

Wonder Doctor

Chapter 701

“Brother Shan, I can’t stand it anymore, this bastard actually defiled my goddess!”

One of the men next to him couldn’t help but say.

“Nonsense, I can endure it!”

The young man named Brother Shan was also so angry that he gritted his teeth.

“Hey! Kid, this car is not you, right!”

Meng Shan looked at Lin Ran and scolded him.

“No, what’s wrong?”

Lin Ran wondered, he was wrong to sit in a car?

“Fuck, just sit in the car, what are you lying around, the goddess’s clothes are dirty by you!”

Meng Shan did not have a good temper, at the same time smiling up and rushed Qin Bing to.

“Goddess, my name is Meng Shan, or I’ll accompany you to buy another set?”

Lin Ran immediately understood when he saw this, and wrapped an arm around Qin Bing’s soft waist and swept it into his arms.

“Sorry, you’re late, she’s my girlfriend!”

“Shit! Just this loser like you, and girlfriend!”

Meng Shan angry simply can not, if not afraid of accidentally hurt Qin Bing, I’m afraid this morning rushed up to Lin Ran a violent beating.

Lin Ran looked at each other, spread his hands and laughed helplessly.

“No way, the goddess likes me this mouth!”

“You!”

Meng Shan was furious and sneered.

“Dare I say you’re still a soft rice eater!”

“Eating soft rice? Little white boy?”

Lin Ran laughed at his words.

“Sort of, but who let my face white, besides, a goddess let me eat soft rice, I am also very happy ah!”

Saying that, Lin Ran directly came up to Qin Bing’s face and directly scented a mouthful.

“Poof!”

This scene, looking at Meng Shan and other people immediately straight spit blood, one by one cursed.

“No fucking reason, in broad daylight, this stinking pig dare to arch cabbage!”

“All right don’t play, hurry up and go!”

Qin Bingqiao red face, busy urging, heart is already happy.

“Goodbye brothers, I have to accompany the goddess to go!”

Qin Bing waved at a few people, and immediately left the underground garage with Qin Bing in his arms.

“Bastard! Bastard! I can’t stand it anymore!”

Meng Shan was so angry that he immediately took a step to follow, today he wanted to see, this kid with what can get the goddess into his hands.

.....

Because Qin Bing drove too fast, although delayed in the underground garage for a few minutes, but at this time to the place, the auction is not yet started, everyone is in the hall back and forth, while visiting some display of exotic stones.

“How about it? Not only are you not late, but you’re early!”

Qin Bing smiled smugly.

Lin Ran laughed awkwardly and said.

“Still you are powerful, let’s also take a turn first, maybe we can run into Elder Jiang!”

“It’s to run into that little cousin of yours, right!”

Qin Bing gave Lin Ran a white look, a look of I am jealous.

“No how can you say that too, she’s just my cousin!”

Lin Ran said helplessly.

“What, looking at this, you are hoping that she is not your cousin?”

Qin Bing teased.

Lin Ran was speechless at once.

“Ah!”

Just as the two were chatting with each other, suddenly a woman’s cry of alarm actually came from ahead, followed by a commotion.

“Stop them, don’t let them get away!”

Followed by a cold, stern rebuke, the voice came from the place suddenly more chaos.

“What’s going on?”

Qin Bing frowned slightly and followed Lin Ran who had already walked over.

In the crowd, a group of beautifully dressed women stood together in panic, they looked around with panic on their faces.

One of the sweet-looking women even had a face of panic, as well as guilt.

“This has nothing to do with them, I accidentally broke it!”

The sweet woman clenched her silver teeth, and after some thought struggle, she still stood out.

“Beauty, quite bold, okay! Since you admit it, then tell me, how to compensate? Money or meat?”

A young man said with a smile, he is the son of the owner of this auction house, is also the main person in charge today, gold teeth Lee.

The gold teeth Lee when he was young and playful knocked out an incisor, since then it has not grown out, so it is set a gold, a mouth full of gold, seemingly wealthy.

“How much!”

The sweet woman gritted her teeth a little angry, although she accidentally broke a stone, but pay money on the line, this guy actually said meat pay, which is simply good for a girl insult is no different.

“What’s the matter? Want money? All right!”

Golden Tooth Lee heated smile, gaze trend constantly in the other side of the body, a moment later laughed.

“It’s not expensive, this stone you broke is the cheapest here, it’s only 150,000!”

“What? One hundred and fifty thousand?”

Hearing this amount, the sweet woman immediately blacked out, almost did not faint, she is a student, which has so much money, even if the family’s condition is quite okay, but at once to pay 150,000, this is simply a bolt from the blue.

“You are the boss here?”

Suddenly, a companion beside the sweet woman came out, and she looked at the gold-toothed Li frowned.

“Nonsense! I’m not the boss or an employee!”

Gold Tooth Lee said disdainfully, but when he saw the other party’s appearance, his whole eyes immediately straightened.

“That’s right! That’s right, I’m the boss here, what’s the matter beauty, about?”

The woman who stood out, about one meter seventy-six or so tall, with a well-proportioned body and long hair, standing there although not much to say, but as if a spring, so that people look not only comfortable, but also some can not move their eyes.

That’s right, the person who stood out, it is Su Rou.

“Boss, your fast stone is not worth 150,000, I see that the price is only 100,000, you are cheating my classmates!”

Su Rou said with an ugly face.

“Your classmate? You’re still classmates, which school are you from, and you’re all so pretty?”

Golden Tooth Lee has forgotten the business, looking at Su Rou could not wait to immediately pounce on a good love.

“Boss, I’m talking to you, so many people are watching, can not flow hallucinations?”

Su Rou was full of disgust and said.

“Who Who flowing haram!”

Golden Tooth Lee face ugly, busy wiping off the corner of the mouth drool, some angry said.

“Laozi said, is 150,000, less a penny to the fucking Laozi meat, but of course, if you are willing to accompany Laozi one night, not only this 150,000 Laozi do not want, but also in give you a million, how?”

Golden Tooth Lee eyes full of greed, gaze constantly in Su Rou body a lot, he thinks he has also seen beautiful women, but this is in front of you is like that and the crowd do not have to, just look can on a glance as if his soul are hooked away.

He does not know that Su Rou is a bone change, just standing there without speaking, that gentle like water appearance and temperament, are enough to make many men crazy.

“That’s enough!”

At this time, another woman’s voice came over, while a well-built and innocent-looking woman also came out, she looked at the gold teeth Lee eyes full of disgust, opened his mouth to scold.

“You are not worth anything, at most give you fifty thousand, or I will call the police!”

“Fifty thousand? You fucking send the caller Son!”

Golden Tooth Lee casually disdained, but the words have not finished, when his eyes fell on the woman who just stood out, suddenly the whole person froze again.

“Holy shit! What kind of school is this you guys have, a collection of beautiful women!”

Looking at Song Nuan in front of him, Golden Tooth Lee was completely intoxicated, first Su Rou this and Song Nuan, he was completely mesmerized.

Chapter 702

“Put away your dirty eyes!”

Song Nuan was full of disgust and chided.

This shout, also really subdued the gold tooth Li, he returned to the gods fondly looked at Song Nuan and Su Rou the same, very reluctantly said.

“Two beautiful women, so! Money brother I do not want, you two leave a contact for brother, this matter is considered to be over, how?”

Golden Tooth Li laughed and said.

“Sister Nuan, Teacher Su!”

The sweet woman gave the two a somewhat guilty look, apparently she also understood that this Golden Tooth Li was looking at the two.

“You’re dreaming!”

Su Rou refused without even thinking, although her family conditions are not as good as Song Nuan, but the traditional thinking is also very firm, how can sell themselves for a few tens of thousands, besides, 150,000 is indeed not too much for her, borrowing is still available.

“O? I dream? Then the two beauties don’t blame me for not knowing how to pity the jade!”

The golden tooth Lee said “snap” clapped his hands, immediately around a group of security guards rushed over and surrounded Song Nuan and others.

“Either leave your contact information, or 150,000, choose yourself!”

“I said, your stone is not worth 150,000, at most 50,000 yuan!”

Song Nuan said in an angry voice.

“Fifty thousand?”

Golden Tooth Li laughed at his words.

“I say, beautiful, do you know what it means to gamble on a stone? Before the stone is opened, how much it’s worth is up to Laozi, and Laozi thinks it’s worth 150,000! Do you understand?”

“You!”

Song Nuan was so angry that her silver teeth clenched, 150,000 she could still get out, but the stone was clearly not worth that much money, making her somewhat resistant to not want to pay.

“If you want me to say that you should be good and obedient, leave a contact for my brother and it’s done!”

Golden Tooth Lee said with a smile, while actually walking towards Song Nuan and others, came close to the two, he said with a smile.

“Or else later to move, in this pretty face to scratch that much pity!”

Said, gold teeth Lee reached out to bang Song Nuan’s cheeks, the greed in his eyes is at this time revealed, even just a light touch, let him feel an evil fire in the abdomen straight to the top beam door.

“You dare!”

Song Nuan eyes with anger, looking deadly at the gold tooth Lee in front of him, if he dares to touch his cheek, she will definitely let this bastard end up very miserable.

“Dare? I’ve played with a thousand women, not a thousand but also eight hundred, you try me dare or not!”

Golden Tooth Li laughed disdainfully, his palm was already close to Song Nuan’s cheek, almost touching it in a minute.

“Whoosh!”

Suddenly, just then, an extremely sharp cracking sound rang out, followed by everyone felt a flash before their eyes, a silver mango had flown out.

“Huh?”

Golden Tooth Lee immediately froze, he also saw a ray of silver mango flew past his own eyes, and then his own palm seems to have an additional thing, while the palm of his hand felt cool, as if it was some kind of metal item.

But when he fixed his eyes to see, immediately the whole person’s scalp exploded, only to see his outstretched palm, a silver needle is sticking on it, the key is that this silver needle in his palm seems to poke a right through, the left side leaked out a little, the right side leaked out a little, actually completely penetrated his palm.

“Ah!”

The next moment, a sharp pain instantly drowned his consciousness, and the pain made him roll on the ground, screaming just like killing a pig.

Song Nuan and Su Rou were both stunned and hurriedly looked towards the front, only then did they notice that there were two figures walking out in the crowd of onlookers, one of them was none other than Qin Bing, while the other one was needless to say none other than Lin Ran.

“Lin Ran?”

Seeing the visitor, Su and Song Nuan were both happy, while the tense heart also relaxed, this guy came, then they are also okay.

“You two are not in school properly, why are you here?”

Lin Ran walked up, dotting on the tip of Song Nuan’s nose and scraped it, laughing.

“It’s Sister Rou, bring us here for a visit, our graduation dance design is in ancient style, so we came here to visit and learn a bit, looking for inspiration!”

Song Nuan spat out her tongue and said.

“Luckily you guys are here, if you went somewhere else, then I don’t know what would have happened!”

Qin Bing laughed.

“It’s okay now, I’ll go comfort my classmates first!”

Su Rou smiled at Lin Ran and immediately ran to comfort her classmates, she is after all a teacher and has more to take into account at this time.

“Teacher Su, is that man Xiao Nuan’s boyfriend!”

“Yes, yes, I look very much like senior Lin Ran ah!”

“Definitely, definitely, we are saved!”

Seeing Su Rou come over, a group of students were all excited, Lin Ran’s deeds were legendary in Tanjiang University, and when they saw the real person, they were all very envious, especially looking at his intimate appearance with Song Nuan.

They all thought, if only they had such a handsome boyfriend, capable and handsome, and the key is to love people!

“Well! Yes!”

Su Rou said a little embarrassed, heart at the same time also some sour, Song Nuan is Lin Ran’s girlfriend, what about yourself? What is it?

“Forget it!”

Su Rou’s heart smiled bitterly and immediately greeted the people to go out first, leaving the matter here to them to solve.

But she thought too simply, the students just gathered, before they left the hall, there were immediately surrounded with more security guards, blocking the crowd back.

“Fucking bastards! Who the hell is it!”

At this time, Golden Tooth Li also got up from the ground, his eyes were bloodshot, his angry gaze searched back and forth, and soon landed on Lin Ran.

“Kid! It’s you!”

Gold Tooth Lee said in an angry voice.

“What is it me?”

Lin Ran was all business and spread his hands to show that he didn’t know anything.

“Don’t play the fucking fool, I know you did it!”

Gold Tooth Lee held out his palm and asked Lin Ran to look at his palm that had been poked through with a silver needle.

“Aiya, so serious, I am a doctor, want me to help you look? No charge for a bad look!”

Lin Ran laughed, but these words scared Golden Tooth Li to hastily shrink his palm back.

“Don’t be afraid, it will be cured soon, if it drags on and the wound gets infected, then it might have to be amputated!”

Lin Ran said with a straight face.

“You You fucking bullshit!”

Golden Tooth Lee was so angry that his teeth itched, and he scolded a group of security guards at the side.

“Go! Take this kid and this group of troublemakers down for me!”

“Yes!”

A group of security guards heard the words and immediately came around with sticks, and for a while those female students of Su Rou were really frightened.

“It’s over, it’s really over!”

“I should have known better than to come!”

“Now what to do ah!”

The group of female students were all terrified and uncertain.

On the contrary, Lin Ran, still calm and collected, looked at Golden Tooth Li and laughed aloud.

“It’s not just that you broke a stone, and you’re shouting at so many people, what, is your Li family’s style so unreasonable?”

“Hm?”

Golden Tooth Li was stunned at the words, immediately waved his hand to stop the security guard and looked at Lin Ran and said in a cold voice.

“Breaking a stone is a trivial matter, seeing as you fucking stabbed the palm of my hand, this is not a trivial matter!”

“Do you have proof?”

Lin Ran asked indifferently.

“Did you see it with your own eyes, or do you have video evidence? Come and show me!”

“I have evidence, I saw it with my own eyes!”

Just as Lin Ran’s words fell, a familiar voice actually came from the side, it was the rich kid he just met in the underground garage, Meng Shan.

Chapter 703

“How come he’s here too!”

Seeing Meng Shan, Qin Bing couldn’t help but have a sunken face and was a little surprised.

“Meng Shan? You really saw that?”

Seeing the visitor, Golden Tooth Li could not help but smile, Meng Shan he knew, after all, the two are rich second generation, the relationship is quite good, at this time to see him stand out to support their own scene, immediately heart a happy.

“That’s right, I saw the silver needle is what he threw out!”

Meng Shan smugly sneered, while secretly saying in his heart.

“Old man, let’s see what you do this time!”

Qin Bing and the others couldn’t help but look at Lin Ran, with some worry in their hearts, these two people came together, things were really a bit bad.

However, Lin Ran’s reaction was a shock to the crowd, only to see him scratching his head awkwardly and said.

“What are you guys talking about? What silver needle?”

“Haha! Kid, how come you’ve been poked and prodded, or are you shamelessly denying it?”

Golden Tooth Lee immediately laughed, and some of the surrounding people who were watching, also could not help but laugh.

“Beauty, see? Just this medium poor loser encounter things and pretend to be crazy and foolish, you can still look at him? Don’t be cheated?”

Meng Shan laughed smugly, his heart already started thinking how he could scoop up Qin Bing.

“What does this have to do with you!”

Qin Bing glared at him in anger before looking at Lin Ran.

However, Lin Ran remained a serious man and looked at the crowd helplessly and said.

“What are you guys saying again? What silver needles? How come I haven’t even seen it before, can you take it out so I can see it?”

“Haha!”

As soon as these words were spoken, everyone was laughing, even some of the students who envied Song Nuan for having such a powerful boyfriend before started to show regretful eyes, which was just like a fool.

“So that’s how the Feng Yun senior is!”

“Hey, it’s really disappointing!”

“That’s right! This is the end, looks like I have to call home!”

Some students had even lost all hope in Lin Ran.

“Kid! You’re so stupid you’re laughing your ass off, you want to see it, right? I’ll show you!”

Golden Tooth Li said and raised his hand and reached out towards Lin Ran.

But the moment he reached out his palm, there was a sudden “whoosh” of sharp pain, and then he was surprised to find that the silver needle on his palm had disappeared.

“What silver needle? Where is it?”

Lin Ran asked in a serious manner, while the hand in his sleeve was already inserting the silver needle back into the cloth.

“Old Jin! Where are the silver needles!”

On the side, Meng Shan also froze, just now he clearly saw the silver needle, but now how is gone.

“Yeah where are the silver needles?”

“Holy shit, what the hell?”

“How to say no on gone!”

The surrounding group of people also looked dumbfounded, and originally a group of students who had lost hope in Lin Ran, at this time each felt a pain in the face.

“It’s really Feng Yun senior ah, how did this happen!”

“My God too handsome!”

“Ah, too handsome, I’m in love with him!”

A group of students started to commit nymphomania again.

“Bastard! It must be you who moved!”

Golden Tooth Lee said angrily, and immediately greeted the security guards at the side.

“Do it, kill him for me! Hurry up!”

“Yes! Young master!”

The security guards had been waiting for a long time, so they rushed towards Lin Ran at the word.

Lin Ran is not ambiguous, see the situation, a cold eyes, an arrow step directly towards the first rushing security guards to meet.

When he got close, without saying a word, he flew up and kicked him backwards, hitting the wall with a bang and then landing on the ground.

This instant strike, directly to all the security guards are subdued, a time is no one dares to on, are surrounded by the side on nor, on nor.

“Do it ah! What are you doing?”

Golden Tooth Li was so angry that he wanted to dismantle Lin Ran.

Lin Ran, however, laughed.

“I didn’t think that this was how the Li family treated their guests, accusing others wrongly when their own palms were accidentally stabbed, and talking about silver needles, who saw it?”

“You!”

Golden Tooth Lee was so angry that he gnashed his teeth.

“Now let the security guard do it again, how to bully these female students without money or power?”

Lin Ran continued.

“You’re talking nonsense!”

Golden Tooth Li was completely panicked, this was about their Li family’s reputation.

“I’m talking nonsense? Just now everyone saw it, if I hadn’t calmed down the security guards, can you guarantee that they wouldn’t have made a move against the female students? Or are you going to do it yourself? Just now, everyone could see how horny you looked!”

Lin Ran said indifferently, but his words were so clear that he immediately said that Golden Tooth Li’s face was blue and white, not knowing what to do.

“Old Jin, don’t be afraid of him, this kid is just a soft-earner, you do as I say, you can definitely make him get off the stage!”

On the side, Meng Shan is also angry, immediately out of attention to.

Golden Tooth Lee heard the words and looked at him, some hesitation, but at this time there seems to be no other way, and also to maintain the reputation of their own Li family, immediately or nodded in agreement.

A few moments later, Golden Tooth Li clenched his teeth and looked at Lin Ran and said in a cold voice.

“Good you Lin Ran, the silver needle stabbing me thing also forget, then this stone you still want to deny can not, your friend’s classmates knocked my Li family’s stone, compensation is not excessive!”

“Not too much!”

Lin Ran said indifferently, he did not have to say that this, broken things to pay is a matter of course, this is said to where people stand reason.

“That’s fine, this stone is a gambling stone, not open before the price is 100,000, I was just ready to change the price of 150,000, but you pay 150,000 is not wrong!”

Golden Tooth Lee continued.

“Lin Ran!”

Su Rou walked over at this time a little worried, 150,000, to a female student how can take out.

“You this stone up to 50,000!”

Song Nuan busy said.

Lin Ran but waved his hand, signaling them not to speak.

“That’s right! Gambling on a stone is gambling on a stone, although I don’t know if the price change you said is true or not, but if you say 150,000, then 150,000!”

Lin Ran said, this thing can not be helped, gambling stones is this rule, before opening the stone, the seller said how much that is how much, the buyers are love to buy or not.

“Good! That’s quick! Then pay for it, my gold teeth Lee talk, either give money, or give contact information, or let your two chicks next to me for one night, I do not have a problem!”

Golden Tooth Lee sneered.

Lin Ran is heard face sank, eyes suddenly cold a flash, a silver mango again flew out, or the original location, or the original wound, silver needles shot out, once again penetrated a heart, but this time Lin Ran did not let the silver needles left, through the palm of the hand immediately disappeared again.

“Ah! My hand!”

Golden Tooth Li was in so much pain that his entire body slumped to the ground, while the surrounding group of people were looking puzzled, completely unaware of what was happening.

“You! It’s definitely you, that silver needle is definitely yours!”

Golden Tooth Lee gritted his teeth and got up from the ground, looking at the blood flowing out of his hand again, the whole person was about to collapse.

“What is mine? Everyone who saw it, I suggest you don’t talk nonsense, maybe the gods are not used to you!”

Lin Ran said indifferently.

“You! You, good boy, fucking pay up!”

Without evidence, Golden Tooth Lee had no choice but to blackmail on top of the money!

Lin Ran saw the situation just ready to open his mouth to agree, after all, the money is not less.

But before he could open his mouth, Meng Shan on the side spoke up.

“I say old Jin, you wait first, I have some friends with the beautiful woman across the street, I’ll go talk!”

Saying that, Meng Shan smiled and walked over towards Qin Bing.

Chapter 704

“What do you want?”

Qin Bing looked at Meng Shan walking towards himself, his heart sank, wondering what the hell this guy was up to.

Meng Shan’s face tacked on a smile, the more he walked in, he then realized that, dare I say, Lin Ran was surrounded by beautiful women, especially when he saw Su and Song Nuan, his eyes were straight, the degree of surprise was no less than the gold tooth Li just now.

“Ahem!”

Meng Shan reached close, coughed twice and spoke.

“Beauty, this thing you listen to my advice, pay the money on the line, this is after all the old Jin family’s territory, so the trouble will certainly be detrimental to you, and 150,000 is not much money, this money I except for you, as we make a friend?”

“No need!”

Qin Bing directly gave a refusal.

However, Meng Shan is laughing.

“Stop, I know you have money, the key is that at this time can not you out understand?”

“Why?”

Qin Bing was stunned by the words, did not understand what Meng Shan meant.

Meng Shan saw this and laughed, pointing at Lin Ran and said.

“You think, you have a boyfriend here, although it is a soft rice, but this occasion if you pay, then no face is not one of him, and he eats soft rice things, not everyone knows, how he I Meng Shan lazy care, but I can not let you my heart of the goddess, bearing the reputation of supporting a white boy ah!”

Meng Shan said a serious.

“You!”

Song Nuan and Su Rou just wanted to retort, but Lin Ran stopped them and shook his head.

“Look, he doesn’t even dare to say a fart, when it comes to money doesn’t it still have to look at you!”

Meng Shan laughed smugly.

“This way, the money I paid for you, I invite you to dinner tonight, you bring these friends of yours, especially this Song Nuan and Su Rou, I am very fond of students, especially the students of Tamkang University, that year I was a few points short of the entrance exam, so far it is very regretful ah!”

“I’ll be the host at night, invite you to dinner, we can also be considered to make friends, more friends more roads!”

Meng Shan said here, disdainful glance at Lin Ran, sneered.

“I said brother de, dinner soft rice is not what ability, this time you can still be masculine? Without money you are a loser!”

Said, Meng Shan even came closer to Lin Ran’s ear and whispered.

“Inviting your woman to eat with you in front of you, isn’t it very unpleasant in your heart, haha!”

Lin Ran, however, also laughed and looked at Meng Shan and said.

“Thank you!”

“Hmm?”

Meng Shan was stunned at his words, not knowing what Lin Ran meant by this, but soon he figured it out.

“Kid, speak up! This money is paid by the old man, and the woman is not polite to the old man!”

Meng Shan whispered, and immediately turned to look at Golden Tooth Li.

“Old gold, this money I pay, let your people scatter!”

“You pay?”

Golden Tooth Lee did not understand, but when he received the 150,000 transfer text message, also immediately relieved, immediately let a group of security guards are scattered.

Fight and can not fight, or money is really.

“Humph! As long as this kid dares to buy something at my place today, I will not play him to death!”

Golden Tooth Lee coldly snorted, immediately turned his head and left, jokingly palm is still bleeding, he has to hurry to find a doctor to bandage it.

“Ranzi, what are you doing?”

Qin Bing and the others looked at Lin Ran in confusion, not understanding what medicine he was selling in his gourd.

However, Lin Ran’s face was tackled with a faint smile, completely as if it had nothing to do with him.

“What? Let an outsider pay for it, what’s this for?”

“That’s right, that kid obviously wants to chase that cold woman, the senior doesn’t even care!”

“Moreover, that boy also said to invite Song Nuan to dinner, Lin Ran seniors do not care?”

“It’s not really a scam!”

“I think the amount is!”

On the side, Song Nuan’s classmates can’t help but talk about it, while the impact on Lin Ran in their hearts also fell to the bottom.

“Okay! It’s settled!”

Meng Shan turned around and proudly looked at Qin Bing’s three women, and then looked at Lin Ran disdainfully.

“Beauty, can you tell me your name now?”

Meng Shan looked at Qin Bing and asked with a smile.

“You’ll have to ask me about that!”

Qin Bing did not answer, but Lin Ran on the side spoke up.

“Ask you? What are you? A soft rice eater, I ask you?”

Meng Shan had a disdainful face.

However, Lin Ran laughed.

“Yes, although I am a soft rice eater, but don’t you forget, she is my girlfriend!”

The moment these words came out, immediately Qin Bing and others froze, if only two people when Lin Ran said this is fine, but at this time but in front of Song Nuan Su Rou and so many classmates, this let Song Nuan what to do?

“That woman is the senior’s girlfriend? What about Song Nuan?”

“The end is over, Song Nuan is really encountered scum!”

“So heartbroken sister Nuan!”

A group of classmates’ brothers exchanged words.

“Yes! Now it’s your girlfriend, but after tonight it’s not sure!”

Meng Shan said disdainfully.

“What tonight, I promised you to go to the date?”

Qin Bing said blandly.

“You!”

Meng Shan smelled angry, coldly snorted immediately looked at Song Nuan and Su Rou, laughed.

“What about these two beauties? You are also clear about the real face of this kid poor loser, can you enjoy dinner together, this beauty will understand later, what kind of man can be worthy of you!”

Meng Shan said proudly.

However, Song Nuan and the two were just about to refuse when Lin Ran spoke again.

“Sorry, they won’t be there either!”

“You! Who are you, does it matter to you if they go or not?”

Meng Shan was a little fired up, but he spent 150,000 to settle things here, if he didn’t even get a little bit of oil in the end, it’s not a blood loss.

“It really has something to do with it!”

Lin Ran laughed.

“Because they are also my girlfriend!”

Lin Ran you pointed to the two Song Nuan, a serious.

“Huh?”

At once, the students at the back all exploded, in front of everyone, actually said Song Nuan is also his girlfriend, he is really not afraid of the two women fight?

However, it turns out that he really wasn’t afraid, because Song Nuan and Qin Bing just glanced at each other, and actually both didn’t say anything, as if they acquiesced.

“My God, senior really powerful ah, Nuan sister that that woman actually are not angry!”

“Awesome, simply too awesome!”

“Idol ah!”

A crowd of students all cast envious eyes, wondering how Lin Ran managed to do it.

“What about you? Beautiful teacher?”

Meng Shan, with a thief’s heart, looked at Su Rou.

“Didn’t I tell you? She won’t go!”

Lin Ran said helplessly.

“It’s fucking related to you again! Is this one your girlfriend too!”

Meng Shan was so angry that his lungs were about to explode.

Su Rou’s heart tightened as she smiled, a little worried that Lin Ran would say no, but she didn’t want Lin Ran to say yes either, after all, then I’m afraid she and Xiao Nuan would be the talk of the school in the future.

“Do you have a problem with your ears!”

Lin Ran helpless, said with a sigh.

“What I just said is clear enough, they, they! Both of them, get it? They are both my girlfriends, is there still a problem?”

Lin Ran pointed at Su Rou and Song Nuan and said.

“Pfft!”

Hearing these words, not only Meng Shan, even a group of students at the back almost did not vomit blood, Su Rou Su teacher is actually also his girlfriend?

This is simply Simply too Too exciting.

The key is that they also all see, the party is actually no rebuttal road meaning, which is obviously the default.

“You Are your girlfriend, you fucking still let Laozi pay!”

Meng Shan was so angry that he simply had to explode in place.

Lin Ran saw the situation spread his hands and laughed.

“Someone is willing to pay for you, would you not want it?”

“Me!”

Meng Shan was completely helpless.

And the back of a group of students is “poof” are laughing, dare to say from beginning to end, Lin Ran are calculating this guy, for nothing 150,000 to settle things, but in the end only to know that the original three women are his girlfriend.

This is simply a loss to the wife and a loss to the army, simply a loss to the grandmother’s house.

Chapter 705

“This bastard how to say everything!”

Su Rou’s pretty face has reddened to the root of her neck, her heart is also screaming, this future in the school is afraid to really become a stormy figure.

“But he really just said that I am his girlfriend!”

Su Rou’s heart is still some snickers, all along Lin Ran has not officially said this, just so say words, for Su Rou is like a formal name, although this name Song Nuan three people also have.

“I don’t care, I like him enough!”

Su Rou heart steal joy, but the fact is that the surrounding group of students have cast a strange gaze, teachers and classmates, while becoming a man’s girlfriend, this I’m afraid that for a long time is the anecdote of Temperance University.

“Meng Gongzi still have something to do?”

Lin Ran looked at Meng Shan and asked with a smile.

“You!”

Meng Shan was so angry that his head hurt, he had seen shameless, but he had never seen such shameless, dating three girlfriends at the same time, and the key was that all three did not mind.

“Fuck, how come I don’t have such good luck!”

Meng Shan was so angry that he scratched his ears.

“Hey! Why are there so many people here!”

Suddenly, just when Meng Shan was ready to leave, the crowd is sent out a person, and also beautiful.

“This should not be it!”

Meng Shan said in his heart, feeling that his life had meaning again and a new goal.

“Hey! Brother Lin Ran, why are you here!”

The person who came was none other than Jiang Yiyi, who immediately ran over when she saw Lin Ran, and very naturally boasted Lin Ran’s arm, that look was as intimate as it could be

“Holy shit! Not it!”

Meng Shan felt his heart completely cold.

And a group of students at the back of the room could not help but gag, afraid that Lin Ran will say out, this is also my girlfriend words.

If that's the case, they all have to wonder if the girlfriend in Lin Ran's mouth means something else.

"Could this also be your girlfriend?"

Meng Shan asked reluctantly.

"What are you talking about? This is my cousin!"

Before Lin Ran could answer, Jiang Yiyi said irritably.

"Cousin? Is there any heavenly justice, even the cousin is so beautiful!"

Meng Shan was so angry that he turned around and ran away, he was afraid that if he stayed on, he would die from living!

"I'm scared to death, luckily it's a cousin!"

"Yes! Senior is really too powerful!"

"But his cousin is also beautiful!"

"I envy you! The pinnacle of life!"

A crowd of students cast envious glances.

"Let's go cousin, the auction is about to start!"

Jiang Yi Yi was busy urging.

"Mm!"

Lin Ran nodded at his words, then looked at Song Nuan and Su Rou and smiled.

"Are you guys together?"

"No No need!"

Seeing that Song Nuan didn't say anything, Su Rou was embarrassed to refuse.

"We still have to go back to school and prepare for the dance!"

Song Nuan added.

Lin Ran went up and rubbed the two gentle long hair and laughed.

"Remember to call me if anything happens, plus change the car back!"

"Car back?"

Song Nuan two people smiled and did not understand.

"Is the original Porsche sent you ah, last time not I drove, you find time to drive back, leave your business car!"

Lin Ran said.

“Why? You drive is not quite good!”

Song Nuan wondered.

“I would like to drive, this morning by the dead fatty drove away, this guy said he was going to talk business, driving the car I sent you, I’m annoyed, that’s what I sent you, turn around you and Xiaorou together to the clinic is also convenient!”

Lin Ran said.

“O, okay!”

Song Nuan nodded her head.

Su Rou was also red-faced and couldn’t help but lower her head.

“Then I’ll go first, you guys go back early and be safe!”

Saying that, Lin Ran actually kissed each of Song Nuan and Su Rou on their cheeks, and immediately the two of them were cold in place.

“Do you have to kiss in front of so many people?”

Su Rou’s hands were clenched and she wanted to find a crack in the ground.

However, Lin Ran seemed to have heard her heart and actually spoke.

“It’s to kiss in front of so many people so that I can swear my sovereignty!”

“You!”

Su and Song Nuan were so angry that their teeth itched.

Lin Ran saw the situation and knew that the two had reached their limit, smiled awkwardly, and immediately walked towards the inside of the auction hall together with Qin Bing Jiang Yi Yi.

“Be safe!”

Before entering the auction house, Lin Ran also did not forget to turn around and reminded a sentence.

And at this time, Song Nuan and Su Rou, had almost been swamped by other students.

“This bastard, he’s not finished patting himself on the back and leaving, what are we going to do!”

Song Nuan and Su Rou looked at each other, heart are very helpless, next they can almost foresee, they will face the classmates how the interrogation.

.....

“You’ve got Su Rou and Xiao Nuan in a bad way!”

Qin Bing laughed as he walked.

“Why? I was just swearing sovereignty!”

Lin Ran said in disbelief.

“You are swearing sovereignty, but so many students questioned, I’m afraid the entire Tamkang University forum will explode again.”

Qin Bing laughed.

And Jiang Yi Yi, who was already cooperating, took out her phone and quickly opened the Tamkang University forum.

As expected, only two minutes had passed, but the forum of Tamkang University had already started to spread this matter like crazy.

“Have you heard? Lin Ran senior kissed Su Rou teacher in public!”

“Huh? Isn’t he Miss Song Nuan’s boyfriend? Is this cheating?”

“What cheating, kissed in front of Song Nuan!”

“Holy shit, breaking news ah!”

“Don’t talk nonsense, also kissed Song Nuan’s!”

“What do you know, Miss Song Nuan and Miss Su Rou are their girlfriends!”

“Holy shit! This bastard, don’t stop me I’m going to kill him, damn soak two at once, and don’t give us students a chance!”

Looking at the screen full of replies, Lin Ran helplessly shook his head.

“Are all these people so idle?”

“Haha, cousin someone said you’re scum!”

Jiang Yi Yi pointed to one of the comments above and laughed.

“Who?”

Lin Ran looked helplessly, only to see that there was a comment written on it.

“This guy is scum, he has a total of five girlfriends!”

Signed by: handsome exploding fatty.

“Holy shit!”

Lin Ran looked immediately angry, took Jiang Yi Yi’s phone will be a sentence.

“Hurry up and delete it! Or I’ll go to Xiao Cui at night!”

The message just returned to the past not long, that message was really deleted.

“Cousin how did you do that?”

Jiang Yi Yi looked stunned, just returned a message and was deleted, this is too bull, right?

“That person is fat!”

Lin Ran did not have good temper, this guy ran out to talk business, and still have time to read the forum, when really idle eggs.

“Okay stop it! The auction is about to start!”

Qin Bing waved his hand, signaling the two to stop fooling around.

Only then did Lin Ran and the others notice that in the entire hall, all the lights had dimmed, and on the front stage, a beautiful woman with a microphone in her hand had appeared.

When the beautiful woman got on the stage, the lights immediately hit, followed by the beautiful woman spoke.

“Gentlemen, today our strange stone auction exchange will soon begin, before starting I am introducing!”

“This exchange auction, the exchange of mainly, the auction as a supplement, all the things in this exhibition hall, you can enjoy the exchange, if you want to take out to see, you must first bid, the auction to the hand before you can take out, then you can choose to open the stone on the spot, you can also take away directly!”

“Well, without further ado, everyone open the stone Zhen Bao it! Wish you good luck!”

Chapter 706

As the beautiful host’s voice fell, the entire hall was immediately reminded of the clamor, and countless rich merchants and powerful people began to turn around in twos and threes.

The hall was huge, with one or two hundred square meters, and items were scattered all over the place, making people dazzled.

“Don’t sleep, hurry up and see if there’s anything suitable!”

Lin Ran was busy shouting in his mind.

“What suitable things, can’t you also look at it yourself?”

The pillow book helplessly said, so easy to sleep a good sleep, but also be disturbed!

“I mean something suitable for you, clean pick some, the opportunity can not be lost!”

Lin Ran busy urging.

“Okay, what about you? Want to buy?”

Pillow Book asked.

“Naturally, I have to buy, anything that works for me and us!”

Lin Ran said.

“Okay!”

Pillow Book responded, and immediately a golden light quickly emanated out, instantly enveloping the entire auction hall.

“Okay, two hundred and thirty-three items in the whole room, two of which can not see through the reality, the other two hundred and thirty-one, two suitable for me, one for you can enhance your perception of feng shui, considered an auxiliary item, dispensable!”

“The remaining two hundred and twenty-nine pieces, of which twenty-five pieces of empty shells of little use, the remaining two hundred and four pieces are not bad, and the price tag than the profit is still some!”

The pillow book quickly returned all the information, which made Lin Ran was amazed.

“Holy shit, you have this skill not used earlier!”

“You think this kind of skill is want to use all can use? It’s very mind-numbing, understand?”

The pillow book helplessly said, at the same time back to the golden pages, lazy said.

“Hurry up and send something to Master Book, I’ll take a nap first!”

“Your grandfather!”

Lin Ran was speechless, according to the message given by the pillow book, he needed one, it needed two, and the rest he didn’t seem to have much use for, so he only needed to buy three.

Thinking, Lin Ran then locked his gaze on these three items and found that the prices were all okay, adding up to a total of only one million, not particularly expensive.

Only when his eyes were searching for these things, Lin Ran was inadvertently seeing that not far away in the corner, Golden Tooth Li and Meng Shan had somehow gotten together again and were muttering something softly.

“Yi Yi!”

Lin Ran’s eyes rolled and called over to Jiang Yiyi.

“What’s wrong cousin?”

Jiang Yi Yi asked in wonder.

“Where’s uncle?”

Lin Ran asked.

“It should be over there!”

Jiang Yi Yi pointed to the left.

“Okay, I’ll go find uncle, you help me to buy three things, bid as much as you can, hurry up and buy them while there are less people!”

Lin Ran said and already took out a bank card and handed it to Jiang Yi Yi.

“What is this?”

Jiang Yi Yi was a bit confused, but Lin Ran did not say much, just smiled.

“Do as I say, and come to me with the stuff after you buy it!”

Saying that, Lin Ran then led Qin Bing towards where Jiang Sansi was.

“Hey hey go!”

In the distance, Meng Shan was busy speaking.

“Humph! In Laozi’s territory, let’s see how I play him to death!”

Golden Tooth Li sneered, and immediately led Meng Shan to follow him as well.

.....

“Haha, Brother Jiang has a good eye, this thing is very good just by looking at the skin, I think it must be a good thing!”

In front of the crowd, Jiang Sansi’s eyes narrowed slightly, holding a dark golden stone in his hand, it was the gold swallowing stone that Lin Ran gave him at the beginning.

“Brother Luo is joking, this thing is just a matter of eye contact, if you like it, you are ready to test the water!”

Jiang Sansi laughed blandly, the person he was talking to was an important figure of the Luo family, the second in command of the Luo family, second only to Luo Ming, Luo Ding.

“Does Brother Luo want to try it too?”

Jiang Sansi asked with a smile as he looked at Luo Ding.

“Me? Forget it, visiting and learning is the main thing!”

Luo Ding laughed.

“Uncle!”

Lin Ran walked over at this time with Qin Bing, saw Jiang Sansi and immediately shouted.

“Lin Ran ah, come come let me introduce to you, Luo Ding Luo family’s second in command!”

Jiang Sansi laughed, while not seeing his daughter, could not help but ask.

“Where’s Yiyi?”

“Yi Yi went shopping, she’ll be here soon!”

Lin Ran laughed, while shaking hands with Luo Ding.

“Greetings senior Luo!”

“Lin Ran, you’re a famous guest of our Luo family, why didn’t Qiqi come along?”

Luo Ding laughed, Lin Ran’s reputation was now thundering throughout the Luo family, after all, this future aunt of the Luo family was no cover.

“Qiqi should have gone back to find her father.”

Lin Ran laughed awkwardly, he also didn’t expect that he was so famous in the Luo family that even the second in command knew him.

“Right Lin Ran, take a look at this stone, I’m going to buy it, how about it?”

Jiang Sansi, knowing Lin Ran’s vision, immediately inquired.

“Ao?”

Lin Ran was stunned at his words and looked over, only to see that it was a stone only the size of a fist, the skin of the stone was a light maple color, it looked very natural, it should be a good material.

“The price tag is one million?”

Lin Ran frowned slightly and thought about it and said.

“Uncle, it’s not much to buy back and earn, if you’re interested I’ll help you choose one!”

“Ao? How much money can this earn?”

Jiang Sansi asked, swallowing gold stone is very powerful, can determine whether a stone is goods or not, but the specific value but also depends on their eyesight, after all, swallowing gold stone is dead, the price is alive.

“This thing up to three million, one point more is not necessary!”

Lin Ran blandly said.

“Little brother Lin Ran still has research on this thing?”

Luo Ding listened to not only a stunned, see Lin Ran said the chest is also can not help but curious.

“I know a little bit about it!”

Lin Ran laughed.

However, just as his words fell, a voice that hated disharmony came over.

“A little bit of knowledge? I think you don’t know anything about anything!”

“Hm?”

Lin Ran and the others looked and found that the one who spoke was none other than Meng Shan, and beside him was followed by Golden Tooth Li.

“Meng Shan, what are you talking about?”

Jiang Sansi’s face sank as he chided.

“Uncle Jiang, this kid is a liar, look at the clothes he’s wearing, does he look like someone who knows his trade? If we’re talking about knowledgeable, it would have to be this Mr. Li with golden teeth beside me! Don’t forget, this auction is run by their family!”

Meng Shan laughed smugly.

“What’s wrong with my clothes?”

Lin Ran asked with a smile as if he didn’t know anything, looking at Meng Shan.

“What’s wrong? What do you mean what’s wrong?”

Meng Shan suddenly laughed, striding to come in front of Lin Ran, pointing to the clothes and sneering.

“Come on everyone look, this Mr. Lin Ran’s clothes must be known to everyone, if I am not wrong, I’m afraid that this outfit adds up to two hundred dollars, is not this Mr. Lin Ran!”

Meng Shan smiled and looked at Lin Ran.

“Not true! It adds up to one hundred and eighty dollars, not to two hundred!”

Lin Ran laughed indifferently.

“Haha!”

Meng Shan laughed at that and pointed at Lin Ran and laughed coldly.

“Everyone heard it, wearing clothes that are less than two hundred dollars, commenting here on something that is priced at one million dollars, don’t you think it’s funny?”

Speaking here, Meng Shan did not forget to continue to mock a wave, pointing to the mud spots on Lin Ran’s clothes and sneering.

“Come on! Everyone look again, this guy has as many mud spots on his body as anything, what’s the matter, just got thrown out of the dirt pit, ah, this stone and you are a pit, right!”

“Haha!”

Meng Shan the words, immediately surrounded by many spectators, can not help but laugh.

Chapter 707

“Meng Shan!”

Jiang Sanshi’s face immediately turned icy cold, to count Lin Ran in such a way was simply not giving him face, Jiang Sanshi.

“Uncle, it’s no harm!”

Lin Ran stopped Jiang San Si with a smile, and then looked at Meng Shan and asked with a smile.

“How are the clothes, does it have anything to do with tasting stones?”

“Nonsense, what kind of class does what kind of thing, you’re a poor loser who eats soft rice, what kind of big head you’re pretending for Laozi here!”

Meng Shan said disdainfully, especially when he saw that Qin Bing was still standing next to Lin Ran, the anger in his heart was even more unpleasant.

“Fuck, I’m going to make a good fool of him today, so that you understand that the nature of such men is one word, slag!”

“Let’s not talk about how your clothes, just this price tag of one million things, you can afford to pay? O I forgot, there are 150,000 outside, you want to go see the goods there otherwise?”

Meng Shan laughed.

The people here are connoisseurs, who do not know that the goods outside the living room are cheap goods, put there is for people to see, only the things inside this time really have good goods.

“Your eyes are really as blind as your people!”

Lin Ran laughed indifferently.

“Is that so? Whether I am blind or you yourself are originally poor, I believe that everyone has already had a judgment, talking trash who can not, but no money is still useless brat!”

Meng Shan sneered.

Lin Ran saw the situation and did not bother to pay attention to him, looked at Jiang Sansi and laughed.

“Uncle, do you want to buy this stone?”

“No, you said it’s worth three million at most, the price tag is one million, why buy it, two million profit is not enough for me to toss!”

Jiang Sansi shook his head and said.

“Well!”

Lin Ran nodded, however at this moment, Golden Tooth Li, who had been standing by the side without speaking, was smiling.

“Elder Jiang, what did that dog tell you, that this thing is worth three million at most? Without the stone before, who can determine the value inside! You don’t want to be fooled by this dog!”

“You!”

Jiang Sanshi was so angry that his face was gloomy and he was about to explode at once.

“Uncle, the dog is right, what do you have to settle with a dog, saying through the value of people’s goods, it’s not making people embarrassed, forget it!”

Lin Ran laughed lightly.

“What the fuck are you talking about a dog?”

Golden Tooth Lee was immediately on fire, pointed at Lin Ran and cursed.

Lin Ran, however, had a puzzled look on his face.

“Did I say that about you? Or did you yourself have to grab this dog?”

“You!”

Golden Tooth Li was so angry that he burst into flames, pointing at Lin Ran and cursing.

“Kid, you’re crazy, dare to make a bet with me?”

“How can I bet?”

Lin Ran laughed lightly.

“Bet on this stone, if it’s worth more than three million or less, you lose, kneel down and apologize to me on the spot, and let me have this girl beside you!”

“How dare you?”

Golden Tooth Lee sneered, with greed in his eyes.

“You bastard!”

Qin Bing heard but angry, pointed at the gold teeth Li cursed.

“It’s okay!”

Lin Ran patted Qin Bing and said comfortingly.

“And what if I win?”

Lin Ran asked.

“You win? What are you thinking? This auction is run by Laozi, you can win?”

Golden Tooth Li laughed at once.

“What if?”

Lin Ran said indifferently.

Seeing this, Gold Tooth Li pondered for a moment and spoke.

“If you win, I’ll give you this stone for free!”

Lin Ran smiled and shook his head.

“Not enough, I lost but I also lost the woman, you lost and gave a stone?”

“Then what else do you want!”

Golden Tooth Li said in a cold voice.

“If I win, this stone will be given to my uncle, plus I want one of your fingers!”

“You!”

Golden Tooth Lee’s heart sank, a finger, this fucking

“What? Do not dare to play?”

Lin Ran looked at Golden Tooth Lee with a cold aura in his eyes, from the time he said he wanted Qin Bing as a bet, Lin Ran had no intention of letting him go.

“Let’s play!”

Golden Tooth Li gritted his teeth, swept his gaze across the room, and said in a cold voice.

“I, Gold Tooth Lee, don’t believe it, a poor loser wearing clothes not more than two hundred and covered in mud, can have better eyesight than Laozi!”

“Then you’ve already lost!”

Lin Ran smiled when he heard that, only to see him “bang” a stomp, suddenly all the mud points on his body is actually shaken away, the original earthy clothes, but at this time as if new.

“How?”

Golden Tooth Li and others completely did not notice, Lin Ran this detail, the heart is still wondering it.

“Meng Shan said I have mud spots on my body, and you believe it, it seems that you are like him, it’s time to get glasses!”

Lin Ran sneered.

“Put your mother’s fart, you already have mud spots on you!”

Meng Shan jumped out and said.

“O? Is that so? If you find one, I’ll admit defeat on the spot. If you can’t find one, how about I kick you?”

Lin Ran laughed.

“You!”

Meng Shan was so angry that he gritted his teeth, he had just seen it for real, there was no way he could be wrong.

“Let’s bet!”

Meng Shan immediately came close to Lin Ran, looking left and right, the more he looked the harder it was in his heart.

“Where is the mud point? I just saw it clearly!”

Meng Shan couldn’t help but mutter to himself.

At this time Lin Ran where there is still a little mud on his body, the clothes are brand new as if just bought.

“Looks like you lost the first game!”

Lin Ran laughed lightly.

Then without saying a word, he lifted a foot and kicked Meng Shan directly in the buttocks, the latter flew out with an “ah” sound, and then a dog eat shit directly on the ground.

“This is not possible, you cheat!”

Meng Shan was not willing to do so, and he got up from the ground.

“I cheat? Who saw it? There are so many people watching here, do you have proof?”

Lin Ran looked at him and said blandly.

“You!”

Meng Shan was furious, and at the same time this scene in front of him made him feel like he had déjà vu.

Just now outside, it seemed that Golden Tooth Li had been pitched like this.

“Forget it!”

Golden Tooth Lee coldly chided.

“Kid, you have the means I admit, but this kind of means used too much is just like this, later open the stone hope you can still keep it!”

“Naturally!”

Lin Ran laughed indifferently.

“Are you sure about this, little friend Lin Ran?”

On the side, Luo Ding busy asked, this is not a child’s play, after all, there is still Qin Bing on the block, he also does not want to see Lin Ran fooling around.

“Don’t worry!”

Lin Ran laughed lightly, did not care in the slightest.

The other people at the side, but already have come over, shopping for an auction can also encounter on the spot choke they or the first time, naturally all want to come over to see the lively.

“Here but how many people watching, I would like to see how you cheat!”

Golden Tooth Lee sneered, and immediately clapped his hands.

At once, three people ran over, each holding a tool to open the stone, apparently ready to open the stone on the spot.

“Slap!”

Golden Tooth Lee clapped his palm again, and at once another group of people ran over, precisely the security guards who had retreated just before.

“Don’t be afraid, everyone, I’m just afraid that some people are going to run away when they lose later!”

“You say so, right brother Lin Ran!”

Golden Tooth Li looked at Lin Ran with disdain in his eyes, as if he had already won the bet on the stone.

“No excuse, I just hope these people don’t get in my way later, or I wouldn’t mind beating them all up!”

Lin Ran laughed lightly, enjoying the same into a bamboo.

“Humph! You just keep on being wild! When the stone is opened, I’ll see if you can still laugh!”

Golden Tooth Li sneered and immediately looked at the three men and chided them.

“Open the stone!”

Chapter 708

With the words of the gold tooth Lee fell, three staff members immediately took the stone out, and then set up on the spot to open the stone.

The opening of the stone is undoubtedly the most exciting moment in the whole process, especially this time the opening of the stone is also about a gambling game, it is even more abnormal tension, the whole auction site atmosphere is also completely mobilized at this time.

“Old Jiang, how sure is your nephew!”

On the side, Luo Ding asked with some concern, not that he didn’t believe in Lin Ran, mainly because this time the bet made him vaguely a little worried.

In the past, all those gambling contracts staged on TV, as long as they plugged their women, almost never won in the end, and this time Lin Ran can also be said to have plugged his woman, this alone is enough to make him feel afraid that things are not too good.

“Old Luo, others dare not say, but this nephew of mine, I am absolutely confident, besides, what kind of person is Golden Tooth Lee, are you not clear?”

“By virtue of his father in Temperance City arrogant and domineering, uneducated, if this kind of person can win my nephew, I this Jiang Sansi might as well go home and raise flowers early!”

Here, Jiang Sansi made a wink, Luo Ding immediately understood towards the next Qin Bing looked, surprised to find that the latter seems to be completely unconcerned, as if the person being taken out to bet is not her at all.

At this moment, Qin Bing was looking at Lin Ran indifferently, not knowing what to think about.

“This nee-san seems to be very confident!”

Luo Ding wondered.

Jiang Sanshi, however, laughed.

“People a woman, or people who are taken out to bet, people are so confident, you say you blindly worry about what!”

“Old! Old!”

Luo Ding laughed helplessly, but his heart was more and more curious, wanting to see what in the end this Lin Ran has the ability to make Qin Bing can be so easy to handle.

“Hey hey! It’s opening! It’s opening!”

Soon, the crowd of onlookers next to a cry of alarm, while almost everyone saw that the three staff members in the hands of the stone, has been cut to only a layer of stone skin.

“Clang!”

With a crisp cracking sound, at this point everyone’s heart gave a lift, they understand that the stone has been cut, the next step is to open the stone, and all the results of the bet, depending on the situation after the opening of the stone.

“Kid, it’s not too late to backtrack!”

Golden Tooth Li looked at Lin Ran with disdain in his eyes, as if he already had the victory in hand.

“This sentence is also for you!”

Lin Ran still had a bland face, without the slightest fluctuation.

This airy and calm appearance of the two people immediately made the crowd of onlookers a little uncertain as to who was pretending and who was really sure.

“Humph! You just talk tough, later on after opening the stone, hope you still laugh!”

Golden Tooth Li said in a cold voice.

Lin Ran just laughed at his words, not bothering to speak.

“Old Jin, don’t bother talking to him, just open the stone! Let him, a country bumpkin, see what it means to be a connoisseur, a little prickly old man really thinks he’s a dish!”

Meng Shan was so impatient that he could not wait to open the stone immediately so as to beat Lin Ran’s face.

“Right, bullshitting with such people is simply degrading!”

Golden Tooth Li sneered, while looking at the three staff members, and said aloud with a wave of his palm.

“Open the stone!”

The words fell, and the three staff members immediately took down the top half of the stone, and then placed it aside with the incision facing upward.

At once, the situation inside the stone was presented in front of everyone without reservation.

The grayish white color, soft jade quality, let everyone present look stunned, but if this is just so it is fine, after all, the color is not particularly positive, but the key is that the grayish white color, with a large purple.

The purple color is simply as positive as it can be, as if the purple jade is permeated with some grayish white color.

“Holy shit! The best violet ah!”

“Fat, according to this scale, not only three million, at least five million to start ah!”

“As expected of the Li family, Golden Tooth Li usually seems to be uneducated, but this ability to identify stones is really not a cover!

“It’s over! That kid’s girlfriend is going to be cold!”

“I knew it, gambling with women, there are a few can end up well!”

The surrounding spectators all made a regretful sound, such a beautiful girlfriend will have to be given away in the blink of an eye, which is not good for anyone’s heart.

“Kid see clearly?”

Golden Tooth Li turned to look at Lin Ran, with smugness in his eyes, and greed in his eyes, because immediately, Qin Bing was his.

“No, old Jin, can you change the target, that chick is the one I’ve got my eye on first!”

The other side of Meng Shan some helpless, Qin Bing is indeed the first he saw.

“You’re sick, I’ve played with it and it’s yours!”

Golden Tooth Li glared at him and said helplessly.

“Also right, all right! Second-hand old me also do not care, look so beautiful, second-hand old me also satisfied!”

Meng Shan lewdly laughed, harrumphing down.

“Why are you still standing there? Kneel down and apologize! Then give your woman to the old man!”

Golden Tooth Li sneered, his face full of smugness.

“Ai! What a pity!”

“What a self-inflicted sin!”

“If I had known it was like this, I would have placed a bet, maybe I could also have a taste of that beautiful woman’s Fangze!”

The mood of the crowd of spectators was different.

And Lin Ran at this time is still standing in place, with a faint smile on his face, without much emotional fluctuation.

“Old Jiang, aren’t you in any hurry at all?”

Next to him, Luo Ding looked at the frown, the stone has been cut, but now not only Lin Ran, even Jiang Sansi seems to have no reaction.

“Don’t be anxious, Lin Ran is not anxious, what are we anxious about.”

Jiang Sansi looked like he had a good idea of what to expect.

“You uncle and nephew, how can you not worry at all!”

Luo Ding looked very helpless, but people are not anxious, he dry anxious also useless, only have to patiently wait quietly.

“Kid! Are you fucking trying to be rogue!”

On the side, when Meng Shan saw that Lin Ran did not move and did not say a word, he could not help but curse angrily.

“Kid, think carefully, in my Golden Tooth Li’s territory to renege, you do not go to inquire, you can not walk out of this auction house!”

Golden Tooth Lee is full of disdain, can open for business here, naturally some means, this is also something he relies on.

“What’s your hurry!”

Finally, Lin Ran spoke up, he blandly looked at Golden Tooth Li and the others as he said.

“I’m just wondering which finger you’re going to be asked for later, and you’re so anxious that you have to break it now?”

As soon as these words came out, everyone froze, especially Golden Tooth Li and Meng Shan.

But the two were only slightly stunned, followed by laughing, and it was the kind of laughing that went forward and backward.

“Haha! Holy shit, kid you’re stupid, the stone is open and you’re still fucking thinking about winning!”

“Lao Jin, I see the kid is a complete layman, he doesn’t know what pure violet is at all!”

Meng Shan also laughed.

And at this time, the surrounding spectators, as well as Luo Ding could not help but shake their heads and let out a sigh.

“Ai!”

“Old Jiang, does this nephew of yours really know what he’s doing?”

Luo Ding couldn’t help but ask.

“Don’t ask, just keep looking!”

Jiang Sanshi said casually, but his face was still wearing a confident smile.

Chapter 709

Meng Shan also did not bother to talk nonsense with Lin Ran, immediately went forward and picked up half of the cut stone, raised it at the onlookers, and then even walked around in front of them.

“Did you all see it? This material is not worth a lot of money, but it is definitely worth a lot of money. Two pieces of material are enough to make at least four bracelets, as well as a lot of pendants and pendants, whose value needs me to say more?”

Meng Shan said aloud.

“Needless to say, this half of the stone, the value is about three million, two pieces added up how also six million, this bet is simply the Golden Tooth Lee won!”

“Right! It couldn’t be more obvious, there’s nothing to say!”

“Jiang Sanshi, you can’t play scoundrel and protect your nephew!”

“Right! If you protect your calf, then we won’t buy your account either!”

The spearheads of these people soon actually aimed at Jiang San Si as well, which made Lin Ran couldn’t help but frown slightly.

“Have you all finished speaking?”

Lin Ran took two steps forward to look at the crowd.

“What? Kid can’t afford to lose!”

“If you can’t afford to lose, don’t play, come out and pretend to be a big head!”

“That’s right!”

The spectators one by one disdainfully chattered.

Lin Ran shook his head helplessly, he didn’t bother to say much to these people who saw the wind as rain, and turned to look at Golden Tooth Li and Meng Shan.

“According to the algorithm you guys said, you feel like you guys won, right?”

“Nonsense! Do you still need to feel? It’s a fucking obvious thing!”

Golden Tooth Li said disdainfully.

On the side, Meng Shan, however, could not help but lick his lips and laughed.

“Kid willing to bet to concede, you do not die to hold on, wait for the old gold can not wait, directly robbed your woman, how unattractive! Or you should just send it over yourself obediently!”

“No woman, you’d better think about which finger will be broken later!”

Lin Ran smiled lightly, followed by a step forward, directly next to the three staff members.

“Hey! What are you doing!”

Seeing Lin Ran’s move, some people were immediately shocked, especially Golden Tooth Li and Meng Shan, who grew their mouths in surprise, wondering what Lin Ran wanted to do.

“Old Jiang!”

Luo Ding was busy shouting, however Jiang Sansi patted him, signaling to take it easy, while saying.

“The good show has just begun! Look down!”

“You! Hey! Your heart is really big!”

Luo Ding couldn't help but sigh, and then continued to look at Lin Ran.

Only to see at this time Lin Ran rushed to the three staff members, without saying a word, directly picked up one of the cut stones, and then probed his hand to take the cutting knife from a staff member next to him, and rushed to cut the stone.

“Don't!”

“Don't, it's not ruined!”

“Oh, good material, so ruined, what a sin!”

“Hey! No, you guys, look!”

“What's going on there!”

Before the crowd's shocked voices could fall, the situation in front of them took a turn.

Lin Ran quickly cut the stone open, but what appeared inside was something that made the crowd could not help but gag, each froze in place.

Only to see Lin Ran cut the stone inside, where there is no jade, let alone violet, inside is a black dregs, as if something burning left carbon ashes.

“This How is this possible!”

“Impossible, how can there be nothing inside!”

Golden Tooth Lee and Meng Shan were both so shocked that they stayed motionless in place, feeling as if their feet were filled with lead, especially Golden Tooth Lee.

It was as if the bet just rang in his ears again.

“If you lose, I want one of your fingers! Finger finger!”

“No! Can't lose, absolutely can't lose!”

Golden Tooth Lee was busy shaking his hand Zhang, afraid that he was missing a finger.

Lin Ran took the cut stone and raised it at the crowd and opened his mouth to laugh.

“Six million! Anyone want it?”

“.....”

At once everyone froze, especially the people who just opened their mouths and said that the thing was worth six million, at this time they were all busy lowering their heads, feeling their faces burning hot, not to mention six million, this thing is afraid that no one would even want six hundred.

The surface is jade inside is stone slag, this thing to buy back simply useless, right.

“Gambling stone gambling stone, the word gambling, this stone if I am not mistaken, is weathered shale, only it is formed in a special period, which has a golden jade outside of the situation, the general public is really easy to hit the eye!”

“I’m not wrong, Mr. Golden Tooth Lee!”

Lin Ran turned his head to look at Golden Tooth Lee, and at this time the latter’s face was already as white as if he could squeeze out water.

“According to the algorithm you just used, I’m doing the math for you!”

Lin Ran laughed, while pointing at the jade stone in his hand and laughing.

“This stone, the surface of the violet visual estimate is only zero.5 millimeters, bracelet you can not do, but can do a do a few hanging face, if all made into a hanging face, according to the price of violet, and a huge number, at least can also sell a two million!”

“And then the brand, put in the hands of my uncle, just with the brand of the Jiang family, at least in add a million, so I say it is worth up to three million! Am I wrong?”

“You!”

Gold Tooth Lee looked at Lin Ran with anger in his eyes.

“Answer me! Was I wrong?”

Lin Ran’s attitude suddenly became strong as he questioned.

“Not wrong!”

Golden Tooth Li gritted his teeth and said angrily, while Meng Shan on the side already couldn’t help but gulp down his spit as his heart began to chill.

“That’s good!”

Lin Ran smiled lightly and immediately waved the cutting knife in his hand, only to hear two “whoosh” sounds, the thin layer of violets on the surface of the two stones had been cut off.

With the two pieces of violets in his hand, he walked over to Jiang Sansi and handed them over to him.

On the side, Luo Ding looked at Lin Ran’s eyes had changed, and at the same time, he understood in his heart why Luo Ming had acquiesced to the relationship between Luo Qiqi and Lin Ran.

You know, with the power of the Luo family how could not know that Lin Ran has many women around, but Luo Ming still acquiesced, which may have the reason that he loves his daughter, but more afraid that it is still Lin Ran’s personal power.

“This son, he is really a demon!”

Luo Ding secretly said in his heart, while also feeling a little funny for his worry just now.

“Mr. Golden Tooth Li, the stuff has already gone to my uncle, can we discuss which finger should be broken next?”

Lin Ran turned to look at Golden Tooth Lee, the corners of his mouth tackled with a cold smile.

“Lin Lin Ran, we have There are things to discuss, you I will give you as much money as you want!”

“Do you think I’m short of money?”

Lin Ran said indifferently, while already striding over.

“Someone! Come on, someone, stop him! Stop him!”

Golden Tooth Li was completely panicked, if his finger was really broken, then the disability would be small in the future, every time he saw a broken finger he was afraid he would have nightmares, and it would be a shame for his whole life.

“I said, you better not let them come over, or I still have to fight together!”

Lin Ran smiled faintly and his figure rushed forward with a speed that was simply staggering.

“Hand over your fingers!”

Lin Ran an arrow step directly in front of the gold tooth Lee, followed by a slap on the other party’s face, directly hit him on the ground, the palm of his hand picked up the stone cutting tool, rushed to the palm of the gold tooth Lee smashed down.

“Bang!”

A muffled sound, the field immediately quiet, and the gold teeth Lee is a double-eyed glare, “bang” fainted.

“Ah! Kill!”

Meng Shan was so scared that he turned his head and ran, but did not run out of two steps, but his feet slipped and fell to the ground in a dog’s shit, directly fainted.

Chapter 710

“Stop!”

A strong and angry voice suddenly sounded, followed by a large group of people rushing in from the door.

Lin Ran saw that the leader was a middle-aged man, his stout face had the overpowering aura of an old man, obviously brought on by a long time in a high position.

The middle-aged man was precisely the father of Golden Tooth Li, known as Qian Li, his native name is Li Qian, but in the business world is known as a man of the essence, profit-oriented, so people send nickname, Qian Li.

“Who did it!”

Li Qian's eyes coldly swept over the crowd and chided.

"Boss, it's them!"

The head of the security guards standing next to him immediately jumped out and pointed at Lin Ran and said.

"What the hell are you guys doing, have you grown eyes? Just watch!"

Li Qian was so angry that his face turned red, especially when he saw his son fall on the ground, a large area of red blood next to him, it made him feel dizzy.

The head of the security guard saw Li Qian very angry, just lowered his head and did not dare to speak.

"Waste!"

Li Qian cursed, while looking at Lin Ran.

"What did you do to my son!"

"Nothing much, naturally collected a finger after a bet!"

Lin Ran said indifferently, while raising his palm, at this time his palms were together, and inside seemed to be grasping the finger of Golden Tooth Li.

"Finger?"

Hearing Lin Ran's words, Li Qian immediately felt a black eye, almost did not faint, he did not even bother to hit the word and, today was actually given a broken finger, this is not much different from a bolt from the blue sky.

"You touched my son! I want your life!"

Li Qian said angrily, while speaking, there were already four or five figures in black clothes beside him pouncing towards Lin Ran, it was his personal bodyguards.

"What? Is this the credibility of the Li family?"

Lin Ran laughed at this.

"Reputation? You dare to touch the son of the old man, the old man is credibility!"

Li Qian said angrily.

And at this moment, four or five bodyguards had already rushed to Lin Ran's nearness.

Qin Bing on the side looked tense, although very informed about Lin Ran, but at this time, facing so many bodyguards, it is false to say not worried.

"Old Li! Overdoing it!"

Jiang Sansi chided, and his face sank completely, while next to him a few young men in Tang suits also had icy faces, obviously the bodyguards he had brought.

"Jiang Sansi you shut up, so this kid touched not your son is it!"

Li Qian said angrily.

Jiang Sansi smiled at his words.

“My son? He is the nephew of the old man, you dare to touch him today a try!”

“Nephew? If you dare to touch my son, even the King of Heaven is useless!”

Li Qian said angrily.

However, just as his words fell, there was another rebuke from the side.

“What about in addition to our Luo family?”

“Luo Ding! What’s the matter with you!”

Li Qian was angry, the Jiang family in Tanjiang City can only be said to be very powerful, but it is still far from the point where only hands can cover the sky, but the Luo family definitely has this strength, except for the imperial Qin family Yue family Li family that a few super big families.

The Luo family can be said to be the absolute hegemon of the entire Temperance City, any other family wants to fight with the Luo family, it will have to weigh their strength enough.

“It’s not a coincidence that there is something about our Luo family, that kid is our future son-in-law of the Luo family, do you think there is something about our Luo family!”

“What?”

Li Qian only felt a buzzing in his head, the son-in-law of the Luo family, that

“Stop it!”

Li Qian gritted his back teeth and spoke, facing the Luo family he could only choose to restrain, there are times when people can go crazy, but there will be a bottom line in their hearts, it is clear that offending the Luo family let their family face great fear, is Li Qian’s bottom line, he did not want to touch easily.

But although he spoke quickly, at this time is still a step too late, the first person who rushed to Lin Ran, has flown backwards, “bang” landed in front of him, the corner of his mouth spitting blood.

“Sorry Boss Li, you were too slow!”

Lin Ran smiled lightly, followed by a flip of his palm, and the object held in his hand was flung towards Li Qian.

“How dare you!”

Li Qian was furious, he understood that it must be his son’s finger inside, and hurriedly went to catch it.

But just after he received it, he realized that it was not a finger at all, but a golden tooth.

“Son back to you!”

Lin Ran followed by turning around and kicking on the unconscious gold tooth Lee, the latter also cut a parabola, heavily smashed in front of Li Qian, but the good thing is that he still has a human cushion below, which was not fallen to half-body.

“Father! You’re here, you have to do it for me ah, that kid broke one of my heel fingers dad!”

Golden Tooth Lee woke up, saw Li Qian, busy hugging the latter’s thighs bitterly pleaded.

“Boss Li, today really opened my eyes ah, the Li family turned out to be such a family, can be unruly, even the bet can not count, very good! I, Lin Ran, have seen a lot!”

Lin Ran looked at Golden Tooth Li and laughed.

At this time, Golden Tooth Li had already noticed that his son’s finger was not missing at all, apparently Lin Ran just knocked off his gold teeth.

Looking at other people, and then looking at his own son’s bearish appearance, his anger was uncontrollable.

“Rubbish!”

Li Qian kicked Golden Tooth Li over.

“Father! You hit the wrong person, it’s him! Why are you hitting me!”

Gold Tooth Li was busy being afraid to come back again, his face full of aggression.

“That’s enough! Wimp, look at your finger less?”

Li Qian said angrily.

“What do you mean?”

Golden Tooth Li was stunned, busy looking at his own fingers, and only after this look did he realize that none of his fingers were missing.

“People just knocked off your gold teeth, look at your wimpy face!”

Li Qian was furious.

Golden tooth Li is the old face red, half a day can not say a word, and then look at the next Meng Shan, by now has long been unconscious followed by the dead.

“Little friend Lin Ran, I’m sorry! It is the old man impulsive!”

Li Qian busy arch hand said, Lin Ran did not really break his son’s finger, obviously do not want to completely stalemate the relationship, but they are because of impulsive, actually let people to teach Lin Ran, at this time this word of reason, he is no longer accounted for.

“Sorry? A sorry and you can pretend nothing happened?”

Lin Ran laughed.

“If all the things under the sky can be solved with a word of apology, then why do we need the police?”

“Then what else do you want?”

Li Qian’s face was gloomy as he looked at Lin Ran with a deadly look.

“How? Let me tell you, listen!”

The corner of Lin Ran’s mouth revealed an evil smile as he followed.

“Your son, as the steward of this place, provoked me three times, and later had to that my woman to bet, and now I didn’t really break his finger after losing, who took this reason?”

“You!”

Li Qian face ugly.

“Good!”

“So now, you as the old son, indiscriminately, come up and let people come to beat me, as the boss here, disregard the conditions of the betting contract opened by his own son, this reason is who occupies?”

Lin Ran continued.

“You!”

“Good! The last one, I’ll just ask, is your Li family so unreasonable in business, relying on their fists in everything?”

“No!”

Li Qian said with an ugly face.
