

Wonder Doctor

Chapter 381

“Did you really scare him into passing out just to get him down?”

A few moments later, after Zhao Yu’s father had fallen asleep, she and her mother came over and looked at Li Nan, who was unconscious at the window, and asked worriedly.

“Yes, otherwise I’m afraid he’d have to pass out from the pain!”

Lin Ran nodded.

“Then isn’t it the same for you to scare him into fainting now as it is for him to be fainted by the pain later?”

Zhao Yu wondered, what was the difference between both being unconscious?

“Of course it’s not the same!”

Lin Ran laughed, following which he reached out and put his hand on Li Nan’s shoulder before saying.

“If we get him down directly, then he is in a state of being painfully unconscious, but if we stun him first before getting him down, he is sober state!”

Lin Ran mysteriously smiled, followed by a violent force in his hand, at once Li Nan’s entire body was pulled up from the window with a “ah” scream and fell head first on the floor.

The mother and daughter of Zhao Yu directly covered their faces, not daring to look at the bloody scene, just now when Li Nan was pulled down, the two of them clearly heard the sound of glass scraping, just thinking about it makes people feel a tight ass.

“I the ass!”

Li Nan’s whole face went green as she reached out to touch her bottom, but she wailed in pain before she could touch it.

“And, after experiencing the same shock twice, I think he’ll have a blast!”

Lin Ran said as he turned his head to look at Zhao Yu.

“Pfft!”

Zhao Yu couldn’t help but laugh out loud at his words, but luckily the sound wasn’t too loud rushing to cover it with his hand, so it wasn’t noticed by Li Nan.

“Well, you all basically know about your father’s situation, so I’ll leave now!”

Lin Ran turned around and was ready to leave, Zhao Yu saw this and said.

“Or else you’re waiting? He’s like this, he needs to be dealt with too!”

Lin Ran looked at Li Nan and shook his head.

“I can’t handle this, you’d better take him to the hospital, I’m afraid that if you don’t clean the glass on his buttocks, his buttocks won’t get better in the future!”

“Huh? What did you say!”

Li Nan was dumbfounded when he heard that, he couldn’t have his buttocks for a good reason, what kind of sins he had made!

“It’s fine, it’s nothing, it’s nothing, just take your aunt to the hospital later, Xiao Yu!”

Zhao Yu’s mother said busily to the side.

“I’ll see you off then!”

Lin Ran was about to say no, but before he could say anything, Zhao Yu’s mother spoke up first.

“What to send, they are all classmates, Lin Ran, you say so, Li Nan is like this, we are too busy, so you can go by yourself!”

“Mom!”

Zhao Yu smiled a little embarrassed, however her mother was saying.

“Mom what mum, look at Li Nan is in pain and cold sweat is coming down, let Lin Ran walk by himself what’s wrong, it’s only a few steps in total, it’s not exhausting!”

“Mom you”

Zhao Yu still wanted to retort, but Lin Ran waved his hand and smiled bitterly.

“No need, you guys get busy first, I can walk by myself!”

said Lin Ran directly turned around and went downstairs, followed by walking towards the door, although the contact time with Zhao Yu’s mother was very short, but he had already understood this person’s character in his heart, and was too lazy to stay.

“Ai! Luckily you didn’t go on with him back then, so you could live the life you have now, if you had followed him back then, I’m afraid you wouldn’t even have a house in Tanjiang City now, you would still have to rent a house master!”

Looking at Lin Ran’s back as he left, Zhao Yu’s mother couldn’t help but sigh.

“Mom! What are you talking about, you don’t know anything!”

Zhao Yu sniffed and tried to retort, but was interrupted by her mother with a bite.

“How do I not know, how much money can a doctor in a small clinic earn, look at how much my aunt earns in a month, don’t try to cheat mum, that luxury car at the door is the one my aunt just bought, isn’t it a wedding gift for you!”

“Which luxury car?”

Zhao Yu listened with a confused face, Li Nan’s BMW her mother had seen and knew that car, the luxury car she was talking about at this time was obviously not a BMW.

“Which luxury car can there be, is parked in front of our house ah, seems to be called what what Jie, quite expensive seems!” Zhao Yu mother said.

Zhao Yu’s mother said.

Zhao Yu smiled and spoke with a face full of embarrassment.

“That’s not his car, that’s Lin Ran’s car!”

“Lin Ran’s car? How is that possible, how can he afford such a nice car for a doctor in a small clinic, I’m afraid it’s a rental!”

Zhao Yu’s mother shook her head, how she saw that Lin Ran did not look like a rich man, especially when the clothes were compared to her own aunt Li Nan, it was a world of difference.

“You people, I won’t talk to you anymore, you can see for yourself!”

Zhao Yu was too lazy to talk to her own mother, took out her mobile phone and searched for Lin Ran’s deeds, directly shoved the phone to her mother and followed it towards Lin Ran.

“Hey! Where are you going!”

Zhao Yu’s mother asked busily.

“I’m going to see him off!”

Zhao Yu shouted, and followed and went downstairs.

To be honest, Zhao Yu also knew that she was a bit money-loving and had found several boyfriends who were all rich. It wasn’t that she hadn’t thought of getting back together with Lin Ran after he had become rich, but at that time, Lin Ran already had so many girls around him and they were all so good.

And this time when he came to his home to see a doctor, it was so that Zhao Yu saw a glimmer of hope again, that’s why she went after him.

“Lin Ran!”

Outside the door, Lin Ran was about to get into his car, but he saw Zhao Yu chasing after him.

“Why is there still something wrong?”

“That, you don’t mind my mother’s attitude!”

Zhao Yu was a little unsure of how to speak.

“No, is there anything else?”

Lin Ran smiled lightly, indicating that he didn’t take it to heart.

“That, you now Have have a girlfriend?”

Finally, Zhao Yu forced himself to hold back his embarrassment and asked while sheepishly lowering his head.

Lin Ran smelled first stunned, followed by a bitter smile and said.

“There is, nothing else I’ll leave first!”

With that Lin Ran got into the car, which made Zhao Yu suddenly confused, the whole person froze in place, before in school Lin Ran was almost obedient to her, which made her feel that she could chase Lin Ran back whenever she wanted to.

But only at this point did she understand not that all of this was just what she thought it was, and now she in already had no place in the other person’s heart, and even the very obvious hints she had expressed had no response.

“By the way! There’s still one thing I have to remind you of!”

Just when Zhao Yu’s entire body was in a daze, Lin Ran was rolling down the car window and spoke.

“Li Nan is not a good man, and you are not his only woman, there is still a long road ahead, take care of yourself!”

After saying that, Lin Ran showed a very bland smile, followed by rolling up the car window and leaving directly with a step on the gas.

Looking at the direction Lin Ran left, Zhao Yu’s whole body directly sat down on the ground, tears unconsciously flowing down, she had some regrets, some regrets why she had treated the former so badly in the first place, and now life was treating her so badly, was this retribution?

“I regret it!”

Zhao Yu murmured softly, but there was no going back.

Chapter 382

On the way back to the clinic, it was snowing again, seemingly nearing the end of the year, and this time it was snowing extra heavily, with a thick layer already falling on the road in less than half an hour.

“Jingle bell!”

Just as Lin Ran was about to return to the clinic, his mobile phone suddenly rang, and when he saw that it was Song Nuan calling, he did not hesitate to connect it directly.

“What’s wrong?”

“Are you back yet? I’m looking for you on short notice!”

Song Nuan’s familiar voice came over the phone, as well as the very noisy voices of the bystanders which made Lin Ran startled.

“Go ahead!”

Lin Ran hastily returned.

“A company has suddenly come to the pharmacy to purchase a large amount of medicine, I am too busy to leave now, please help me to pick up someone to go back to our home!”

Song Nuan said, and Lin Ran laughed at the sound of it.

“Our home? That’s an apt word to describe it.”

“Don’t be anemic! Hurry up, I see the snow seems to be getting heavier and heavier, so hurry up and go!”

Song Nuan said busily, and then sent the address over.

Lin Ran took a look at the address and was stunned, “Su Guiyuan District”, he seemed to have seen this address somewhere before? It seemed that he had been there before.

“Su Guiyuan? Su Rou?”

Suddenly, a shadow flashed in Lin Ran’s mind, wasn’t this Su Rou Song Nuan’s dance teacher, and it was Song Nuan who had asked for his help when he had treated the latter’s ankle.

“It’s really fate!”

Lin Ran couldn’t help but sigh, they hadn’t contacted each other for a long time since the last time they met with Su Rou, but I didn’t expect to go to her house again today.

“I hope I won’t be taken advantage of this time!”

Thinking about the last time he went to treat Su Rou’s ankle, he felt a bit helpless.

The car was already driving towards Su Guiyuan’s neighborhood.

The entrance of the district was very busy, near the New Year many merchants were selling New Year’s goods, but there were also many people carrying luggage that seemed to be going home.

When he saw this scene, Lin Ran couldn’t help but think of his grandmother at home. After Song Nuan had finished her school performance tomorrow, it was time for him to pack up and go home for the New Year.

Entering the neighbourhood, Lin Ran didn’t stop and went straight to Su Rou’s residence.

“Bang, bang, bang!”

With the sound of knocking on the door, the door was soon opened, followed by a silhouette appearing in front of Lin Ran, it was Su Rou who had not been seen for a long time.

“You Why are you here!”

When she saw Lin Ran, Su Rou was also stunned, so long without contact she thought the two would never see each other again, but she never thought that today this guy would take the initiative to find himself.

“Song Nuan asked me to come, said he wanted to take you home, I didn’t know what it meant, so I didn’t dare ask too much!”

Lin Ran scratched his head awkwardly, how could this sound awkward, what do you mean by bringing you home, did he come to ask for a wife?

“Don’t be ridiculous, I just don’t have a place to stay for the time being, Xiao Nuan let me borrow a place at her house for a while after she found out!”

Su Rou was busy saying, but her pretty face couldn’t help but redden a few points.

“AoO, sorry it was a mistake on my part, thought”

Lin Ran said awkwardly.

“Thought what else!”

Su Rou sniffed and looked at him and asked.

“No Nothing! Nothing, so are you moving your luggage?”

Lin Ran was full of haste and went straight into his room to prepare to pack his things.

“I’m all packed, the landlord won’t be renting next year so I desperately need a place to stay, but don’t worry, I’ll move out when school starts next year!”

Su Rou said busily.

Lin Ran smiled but waved his hand and said.

“It’s alright, Song Nuan is living there with her and a best friend for the time being, I only go back occasionally, you’ll definitely have enough room to live there!”

“You’re going back to live?”

Su Rou was stunned when she heard this, Song Nuan was living with a best friend, this guy actually went back occasionally to live, gosh what kind of relationship is this.

Seeing Su Rou’s astonished face, Lin Ran then realized that he had said the wrong thing and was busy explaining.

“It’s not what you think, it’s a four-room house, we each live in our own, it’s not what you think”

“Bah! I wasn’t thinking!”

Su Rou blushed and was busy saying, the more this topic was said the more embarrassing it became, she hurriedly changed the subject and said.

“Cut the crap, hurry up and move your stuff!”

“Fine!”

Lin Ran also felt embarrassed and immediately ran to move the nearest carton of items and prepared to go out, however, at this time there were various miscellaneous items scattered on the ground and the carton was large.

Lin Ran was inattentive and didn’t notice the situation under his feet, so he slipped and the cardboard box he was carrying dragged his hand.

“Be careful!”

Su Rou saw this and hastily reminded him. Lin Ran was good at it, and the moment he was about to fall, his other hand directly supported the ground, while his free hand was raised high to catch the falling carton.

The cardboard box was securely lent, and both Lin Ran and Su Rou could not help but breathe a sigh of relief.

Lin Jean said, "No... It's okay, I'm still stable"

However, before he could finish his sentence, he heard a "bang", followed by the opening of the cardboard box sealed with tape, and then all the colorful clothes fell on Lin Ran's head.

"Are you all right?"

Su Rou was startled and hurried up to pluck away the clothes buried in Lin Ran's head.

Lin Ran got up from the ground and waved his hand to show that he was fine, while he smoothly pulled off the piece of clothing that was fastened to his head, but this time he found that the clothing felt a little different.

"What is it, it smells pretty good!"

Lin Ran said as he smoothly brought it to his eyes to see.

However, at this time Su Rou's face was already red and she wanted to speak up to stop it, but it was too late.

Lin Ran brought the clothing to his eyes, and at that moment, his whole body was also confused.

The lace was intriguing, and the faint fragrance was straight to his nose, and as for the special feel, it was the feel of silicone.

"Ahem!"

Lin Ran's old face turned red and he hurriedly threw the clothes into the cardboard box, before getting up and saying awkwardly.

"That you sort out these clothes first, I'll move the rest first!"

He was afraid that if he stayed on, he would either be kicked to death by Su Rou or he would have to die alive with a nosebleed.

"Hairy guy!"

Looking at Lin Ran's back as he left, Su Rou couldn't help but pout, but her heart was still replaying Lin Ran's unintentional remark.

"What's that, it smells pretty good!"

"Does it really smell good?"

Su Rou muttered to herself, but then she followed with a blush on her pretty face and said to herself.

"Oops I must be going crazy!"

With that, she hurriedly got up and straightened her clothes.

The fact that her own private clothes were seen by a man, and that she said they smelled good, and crucially that she had even gone to think about whether they really smelled good, made Su Rou's whole pretty face blush to the base of her neck.

She couldn't help but whisper as she straightened her clothes.

"Bastard Lin Ran, if you smell it, then you smell it, why say it, what's wrong with it smelling good, shouldn't a woman's clothes smell good!"

"Stinking rascal! May your nose fail you!"

Chapter 383

There was a lot of luggage, and after all, it was a move, not a trip, so Lin Ran didn't dare to talk too much about the embarrassing incident just now, and he worked extremely hard.

In a few trips, he was able to move all the luggage, but the snowy day also warmed him up.

Su Rou was too embarrassed to let Lin Ran carry the luggage by himself, so she naturally gave him a hand, but this girl's strength was obviously not so good, and her forehead was already sweating after just a few trips.

After the two of them had loaded their things, Su Rou went to check out again, and then they left in the snow.

At their home near the university town, it was already a full hour later when Lin Ran and Su Rou had carried all their luggage home.

It is said that it is easy to go down the mountain and difficult to go up the mountain, and this is a very apt saying for the two of them to use in moving.

The whole process, not to mention Su Rou, even Lin Ran was sweating, and it was a good thing it was winter.

"They say that women are a mobile wardrobe, and this is really true!"

Leaning back on the sofa, Lin Ran couldn't help but sigh with emotion. In the past, when he moved his own luggage, he only had a trolley case and a backpack, but now helping Su Rou move, it was like fighting a battle.

"Thanks! I'll treat you to dinner tonight!"

Su Rou was lying on the other side, equally tired and sweaty, she took off her jacket, the shirt inside was already mostly wet with sweat.

"I won't refuse this time, I must have a good meal tonight!"

Lin Ran lamented, he had never been this tired from fighting with the two Long Tian brothers, if he had known so much luggage, he would have called Wang Yifeng to come, this guy had an inexhaustible energy when he saw a beautiful woman, this time it was a blunder.

“Go take a shower first, things will be packed later!”

Su Rou got up and said, her shirt was soaking wet against her body making her very uncomfortable.

“Mmm!”

Lin Ran nodded at his words, got up and got ready to turn on the hot water, Song Nuan, this girl was very particular about her habits, she would turn off the water heater and other things when she wasn't using it to avoid accidents when there was no one at home.

The first time she came in, Lin Ran was worried that she wouldn't be able to operate it.

This time when this just got up, Lin Ran's whole person froze, his eyes staring straight at Su Rou at once and couldn't move away.

“What's wrong?”

Su Rou saw the situation and frowned slightly, Lin Ran this guy looked at the two eyes are almost fall out, is it something on her own body?

Thinking in her mind Su Rou followed her gaze, but with this look her pretty face suddenly turned red.

It turned out that it was too hot just now and she had unzipped her shirt by two, and at this moment a large piece of snowy white was riding in the air, and at the same time Lin Ran saw it in his eyes.

“Have you got any breath, haven't you seen so many big white legs in summer!”

Su Rou blushed and glared at Lin Ran, but in her heart she was a bit surprised, she could not see anything at all with just two buttons open, this guy used to show an expression of seeing a beautiful woman in the bath!

She couldn't help but glance at Lin Ran again, and found that this guy was actually staring at himself, and his harrumphs were flowing out, which made her a little confused, so she had to follow her gaze again.

And this time, after a glance, her entire face instantly turned red, only to see that the white shirt on her body was all stuck to her body because it was wet with sweat, and this instant contrast was immediately as if she was not wearing a shirt, no wonder Lin Ran's entire body was looking dumbfounded at this moment.

“Bastard! You're still looking!”

Su Rou was so angry that her pretty face turned red, and she hurriedly copied the backrest on the sofa and smashed it towards Lin Ran.

“Don't! I didn't mean to”

Lin Ran smoothly caught the backrest while hurriedly explaining.

“Not on purpose and you're still looking!”

Su Rou was so angry that her pretty face turned red and she wanted to find a crack in the ground.

“Er I just have a fondness for beautiful things, it's not what you're thinking!”

Lin Ran explained with an embarrassed scratch of his head, followed by preparing to turn on the water heater, however, just as he moved, Su Rou also followed, this nee-san really couldn't stay a bit longer, and was preparing to take a shower.

"What do you want! Do you still want to follow and watch!"

Su Rou saw that Lin Ran had also moved, she was so angry that her pretty face turned even redder, she had seen shameless people, but she had never seen such a shameless person, she actually wanted to follow her and watch, she was simply a pervert.

"No!"

Lin Ran felt like he was suffocating internal injuries.

"No is what, then you're still following me!"

Su Rou said and ran towards the washroom, but after just two steps she actually found that Lin Ran was still following behind her, and was so angry that she turned around and chided.

"Rascal, don't follow me!"

"Big sister, you really misunderstood, I just want to help you turn the water heater on! The water heaters here are generally not operated by people who don't know anything about them!"

Lin Ran embarrassingly said the words in one breath, hearing that Su Rou was also a bit embarrassed and said busily.

"Then why don't you hurry up!"

"Er Rather, I'm to blame!"

Lin Ran was speechless, and immediately ran into the bathroom to turn the water heater on, followed by running out.

"No peeking, or I'll tell Xiao Nuan!"

Su Rou reprimanded, then entered the bathroom and locked the door from the inside with a bang.

Lin Ran leaned against the door helplessly and sighed.

"These days, even being a good person can be misunderstood as a rogue, and rogues are looking for someone to mess with!"

Lin Ran said he was ready to go and sort out his things, but when he saw his luggage, he remembered something in his mind and hurried back to the bathroom, just as he was about to knock on the door, the sound of running water came from inside.

"Dead is dead!"

Hardly did Lin Ran knock on the door.

"What the hell do you want! I'm really going to tell Xiao Nuan!"

Inside, Su Rou's voice was almost violent, she wouldn't even let anyone have a peaceful bath, was she really that attractive?

"Ahem!"

Lin Ran cleared his throat and said.

"Don't think too much, I just wanted to ask you, did you take a shower and get a change of clothes?"

"Clothes? Isn't there a bath towel!"

Su Rou pouted.

Lin Ran smiled but was busy saying.

"It's not the bath towel, it's the clothes inside the bath towel It's the kind you saw at your house earlier, did you take it?"

"I!"

Su Rou smiled and was stunned, she had indeed forgotten to take her underwear, but now the water had been turned on, she couldn't run out halfway through the wash!

Thinking of this, Su Rou couldn't help but rage.

"It's not because of you! Bastard rascal, go and bring it to me, no more looking!"

"Er"

Lin Ran was helpless, he should have known better than to say so, this is good, the good intention to remind the results have to go to run errands, the key "employer" still do not allow himself to look more, afraid that I do something strange with the clothes.

"Hey! Being a good man is hard, being a good man is even harder!"

Lin Ran sighed and walked towards the box containing the clothes.

Chapter 384

"Hooligans! Pervert!"

After taking a shower and sitting on the sofa, Su Rou looked at Lin Ran with caution in her eyes, she asked the latter to get the clothes, and didn't know if this guy did it on purpose or unintentionally, he actually took the very same one that he saw at her house before, at this moment, he wore it on his body looking at this guy, not to mention how strange it was.

"I say Su big beauty, you are at least a teacher, open your mouth and shut your mouth to call me a rogue pervert, if you are saying that, then I will really not be polite!"

Lin Ran said and stood up from the sofa, looking as if he was going to make a move.

"What are you going to do!"

Su Rou was startled at the sight and hurriedly covered her chest with a wary look.

“Didn’t you say, I’m a rogue pervert, so I must be able to live up to that name!”

Lin Ran said as his eyes glanced over Su Rou for a moment, nodding in satisfaction as he muttered to himself.

“Although I haven’t seen her for a few months, but this figure is still plump, it’s just that her temperament has become mature, but it’s quite to my liking, otherwise raping first and killing later would be worthy of my appellation!”

“You!”

Su Rou was so angry that her face turned red with shame and anger.

“If you molest me, I’ll tell Xiao Nuan!”

“Flirting? You have to be responsible for what you say, who is molesting who, I’ve been helping you from start to finish, how come I’ve become a rogue pervert, I’m such a sunny big boy, what part of me can be linked to these two words?”

Lin Ran was speechless, he had always been the image of a good boy in front of Song Nuan and the three girls, how did he become a pervert when it came to Su Rou, this made him helpless.

“You are the pervert!”

Su Rou said and directly turned her head away from Lin Ran’s theory.

Seeing this, Lin Ran was also helpless and sighed and said.

“Fine, a pervert is a pervert, I’m not at a disadvantage anyway, next time you call me a pervert once, I’ll give you a kiss and see which one of us gives in first!”

Said Lin Ran pouted and was about to come over for a kiss, Su Rou saw this and was so scared that she hurriedly dodged away, ashamed.

“You still say you’re not a rogue, stinking rogue dead pervert!”

.....

Half an hour later, inside a supermarket near the district, Lin Ran cried and followed Su Rou, speechless.

“Let’s play just let’s play tell Song Nuan what to do, like suing your parents!”

“It’s for you to be so brazen, next time you dare to molest me, I’ll even tell Xiao Nuan!”

Su Rou laughed in triumph, if she couldn’t cure you, let Song Nuan do it, as long as you are afraid.

“Fine, you are tough, but why did you drag me to the supermarket!”

Lin Ran said helplessly, who could stand to be called Song Nuan at every turn?

“Of course I’m doing hard work! It’s the price for molesting me just now!”

Su Rou said smugly.

Lin Ran was even more speechless, so he simply followed behind without answering.

The two of them soon arrived at the snack section of the supermarket, only to see Su Rou stopping in front of a row of shelves and pointing to a box of instant noodles at the top, saying.

“Take this down!”

“Doesn’t this come in a single bag?”

Lin Ran was speechless, there was a single bag right in front of him having to take the whole box at the top for himself, deliberately amusing himself was too obvious.

“What do you know, I just want to buy the whole box, it’s New Year’s Eve soon and there will be no one in the whole university town, what will I eat!”

Su Rou said.

“New Year’s? You’re not going home for New Year’s Eve?”

Lin Ran was surprised, this girl had moved to Song Nuan’s house, it couldn’t be just for the New Year, right?

“No, I’m not going home, everyone in my family is going out on a trip, there’s no point in going back by myself!”

Su Rou said indifferently, but there was a trace of sadness deep in her eyes, even though she had hidden it very well, it was still seen by Lin Ran.

“Alright!”

Lin Ran didn’t ask too many questions, and jumped in place to bring down a whole box of instant noodles.

But before he could stand still, a voice came from the side.

“Eating instant noodles in the New Year, this can be a bit sorry for the capital colour ah beauty, or I treat, give me to go eat pizza?”

The words fell, three voice shadows came out from the side, all wearing denim youth.

“Not interested, besides wearing thin denim clothes in the middle of winter, are you three bears?”

These three looked like punks, and Su Rou was not polite, she disliked them directly.

“The little bitch has a pretty hot mouth!”

One of the punks smiled and was about to come over and teach Su Rou a lesson, but was stopped by the young man in the middle who was the first to speak.

“How to talk to a pretty girl, I like this mouth!”

The middle-aged youth spoke up, he was slightly chubby with yellow dyed hair, but he was standing up and looking very funny.

The two men on either side of him seemed to be junior brothers, and although their hair was also dyed yellow, their hairstyles were different from his.

“Yes, yes, Brother Huang, if you like it!”

The little brother hurriedly said when he saw that he was pretending to be scared, and at the same time backed away.

Brother Huang smiled in satisfaction, and then rushed towards Su Rou.

“Little beauty, my name is Huang Shan, but a good man, see you still buy bubble noodles to eat in the New Year, heartache! What’s so delicious about this bubble noodle, why don’t you come with me to eat hot pot? I guarantee you’ll have a good meal!”

“No need!”

Su Rou coldly and directly refused, while turning her head and shouting at Lin Ran behind her.

“Are you done yet! Go when you’re ready, dilly-dallying!”

“Me!”

Lin Ran smiled with impatience, he was enjoying watching a good show, why did he get angry at himself again.

“If you didn’t know how to sue, I would have cleaned you up sooner or later!”

Lin Ran thought to himself and hurriedly followed in a hurry.

Only before he could take two steps, something grabbed him behind him, and he turned to look at none other than Huang, who had spoken earlier.

“Kid, your girlfriend, you’re not too ravishing!”

Brother Huang looked at Lin Ran with disdain in his eyes, in his opinion Lin Ran was simply lucky to find such a girlfriend.

“Something to do with you?”

Lin Ran was already not in a good mood, and when he was pulled by Brother Huang like this, his face suddenly turned cold.

“Hey! Are you kid looking for a fight, how can you talk to our Brother Huang!”

A junior next to him immediately rushed over, pointing at Lin Ran with a fierce look on his face.

“What’s it to do with you again?”

Lin Ran turned his head to look at the little brother who had spoken, his face as usual without the slightest ripple.

“What are you doing!”

In front, Su Rou heard the commotion and hurriedly ran back, blocking Lin Ran. This scene could not help but make Huang even more sure of the suspicion in his heart that these two were boyfriend and girlfriend.

"I say beauty, so beautiful to find such a loser boyfriend, the New Year's Eve still have to eat running noodles, you do not suffocate ah!"

Huang said and took out a set of car keys from his pocket, the car label is exactly Mercedes-Benz, laughing.

"As long as you follow Brother Huang, I'll let you eat abalone every day, how about that! It's better than following this poor boy, right!"

"Sick!"

Su Rou sniffed coldly, while pointing at the trio and scolding them.

"Don't be following us, or I'll call the police!"

He said, about to greet Lin Ran and leave, however, Huang pulled Su Rou's arm with a greedy smile on his face.

"Call the police? You report it, before you call the police, Brother Huang I can't wait to hug you first!"

With that, Huang pulled Su Rou into his arms, his face full of anticipation, just waiting for the beauty to enter his arms.

Chapter 385

"Brother Huang is dominant!"

"Brother Huang is mighty!"

Next to him, the two men saw this and were busy shouting.

"Haha!"

Hearing this, Huang Shan was so full of satisfaction that he couldn't help but laugh out loud.

But just when he was about to see Su Rou jump into his arms and smell her fragrance, suddenly there was a "whoosh" sound above his head, and before he could react, a huge black shadow came directly over him.

"Bang!"

A muffled sound, Huang Shan's whole body froze in place, originally he thought he would be smashed directly out of the way, but did not think that the soft batch of things, smashed into his own head directly scattered.

Huang Shan looked down and realized that what hit him was actually a box of instant noodles, and looked up to see that the box in Lin Ran's hand had disappeared.

"Run!"

Su Rou took advantage of the chaos to break free from Huang Shan's restraint, turned around and pulled Lin Ran to run, but the latter pulled her behind him and said.

"Where else are you going to run? The cashier's desk is over there!"

“Er”

Su Rou smiled and then remembered that the cashier’s desk was over by Huang Shan and the others, and there was no way to get out from where they were at this moment.

“Bastard, toast the wine and eat the punishment, dare to spoil my good deed, if I don’t twist you into two pieces today, my name is not Huang Shan!”

Huang Shan angrily scolded, followed by pulling out his belt from his waist and lunged towards Lin Jeanna, while greeting his two junior brothers around him.

“Go and keep an eye on that bitch, if she escapes later, I’ll ask you all questions!”

“Don’t worry, this little bitch won’t get away!”

“That’s right, we’ll keep an eye on her!”

With that, the two men followed behind and ran towards Su Rou.

“What now!”

She was a university dance teacher who had never experienced this kind of thing before. Although it was said that pretty girls should be careful when they go out, who would have thought that they could come across such real hooligans even when shopping in a supermarket.

“Stay where you are!”

Lin Ran turned his head and admonished.

“Don’t move?”

Su Rou was dumbfounded when she heard this, there were three big guys across the street and she was a weak woman, you told her not to move? Are you waiting to be molested?

Thinking of this, Su Rou was busy saying.

“Although I just told you off, you can’t just stand there and not save me, but I don’t even have a boyfriend. Are you responsible for being molested?”

“.....”

Lin Ran’s head was full of black lines, but at this moment, Huang Shan and the others had already rushed over, so he didn’t have time to explain any more, so he took an arrow step to meet them.

The neck is a very fragile part of the human body, so if you hit the enemy, you can basically capture him.

However, Huang Shan is not a good fighter either, he has been in the society for many years and his strength is not weak, he saw this and punched him.

“How dare you fight me hard, you little chicken!”

Seeing that Lin Ran was not dodging, Huang Shan couldn’t help but laugh, as he relied most on his own strength.

“Bang!”

A palm and a fist instantly clashed, and Huang Shan instantly laughed.

“Kid get the hell out of here”

However, before he could finish his sentence of laughter, at once, Huang Shan froze, originally, according to his thoughts, his own punch was completely capable of breaking Lin Ran’s arm and then sending his entire person flying backwards.

But now, it was as if his punch had hit a wall, the opponent’s palm hadn’t even moved, instead, his own fist was hitting raw.

“You! How is it possible!”

Huang Shan’s face was full of shock, his strongest strength had actually failed to shake the other party by a single cent at this point, which made his heart incomparably surprised.

“Nothing is impossible!”

Lin Ran’s expression was bland, a smile appeared at the corner of his mouth, followed by a fierce grasp of his palm directly grabbing Huang Shan’s fist into his hand, the next moment a fierce force was generated from his feet to his waist, directly throwing the latter out right towards the distance.

“This can’t be

The shocked words of Huang Shan had not finished, the whole person directly flew backwards, both sides are all shelves but his whole person is like a bowling ball, straight from the ground rolled out, during which is not even touched a shelf.

The belt he was holding also fell to the ground the moment he was thrown out.

“Bastard! You dare to hit our Brother Huang simply looking for death!”

“Stop it, or I’ll get this stinking bitch killed!”

Two voices suddenly came from behind, Lin Ran turned his head to look, only to find that two of Brother Huang’s men had come around to the back at some point and were already close to Su Rou.

“Bastards! I’m standing here without moving, if something happens, you must be responsible!”

Su Rou’s face was pale with fear, she had been surprised when Lin Ran knocked Huang Shan away with a single move, but at this moment, she was also anxious in the face of the two oncoming punks.

“Negative what then?”

Lin Ran turned his head and asked with a calm expression, followed by grabbing the belt that Huang Shan had dropped on the ground next to him and flung it directly towards the two punks.

The belt turned into an arc, spinning in mid-air, and flew directly towards the two punks.

The two men had their eyes on Su Ruo and were so intent on capturing her first to blackmail Lin Ran that they didn’t notice the belt coming from the side.

“Pop!”

“Bang!”

The belt hit the two men’s necks accurately, and under the effect of inertia, the two sections of the belt, after hitting the object, also circled back and forth twice, immediately tied the two men’s necks together, and fell to the ground with a “thud”.

“How do you want to be responsible? A clear marriage?”

Lin Ran walked slowly, looking at Su Rou, whose face was still a little pale, and asked with a smile.

“You!”

Su Rou was so angry that her face turned blue and white, although this guy was powerful, he still didn’t forget to molest himself at this moment, he was simply a scum.

“Humph! Scum man!”

Su Rou gave a cold voice and turned around with this and left, while shouting.

“Hurry up and get the bubble noodles!”

“Eh!”

Lin Ran smelled helpless for a moment, the box of kimchi noodles had rotted during the fight just now, so he had no choice but to go and get another box.

Just as he was about to leave with a new one, the two punks were already unbuckling their belts and running to pick up Huang Shan, whose face was now covered in blood and red swelling, apparently he hadn’t bumped himself too much along the way as he rolled out.

“You What do you want!”

Seeing Lin Ran stop and look at himself, Huang Shan was so scared that his legs started to shiver a little.

Lin Ran put the instant noodles down, and then picked up the bags of instant noodles that were scattered before, while arranging them into a shape more than a meter high, and rushed towards Huang Shan.

“Don’t you like hugging? Come here and hug it!”

“You!”

Huang Shan’s face turned blue when he heard that, he was at least out to be a gangster, but he didn’t expect to be bullied by a kid who forced himself to be even smaller today, and at this moment, he actually wanted to humiliate him.

“Kid, you’d better not go too far, I’ll put up with you today, but if you don’t give in, I won’t let you off later!”

Huang Shan said angrily.

“Hmm? You’re threatening me?”

Lin Ran smiled and raised his fist, looking as if he was about to make a move.

“Don’t Don’t, let’s talk properly!”

Huang Shan saw this and was busy changing his mouth, a good man doesn’t want to lose, he didn’t bring anyone with him today, the one who loses if he talks tough is still himself. “Brother Huang is overbearing!”

“Brother Huang is powerful!”

Next to him, the two men saw this and were busy shouting.

“Haha!”

Hearing this, Huang Shan was so full of satisfaction that he couldn’t help but laugh out loud.

But just when he was about to see Su Rou jump into his arms and smell her fragrance, suddenly there was a “whoosh” sound above his head, and before he could react, a huge black shadow came directly over him.

“Bang!”

A muffled sound, Huang Shan’s whole body froze in place, originally he thought he would be smashed directly out of the way, but did not think that the soft batch of things, smashed into his own head directly scattered.

Huang Shan looked down and realized that what hit him was actually a box of instant noodles, and looked up to see that the box in Lin Ran’s hand had disappeared.

“Run!”

Su Rou took advantage of the chaos to break free from Huang Shan’s restraint, turned around and pulled Lin Ran to run, but the latter pulled her behind him and said.

“Where else are you going to run? The cashier’s desk is over there!”

“Er”

Su Rou smiled and then remembered that the cashier’s desk was over by Huang Shan and the others, and there was no way to get out from where they were at this moment.

“Bastard, toast the wine and eat the punishment, dare to spoil my good deed, if I don’t twist you into two pieces today, my name is not Huang Shan!”

“Don't you like hugging? Come here and hug it!”

“You!”

Chapter 386

“Come here, hold it, and if you dare to drop a bag, I'll beat you up!”

Lin Ran said, pointing to the instant noodles that were barricaded up on one side.

“You!”

Huang Shan was so angry that his face turned green, but he had no choice but to be beaten if he didn't do as he was told, so he gritted his teeth and walked over with a sobbing face, and then hugged the bashed up instant noodles in front of the astonished eyes of many customers around him.

“Well not bad!”

Lin Ran nodded in satisfaction before saying.

“Hold tight, I'll let you have a good hug today, besides there are you guys coming, come over and give me a hug too!”

“I”

“We?”

The two gangster henchmen smiled, and immediately also revealed a crying expression, originally thought that the two of them could escape, but did not expect to end up not falling.

A few moments later, the most striking thing about the entire mall was no longer the price tags on the merchandise, but the scene of three people in the snack section ringing a column of instant noodles.

“Has that kid gone yet!”

Huang Shan asked in exasperation, busy.

“Big brother, should Gone!”

“Yes, yes big brother!”

The two junior brothers said busily, their eyes constantly looking around, searching for Lin Ran’s figure.

“Damn it! Two losers!”

Huang Shan was so angry that he cursed and let go of his hands at the same time, but at that moment, there was a “whoosh” sound, followed by a can directly hitting him on the head, causing him to almost faint from the pain.

“Hold on, itchy skin!”

Lin Ran’s voice rang out from afar, scaring Huang Shan into hugging the instant noodles again in a hurry, not caring about the severe pain in his head.

He didn’t know how long had passed, but just as Huang Shan felt his whole body stiffen up a little, his mobile phone suddenly rang.

“Hello! Who is it! I’m busy!”

Huang Shan cursed angrily, he was also afraid that he would have to receive another smack from Lin Ran when he answered the phone.

“Bastard! Too busy hugging instant noodles!”

A man’s angry voice came over the phone.

“Nan Brother Nan, how did you know!”

Hearing the voice, Huang Shan immediately came to his senses and asked busily.

“How do you think I know, your picture has become a fucking hot search!”

Nan cursed angrily.

“Now hurry up and get your ass over here, fuck raising you day in and day out, just so you can go hug instant noodles and be in the hot seat?”

“Yes, yes! I’ll be right over!”

Huang Shan said busily.

“Bring me more people!”

Nan said angrily on the phone, Huang Shan saw that the situation was not right and was busy saying.

“Okay, Brother Nan, don’t worry! I’ll definitely bring more brothers over!”

With that, he hung up the phone.

.....

Outside the mall, Su Rou walked in front with a smile on her face and said.

“Unexpectedly, you’re so good at fighting, no wonder you were able to pick up the school beauty of our school!”

Lin Ran was stunned at his words and said awkwardly.

“Su... Teacher Su, you’re a teacher, why are you so gossipy too!”

“What’s wrong with a teacher, a teacher is also a human being, and I’m still a woman!”

Su Rou gave Lin Ran a blank look and followed.

“Besides, I’m still a young woman, so when is little brother free to teach me a couple of self-defense moves too!”

“Eh!”

Lin Ran’s old face flushed at his words and he said awkwardly.

“Teacher Su, I’m afraid it’s not good for you to molest your own student’s boyfriend like that!”

“Bah! Who’s molesting you, I’m just asking you to teach me two self-defense moves!”

Su Rou was busy saying, but this pretty face was red to the root of her neck.

She was not too old, at most two years older than Song Nuan, and she was actually no different from Song Nuan in saying that she was a teacher, both were in their flowering season, and it was inevitable that she would be attracted to a young man with good skills and a few “good looks”.

The most crucial thing is that the two had somehow The two had somehow kissed once, which was awkward.

“What are you blushing for if you didn’t molest me!”

Lin Ran asked in a small voice.

When Su Rou heard this, she became even more embarrassed and was busy saying.

“Mind your own business, take your things properly! We’ll go find Xiao Nuan later!”

“Er”

Hearing the word Xiao Nuan, Lin Ran immediately wilted, and did not dare to talk any more nonsense, for fear that when he arrived at the clinic later, Su Rou, the ninny, would talk nonsense, and then he was afraid that he would be less likely to be interrogated by Song Nuan again.

After returning home and putting away the pile of snacks they had bought, the two of them rushed straight to the clinic.

During the journey, Lin Ran remembered something from the past and couldn’t help but ask.

“By the way, that hometown Lu Qian and that Jia Lian from school haven’t been looking for trouble from you again recently, right?”

“No, that Lu Qian is no longer in contact, and as for that Jia Lian, he was dismissed!”

Su Rou said blandly, when that Jia Lian obviously has a family, but also close to Su Rou still hide the truth, the former know really hard for a while, although already have no interest in him, but know the truth still feel disgusted.

In the end, Su Rou took the matter to the headmaster’s office and Jia Lian was eventually sacked.

“That’s good!”

Lin Ran nodded at his words, this time when he met with Su Rou, the latter’s temperament had changed a lot, there was no more childishness when they first met together, there was more maturity and rationality, which made him feel very relieved.

Although everyone will meet a lot of people in the process of growing up, some people just meet in a hurry and leave, while some people are able to learn something from every person they meet, so as to improve themselves, obviously Su Rou is such a person.

When I arrived at the clinic, it was already late in the evening and there were no more customers inside the clinic, only Li Zheng and the others waiting to leave work.

Tomorrow their clinic would also be closed for business, allowing everyone to go home for the New Year, and this afternoon Luo Qiqi and Song Nuan came over because Lin Ran was going to hand out red envelopes.

When one goes home for New Year, everyone wants to receive a red packet, and the boss’s year-end red packet is the start of it.

“Holy shit! This kid hasn’t been seen all afternoon I thought he had gone to prepare the red packets, but it turns out he went to pick up a girl!”

Seeing Lin Ran and Su Rou come in, Wang Yifeng couldn’t help but mutter, while directly approaching Song Nuan and saying.

“Song Nuan, you have to take care of this, this kid has been too wild lately, blatantly bringing other women to the clinic, I can’t stand this if it’s on me anyway!”

“You are you and I am me! I can take it!”

But Song Nuan laughed.

“You!”

Wang Yifeng was stunned at his words, and then couldn’t help but cry out.

“God is really blind, how can you do this to me, other people have three wives and four concubines girlfriend actually not angry, I don’t even have a girlfriend, it’s simply too much!”

“Go! What are you yelling about, that’s my dance teacher!”

Song Nuan saw this and gave Wang Yifeng a white look, followed by walking towards the two Lin Ran.

“Here’s the red packet, hurry up and give it out, everyone is waiting to go!”

Shoving the red packet to Lin Ran, following which Song Nuan took Su Rou's hand and ran to the side to introduce herself to the crowd.

Lin Ran didn't say any nonsense, picked up the red envelopes and handed them out one by one to Li Zheng and the others, and finally said.

"This time everyone has worked hard, that good red packet go home for a good New Year, next year we will meet in!"

"Thank you boss!"

The crowd shouted in unison, followed by greetings one by one and left.

When the crowd had left, Wang Yifeng couldn't help but come over and ask.

"Hey hey! That Su Rou is Song Nuan's dance teacher, does she have a boyfriend! See if I have a chance!"

Lin Ran sniffed and glanced at him before laughing.

"No chance, don't even think about it!"

"Why!"

Wang Yifeng was very unhappy at his words, how could he not have a chance before he had even started.

When Lin Ran saw that this guy was still undeterred, he laughed and said.

"Because she's staying at my house, so you get the idea!"

Wang Yifeng was first stunned at his words, and then the gaze he regarded Lin Ran changed, saying with a bit of contempt.

"Beast! I don't have a girlfriend, you can't even fucking think about it!"

"Uh I can't decide that! You'll have to talk to him!"

Lin Ran said and raised his head to point at the sky, Wang Yifeng was stunned and muttered in his heart.

("Tell him, motherfucker! He's the author, I'll tell him in case he writes me to death, what's the point of playing!")

Chapter 387

Song Nuan and Wang Yifeng walked out of the clinic first. Lin Ran locked the clinic door and carefully checked the power supply and other safety hazards, and only after seeing that they had all been properly taken care of, did he follow them out.

"We've discussed it, this guest must be on you tonight!"

As soon as Lin Ran came over, Song Nuan spoke up.

"My treat? Didn't we say that Su Rou's treat?"

Lin Ran said helplessly, this girl had said in the afternoon that she would treat her guests, and she had also said it just now inside the clinic, why did she change her mind as soon as she left.

“I said I would treat you, but who knew there would be so many people, and I heard that that fatty was a huge eater, so I’m afraid that my salary wouldn’t be enough for him!”

Su Rou was busy saying.

Wang Yifeng smiled and was not happy.

“I’m not saying that you’re slandering me when we’ve just met, but that will lower my impression, even if you are a beautiful woman!”

“Don’t talk nonsense, tonight must be your treat, as the boss treat a meal what’s wrong!”

Song Nuan said, Su Rou a teacher salary is only how much, we can not afford to get together, she does not want to let Su Rou buy the first meal.

“Fine, I’ll treat, I’ll treat, I brought this fatty!”

Lin Ran stretched his hands and said helplessly, he wasn’t prepared to let Su Rou treat him either, he was just taking advantage of his mouth.

“All bullying the fat master, I can see, on the surface three women, two men and five people, in fact, except for the fat master I, all are your family, get! I won’t say anything, just have something to eat anyway!”

Wang Yifeng said cheekily, anyway, can not say a few people, simply wait for the food, who with the food still can not get over it.

“Okay don’t be anemic, hurry up and go!”

Lin Ran was afraid that if this guy said any more, the three women could be described as his own harem of beauties, so he hurriedly changed the subject and led the crowd off.

In the evening, the city of Tanjiang was covered with goose feather snow, and a thick layer of snow had accumulated on the road, so the five of them did not drive, so they walked and chatted while walking towards the hotel.

There are times when it’s nice to take a break from your busy schedule and feel the city in the snow.

The three women in the snow are having a great time, but Lin Ran in front of them is a head fight, it is easy to send Qin Bing home for the New Year, but then ushered in Su Rou.

The four women are not a good one to mess with, their own life in the eyes of others simply beautiful, but only he knows, if these four women broke out, he will be subject to what kind of treatment, afraid that even the bed may not be able to get off.

Ahem, don’t get me wrong!

As the New Year was approaching, even the hotel was a little full. Luckily, Lin Ran had the Luo’s Supreme Diamond Card that Luo Ming had given him before, so he was able to book a room temporarily.

In the waiter's lead a group of people came to the private room, Wang Yifeng this guy but look at others waiter looks beautiful, take the initiative to hit on.

"I say, sister, is there any tradition in your hotel? You have to hold a camera to lead guests into a private room! Are you afraid we won't pay after eating or something."

"Sir, you're joking!"

The pretty waitress smiled awkwardly and followed.

"The camera was requested by the guest at the next table, and as you know, the guest is God, so we can only try to satisfy him!"

The beautiful waitress put the menu down and instructed the crowd to order first, then walked out with the camera and returned a short while later.

There were two doors in the room, a certain distance apart, Lin Ran slightly noticed the route and time the beautiful waitress had just delivered the things, and roughly judged that the customer who wanted the camera was not far from his own vicinity, or maybe even next door.

It was no wonder he was paying attention, mainly because it was a bit strange to come to dinner and ask for a camera, so he had to keep an eye out for it.

The food was basically ordered by the three women, with Wang Yifeng also strongly requesting a few additional dishes, while Lin Ran did not order any of them.

Although it was close to New Year's Eve, the speed at which the food was served at the hotel was still very good, and the dishes were served in a few moments.

What surprised Lin Ran the most was that Song Nuan and Luo Qiqi were both going home for New Year's Eve, as this would leave Su Rou alone in their home.

"I'm fine on my own, I lived alone before anyway!"

Su Rou said, and Lin Ran nodded at his words, remembering Wang Yifeng and busily asking.

"Fatty, what about you?"

"I don't know, my situation you know a lonely person, unlike these two girlfriends of yours, a rich girl, a lord's precious daughter, the New Year needs to socialize or something, I'm alone if you all go home, then I'll just be bored and go home to sleep!"

Wang Yifeng said helplessly, before he met Lin Ran he had been like this, either sleeping or catching ghosts, life was incomparably monotonous.

"Then you can come home with me!"

Lin Ran said, although Lin Jiawan was not like the city, the countryside had its benefits, and by going back with him, Wang Yifeng would at least not be too lonely alone.

"Yes!"

Wang Yifeng agreed without even thinking about it, anyway, he was still idle, so if he went back home with Lin Ran, he might even be able to go to the mountains to hunt some wild game, which would make his life better.

The food was soon at the bottom of the table, and everyone had eaten almost everything, so they sat and chatted.

We thought that the last dinner before the year would be spent in chatting, but who knew that the heavens were moving and not resting at this time, and when the conversation was hot, with a bang, the door of the private room where the people were sitting was kicked open.

“What’s going on!”

Song Nuan frowned slightly when he saw this, Lin Ran and Wang Yifeng had already stood up, then they saw that a line of more than ten people came in from outside the door, all wearing black suits, but the hair looked a bit unconventional, either yellow or green.

It looked like a bunch of punks in suits, and it was a comical look.

“Still making the old man fucking easy to find!”

The crowd dispersed and a familiar figure walked out from the crowd, Lin Ran only took a glance at it and his brows furrowed, the person who came was no other than Zhao Yu’s boyfriend Li Nan.

“Why is it you!”

Lin Ran frowned slightly, this guy had just taught himself a lesson in the morning, he didn’t expect to remember what he had eaten and not remember to come over at night.

“Of course it’s me, you want to fucking run away after fucking me in the ass? I’m going to settle a score with you tonight!”

Li Nan said with a wave of his hand, next to him a junior immediately brought a chair, the chair was very strange the top of the chair had a place that was see-through, it seemed to be specially made for Li Nan.

“Fuck, I have to be careful when I sit in a chair now, I almost lost half of my life on the way here.

“Really? Then how do you want to play?”

Understanding the other party’s intentions, Lin Ran was relieved, it wasn’t a bad thing to eat and drink a little.

Chapter 388

“How do you want to play? I can play how I want tonight, what are you going to play with me!”

Li Nan laughed coldly, while looking at the many men around himself, and opened his mouth to shout.

“Huang Shan come in for me!”

“Big brother!”

A young man's voice followed outside the door, while a yellow-haired youth burrowed in, this was the same Huang Shan that Lin Ran and Su Rou had met at the supermarket in the afternoon.

"It's you!"

Seeing Huang Shan, Su Rou was stunned and said busily.

"Lin Ran and I went to the supermarket this afternoon to buy something, this guy tried to molest me and ended up getting beaten up by Lin Ran, I didn't expect that he was actually in cahoots with him!"

"Yoo-hoo, what a coincidence! Then it looks like we're in for a treat tonight!"

Off to the side, Wang Yifeng poked out his hand and picked up a piece of meat from the plate and threw it into his mouth, not looking at all nervous and seemingly not putting the person in front of him in his eyes at all.

"Brother Nan, this is the kid who got me into trouble this afternoon!"

Seeing Lin Ran, Huang Shan couldn't help but be stunned, he only knew that Li Nan had asked him to bring someone over, seemingly to fight, but he didn't expect the other party to actually be Lin Ran.

"Then let's settle the score together tonight!"

Li Nan said in a cold voice, while reaching out his hand, a junior next to him immediately handed over a cigarette and then lit it.

At this time, there were more than a dozen people on his side, so Li Nan and Huang Shan both had a lot of courage in their hearts, and they spoke with a bit more force.

"Lin Ran, I admit that you are a good fighter, but can you still beat two dozen people by yourself?"

As he spoke, Li Nan took an object similar to a remote control from his little brother and sneered at Lin Ran.

"Moreover, even if you can really fight twenty by yourself, so what? I dared to come over to you this time, so I've already thought of a complete plan, so you might as well take a look first!"

With that, Li Nan pressed the remote control, and a screen appeared on the television following their private room.

The image was of the same private room, not enough inside but only five or six people, also dressed in suits dyed with yellow hair, uncouth.

"Get out of my way!"

Li Nan shouted at the TV.

"Yes! Brother Nan!"

The people inside the TV could actually hear Li Nan's voice and made way in response, followed by the reveal of a figure.

It was a woman with very loose hair blocking her face, and she was sitting on a chair all tied up with ropes as if she had been kidnapped.

“Get her hair out of my way!”

Li Nan shouted again, followed immediately by someone who came forward and plucked the hair out of the way, revealing the woman’s face.

Seeing the woman’s face, at once Lin Ran and the others were stunned, especially he and Song Nuan, whose faces turned pale as they watched.

The woman being kidnapped in the picture was no one else! It was none other than Zhao Yu, Li Nan’s girlfriend.

“You’re fucking crazy, she’s your girlfriend!”

Lin Ran turned his head to look at Li Nan and angrily chided him, he had seen scum men, but he had never seen such a scum man, actually kidnapping his own girlfriend to blackmail others.

“No, no, no! You’re wrong, she’s not my girlfriend now, I’m just her ex-boyfriend, like you!”

Li Nan took a sharp puff of his cigarette and looked at Lin Ran and sneered.

“Don’t think I can’t see that, ever since I saw you at the clinic and found out that your car was a Porsche, this bitch’s mind was set on you, and I’m not stupid, I know exactly what a woman like her wants, so I just dumped her!”

Li Nan said as he stood up from his chair and looked at Lin Ran and laughed lightly.

“Well? Do you like this gift? Zhao Yu’s ex-boyfriend!”

The last term of endearment, Li Nan said very heavily, he expected that Lin Ran would not see death without help, Zhao Yu brought her present self to him to see a doctor, he was able to see it, this was enough to show Lin Ran’s character, that’s why he directly kidnapped Zhao Yu and used it to blackmail Lin Ran.

“You’re really scum completely!”

Lin Ran couldn’t help but sigh, he had known before that Li Nan was scum, but he didn’t expect that this guy had actually reached such a level of scum, if he had known that this was the case, he really should have tucked him into disability with one foot back then.

“Right! I’m just slaggy completely, how about that!”

“How about that! Ah!”

Li Nan’s voice suddenly became extremely loud as he said, following which he raised his hand and slapped Lin Ran in the face.

Lin Ran’s face was chilled, his palm was already in the form of a hand knife chopper in front of Li Nan’s nearness, yet the latter was not the least bit afraid and sneered.

“Today if you dare to hit down, I will immediately have someone strip Zhao Yu of all her clothes, and when it’s time to take a video and post it on the internet, her whole life will be over!”

“You!”

Lin Ran’s face was as gloomy as water at his words, and his palm stopped in front of Li Nan’s neck, the person in front of him was not in his eyes at all, but Zhao Yu’s whole life was being held in the other party’s hand.

“Haha! Now that’s right!”

Li Nan saw the size of the situation, but the palm of his hand did not stop at all, and in an instant it had already “snapped” on Lin Ran’s face.

Lin Ran just looked straight at him, his eyes full of coldness, and five red fingerprints soon appeared on his cheek, he had received a solid slap.

“Lin Ran!”

“Ranzi!”

Song Nuan and the three women looked on with their hearts tightened, especially Song Nuan’s eyes instantly turned red in anxiety, Luo Qiqi’s eyes were full of anger, while as for Su Rou, she was a little distressed for Lin Ran.

He was also red in the eyes, but he was angry, Lin Ran usually fought with him, but the two of them were definitely a united front when it came to matters, brothers between life and death several times, and now he was slapped solidly, how could he bear it?

“I’ll kill you!”

Wang Yifeng cursed and charged towards Li Nan, yet he was indeed dragged back by Lin Ran.

“Ranzi, don’t stop me!”

Wang Yifeng said angrily, wanting to rush up and dismantle Li Nan in pieces immediately.

“Calm down!”

Lin Ran chided coldly, and Wang Yifeng was shaken by the shout, instantly looking over.

“Calm down! Calm down!”

Lin Ran said meaningfully, his eyes even staring straight at Wang Yifeng.

“But!”

Wang Yifeng wanted to say something else, but felt that Lin Ran’s eyes were a little strange, and combined with the current situation, he instantly understood and blinked at Lin Ran before saying in an angry voice.

“Ai! What a stifling!”

With that, he kicked the chair behind him to the ground, followed by lunging over, picking up the chair and smashing it on the ground with a “thud, thud, thud”.

“Ha ha! Interesting, really interesting!”

Seeing this, Li Nan didn't bother about Wang Yifeng and turned to look at Lin Ran, laughing coldly.

“Little divine Doctor, aren't you a bully? How come you've gone soft now? Are you still thinking about this bitch Zhao Yu in your heart?”

Lin Ran's teeth clenched at his words and he spoke in a cold voice.

“What the hell do you want!”

“What? I don't want to do anything, I just want to teach you what it means to be a man with your tail between your legs!”

Li Nan said, raising his hand and slapping him. He slapped Lin Ran on the other cheek with such force that he could not help but suck in a breath of cold air himself.

Lin Ran stood still and didn't move, just carrying it hard, as he raised his head to look at Li Nan and said in a cold voice.

“What the hell are you going to do, before you'll let her go!”

“Let her go? Haha fine, I'll give you two choices!”

Li Nan went back to his seat, lit up a cigarette and took a puff, before sneering.

“First, kneel down and apologize to me, plus take out three million dollars! This matter is over!”

“Second, I don't want anything, just wait until you see her naked photos!”

Chapter 389

“Now! You choose yourself!”

Li Nan smoked a cigarette and sneered, at this moment a feeling of frustration finally came over him, all the anger he had held in for so long was finally released at this moment.

“Lin Ran!”

Song Nuan shouted, Luo Qiqi had already taken out her mobile phone and was ready to call her brother, as for Su Rou, she was standing helplessly in place, unable to help at all, and could only pray in her heart that Lin Ran would be alright.

“It's alright!”

Lin Ran said as he forced down the murderous aura in his heart, before turning his head to look at Li Nan.

“What's the matter? Have you chosen yet? There's a limit to my patience!”

“I've chosen!”

Lin Ran spoke indifferently.

“Say which path you choose!”

Li Nan sneered, he actually preferred Lin Ran to choose the first one, after all, Zhao Yu’s fallen photos were just a threat, the only thing that could make him relieved was the first one.

“I choose the first one!”

Lin Ran said.

Li Nan laughed at his words and rose to his feet.

“Haha! That’s fine! Take the money!”

Lin Ran smiled as he physically took out the Luo Family’s diamond card from his pocket and tossed it to Li Nan.

“This is the Luo Family’s Supreme Diamond Card, it can be worth four or five million!”

“Supreme Diamond Card?”

Li Nan smiled and looked at it, but was somewhat unconvinced, and immediately handed the card to Huang Shan at the side, who took the card with his understanding and left the room, only to return moments later.

“Brother Nan, the card is fine, it’s real!”

“Good!”

Li Nan nodded in satisfaction at his words, following which he put the card into his arms before looking at Lin Ran.

“Go on, get down on your knees and apologise!”

“Don’t you go too far! I’ve already given an extra one or two million, what more do you want!”

Lin Ran sniffed coldly, the killing intent in his eyes undisguised.

“Who the fuck are you to bargain with Laozi”

Seeing this, Li Nan broke into curses, however Huang Shan on the side was busy stopping him and said in a low voice.

“Brother Nan, this kid can’t be pushed too hard, Zhao Yu is his ex-girlfriend after all, kneeling down is simply insulting him, if we push him too hard, it won’t do any of us any good in time!”

Li Nan frowned at his words, this was indeed the truth, Zhao Yu was after all only his ex-girlfriend, and her power as a threat was limited, if they really touched Lin Ran’s bottom line, they were afraid that the result was not what they would like to see.

“Brother Nan, one of the girls at the back is Lin Ran’s girlfriend and the other two are not, so I think we should go after them!”

Huang Shan suggested, Lin Ran and Su Rou had appeared together in the supermarket in the afternoon, which made him mistakenly believe that the two were boyfriend and girlfriend, that's why he thought Song Nuan and Luo Qiqi and Lin Ran were just ordinary friends, plus he was already very horny as a person, that's why he phoned out such a note.

"A bit interesting!"

When he first met with Song Nuan and Luo Qiqi, he had coveted the beauty of the two of them, and when he had such a good opportunity, he naturally had to seize it.

When he thought of this, Li Nan could no longer resist and said with a cold smile.

"It's not impossible to not kneel down, but you have to take one thing in exchange!"

"What is it!"

Lin Ran opened his mouth, but his gaze was not looking at the TV to the side, keeping an eye on Zhao Yu's situation inside.

"I got the news, that woman is your girlfriend right, old me also do not bully you, then your you take away, the rest of these two belong to old me!"

Li Nan pointed at the two Song Nuan and said.

Lin Ran frowned at his words, when Li Nan said his girlfriend he was referring to Su Rou, and the ones he wanted to let himself stay were actually Song Nuan and Luo Qiqi.

"Girlfriend? You're mistaken, I'm not his girlfriend!"

Su Rou heard and explained, but Song Nuan and Luo Qiqi didn't believe her, so they didn't even look at her.

Just now Su Rou had said that she and Lin Ran had gone to the supermarket in the afternoon, so Song Nuan and the two of them knew that this matter must have been misunderstood by that Huang Shan and had told Li Nan about the misunderstanding.

"How's that? It's a good deal, isn't it!"

Li Nan sneered.

"No way!"

Lin Ran's voice suddenly became calm as he looked at Li Nan and said back indifferently.

"Impossible? Then you want to see Zhao Yu's nude photos!"

Li Nan's face chilled at his words, and he made a move to have shouted for someone to strip his clothes.

"Wait!"

Lin Ran suddenly spoke.

"Haha! What? Are you backtracking again? There's a limit to my patience, either hand over those two girls or wait for Zhao Yu's reputation to fall apart!"

Li Nan said in a cold voice, but his eyes couldn't stop glancing at Song Nuan and Luo Qiqi, he actually wanted to get his hands on these two girls, compared to them, Zhao Yu was no different from a rouge in his eyes.

On the contrary, Song Nuan and Luo Qiqi made him feel so horny that he could not stop looking at them.

Lin Ran looked at him and suddenly opened his mouth to ask.

"Did you enjoy the two slaps just now?"

"Hm?"

Li Nan was first stunned at his words, and then sneered.

"It was really good, but what can you do to me and? If you don't give a shit, I'll slap you again, believe it or not!"

"Yes, why not!"

The corner of Lin Ran's mouth revealed a wicked smile, and then said.

"But I have to remind you of one thing!"

"Remind what?"

Li Nan asked, frowning at his words.

Lin Ran looked at him and slowly walked closer as he said.

"Just a reminder, next time you're threatening someone with a hostage, don't get too close, or you'll easily get beaten up!"

After saying that, Lin Ran raised his hand and slapped Li Nan directly on the face, the latter didn't react at all, and his whole body flew backwards, his teeth immediately crumbling to the ground.

"Brother Nan!"

Seeing this, Huang Shan hurriedly led his men to rush towards Lin Ran.

However, Lin Ran rushed in front of Huang Shan with an arrow step, and then kicked him backwards, knocking all the people behind him to the ground.

"Threaten me! Seek death!"

Before the others could react, Lin Ran rushed to Li Nan with a single arrow step, grabbed the latter by the neck and lifted him up.

Li Nan's mouth was full of blood at this point, and he looked at Lin Ran's mouth running wind and cursed angrily.

"You! If you dare to do it, I'll finish Zhao Yu now!"

With that he turned his head and shouted at the TV.

"Strip her for me"

However, before he could shout out the words, he froze, only to see on the TV screen, the door of the private room was kicked open with a bang, followed by Wang Yifei's figure appearing on the TV.

He was so big and thick that he picked up a chair and thumped it several times, directly knocking four or five gangsters to the ground, each of them fainted and died.

"Ranzi! Beat them to death!"

Wang Yifeng shouted at the camera and ran to untie Zhao Yu's body.

"It's over!"

Seeing this scene, Li Nan's entire body instantly wilted, his body unconsciously started shaking, and a bubble of urine that he couldn't hold in dripped down his thighs.

Lin Ran looked at him with an ice-cold gaze and slowly spoke.

"Remember next time, don't offend doctors by offending anyone, especially TCM doctors!"

"For Why!"

Li Nan asked, somewhat unresponsive.

Lin Ran looked at him and gave an evil smile before saying.

"Because Chinese medicine doctors, will make you beg for death!"

The words fell, Lin Ran's palm directly caught Li Nan's arm, and then violently pulled only to hear a "click", the latter's entire arm directly hanging down, obviously dislocated.

Chapter 390

"Ah!"

With his arm ripped out of socket, Li Nan let out a pig-like scream, and sweat immediately appeared on his forehead, as Huang Shan and a bunch of other punks all gathered around him, but they didn't dare to go forward.

"You like to watch? Then open your eyes wide and watch!"

Lin Ran glanced at Huang Shan and the others, followed by a handful of silver acupuncture needles that he had taken out of his body, hitched them to a side table, and pulled one out with his hand.

With his arm still around Li Nan's neck, Lin Ran dropped a needle directly into the latter's heart socket, and with this needle, Li Nan's entire body bowed with a "hmmm", and his originally moribund state immediately turned into a shaky one.

"If I were to use the ways of Chinese medicine to clean up a person, you would definitely be the first one, and you would also be the worst!"

Lin Ran's eyes were cold and his face was filled with killing intent.

This was the experience accumulated by his ancestors over millions of years, and using it to punish others made him feel like he was desecrating the way of Chinese medicine.

But there are times when healing is not just about treating external illnesses, but also about treating a person's heart, which is the highest level of the practitioner.

"If your heart is completely black, then I will help you heal it! This society is not one where you can do whatever you want just because you have money!"

Thinking about Zhao Yu, Lin Ran couldn't help but have an icy coldness in his eyes, not because Zhao Yu was his ex-girlfriend, but the encounter.

Even if this time Li Nan kidnapped someone he didn't even know, he would still do it, he might just get a couple of slaps himself, but what he might save is a girl's fresh life and the rest of her life.

Since the Chinese medical treatment could not cure Li Nan's dirty mind and ugly heart, then he, Lin Ran, would cure it himself.

With one hand stuck around Li Nan's neck, the other hand was directly presented as a hand knife and slashed towards the former's arm.

"Ka ka ka ka!"

An arm that broke three times was enough to see how angry Lin Ran was in his heart.

"Ah! No! Spare me! Spare me!"

Li Nan's face was so white with pain that he was busy opening his mouth to beg for mercy, he could clearly feel that one of his arms had been broken in four pieces, the pain of which was simply beyond strict understanding, making him even want to die.

"Forgive you? That's easy for you to say, so who spared her!"

Lin Ran pointed at the TV screen, followed by another hand slash directly on Li Nan's chest, and the sound of bones breaking was heard one after another, as if they were not wanted.

"Kill me! Kill me!"

Li Nan was so tormented by the pain that his mind began to wander.

"Want to die? Impossible!"

Lin Ran laughed coldly and then pulled out another silver needle, once again landing on the spot where Ahler Li Nan's heart was, immediately as if he had been injected with another shot of a strong heart, causing his entire spirit to come alive again.

"Kill me! Please kill me! I really can't stand it anymore!"

Li Nan's face was all a bit distorted, the severe pain of broken bones all over his body was like millions of ants that kept tearing at him, causing his entire spirit to be on the verge of collapse, but the needle that Lin Ran dropped was like a long sword hanging his last breath, making him unable to die if he wanted to, and he could only endure the severe pain coming from his entire body again and again.

"Don't be anxious, it's just beginning!"

Lin Ran's eyes did not carry a trace of warmth as he lifted his foot with a bang, directly breaking Li Nan's leg bone, this time Li Nan's whole body rolled its eyes in pain and almost died from the pain on the spot.

"Get back here!"

Lin Ran saw this and shouted coldly, followed by a silver needle falling down, immediately the dying Li Nan's entire body came back to consciousness.

At this time, the pain all over his body had already caused him to nearly collapse, and he looked at Lin Ran with a lax gaze.

"Please Please, kill me! Kill me!"

At this moment, Li Nan's face was full of pain, and regret, he never thought that he would end up in this situation no matter what, if he had known that this would be the result, he would not have dared to come and mess with Lin Ran, mess with a doctor.

"Goo dong!"

On the side, Huang Shan and the rest of the group of punks couldn't help but gag when they saw it, each of them as pale as sieve chaff.

Although they were not the ones being beaten up at this moment, they had seen Li Nan's miserable condition without pulling a finger in their eyes.

When they thought of this, they all shuddered and asked themselves what kind of existence they had messed with.

He could not help but wipe a cold sweat for himself when he saw what had happened to Li Nan. In the afternoon, he had only thought that Lin Ran was a kid with very good hands, but who knew that such a harmless-looking person would really be more ruthless than even them.

"Luckily! Luckily I was obedient this afternoon!"

Thinking about what happened in the afternoon, Huang Shan was not only a little thankful, if he hadn't obediently listened to Lin Ran in the afternoon and instead continued to be headstrong, I'm afraid he would have already been lying in the hospital morgue by now.

"Bang!"

The door of the private room was kicked open from the outside, followed by Wang Yifeng running back with Zhao Yu in his arms, at this time the latter's face was full of panic, obviously having received quite a shock.

Seeing Zhao Yu, Lin Ran couldn't help but frown slightly and kicked Li Nan to the ground, following which he walked over.

"Don't be afraid, let me check you out first!"

Having seen how Li Nan was, Lin Ran also had to be careful, and immediately took Zhao Yu's pulse, and only after he was sure that there was nothing unusual about Zhao Yu's body, did he breathe a sigh of relief.

“Lin Ran!”

When she saw Lin Ran, Zhao Yu’s eyes burst into tears, she was just a girl, but she had gone through such a thing, not having a mental breakdown was already considered strong.

“It’s alright, it’s all over!”

Lin Ran smiled and said comfortingly, but Zhao Yu couldn’t hold back any longer, her tears flowed down her face, remembering what happened a year ago, compared to the present day, she couldn’t help but throw her head into Lin Ran’s arms and cry bitterly, while shouting heartily.

“I’m sorry! I was wrong! I know it was wrong! I’m really sorry!”

“This”

Wang Yifeng looked stunned, did not know what to say, next to is Song Nuan three women, at this time Zhao Yu but jumped into Lin Ran’s arms, this atmosphere for a time is really a bit awkward.

“What are you looking at! Believe it or not I’ll kill you all!”

Wang Yifeng hurriedly turned around and scolded Huang Shan and the others on the side in an angry voice, scaring the latter group of people into hurriedly turning their heads and not daring to look.

“Holy shit! You’re completely paralyzed!”

Seeing Li Nan lying on the ground, Wang Yifeng couldn’t help but laugh, just now the latter was flaunting his power and even gave Lin Ran two slaps on the face, but in the blink of an eye it was already a world of difference, landing in such a state.

“It’s alright, it’s all over!”

Lin Ran kept comforting Zhao Yu, after hitting her to calm her emotions for a few moments, before gesturing for Song Nuan and the others to come over and pick her up, after all, the matter at hand was not yet finished.

“Oh, I’ve fallen into your hands today, I’ll do whatever I want!”

Li Nan lying on the ground, not moving can move, at this time is bland.

“Kill you? I think you’re dirty, you’re a total scum!”

Lin Ran said icily.

“I’m scum? Haha!”

Li Nan laughed at his words, his mouth full of blood making his entire body look very distorted.

He turned his head to look at Lin Ran and laughed coldly.

“Right! I’m scum, but you’re no better! Eating from the bowl and looking at the pot, with so many women around you, how much better are you than me? You’re nothing but scum too!”
