

Wonder Doctor

Chapter 601

“Eight o’clock!”

Lin Ran was busy looking at his watch, it was exactly seven o’clock, that’s one hour!

And the highest office building in Temperance City, located in the city centre, was at its most crowded at this time of night, and to get from the new district to the city centre in an hour was really very tight.

“Ranzi, what should we do? Or we should call the police!”

Wang Yifeng also knew that time was very tight, and it was about Song Nuan, if this matter was not handled properly, Song Yujiang would still be furious.

“We can’t call the police!”

Lin Ran shook his head.

“Yue Bu’s target is me, as long as I go he won’t make things difficult for Xiao Nuan!”

Lin Ran said, already getting up and saying as he went out the door.

“You all go back and wait for me! I’ll just go by myself!”

“No way! We’re going too!”

Before Wang Yifeng could say anything, Qin Bing at the side had already spoken up.

This wasn’t the time to bargain, and Lin Ran didn’t bother to delay, so he directly replied.

“Fatty, protect them and wait under the office building at most!”

“Good!”

Wang Yifeng nodded at his words, he also knew the seriousness of the matter, this was not the time to joke with Lin Ran.

.....

The group of people quickly left the hotel, they didn’t even have time to check out, of course with Lin Ran and Luo Qiqi’s status, no one would dare to say anything even if they didn’t check out.

The group left the hotel unhindered and immediately got into the car and headed straight for the city centre.

The so-called tallest office building was undoubtedly the iconic building of the entire Temperance City, the Temperance Radio and Television Building, which was the tallest building in the entire Temperance City, and as for the rooftop, it was naturally the topmost part of this building.

“This road is not bad!”

Leaving the hotel, there were many cars on the road, but at least it wasn't congested, plus Wang Yifei knew the route well, so he picked some roads with few traffic lights, the first ten minutes were quite smooth.

But the closer we got to the city centre, the worse the road conditions became, from a small bet at the beginning, it gradually turned into a big bet, until finally the car could not move a step for half a day.

"Ranzi take it easy, we still have three more ten minutes, this is not far from the city centre!"

Wang Yifeng was busy persuading from the side.

"There's no time, there should be a traffic accident up ahead, I'll run straight through! Don't you guys follow me!"

Lin Ran said, while already opening the door and getting out of the car.

Although there was still half an hour to go, one more minute of Song Nuan being in Yue Bu's hands was an additional danger, something Lin Ran absolutely could not tolerate.

"Hey! Ranzi!"

Wang Yifeng and the others were busy shouting, but Lin Ran had already disappeared into the pile of cars ahead.

As expected, before Lin Ran jumped out of the car and ran out two or three metres, he saw a four-car pile-up ahead of him, and the situation seemed quite serious, so if he sat in the car and continued to wait, I was afraid it would really be too late.

The journey took twenty minutes, but Lin Ran arrived in ten minutes.

"This is it!"

As he ran to the entrance of the broadcasting building, Lin Ran looked up, the lights flickered in the dark night sky, and with the increase of his true qi, Lin Ran's eyes were like two searchlights, and through the darkness he could vaguely see a person standing on top of the building.

The other person was also looking at him, with an icy smile in his eyes.

"Yue Bu!"

Lin Ran gritted his teeth and shouted out the name, following which he turned around and rushed straight into the building.

The building was thirty storeys high, and it was only when Lin Ran reached the thirtieth floor a few moments later that he understood what such a high floor represented.

The roof was divided into two levels, the first level was the observation deck with tempered glass, and the next level was the open-air rooftop. Normally the building was guarded and no one was allowed to go up to the highest level, after all, it was very dangerous without the protection of tempered glass.

But at this time, the entire roof is only on, not a single security guard can be seen, there are all wearing black vests, holding a steel pipe in the hands of the gangsters, a look is Li Jiang's people.

On the other hand, at the connection between the first and first floors, there were seven or eight young men in suits with sharp eyes, who should be the entourage that Yue Bu had brought with him to Tanjiang City this time.

“Where is Yue Bu! Let him out!”

Lin Ran looked at these people with unkind eyes and angrily chided.

“Haha! Lin Ran, you really have some guts!”

As soon as Lin Ran’s words fell, a familiar voice rang out, followed by a figure coming out from the first floor above, which was none other than Yue Bu.

“Where is the man?”

Lin Ran looked at Yue Bu angrily, the killing intent in his eyes unconcealed.

“What? Are you in a hurry?”

Yue Bu sneered, with a teasing look on his face.

“Don’t be in a hurry, we’re here anyway, can’t we take our time and play!”

Yue Bu laughed, followed by a wave of his hand, and several searchlights immediately lit up next to him, brightening up the otherwise dark sky around them.

“What the hell do you want?”

Lin Ran’s silver teeth clenched, his hands clenched into fists, and the muscles of his entire body tensed up.

“Nothing! Want to play a game with you!”

Yue Bu laughed pervertedly.

Then, pointing his finger at the sky, he traced a circle before laughing.

“Don’t you miss your little girlfriend, fine, I’ll tell you! Your little girlfriend is somewhere in the sky, and below her is not the rooftop, but outside the rooftop, I’ll give you ten minutes to find your girlfriend yourself, or else see what this is?”

Yue Bu said as he took another remote control out of his pocket and laughed.

“Ten minutes if you can’t find your little girlfriend, then I’m sorry, she will fall straight down thirty stories when I press the remote control, but don’t worry!”

Yue Bu had a perverted grin on his face and bared a smile.

“Aren’t you a doctor, known as the little miracle doctor, falling from thirty stories high shouldn’t be a problem for you! Go for it Little God Doctor!”

“Haha!”

The smile on Yue Bu's face was hideous and terrifying, even with some sickness, but it was at this moment that he seemed to have vented all the resentment in his heart, what he wanted was for Lin Ran to be desperate, desperate to watch Song Nuan fall down the stairs in front of his eyes.

"Let's begin little divine doctor!"

Yue Bu laughed out loud, followed by a wave of his hand, those punks from Li Jiang around him, copped a steel pipe and rushed at Lin Ran, jokingly, he Yue Bu was not a good guy, since he let Lin Ran look for himself, how could he not add some spice, want to concentrate on finding a girlfriend? Dream on!

Lin Ran was so angry that his face turned blue, his silver teeth were clenched and the veins on his neck were bursting, but he didn't say a word, he knew that nothing he could say would work now, it was absolutely impossible to expect Yue Bu, the pervert, to figure it out on his own, he had to count on himself.

"Kid! Give me death!"

As he spoke, a group of punks under Li Jiang had already rushed over, Lin Ran was burning with rage at this moment, his eyes constantly looking to the sky to search for Song Nuan's location.

At this moment, when he was faced with the first punk who rushed over, he barely held back and punched him directly in the chest, only to hear a scream of "ah", the other punk flew backwards for more than ten meters, and even knocked a large number of his companions behind him.

"Huh?"

Yue Bu above frowned slightly as he saw this, and he couldn't help but feel a little surprised.

"Is this his full strength? I'm afraid this punch is even higher than my strength, this fellow cannot be kept, such a demon will definitely be a big problem for my Yue family when he comes!"

With that thought, the killing intent in Yue Bu's heart surfaced once again.

Chapter 602

"Li Jiang!"

Yue Bu spoke up and chided.

"Yue Duke Yue!"

To the side, Li Jiang busily ran over with an attentive smile on his face.

"You go down too, you must waste this brat for me!"

Yue Bu said as he pointed down to the hair where the battle was being fiercely fought.

"Huh?"

Li Jiang's whole body was dumbfounded and stammered.

"Yue Yue Gongzi You open play joke, I'm even sixty, and you let me down?"

"Joking? Do I look like I'm joking with you?"

Yue Bu's face sank as he said icily.

"But But down there I'm all this"

Li Jiang suddenly incoherent, he is how old, sixty or seventy years old, let him go down to fight, what a joke, just this old bones of his afraid to take two blows will have to completely fall apart, let alone go to the melee.

"Don't worry, all your men are down there, you will personally go down there and they will definitely have a morale boost, so you will still show your might then?"

Yue Bu sneered.

"Morale? You're really something!"

Li Jiang cursed in his heart, but he did not dare to show it on his face, and was busy smiling.

"Yue Mr. Yue, or else forget it, this old bone of mine is still helping you to find a beautiful woman to cooperate"

"Shut up!"

Before Li Jiang finished his sentence, Yue Bu's face suddenly changed, and dared to mention the matter of finding a beautiful woman, if it wasn't for this old thing saying how safe the Golden Gate Club was, he wouldn't have gone by himself and ended up being photographed by Lin Ran, and even knew how embarrassed he was.

Thinking of this, the fire in Yue Bu's heart went straight out, and he looked at Li Jiang and said in a cold voice.

"You don't want to go down, do you? I'll send you down!"

With that, Yue Bu slapped Li Jiang across the face, sending him into a 180-degree spin, followed by a kick to his buttocks, which sent Li Jiang rolling down the stairs on the first floor.

"Old thing, you're just in time!"

Lin Ran kicked one of the punks who had jumped at him and saw Li Jiang rolling down.

"Boss!"

"Boss! It's the boss!"

When a group of punks around him saw Li Jiang, they all panicked and surrounded Lin Ran, but they didn't dare to go forward for fear that if Lin Ran slapped Li Jiang's head, they would be the ones who would be miserable and wouldn't get any money.

"Get lost!"

Lin Ran shouted at the surroundings, followed by blocking Li Jiang in front of him, his eyes constantly searching the surroundings, and soon, he did find the shadow of Song Nuan.

But when he saw Song Nuan's condition, his entire heart went cold, and at the same time a surge of anger bubbled up.

"Yue Bu! You seek death!"

Lin Ran said angrily.

"Haha! Found it? Not bad for speed, it's only taken five minutes, but I'm not done yet, you still have five minutes, if you can't save her in those five minutes, then she'll die just the same!"

Yue Bu sneered, while raising the controller in his hand at Lin Ran, he turned around and left the edge of the first floor, out of sight.

"Seeking death! You're fucking looking for death!"

Lin Ran was completely furious, carrying Li Jiang and flinging him directly at the circle of punks around him, directly forcing them back, followed by throwing Li Jiang into the crowd, taking advantage of the brief confusion, Lin Ran lashed out at his feet and rushed straight to the stairway.

"Stand still!"

At the entrance of the staircase, there were half a dozen of Yue Bu's men guarding the staircase, all of them were elites of the Yue family, all of them were at least one that could beat ten of Li Jiang's men.

However, at this moment, when facing the furious Lin Ran, they had no power to fight back at all.

"Get lost!"

He saw Lin Ran let out a cry of rage, followed by one punch after another, directly knocking the two men in suits at the front down.

Then with one foot on the head of one of them, he leapt, directly jumping from the stairway to the top of the stairs, looking back with another kick, directly knocking the top henchman down with a single kick.

This man was knocked over and the others below him were all smashed down, causing chaos in the lower room.

Lin Ran didn't care about anything else, after finishing these people, he immediately turned around and looked in the direction of Song Nuan, only to see that it was the front of a billboard, there was a rope tied to it, and below it was hanging Song Nuan.

At this moment, Song Nuan's pretty face was pale and her face was full of tears. When she saw Lin Ran, her whole body couldn't help but twitch up, obviously very scared.

"Don't be afraid! I'm coming!"

Lin Ran hurriedly shouted, while rushing towards Song Nuan, but not even two steps away, a voice sounded.

"Stop! If you dare to take one step forward, she will fall from here!"

Lin Ran's teeth squeaked, he was only a dozen metres away from Song Nuan, but this distance was too much for him to cross.

He was fast, but could he be faster than someone else's remote control? With just one button, Song Nuan was

"What the hell do you want!"

Lin Ran gritted his teeth and turned his head with difficulty to look at Yue Bu.

Only to see that there was no longer anyone else up on the entire first floor, only Yue Bu sitting alone not far away, and next to him was a white round table with a bottle of red wine on it.

"How's that? Don't want to do anything, from now on, if you dare to go near her, I guarantee that the next second she will have to fall down from this thirty-storey high place!"

Yue Bu sneered, his eyes full of smugness, being able to hold Lin Ran in his hands gave him an inexplicable thrill in his heart!

"Yue Bu! This is a feud between the two of us, you're still a man for involving others!"

Lin Ran said angrily.

"I'm not a man? You'll soon find out if I'm a man or not!"

Yue Bu stared angrily at Lin Ran, followed by holding the remote control in his hand and pointing at Lin Ran as he shouted.

"Kneel down for me!"

"Weng!"

Hearing Yue Bu's words, Lin Ran's entire head was dumbfounded, kneel down for him?

All his life, he, Lin Ran, had kneeled to the heavens and the earth, kneeled to his grandmother and his parents' graves, but he had never kneeled to anyone else, even though his family had been poor since he was young and he had been bullied at school, but he had never kneeled and begged for forgiveness, but now? Yue Bu actually asked him to kneel down for himself.

"I told you to kneel down!"

Yue Bu pointed at Lin Ran and roared, the remote control in his hand already trembling slightly from the force.

"No!"

On the side, Song Nuan, who was hanging in mid-air, shook her head and shouted, her voice very muffled because her mouth was duct-taped, but Lin Ran knew what she meant by her shout.

"No!"

Song Nuan's tears flowed down her cheeks, she knew very well how humiliating it was for a man to kneel to someone else, this humiliation would even stay with Lin Ran for the rest of his life, but just because of herself, he had to kneel to someone else, how could she accept it in her heart.

"Nuan! For you, it's worth it!"

Lin Ran turned his head to look at Song Nuan, his eyes were flooded with tears, he, Lin Ran, had risen from the bottom and had already seen through the nature of this world, money, power, no matter how much more, he didn't care, he only cared about his friends, his lover!

For their sake, even if he was asked to die, he would not hesitate in the slightest.

"Flutter!"

Lin Ran turned his head and knelt down, two lines of tears flowing down his cheeks.

In the back, Song Nuan, who saw this scene, had already turned into tears, this day, this moment! She would never forget that Lin Ran had suffered such humiliation for her sake.

Chapter 603

"Ahahaha! Hahaha!"

Seeing that Lin Ran had indeed rushed to his knees, Yue Bu's entire being burst into laughter as he pointed at Lin Ran and questioned him loudly.

"Am I a man now? Which one of us is not a man? Say something!"

"What more do you want!"

There was a morose killing intent in Lin Ran's eyes, if Song Nuan hadn't been kidnapped, at this moment he would probably have just killed Yue Bu.

"Still playing hardball with me, are you? Tell me! Who is not a man!"

Yue Bu glared at Lin Ran and asked in an angry voice.

"Me! I'm not a man, okay! Let her go!"

Lin Ran said angrily.

"Let her go? Are you out of your mind?"

Yue Bu laughed.

"You've admitted to yourself that you're not a man, and you want me to let her go? That's fine, cut the hamstrings of both feet yourself and I'll let her go!"

"You!"

Lin Ran's fists were clenched, picking off his hamstrings would be almost no different from abolishing him.

"What? You don't want to? Then I'll help you!"

Yue Bu sneered, while clapping his hands together and shouting in a cold voice.

“Ghost Elder! Make a move!”

Said Yue Bu, not forgetting to shout at Lin Ran.

“If you dare to resist, she will have the same result!”

“You!”

Rage burned in Lin Ran’s eyes, but he could only hold back, there was no way he could watch Song Nuan fall from here in front of his eyes, absolutely no way!

“Bang!”

Not even giving Lin Ran time to think more, a black shadow had already rushed over from the side, a cold flash in his hand, a sharp dagger had already slashed across Lin Ran’s back, slashing his entire body over.

“Ah!”

The sharp pain in his back caused Lin Ran to scream out at once, from the time he had obtained the Xuan Yang Pill Canon until now, I’m afraid this was the heaviest superficial injury he had ever suffered, even last time when he had fought with Compass Yang in a two-way fight, he had only been unconscious.

This time was completely different, Yue Bu was simply trying to torture him to death, not giving him any pain.

“Ghost Elder continue!”

Yue Bu said angrily, as if he wanted to let out all the anger that had been in his heart for so long.

Ghost Elder was also very cooperative, and with a twist of the dagger in his hand he rushed at Lin Ran’s thigh and slashed again, blood ran down his trousers and clothes, staining a large area, his back and thighs were all stained red with blood.

Even because of the severe pain, Lin Ran even trembled as if he couldn’t stand up.

“No! Don’t!”

Song Nuan shouted, but her voice could only be gagged in her mouth, her cheeks were already completely wet from the tears, while her eyes were also swollen from too many tears.

“Ah!”

Another slash, the sharp pain in his arm made Lin Ran shout out, by now his whole body was already wet with wanting blood all over, looking like a bloody man, each of Ghost Elder’s slashes were so deep that the wound could not heal for a while, making Lin Ran’s head start to get a little dizzy from too much blood loss.

“Ghost old man! Come on, if you keep slashing you’ll die, stop using the knife!”

Yue Bu spoke up, he didn't want to let Lin Ran die so easily, there was no turning back after kidnapping Song Nuan, if he didn't torture Lin Ran properly, how could he afford to take such a big risk.

"Yes!"

The ghost old man understood and put away the dagger, followed by a kick directly to Lin Ran's chest, immediately heard a "click", Lin Ran's whole body flew backwards, no need to ask the ribs in the chest must have broken at least several heels.

"I'll do it!"

Yue Bu saw his chance and kicked Lin Ran in the calf, only to hear a "click" sound, Lin Ran screamed out, his calf bone was obviously broken.

"No! No, please, let me die, don't torture him!"

Blood tears appeared in Song Nuan's eyes, her whole body was on the verge of collapse, her heart was dripping blood as she watched Lin Ran being tortured like this.

"You want to die? It's not that easy, I haven't had enough torture yet!"

There was madness in Yue Bu's eyes as he stomped on Lin Ran's head, crushing his face to the ground as he bent down and laughed coldly.

"You go on being crazy! Aren't you fucking crazy! Now why are you like a stink bug, being trampled under my feet!"

"Release Let go of her!"

Lin Ran stammered as blood continued to flow from the corners of his mouth and his eyes burst with blood.

"Let her go? I'll let you go!"

Yue Bu's eyes snapped cold, followed by a kick directly onto Lin Ran's back, instantly kicking his entire body out.

In front of him, the ghost bead was waiting for him, and when he saw Lin Ran paddling against the ground, he kicked him back again without saying a word.

Lin Ran was like a leather ball, being ravaged by Yue Bu and the ghost bead, but he did not say a word.

The blood on his body mixed with the dust on the ground, staining Lin Ran's clothes dark red. He had to!

It was not just Song Yujiang's wish for him to protect Song Nuan in the first place, giving him Song Nuan.

It was more about the guardianship in his heart; he liked Song Nuan and he would not stand by and watch Song Nuan die.

"Ghost old man! Kick it over!"

Yue Bu was playful, holding the remote control in his hand, and shouted at the ghost beads.

"Yes! Gongzi caught it!"

With a loud laugh, Ghost Pearl kicked Lin Ran directly in the stomach, and with a few “clicks”, Lin Ran’s ribs broke a few more, while his whole body was directly kicked up by Ghost Pearl, and smashed right at Yue Bu.

“Good shot!”

Yue Bu laughed excitedly at this, while jumping in place and rushing over to Lin Ran with a kick in mid-air.

This kick was aimed squarely at Lin Ran’s back, and with the strength of his martial arts background, if this kick hit, it would probably break Lin Ran’s spine, and by then, even if Lin Ran didn’t die, he would be completely crippled and would be confined to bed for the rest of his life.

“Kid! This is what happens when you go against Laozi, get lost!”

Yue Bu shouted and followed with a kick.

“No!”

Song Nuan had looked completely devastated, and the scene before her directly caused her to pass out.

But to no one’s surprise, Yue Bu’s foot was caught by a blood-covered hand when it was about to touch Lin Ran’s body.

“Eh?”

Yue Bu was shocked and just wanted to speak, but another hand covered in blood had already grabbed the one he was holding the remote control with.

Lin Ran’s hand firmly gripped Yue Bu’s wrist, and the tremendous force almost instantly caused Yue Bu’s palm to lose its strength, “Bang” a crisp sound rang out, and the remote control directly fell to the ground.

“Bang!”

Lin Ran used his other leg, which was still unbroken, to kick the remote control straight to the general, while the two fell straight to the ground.

“Ah!”

The remote control fell to the ground and seemed to have touched the switch, the rope that was helping Song Nuan actually fell two or three meters, but luckily it stopped again in time, which prevented Song Nuan from falling down.

“Lin Ran! Lin Ran!”

Seeing Lin Ran and Yue Bu wrestling together, Lin Ran’s heart burst with joy.

“I told you, I won’t let anything happen to you!”

Lin Ran’s mouth was full of blood as he gritted his teeth and said angrily. At the same time, Song Nuan then saw that Lin Ran stood up with his one leg that he had, while holding Yue Bu’s collar in his hand with a deadly grip, suffocating Yue Bu’s entire face with green because of the excessive force.

“Have you had enough of beating? Have you had enough insults? Now, it’s my turn!”

Lin Ran’s gaze was deadly as he looked at Yue Bu, the killing intent in it shot up to the heavens.

Chapter 604

“The remote control! Go and get it!”

Yue Bu’s face turned blue as he shouted at the ghost beadle who had already understood and was rushing towards the remote control.

“Just you!”

Lin Ran’s eyes were cold as his hands lashed out, smashing Yue Bu directly towards Ghost Pearl.

“Hurry up! The remote control! The remote control!”

At this point, Yue Bu’s mouth still kept chanting, he understood in his heart that if there was no remote control to threaten Lin Ran, then the two of them would most likely die at the latter’s hands.

After all, not only had they kidnapped the woman that people cared about the most, they had even humiliated her horribly in public, such a great revenge, not to mention Lin Ran, I’m afraid that any other person would not be able to turn the page easily.

“Young master, I’ll go and stop him, you go and pick up the remote control!”

Ghost Beadle said busily.

“Good!”

Yue Bu smiled and nodded busily, although in his opinion Ghost Pearl was no way a match for Lin Ran, it was still a good choice to have him there to stall for a bit at this time.

“Almost capsized in the gutter, when I get the remote control, let’s see how I can play you to death!”

Yue Bu’s heart moved and he instantly rushed towards the remote control.

“Little Lin Ran, take your life!”

The ghost bead was no slouch either, and with a roar of rage, he lunged at Lin Ran.

Lin Ran stood in place, one foot still dangling on the ground and one arm doing the same, he had been ravaged and had broken an arm and a leg, and was now standing in place trembling, but it was such a miserable sight, but in Song Nuan’s eyes, it was as if a tarzan had collapsed in front of him, making her heart very warm.

“You fool, is it really worth it for me?”

Song Nuan said to herself, at this moment Lin Ran’s figure in her eyes, not only did it not look miserable, it was very lofty anyway, a man was willing to sacrifice so much for himself, even Lin Ran’s current achievements were already very high, but he was still willing to kneel down and be insulted for her, this sincerity alone was enough to move her.

“Fool!”

Song Nuan couldn't help but shed a tear.

While up ahead, Lin Ran's single figure was looming in the cold wind of the night, as he watched the ghost beads lunge towards him, while also watching Yue Bu lunge towards the remote control, everything was in his eyes, but he just didn't move.

"Haha! I knew this kid had run out of gas, young master! We still have plenty of time to play with him slowly!"

The ghost beadle sneered.

At this moment, Yue Bu also noticed that Lin Ran hadn't moved, and the worry in his heart couldn't help but dissipate, replaced by excitement and how he could torture Lin Ran properly later on, so that he could be more painfully relieved.

"Ghost beads, right!"

Lin Ran asked indifferently as he looked at the Ghost Beadle who was rushing towards him.

"What's the point of calling out to your grandfather, you dying little boy, I'll let you see for yourself today how I'll slap you to death!"

Ghost Pearl sneered.

At this moment, Lin Ran's handicapped and brave look made Ghost Pearl feel funny, and he even felt that he could easily take Lin Ran's little life if he slapped him across the face.

Lin Ran looked at the Ghost Pearl and a smile appeared at the corner of his mouth, a smile that was very bland, very evil and very cold at the same time.

"Say goodbye to this world!"

Lin Ran looked at the ghost bead, and said with a single word and a bland voice.

"I don't know what to say, it's you who should say goodbye!"

At this moment, he had already reached Lin Ran and without saying a word, he took out his dagger with his backhand and stabbed Lin Ran straight in the throat in a cold light.

However, the next moment, there was a muffled "bang" and a black shadow flew up out of nowhere, while the whole world went silent around him.

Li Jiang and his men, Yue Bu's men, Song Nuan, and Yue Bu in the distance, almost everyone who saw this scene before them were all stunned, they stood still and didn't dare to move, they couldn't help but gag, their feet were like lead and they didn't even have the courage to move a step.

"How is it possible!"

Yue Bu stood dumbfounded next to the remote control, but at this moment, he had no intention to pick it up because of his surprise.

In the distance, with a “bang”, the ghost bead’s body fell straight to the ground, blood flowing out from the wound, and there were bright red blood everywhere, while on the ground not far away, the ghost bead’s head was lying on its side, not breathing at the moment.

That’s right! The human head was separated, Lin Ran had directly knocked off Ghost Pearl’s dog head with just one move, technically a slap.

“Let you properly is to say goodbye to the world!”

Lin Ran whispered softly to himself.

The Yue Bu on the side had already reflected at this time, he looked at Lin Ran at this time where there was still half disdain and condescension in his eyes, all there was was shock and fear.

“This How can this guy be so strong! The strength of the ghost beads is a bit higher than mine, this is this guy who only had the upper hand when he fought with me before, how could he have killed the ghost old man with just one slap!”

As Yue Bu was thinking in his mind, Lin Ran at the side was speaking again.

“I’ll give you ten minutes to say goodbye to this world!”

Lin Ran looked at Yue Bu, the anger in his eyes had long since dissipated, and there was only blandness, and this time the blandness was different from the usual.

The blandness in Lin Ran’s eyes was calm and calm, but this time his blandness was as calm as if he was looking at a dead person.

“Lin Lin Ran! Don’t you threaten me!”

Yue Bu stammered.

“I can Yue family members If you dare to kill me Our Yue family will not spare you, my grandfather Yue Shan will even personally hunt you down, you dare not touch me!”

“You still have nine minutes!”

Lin Ran just stood in place, not moving, quietly looking at him.

“You! I am from the Yue family, and I am the leading member of the younger generation of the Yue family, the entire Yue family will be mine in the future, you dare to threaten me!”

Yue Bu was furious, he had just trampled Lin Ran under his feet, but in less than a minute, the situation in the field had turned into this, the ghost pearl was dead, and he had lost his remote control

“Right! The remote control!”

Thinking of the remote control, Yue Bu’s face instantly had an excited smile again, he was busy turning around and rushing towards the remote control on the ground to the side and lunged for it.

“Arise!”

Suddenly, a bland voice rang out, and Yue Bu, who was about to touch the remote control from afar, was stunned, and then he was surprised to see that the remote control, which was only a metre away from him, actually flew up on its own, just avoiding his palm.

What he didn't expect was that after the remote control flew up, it actually smashed directly into the wall, only to hear a "bang" sound, the whole remote control instantly broke apart and turned into countless parts and debris.

"What's going on? What the hell is going on here?"

Yue Bu's heart was puzzled and surprised, how could the remote control suddenly miraculously fly up and hit the wall?

"It's him! He must have done it!"

Yue Bu thought in his mind and hurriedly looked towards Lin Ran, but with this glance, his whole body suddenly became anxious.

Only to see that Lin Ran had already reached Song Nuan close by and was about to save him.

"Stop it! Bastard! Don't you dare try to save her!"

Yue Bu went completely mad.

Chapter 605

Song Nuan was Yue Bu's only card, and if the former was really saved by Lin Ran, then he would not be far from death.

However, at this point, Yue Bu also calmed down, as it was almost impossible for him to stop Lin Ran by himself, so he had an idea and rushed towards the huge writing board.

He then flew up and kicked the huge writing board directly.

The writing board was three metres long, but in the end it was only a steel frame structure, and Yue Bu had practised martial arts since he was a child, and later on he had even entered the Tao through Feng Shui, so at this moment his true qi was added to his leg, and with one kick he directly broke two of the three fixed steel pipes of the writing board.

"Creak!"

A sound of twisting and breaking metal rang out, and the whole billboard twisted and poked out of the edge of the rooftop, while Song Nuan also descended several meters, and her whole body had already sunk to a position flush with the edge of the rooftop, as long as the billboard descended a little more, her whole body would be submerged under the plane of the rooftop, and by then Lin Ran would not be able to see her.

"Lin Ran!"

Song Nuan exclaimed, she was just an ordinary woman, the flowing light of the big road below, at this point she was looking at it saying that she wasn't scared, it was impossible!

“Nuan!”

Lin Ran was also anxious, seeing that he could save Song Nuan, but at this moment Yue Bu was actually jumping out to make trouble again.

“Lin Ran! If you dare to move one step, I will immediately take her life!”

Yue Bu lifted his paws and pointed at the billboard next to him.

At this moment, the billboard was already shaking and if he added a kick to it, it would fall down together with the sign and Song Nuan, and this was not the most horrible thing, the most horrible thing was that below the rooftop was the lively street.

If the billboard fell, what kind of disaster would it bring, the consequences of which Lin Ran dared not think about.

“You’re still obsessed even now!”

Lin Ran glared at Yue Bu, his eyes filled with killing intent.

“I’m still obsessed? Who the hell do you think you are? You don’t have the right to tell me what to do!”

Yue Bu said in a cold voice, with madness in his eyes, he could have trampled Lin Ran to death and then ruined him, but he was so close to losing this situation, fortunately! Fortunately, he had now regained the initiative again.

“If you want to save her, then pick your own hamstring!”

Yue Bu said angrily.

“You’re looking for”

Lin Ran said angrily, but before he could finish his words, he was cut off by Yue Bu.

“Hurry up! There’s a limit to my patience!”

Yue Bu’s face looked like madness as he angrily scolded, now he really didn’t dare to play, only when Lin Ran had picked off his hamstring and turned completely crippled could his tense heart completely relax.

Lin Ran took a deep look at Yue Bu, and the anger in his eyes weakened by a few points as he sighed.

“I hadn’t wanted to kill you, I just wanted to cripple you, but now you’ve consumed the last shred of my mercy, you Yue Bu will surely die today!”

“I’m bound to die? What a fucking dream! Look clearly, who is in control of the matter now, letting me die? Who do you think you are?”

Yue Bu laughed coldly, but as soon as his words left his mouth, he saw Lin Jian raise his head and look at him with a burning gaze, followed by a cold wind behind him, and then with a “bang”, a huge billboard fragment slapped him directly on the back.

The fragment of billboard directly knocked Yue Bu to the ground, while at the same time Lin Ran also moved.

Three steps forward and two steps back, Lin Ran rushed to the front and gave a bang to the advertisement.

At the same time, a wave of air washed away the rest of the billboard, exposing Yue Bu's entire body.

"I said, you must die today!"

As the words fell, a "bang" was heard as Lin Ran kicked Yue Bu in the chest.

Yue Bu's entire body flew straight out, knocking over the remnants of the billboard's steel pipes along the way, and the loud crashing sound was accompanied by the sound of bones breaking.

"Ten Ten, that's all I heard!"

In the distance, Li Jiang looked completely terrified, he swallowed his spit and silently retreated to the back of the crowd, then turned around and left without looking back.

At this moment, Lin Ran terrified him, how could he dare to stay, and he was already completely scared, if all of Lin Ran's methods were used on him just now, I was afraid that with just one move, he would have to report to the King of Hell.

"Demon! This guy is a demon! Hurry up and run! Hurry up and run!"

Li Jiang muttered and already went downstairs. As for his men, they were no better at this moment, and all of them ran towards the stairs for fear of getting into trouble.

As for Yue Bu's men, they didn't dare to go forward at this time, although they were Yue Bu's men, but whose life is not life, they also had families and curtains, this absolute crushing in front of them, even if they went up, they would just send one more life.

"Bang!"

Another loud bang, Yue Bu's entire body flew up again, Lin Ran's anger he couldn't bear, just two kicks had broken most of the bones in his body, only his head still kept the situation.

"Kill Kill me!"

Yue Bu was lying on the ground with blood at the corner of his mouth, looking at Lin Ran as he limped over, his eyes filled with resentment and fear.

As the son of the Yue family, and even the leading young man, he was above all others, he was usually well respected, and when he gave orders, countless people dared not disobey, but now, there was fear in his gaze when he looked at Lin Ran's performance.

He understood that he was truly afraid, that Lin Ran would forever be his nightmare, a chasm that he would never be able to cross in his lifetime.

"You will die, but definitely not so easily!"

There was anger in Lin Ran's eyes as he raised that still intact arm and punched Yue Bu in the face.

"Bang!"

The sound of a fist hitting flesh caused people to tremble, and even more so, Yue Bu's entire body was dumbfounded.

But Lin Ran didn't stop!

"Bang!"

Another punch.

"Bang, bang, bang."

Punch after punch, Lin Ran didn't even know how many punches he had thrown until Yue Bu's head had swollen into a pig's head before he stopped and sent away his already sore fist.

"Kill up me!"

Yue Bu's face was full of blood and his voice trembled, now all he wanted was to die.

"Don't worry, I told you, you will die!"

Lin Ran's patience had also reached its limit, he raised his fist, killing intent bursting out in his eyes as he rushed towards Yue Bu's head and prepared to swing this final punch.

But at that moment, a strong wind struck him, while a voice resounded through the clouds.

"Lin Ran! Stop!"

"Stop?"

Lin Ran's afterimage glanced over and found that it was an old man dressed in white, there was no need to think that it must be this guy's old ancestor coming, who else could it be, it must be Yue Shan.

"I told you, he must die!"

Lin Ran said indifferently, following which he still swung the punch.

"Lin Ran! You seek death!"

Yue Shan was furious, and from hundreds of metres away, his palm fiercely lifted, directly pulling Yue Bu out from underneath Lin Ran's body, the imperial object! As a Heaven Seizing Realm, he was incomparably skilled at controlling it.

Chapter 606

"Bang!"

Lin Ran's fist landed, but unfortunately it came up empty.

He got up and looked icily at Yue Shan in the distance, while at that moment Yue Bu was lying on the ground next to him whole, his breath like a wisp.

Yue Shan took a look at Yue Bu and anger appeared in his eyes as well, turning his head to look at Lin Ran with anger in his eyes.

"Lin Ran, you dare to hurt him like this!"

“How!”

Lin Ran’s face was bland, his voice resounding, showing no sign of bowing down at all in the face of Yue Bu.

“Arrogance!”

Yue Shan’s face was gloomy as he immediately took out a pill from his pocket and stuffed it into Yue Bu’s mouth, following which the anger on his face only seemed to dissipate a little, he had also been a little punchy at first when he saw Yue Bu’s condition and couldn’t help but regret it a little when he calmed down.

“Lin Ran, this matter today is Yue Bu’s fault in the first place, but you have already beaten him up like this, you and I will each take a step back and forget about it at this point”

Yue Shan looked at Lin Ran, stroking his white snow-like beard and said solemnly, at the same time he also had confidence on his face, he was at least an elder of the Yue family, who in the feng shui world must not sell himself some face, today he was not pursuing Lin Ran’s matter, but only asked him to let Yue Bu go, no one would have a reason to refuse this condition.

However, he was wrong, because he ran into Lin Ran!

“He must die today, it’s useless for anyone to come! You can’t save him either, I said so!”

Lin Ran looked at Yue Shan and said in a cold voice.

“You’re making an enemy of my Yue family! Have you thought about it!”

Yue Shan’s face also turned gloomy as he looked at Lin Ran with somewhat complicated eyes.

With Lin Ran’s talent, I was afraid that it wouldn’t take long for him to shine in the entire Feng Shui world, but now this person who was about to rise to prominence was at odds with their Yue family, which was definitely not good news.

“Lin Ran!”

Yue Shan spoke up again.

“I know that you have an opinion of me because of the matter of the Compass Pavilion! But you have to understand that the Feng Shui path is also a jianghu, and when there are jianghu, there are grudges and interests, and you will understand these things when you really become a member of the Feng Shui world!”

“Of course, it was my fault for helping Compulsion Yang, I can apologise for this. I just hope that you can spare Yue Bu, he is after all the foundation of my Yue family!”

Yue Shan said solemnly, then the coldness on his face eased even more and he spoke.

“As long as you let him go, I, Yue Shan, can guarantee that no one will know about what happened today, and in the future, if you go to the imperial capital, you will still be my Yue family’s guest, and my Yue family will be willing to make friends with a hero like you!”

Yue Shan spoke very cheerfully, which made it seem like Lin Ran was a bit small-minded.

“Hehe! Your Yue family’s guest of honour!”

Lin Ran laughed.

“Your Yue family’s guest of honour, I, Lin Ran, don’t care! I’ll say it one last time, he must die today!”

“You!”

Yue Shan’s newly eased face suddenly turned gloomy again, and his hands unconsciously clenched into fists.

“You what you! Do you really think that your Yue family is very powerful? Is this world your Yue family’s world? Kidnap whoever you want? Insulting whoever you want? I’m telling you, and I’m also telling you Yue family members! There are plenty of hot-blooded men in the world who are out to make a living! You should have thought of today’s situation long ago!”

“Lin Ran! Is it useful to talk such bullshit? The world is not the Yue family’s, but the Yue family is not something that people like you can mess with, if the Yue family wanted to, they could kill you like an ant! Don’t take yourself too seriously!”

Although he was not very sure that he could kill Lin Ran, the fact that his family had been standing for so long was proof that its heritage could not be underestimated, otherwise it would have already died out in history.

“Is that so? Then I’d like to see if your Yue family are all as virtuous as Yue Bu, who only kidnaps friends and relatives if they can’t beat them!”

Lin Ran sneered, following which the sneer in his eyes suddenly turned into a cold aura as he looked at Yue Shan with a burning gaze and said in a cold voice.

“I, Lin Ran, am putting my words on the table today! If you want to fight, I’ll fight to the end, there are only a few of my friends, if you want to kidnap me, you can come over! But please remember, if this really happens, as long as I don’t die! I will drive all of you Yue family members out one by one! I will drive all of you Yue family members to extinction!”

“You!”

Yue Shan’s face became even more gloomy, he hadn’t felt the feeling of being threatened for a long time, but he could also feel the anger in Lin Ran’s heart towards the Yue family, and it was impossible to reconcile it.

“Kidnapping is something my Yue family doesn’t care to do! Since you’re obsessed, I’ll just have to sober you up!”

Yue Shan’s face sank as anger erupted from his eyes, only for Lin Ran to see that deep within his eyes, he was carrying a cold aura, a cold aura of killing intent.

“Since you can’t be used by my Yue family, this is the way to wipe out the future!”

Yue Shan said in a cold voice in his heart.

This is originally a world where the weak are strong and the strong eat the strong. Although the civilization of society has made the weak euphemistic, this essence will never disappear because this is the instinct of human beings! It is also the unchanging rule that keeps this world running.

“Come on!”

Lin Ran shouted coldly, following which his feet lashed out and lunged at Yue Shan.

“A half crippled person, and you dare to fight me! I don’t know how high the sky is!”

Yue Shan sneered.

Lin Ran Lack only had a cold smile on the corner of his mouth as he limped without stopping.

“Kid! Do you have to be so rigid?”

The voice of the pillow book came to mind, pensive with worry.

“Don’t you know what kind of character I have? Either help me! Or prepare to find the next master!”

Lin Ran said indifferently.

“Hey! You kid, you really make Master Shu happy and mean at the same time! It’s just that I’ll give you a hand, Master Shu, it’s up to you whether you can walk out alive or not!”

The pillow book said with a sigh, following the golden pages slowly turning over, a ray of golden light quickly invaded Lin Ran’s limbs and bones from his mind, instantly Lin Ran felt that his broken bones were healing rapidly, in just a few steps, the originally broken leg bones and arms were already intact as before.

“Go on! Don’t let Master Shu down, this saving you for a bit will take at least five years for Laozi to cultivate back!”

Pillow Book lamented.

Lin Ran smiled but couldn’t help but curse.

“Shit! I’ll just buy you Heaven and Earth treasure materials later, what’s the point of hinting at it now!”

.....

While the two were talking, Yue Shan had already rushed to Lin Ran’s close proximity.

Facing Yue Shan, who was even stronger than Compulsion Yang, Lin Ran did not dare to be the least bit careless and used his full strength as soon as they met.

“Lin Ran! Come and die!”

The old man’s palm was so majestic and powerful that it was several times more powerful than his own.

“This is the strength of the Heaven Seizing Realm?”

Lin Ran couldn’t help but gulp, but there was no fear in his eyes, there was only excitement.

“Then let me see how terrifying the Heaven Seizing Realm is!”

Lin Ran laughed out loud, following which he similarly raised his arm and met this slap towards Yue Shan.

Chapter 607

“Bang!”

The two hands clashed, and in an instant a fierce wind swept over the sides of the two men, blowing their robes to bristling.

“Bang!”

A moment later, there was another muffled sound, followed by Lin Ran’s entire body flying backwards, while Yue Shan was not much better, just a little closer than Lin Ran to the flying distance.

“You! What a surprise to me! If I hadn’t found out now, I’m afraid that in less than two years, you would have risen to complete prominence!”

Yue Shan hurriedly stood up and looked at Lin Ran, who was also unharmed in front of him, with a hint of panic in his eyes.

He was only twenty-six or twenty-seven years old, yet he had already fought with himself without losing a fight. This kind of talent could definitely boast of the entire Feng Shui world if he was given time, and he might even reach the legendary realm.

“No! This son cannot be kept! He must not be kept!”

The more Yue Shan thought about it, the more frightened he felt, and there was even a hint of regret, but as long as he could reconcile with Lin Ran, he did not want to push the Yue family against Lin Ran.

But it was useless to say this now.

“Old scoundrel! You are no better than that!”

Lin Ran laughed disdainfully, after a hard fight just now, he also had some idea of this guy’s strength, although he was at a disadvantage, this old thing couldn’t grab much more than himself.

“Arrogant!”

Yue Shan’s face sank as his hands fiercely probed out, and a fierce wind suddenly gusted around him, blowing his robes to a bristling sound.

“Since you want to die, then I will grant you! Just now I only used fifty percent of my power, now I’ll show you how big the difference between you and me is!”

Yue Shan shouted coldly, followed by a pair of large hands spaced tens of metres apart, rushing towards Lin Ran with a distant slap.

“Bang!”

The heavens and the earth changed colour, only to see that in front of Yue Shan, a large hand shadow of tens of metres appeared out of thin air and slapped down right at Lin Ran.

“Old shameless one!”

Feeling the violent aura on the palm, Lin Ran couldn't help but curse, while his body flashed to dodge, such a fierce move, he would be really stupid if he still fought hard.

“You want to leave!”

Yue Shan's face sank as his palm changed direction and slapped down with a “bang” at the place where Lin Ran was dodging.

However, this was the moment Lin Ran was waiting for, as he revealed a cold smile at Yue Shan and said.

“Old bastard! Thanks a lot!”

As the words fell, a bang was heard as the huge palm instantly shattered and the violent power swept in all directions, but as this was the rooftop, Yue Shan did not dare to be too ostentatious and waved his hand to disperse the violent aura.

But this momentary delay was enough for Lin Ran. Before the violent breath disappeared, it hit Lin Ran's back hard, and with this push, Lin Ran rushed towards Yue Bu who was lying on the ground.

“Get up for me!”

Rushing closer, without saying a word, Lin Ran grabbed Yue Bu by the neck and lifted his entire body up.

“Lin Ran bastard! Stop!”

When Yue Shan saw this scene, his heart sank, and he realized that he had fallen for this kid's scheme.

“Stop? Why should I stop!”

Lin Ran turned around and looked at Yue Shan and sneered.

“Lin Ran has something to say, don't hurt him!”

Yue Shan was busy saying, the struggle within the family was complicated, Yue Bu was even the successor he had cultivated, but now his fate was in Lin Ran's hands.

“Did you say you could talk nicely? If you could have said yes, things wouldn't have turned out the way they have! You're really the same as Yue Bu, why didn't you have anything to say when you killed him just now!”

Lin Ran said in a cold voice.

“You!”

Yue Shan's old face turned blue as he said in a cold voice.

“Lin Ran, as long as you let him go, it's not like the grudge between you and the Yue family can't be reconciled, but if you do kill him, then you and the Yue family will be completely at odds, do you know what that means?”

“I don't want to know, I just know! Those who touch my scales! I will kill them!”

Lin Ran said angrily, and the palm of his hand that was pinching Yue Bu began to gradually exert force, causing Yue Bu, who was already pale, to have his lips turn purple and swim on the edge of life and death.

“Lin Ran! Let him go! Or else I, Yue Shan, and you will not rest until death!”

Yue Shan said angrily, Lin Ran was so soft and hard that he was extremely annoyed.

“Threatening me? Can’t resist revealing your nature at last?”

Lin Ran laughed.

“You won’t stop with me until you die, will you? Then come and try!”

Lin Ran said as his palm continued to exert force, and Yue Bu’s entire body tensed up, threatening a whimper at any moment.

“Lin Ran! Stop it, what the hell are you going to do before you let him go! You name the terms, I, Yue Shan, will definitely not hesitate!”

Yue Shan was busy saying, he really had no choice, Yue Bu was his most valued disciple, but now he couldn’t save him at all.

Lin Ran looked at Yue Shan and smiled.

“I just said it, he must die today, and you can’t do anything about him! I said so!”

With that, Lin Ran’s palm lashed out, and with a “click”, Yue Bu’s head lolled and his entire body fell to the ground like mud.

“Lin Ran! You want to die!”

Seeing this scene in front of him, Yue Shan went completely crazy, while Lin Ran also laughed.

“Crazy? Come on!”

Lin Ran pointed distantly at Yue Shan with the intention of fighting in defiance.

But just as the two were on the verge of fury, ready to explode into a battle, Yue Bu, who was lying on the ground, suddenly had his body tremble violently, followed by a sharp swelling, and had instantly swelled up several times.

“Eh?”

Lin Ran felt his heart tremble as a voice had sounded in his head.

“Kid, run! This dog thing is about to explode its own true qi!”

“Shit! Didn’t say so earlier!”

Before Lin Ran could even take a step, a huge bang behind him directly lifted him out.

At the same time, the huge wave of Qi from Yue Bu’s self-destruction swept across the entire rooftop, and Lin Ran could only feel his ears buzzing, but he was not given any moment of reprieve.

He heard the “creaking” of metal and hurriedly looked towards Song Nuan, only then did he notice that Yue Bu’s self-explosion had finally caused the last supporting steel pipe to fail, the whole billboard had completely broken and collapsed on the rooftop, but the rope tied to Song Nuan had also fallen off.

When Lin Ran looked over, he could better see the end of the rope, disappearing over the edge of the rooftop.

“No!”

Lin Ran’s eyes instantly turned red, he didn’t care, he busily got up and took three steps forward and two steps back, without any use, he rushed to the edge of the rooftop and leapt down after him.

Thirty storeys high, a distance of nearly a hundred metres, it was questionable whether he could survive a fall from such a height, not to mention his life.

“Nuan!”

As soon as he leapt off the rooftop, Lin Ran saw the falling Song Nuan, who by now had completely fainted from shock and was in complete free fall.

“Give me the fall!”

Lin Ran gritted his teeth and mobilised his entire body’s true qi to instantly speed up his falling form several times, quickly arriving in front of Song Nuan and stopping her into his arms.

“Lin Ran?”

Feeling the cold wind on both sides, Song Nuan smiled bitterly.

“I didn’t expect to see you again, but this is how it is!”

Lin Ran looked at her with the same bitter smile, but he didn’t say anything, he just embraced Song Nuan into his arms!

Chapter 608

“Get up!”

Lin Ran merely held Song Nuan, his eyes fiercely became sharp, followed by an unexpected scene appeared.

The rope tied to Song Nuan’s body fell out of thin air and was tied to a corner of the glass of the office building. Lin Ran grasped the other end with his palm and his body gave a fierce force, and with the inertia of the rope, he crashed the glass outside the office building with a bang, taking Song Nuan with him into the office building.

This is a stairwell of an office building, which is empty and dim, but the night lights coming in from outside the glass appear to be lights!

“We We’re actually aren’t dead!”

Song Nuan cried with joy, tears flowing down her cheeks as she threw herself into Lin Ran’s arms, crying out in excitement.

"I told you, I won't let anything happen to you!"

Lin Ran patted Song Nuan's back, heartache in his eyes, it was all because of himself that she had suffered such an ordeal, going through the fear she had just experienced, in the end everything was still his fault for not handling it properly.

"I'm sorry for making you suffer!"

Lin Ran murmured.

"Don't say that!"

Tears streamed down Song Nuan's cheeks as she hugged Lin Ran tightly, unwilling to let go, as if Lin Ran would run away as soon as she let go.

"I thought, thought I would never again in this life."

Song Nuan choked back a sob, ever since the bone change began, Lin Ran had been busy searching for the various heaven and earth treasures the four girls needed, which made Song Nuan feel so much more distant from Lin Ran.

This feeling made her heart sad and lost, originally, after being kidnapped by Yue Bu, she even thought that Lin Ran would not come, but now, everything that was estranged, everything that was possible, was confirmed.

"I thought, you wouldn't come!"

Song Nuan choked out.

"Fool! How could I not come, not only did I promise Uncle Song to protect you, but because you are the most important person to me, how could I not come!"

Lin Ran's hand that was hugging Song Nuan also unconsciously tightened, at this moment he was fearlessly spilling his heart.

"Where are they?"

Song Nuan's mood eased a little and she opened her mouth to ask.

"Down there!"

Lin Ran squeezed out a smile and said.

"I want to go down there!"

Song Nuan opened her mouth, coming back from the dead had left her spirit still in a tense state, going to rendezvous with Qin Bing and the others at this time was the best option for her.

"Hmm! But I can't send you down, can you go down by yourself!"

Lin Ran said softly, this was something he didn't want to say, but the current situation was not allowing him to do so.

Although the two of them had fallen from above, Yue Shan obviously couldn't give up so easily, he couldn't leave at this moment, he had to go and solve the big problem that was Yue Shan.

"I understand, you take care of yourself!"

Song Nuan nodded her head, she understood Lin Ran's concerns and was not far from becoming a burden to Lin Ran.

"Mm! Wait for me to return!"

Lin Ran nodded solemnly, and then watched Song Nuan leave.

.....

"Yue Shan, you've really lost your old face, someone who has half a foot in the dirt, actually striking out at a junior, you're not ashamed of yourself!"

On the rooftop, a green-shirted Qin Jie looked at Yue Shan in front of him with a cold smile on his face.

"Old man Qin, don't drop stones here, don't you see what strength that kid has? Is there a problem with me striking with all my might?"

Yue Shan's face was grim, if it wasn't for Qin Jie's sudden appearance, he would have followed and killed him, where would he have let the two Lin Ran escape by jumping into the office building so calmly.

"No, no, no! Old man Yue Shan you can fight all you want, but you have to have a face! At such an old age, you're not ashamed!"

Qin Qi stole the concept and laughed.

"Cut the crap! Don't think that old man doesn't know that your granddaughter has a relationship with Lin Ran, or else you would have come out to meddle in this matter given your old man's character?"

Yue Shan's face was gloomy as he looked at Qin Ji.

"Old man Qin I'm telling you, that Lin Ran killed someone from my Yue family, and even more so, my single-handedly trained disciple, this matter is not over! Not even if you help him!"

Yue Shan waved his hand with the air that even if the King of Heaven came, he wouldn't be able to do it.

"I'll help him? I'm not interested, but if you want to hurt my grandson-in-law, you can't!"

Qin Jie laughed blandly.

"You!"

Yue Shan's face turned blue with anger at his words, what with not being interested in helping him Lin Ran, this was a roundabout way of saying that in the end he was not going to help him.

"Qin Qi, you're playing me!"

Yue Shan's face sank, and with a flip of his palm, a golden disc had appeared in his hand, as if he was ready to make a direct move.

“Golden Wing Ridge? Old mountain head! Are you trying to scare me? We have fought for most of our lives, what do you know that I don’t? You want to fight me even with this Golden Wing Ridge?”

Qin Jie laughed disdainfully, followed by a cold flash in his hand, and a sharp longsword appeared in his hand, the longsword was black in colour, but its body was permeated with a sharp cold light, a good sword at first glance.

“This old fellow of mine hasn’t fought with me for a long time either, why do you want to have some fun?”

Qin Qi looked at Yue Shan with excitement on his face, at their age, it was rare to fight once in a few years or even a dozen years, at this time to fight with Yue Shan, it made him extraordinarily look forward to and excited.

“Qin Ji! You really want to help him!”

Yue Shan’s face was gloomy and his gaze was burning as he looked at Qin Ji. To be honest, he did not want to make an enemy of Qin Ji, after all, this would only delay his time, but right now, if he did not solve Qin Ji, there was no way for him to get out, which made his heart very conflicted.

“Old man, it’s not as bad as it sounds. Your disciple, Yue Bu, is a fucking moron, he’s dead, he’s dead. If you’re dead, then you’re dead, there are so many people in your Yue family, just get another one as your disciple!”

Qin Ji said impatiently.

“Bullshit! He can’t just kill the people of my Yue family! What is his status, what is our Yue family’s status!”

Yue Shan said disdainfully.

“O? I wonder senior Yue Shan, what is the status of your Yue family? And what status am I, Lin Ran!”

Just as Yue Shan’s words fell, a familiar voice rang out once again, followed by Yue Shan and Qin Ji who coincidentally looked towards the staircase entrance, only to see that Lin Ran was actually walking up from the staircase entrance, step by step.

“Lin Ran? Why are you back again?”

Qin Ji looked frowning, originally, he would naturally set things right for Lin Ran here, but he didn’t expect Lin Ran to kill back at this moment.

“It’s good that you’ve come back! It saves me from having to go looking for you!”

Yue Shan had a joyful look in his eyes, if Lin Ran was bent on hiding, then he really couldn’t do anything about it, but Lin Ran had come back again, then everything would be fine.

“Senior Qin Ji, thank you so much! Not much of my grudge with Yue Shan and the Yue family, I think it’s better to settle it now and clear it up at the same time!”

Lin Ran rushed towards Qin Qi and bowed while saying aloud.

“Settle your grudge with me? Settle your grudge with our Yue family? You have a big mouth!”

Yue Shan sneered, disdain in his eyes.

Lin Ran paid no attention to Yue Shan’s words as he turned to look at Qin Ji and respectfully bowed while saying.

“Senior Qin Jie, later on, I would also like you to take more care of the surroundings to avoid spilling over to the innocent people below when I fight with this Yue Shan!”

“Don’t worry! I will take care of myself!”

Qin Qi nodded at his words, but there was worry in his eyes.

Chapter 609

“You arrogant little boy! Today, I’ll let you understand how to write the words “frog at the bottom of the well!”

Lin Ran’s actions completely enraged Yue Shan, such actions that did not take him into consideration at all was a naked provocation, how could he not get angry!

“I naturally know how to write “frog at the bottom of the well”, and at the same time, I also know how to write “shameless”!”

Lin Ran turned around and sneered.

“The Yue family is really something, beating up the little one and running out the old one, if I kill you too, will your Yue family still have an old bastard who is a so-called old ancestor of thousands of years jump out!”

“Eloquent, I just don’t know if you have the strength to do so!”

Yue Shan was utterly furious, and with a fling of the Golden Winged Ridge in his hand, a round of golden cold light shot up into the sky, heading straight for Lin Ran’s neck with endless power.

The Golden Winged Ridge, originally a pair of scimitar-like weapons, was later fused into one by Yue Shan and became a sharp weapon for killing and harvesting, this was also the magic weapon he relied on all over the world, wherever the Golden Winged Ridge went, blood flowed!

“Qualification? I will make you understand what qualification means!”

Lin Ran’s eyes were equally fierce and cold, but he had no weapons, only his two fists, but it was these two fists, wrapped in true qi, that were as daunting as two to large iron hammers.

“This power, how could he have done it!”

Once Lin Ran’s power came out, not only Yue Shan, but even Qin Ji at the side was a little shocked.

Back at the Ten Thousand Ren Mountains, the power Lin Ran had displayed when he had fought against Compass Yang was not even as rampant as it was now, and now this true qi of Lin Ran’s was simply enough to rival theirs.

It was just that they did not know that since obtaining the Pillow Book, Lin Ran's true qi of the healing dao had become more and more closely related to himself, as if the ocean was being exploited more and more by Lin Ran.

Ask yourself, which is more efficient, having an ocean to mine by yourself, or gathering it together? It goes without saying!

"Demon! Lin Ran really is a demon! I knew my Little Ice wouldn't have bad eyes! Once such a demon grows up and becomes the son-in-law of my Qin family, then our Qin family Tsk!"

The more Qin Ji thought about it, the thicker the smile on his face, followed by actually shouting at the bottom of the heavenly platform.

"Your granddaughter has good eyesight, I'll take this son-in-law!"

"Granddaughter's son-in-law? Qin Qi?"

It was not clear how much true qi Qin Qi used to say this sentence, but it was heard clearly through the distance of almost a hundred metres to the ears of the people downstairs.

"Who is Qin Ji?"

"What the hell is his son-in-law?"

"Holy shit! I'm hallucinating!"

Some people who happened to be driving by, and those who were walking on the main road were suddenly confused.

Wang Yifeng and the four daughters, on the other hand, heard it loud and clear, and at once Qin Bing's pretty face brushed red.

"Disrespectful for an old man! Shame on you!"

Qin Bing was so angry that her silver teeth clenched, the cold as frost iceberg beauty, for the first time, revealed a coquettish red face, actually shy.

"Elder Qin you"

Lin Ran even more helpless, even if his strength is amazing, there is no need to make such a big deal about it, right, the four women are all down there, you are over this mouth addiction, you still have to clean up the mess yourself when you get back.

"Haha! Little friend Lin Ran, couldn't hold back haha!"

Qin Jie laughed.

In the distance, however, Yue Shan's face had turned completely gloomy as he glanced at Qin Ji and said in a cold voice.

"Looking for a granddaughter-in-law now, old man Qin, your vision is really bad, your granddaughter-in-law is about to become a dead man!"

“What a foul mouth, come over here!”

Lin Ran sneered at this.

“Hmph! Little Zhang Mad, do you really think you have the capital to stand up to me? Although I don’t know how you reached this level of strength in such a short period of time, you’re too young after all!”

Yue Shan coldly rebuked, followed by his hands forming a seal, and the Golden Winged Ridge split into two with a bang, rushing towards Lin Ran left and right at the same time.

“Is that so? Then you should try it!”

Lin Ran’s face sank as well, following which his feet stepped slightly apart and he actually stood still.

“Are you afraid? Then go to hell!”

Yue Shan had a smug look on his face as he manipulated the Golden Winged Ridge to head straight for Lin Ran.

“Good timing!”

As he watched the Golden Winged Ridge approaching quickly, Lin Ran’s face also showed madness as his hands fiercely opened wide and actually struck directly at the Golden Winged Ridge.

“I don’t know how high the sky is, my Golden Wing Ridge is made of the Nine Mysterious Cold Iron, with your hands you still want to shake it, you really don’t know how to die

Yue Shan laughed coldly, but before he could finish his words, his entire body was suddenly confused.

He saw that Lin Ran’s fists were like iron heads, and he smashed into the Golden Winged Ridge with a bang.

Instantly, the Golden Winged Ridge flew backwards in response to the sound, while Lin Ran actually stood still without moving a single step.

“Bang Bang Bang!”

The story was short, but the book was long, in almost the blink of an eye, Lin Ran’s fists had collided with the Golden Winged Ridge at least dozens of times, but every time without any exception, all of them were the Golden Winged Ridge flying backwards and then coming back to kill again.

“Kid, sooner or later your true qi will be depleted if you’re this big!”

Pillow Book was busy reminding, although Lin Ran’s strength was not bad, he was still less experienced in combat after all, and could not compare with an old fox like Yue Shan who had become an expert, but with Pillow Book it was different.

This guy has followed the Immortal Emperor and has experienced many battles, big and small. I am afraid that if he says he is second in battle experience, no one would dare to say he is first.

“Although this old thing’s strength is not bad, but the aura in his body is fire attribute, and this Golden Wing Ridge is the Nine Profound Cold Iron itself is Yin and Cold attribute, in his hands simply can not

play the full strength, you directly fight over and crush him! Otherwise, if you drag it out until the end, with your current use of Healing Dao True Qi, you will not be able to consume him at all!”

Pillow Book reminded.

“Alright!”

Lin Ran nodded, and immediately took a step away from his feet, rushing directly towards Yue Shan.

“Bastard!”

Yue Shan’s face sank at the sight, and he hurriedly manipulated the Golden Winged Ridge to charge at Lin Ran to speed up his lunge.

But Lin Ran’s hands were like shields, defending against every drop, not giving the Golden Winged Ridge a single chance at all, and even as Lin Ran sent the Golden Winged Ridge flying with each punch, Yue Shan’s control over his two magic weapons was becoming more and more strained.

“Bang!”

Suddenly, a scene that no one expected occurred, only to see Lin Ran, when he noticed Yue Shan backing up and dodging, actually fiercely and viciously grabbed the incoming Golden Winged Ridge directly in his hand.

“Bang!”

In the blink of an eye, another Golden Winged Ridge was actually grabbed in Lin Ran’s hand as well.

“Kid! What are you doing!”

Even the Pillow Book was taken aback, it didn’t expect that Lin Ran would actually grab Yue Shan’s weapon in his hands with his bare hands, knowing that this magic weapon was Yue Shan’s and had long since been refined by this old man, there was no way Lin Ran could use it for him even if he grabbed it!

“This old thing doesn’t dare to fight me hard, then I’ll pout this Golden Wing Ridge of his!”

With a fierce fury, Lin Ran locked his hands firmly around the Golden Winged Ridge as if he was holding two half-moon shaped curved blades in his hands, pulling no punches.

“Arrogant little boy, even the old man’s magic weapon is presumed to be your own, I don’t think you want your hands anymore!”

Yue Shan’s face sank as his hands fiercely joined together, his body’s true qi swarming out, and instantly the Golden Wing Ridge glowed brightly, seemingly with the momentum to break through Lin Ran’s hands’ restraints.

Lin Ran’s hands were firmly locked around the Golden Winged Ridge, and as he looked at Yue Shan, there was madness on his face.

“Old bastard, what crappy magic weapon, want to go back? You try it!”

Chapter 610

“Shameless brat! Shameless little boy!”

Yue Shan was so angry that his face turned blue, and immediately stopped speaking, his eyes fiercely closed, and his hands directly joined together, his mouth vibrating with words he didn't know what to recite.

Lin Ran noticed that as the old man's mouth opened and closed, the Golden Winged Ridge in his hands became more and more difficult to control, and a huge force wanted to break through his hands and fly out at any moment.

“Lin Ran cannot! Forcefully bind his Golden Wing Ridge, this thing is going to explode on itself!”

Qin Qi watched in horror as a feng shui master's magic weapon, that was the same as the feng shui master's mind, as long as the feng shui master was willing to almost a thought, he could make his magic weapon explode on its own.

And a magic weapon's self-detonation, in addition to the user's own strength, but also depends on the degree of the magic weapon itself containment.

The Golden Winged Ridge was Yue Shan's magic weapon, and it was the only one he had, so that alone was proof of its importance to him. Similarly, once this pair of Golden Winged Ridges blew themselves up, their power was feared to be astounding.

“Self-detonation? Is this old thing willing to do that? As I see it, there is no difference between him and Yue Bu, one is lustful and the other is a treasure!”

Lin Ran sneered.

“Hm?”

Yue Shan smiled and looked up at Lin Ran, his eyes filled with anger, but at this moment, he couldn't be distracted, and immediately lowered his head and recited the incantation again.

As he continued to recite the incantation, the power of the Golden Wing Ridge became more and more difficult to control, and there were several times when Lin Ran almost failed to control it and let it fly out of his hands.

“Want! Dream on!”

With a fierce fury, Lin Ran held the Golden Winged Ridge in both hands and smashed them together with a bang.

The Golden Winged Ridge was originally a pair and had been fused together by Yue Shan, but now he separated them, which in turn helped Lin Ran.

At the same time, he also noticed that Yue Shan's tightly closed eyes in the distance snapped open, apparently his move was not only effective on the Golden Wing Ridge, but also on Yue Shan.

“Is that all you've got? Then this bullshit Golden Wing Ridge of yours is mine!”

Lin Ran laughed as he held the Golden Winged Ridge with both hands and smashed them together with a metallic clash, while watching Yue Shan unable to concentrate on his incantation.

“Shameless little boy! What an abomination!”

Yue Shan’s face was gloomy as he stared deadly at Lin Ran, he didn’t dare to go forward, Lin Ran’s strongest without his magic weapon was bound to be himself, if he couldn’t even restrain him with his own magic weapon, going forward to fight him hard would simply be seeking death.

“Why don’t you read it? Looks like you’re not going to take it!”

Lin Ran laughed, while his Medical Dao True Qi surged down his palm into the Golden Wing Ridge and began to refine it.

“Kid! How dare you!”

Yue Shan immediately sensed Lin Ran’s intentions, his face changed drastically and he lunged at Lin Ran regardless, his dry palm only slapping Lin Ran’s head.

“Good timing!”

Lin Ran was overjoyed at this, and once again, the Golden Winged Ridge in his hand clashed together with a bang, followed by a stride that rushed directly towards Yue Shan.

“Pop!”

“Bang!”

Lin Ran did not dodge, allowing Yue Shan’s slap to hit his chest, but similarly, Lin Ran’s kick also hit Yue Shan’s chest.

“Ka-chow!”

A crisp sound of bones breaking rang out, followed by a scene that surprised Qin Ji, as he saw Yue Shan’s body shoot backwards with such speed that it was like a stray bullet.

“Bang!”

In the blink of an eye, Yue Shan’s body smashed through a billboard at the back, and only then did he manage to stabilise himself.

“Shame on you! Bastard! You want to die!”

Yue Shan became completely furious and rushed towards Lin Ran to kill him once more.

“How funny!”

Lin Ran laughed as his hands kept moving and with a bang, he clashed the Golden Winged Ridge together again, but this time a scene that neither he nor Yue Shan had expected appeared.

After this collision, a sound of shattering was heard from the Golden Wing Ridge, followed by several gaps emerging from the Ridge at a speed visible to the naked eye, covering the entire Ridge almost instantly.

“Holy shit! The Nine Ghost Cold Spring! Boy this is mine, this is mine!”

The Pillow Book went crazy at once.

“What Nine Profound Cold Spring?”

Lin Ran wondered, not knowing what this guy was talking about.

“This old thing’s Golden Wing Ridge was forged from the Nine Profound Cold Iron, he definitely didn’t expect that there was a Nine Profound Cold Spring inside this Nine Profound Cold Iron, this thing is a great tonic for me, I can definitely remember more things when I get it!”

The pillow book was busy saying.

“Shit! Then what are you waiting for, hurry up!”

Lin Ran also urged, if eating this so-called Nine Profound Cold Spring could make this guy remember things about Wang Kun, it would definitely be great news from heaven.

“Laozi is not polite!”

The Pillow Book shouted, and following the pages flipping, there were actually wisps of white light filling out of the two Golden Winged Ridges, and then they all went into Lin Ran’s body.

“What’s going on! What are you doing!”

Yue Shan looked shocked, the Golden Winged Ridge was his magic weapon, but now, there was something inside that he didn’t know what was being drawn out.

“It’s the Nine Profound Cold Spring! It’s actually the Nine Profound Cold Spring! Little friend Lin Ran, save some for me!”

Qin Ji was also frantic as he watched, the Nine Profound Cold Spring was a very precious thing, a drop taken during cultivation could increase the effect by several times, and was a treasure that cultivators must grab every time it appeared.

“What! The Nine Profound Cold Spring!”

Yue Shan on the side was completely confused, while a wave of anger immediately rushed up in his heart, pointing at Lin Ran and cursing.

“Stop it, little Lin Ran, that’s Old Master’s Nine Profound Cold Spring!”

“Fuck you! Trying to grab something from Master Shu, I’m giving you face!”

The Pillow Book was instantly enraged at his words, and with a flip of the golden pages, a huge force directly wrapped around the Golden Winged Ridge, and in an instant Yue Shan froze.

This was because he found that the connection between himself and the Golden Winged Ridge had actually broken.

“Holy shit! You had this tactic and didn’t use it earlier!”

Lin Ran’s black face was very speechless.

“What do you know, you have to rely on yourself in everything, how else can you grow if you need my help with everything, Master Shu!”

Pillow Book said with good reason.

The golden light that wrapped around the golden winged ridge disappeared, and at the same time the golden winged ridge also disappeared, only two black clumps of dregs fell to the ground with a “clatter”.

The Pillow Book had destroyed the Golden Wing Ridge and taken out the entire Nine Mysterious Cold Spring inside.

“Mine! That’s my My Nine Profound Cold Spring!”

Yue Shan had the heart to die at this moment, for the sake of a Yue Bu he had not only lost the Golden Wing Ridge, but also the Nine Profound Cold Spring inside it, he had really lost his wife and his army, it was a loss to his grandma’s house!

“Kid! Master Book has gone to close up, see you tomorrow!”

Pillow Book laughed, and then there was no more sound.

“Holy shit! You’re a heartless bastard, you took the treasure and ran away, and you’re asking me to wipe your ass for you! If I don’t get any useful information tomorrow, I’ll settle the score with you!”

Lin Ran couldn’t help but curse, and almost as soon as his words fell, Yue Shan had already rushed over while roaring angrily.

“Destroying my magic weapon and taking away my chance! Little Lin Ran! Suffer death!”

Lin Ran was helpless and rushed at Yue Shan with a serious look on his face.

“Do you believe me when I say I’m innocent?”
