were all wilting like frosted aubergines.

“You”

Seeing Lin Ran, Qibao was simply in tears, with bitterness in his heart.

“Return you what you! Let’s go!”

Luo sighed, and then took Qibao and Qi with him, holding each other up and leaving.

Looking at the backs of the three staggering away, Lin Ran felt as if he had seen three old men and couldn’t help but ask.

“What exactly did your old woman do to them?”

“Didn’t do anything! I just asked her to take those three guys for a bit of fun, who knows what she did!”

Wang Yifeng said, playing dumb.

Lin Ran still wanted to ask, but Wang Yifeng pointed to the distance and hurriedly said.

“Hey hey, Hu Ming is coming down!”

Lin Ran took a look, Hu Ming had indeed come down, so he didn’t bother asking about the three Seven Treasures, and the two of them walked over at once.

Originally, Hu Ming should have followed him out very quickly, but Lin Ran and the three Seven Treasures tossed back and forth for almost half an hour before this guy came out, and was even sweating profusely at this point.

“What’s going on?”

Lin Ran asked as he stepped forward.

“Just as I arrived home the old man woke up, his eyes were fine, he was a bit excited and pulled me in for a chat, then he asked to go to the toilet, my blood was hiding in the bathroom, so I had to wait patiently for a while!”

Hu Ming said awkwardly.

“Is the blood alright!”

Lin Ran asked.

“It’s fine, the old man didn’t notice.”

Hu Ming said, while taking out the glass bottle, inside which three drops of liquid were lying quietly and very miraculously not fused together.

“Good, then let’s go!”

Lin Ran greeted, and following the three of them, they went straight outside the district and drove straight away.

“Where are we going here?”

In the car, Hu Ming asked.

“Oxheart Mountain!”

Lin Ran said back, while taking out the two bank cards that Wang Yifeng had given himself earlier and handing them to Hu Ming.

“This is the money that Qibao cheated from your family before, he returned it all with a clear conscience!”

“Er ...”

Hu Ming was stunned, he didn’t want to take the cards, but once he thought about Dao Lin Ran’s person, he still took them.

“This kid will also have a conscience, it’s really God’s eyes!”

Hu Ming said to himself.

Wang Yifeng, who was at the side, smiled and said.

“I don’t know if the heavens have opened their eyes, but the old woman must have had a good time! Haha!”
