

Wonder Doctor

Chapter 581

“This is the way to go!”

A few moments later, watching Linran pack up and prepare to leave, Lin Ran said with some reluctance.

“What’s the point of not leaving! Are you waiting to be molested by an old rascal like you?”

Although Lin Lin said so, the reluctance in her eyes could still be seen.

“You really are an abomination, taking the time to come to you for once, and you actually want to sleep with me! Abomination!”

Ling Sa punched Lin Ran in the chest and then said.

“Go ahead and monkey yourself, I’m a cultivator, I’m not going to give myself to you so easily!”

“Not that, it’s so late in the day, can you still make it to your master’s place?”

Lin Ran worried.

Ling Sa also understood what Lin Ran was worried about, she had only offended Yue Bu of the Yue family this afternoon, this guy obviously had an interest in her again, leaving at this time in the middle of the night might also be dangerous.

“Don’t worry, he definitely won’t think about it, I will leave overnight, besides there is a high speed train to be afraid of!”

Ling Sa said, then tossed the pink box to Lin Ran, laughing.

“You’d better keep this for yourself, bye! Little handsome brother!”

With that, Ling Sa smiled and walked out of the room, leaving Lin Ran alone.

“Hey! Cultivators are really able to let go!”

Holding the still unopened box, Lin Ran couldn’t help but shake his head and smile bitterly, while sitting on the sofa and smoking a cigarette, with Ling Sa gone, he was also ready to finish smoking and go home.

“Today is Valentine’s Day, if I don’t bring some flowers or something home, will I be killed!”

Thinking about the four beautiful women at home, Lin Ran couldn’t help but have a headache.

“Bang bang bang!”

Suddenly, there was a knock on the door outside the room.

“Hm? This nee-san has figured out that she’s not leaving?”

Lin Ran’s heart was overjoyed, and he immediately picked up the pink box and got up to run to the door.

The door to the room quickly opened, but when Lin Ran looked at the four women who appeared outside the door, he was instantly baffled.

“You Why are you guys here!”

“What, are you surprised?”

Song Nuan looked at Lin Ran with sharp eyes.

“Brother Lin Ran, we heard that you were meeting a beautiful woman in private here, so we came, where is the beautiful woman?”

Luo Qiqi said with a serious look on her face and a mini pair of scissors in her hand, scaring Lin Ran so much that he couldn't help but gag.

“That You guys must have made a mistake, there's no beauty here!”

Lin Ran said awkwardly.

“O? Are you sure there isn't one?”

To the side, Qin Bing said in a cold voice, the icy cold in her eyes almost not freezing Lin Ran into ice.

“There really isn't!”

Lin Ran laughed awkwardly, but at the same time, he was glad that Ling Sa had just left, if he had collided with the four women, they would have fought, but he would have been stripped alive on the spot.

“No what is this that you are holding? Don't say it's for blowing up balloons for fun!”

Su Rou pointed at the pink box in Lin Ran's hand and laughed.

“I”

Before Lin Ran could say the words of explanation, he saw the four girls simultaneously pulling out scissors and gesturing right at himself

“Hey hey! You guys listen to my explanation, it's not what you think it is!”

Lin Ran turned and ran, but behind him was the room, where could he run to, in less than a minute, he was pinned down on the bed by the four women.

“Say! Who exactly is the beautiful woman in the private meeting!”

Qin Bing asked in a cold voice.

“There really isn't one!”

Lin Ran said busily.

“How could there be the scent of a woman in the room without it? You can't fool us!”

To the side, Song Nuan pointed at the still somewhat messy sofa and said.

“Right! You can’t fool us, hurry up and tell us the truth!”

Luo Qiqi and Su Rou also agreed.

Lin Ran was truly helpless and said busily.

“She’s a life-saver for Fatty and I. Just now I was treating her, and she’s already left after she got well!”

“Healing?”

“Do you take us for fools?”

“Yes!”

“You need this to heal?”

The four women each said one thing, and it was only Song Nuan’s words at the end that got to the point.

“No you guys listen to my explanation, this thing is not mine, it was given to me by a fat guy, if you don’t believe me you can see for yourselves, the box hasn’t even been opened, we really didn’t do what you think we did!”

Lin Ran said busily.

“The box is unopened, but I just don’t know if it was sealed again after it was used up!”

Undeterred, Luo Qiqi instantly opened the boxes and counted them one by one.

“There are twenty-three in here!”

Luo Qiqi said.

“That’s not right, it says on this box that there are twenty-four, why is there one missing!”

Qin Bing said with a frown.

Following this, all four women couldn’t help but look at Lin Ran.

At this moment, Lin Ran was really close to tears and cursed with a sobbing face.

“Shit! Black-hearted merchant, you actually put one less, I won’t take this pot!”

“Cut the crap, give me a fight!”

Song Nuan greeted, and at once the four women raised their hands to greet them.

“Hey hey don’t! Don’t twist it!”

“Why are you even pinching on!”

“Hey hey, my waist!”

“Don’t pinch the roots of your thighs, will you, sisters!”

Lin Ran screamed in agony and was tortured for more than ten minutes, his whole body was bruised and battered before he was thrown on the sofa to the side.

“You You’ve gone too far, you have to be responsible for me!”

Lin Ran curled up on the sofa with the look of someone who had been abused.

“And! You still want us to be responsible for you, you haven’t checked out what you did yourself!”

Song Nuan clipped her nails and said blandly.

“I really was wronged!”

Lin Ran wanted to cry.

“And! We don’t believe you, but we’ll give you a chance to redeem yourself by treating us to dinner tonight!”

Qin Bing said beside him again.

“Can I refuse?”

Lin Ran looked at the four women and said.

“No!”

The four women shouted at him almost simultaneously.

.....

After getting dressed, Lin Ran limped out of the room with the four girls, not knowing which naughty girl had actually pinched himself at the root of his thigh, causing him to walk in pain now.

The five of them had just walked out of the room and hadn’t even had time to lock the door when suddenly the door to the room not far ahead was also opened and at the same time a familiar shadow stepped out, seeing the other person, Lin Ran immediately cried out with joy.

“That’s him! That’s the boy who gave it to me!”

The fat man turned his head to see that it was Lin Ran and instantly laughed.

“What a coincidence brother, meeting again, eh I go! How come you got four for one, brother can you eat with four?”

Fatty asked enviously.

Lin Ran, however, was asking his eight generations of ancestors all over again in his mind, and finally shouted.

“Damn fatty, why is there one missing from the box you gave me!”

“Huh?”

The fatty was stunned at his words, followed by an embarrassed scratching of his head and laughing.

“Oops mistake bro, last time my head used one, I thought the one I gave you was brand new, maybe I took the wrong one!”

“You got it wrong? You took the wrong one, you almost got me killed!”

Lin Ran wanted to cry, and when the four girls on the sidelines heard this, they all pretended like they didn't hear it, or looked at their phones, or snapped their nails, only Luo Qiqi beamed and tugged at the corner of Lin Ran's shirt, embarrassed.

“Brother Lin Ran, I'm sorry, I knew you weren't that kind of person, I apologize for that pinch at the root of your thigh just now!”

“I

What else could Lin Ran say, looking at the aggrieved Luo Qiqi, how could he say anything else.

“Forget it, I really owe you guys from a previous life, let's set off for dinner!”

Lin Ran helplessly digressed to greet the topic, but when he took a step, he immediately screamed out in pain.

“Ouch! It hurts like hell!”

Chapter 582

The pain in his body soon disappeared as the true qi in his body worked, but in order to give the four girls a good fix, Lin Ran still pretended to be in pain and let the four girls take turns to come over and help him, finally getting revenge for their attacks on him.

When he arrived downstairs, Lin Ran then met Wang Yifeng, this guy was not much better than himself, his arm was also bruised and battered, apparently he had also been given a good beating by the four girls before he recruited himself out.

“Where are we going to eat! I'll fix the place!”

Luo Qiqi asked with a smile as soon as the group had reunited.

Lin Ran sniffed and said.

“Pick one close to home, I found a heaven and earth treasure material suitable for Su Rou today, let's eat early and go home, I'll clean her bones and change her marrow!”

Lin Ran said.

“Good!”

The four women all nodded at his words, they knew that this matter was important both to Lin Ran and to themselves.

Especially Su Rou, hearing that Lin Ran had found a heaven and earth treasure material suitable for her, her heart was even warmer, and her eyes unconsciously reddened a few times.

Of all these people, she was also the one with the lowest birth, but everyone didn't dislike her, especially Lin Ran, which made her heart really very touched.

“Alright! I've found the place, let's go straight there!”

Soon Luo Qiqi had found a place, and the group drove straight out of the place, heading for the place to eat.

.....

The road was wordless, and soon the group arrived at the hotel Luo Qiqi had booked, a very upscale five-star hotel, but even though it was very upscale, it still looked a bit cramped on this Valentine's Day night.

"Don't worry, it's owned by our family, I've already contacted the manager to reserve a private room for us!"

Luo Qiqi laughed.

"This is really cool to have a rich little girlfriend!"

Wang Yifeng laughed beside him, not forgetting to smile at Lin Ran.

"Ranzi, if I bring my girlfriend out later, I'll have to talk to little Kiki and give me the whole poker face!"

"Fuck off!"

Lin Ran glared at him, now that the four girls were there, saying that was just like saying that he hadn't been screwed enough.

"Alright let's go, let's go in!"

Luo Qiqi laughed and instantly led the group in.

There were many people inside the hotel, although the hotel manager was waiting at the front desk early in the morning and had also seen Luo Qiqi and the others, however, just as he was about to come over to greet them warmly, a figure suddenly walked out from the side, while a voice also came over.

"Su Rou?"

Hearing someone call out her name, Su Rou was first stunned and followed the crowd as they turned their heads to look.

He saw a young man with a greasy face, his clothes were all of great value, especially the big golden chain around his neck, as if he was afraid that others might not know he was rich.

Next to him, a woman with a voluptuous figure and a flamboyant dress was leaning towards him, showing off her beauty as a woman.

"Chen Tong? Is that you?"

Looking at the person in front of her, Su Rou was stunned, a little afraid to confirm.

Chen Tong was her university classmate, and speaking of him, the two of them still had some inexplicable relationship.

When she was at university, Chen Tong had once pursued Su Rou, but the latter did not have any feelings for him, so she refused.

But this Chen Tong seemed to be determined to keep pestering Su Rou until he graduated from university, and only then did this guy completely disappear from Su Rou's world.

Unexpectedly, he actually ran into him again today when he came out for a meal.

"That's right! It's me, why can't you recognize me?"

Chen Tong lifted the gold-rimmed glasses he had come to be able to put on and smiled, but his eyes were filled with a smugness that made people a little surprised.

"Yes! It's true that I can't recognize you, I didn't expect you to change so much, it looks like your career has become successful!"

Su Rou laughed, she was happy to see Chen Tong again, after all, we were all classmates, although there were some unpleasantness during the university days, but after all, it had already passed.

"I can't say I'm successful in my career, but I'm quite rich!"

Chen Tong laughed, and then coughed solemnly.

"O yes, now my name is not Chen Tong, I have changed my name, please call me Li Tong!"

Chen Tong laughed.

"Li Tong?"

Su Rou was stunned at his words, the Lin Ran crowd beside him also wondered at his words, this name change was really possible, actually changing his surname, it was really rare.

"I say brother, you can ah! Change your name without changing your first name, only change your surname, enough personality!"

Wang Yifei laughed, the trend in his eyes had mockery, the surname was given by his old man, this kid actually even changed his surname, then how wrong his old man must be!

"Fatty! Don't be ridiculous!"

Lin Ran busy open mouth organized Wang Yi life, this kind of topic is more inscription sense, what people are willing to change is their freedom, talking about this may hurt the peace, Su Rou rarely has a friend, Lin Ran does not want to drag her back at this time.

"No harm! I'm used to it!"

Chen Tong laughed, while pulling the female companion beside him over and rushed to introduce her to the crowd.

"This is Aya, my girlfriend and my fiancée!"

"That's Christine"

Su Rou smiled and was just about to say congratulations, but who would have thought that Chen Tong would have followed up with another sentence.

“Su Rou, I really have to thank you for your refusal back then, if you hadn’t refused to be my girlfriend back then, I wouldn’t have met Aya and had the success that I have now!”

Hearing Chen Tong’s words, Su Rou’s face instantly turned ugly, and even Song Nuan and the others at the side couldn’t help but frown slightly.

“Aigoo! This is interesting!”

This kind of thing was never short of Wang Yifeng’s figure, especially when he saw this brat called Chen Tong, who actually said this, he instantly became interested as well and asked with a smile.

“I say, Miss Aya, I have a question to ask you!”

“What kind of question?”

Aya turned her head and glanced at Wang Yifeng, with disdain in her eyes.

“What’s your surname!”

Wang Yifei laughed.

“The surname is Li!”

Aya said smugly without thinking much, in fact she had nothing to think about, the other party was wearing a raggedy outfit, where would she look at.

“That’s quite a coincidence!”

Wang Yifeng smiled at that and turned his head and rushed at Lin Ran.

“Ranzi, see if my analysis is right haha! This Miss Aya’s surname is Li, Brother Chen Tong also changed his name to Li, and he even said just now that if he hadn’t run into our family beauty Xiaorou, he wouldn’t have been able to touch Aya, and he wouldn’t have achieved what he has now!”

“Then can I understand that Brother Chen Tong only got to where he is now because he ran into Aya, who also happens to be surnamed Li, so Chen Tong also changed his surname to Li!”

“Holy shit! Fatty, you’ve improved your logical thinking skills so much!”

Lin Ran said in mock surprise at his words, while looking at Aya and Chen Tong in surprise.

“That’s big news, Miss Aya, you’re not getting a boyfriend, you’re getting a son!”

“And Brother Chen Tong, ah no! It’s Brother Li Tong, you haven’t got a girlfriend, you’ve got a mother!”

“Pfft!”

Lin Ran and Wang Yifeng’s one-two punch immediately caused Su Rou and the others to not be able to hold back their laughter, especially Luo Qiqi, this ninny was very innocent and said as she laughed.

“You two are too damaging, but that’s true, as the saying goes, the body’s hair is the parent’s. This brother is good enough to change his father’s surname, the only one in the world!”

Chapter 583

The hotel manager at the side saw Luo Qiqi and the others chatting, and did not dare to go forward to disturb them, but just waited at the side to wait for an opportunity to appear, to be able to achieve the five-star hotel lobby manager, which one is not a human being, they know when they should appear and when they should not appear.

“What are you two talking about!”

Chen Tong’s face was gloomy and his gaze was icy as he glared at the two.

Aya, on the other hand, didn’t have much manners and spoke directly with a sneer.

“Never mind whether I found a son or he found a mother, it doesn’t matter, what matters is that he’s mine now!”

“Did we steal from you?”

On the side, Song Nuan said blandly, the moment these words came out, immediately choked Aya half a day without uttering a word.

“Alright, we have things to do so we’ll leave first!”

Su Rou did not want to let her affairs delay Lin Ran and the others’ interest in eating, and immediately opened her mouth to leave, however, while she wanted to leave, Luo Qiqi did not, nor did Chen Tong and Aya.

“Bullying my sister Zuo in my place, I’m afraid you guys haven’t seen how to write the word exciting!”

Luo Qiqi shouted at the two men.

“Your turf? Little sister, have you grown up? Your body is fully developed, and your turf!”

Aya said disdainfully, while Chen Tong on the side rounded up the situation.

“Well, gentlemen today is a meeting between me and Su Rou old classmates, let’s cut the talk, but Su Rou is not me saying you, since you rejected me at first, why do you need to be like this now, besides it has nothing to do with you if I change my surname or not!”

Su Rou smiled and was also anxious.

“The surname Chen, no! Surnamed Li, what’s wrong with me? You changed your surname has nothing to do with me, you were the one who came over to talk to me first from the beginning, did I not let you go? This is inexplicable!”

“Come on Su Rou, don’t I know you? I’m sorry I’m not good anymore.”

Chen Tong said smugly, even if Su Rou really did not mean it, but he still imposed the latter, not for the sake of than, just to make himself painful, remembering the way Su Rou rejected himself at first, he was really uncomfortable in his heart.

“Brother! You’re really floating a bit with that comment, what do you have to miss? You don’t have the looks, you don’t have the money, and your only backbone has changed your old man for money, are you comparable to my brother?”

Wang Yifeng said and patted Lin Ran beside him with a smug look.

“Him? He’s worthy to be compared to Laozi! He’s nothing in my eyes!”

Chen Tong had a disdainful look on his face.

Lin Ran smiled at his words and looked at Chen Tong and spoke.

“This peon, what should I call you instead? Chen Tong or Li Tong? What do you think you have to show off here with someone who can’t even figure out whose surname you have! Since when did changing your surname become popular? Or are you just shameless?”

“Who are you calling shameless? Look at the clothes you’re wearing, how dare you come to a five-star hotel? I wonder why the doorman didn’t kick you out. What are you doing here?”

Chen Tong said in a cold voice, his eyes full of disdain!

“That’s right! You think you’ve got a rich kid, but you’re just a poor loser!”

Aya on the side also echoed.

“Who are you talking about!”

Su Rou was also furious at her words, this dead woman’s one sentence was not only directed at herself, but also at Lin Ran, which made her heart very uncomfortable.

“Alright! Su Rou, don’t blame me for not thinking of my classmates, I was happy to see you today and thought I could catch up with you, but your friends are really an eyesore, forget it! We’re not on the same level, so there’s nothing to talk about!”

Chen Tong sneered, implying that your level was too low and I was too lazy to talk to you in general.

“I’ll go! Our level is too low! What level are you!”

Luo Qiqi was instantly fired up, this was her family’s territory, and this guy was too arrogant.

“What level are we? Do you want to know? Watch this!”

Chen Tong laughed smugly, followed by pointing to the side and said.

“This five-star hotel is full today, even those who have a vip of this shop can’t get a seat, but old me can!”

Chen Tong said as he took out a black gold card from his pocket and laughed.

“Do you know what this is? This is the black gold card of this hotel, whenever Lao Zi wants a seat, they all have to prepare it for Lao Zi obediently, this is Lao Zi’s level!”

“O? Is that so?”

Seeing this card, Lin Ran and the others all laughed.

“Why are you envious?”

Chen Tong laughed smugly.

“You’re thinking too much, to say that I have a card too, or else we’ll all try it out and see whose works?”

Lin Ran laughed.

“You have one too? You have no more than two hundred dollars in clothes, not a single piece of jewellery, and your hair is sprayed with moss, and you’re telling me that you have a membership card here? You’re not afraid to talk big and get your back blown off!”

Chen Tong said disdainfully.

Lin Ran, however, did not care and laughed.

“Whether or not I have one is my business, besides, for someone who is confident in himself, why bother with all that fancy stuff, I’m long and handsome, do you think I need this?”

“You!”

Chen Tong was so angry at his words that he was speechless, indeed, if he were to look like Lin Ran alone, he really wasn’t as handsome as Lin Ran, although he didn’t draw any shapes, but he was just more handsome than him.

Even among the few women next to Lin Ran, Song Nuan and Qin Bing were even more beautiful than Aya beside him, they were simply several blocks away.

“Kid, you really have itchy skin!”

Chen Tong’s face was gloomy as he glared at Lin Ran and followed.

“Since you want to play, then I’ll play with you!”

After saying this, Chen Tong rushed aside to greet the lobby manager, but before he could raise his palm, the lobby manager had already walked over with a smile.

“What can I do for you all?”

The lobby manager said with a smile, he had seen what had just happened, but still pretended not to know now, some times being a human being is to be so chicken.

“Are there any seats left now?”

Chen Tong said directly in a cold voice.

“No!”

The lobby manager was also cooperative.

“Now what!”

Chen Tong took out his black gold card and waved it in front of the lobby manager as he continued to ask.

“Sorry sir, I said no! Are you hard of hearing?”

The lobby manager said impatiently.

“You!”

Chen Tong was instantly enraged and chided.

“Bastard! Open your eyes and see clearly, this is a black gold card! You have to have a seat no matter what time of day you come, got it!”

“Sir you’re half right and half wrong!”

The lobby manager explained with a smile.

“Normally there is a seat, but if another customer has a higher membership level than you, then we have the right to replace the seat you have booked, and unfortunately today someone has replaced the seat you had booked!”

“What do you mean? Someone has taken my place? Who? Who?”

Chen Tong was so angry that his face turned blue, and Aya beside him looked even more ugly.

The lobby manager laughed at the situation while pointing at Lin Ran who was laughing at the side.

“That’s this gentleman! He is the highest member of our shop, and you are not!”

Chapter 584

“Top Member? Bullshit, there is no such thing as a supreme member, why have I never heard of it!”

Chen Tong said angrily, indeed, he hadn’t heard of any Supreme Member at all.

“I know this Supreme Member!”

On the side, Aya spoke up.

“I know that your shop’s highest membership is the Supreme Gold Card, don’t try to fool me, I don’t believe that such a poor man can have your shop’s Supreme Gold Card!”

“Supreme Gold Card? What’s that?”

Chen Tong asked busily.

“That’s a kind of gold card from the Luo family, as long as the business is under the Luo family, holding the gold card is all free!”

Aya said.

“All All free?”

Hearing this, Chen Tong was so stunned that he couldn’t even speak, and his eyes even unconsciously let out a glow, full of greed.

“I can finally see, I’m afraid that your current achievement is all because of this lady beside you, so you are a son-in-law from the door, no wonder you have even changed your surname!”

Su Rou instantly laughed.

“You!”

Chen Tong was so angry at his words that his face turned blue, yet Su Rou continued.

“Your backbone is really hard, thanks for not insisting on your kindness back then, if I really became a soft-hearted girlfriend like you, then I might as well throw myself into the river and kill myself!”

“You! You’re worthy of it!”

Chen Tong was instantly enraged, pointing at Su Rou and scolding her.

“Su Rou, don’t be shameless, don’t even take a look in the mirror, how can you compare with Aya? Aya is simply ten streets away from you!”

“Really? How can she be compared to me? Which of my friends are not 10 blocks behind her?”

Su Rou was not willing to be outdone either, and even pulled Qin Bing over directly.

Once Qin Bing came out, Aya wilted, it was not a matter of whether she admitted it or not, but Qin Bing stood there and was the centre of all men’s gazes, she, Aya, was just like a firefly at that moment, she wanted to deny it, but she had to have such a thick skin to do so.

“Humph! The woman, she is beautiful, she is beautiful, you can still follow her for the rest of your life?”

Aya laughed coldly

Chen Tong also laughed at his words.

“Not bad! A friend is beautiful that is also someone else’s, your own revenge is your own, just die this heart, ugly girl forever!”

“You! You bastard!”

Su Rou was so angry that she gritted her teeth, was she really ugly? Obviously not, it was just that she didn’t like heavy make-up, so today she looked a bit out of her league in front of such heavy make-up as Aya.

“Su Rou, forget it! What’s there to say to two dogs, let’s go up, don’t delay people today on Valentine’s Day, in case this Chen Tong brother can’t find a place to invite them later, that’s not spoiling it for them!”

The company’s main business is to provide a wide range of products and services to the market. ,” he said.

“Good!”

Su Rou smiled and nodded her head, and was about to leave with Lin Ran and the others at once.

“Stop! Su Rou you are an ugly girl!”

Chen Tong was upset in his heart and suddenly spoke up and shouted. ,

“Right! Simply ugly as hell!”

Aya also spoke up.

“Forget it, two retards, don’t bother with them!”

Lin Ran pulled Su Rou, who wanted to argue, and whispered.

“Mmm!”

Su Rou nodded and followed Lin Ran about to leave, but at this moment Luo Qiqi, who was following behind, couldn’t bear to watch.

Standing out, she shouted.

“You two still dare to call Sister Zou ugly, you don’t even look in the mirror, what do you look like, how dare you call others ugly!”

“What’s the matter with you! Get the hell out of my way!”

Seeing Luo Qiqi’s head out, Chen Tong immediately spoke up and shouted.

However, Aya on the side was tugging at his clothes, vaguely feeling that something was wrong, and she remembered that this Luo Qiqi seemed to have said before that this was her territory.

“What are you pulling me for? Just this hairless little ninny, she dares to spill her guts in front of me, how dare she!”

Chen Tong was in the midst of his anger, completely ignoring Aya’s discouragement next to him.

“Calm down!”

Aya was also a bit fired up and opened her mouth to persuade.

But as soon as her words fell, the lobby manager next to her opened his mouth to scold.

“Unbridled!”

“See! Get out of my way, or I’ll have the lobby manager kick you out!”

Chen Tong laughed triumphantly at this, not noticing that the lobby manager was shouting at him.

Luo Qiqi laughed at this.

“Throw me out? Fine, then you do it! I’d like to see who throws who out today!”

“Hey! You’re still angry, you little brat!”

Seeing this, Chen Tong also became angry and pointed at Luo Qiqi and shouted at the lobby manager.

“Hurry up, have someone kick her out, you don’t even control people like that, so you let them in!”

“You’re looking for death!”

The lobby manager’s face sank at this, followed by a wave of his palm, immediately dozens of security guards rushed over from the side, rushed over to Chen Tong, and then set him up to be thrown out.

“Hey, hey! What’s going on, you’ve got the wrong person!”

Chen Tong saw this and shouted.

The lobby manager laughed coldly and said.

“Wrong person? You’re not mistaken, you’re being reckless in front of Miss Kiki! Get ready to get lost!”

“Wait!”

But at that moment, Luo Qiqi was the one who spoke up.

“If you want to leave now, you’re too good to be true! If you don’t let my sister Su Rou get over her anger today, you both won’t be able to leave!”

“You! Who the hell are you!”

Chen Tong was completely confused at this point, and his face changed as he looked at Luo Qiqi.

“Who am I? You deserve to know too!”

Luo Qiqi said disdainfully, following which she turned around and walked towards Su Rou.

“She She’s Luo Qiqi, the princess of the Luo family!”

On the side, Aya quickly reacted, his Li family was still somewhat powerful, so he had heard that the Luo family had a young princess.

“The princess of the Luo family?”

Chen Tong, however, had no idea at all, after all, he was only able to achieve his current success because of Aya, who was beside him, and had even changed his surname in order to flatter her.

“It’s over, it’s over!”

Chen Tong’s face was like dead ashes, his heart back to the extreme.

And at this time in the front, Su Rou’s face was not good either, she looked at Chen Tong who was surrounded by a group of security guards below and spoke in a cold voice.

“It’s really bad luck to be a classmate with a person like you!”

“Saying that I’m pestering you, what capital do you have! It’s simply disgusting!”

Su Rou was also furious, it was the first time she had been wronged, and the key was that this guy had wrongly accused her of being the one who stalked her!

“Calling me ugly, you’re worthy of it! You are simply a piece of shit in my eyes!”

“Oh! I’m a piece of shit? Go ahead and call me that, in my eyes anyway, you’re just an ugly pussy, and there’s no way I’ll ever have anything to do with you in my life!”

Chen Tong sneered, up to now he was still speaking with conviction.

Su Rou was completely furious.

“Bastard! Don’t leave if you have the guts! I’ll show you how rubbish you are yourself! Even you want to match me, you are simply disgusting!”

After saying that, Su Rou turned her head directly to look at Lin Ran and spoke.

“Follow me up, I want to change now.”

Before Su Rou could finish her words, her mouth was blocked by Lin Ran with his finger, he smiled and nodded, and immediately went upstairs with Su Rou.

“It’s a bone exchange and marrow cleansing! It must be!”

Understanding Su Rou’s intentions in her heart, Luo Qiqi was instantly delighted and sneered at the two Chen Tong below.

“Scum, just wait and see how beautiful Sister Su Rou really is, you’ll make your intestines regret it later!”

Chapter 585

“Cut! Don’t scare me here, what kind of beautiful women have I not seen, even Su Rou is worthy of her!”

Chen Tong’s face was full of disdain, it was said that the unavailable always stirred, while he, Chen Tong, was bent on destroying the unavailable, even though so many years had passed since this incident, his own bitter pursuit at the time in college still made him feel resentful in his heart.

“Stupid bastard! You’ll have your regrets later!”

Qin Bing said in a cold voice, followed by greeting the crowd to the side and sitting down, no longer bothering to pay attention to the two Chen Tong, instead of wasting words with them, it would be better to find a place to wait patiently.

.....

Upstairs, in the newly opened room, Lin Ran and Su Rou walked in side by side.

“Su Rou! Have you thought about changing your bones and cleansing your marrow now?”

Lin Ran closed the door to the room and asked softly, he always felt that it was a bit rash to have his bones changed and marrow cleansed because he was striking someone else.

“I’ve thought about it! I know what you’re worried about, but the bone exchange and marrow cleansing will have to be done sooner or later anyway, so it’s better to just do it now, and it’ll make that guy look good and be done with him once and for all!”

Su Rou said angrily.

“I just don’t think it’s worth it to put yourself through all this pain because of someone else! You can totally start when you’re ready!”

Lin Ran said.

“No, you don’t understand women, what woman doesn’t want to hear being called an ugly bitch!”

“Besides, sooner or later I’ll have to undergo a bone exchange and marrow cleansing anyway, so I can kill two birds with one stone this time, and, with this guy stimulating me, I’ll just about be able to hold out!”

Su Rou said.

Lin Ran sighed at this and stopped persuading, then said.

“In that case, then let’s get started, follow me in!”

Lin Ran greeted and then directly entered the washroom and turned the water in the bath on.

“This?”

Su Rou was a little puzzled, not understanding what Lin Ran meant by this.

“Bone replacement and marrow cleansing requires you to do it in the water, so take off your clothes first!”

Lin Ran said indifferently, and said it in a serious manner, not at all like he was joking.

“You You’re serious?”

Su Rou covered her chest, a little suspicious, always feeling that Lin Ran was lying to herself.

“Of course I’m serious!”

Lin Ran said helplessly and continued.

“That’s what Qin Bing did last time!”

“Huh? Sister Qin Bing?”

Su Rou was a little surprised at her words.

“Right! That’s her, do you want to start now or not?”

Lin Ran asked.

“I I’ll start!”

Su Rou gritted her teeth or made up her mind, then when she saw Lin Ran turn her head, she stopped dawdling and instantly took off her clothes and jumped into the pool.

“Okay!”

Su Rou greeted, but as soon as the words left her mouth, her entire body froze as she saw that on the wall opposite her, there was actually a mirror, in which her own was reflected in general, completely exposed.

“Wait!”

Su Rou hurriedly shouted, but it was too late, only to see that in the mirror, Lin Ran’s entire body froze in place, nosebleed dripping right down his mouth, and his two eyes glared round as if they were about to fall out of their sockets.

“Ah! Close your eyes!”

Su Rou shouted, hurriedly shouting.

“Huh? Close Closed!”

Lin Ran’s old face flushed and he hurriedly returned, while hurriedly lowering his head, secretly saying in his heart.

“How did I run into this again, next time when I change the bone and marrow for Song Nuan and Luo Qiqi I must be more careful, otherwise how can this body of my own stand it, every time I have a nosebleed, this will not be anemic.”

“Blah blah blah! What the hell is all this nonsense!”

Lin Ran shook off his head, shaking off all the messy thoughts in his head, while hurriedly wiping off his nosebleed, his face then became serious.

“That! You do it right, I’m going to start!”

Lin Ran said in a low voice.

“You’re not allowed to look around!”

Su Rou’s pretty face flushed red, slightly embarrassed.

“Didn’t you already read it a long time ago!”

Lin Ran whispered.

“What did you say?”

Su Rou’s pretty face turned even redder at his words, and she was just about to scold him, but who knew that this guy was laughing and digressing from the topic.

“Nothing Nothing, I mean you sit still, I’m about to start now!”

Lin Ran said, hurriedly went the Sanyuan weak water out, quickly to the pool to some, then gave most of the rest to the pillow book.

“Alright I’m about to start, you bear with it soon!”

Lin Ran finally admonished, following which he pinched the silver needles with both hands and stabbed Su Rou’s back.

The silver needles danced and soon formed a Yin and Yang pattern on Su Rou’s back, and as the Yin and Yang pattern appeared, wisps of white smoke steamed up from the entire bath, and the smoke was like a fairy land.

“Hmm? It’s cold!”

Suddenly, Su Rou spoke up, at this moment, she only felt that her pores all over her body had opened up, and a wisp of cold breath invaded her body along her pores, that feeling was very cool and comfortable.

“Be careful, this has just begun!”

Lin Ran was busy reminding, but Su Rou was unconcerned, after all, the feeling at this moment was so comfortable that she didn't even think that the next thing that would greet her would be severe pain.

“Bang!”

A low muffled sound, followed by Su Rou feeling like her mind had exploded, a sharp pain that almost made her faint, her whole body started to become dizzy.

“Su Rou hold on, the Sanyuan Weak Water is going to open up your nine meridians, this is only the first one, it's only the beginning!”

Lin Ran busy beside again to persuade, at this time can help Su Rou only can give her cheer, the rest is only to see her own.

“How It hurts so much!”

The first time I saw you, I had to go to a place where I could see you.

“Bear with it, this first time is the most painful, the next eight don't even hurt this much!”

Lin Ran was busy persuading, the Sanyuan Weak Water opened up the meridians, only this first one was in the brain, so the pain was also the most intense, while the remaining eight were much easier.

Soon, the first meridian was completely opened, but just as Lin Ran was guiding the Sanyuan Weak Water towards the second meridian, Lin Ran's eyes fiercely tightened and his whole body froze in place as he discovered to his surprise that there was actually a true qi inside Su Rou's body.

This true qi was so majestic and vast that it was hundreds of times stronger than his own. If Lin Ran hadn't been so knowledgeable, he would have been so scared that his legs would have gone weak and he would have fallen to the ground.

“How can this true qi be so powerful! If this power were to explode out, I'm afraid that everyone in the Ten Thousand Mountains that day could be killed in one blow!”

Lin Ran couldn't help but gulp, while at this moment in his mind, the pillow book was glowing with golden light, pages of golden paper kept turning over, followed by a voice that rang out thunder.

“Kid! This little girlfriend of yours, Su Rou, has an unusual identity, she's actually a heaven-destined person! That kid has really found a treasure!”

“Found a treasure? What do you mean? What does that mean?”

Lin Ran frowned slightly and busily asked.

Chapter 586

The so-called Heaven-determined people are those who have a special physique, such people are born with an extraordinary physique, either a Tai Yin body or a pure Yin body, and one of the most terrifying is the Heaven-determined people.

The so-called Taiyin body and pure Yin body, as well as the Heaven-determined person, are all born with a body constitution that is different from that of ordinary people, and this kind of person is born with a great chance, and the size of this chance is determined by the individual's constitution.

"Your little girlfriend Su Rou's physique is the most powerful of all, but it is also the most dangerous!"

Pillow Book sighed.

"The most dangerous one? Why?"

Lin Ran was busy asking, he could still accept being strong, but where did this danger come from?

"You don't understand, this might not be the case in your world, then in that world of ours, this power in her body can be forcibly taken away by others!"

The pillow book said.

"What? Forcibly taken away?"

Lin Ran was stunned at his words, followed by a sudden sweat on his forehead as he hurriedly asked.

"Then what will happen to Su Rou after it's taken away?"

"Haven't you already guessed that?"

The pillow laughed.

Lin Ran's heart sank as he listened, he would die!

"What then?"

Lin Ran asked busily.

"What to do, right now you can only pray that the true qi in her body doesn't explode out, once it does she can't control her current power at all and will have to die herself!"

"And as I said earlier, I'm not sure about this world of yours, I don't know if there is anyone who also knows this method of deprivation, if there is, then you must tell your little girlfriend to be careful as well, once she is discovered, it is likely that she will be taken captive and forcibly take this innate true qi from her body!"

"If not, then you just have to watch out for when this true qi inside her will explode!"

The pillow said.

"If you don't know this, how can I know!"

Lin Ran's heart was burning with anxiety, but he knew that he didn't know the time to rush into this matter and quickly calmed himself down and asked.

"Ignoring the human factor for now, how can we minimise the chances of this true qi exploding on its own!" |

Lin Ran asked busily.

“Hmm! This is actually not difficult, this true qi in her body is in a dormant state, you only need to use your true qi to block this true qi in her body, and it will be fine, but once you encounter an emergency and activate the true qi in her body, this seal of yours will be useless!”

The pillow said.

“That’s enough, she’s been fine for so many years, as long as you’re careful there should be no major harm!”

Lin Ran breathed a sigh of relief, at this point in retrospect things actually shouldn’t be as serious as the pillow side book said, after all the way to take over the body was known by many people in his world, but this was his own world, there were very few cultivators, let alone the way to take over the body!

“Kid, I actually have the best of both worlds, for you and for her!”

Suddenly, the pillow spoke up.

“What solution?”

Lin Ran was stunned at his words and asked.

“You forget that I am from my world, I have plenty of ways to take over this body, I can even help you deprive her body of all her true qi and let you inherit it all, then your strength will soar!”

The Pillow Book laughed smugly.

Lin Ran smiled but was stunned, followed by a direct shake of his head and refused.

“Never, I won’t do that!”

“Kid, would you hear me out first?”

The pillow didn’t care and continued to laugh, however Lin Ran was the one who directly refused back.

“Absolutely not, this is non-negotiable!”

“Kid! Do you know what I’m going to say? As long as you inherit her power, your strength can instantly leap two levels, and you already have the Nine Heavenly Mystical Maiden’s true Qi of the healing dao in your body, if you inherit hers, your future will be unlimited by then, and you might even allow me to recover early, don’t you want to know Wang Kun’s whereabouts?”

The Pillow Book said excitedly.

“That’s enough!”

Lin Ran’s face sank at his words and he chided coldly.

“This is my world, not yours, and I’m the one who owns you! I know exactly what to do in my own heart, don’t think I don’t know that you just want to recover yourself as soon as possible so you can leave here right!”

“I!”

The Pillow Book was dumbfounded, indeed it had this in mind, this world Lin Ran was in was low level, there were no strong people, and the person it used to follow was an Immortal Emperor, whether in terms of strength or status, it was not comparable to Lin Ran.

“You don’t have to explain anything, I know! You are arrogant and want to follow someone like the Immortal Emperor you speak of, I have not forced you to stay from the start!”

Lin Ran said indifferently, he came from a poor background what kind of things had he not encountered, even if he went back to the beginning with nothing again, so what? At least no matter what he became, he would never go against his original intention.

“When you remember what happened to Wang Kun, I will let you leave, at that time, wherever you want to go is up to you, even if you leave this world, I won’t stop you!”

Lin Ran sighed, and then said.

“And now, don’t mention the matter of taking over the body again, she is my friend, and even more so my girlfriend, to do it to a friend, even if you kill me, I can’t do it!”

“You!”

Pillow Book’s heart trembled at his words, as if he remembered the years when he was just created by the Immortal Emperor, when he followed the latter.

At that time, the Immortal Emperor was also just an obscure teenager, and for the sake of the dream in his heart he had overcome thorns and briars along the way, eventually reaching the top to come to the Immortal Emperor and becoming the master of a world, and it, as the accompanying notes beside the Immortal Emperor, had also been transformed into a divine weapon and had been famous ever since.

But without the Immortal Emperor’s struggle during those years, would it still be what it is now?

“Boy! I have to admit, you have taught me a lesson that has impressed me! I was too arrogant, forgetting that back then the Immortal Emperor also had many bumps in the road growing up, but you’ve also shown me the Immortal Emperor back then, who also preferred to take on everything himself rather than hurt his friends around him!”

“Kid, I’m convinced of you! From now on, Master Book will follow you, I hope you won’t let me down and can show me the splendour of this world of yours!”

The Pillow Book said despondently, then sighed and said.

“Besides, do you kid really think I can leave even if I recover and want to?”

“This world of yours is like a cage, it’s almost impossible to leave, otherwise this world of yours has been around for thousands of years, why has no one ever left!”

“So, you chose to continue following me because you couldn’t leave!”

Lin Ran said with a bitter smile.

The Pillow Book smiled back at that and said.

“Don’t be sarcastic, Master Shu, I’m also a bloodthirsty man, just because you’re so protective of your little girlfriend, I’m convinced by you, Master Shu!”

“But don’t be complacent, Master Shu my life span is infinite while you are finite, if you achieve average in the future, Master Shu I won’t have to stay and will be good not due to choose the next master!”

“O? Hahaha, then you don’t stand a chance!”

Lin Ran laughed, looking at the pillow book and said.

“You forget, I’m human! And I have so many girlfriends, in the future, even if I die, I will have many sons and grandsons and even heavy grandchildren, and then I will find you a descendant before I die, so you can follow him!”

“You!”

Pillow Book lost his temper when he heard that and said helplessly.

“Shit! You’re not only relying on Master Shu for the rest of your life, you’re also making your children and grandchildren rely on Master Shu as well, you’re really a scoundrel!”

“That’s right! From the moment you swallowed my Xuan Yang Pill Book, you won’t be able to escape! I don’t want to lose out on a deal!”

Chapter 587

“Alright don’t talk nonsense, hurry up and tell me how to seal the true qi in her body!”

Lin Ran urged, only the first of the nine meridians had been opened at this point, if the true qi in Su Rou’s body wasn’t sealed as soon as possible, the next eight would inevitably advance very slowly.

“Just like sealing the Red Cold Poison in your little girlfriend Ling Sa’s body before, this is a sealing method, and the strongest sealing method I can think of that you can perform for the time being, let’s talk about it later if there is a better one!”

The Pillow Book said.

Lin Ran nodded at his words, and at that moment, he did not delay any longer, quickly removing all the silver needles from his body, and then operating them according to the method used to seal the Red Cold Poison in Ling Sa’s body before.

“What are you doing to change bones and cleanse marrow need so many silver needles?”

Hearing the movement at the back, Su Rou couldn’t help but feel a chill in her heart, just now the first needle went down and it hurt so much, if she stuck a few needles in, then she was afraid she would have to faint from the pain directly.

“Don’t worry, the back really doesn’t hurt!”

Lin Ran was busy reassuring her.

“It really doesn’t hurt?”

Su Rou was suspicious, obviously at this point she was also worried that Lin Ran was saying this on purpose to comfort herself.

“Mmm!”

Su Rou suddenly felt a pain in her back and was busy asking.

“Is it starting?”

“Mmm! Don’t talk, close your eyes and hold your breath!”

Lin Ran was busy urging, and then he seriously began to apply the needles.

One by one, the silver needles quickly fell into Su Rou’s body, each one extremely precise, and because of his previous experience in blocking the Red Cold Poison for Ling Sa, Lin Ran was able to perform it with ease this time.

As each silver needle quickly fell into place, the skin tone on Su Rou’s back, which was originally like a normal person’s, rapidly changed, and a light aqua blue ripple appeared in the blink of an eye.

“This is? The colour of true qi?”

Lin Ran was a little surprised, his own true qi was white, while Ling Sa’s true qi was red, but when it came to Su Rou, it was actually watery blue, it was truly mysterious!

“What’s so strange about that? True qi is one’s most relevant origin power, so it will naturally manifest in different colours according to each person’s different physique!”

The pillow said blandly.

Lin Ran shook his head awkwardly and didn’t answer, these very ordinary things were somewhat fantastic in his eyes, after all, he himself had never had a master, all relying on himself and a bit of luck to advance on the path of feng shui, it was only right to be surprised by these very common phenomena.

“Kid, focus, it’s about to be blocked, this true qi of hers is smooth but extremely powerful, one mistake could very well blow you up!”

The pillow book was busy reminding.

“Good!”

Lin Ran swallowed his spit and nodded heavily.

Although the toxin in Lin Ran’s body was terrifying, it was at least still controllable, whereas this true qi in Su Rou’s body could explode at any moment, it was like operating a bomb, one mistake and the result could very well be blowing up the entire hotel.

Lin Ran proceeded carefully, following every step step step by step, not daring to be the least bit careless.

Little by little, inch by inch.

Soon, the water-blue ripples behind Su Rou's back became more and more apparent, and gradually it actually formed something that looked like a spiral pattern, much like a pool of water that was spinning, making it impossible to see through.

"The last step!"

Lin Ran's mood was getting more and more tense, it was easy to bring these true qi together, but it would be quite difficult to finally block it completely, this required him to drop a full eighteen silver needles at the same time, forming a ring to completely block the true qi inside.

"Eighteen silver needles, we can only try!"

Lin Ran closed his eyes tightly and raised his hands violently, and as he raised his hands, he saw the silver needles on the cloth "weng" move.

"No, I still haven't fully mastered this technique of imperialism!"

Lin Ran was getting anxious, the time to drop the needle was getting closer and closer, but he still hadn't fully mastered the method of imperialism yet.

"Kid, you're really stupid, just emit your true qi out, won't you!"

The pillow said busily.

Lin Ran nodded at his words and said, "I'll try!"

If Lin Ran only needed to control one silver needle at this moment, then naturally there would be no problem, but now he had to control eighteen at the same time, which was a great challenge for him.

"On the rise!"

Lin Ran wrapped his Medical Dao True Qi around each silver needle, followed by his silver teeth and raised his hands violently, at once the eighteen silver needles on the cloth actually floated up.

"Ah!"

But it was at the same time that Lin Ran only felt a sharp pain in his head, which caused him to go into a slight trance.

"Hurry up, controlling the eighteen silver needles is extremely draining on the mind, drop the needles quickly!"

Pillow Book hurriedly urged.

"Good!"

Lin Ran knew that this guy wasn't joking, so he endured the sharp pain in his head and quickly manipulated the eighteen silver needles, aiming them at Su Rou's back and stabbing them.

"Whoosh whoosh whoosh!"

Each time the needles fell, the pain on Lin Ran's face decreased by one point. When the last silver needle fell, Lin Ran's entire body almost fell off the ground, his forehead was covered in beads of sweat, and his entire body was already drenched in sweat.

"Is it done?"

Lin Ran endured his head, which was still vaguely doing pain, and was busy looking over.

He could only see that at this moment, on Su Rou's back, a very clear light blue water ripple was slowly flowing, and even though he was only looking at it from afar at this moment, Lin Ran could still feel the majestic aura contained within.

He didn't doubt for a moment that if he had accidentally set it off, I'm afraid the entire hotel would have been razed to the ground by now.

"We can't stop, there are still eight more meridians that need to be opened up!"

Lin Ran quickly adjusted his state, following which he continued to begin the work of opening up his meridians.

.....

In the hotel lobby, it was not as tense as upstairs, instead it was somewhat excessively quiet, Song Nuan a few people were sitting at a table, at this moment they were actually shabu-shabu hot pot, seemingly having forgotten about what had just happened.

"Brother Fatty, you don't say, your suggestion is really good!"

Luo Qiqi said with a smile as she stuffed a piece of mutton into her mouth.

"Nah! Your fat brother I dare not say anything else, this shabu shabu hotpot is definitely this!"

Wang Yifeng said and gave himself a thumbs up.

Song Nuan, who was on the other side, laughed.

"You can't be serious, Lin Ran and Su Rou are upstairs for bone exchange and marrow cleansing, we're eating hot pot here, later when Lin Ran comes down, I'll see what you can do!"

"Hey, what what to do? Not eating hot pot is waiting, eating hot pot is also waiting, why not eat! Don't you think so big sister Qin Bing!"

Wang Yifeng looked at Qin Bing and laughed.

Qin Bing, however, did not have any expression, and just poured a plate of mutton into the pot by herself, while saying.

"This has nothing to do with me, I'm only responsible for eating, the other Ranzi won't look for us, at most they'll look for you!"

"Right!"

"Sister Bing is right!"

Song Nuan and Luo Qiqi both laughed at the words.

Wang Yifeng saw this and was helpless.

“Hey you heartless ones, Master Fatty is giving you tips for dinner and you’re still letting me take the blame, this won’t do, when the time comes”

Wang Yifeng was talking, but Chen Tong, who was being held by the security guards at the side, could not help himself and opened his mouth to scold.

“I said, can you guys be okay, if Su Rou does not dare to come down, then let us go, so keep racking what is going on!”

Chapter 588

“Shut up! Is there a place for you to talk?”

Wang Yifeng was upset in his heart, and seeing this, he could not help but speak up and scold.

“You guys are kidnapping! It’s blackmail, I can sue you!”

Chen Tong shouted.

“Sue us? Say that again? I didn’t hear you very clearly!”

Wang Yifeng laughed and took out the large iron spoon soaked inside the hot pot and raised it at Chen Tong, as if he was about to inflict torture.

“You You calm down, we are a society under the rule of law, this is not a thing!”

Chen Tong’s face immediately changed, joking, that big iron spoon, if greeted on his face, his soft-earned face will not be disfigured, not to mention changing his surname, or even changing his gender will not fucking work.

“That’s enough! You have trapped us here, what’s the use! Just like Su Rou’s face, she can’t even get a face-lift after going upstairs once! Ugly is ugly, and you’re too scared to face it!”

On the side, Aya couldn’t help but scold.

“Right! Damn ugly bitch still let no one say, she is ugly how”

Chen Tong hurriedly agreed, but before he could finish his sentence, Wang Yifeng raised his hand, ready to throw the spoon directly, but at that moment, there was a sudden “whoosh” sound, followed by the crowd was surprised to see.

Above the stairs, a silvery white object shot down in a whirl, and with a clang, it was shoved directly into Chen Tong’s mouth.

“You!”

Chen Tong stammered, and before he could say anything, he heard a “clanking” sound, followed by a small silver spoon with four or five teeth falling to the ground.

The crowd looked towards the stairway and saw that Lin Ran had changed his clothes and was standing at the stairway.

“You! Kid! You’re fucking looking for death!”

Chen Tong was also angry, but what could he do if he was angry? The group of security guards beside him stopped him, making it impossible for him to break free.

“If you say one more word, you won’t want the rest of your teeth!”

Lin Ran said indifferently.

“So what if you lose all of my teeth, Su Rou is an ugly pussy, what can you do to me! Old me is still today”

“So what if I still do!”

Chen Tong did not finish his sentence, followed by a white silhouette came out from the side.

She was wearing a white sarong, her hair black and slender, draped over her shoulders, a pair of eyes like turquoise waves, swirling with a bit of tenderness, her cheeks even carried a gentle smile as if she was standing in place like a gentle autumn water, swirling with a heartwarming aura.

“Beautiful!”

“It’s so beautiful!”

“So gentle!”

Song Nuan and the three women couldn’t help but exclaim, if it was said that after the bone change and marrow cleansing, Qin Bing’s aura was even more high and cold, so that people could feel the high and cold chill when sitting next to her.

Then Su Rou, on the other hand, was completely a puddle of soft water, just by looking at her, one could give rise to infinite reverie in one’s heart, one was cool and cold, while the other was completely gentle with a style of ten thousand glory.

“Coo dong!”

The entire hotel is quiet, no one speaks, can only hear almost all men can not help but swallow spit, followed only to hear some women’s envy and jealousy chatter.

“You How can you in such a short period of time change so much!”

Aya’s face was full of shock, she couldn’t understand how Su Rou could change so much in such a short period of time, even plastic surgery couldn’t be so fast!

“Good So beautiful!”

Aya was wondering in her heart when she suddenly heard a murmuring sound actually coming from the side, and was busy turning her head to look, only to find that the words were actually said by Chen Tong.

He was so happy to see that Chen Tong's eyes were glowing, looking straight at Su Rou, his mouth was already unconsciously grinning, a string of crystal drool was flowing down his cheeks, this guy was actually looking at it with a flowing harrumph.

"Li Tong! You!"

Seeing Chen Tong's appearance, Aya's heart was on fire, for this guy, she had spent a lot of money, even in order to get her father to agree to the two of them, he even made Chen Tong change his surname and take his father's surname Li, but now this guy's expression was

Su Rou disdainfully glanced at Chen Tong, followed by Lin Ran's support, slowly walked down from the upper floor, with every step its beauty could make the crowd's heart tremble.

"A fairy, that's what a fairy is!"

"I fucking regret it, if I had known there were such beautiful women in the world, why would I have gotten married!"

"No more, if I could be her boyfriend, I'd be willing to die immediately!"

A crowd of people were talking, looking at each one with their hearts pounding.

"Fairy! Give it a chance!"

Suddenly, I don't know who shouted, followed by the whole hotel completely exploding, only to hear a crowd of men shouting.

"Fairy! Give it a chance!"

"Fairy! Give it a chance!"

"Bastard!"

Aya gritted her teeth as she looked at Chen Tong, and with this look her whole heart completely went cold.

Only to see that Chen Tong was actually shouting there too.

"Fairy! Give it a chance!"

"Chen Tong! You die!"

Aya was so angry that she kicked Chen Tong in the waist, followed by turning around to leave.

She had originally thought that if she made such a fuss, Chen Tong would realize her mistake and come after her immediately, but who knew that the first thing Chen Tong's situation said when he came over was.

"Xiaorou, I still love you, give me a chance okay, I can bring you breakfast everyday like I did in college! Give me a chance!"

"Chen Tong! You!"

Aya was half-exasperated, yet she only heard Su Rou laugh blandly.

“Give you a chance? Are you worthy of it? Aren’t I ugly, so I don’t need you to deliver breakfast!”

“No! You’re not ugly! You’re the most beautiful, I want to deliver it to you, Little Rou, think of the good times we had in college, can’t you just give me a chance?”

Chen Tong said busily, at this moment his whole eyes only had Su Rou in them, completely devoid of Aya’s existence.

“Chance? You don’t deserve it! Get out of my sight immediately, for someone like you, I don’t want to see a minute of it!”

Su Rou chided.

However, Chen Tong’s eyes were glowing and he did not listen.

Aya, who could not stand it any longer, grabbed a glass of water from the table next to her and put it directly on Chen Tong’s head.

“Chen Tong, you son of a bitch! It’s over for both of us!”

Aya dropped the words and turned her head to leave.

Chen Tong was drenched by this glass of water, and his whole body snapped out of it. He looked at Su Rou, with horror in his eyes, he had just Just now it was as if he was possessed, how could he say those words.

My future! My money career!

Thinking of the consequences of those words, Chen Tong’s whole person was suddenly confused and pointed at Su Rou.

“You You are the demon who wants to be good and confuse people!”

Saying that, Chen Tong turned around and chased towards Aya, while shouting.

“Aya you wait, you are the most beautiful female in my heart”

“Whoosh!”

“Bang!”

“Get lost! I don’t care about you, we’re finished!”

Aya’s angry voice came from the front.

“What’s going on here?”

Watching this scene, Su Rou also wondered, no one else was like this Chen Tong, how come it was this guy who just followed like a demon.

On the side, Lin Ran laughed and said.

“Sanyuan Weak Water is originally the gentlest kind of water among the wondrous treasures of heaven and earth, and with your already gentle personality, you can say that it complements each other!”

“With your gentleness under the bone replacement and marrow cleansing of the Sanyuan Weak Water, your entire gentle temperament has long since been different from what it used to be, some weak-minded people simply can’t resist a smile from you, and obviously Chen Tong is such a person!”

Chapter 589

“What about you?”

Su Rou sniffed and flashed a sweet smile at Lin Ran as she asked.

When he saw this nee-san’s smile, Lin Ran was not at all bemused and was busy saying.

“Don’t Don’t! I can’t resist if you smile like that!”

“You still can’t resist?”

Su Rou saw this and teased.

“I’m a man too, okay, when you laugh, the sky lights up!”

Lin Ran laughed.

“Cut! You’re the only one with skin on your lips!”

Su Rou pouted, but there was an undisguised joy in her eyes, she was able to make Lin Ran not even dare to look at her directly, it seemed that her charm was indeed greatly increased now, she just didn’t know when she would be able to charm this guy to surround herself as well.

Just as Su Rou was playing her little game in her mind, Lin Ran noticed that Wang Yifeng and the others actually had hot pots on their table, which immediately made him unsettled.

“Holy shit! Su Rou and I have been working upstairs for half a day and you guys are actually eating hot pot, do you have any conscience left!”

“I swear, it was Fatty who suggested it!”

“I swear, it was Fatty who insisted on eating it!”

“I swear, it was Fatty who said we could eat while we waited!”

The three women said in unison.

“I”

Wang Yifeng was helpless and gave the three women a look and cried out.

“You guys are also too ungrateful, you also ate the hot pot, and then left Master Fatty after eating, ah, you guys are unloading!”

“No! We are unloading the grindstone to kill the fatty!”

Song Nuan laughed.

“Well that’s not even the point!”

To the side, Qin Bing was busy saying, and Wang Yifeng was stunned at the words and asked.

“What do you mean? Then what’s the point?”

“The point Of course it’s the mirror upstairs!”

Luo Qiqi laughed, a look of excitement already in her eyes.

“The mirror? What mirror?”

Wang Yifeng did not understand, yet the three girls were already running upstairs towards it.

“What are they doing?”

Su Rou had a confused look on her face, and Lin Ran was equally puzzled.

“Who knows?”

Wang Yifeng stretched his hands, then said.

“They said something about a mirror, I don’t really understand, maybe they want to go look in a mirror!”

“A mirror?”

Lin Ran’s heart thumped at his words, and at that moment, he only heard Luo Qiqi’s voice coming from upstairs.

“Which room did they come to be in just now, take us there!”

Hearing this voice, Lin Ran instantly understood what the three of them were planning to do and hurriedly followed them while shouting.

“Hey! You guys can’t be so gossipy!”

“Mirror? The room?”

Su Rou was confused, completely unaware of what they were saying, but seeing that the three women and Lin Ran had all gone up, she simply followed them too.

As for Wang Yifeng, he looked at them inexplicably, followed by sitting down on a chair again, eating the hot pot by himself, and saying as he did so.

“What’s so pretty about a mirror, it’s not as good as Fat Master’s hotpot!”

.....

Outside the hotel, when Chen Tong chased out, Aya had already disappeared, which made him so angry that he kicked the flower pond next to him, causing his whole body to crouch on the ground in pain.

“Su Rou! You wait for me! And all these friends of yours, wait for me, one and all!”

“Lin Ran, Wang Yifeng, Song Nuan, Qin Bing, and that what’s-his-name Luo”

Chen Tong’s eyes were tinged with anger, but then his entire body suddenly became stunned and his mouth chanted.

“Qin Bing Qin Bing! That woman’s name is Qin Bing!”

“Could she be the person that Master is looking for?”

Chen Tong’s heart was instantly startled, immediately throwing Aya’s matter to the wind.

“Just a Li family, if the Qin Bing I met this time was really the one Master was looking for, I would still be prosperous, a mere Li Ya, what is that in my eyes! She is just a whore, when I have money, what kind of woman will I not have!”

Chen Tong’s eyes narrowed slightly, there was madness in his eyes, as long as he could make a lot of money to turn himself around, he didn’t care about a mere Li Ya.

“Right! Go back first! Keep an eye on them!”

Chen Tong immediately had a plan in his heart, and immediately adjusted his mood to change his clothes into a new set, put on his hat and mask, and went back inside the hotel!

When he came inside the hotel, he sat silently and stared at Wang Yifeng who was eating hot pot, with anticipation in his eyes.

.....

At this time in the upstairs accommodation area of the hotel, within one of the suites, Song Nuan and the others were all gathered in the bathroom, one by one they looked at a peach heart shaped piece of glass above the bath with a strange look in their eyes.

“This nee-san really wasn’t paying attention!”

“Hey, it’s our fault too, we forgot to remind her!”

“This is great, if Sister Su Rou knew, I’m afraid she’d have to storm out too!”

Song Nuan and the three said, while Qin Bing on the side was laughing.

“This is much more balanced in my heart, it’s just a bit cheap for that Lin Ran guy!”

“Right!”

The three women nodded their heads at the same time.

At this moment outside, Lin Ran had finally arrived here, and when he saw that the three women were really looking at the bathroom, he was helpless.

“I mean, you guys don’t have to be like this, I’m very serious! I really only see patients, I don’t take any other business!”

Lin Ran said helplessly.

“Bah! Little pervert! If you’re decent, why don’t you take off the mirror yourself?”

Song Nuan looked at him and questioned.

“That’s right, why don’t you take it off yourself, you’ve taken advantage of Sister Qin Bing, and you’re actually taking advantage of Sister Su Rou!”

Luo Qiqi also questioned.

“Lin Ran, are you addicted! There’s still Kiki and Xiao Nuan left from the bone exchange and marrow cleansing, what! You still want to see them all again!”

Qin Bing said in a cold voice.

“I Of course I have no problem with it, I’m just afraid that the two of them won’t agree!”

Lin Ran laughed, however what he received was the three women speaking in unison.

“Get lost!”

“What are you slowing this for?”

Su Rou happened to catch up at this moment, and when she saw the three of them crusading against Lin Ran in unison, she couldn’t help but be curious.

“Sister Rou, didn’t you notice when he was changing your bones and cleansing your marrow just now?”

Luo Qiqi stepped forward and asked.

“Noticed what?”

Su Rou looked confused, completely unaware of what the crowd was talking about.

“It’s the mirror on the wall of the washroom, when this guy changed Sister Qin Bing’s bones and cleansed her marrow last time, he looked at everything that Sister Qin Bing should see from the mirror, and this time he took advantage of you just like he did, you wouldn’t even know about it, right?”

Luo Qiqi said busily.

However, Su Rou’s reaction was to leave the three of them stunned, only to see that Su Rou did not have the slightest tension and laughed helplessly.

“Noticed, but at that time the clothes were already off, I couldn’t help it, besides just look, it’s no big deal!”

“Just look at it?”

“No big deal?”

“Sister Su Rou, are you a girl?”

Song Nuan and the three of them were all confused, they couldn’t believe this was coming from Su Rou, a girl’s mouth.

Which girl is not very conscious of her innocence, but Su Rou was naked by this guy, but she would actually be such a bashful reaction, this is too

Seeing the three women looking at themselves in surprise, Su Rou helplessly smiled and then said.

“You guys are unaware that this guy has already seen all that should be seen back at the end of the New Year, just now is just looking at it again, I’m already used to it!”

“Pfft!”

On the side, Lin Ran blushed as she heard this and was busy interjecting.

“You can’t say that, I was forced to do it, okay? I didn’t know it was a tradition to put mirrors in hotel bathrooms, and besides! I was also just looking, it’s not like I had anything to do with it right!”

“So

“So what the hell! Beat him up!”

Song Nuan couldn’t listen to this anymore and with a shout was the first to rush at Lin Ran.

Chapter 590

When Lin Ran came down from upstairs again, let’s not talk about how messy his hair was, just the way he was walking was a big problem, not to mention Wang Yifeng, even some of the other guests could tell that Lin Ran had been given a fat beating.

The four murderers, on the other hand, were each with smug faces as they followed Lin then as if they were escorting a prisoner.

“Brother! Any more meat? Give me a few portions! I need a tonic!”

Lin Ran greeted Wang Yifeng as he made a buttock next to him.

Wang Yifeng laughed as his entire body jerked past, throwing the two plates of mutton next to him into the pot and laughing.

“I say, Ranzi, haha! You have your day too, spreading dog food in front of Master Fatty every day, what’s the matter, spilling too much dog food this time and flashing your back?”

“Go, don’t gloat here, do you really think it’s easy for me to serve so many beauties by myself!”

Lin Ran said helplessly.

“Eh?”

Song Nuan and the others instantly looked over at his words, with a fierce aura in their eyes, each fist pumping, scaring Lin Ran into immediately laughing along.

“Don’t! Don’t, ladies, let’s talk properly, don’t do it, can’t you pinch and twist, I really can’t stand it!”

.....

The first thing you need to do is to get a good idea of what you want to do.

When they left the hotel, it was already after ten o’clock at night. Lin Ran drove the car himself and took everyone home.

But when the car was halfway there, Wang Yifeng was puzzled. He had agreed to send the four women back first, and then the two of them would go back to the clinic, but now he was driving directly towards the clinic.

“Ranzi, you’ve had too much to drink, haven’t you? Why are you going straight to the clinic?”

Wang Yifeng asked in wonder.

“Shut up! I haven’t even been drinking!”

Lin Ran said with a serious face, followed by pointing to the rear-view mirror next to him, Wang Yiming understood and immediately looked over.

He saw that in the rear view mirror, a white Santana was following behind, the car was dark and no one could be seen at all, except that when he passed the side of the street light, he could vaguely see a person sitting inside, but the other person seemed to be wearing a mask, so he couldn’t see his face at all.

“What’s going on? Who’s that in the car? Are we being followed?”

Wang Yifei asked busily, and Lin Ran nodded.

“From the moment we left the hotel, this guy followed us!”

“Followed? Then what do we do?”

Song Nuan and the others trembled in their hearts when they heard this, a little scared.

They had never come across this kind of thing before, but they had never thought that the first time they came across it would be when they were with Lin Ran, which made the four women both scared and had this little bit of excitement in their hearts.

“Go to the clinic first, you guys leave through the back door of the clinic, get into Xiao Nuan’s car and go straight home, we’ll take care of him!”

Lin Ran said.

“Shit it’s not so much trouble, he’s only one person, let me go down and kill him directly!”

Wang Yifei was too much trouble, but Lin Ran shook his head and said.

“No, it’s right to be careful, who knows how many people there are on the other side, we have to keep them safe!”

“Alright then, we’re almost at the clinic anyway, let’s see how I’ll take care of him later, Fat Master!”

Wang Yifeng said and rubbed his fists together, he had eaten and drunk enough, it was good to get himself moving at this point.

In the meantime, the group had arrived at the entrance of the clinic. According to the previous arrangement, Lin Ran let the four women get out of the car and sent them into the clinic until they got into the car from the back and left.

The Santana was listening across the road not far from the clinic, Chen Tong sat in the car and saw that Lin Ran was the only one walking out hungry, he couldn't help but feel happy.

"Looks like this is it, everyone else has already gone in!"

Chen Tong said to himself, immediately ignited and turned around ready to leave, just find the place, as for the rest is naturally not his business as a henchman, just bring the news to his boss, and then wait for the reward money!

"Haha, when I get the reward money, so what if Li Ya, so what if Su Rou, such goods I can still have as many as I want!"

Chen Tong couldn't help but laugh, if he wasn't wearing a mask at the moment, he would have laughed out loud.

"Bang!"

The sound of breaking glass came before his dream was warmed up, which really scared him.

"What's wrong!"

Chen Tong looked behind him and saw that the glass on the back side of his car had shattered, and a large slab of glass was lying on the seat, with the cold wind pouring in.

"Who the fuck did that!"

Chen Tong cursed angrily, but as soon as the words left his mouth, he hurriedly covered his mouth, and at the same time, looking ahead, he was relieved to see that Lin Ran was strolling towards him.

But then he wondered.

"If it's not Lin Ran, then who could it be?"

"Of course it's you, Fat Master, me!"

No sooner had Chen Tong's muttering fallen than a voice rang out in his ears, almost scaring him alive!

"Ah Who! Who are you!"

Chen Tong was busy looking back, he first saw a huge face plate, followed by recognizing the other party, it was none other than Wang Yifeng who was beside Lin Ran.

"Stalking me! Go down and talk!"

Wang Yifeng raised his hand and punched Chen Tong directly from the car, then followed himself.

"Stalking us for something?"

Lin Ran happened to walk up at this moment and looked at Chen Tong, who was lying in front of him, and asked indifferently.

"Nothing Nothing, probably Maybe it's along the way!"

Chen Tong gulped and said busily.

“By the way? Do you fucking think we’re three years old?”

Wang Yifeng’s face sank at his words, raised his hand and grabbed Chen Tong’s collar, yanking him up.

“I’ll give you one more chance, if you don’t tell the truth, I’ll blow your dog’s head off with my fist!”

“You!”

Although he had never seen Wang Yifeng’s tactics before, this guy had a wide body and his fist was as big as a casserole, if he really received a punch from him, I was afraid that he would be disabled if he didn’t die.

“Not saying?”

Seeing that Chen Tong did not say anything and seemed to be muttering something, Wang Yifeng lost his patience and lifted his hand towards Chen Tong and punched him, before his fist reached him, the wind of the fist had already blown on his incoming energy, scaring him so much that he hurriedly shouted.

“No! I’ll say, I’ll say!”

“Bang!”

Chen Tong’s words fell, followed by a busy look, only to see Wang Yifeng punching the car in his face, and at this time, the hood of his Santana, has been deeply dented a large chunk, if this punch landed on his Lai, I am afraid that the bones will have to be broken.

“Goo dong!”

Chen Tong couldn’t help but swallow his spit and said busily.

“Big brother, don’t do it! I’ll talk, I’ll talk now!”

“Then what’s the point of bothering with words, just say it!”

Wang Yifeng urged, while throwing Chen Tong away in front of Lin Ran again with one hand.

“I I didn’t mean to follow you guys, I I just want to know where you guys live!”

“And the purpose?”

Lin Ran looked at Chen Tong and asked blandly.

“No No purpose, really!”

Chen Tong’s gaze dodged, but Lin Ran was no nonsense at all and greeted him directly.

“Fatty, continue!”

“Don’t Don’t, I’ll say, I’ll say everything!”

Hearing Fatty continue, Chen Tong immediately wilted and spoke with a sobbing face.

“It’s our boss Li Jiang, he’s the one who told us to do our best to search for a woman named Qin Bing, just now at the hotel I heard a woman named Qin Bing inside you, so that’s why”
