

Wonder Doctor

Chapter 271

“This”

Liu Li's eyes went straight as he looked at it and couldn't help but jump up from his chair, in all his years of practice he had never seen that there were emeralds that actually softened when exposed to light.

“You”

The fat man was even more disbelieving at this point, he would never have thought that the jadeite bracelet he brought would actually turn out like this no matter what.

“You pay for my bracelet and accompany me with 100,000 yuan!”

The fatty hurriedly shouted, while lunging towards Lin Ran.

But before he could get close to Lin Ran, he was intercepted by a figure, none other than Wang Yifeng.

“There's no rush about money or anything, let's just take a look at this rubbish and inferior bracelet of yours first!”

“You!”

The fatty gnashed his teeth in anxiety, at this moment, being wrapped around Wang Yifeng's shoulders, he really couldn't run away even if he wanted to.

“How can this bracelet be like this!”

Liu Li asked hurriedly beside him again, he could already be sure that the bracelet was definitely a fake, he was curious at this point how Lin Ran had found it and how the bracelet had suddenly become like this, he had similarly illuminated it for a long time before and nothing like this had happened.

“This bracelet, as I said, is a kind of high imitation boutique, it's normal for you to see it, this kind of thing is generally impossible for people to distinguish the real from the fake, it's already enough to achieve the effect of a fake!”

Lin Ran said, while finding scissors and directly cutting the melted area, horizontally.

The moment the bracelet was cut open, Liu Li clearly saw that the area that had been cut open was surprisingly elastic, just like jelly.

“What on earth is this made of!”

Liu Li was very curious, he had never seen a bracelet like this before.

“It's a kind of cohesive glue!”

Lin Ran said.

“Gelatin? What is that thing?”

Liu Li was even more confused, he had never heard of this kind of condensation glue at all.

“To put it bluntly, it’s a chemical and synthetic substance, similar to resin, but not resin!”

Lin Ran explained and laughed, followed by a point to the cut surface of the jadeite bracelet and continued.

“This congealing glue is very peculiar, it is incredibly hard at room temperature, but as long as it is heated with high temperature, it will quickly melt away!”

Speaking of this, Lin Ran turned on his torch again and shone it on the rest of the fake bracelet, pointing to the water head and other features reflected within.

“They filled the agglutination glue with a lot of chemical synthetics, thus making the effect of water heads and cotton wool, and these things can’t be distinguished even by professional veterans under the effect of the agglutination glue.”

“Then what did you see?”

Liu Li was busy asking, but he remembered that just now Lin Ran had determined that the bracelet was a fake after just one look.

If he could learn this craft, then he would really be eating and wearing no poke for the rest of his life.

“Feelings!”

Lin Ran said back seriously.

“Feelings?”

Liu Li was directly dumbfounded, although it was true that sometimes there was a feeling when it came to things like antique jade, but I was afraid that Lin Ran was the first person who could determine the authenticity of a piece based on his feelings alone.

“By the way, then you just”

Liu Li still wanted to ask Lin Ran how he had made the fake bracelet appear in its original form just now.

But the words were only half spoken when Wang Yifeng’s startled voice came from the side.

“Damn it, goon, don’t fucking run if you dare!”

“What’s wrong?”

Lin Ran was busy greeting.

Only then did Wang Yifeng walk over from the doorway in a rage, cursing as he walked, covering his hands.

“That fat bastard, when I wasn’t looking, took a bite out of me and then ran away!”

Lin Ran noticed that on the back of Wang Yifei’s hand, there was indeed a bright red tooth mark, and couldn’t help but laugh.

“You, you can’t even look at people!”

“No I”

Wang Yifeng still wanted to explain, but Lin Ran waved his hand and said.

“Alright, just run away, he wasn’t really expected to eat shit live!”

“Damn it, don’t let me run into him again, or I definitely won’t let him go!”

Wang Yifeng cursed and grumbled.

Lin Ran, however, ignored him and turned to look at Liu Li, saying.

“You should beware of this kind of scammer in the future, if he can make such a level of high imitation, I’m afraid there’s more than one person behind him!”

“Mm!”

Liu Li nodded seriously, although Lin Ran’s words earlier about not believing his level of treasure appreciation made him uncomfortable.

But after the fake bracelet was confirmed, he was relieved, this was the way it was in this business, no matter how early you were in the business, everything was determined by eyesight.

As for Lin Ran’s kind reminder, it was also an extra word of caution on account of the fact that the shop was owned by his uncle.

“Alright, let’s get down to business!”

Lin Ran smiled faintly before asking.

“Do you have the contact details of your boss, Jiang Sansi, General Manager Jiang? We’re looking for him for something!”

“Chief Jiang?”

Liu Li frowned slightly at his words.

Although Lin Ran’s eyesight made him admire him, it was more or less inappropriate to come up and ask to see General Manager Jiang.

“This Mr. Wang Yifeng, he came to your shop yesterday, Mr. Jiang knows him, you can give him a call and confirm!”

“Besides, we really have something to do with Mr Jiang!”

Lin Ran added.

Liu Li looked a little embarrassed, but seeing that Lin Ran and Wang Yifeng did not look like the type of people who were immodest, he pondered for a moment and nodded his head in agreement.

Picking up the phone, Liu Li went to the side and called, the call was answered and chatted for a while, and he came back soon after.

“Well?”

Wang Yifeng also came over at this time, and was busy asking.

“Mr. Jiang said, let you go to Taian Hotel to find him, but he has to attend a wedding at noon, so you may have to wait longer if you go now!”

Liu Li said.

“It’s fine, thanks!”

Lin Ran said with a smile, then chose two more pieces of the finest Guanyin and Buddha pendants in the shop, before pulling Wang Yifeng around and leaving the jewellery shop.

Wang Yifei was curious as to why Lin Ran suddenly wanted to buy the pendants, but since Lin Ran didn’t say anything, he didn’t ask.

Only shortly after the two left did Liu Li realize that he still had a doubt in his mind that he hadn’t asked.

“How on earth did this guy manage to heat up so quickly? The temperature of this testing lamp shouldn’t be able to reach it!”

Holding the testing lamp that Lin Ran had just used, Liu Li was puzzled.

How could he know that for the temperature to increase dramatically in a short period of time, Lin Ran had used his internal true qi, otherwise how could he do it?

.....

The two of them left the jewellery shop and rushed towards the Taian Hotel without stopping.

The two of them were only at nine o’clock when they left, but by the time they got there, it was already eleven o’clock at noon.

They found a parking space to park their car, and the two of them were ready to get out and go in directly.

Although there was a wedding inside, the two were a bit impatient, or to be precise, Lin Ran was a bit impatient, after all, meeting Jiang Sansi could solve a lot of mysteries in his mind.

However, just as the two of them got out of the car and hadn’t taken two steps out, a young man’s sneering voice suddenly came out of a van listening to the roadside.

“Don’t worry Brother Kui, I’ve made all the arrangements, the hotel lobby manager is my cousin, I’ve replaced all the music in!”

“Later, when the bride and groom are toasting, the dead man’s funeral music will be played, that boy Luo Ding’s face must look ugly, the scene must be wonderful haha!”

Chapter 272

“This kid has a conspiracy!”

Wang Yifeng said with a frown.

“Drag him out!”

Lin Ran's face was grim as his voice trailed off.

"Good!"

Wang Yifeng nodded and followed and walked towards the van, Jiang Sansi was Lin Ran's uncle and a guest at today's wedding, so since this had been touched by Lin Ran, he naturally had no reason to ignore it.

"Hey hey! Who are you Cao don't they drag the old man, ah!"

After a shout of surprise, soon Wang Yifeng came over carrying the kid, who was lying on Wang Yifeng's shoulder, already unconscious.

"The boy disobeyed, knocked out!"

Wang Yifeng said.

"Where to first!"

Lin Ran said as he pointed to the side, where there was a very inconspicuous alleyway, and the two immediately ran over.

When they reached the alleyway, seeing that there was no one around, Wang Yifeng then poured a bottle of mineral water over the other man's head, waking him up.

"You... Who are you and what do you want!"

When the youth woke up and saw that he was in a hutong with Lin Ran and Wang Yifeng standing in front of him, his heart thudded and he hurriedly took a few steps back.

"Kid, I'll ask you a few questions, better answer honestly, or else the machete in my hand is not a vegetarian!"

With that, Wang Yifeng took out the Divine Dragon Axe and threw it to the ground with one hand.

The Dragon Axe was so heavy that it hit the ground with a dull thud, causing the young man to gag unconsciously.

But he was a man of the world, so he wasn't easily frightened, and he said warily.

"I'm telling you, I'm one of Brother Kui's men, if you dare to touch me Brother Kui will never spare you!"

"Brother Kui? That Brother Kui? Sunflower?"

Wang Yifei said disdainfully as Lin Ran, who was waiting a little impatiently on the side, looked at the youth and asked.

"What's your name?"

"Lei Zi!"

The youth said warily, he could tell that the two people in front of him, the real leader was this man.

“Lei Zi, right? I’m suing you, now you have two choices, either call your cousin and ask him to return the music to me, or I’ll let him have a good time with you!”

Lin Ran said as he pointed a finger at Wang Yifeng.

Wang Yifeng was stunned at first, then a smug smile appeared on his face as he clenched his fist with a loud click and laughed.

“That’s great, Master Wang, I’m really holding my breath and have no place to take it out!”

“You... Don’t come any closer!”

Lei Zi was so scared that he even turned green and hurriedly took a few steps back, looking at Lin Ran and said.

“I’m really one of Brother Kui’s men, if you dare to touch me Brother Kui will definitely not spare you!”

“Eh?”

Seeing this, Lin Ran didn’t bother with nonsense and looked at Wang Yifeng, who instantly understood, moved his shoulders and walked over towards Lei Zi.

“You... Don’t come any closer, I’m really one of Kui’s men Ah Don’t!”

Before Lei Zi could finish a sentence, Wang Yifeng had already reached close and grabbed him by the collar and lifted him up.

“One of Brother Kui’s men, huh? I’ll turn you into a sunflower!”

With that, Wang Yifeng directly lifted Lei Zi in the air and did a one hundred and eighty degree spin, switching his head and feet.

With his head facing downwards, his other went red and even his speech started to become very difficult.

“How does it taste, kid? Take your time to enjoy it!”

Wang Yifeng laughed, and Lin Ran, who was on the side, came over at this moment.

One minute of delay was one minute less, it was almost noon, and he didn’t want to make any mistakes.

Quickly coming next to Lei Zi, Lin Ran squatted down and said.

“A person standing upside down for a long time will overflow the brain with blood, the most serious ones may even cause brain hypoxia or even brain death, generally speaking ten minutes will show some signs!”

Saying that, Lin Ran took out his mobile phone and glanced at the time, before pointing the screen at Lei Zi and saying.

“There’s still half an hour until noon, if you don’t do as I say, then you won’t be able to eat your noon meal!”

“You’re committing murder, you’ll go to jail too!”

Lei Zi roared angrily, it wasn't that he didn't want to compromise, as long as Kui's hand was too ruthless, if he didn't get things right this time, I'm afraid that the punishment he would receive when he got back would not be much better than it was now.

"Sorry, I'm a doctor!"

Lin Ran got up and laughed, then said as he straightened his clothes.

"I never leave any evidence behind when I kill someone, in ten minutes your death will be characterised as asphyxiation and there will be no trace left on your entire body!"

"You!"

Lei Zi was so frightened that he even turned green, at this moment Lin Ran gave him the impression of a perverted doctor who killed like hell, which caused a chill to grow in his heart.

"You still have six minutes!"

Lin Ran straightened up a pair and looked at Lei Zi with a faint cold smile on the corner of his mouth.

This smile directly caused Lei Zi to wilt, he didn't dare to doubt that if he really didn't do as Lin Ran said, he was afraid that he would have to really go to hell later.

Even if Brother Kui came after him later, the most he would get would be a severe beating, and he wouldn't have to die for such a thing.

After a quick review, Lei Zi had a plan in mind and hurriedly spoke up.

"Fine! I promise you, I'll call now!"

"Very well!"

Lin Ran nodded in satisfaction, then gestured for Wang Yifeng to set Lei Zi down.

"Hurry up and call!"

Wang Yifeng was uneasy, one hand still holding onto Lei Zi's collar to save this kid from playing any tricks.

When Lei Zi saw this he couldn't help but feel cold in his heart, knowing that he really couldn't leave without making this call today, he had no choice but to take out his mobile phone and call out.

The phone was quickly connected, and in accordance with what Lin Ran said, Lei Zi let his cousin, who was the lobby manager, replace the music back.

Even in order to verify the authenticity of his call, Lin Ran also deliberately asked Wang Yifeng to go ahead and verify it at the hotel's front desk, and watched with his own eyes as the other party deleted the funeral music.

"I've made the call too, now can you let me go!"

Lei Zi looked at the two men and said.

"Yes!"

Lin Ran smiled and nodded his head.

“Hey... Don’t ...”

Wang Yifeng still wanted to stop, but Lin Ran stopped him.

Lei Zi saw this and ran away, afraid that Lin Ran was backtracking, but his feet had only just taken two steps when a strong wind struck behind him, followed by Lei Zi’s eyes going black and his entire body directly passing out.

“Ranzi, you?”

Wang Yifeng saw what he really saw, just now just the moment Lei Zi was about to leave, Lin Ran threw out something, followed by the other party directly to the ground in response to the sound.

“He just fainted, this kid can’t wake up now, or else the so-called Kui knows about it, I’m afraid this is not over!”

Lin Ran said.

“What about him?”

Wang Yifeng said, pointing at Lei Zi.

“He’ll be unconscious for two hours at most, find something to cover him up, the wedding will be over by the time he wakes up!”

Lin Ran said.

“Good for you, you’re really a doctor, you’re so thoughtful!”

Wang Yifeng laughed and at the same time ran to find a bin and covered Lei Zi’s body.

After doing all this, Wang Yifeng clapped his hands and asked.

“What now?”

“Go to the hotel and meet that so-called Brother Kui!”

Lin Ran said calmly, while a touch of a smile appeared at the corner of his mouth, and followed the two of them as they walked towards the hotel.

Chapter 273

Inside the hotel, it was already filled with guests.

After the two of them entered, Lin Ran swept his gaze around and saw a vacant table in the next corner, so he walked straight over to it.

There was not much at the table, only a short-haired youth, who was leisurely getting high on melon seeds, perhaps because the corner was too remote, and he was the only one at the whole table.

The two men came to the table, smiled at the youth and followed and made their way down.

The youth seemed to be very unwelcoming to the two men, and seeing this, he frowned slightly and spoke afterwards.

“Two friends, people’s banquets haven’t even started yet, there’s no need to dawdle so early!”

“Hmm?”

Wang Yifeng heard a puzzled hm, followed by turning his head to look at the youth and said in a deep voice.

“You’re talking to us?”

“There are only three of us at this table, so if it’s not you guys, it could be a ghost!”

The youth said with a disdainful face.

“What, you have a problem with me sitting here, Master Wang!”

Wang Yifeng saw this and said in a cold voice, how can you find a place to do it and meet someone looking for trouble, young people these days are still too well fed.

“And indeed some opinions!”

The youth sneered, followed by a look around and said.

“Please be a little more professional, this is a five-star hotel, which of you are not rich or rich, and I’m afraid that the clothes you’re wearing don’t add up to a hundred, how dare you come here to dine!”

Said the youth, shaking his head, with a speechless look, said.

“What shamelessness!”

“Kid, who the fuck are you talking about, we’re relatives of the family that got married!”

Wang Yifeng said indignantly, ringing up Lin Ran and Jiang Sansi’s relationship and immediately bragging about it.

“Relatives? Can you be any more shameless?”

The youth said disdainfully.

“I’m afraid that even if you were neighbours, you’d have to move!”

“What’s your name?”

Lin Ran turned his head impatiently.

“What for? You want to take revenge? I’m not really afraid of your revenge!”

The youth sneered, followed by using his finger to take up some water and gestured on the table.

“Watch this, this is grandpa’s name!”

A moment later, the youth called out.

Lin Ran and the two of them looked at the table, only to see two words written on it, "Ah Kui!"

"Ah Kui?"

When they saw these two words, Lin Ran and the two of them were stunned, then they looked at each other and couldn't help but laugh.

This was really something that they had never found. They had never thought that they would run into the right person when they casually found a place to sit.

Wang Yifei winked at Lin Ran, indicating whether he should go up and tackle him now.

Lin Ran shook his head, gesturing for him not to make any rash moves yet, then looked at Ah Kui and spoke.

"Ah Kui, right, you say we're here to rub it in, so what's your relationship with the main family again?"

"Me? What do you care?"

Ah Kui sneered, his face full of disdain.

"You're not a big man with a small temper, so what do you care if we're here for food and drink?"

Wang Yifeng sneered beside him again.

Ah Kui's face suddenly turned gloomy when he heard that, he was quite famous in this area, very few people dared to mess with him, but he didn't expect to run into two guys who didn't want to die today.

"Kid, you're crazy, if it were normal, I'd make sure you couldn't leave this hotel!"

"But today, for the sake of the wedding, I don't think I'm going to be too hard on you, so hurry up and get out of here, or else I won't be able to joke with you when the wedding is over!"

Ah Kui said in a cold voice.

Wang Yifei could not help but also laugh at his words.

"O? Is that so? I want to see if your fist can joke around or not!"

With that, Wang Yifeng actually opened the packing bag of cutlery in front of him, looking as if he was just waiting for the food to be served.

"I'm curious too!"

Seeing this, Lin Ran also followed suit and opened the bag, and the scene was quiet for a while.

"Good! You have guts, then you can do well, the one who runs away in the middle of the meal is a grandson!"

Ah Kui laughed coldly, and then stopped paying attention to the two of them, and got high on melon seeds by himself.

"When Luo Ding is done making a fool of himself, let's see how I'll deal with you two sons of bitches!"

Ah Kui thought to himself, "I came here today to see Luo Ding make a fool of himself, he can put up with anything else.

Time passed and soon it was 12 noon, and the wedding started on time.

Lin Ran and Wang Yifeng sat in the corner, eating and drinking, not caring about Kui next to them, as if he was transparent.

As for Ah Kui, he couldn't care less about the two of them at the moment, his eyes looking around and calculating the time.

According to his plan, after the wedding was over, when the toasts started, the funeral music would be played, and at this moment, counting the time, it was almost time.

""Okay, here is the groom Luo Ding, the bride Jiang Xue to toast the guests!""

As the MC's voice rang out, the couple then started to toast, and the music was all right.

This made Ah Kui, who was sitting in the corner, look ugly, as according to the plan, there should be funeral music at this time, not such festive music.

"Shit! Bastard!"

Ah Kui cursed angrily and took out his mobile phone, ready to call and ask.

But as soon as he took it out, Lin Ran pressed his hand aside and laughed.

"Don't call, no one will answer!"

"You?"

Ah Kui smiled and instantly understood, followed by a grim look on his face.

"It's you two who are up to no good!"

"That's right, it's you, Master Wang, why don't you take offence?"

Wang Yifeng put down his chopsticks and said disdainfully.

"Good! Good boy, you two have guts, they don't leave later if they have the guts!"

Ah Kui was so angry that he sat down on his chair, his eyes looked straight at the two with anger, he couldn't eat this meal anymore.

"If I don't play you two to death later, I won't be called Ah Kui!"

Ah Kui muttered to himself in his mind, already furious to the core.

As the three were talking, the couple had already made a toast to the side.

Lin Ran looked up and saw that the bride and groom were just about his own age, the man was tall and handsome, and the woman was pretty and virtuous, a good match.

Next to the couple was just a middle-aged man who was calmly facing, but with a sharpness between his eyebrows, obviously caused by a long time in a high position.

“Hey hey, the one next to him is Jiang Sansi, your uncle!”

Wang Yifeng tugged at Lin Ran, gesturing.

Lin Ran nodded, indicating that he had seen it, but what made him wonder was that it was usually the parents who followed during the toast, could it be that this Jiang San Si was the bride Jiang Xue’s father?

As he was thinking about it, suddenly the groom spoke up.

“Ah Kui, you’ve come too, to my surprise!”

Said the groom, Luo Ding, filling a glass of wine and handing it over, but there was a hint of complexity in his eyes.

“It seems that these two have an unusual relationship!”

Lin Ran saw this and calculated in his mind.

“Known each other for a while, it’s time to come!”

Ah Kui said with an embarrassed look on his face, but still readily took the drink and drank it down in one go.

“Then you eat and drink well, I’ll go first.”

The wine was drunk, and Luo Ding was ready to leave.

However, Ah Kui thought of something and hurriedly spoke.

“Wait a moment, I want to ask a question”!

“Question? What kind of question?”

Luo Ding frowned slightly, as if he was worried about something.

Ah Kui smiled blandly and pointed at Wang Yifeng and Lin Ran who were next to him and smiled.

“I was talking to these two friends just now and they said they were your relatives, I wonder which ones they are? I’m just curious!”

Chapter 274

“Relatives?”

Luo Ding sniffed and looked at the two Lin Ran, following which he shook his head.

“I don’t really know these two, do you know them?”

Luo Ding asked Jiang Xue beside him, who also shook her head, but followed.

“Probably relatives who are quite far away, it’s normal not to know them!”

Jiang Xue’s words were very clever, although they somewhat alienated the two people, they were also considered to have given them a step down.

After all, it was not uncommon to see people dawdling at wedding banquets these days, and usually the host family of such a happy event would not take the initiative to kick people out, so as long as the other party did not go overboard, dawdling a meal would be fine.

“Ao! I see, I dare say it’s like that!”

Ah Kui smiled at his words, only this smile was a bit mocking.

“I see, I said how come I didn’t see them presenting their gifts just now, well you guys continue!”

Ah Kui said, seemingly intentionally and unintentionally, and then prepared to sit down.

However, his words were a direct poke at Lin Ran and Wang Yifeng’s heart, and Jiang Sansi frowned at the side.

He and Wang Yifei can only be considered as a first acquaintance, met yesterday and chatted a little more, the friendship is really not much deeper, originally, the wedding banquet wanted to come to mix a meal is not much.

The point is, at this time, he was caught out, which made him lose face, and the thought of greeting in his heart could only be suppressed.

“Who the fuck are you saying didn’t prepare a gift? Laozi fucking”

Wang Yifei was straightforward and was about to explode at once, which made Jiang Sansi look even more frowning, secretly doubting his own vision somewhat.

But just then, Lin Ran hurriedly body hands to stop him, while getting up and laughing.

“Don’t mind everyone, my friend is a rough guy and doesn’t talk through his head!”

“How dare you bring it out without thinking, are you not ashamed enough?”

On the side, Ah Kui sneered, his face full of disdain and ridicule.

“Even though my friend’s words are coarse, at least he doesn’t have any bad intentions, unlike some people who talk like brothers and sisters but don’t know how much damage they’ve done behind your back!”

Lin Ran laughed.

“Who are you talking about!”

Ah Kui’s face suddenly turned gloomy at his words, while his gaze turned a little colder when he looked at Lin Ran, who knew about his previous shenanigans.

However, to his surprise, after Lin Ran said this, he didn’t even bother with him, instead he looked at the bride and laughed.

“Jiang Xue, right, this is you next to her?”

Lin Ran said and looked at Jiang Sansi, which made both of them very puzzled.

“This is my uncle!”

Although her heart was puzzled, Jiang Xue explained with a smile.

“How dare you call yourself a relative when you don’t even know what their relationship is, it’s just laughable!”

On the side, Ah Kui interjected.

Seeing this, Wang Yifeng just wanted to explode, but was stopped by Lin Ran, saying.

“You’re going to hitch a ride even if a dog barks?”

“Yes, it’s just a dog barking!”

Wang Yifei nodded with a smile and stopped paying attention to Ah Kui.

Ah Kui’s face was icy cold, as if he would strike at any moment.

However, Lin Ran didn’t care about him at all and turned to look at Jiang Xue and the two of them, laughing.

“It’s the first time we’ve met, and I didn’t prepare any gifts, so I have two pieces of jadeite here, so I’ll consider them as a meeting gift!”

With that, Lin Ran took out the jadeite pendants he had bought in Jiang Sansi’s shop earlier and handed them to the two.

Seeing this, Ah Kui at the side couldn’t help but stand up and point at Lin Jean Ran, laughing.

“Haha, you stupid bastard, you actually gave someone an emerald, do you fucking know what they do? They are just selling jewellery, brain dead like giving someone jadeite!”

“You talk a bit too much?”

Lin Ran turned his head to look at Ah Kui, his icy gaze was like a sharp blade, poking the latter straight into his heart, so scared that he unconsciously took a few steps back.

“Bring it to me for a look!”

Jiang Sansi frowned slightly as he looked at it, seeing that Lin Ran was not ordinary and fearing that the jadeite was fraudulent, he immediately took it over.

Both pieces of jade were only of good quality, and the shapes were the most conventional Guanyin and Buddha, nothing peculiar.

But when Jiang Sansi took the two pieces of jadeite in his hands, he froze, and his two palms trembled uncontrollably.

“Uncle, you...”

Jiang Xue looked startled, a look of worry in her eyes.

“I’m fine!”

Jiang Sansi said hurriedly, while rushing to look at Lin Ran.

“Little brother, did you dish out this jadeite yourself? Or is it”

When Jiang Sansi forfeited a word to play, Wang Yifeng, who was next to him, stood up and said.

“Old man Jiang, these two quick jadeite were bought in your shop, and just now, not even half a day’s work until now!”

“Bought in my shop?”

Jiang Sanshi hurriedly picked up the pendants at his words, and when he took a closer look, he really found the logo of his shop, and was even more surprised.

Lin Ran looked at Jiang San Si’s look and smiled, then said.

“No need to feel strange, it’s my plate, but now is not the time to talk about that, if your old man is interested, we can talk about it in detail later, itself this time over is also looking for you!”

“Good! Good!”

Jiang Sansi nodded excitedly, and then handed the pendant to the two Jiang Xue.

“Uncle, what’s wrong with you? Is there something strange about this pendant?”

Jiang Xue asked in confusion, he had never seen his uncle look so out of sorts before.

Jiang Sansi couldn’t help but laugh at his words.

“Haha, I’m the one who’s too excited, it’s been a long time since I’ve seen this kind of emerald that’s permeated with aura!”

“Permeated with aura?”

Jiang Xue was a bit confused at his words, he also worked in his uncle’s company and was also proficient in jadeite, but he had never heard of any jadeite that was permeated with aura.

Seeing this, Jiang Sansi smiled and explained.

“This kind of jadeite, in layman’s terms, is one that has been enlightened by the Daoist Sect, and contains a ray of righteousness within it, which can dispel evil demons and foul spirits to keep you safe!”

“Didn’t you like this piece of mine back in the day? In fact, this piece of mine was enlightened by a Taoist master back then!”

Saying that, Jiang Sansi pulled out the piece of jade on his chest, Jiang Xue then understood and was taken aback.

“So valuable? We can’t have this!”

Jiang Xue was busy saying, Jiang San Si’s piece of jadeite was treated like a treasure by him, and he didn’t even sell it when someone offered thirty million dollars.

But now that Lin Ran had met with them for the first time, he had given them two pieces like this, which really flattered her a little.

“There’s nothing precious or not, and since it’s the first time we met, I, as a cousin, can’t give nothing right!”

Lin Ran looked at Jiang Xue and said with a smile.

“Cousin? But I don’t know him at all!”

Jiang Xue was a bit confused, she was sure she didn’t know Lin Ran at all, so where did this form come from?

Lin Ran smiled a little helplessly at this, then looked at Jiang Sansi next to him and spoke.

“My name is Lin Ran, uncle you should still remember me!”

“Uncle? Lin Ran?”

Hearing these two names, Jiang Sanshi froze, while his mind would quickly recall a figure, a figure still in swaddling clothes, that his sister had brought back at the time, and it seemed to be called Lin Ran.

The more he thought about it, the more shocked Jiang Sansi’s face became, and a moment later he looked at Lin Ran, his body couldn’t stop trembling, and his voice broke.

“You You’re Xiao Yun and his son!”

Chapter 275

“Xiao Yun? Who is it?”

On the side, Jiang Xue looked puzzled, she had never even heard of Xiao Yun as a person, let alone knowing that she suitably had a cousin.

“I don’t think now is the time to talk about that!”

Lin Ran said as he looked at Jiang San Si.

Jiang San Si woke up and hurriedly nodded his head and said.

“Yes, yes, this is not the place to talk, don’t leave, we need to talk when the wedding is over!”

“Don’t worry, I won’t leave!”

Lin Ran smiled and nodded his head.

Jiang Sanshi only then greeted Luo Ding and Jiang Xue and continued to entertain the guests.

Lin Ran and Wang Yifeng returned to their seats, while at this moment, A Kui’s face at the side was already gloomy to the core.

He looked at Lin Ran and said in a cold voice.

“I didn’t expect that you had really climbed into a relative, but even then you won’t be able to fucking run away later!”

“Run? Why should I run?”

Lin Ran looked at Ah Kui and asked rhetorically.

“Good! Good, enough balls, this is getting interesting!”

Said Ah Kui as he got up and took out his mobile phone, obviously going to shout at someone.

“Go, follow them over!”

Lin Ran put his chopsticks down and greeted Wang Yifeng, then the two of them followed him out together.

Outside the hotel, it looked very cold at this time, it was a bit chilly outside at noon and there were not many people on the streets.

When Lin Ran and the two of them came out, a group of people had already poured out at the corner of the street, all of them wearing vests and with either bald or dyed yellow hair, not serious people at first glance.

When Ah Kui saw this group of people, a smile appeared on his face and he turned to look at the two Lin Ran and laughed.

“Dog breed, come with me if you’re a man!”

“So what if I come with you, what am I afraid of you, Master Wang!”

Wang Yifeng was not willing to show any weakness and yelled, while actually walking with this Ah Kui towards a side alleyway.

Lin Ran’s face did not ripple as he saw this and followed him.

The alleyway was still the same, and Lin Ran arrived to find the bin still in place, with Lei Zi inside, who had obviously not yet woken up.

“Kid, you two have guts, even though we are enemies, but I really admire you two!”

Ah Kui lit a cigarette and looked at the two Lin Ran with disdain on his face, as if he had already won.

“Cut the fucking crap, how do you want to play, come and draw a path!”

Wang Yifeng looked at the crowd, but there was disdain on his face.

“Haha, that’s fine! I admire your kind of courage that is not afraid of death!”

Ah Kui laughed, followed by a flick of the cigarette in his hand landing directly on the ground, a mouthful of cigarette sprayed out, all blowing on Lin Ran’s face.

“Want to play, right? I’ll give you a good time today!”

The two of them were in the same position as the other two.

“Dao Dao? I have so many fucking people playing Dao Dao with you? Give me the old man to die!”

Ah Kui cursed angrily, while he himself copied a bin and ran straight at Lin Ran.

Lin Ran was not prepared to do anything to Ah Kui, at most he would have said something to educate him, after all, it was a harmonious society now.

But this guy sprayed a mouthful of cigarette in his face, which made Lin Ran's heart very disgusted, his face looked at the other party with a cold glance, followed by saying to Wang Yifeng.

"Let the old woman out, she hasn't been out for so long, I think she's quite lonely too!"

"Huh? Haha, I think so too!"

Wang Yifei smiled heartily, followed by a flip of his palm, and the Magic Buddha appeared in his hand.

"Old woman? What the hell?"

Ah Kui's heart trembled at his words, he always felt that this title didn't seem quite right.

But at this point, the arrow was on the string, so he didn't care to think too much about it, and led a group of his men towards the two Lin Ran.

"Come out, old woman!"

Up ahead, Wang Yifeng let out a loud laugh, followed by a fierce wind blowing up, and all of a sudden a black shadow appeared in front of the two of them, none other than the old woman who hadn't been seen for a long time.

"Go! Have a good time with them, just don't play dead, the rest is up to you!"

Wang Yifeng laughed, this was the first time he had allowed the old woman to play like this.

"Yes master!"

The old woman's mouth grinned to the roots of her ears at her words, following which she pounced towards Ah Kui and the others as if she were a hungry tiger pouncing on them.

"Ghost! Ghosts!"

"Quick!"

They were not afraid of fighting, but something they had never seen before was what they feared most.

The group turned tail and ran, remembering that Ah Kui couldn't help but curse angrily.

"A bunch of useless things, isn't it just a ghost? What's there to be afraid of!"

But no sooner had he spoken than the old woman had arrived close to him with a gust of gusty wind, her dry palm resting on his shoulder, smiling.

"What a temperamental little brother, I like it, haha!"

With that, with a wave of his hand, he took Ah Kui directly into his arms, and then chased after him towards the other punks in front of him.

People and ghosts running, basically no chance, in just the blink of an eye, the dozen or so people who were still arrogant, immediately disappeared without a trace, all taken by the old woman to play in her own world.

“Go, go, let’s go back first!”

After collecting the crowd, Wang Yifeng hurriedly greeted them.

“Go back? What for?”

Lin Ran asked in surprise.

“Nonsense, let’s go back and eat, I haven’t even eaten this morning, so I’ll be at a loss if I don’t eat such a sumptuous meal at noon!”

Wang Yifei said, and pulled Lin Ran back to the hotel.

Lin Ran was fine, but he was afraid that Jiang Sansi would not be able to find him if he was not inside for a long time, so he simply followed him back.

The wedding process was basically finished, but the bride’s family had not yet left, and Jiang Sansi could not spare himself at this time.

Lin Ran and Wang Yiming had no choice but to eat again.

The food at this five-star hotel was indeed no mean feat, and the two of them hadn’t eaten in the morning either, so they ate and drank so much that they forgot about Ah Kui and the others.

It was not until the guests had eaten their fill of food and wine that Lin Ran remembered that Ah Kui was still at Wang Yifeng’s and hurriedly asked him to let him out.

The two of them went to the hutong, and seeing that no one was around, Wang Yiming released Ah Kui and the others.

“Puff, puff, puff!”

When a large group of people were released, Lin Ran and the two of them looked a little dumbfounded.

They were wilting like frosted aubergines, lying on the ground, not even bothering to move. If it wasn’t for the wailing from their mouths, I’m afraid Lin Ran would have thought they were all dead.

“Little brother, next time we’re free to play together!”

The old woman looked at the group of people and licked her dry lips, as if she couldn’t get enough!

“Alright, alright, hurry back!”

Wang Yifei’s whole body shivered as he watched, and hurriedly put the old woman back, his heart in a pang of fear.

Fortunately, he was her master, if he were to be tossed around by the old woman like this, I’m afraid that even the king would have to turn into a king wilt.

“Let’s go!”

Lin Ran greeted, and immediately left the hutong together with Wang Yifeng.

But not long after the two of them had left, the bin finally stirred and Lei Zi, who had woken up, climbed out of it.

When he saw the ground full of people in front of him, he froze in place for a few seconds in shock.

Then seeing Kui in front of him, he jolted awake and ran over.

“Brother Kui Kui, are you alright!”

Lei Zi hurriedly knelt down and picked up Ah Kui.

With two black circles under his eyes, when he saw Lei Zi, he couldn’t help but grit his teeth, but he was so weak that he didn’t have the extra strength to curse.

He could only point to his pocket, signalling for Lei Zi to take out his mobile phone, and then with all his strength, he uttered four words!

“Quickly find Brother Wolf!”

Chapter 276

Coming out of the hutong, Lin Ran and the two of them had planned to go to the hotel and wait for a while, but before they could walk to the hotel, they saw Jiang Sansi and the others head on.

“Come with me!”

Jiang Sansi saw Lin Ran and walked straight over and said.

“Mhm!”

Lin Ran nodded and didn’t refuse, originally he had come over this time to find him.

“Wait a moment, I’ll say goodbye to Xiao Xue, her parents left early, so I’ll be like his father!”

Jiang Sansi explained with a bitter smile.

Lin Ran smiled and suddenly understood why it was Jiang San Si who was following him when the toast was made just now, it turned out that Xiao Xue was an orphan like himself.

At this moment, Luo Ding and Jiang Xue walked over together and said goodbye to Jiang San Si.

Jiang San Si gave a good instruction before he then asked Jiang Xue and Luo Ding to say hello to both Lin Ran as well.

Although both of them were confused as to how a cousin had suddenly appeared, they had nothing to say since Jiang Sanshi had said so.

“Cousin, take care!”

Jiang Xue said with a smile, she still liked the gift Lin Ran had given her, especially after that comment from Jiang San Si again.

“Mm!”

Lin Ran nodded his head, but then looked at Luo Ding.

“Does cousin still have something to do?”

Luo Ding was smart enough to see Lin Ran looking at himself and asked directly.

“What kind of person is that Ah Kui to you?”

Lin Ran asked directly without any nonsense.

“He used to be an employee under me, but he was not a good person, so I fired him!”

Luo Ding said, then seeing Lin Ran’s frown slightly, he couldn’t help but ask.

“What’s wrong? Did he offend you?”

“No!”

Lin Ran shook his head, and then looked at Luo Ding and said.

“This kid was going to cause trouble today, but not enough to be stopped by me and Wang Yifeng seeing it!”

“Trick or treat?”

Luo Ding frowned slightly at his words.

“Yes, he had his men find someone to change the wedding music to funeral music, and we came across it!”

Wang Yifeng added.

“Funeral music?”

Luo Ding’s face went cold when he heard that, today was his big day, fortunately there was no mistake, if there was a mistake this would be a disgrace to plus.

“Luo Ding!”

Jiang Xue on the other side also felt a moment of fear, and her grip on Luo Ding’s hand couldn’t help but tighten a bit.

Luo Ding was also from a family and his background was not simple, at this moment his face was cold and unusual as he looked towards Lin Ran and said.

“Thanks a lot cousin!”

“As it should be!”

Lin Ran responded with a smile, then pointed to the hutong next to him and said.

“Ah Kui and his men are in there, there’s also a problem with the lobby manager of this hotel, something better be taken care of, after all, my cousin is married to you, you have to protect it!”

“Don’t worry, I will!”

Luo Ding said seriously, at this moment, the gaze he viewed Lin Ran couldn't help but change.

If it was just an ordinary person, I'm afraid he wouldn't be able to do this at all, and Lin Ran had done just that, clearly not an ordinary person.

On top of that, the gifts that were subsequently given out before were all so precious, this was also enough to show that Lin Ran's identity was not ordinary.

"Alright then, we'll leave first, give me a call if you need anything!"

After the matter was finished, Jiang Sanshi said goodbye to the two, then drove Lin Ran and Wang Yifeng with him and went straight back home.

Jiang Sansi's home was just around the corner, and it took only ten minutes of driving to reach home.

When they arrived at the place, Lin Ran and Wang Yifeng were both shocked.

This was a very famous neighbourhood, one of the top places in the entire Temperance City.

It was famous not because it was so expensive, but because it was so difficult to buy.

The whole neighbourhood was built in a classical style, with each house being an exclusive small courtyard, and all of them were three or four-entry houses, very much like the mansions of ancient officials and nobles.

"Old master, this house of yours is really magnificent!"

As he entered, Wang Yifeng could not help but exclaim, it was incredible to think that such a house could be seen in a city.

"It's just luck!"

Jiang Sansi laughed.

When the group arrived at the hall, Lin Ran and the two of them saw that the entire living room was filled with furniture that was all mahogany, the overall arrangement was ancient and the taste and style was unmistakable.

"Dad, you're finally back, where's that so-called cousin? Where is he? Quickly let me see!"

Just as the three of them entered the living room, a silver bell-like voice came over.

Lin Ran turned his head to look, only to see a young woman running out from the side, about the same age as himself and very pretty looking.

Dressed in a white sports outfit with a ponytail whip, the whole person looked sporty and very sunny and playful.

"Goo dong!"

Wang Yifei couldn't help but gulp as he looked, living like a pig in a blanket seeing his daughter-in-law.

"Old man, is your family short of sons-in-law? I'm even willing to go backwards!"

Wang Yifeng couldn't help but say.

Jiang Sanshi was in a good mood, he just smiled without lending him a word and turned to look at Lin Ran and introduced him.

"This is my daughter, you are also your cousin, Jiang Yi Yi!"

"Hello, my name is Lin Ran!"

Lin Ran looked at Jiang Yi Yi and extended his hand and smiled.

"Hello, I'm your cousin!"

Jiang Yi Yi laughed, but then glanced at Wang Yifeng who was still staring at himself next to her and looked at Lin Ran and said.

"Your friend's eyes are about to fall out!"

Lin Ran was helpless at the sight and had to slap Wang Yifeng, before laughing awkwardly.

"This friend of mine has been single for over twenty years, and he can't even walk away when he sees a sow, so don't mind!"

"Haha!"

Jiang Yi Yi covered her mouth and laughed at her words, but at the same time she nodded her head.

On the side, Wang Yifeng, however, pulled a face and said.

"I say, even if you help introduce me, you still denigrate me so much, in the future, if I can't find a daughter-in-law, you are responsible for it!"

"Mm! I'm responsible!"

Lin Ran endured and nodded his head.

Jiang Yi Yi also looked over, wanting to know how Lin Ran would be responsible.

Who knew that Lin Ran was saying with a serious face.

"In the future, if you can't find a daughter-in-law, I'll be responsible for contacting pig breeding factories, as many as I want!"

"Fuck you!"

Wang Yifeng couldn't help but push Lin Ran.

Jiang Sanshi was very pleased to see the three of them fighting as soon as they met, and he laughed.

"Alright Yi Yi, dad and your cousin still have something to talk about, you go down and rest first!"

"No!"

Jiang Yi Yi refused outright, then made herself comfortable in a chair at the side and said.

“It’s not like cousin is an outsider, and I’m not tired right now!”

“You girl”

Jiang Sansi still wanted to say something, but Lin Ran waved his hand and laughed.

“It’s fine, just let her stay here!”

Seeing that Lin Ran didn’t even mind, Jiang San Si didn’t say any more, greeted the two of them and took their seats, then looked at Lin Ran and said.

“I haven’t seen you for so many years, I thought I would never see you again in this lifetime, but I never thought I would see you again today, how is it, is your grandmother’s health okay!”

“Very well!”

Lin Ran smiled and nodded his head.

“Mmm!”

Jiang Sansi also nodded, then after a moment of contemplation, he spoke.

“You must have come to me this time for what happened in the first place!”

“Mm!”

Lin Ran nodded, then got up and said.

“You are my uncle, even though we haven’t met for over twenty years, you are still my uncle, and this matter concerns your own sister even more, so I hope that uncle can tell me the truth!”

Chapter 277

“Hey! I knew this day would come!”

Jiang Sansi sighed and got up after him to leave the living room.

“Ai! Why is this old man leaving just like that!”

Wang Yifeng said in a hurry when he saw this.

“Don’t interrupt, the old master naturally has his own intentions!”

Lin Ran hurriedly stopped it.

“No patience at all!”

On the side, Jiang Yi Yi glared at Wang Yifeng with her small eyes, which was very cute.

“Hey, not that I’m saying good sister, brother I’m worried for your cousin here, do you know him”

Wang Yiming didn’t finish a sentence before Lin Ran covered his mouth.

“No one takes you for a mute if you don’t speak!”

“Exactly!”

To the side, Jiang Yi Yi echoed with a smile.

“Hey, I say you two are really, this is just getting to know each other and you’re ganging up on me alone, aren’t you!”

Wang Yifeng had a helpless face.

While the three of them were talking, Jiang Sansi had already walked back, but by now there was a wooden box in his hand.

The wooden box was very antique, with exquisite patterns carved on it, perhaps because it was too old, there were only dots of gold filigree left on it, which should have fallen off from the previous gold-encrusted filigree.

“Actually, I don’t know much, it’s all in here!”

Jiang Sanshi said with a sigh, while raising his hand to hand the wooden box over to Lin Ran.

“Open it!”

Jiang Sanshi said.

“Mhm!”

Lin Ran didn’t hesitate at his words and opened it straight away.

“What is it!”

Wang Yifei and Jiang Yiyi both couldn’t help but come over, and they saw that in the opened wooden box, there was a black flaky object that looked like a ragged piece of cloth.

“This is a turtle bone!”

Jiang Sansi spoke up and explained.

“Back then, that feng shui gentleman appeared mysteriously, no one knew where he came from, and no one knew where he ended up!”

As he said this, Jiang Sansi looked at Lin Ran.

“His said that if you find it later, he would give you this, and then ask you to take this turtle bone and go to Qinghewan Square to find him!”

“Qinghewan Square?”

Lin Ran was stunned, not understanding what this meant.

“Father, how did he know that cousin Lin Ran would look for him, it seems that cousin was only a little older back then!”

On the side, Jiang Yi Yi couldn’t help but ask.

Lin Ran and Jiang San Si were both stunned at the words and couldn’t help but look at her, this nee-san’s words clearly indicated that she knew something about what happened back then.

“That’s right, which Feng Shui gentleman, back then, left this behind because he saw Lin Ran, as for why he was so sure, I don’t know!”

Jiang San Si said after a moment of contemplation.

“Thanks a lot uncle!”

Lin Ran arched his hand, he was already satisfied to get such a clue, at least all the clues were clear, it was no longer a blind man feeling the elephant situation together.

“Uncle, I still have something to do so I’ll leave now!”

Lin Ran continued.

“What, you’re leaving when you’ve finished asking about things? Don’t you want to make up for these twenty years of affection?”

Jiang Sanshi looked at Lin Ran sternly and said.

“Aiya, you’ll scare cousin again!”

Jiang Yi Yi said hurriedly when she saw this.

“Well, stay for dinner tonight, it’s also considered that our uncle and nephew officially want to recognize each other!”

Jiang Sansi said, then before Lin Ran could retort, he turned around and left the hall, adding before he left.

“Yi Yi, take your cousin around this afternoon if you have nothing to do, and have a good match of affection!”

“Okay!”

Jiang Yi Yi burst into laughter at his words, hurriedly pulling Lin Ran with him and ran out of the living room.

“I say, good sister, how long has it been since you’ve gone out to play, is it necessary to be so happy?”

At the side, Wang Yifeng couldn’t help but say, it was only three o’clock in the afternoon, even if the evening meal time was seven o’clock, that was still four hours.

The most crucial thing was that he was hungry right now.

“Grrrr!”

As the thought was going through his mind, his stomach followed suit and growled indisputably.

Lin Ran’s head was filled with black lines as he listened.

“I say, big brother, you just had a fucking meal at noon and your stomach is growling again, you’re fucking straight!”

“Holy shit, I did all the work to clean up Ah Kui just now, you think you don’t need to eat to be a fighter!”

Wang Yifeng retorted.

“Alright, alright, my treat, let’s go eat!”

Jiang Yi Yi laughed.

As soon as he heard that he was getting a meal, Wang Yifeng’s eyes went straight and he ran out after Jiang Yi Yi in a frenzy.

Seeing this, Lin Ran had no choice but to put away the wooden box and follow him out.

This was a generation of high-end residential areas, and there was a wide range of high-end restaurants, so Jiang Yi Yi didn’t bother looking for them, so she led them to a three-star hotel that they frequented most often.

Wang Yifeng walked at the front of the line, already impatient to eat the food quickly, so hungry that even his harrumphs almost flowed out.

However, the three of them had just entered the hotel when Wang Yifeng was in such a hurry that he bumped into a customer who was about to come out, and the two of them collided directly.

The customer was very skinny, like a stick, and when he was hit by Wang Yiming, who was a big, thick man, he fell backwards onto the ground, almost breaking his bones.

“I’m sorry right...”

Wang Yifeng hurriedly apologised.

But only halfway through those words, the other man’s angry curses came to mind.

“Don’t you have any fucking eyes, are you looking for death!”

As soon as the youth’s words fell, three or four people in bodyguard uniforms immediately rushed out from the side and surrounded Wang Yifeng.

There were also two other bodyguards who went forward to help the youth up.

However, when Jiang Yiyi saw the youth’s face, she immediately frowned slightly in surprise and said.

“Zeng Ye Liang how is it you!”

“Yi Yi?”

When the youth saw Jiang Yi Yi, his attitude immediately changed, his face full of anger instantly turned into happiness, even his eyes carried a glow at the moment.

“Yi Yi you take it easy for now, wait for me to clean up this idiot and I’ll come back for you!”

With that, Zeng Ye Liang was ready to go and clean up Wang Yifeng.

But before he could turn around, Jiang Yiyi behind him spoke up and said.

“He’s my friend!”

“Friend?”

Zeng Ye Liang couldn't help but be stunned at his words, his gaze glancing at Wang Yifeng for a moment, not believing him.

"Yi Yi, this joke is not funny at all, with his poor appearance, he can also be your friend?"

Zeng Ye Liang said and gave Wang Yifeng a disdainful glance.

"Who's poor and sour? He is my friend, and this for is my friend too!"

Jiang Yiyi said as she sidled away and gave way to Lin Ran behind her as well.

"Yi Yi, don't make a scene, these two are dressed like they are from the slums, don't let them fool you!"

Zeng Ye Liang hurriedly warned.

Wang Yifei was a bit hard to hear and stepped forward to block Jiang Yiyi magical that, looking at Wang Yifei, disdainfully said.

"Kid, who the fuck are you calling slumming out? Old me see you they just itchy skin!"

"What for!"

"What for!"

Wang Yifeng's move immediately drew a group of bodyguards around him, separating him from Zeng Yeliang.

Zeng Yeliang glanced at Wang Yifeng and Lin Ran with a disgusted look on his face, and then rushed to Jiang Yi Yi and said.

"Yi Yi, you see, they're just a bunch of bumpkins, you'll be at a disadvantage if you're friends with them!"

Jiang Yi Yi was also a bit fired up at his words, Lin Ran was her cousin and Wang Yifeng was even Lin Ran's friend, they had talked for so long before and the latter gave him quite a fun feeling.

However, when Zeng Yiliang's mouth was full of dirtbag liars, it made her a little angry.

"Zeng Ye Liang, that's enough, it's not your turn to judge what they are like, if you have nothing to do, drive away and don't delay us from going in!"

Chapter 278

"Yi Yi, I am also for your own good, afraid that you meet someone wrong!"

Increase Ye Liang hurriedly explained, at the same time some bad what means the wrong wording hand, said.

"Besides, I already let my father go to your house to propose a marriage, back to you married to me is my daughter-in-law, I am concerned about you is not also normal!"

"Get lost! Who wants to marry you!"

Jiang Yi Yi's face instantly turned ugly when she heard this, and looked at Zeng Ye Liang and said.

“I’d be married to a pig, not even to you!”

“Yi Yi, you are saying that, we are a match for each other, who else can match you but me?”

Zeng Ye Liang said reluctantly, he really liked Jiang Yi Yi, every time he saw the latter his soul took off with him.

“Anyone can be good enough for me, except you!”

Jiang Yi Yi chided, she didn’t have any feelings for Zeng Ye Liang, there was even a hint of disgust, because this guy was notorious for his questionable style, relying on his family’s money, he had wreaked havoc on many young girls outside.

“Let’s go!”

Jiang Yi Yi was too lazy to bother with her, taking Lin Ran’s arm and greeting Wang Yifeng as she prepared to go around.

It would have been fine to bump into her, but when Zeng Ye Liang saw Jiang Yi Yi’s move, his face instantly turned gloomy.

“Spread out!”

With a cold shout, Zeng Ye Liang rushed directly in front of his lover and raised his hand, trying to break Jiang Yi Yi’s hand, off of Lin Ran’s arm.

Just kidding, the woman he had his eye on was holding another man’s arm at this moment, how could he put up with this, and the fact that this man was dressed like a poor loser at first glance, this was even more unbearable to him.

However, he wanted to break it off, but the fact was that he was not allowed to do so. Just as his palm was raised, a black shadow flashed by and his palm stopped at once.

“Hm?”

Zeng Ye Liang’s face sank, and when he looked up, he found that it was actually Lin Ran who had stopped him with his hand, and his face became even more ugly.

“Let go of me!”

Said Zeng Ye Liang, trying to break free from Lin Ran’s grip, but no matter how hard he tried, the latter’s arm was like a steel vise, holding him firmly.

“Someone come quickly, why are you still standing there!”

Zeng Ye Liang’s face turned red, in front of his goddess, he couldn’t break free from the grip of a poor loser, which made him a bit annoyed.

“Let go!”

“Let go!”

A group of bodyguards greeted him and went to break Lin Ran's wrist, and Wang Yifeng, who was at the side, saw the whole thing coming together and directly blocked the group of bodyguards.

"Whoever steps one step forward will try!"

As he said this, Wang Yifeng took out his divine Dragon Axe, and as soon as the huge axe was taken out, it was so powerful that it deterred the bodyguards from taking another step forward.

Lin Ran saw this and shifted his gaze to Zeng Ye Liang, his expression bland and his voice icy cold.

"If you have nothing to do, go read more, looking for presence here, you've got the wrong person!"

With that, he pushed Zeng Yeliang out, Wang Yifeng dodged sideways, and at once Zeng Yeliang crashed into the arms of the bodyguard behind him.

"Let's go."

Lin Ran said calmly, following which he joined Jiang Yi Yi Wang Yifeng, ready to leave.

Zeng Ye Liang, annoyed and angry, saw this and was busy scolding.

"Stop, who told you to leave, Lao Zi Ran did you leave!"

"Hm?"

Lin Ran stopped at his words, while turning around and giving him an icy look with his eyes.

With that one glance, it scared Zeng Ye Liang into unconsciously taking two steps back, only stopping when he bumped into the bodyguard in his hands.

Feeling the presence of the bodyguard behind him, he was instantly energised and opened his mouth to scold.

"Yi Yi, you keep promising me, it's not because of this kid, is it!"

"Don't you talk nonsense!"

Jiang Yi Yi's pretty face reddened at his words and she said in shame, Lin Ran was her cousin, although he was quite handsome, but Zeng Ye Liang's words were somewhat unpleasant to the ears.

"Hmph, I knew it, otherwise what would you be blushing about!"

Zeng Ye Liang gritted her teeth as she looked and said angrily.

"I am at least the youngest son of the Zeng family, look at him, his clothes are not more than a hundred dollars, how can he be worthy of you?"

"You!"

Jiang Yi Yi was so angry at his words that his face turned blue, and Wang Yifeng, who was beside him, even scolded him angrily.

"If you say one fucking word, I won't be called Master Wang until I squeeze the shit out of you today!"

As soon as Wang Yifeng's words fell, Lin Ran's palm slapped him on the shoulder.

“Protect Yi Yi!”

“Hm?”

Wang Yifeng was stunned at his words, followed by understanding when he saw Lin Ran’s eyes.

“Don’t worry, with me around, no one can get near her!”

With that, Wang Yifeng came directly to Jiang Yiyi’s side.

“What does he want!”

Jiang Yi Yi asked busily, a look of worry filling her eyes on Lai Neng.

“Don’t worry, he’s trying to take it out on you! That kid is finished!”

Wang Yifeng gloated, but Jiang Yiyi was a little worried and hurriedly warned.

“Don’t you fool around, that guy’s family is very rich!”

Lin Ran smiled, but turned his head and just laughed, not answering, and followed and continued towards Zeng Ye Liang.

“You What do you want!”

The force of Lin Ran’s hand just now was still fresh in his mind, and he did not want to try it again.

Lin Ran looked at him and walked towards him while saying.

“No what, to help you clear your head!”

“Quick! Stop him! Stop him!”

Zeng Ye Liang hastily greeted, and the group of bodyguards behind him hurriedly rushed over and blocked him at the sight.

But Lin Ran acted as if he didn’t see it, and walked straight towards these bodyguards.

“Fight! Beat me to death! Damn it, I’m giving you face!”

Zeng Ye Liang shouted as he hid behind them and had a lot of courage.

The bodyguards were originally paid to work, so when they heard Zeng Yeliang’s words, they all pounced towards Lin Ran with their arms and sleeves out.

“Stop! Stop it!”

From afar, Jiang Yi Yi shouted anxiously, but the group of bodyguards would not listen to her.

Zeng Ye Liang laughed with glee at her words.

“Stop? Why should I stop? I’ll show you today how unbearable your chosen man is, what is he to fight with me!”

Jiang Yi Yi was truly anxious and looked to the side and shouted at Wang Yifeng.

“Why are you still in the mood to stand here, go and help!”

With that she was ready to rush over, but Wang Yifeng pulled her back and said blandly while stoned on melon seeds he didn't know where he had gotten.

“Don't worry, it's just a few small fishes, they can't hurt him at all!”

“Little mongrels?”

Jiang Yi Yi's entire body was dumbfounded at his words, those were well-trained bodyguards, but when it came to Wang Yifeng's mouth, they actually became little miscellaneous fish.

Was this because they were too arrogant, or was the other party really weak?

While Jiang Yi Yi was puzzled, the sound of an exchange of blows was heard from behind her.

Jiang Yi Yi turned her head when she heard a “bang”, but the scene that appeared before her eyes left her completely stunned.

Lin Ran was holding a bodyguard's collar with one hand, and one hand was clenched into a fist and placed on the bodyguard's eyebrow, while the bodyguard he was holding did not dare to move, not even in front of him.

“If you don't want to die, move aside!”

Lin Ran looked at the group of bodyguards, his eyes sharp and his voice icy cold.

Chapter 279

“No... No getting out of the way!”

Seeing a group of bodyguards unconsciously ready to get out of the way, Zeng Ye Liang was instantly anxious, he was Lin Ran's opponent there, and dared to fight Lin Ran hard just because he had bodyguards, if these people didn't help him, then wouldn't he be looking for death.

“Laozi has paid for this, if you don't listen, you will have to suffer later!”

Zeng Ye Liang threatened, these bodyguards were all found for him by his old man, and had no financial relationship with him.

“Really? You want money or you want life, choose yourself!”

Lin Ran's voice remained bland.

“Let go of me, I want my life... I want my life!”

The bodyguard being carried by Lin Ran said hurriedly.

“Fine!”

Lin Ran smiled at this and followed after letting go, as soon as the bodyguard landed on the ground, he ran straight out of the hotel, saying as he ran.

“I'll fucking quit!”

This scene made Zeng Ye Liang's face blue and he cursed angrily.

"Is there anyone else who doesn't want to do it? If you don't want to do it, get out now, and the money is more than wanted!"

With that, he actually took out a bank card and threw it directly in front of the group of bodyguards, saying.

"There's a million in this card, whoever can waste him for me, this card is who's!"

"One One million!"

Hearing this amount, a group of bodyguards' eyes immediately went red, they worked as bodyguards for Zeng Ye Liang, how much money could they be paid in a month, this one million was simply too tempting for them.

"If you want it, don't do it!"

Zeng Yeliang scolded, and as soon as he said that, a group of bodyguards could not hold back any longer, and they all pounced straight at Lin Ran with red eyes.

"There's really someone who wants money and doesn't want to die!"

In the distance, Wang Yifeng said, stoned on his melon seeds, but Jiang Yi Yi's small hands were clenched together in worry, not knowing what to do.

"Hey!"

Looking at these people pouncing on him, Lin Ran sighed helplessly, followed by his face suddenly becoming cold and stern, his eyes slightly narrowed as he charged directly over with an arrow step.

"Humph! One person still wants to touch me? Don't take a piss and look at yourself, you're fucking worthy"

Zeng Ye Liang stood in place and coldly snorted, but just as he finished speaking, he was dumbfounded after that.

He saw the first bodyguard who rushed to Lin Ran's front, just as his palm was raised, the opposite Lin Ran looked directly at him with a hand knife.

"Ka-chow," a clear sound of bones breaking rang out, and instantly the bodyguard's arm drooped in response, fractured in just one blow.

"Ah!"

The bodyguard fell to the ground in pain, sweating profusely, with no fighting ability at all.

"What!"

Seeing this scene, the few bodyguards following behind were instantly baffled.

But they couldn't resist paying more money, and there were still a few undying bodyguards who rushed towards Lin Ran.

“Still not dead!”

Looking at a few people, the last trace of sympathy Lin Ran had had finally worn off.

With an arrow step, he rushed forward, followed by two kicks directly on the two men, and then two punches followed, and immediately the four bodyguards flew backwards in unison.

The other bodyguards, who were watching this scene, instantly went into a cave of ice, and were glad that they had held back their greed and did not continue to fight.

“Still not leaving?”

Lin Ran turned around and looked at the remaining few people.

Only after being looked at by Lin Ran did they all come back to their senses and instantly scattered their heads and ran out of the hotel without looking back.

“Don’t Don’t run! Cao!”

Zeng Ye Liang shouted busily, but no one paid any attention to him at all, which made his heart cold.

“Do you have anyone else?”

Lin Ran looked at Zeng Ye Liang and said blandly, while slowly walking over.

“You What are you doing! Don’t you come over!”

Zeng Ye Liang shouted in fear as he backed away.

“Aren’t you very capable?”

Lin Ran looked at him, his eyes cold and abnormal, no matter how much this guy belittled himself, he didn’t get this angry.

But he shouldn’t have been insulting Jiang Yiyi, the latter was his cousin, although he had only just met her, but saying such unpleasant words to insult his cousin, this was something he couldn’t tolerate.

“You What are you doing! What are you doing!”

Looking at Lin Ran walking towards him step by step, Zeng Ye Liang was so scared that his face turned pale and he hurriedly shouted.

“Come on people! Come on! Where’s the security! Hotel manager

However, before he finished his sentence, Lin Ran grabbed his collar with one hand and lifted his entire body up.

“Put... Put me down!”

Zeng Ye Liang grabbed Lin Ran’s arm and struggled desperately.

However, Lin Ran didn’t bother to pay any attention to him at all, and with a flip of his hand, he directly threw his entire body out.

At this moment, they were not far from the entrance of the hotel, so with this fling, Lin Ran directly threw Zeng Yeliang outside the hotel.

“Next time, remember to think before you speak!”

Lin Ran looked at Zeng Ye Liang and said indifferently, before turning around and walking towards Wang Yifeng and the others.

“Aiya, why are you being so abrasive, just give me a beating, I’m starving to death!”

Seeing Lin Ran return, Wang Yifeng couldn’t help but complain.

“Just know how to eat! Are you a pig!”

Jiang Yi Yi gave him a blank look, followed by going up and pulling Lin Ran to look left and right, like he was examining a white mouse.

“What’s wrong?”

Lin Ran asked helplessly.

“Are you alright?”

Jiang Yi Yi looked up at him, her big watery eyes blinking!

“It’s fine!”

Lin Ran turned around to show that he was fine, and only then did Jiang Yi Yi sigh in relief and say.

“It’s good that you’re alright, what bad luck, I didn’t expect to run into that guy even when I came for a meal!”

“It’s fine, let’s go, let’s go eat!”

Lin Ran said with a smile.

Following the three of them, they went straight up to the first floor of the hotel.

.....

At the entrance of the hotel, Zeng Ye Liang got up from the ground, his bones all over his body were in pain.

“Bastard, Jiang Yi Yi, you wait for me!”

Zeng Ye Liang was so angry that he gritted his teeth and directly took out his mobile phone to dial the phone.

“Hey! Young Master Zeng, what’s up with fixing the location?”

A middle-aged man’s smiling voice came over the phone.

Zeng Ye Liang, however, listened with a grimace and cursed angrily.

“Book your paralyzed position, I was beaten up at the hotel, where the fuck are you people!”

“Been... Beaten up? Who is it? The nerve to beat you up?”

The middle-aged man’s voice came over the phone in surprise.

The Zeng family was one of the largest families in the entire Tanjiang City, and Zeng Yeliang was the famous son of the Zeng family, so who would dare to hit him? Was he not afraid of the Zeng family’s revenge?

“I’m asking you where you are!”

Zeng Ye Liang was so angry that he cursed angrily.

“I I’m at the hotel!”

The middle-aged man said awkwardly.

“At the hotel and you don’t fucking come out!”

Zeniba Liang was so angry that his eyes were crooked and he cursed angrily.

“If you don’t show up in front of me in ten minutes, I’ll tell you to get lost! Do you believe it or not!”

“No! Don’t, I’ll be right down!”

The middle-aged man said and hurriedly hung up the phone, while running down quickly.

Ten minutes later, the hotel lobby.

“Manager Wang, the three guests you mentioned are in the box on the first floor!”

The receptionist said carefully, it was the first time she had seen such an angry expression on the hotel manager’s face in all the time she had been here.

“Young Master Zeng, the people have been found, let’s go up!”

Manager Wang turned around, the anger on his face immediately turned into a smile and said with a smile.

Zeng Yeliang, however, turned his head to look behind him and saw a dozen security guards following, then he nodded reassuringly and said.

“Go! Find the fuck!”

Chapter 280

In the box, Wang Yifeng a burst of wolf swallowing, look at Jiang Yi Yi dumbfounded, secretly touched himself alone, really doubt so fast eating speed, and the amount of food, is really a human alone can fit?

“No need to be surprised, you see him ten people, in fact, inherently is a pig, the second senior brother reincarnation!”

Lin Ran said as he sipped tea next to him again, still holding the turtle bone in his other hand as he studied it.

"I You Who are you talking about second senior brother? I'm always at the front of every fight, and I'm not happy to eat some of your food!"

Wang Yifeng said as he stuffed the last large piece of meat into his mouth, before he was satisfied.

"Besides, although the good sister said this meal was on the house, I saw it when I came in, but there was Luo's at the door."

Without finishing a sentence, Lin Ran directly picked up the steamed bun and blocked it up, saying.

"Continue if you haven't eaten enough, no one takes you for a dummy!"

"Hey! I say, you can't pit a good sister, save as much as you can!"

Wang Yifeng said.

Jiang Yi Yi was confused at his words and asked.

"What can you save, what else is there Luo?"

"No Nothing, this guy loves to babble after he's had enough, let's just go back!"

Lin Ran got up and laughed.

"It's not anyone who loves to babble when they're full!"

Wang Yifeng was still a bit unhappy and wanted to explain himself, but Lin Ran hurriedly stopped him and prepared to go back straight away.

But just as the three of them got up from their seats, there was a banging sound outside the door.

That's right, it was a banging sound, as it was much heavier than a knock on the door.

"What's going on?"

Kang Yi Yi frowned at this.

"I'll go check it out!"

Wang Yiyi was ready to go over and take a look as he was full of wine and food and was feeling comfortable, but just as he took a step, he was pulled back by Lin Ran.

"Be careful!"

Lin Ran hurriedly warned, and before Wang Yifeng could react, he heard a "bang" behind him, and the door of the room, which was originally locked, was kicked open.

Luckily, Lin Ran was quick and pulled Wang Yifei back, otherwise the door would have been opened and hit this guy's face.

"My God, the 3-star hotel is trying to turn the tables!"

Wang Yifeng was so angry that he was about to explode, but outside the door there was a voice that did not lose any of his momentum.

“Who the hell was causing trouble downstairs? Get out!”

As a voice fell, a group of people came in, two of them dressed in normal clothes, while the rest were all in security uniforms.

The two leading the group were none other than Zeng Ye Liang, who had just been taught a lesson, and followed by him was none other than Manager Wang, who had called earlier.

“Why are you here again!”

Seeing Zeng Yeliang, Jiang Yi Yi’s eyebrows could not help but frown, originally thought that this guy had suffered a defeat and should have been wise enough to leave, but unexpectedly this was only a meal’s work, but actually came back again.

“Kid? You didn’t get enough, did you? Do you want me to give you a good hammering?”

Wang Yifeng took two steps forward and laughed, full of food and drink, even his speech had hardened a bit.

“Manager Wang, have you seen everything? Your hotel is really receiving all kinds of guests now!”

Zeng Ye Liang chided coldly, not fitting into Wang Yifeng’s conversation at all, which made the latter’s words seem like they had hit cotton.

“You two, come out here now!”

Manager Wang pointed at the two Lin Ran and scolded.

“Come out? Who the fuck are you!”

Wang Yifeng asked with a frown at that, the other party clearly didn’t take him seriously with this tone of voice, which made him very unhappy.

“Don’t be impulsive, he’s the hotel manager here, Wang Meng!”

On the side, Jiang Yi Yi hurriedly explained in a small voice.

“Manager? The manager is great, Laozi fucking came here to spend money, what, the manager is bullish?”

Wang Yifeng looked like he was the king of the heavens, and said that Wang Mang’s face suddenly sank.

“Consumption? Can you fucking afford to consume? Do you know how much a table of food costs you guys? I’m afraid she’ll end up paying the bill!”

Zeng Ye Liang said again beside him.

Lin Ran frowned at his words and said.

“Does it matter to you who pays the bill?”

“It has nothing to do with me, but it has something to do with the hotel!”

Zeng Ye Liang sneered.

Wang Mang, who was at the side, smiled and picked up the conversation.

“That’s right, it has something to do with the hotel, but our hotel has a clear rule that you can’t come in without formal wear, so you guys get out now!”

At the end of his sentence, Wang Mang scolded.

Jiang Yi Yi sniffed and pointed at Zeng Ye Liang indignantly.

“He’s not wearing one either, why don’t you kick him out!”

“Him?”

Wang Mang turned his head to look at in Zeng Ye Liang, and then sneered.

“Mr. Zeng, but our hotel’s distinguished VIPs can come in even if they don’t wear formal clothes, and you have?”

“You!”

Jiang Yi Yi was so angry that she gritted her teeth, she was a girl, she didn’t usually come to such places alone, every time she came she was accompanied by her brother or father, so she didn’t have a membership card for this place on her!

“I don’t have a fucking card, so what? Is it less money or stealing from you?”

Wang Yifeng said with some anger.

“Don’t be impulsive!”

Lin Ran hurriedly stepped forward and stopped him, before turning his head to look at Wang Meng and asked.

“If there was a card wouldn’t it be possible to pass it like that?”

“Exactly! You can wear it any way you want, that’s the rule of this hotel!”

Wang Mang sneered.

Zeng Ye Liang, who was at the side, also had a cold smile on the corner of his mouth and said.

“Kid, I advise you to behave yourself and get the hell out of my way, what kind of status you have to go to what kind of place, is a three star hotel also for a bumpkin like you?”

Said Zeng Ye Liang, not forgetting to turn his head and glance at Jiang Yi Yi, sneering.

“Yi Yi, I don’t blame you for not knowing anything, you can make friends afterwards but you have to see clearly what is a loser and what is a tycoon! Just this kind of person, can also become your friend, really do not know whether you are blind, or the other party is too able to cheat!”

“Zeng Ye Liang, that’s enough, Lin Ran is my cousin, if you keep talking nonsense, I’ll let my brother rip your mouth off!”

Jiang Yi Yi was completely furious, if her own brother wasn't at home today, how could she have put up with this anger.

"And, just like your brother, when I marry you, he will be my brother-in-law, then see how he dares to make a move on me!"

Zeng Ye Liang said disdainfully.

Wang Meng, who was on the side, said impatiently.

"Why don't you two hurry up and get out!"

Everyone's eyes were mobilized back by this shout, and all fell on Lin Ran and his body, wanting to see what the two Lin Ran would do.

However, who knew that instead of being flustered, Lin Ran's face revealed a smile.

"VIP right?"

Lin Ran looked at Wang Mang and followed a step over, while fetching the card from his pocket that he hadn't used in a long time.

"Would you like to see if this card is qualified enough?"

Saying that, Lin Ran handed the card to Wang Meng.

Wang Mang took a look and was stunned, followed by his whole body couldn't help but tremble, then he jerked his head up to look at Lin Ran, not daring to believe.

"You How did you get the Supreme... Supreme Gold Card!"
