

Wonder Doctor

Chapter 211

“Right brother Lin Ran, what all do I need to do later?”

Hu Ming asked nervously, later on Lin Ran was going to perform the Thousand Mile Tracing Technique and believed that he would soon be able to find his son, at this moment he was very nervous.

“Don’t be nervous, just watch later!”

Lin Ran laughed.

Wang Yifeng said beside him again.

“Old Brother Hu, don’t worry, with Lin Ran’s help, you can be sure that your son will return unharmed, just book a hotel and hold a celebration banquet straight away!”

“A small matter! A small matter! As long as my son is recovered, not to mention the celebration banquet, even if I buy a hotel and give it to you, I won’t have the slightest hesitation.”

Hu Ming said.

Lin Ran smiled at his words.

The three of them drove all the way and finally arrived at the foot of Oxheart Mountain at noon, but the mountain was huge and it was too time-consuming to walk up it, so the three of them had to follow the line of tourists and line up honestly in front of the cable.

“Brother Lin Ran, why did you come to Oxheart Mountain and not go to Wan Ren Mountain?”

Hu Ming asked suspiciously as he queued up.

There were two very famous mountain scenic spots in Tanjiang City, one was Niu Xin Mountain, while the other was across the city from Niu Xin Mountain, Wan Ren Mountain.

It is named Wan Ren Mountain because of its steep peaks, which look like they have been chopped by ten thousand feet.

On the other hand, Niu Xin Mountain is the exact opposite, with a statue of a green bull resembling Lao Tzu at the top of the mountain, hence the name Niu Xin Mountain.

“One is peaceful and modest, while the other is dangerous and sharp. The Thousand Mile Quest is all about peace, and in that peace, one can peek into the cause and effect, so Oxheart Mountain is the most suitable!”

Lin Ran explained with a smile.

“So!”

Hu Ming listened with a half-understanding, although he did not understand the reasoning, he was still very convinced by Lin Ran’s words, which were so well-reasoned.

Although it was noon at the moment, there were many tourists at Oxheart Mountain, and the three of them waited in line for half an hour before the crowd in front of them went down.

But just as the three were about to have their turn, three men wearing big vests and big gold chains suddenly pushed their way through from behind.

The temperature around Oxheart Mountain is higher than that of the city, so the three men were not dressed for the occasion.

But when these three came next to Lin Ran's first three, one of them, a zero-headed youth with big gold chains, but patted a small beauty in front of the three and opened his mouth.

"Beauty! How did you come alone?"

In front of Lin Ran's three, was a beautiful woman, and did not have a companion, it looked like she should have come alone to take a break.

The pretty girl was about Lin Ran's age and was wearing a white shirt and short jeans, overflowing with youthfulness.

"Do we know each other well?"

The pretty girl was in a bad mood and turned to give the other party a bland look.

The young man with the big gold chain in the lead saw this and immediately stroked his bulging stomach and laughed.

"What a coincidence, I didn't come alone!"

Said the big gold-chain youth with a laugh, following which he actually stood in front of the beautiful woman openly, obviously this was to jump the queue.

"Can't stand in line!"

The beautiful woman was furious at the sight of this and questioned in a cold voice.

"Beauty, who are you talking to!"

Next to her, the henchman of the young man with the big gold chain saw this and opened his mouth to laugh.

"Do you know who this is? What's wrong with our brother Jin standing in front of you? That's seeing up you!"

Said this henchman, who also pointed at the three Lin Ran behind him and sneered.

"See, the man behind you doesn't even dare to fart a word, you little twat chattering on and on, looking for a fight!"

"Haha! Scar! How do you talk to a pretty girl, what did I usually teach you about pity for the jade!"

In front of him, Jin, the big gold chain man, laughed.

The henchman named Scar smiled at his words and hurriedly laughed.

“Yes yes Brother Jin, pity the fragrance, pity the jade!”

Said Scar, turning to look at the beautiful woman and laughed.

“Hear that, Brother Jin told me to pity the jade, I won’t be ordinary with you, cut the crap!”

With that, Scar and another henchman followed and stood in front of the beautiful woman.

“I ...”

Wang Yifeng looked very angry and was just about to explode, but he was stopped by Lin Ran.

“Take it easy for now, this beauty is not so easy to mess with!”

“What do you mean?”

Wang Yifeng asked in amazement.

“Look at her knuckles!”

Lin Ran said.

Wang Yifeng smiled and looked, only to see that the beautiful girl’s palms were now clenched into a full grip, and there was a very conspicuous layer of calluses on her finger joints, which were worn out from years and years at a glance.

“This beauty should be a practitioner, let’s just watch the show!”

Lin Ran said, the road to see a roar of injustice, that is also the other party themselves can not cope with the time, this beautiful woman obviously have the ability to deal with, Lin Ran naturally will not be nosy.

“You three! Get out of my sight immediately!”

Finally, the beautiful woman froze and even spoke up.

“You... You’re talking to me?”

The henchman named Scar asked, turning around at the word.

“Yes! It’s you three pigs! Get out of my sight right now, or I won’t be polite!”

The beautiful woman’s voice was cold, and her face was even more murderous.

“Pigheads?”

At the forefront, Jin turned around and looked at the beauty with a smile tacked onto his face.

“What a temper, beauty, you are the second woman who dares to call my Brother Jin a pig head, do you know where the first one is now?”

As soon as Jin’s words fell, Scar, who was on the side, hastened to add.

“The first one, now at the house of the rich and famous again, is busy receiving clients!”

“Haha!”

As the words fell, the three of them burst out laughing.

However, the beautiful woman's face turned icy cold, staring at the three, and said in one word.

"You are the first people who dare to talk to like that, but you are also the last!"

With that said, the beauty moved, a beautiful silhouette, like a nimble fairy, a side leg towards the companion next to Scar and handsomely went over.

The sudden attack, the other party did not have any reaction at all, directly a side leg was knocked to the ground.

"Seeking death!"

Scar's face was cold as he reached out to snap the pretty girl's ankle, but who knew that the direction of the pretty girl's side leg would suddenly change, followed by a 360-degree turn in the air, and actually hit Scar directly in the face.

With a scream, Scar fell to the ground with a bang, following a 360-degree spin.

"Bitch, you want to die!"

Jin's face turned gloomy when he saw this. Two of his own men had been knocked over by a woman without even resisting a single move, which made his face feel hot.

With a flip of his palm, Brother Jin actually pulled out the belt on his waist, followed by a flip that made a "pop" sound, and then lunged towards the beautiful woman.

"Lin Ran!"

Wang Yifeng looked on worriedly, that was a beautiful woman, this was his chance to save her.

"Don't worry, he won't be able to beat this beauty!"

Lin Ran spoke.

"Really?"

Wang Yifeng was still a little unconvinced, but as soon as the words left his mouth, he heard a crunching sound and hurriedly turned his head to look.

At this glance, he was immediately stunned.

The belt in his hand had disappeared, and the beautiful woman was still standing in front of him, but her palm had landed solidly on the former's face.

Chapter 212

"You You..."

Jin froze and hurriedly covered his face with his hands, his eyes changing as he looked at the beautiful woman in front of him.

"You what you! Don't get lost yet!"

The beautiful woman scolded, she had been merciful, otherwise Jin would have lost two more teeth.

“Brother Jin...”

Scar climbed up from the side and was relieved to see that Jin was alright.

“Or else”

The scar wanted to pay attention again, but Jin gave him a slap and scolded him.

“Or else you mother, why don’t you make room for the heroine!”

With that, he pulled Scar and hurried out of the queue.

By now the crowd in line had reached the beauty close, seeing that he would have been able to get directly on the cable car and head to Oxheart Mountain, but at this moment he was squeezed out again, Scar was upset.

“Hey! Brother Jin, these three boys are so bullying, let’s...”

Scar gestured to Lin Ran’s trio.

Brother Jin had just noticed that when he had just cut in line, these three boys hadn’t even let out a single fart, so he couldn’t help but reveal a smile.

“What are you still standing there for, cut in line!”

“Got it!”

Scar revealed a smile, followed by a sullen face, and came in front of Lin Ran’s trio in a fake fierce manner.

“Get lost!”

Scar said nonchalantly.

When Lin Ran’s three people smiled, they looked at each other for a moment and couldn’t help but all laugh.

“Laugh your ass off, did you not hear me when I told you to get lost!”

Scar scolded.

Wang Yifeng looked amused and spoke.

“What! Got cleaned up by a lady warrior, and this is coming for the three of us?”

“What? Not convinced, huh? You think you know kung fu too?”

Scar said disdainfully.

He really didn’t believe that he was so unlucky today, just because he ran into a woman who knew kung fu, but could it be that these three men in front of him knew kung fu too?

“What are you talking about? Get lost!”

Jin said impatiently, at this point the group was almost to Lin Ran's trio, so if the nonsense continued, they would not be able to catch up.

"Do you know what we are for?"

Lin Ran asked, tacking on a smile.

"What do I care about you, hurry up and get out of the way or I'll be rude!"

Scar scolded.

Jin, who was on the side, was a bit scared, having just suffered a loss, he couldn't help but be cautious at this point.

"What are you doing? You're not also a martial arts practitioner, are you?"

"That's not true!"

Lin Ran laughed, followed by a raise of his hand and said.

"I'm a doctor!"

"What? A doctor? Haha!"

Hearing Lin Ran's words, Jin instantly laughed, and Scar at the side also followed suit.

"I thought it was something, scared the old man, but it turns out to be a doctor!"

Scar said disdainfully.

In their perception, doctors were all soft, only able to show off their strength in the hospital, but outside the hospital, they were all weak, not to mention fighting, and dared not even get involved in a fight.

"Kid! As a doctor, you should go to the doctor's office and know what to say and what not to say, or my fist will not recognize you!"

Jin sneered, the doctor he didn't even see in his eyes.

"I think you just need to see it!"

Lin Ran suddenly spoke up.

"Hm?"

Brother Jin frowned slightly at his words, and Scar, who was on the side, smiled coldly.

"Don't say anything if you can't speak, our Brother Jin is physically tough as nails!"

"No! There's a place where he's not normal!"

Lin Ran said with a serious face.

Brother Jin was now a bit flustered, even if he was arrogant on a regular basis, that was after all to ordinary people, but the youth in front of him was after all a doctor.

The other party said that he had a place that wasn't normal, which made his heart drum a little.

"Could it be that he really has a hidden condition?"

"If you have something to say, tell me where I'm not normal!"

Jin opened his mouth and questioned, if he really had a hidden illness, then he had to hurry up and get treatment, he couldn't let a hidden illness get in the way at his young age.

"Do you really want to know?"

Lin Ran asked.

"Nonsense! Speak up or I'll get you killed!"

Jin scolded.

Lin Ran sniffed and pointed at his head, and Jin somewhat failed to understand what he meant.

"Say something human!"

"There's something wrong with your brain!"

Lin Ran said directly.

"Problems with your brain? What kind of problem?"

Jin asked directly with a thud in his heart, there was something wrong with his brain, it couldn't be brain cancer, could it?

Lin Ran looked at Jin for a moment and then said.

"In your brain, there's less tendons!"

"Less tendons? What do you mean?"

Jin was filled with confusion.

"Haha!"

Wang Yifeng and Hu Ming on the side, but they couldn't help but laugh out loud.

"What are you laughing at, hurry up and say it, or else I'll get you killed!"

Jin said angrily when he saw this, and Scar on the side even came over, his face full of ferocity, as if he was going to hit someone whenever he didn't agree.

Lin Ran looked at the two men and said with a helpless sigh.

"This disease, ah, it's better if you don't ask, I'm afraid you won't be able to accept it after hearing it!"

"Cut the fucking crap, if you don't tell me I'll get you killed now!"

Jin said angrily, the words were half spoken, how could he give up, and it was himself who had the disease, not someone else, if he didn't ask, he couldn't feel at ease in this heart.

“Fucking say it or not, if you don’t say it, I’ll do it!”

Scar on the other side urged.

Lin Ran was a bit embarrassed and asked after a moment of contemplation.

“Do you really want to know?”

“If you’re fucking talking nonsense, I’ll really do it!”

Jin said impatiently.

Scar on the side even followed Jin’s example and similarly drew his belt, ready to do it.

Seeing this, Lin Ran hurriedly waved his hand and said.

“This disease of yours, ah, is medically called cerebral nerve deficiency, in layman’s terms, it’s a lack of tendons, folk call it, lack of heart!”

“Cerebral nerve deficiency?”

Jin was a bit puzzled about what kind of disease this was, only as soon as this thought came to him, Scar lacking at the side was the one who reacted and hurriedly said.

“What brain nerve deficiency disorder, Jin this kid is scolding you!”

“Scold me?”

Jin was still a little confused, Scar hurriedly explained.

“This kid scolded you for lack of heart!”

“What?”

Brother Jin was instantly enraged at his words, turning to look at Lin Ran, his eyes cold as he raised his hand towards Lin Ran and slapped him across the face.

“Brother Lin Ran!”

Hu Ming saw this and hurriedly warned, but Wang Yifeng, who was on the side, stopped him and laughed.

“It’s alright! These few unenlightened fellows, how could they be Lin Ran’s opponents, it’s good to teach them a lesson!”

“Brother Lin Ran is so skilled?”

Hu Ming was a little surprised, he had never seen Lin Ran fight, so he didn’t understand.

“Formidable? Brother Lin Ran’s kung fu is not only formidable, it is practically inhuman!”

Wang Yifeng said.

And just as the two were talking, Jin’s slap had already reached Lin Ran.

Lin Ran sighed lightly and then stretched out his palm and then snapped it onto Jin's wrist.

This clasp was like an iron vise locking his throat, and Brother Jin immediately found that he could not move his arm one bit.

"You! Who the hell are you!"

Brother Jin was greatly alarmed, he knew his own strength very well, it might be worse than the little beauty just now, but it was considered more powerful among normal people.

However, at this moment, being locked up by Lin Ran, he was surprised to find that he couldn't use his strength at all, as if his whole body had been drained of its strength.

"I told you, I'm a doctor!"
