

Wonder Doctor

Chapter 741

“Besides, what’s the use of talking so much, I’m still living a good life, and what about him? Hiding abroad and not daring to come back, what effect does it have on me!”

Liu Qimeng is full of disdain.

“I Liu Qimeng how to live, with whom, that is my freedom, do not need you an outsider here to dictate!”

Liu Qimeng said, disdainfully glanced at Lin Ran and sneered.

“Still helping others out here, don’t even look at what kind of dog you are mixing with yourself, still mixing like this in a third-tier city, if you were allowed to go to the imperial capital, you’d be afraid of not starving to death!”

“Ao?”

Lin Ran laughed.

“What kind of mix I am? How are you doing in the imperial capital? Come on, let me hear it!”

“What? You want to open your eyes, fine! I’ll make it happen!”

Liu Qimeng pointed to the gift box in Yue Feng’s hand, that is a tea cake, should be authentic Pu’er tea, the price is very expensive.

“Do you know what kind of tea this is? Authentic Pu-erh tea cake, does one cake know how much it costs? Five thousand dollars! Here is a full ten pieces! Can you afford to buy it?”

“I’m afraid you can’t afford to buy it with your yearly salary!”

Liu Qimeng face is full of disdain.

“And look at this, foreign imported pastries, a box of ten, three thousand dollars a box! Can you afford to eat?”

“Do you know what quality of life means? Do you know what is the life of the upper class?”

Liu Qimeng said more and more outrageous, raised his wrist, suddenly revealed a string of emerald green string, that should be white gold inlaid jade, the whole string of jade color is very positive, a look is worth a lot of money.

“Do you know how much this one string costs? Three million! Have you ever seen it? Don’t say you’ve seen it, do you know what the concept of three million is?”

“A poor loser who only knows how to eat pickles in college, talking to me about philosophy of life here, are you worthy?”

“Ao?”

Lin Ran’s face remained just bland, without much change of ups and downs.

“Three million just to buy a this, huh?”

Lin Jean laughed.

“This is from Yue Feng, or the last one!”

“From me!”

Yue Feng’s face was icy cold as he looked at Lin Ran.

“Then it seems that you don’t like her much!”

Lin Ran laughed.

“What do you mean!”

Liu Qimeng but heard the face sank, heart vaguely feel some not so good.

“This string, white gold is true, but so small, only worth a few dollars? As for this jade, the green is too much, buy water goods you also buy a better, at least that is also a girl, you want to soak even the capital is not willing to pay, this can be some stingy!

Lin Ran laughed and continued.

“This string, the market price, I’m afraid it’s only three or four thousand dollars! Three million, you really talk about it!”

“You What nonsense are you talking about!”

Yue Feng’s face changed, he didn’t expect Lin Ran to actually see it.

“I nonsense? My uncle is selling this, I’ve seen a lot of this kind of goods, whether or not to take it to firm up will know!”

Lin Ran lazy nonsense, turned to look at Liu Qimeng, sneered.

“Your pursuit of money, it has nothing to do with me, but Lao Si that is my brother, either! You go he also counted can start over, just this thirty years river east thirty years river west, you better tell yourself, do not regret in the future!”

Said, Lin Ran turned around and took Song Nuan and Song Yuntian to leave, things they have bought, and do not bother to continue to break up with Liu Qimeng here.

“O, I forgot to tell you!”

Suddenly, Lin Ran stopped in his tracks, embraced Song Nuan beside him and smiled at Liu Qimeng.

“This is my girlfriend, the poor loser in your mouth, now has a girlfriend more beautiful than you, I think Lao Si was dumped by you, rather his luck!”

“You!”

Liu Qimeng was so angry that her face turned blue, when she saw Song Nuan, she didn’t dare to believe it, but Lin Ran just put his arm around her, she didn’t even say a word, things were already obvious.

“Brother Feng!”

Suddenly, Liu Qimeng turned her head to look at Yue Feng, pointing to the string on her wrist, her face was full of doubts.

“Little Meng, forget it, things are in the past!”

Yue Feng did not want to say more, joking how to say more, is it that what I sent is fake, you do not deserve to use the real?

Stop it, this Liu Qimeng he has not played enough.

“What past? Peak brother this thing is really fake?”

Liu Qimeng unwillingly, questioned.

“What does it matter if it’s fake really, it doesn’t matter if it looks good!”

Yue Feng’s face sank and chided.

“I still have to buy gifts, I have to go to a dinner party later, stop fooling around!”

“I make a scene?”

Liu Qimeng tears immediately came down.

“You bought gifts this time have spent a hundred thousand, you gave me this string actually only three or four thousand, peak brother I but for you twice abortion!”

Liu Qimeng heart is very unwilling.

“What do you mean you had two abortions for me, you didn’t have fun or what!”

Yue Feng said with some impatience.

“You!”

Liu Qimeng listened to the heart broke, pulling Yue Feng had to ask a clear.

But between pulling, her nails were accidentally scraped on the back of Yue Feng’s hand, and immediately a mouth oozed blood.

This time Yue Feng completely out of patience, a hand flung directly free of Liu Qimeng, reprimanded.

“Have you had enough! I send you a gift that is to look up to you, not send you so what! If you don’t want to follow me, get out!”

“You!”

Liu Qimeng immediately tears down, but really let her leave, she is willing to? After leaving Yue Feng, what else does she have?

“Every day to bring you good food and drink, where to so many fart, really think you are my daughter-in-law!”

Yue Feng face icy cold, glared at Liu Qimeng, turned around and left.

“Don’t follow Laozi, if you delay tonight, I’ll get you killed!”

Saying that, Yue Feng turned around and left the place.

.....

Outside the store, Song Yuntian looked at Lin Ran and gave a thumbs up.

“Brother Lin Ran, you are really ruthless, after such a mess, that Liu Qimeng is afraid that he has completely broken up with Yue Feng!”

“Sooner or later!”

Lin Ran said indifferently.

“But won’t this be too much?”

Song Nuan said with some uneasiness.

“Excessive?”

Lin Ran laughed.

“If I do this too much, when Liu Qimeng did so simply to be cut off by a thousand cuts!”

“Women greedy for money does not matter, but the man as a springboard, then do not blame me as a brother not to agree!”

“I know the old fourth person best, this is definitely not a small blow to him, I was not able to help him before, so it is fine, but now I happened to poke Liu Qimeng’s true colors, this kind of hand, I am naturally happy to do it!

Song Nuan and Song Yuntian looked at each other, did not answer, they can feel Lin Ran’s hatred for Liu Qimeng, perhaps this is brotherly love, hurt his brother, he naturally will not stand by and do nothing.

And in the end, this Liu Qimeng is also really a little too much.

“Okay! Gifts also finished buying, the following we go directly to the dinner?”

Walk out of the mall Lin Ran Q&A.

“Not first! First go to my house!”

Song Yuntian busy said.

“Go to your house?”

Lin Ran was stunned and somewhat did not understand what it meant.

“It’s like this, cousin Yuntian’s mother, that is, my aunt’s leg is a bit uncomfortable, and wants to ask you to take a look! That’s why my cousin is here!”

Song Nuan said somewhat embarrassed.

“No way, aren’t you also a doctor?”

Lin Ran looked at Liu Yuntian differently, somewhat unsure.

“Hey! It’s embarrassing to say, my mother has had this old cold leg for more than ten years, if I had a solution I would have cured it long ago!”

Song Yuntian said awkwardly.

Chapter 742

“Let’s go then!”

Lin Ran laughed, since he had been approached, then he naturally had no reason to ignore it.

The three of them drove away from the mall and went straight to the hotel where Song Yuntian’s parents were.

His parents also lived in the imperial capital all year round, so they naturally stayed at the hotel when they came back this time, and coincidentally, the hotel where his parents lived was exactly where the banquet was tonight.

The hotel is the best five-star hotel in Tamagawa City, strictly speaking this is the first time Lin Ran came to this hotel, before going to most of the three-star and four-star hotels, five-star hotel is really the first time.

Looking at the luxurious decoration in the hotel, Lin Ran also can’t help but secretly praise why there are so many girls like Liu Qimeng exist, after all, such a luxurious life is a person, I’m afraid will be very envious like.

“My parents live on the fifth floor, let’s go straight up!”

Song Yuntian greeted with a smile, he had already informed his parents on the way back.

The three of them went upstairs, and Lin Ran also took the gifts prepared for Song Yuntian’s parents.

“Dingdong!”

Ring the doorbell, soon the room door opened, appearing in front of Lin Ran was a middle-aged man, he was wearing a suit, his sturdy figure looked very sturdy, his cheeks also had a few similarities to Song Yuntian, without thinking, he could guess that this must be his father, Song Yutian.

“This is little friend Lin Ran, right! Please come in!”

Song Yutian was busy smiling as he let Lin Ran in.

Song Yutian also introduced Lin Ran to his own father at the side.

“Xiao Yun, come out quickly Lin Ran is here!”

Song Yutian shouted with a smile, soon a middle-aged woman came out from the inner room, she looked almost forty years old water, but the maintenance was very good, a look is usually pampered noblewoman.

“This is my mother, Liu Yun!”

Song Yuntian smiled.

“Hello auntie!”

Lin Ran laughed, while handing over the gift.

“This is a gift for auntie and uncle!”

“Just come, why do you still prepare gifts!”

Liu Yun laughed, while greeting Lin Ran to hurry up and sit down.

“Mom and Dad, I just said, brother Lin Ran’s medical skills are very high, commonly known as the little miracle doctor of Tanjiang, he can come, your old cold leg will definitely be cured!”

Song Yuntian laughed.

“Really? Then hurry up and show it to your mother!”

Song Yutian was busy laughing.

Lin Ran saw this and did not say anything, immediately got up and came in front of Liu Yun, signaling the latter to lift his leg.

“I’ve had the old cold leg for many years, every rainy day and winter, it vaguely hurts, Yuntian this child also went to study medicine for this reason, but unfortunately did not learn a result!”

Liu Yun laughed.

“In fact, brother Yuntian’s medical skills have been very powerful!”

Lin Ran laughed.

“I understand his medical skills, if it really works, it is not even his mother my old cold leg can not be cured!”

Liu Yun laughed.

Lin Ran smiled at his words, and while holding up Liu Yun’s pant leg, he asked with a smile.

“I’m curious, how did uncle and aunt give him this name, it feels very similar to uncle’s!”

Song Yutian laughed at his words.

“Haha, it’s a long story, when Xiao Yun and I had him, we also thought of many names, and then it was Xiao Yun who decided with a tap on the table, and used my sky and her cloud to form the current name, Song Yun Tian!”

“This name is indeed very similar to mine, but his mother is also good to remember, so simply so called!”

Song Yutian said with a face full of overflowing happiness, obviously very satisfied with the current life.

“Song Yujiang, Song Yutian!”

Lin Ran thought in his heart, according to this calculation, it seems that Song Yutian’s father and Song Nuan’s father are still blood brothers of one generation.

“Lin Ran ah, how is this aunt’s leg?”

Liu Yun asked with a smile, there was a banquet in the evening, she was also afraid that this leg of hers would affect things.

“Auntie don’t worry, your retreat is not a big problem, it should have been frozen by the cold when you were young, and it only protruded when you got older!”

Lin Ran smiled and touched out the silver needles from his body, following the method of acupuncture, he quickly dropped a few needles, while also inputting a stream of medical dao true qi for assistance.

“Hey! Not to mention, you really felt warm after the two needles fell!”

Liu Yun looked at Lin Ran with surprise, Song Yuntian had also given her acupuncture before, but it didn’t feel this comfortable.

“Acupuncture will heal in ten minutes!”

Lin Ran laughed, while getting up and going back to his seat, this kind of disease was simply at hand for him.

“Hey, hearing Lin Ran say that, I just remembered that when we first arrived in the imperial capital, that’s when we should have fallen ill!”

Song Yutian said with a face full of memories.

“Yes, that time in the winter most of the night to and from work, there is no car, I think that is also the root of the disease fell at that time!”

Liu Yun is also full of memories.

“Now it’s good, the conditions are good these children also do not have to suffer!”

Song Yutian laughed, while looking at Lin Ran.

“Lin Ran, I haven’t heard much about you from my big brother, when are you and Xiao Nuan going to get things done?”

“Huh?”

Lin Ran was stunned, he didn’t expect Song Yutian’s topic to turn so quickly, and when did he say he was going to do things with Song Nuan? How come he suddenly talked about it.

On the side, Song Nuan almost didn’t spurt out a mouthful of tea.

“Uncle, why are you suddenly talking about this!”

Song Nuan Qiao red face, she also did not expect Song Yutian will suddenly talk about this matter.

“Why all of a sudden, you will soon graduate from college, our family is you a girl, uncle can not care about you, look at Song Lin, it is said to have found a boyfriend, and recently ready to get engaged, you must hurry up, can not lose to her ah!”

Song Yutian said seriously.

“What is there to compare with the wedding event!”

Song Nuan was helpless.

Song Lin’s line is separated from grandfather Song Qishan here, although on the surface are relatives, but after all is not the original family, so climbing will still exist, otherwise Song Nuan and she will not become the relatives of the mouth of the climbing object.

“Hey, you can’t say that, listen to your father praise Lin Ran to the sky, today I really see the hero out of the youth, this medical skills but even Yun Tian can not compare, just this point your aunt and I are very satisfied, I think it is necessary to hurry up to do things! To save the night long dream!”

Song Yutian said seriously.

“I also think so, now this society how scarce talent ah, you can not easily meet a favorite, but also so young with Wei, if someone else snatched, then it will be too late to regret!”

Liu Yun laughed.

Lin Ran heard but very embarrassed, hands do not know where to put, suddenly he felt as if he had become the meat and potatoes.

“It’s better to talk about it later, we have to let nature take its course!”

Song Nuan awkwardly laughed, while looking at Lin Ran, and his own almost the same expression.

At the same time she also remembered Su Rou Qin Bing as well as Luo Qiqi, Lin Ran has not made a clear choice until now, I’m afraid the other three are not much different from their own mood.

“That aunt and uncle, it’s almost time, we’d better go up, the banquet should have already started!”

Thought Song Nuan busy digressing and said.

Song Yutian and Liu Yun smiled and looked at the watch, saw that the time is indeed not early, then did not continue to talk, cleaned up a little, immediately went out with the crowd.

Chapter 743

The banquet hall was located on the twentieth floor of the hotel and was a very large party hall.

When Lin Ran and the others arrived here, many people had already gathered in the entire banquet hall, but these people were all dressed in very bright and shiny clothes, and most of them were talking and laughing, appearing to be happy and harmonious.

“Go, let’s take you to recognize your relatives!”

Liu Yun was very enthusiastic and dragged Lin Ran to meet with a group of relatives one by one.

Lin Ran had never seen these people before, but he couldn't resist Liu Yu's warm invitation, so he had no choice but to go and meet them one by one.

But honestly, the whole meeting down he did not remember a single person, only know that everyone's attitude is not bad, some are also surprised by their relationship with Song Nuan, but at least all very polite, did not say anything.

It was only after the meeting that Lin Ran and Song Nuan were spared by Song Yutian and his wife, who went to find someone to talk to on their own, that Lin Ran and Song Nuan and Song Yutian had time to come and sit down and take a good breather.

"I'll go get some fruit for you guys!"

Song Yuntian said awkwardly, he didn't expect his parents to be so enthusiastic either.

"Are you okay!"

Song Nuan looked at Lin Ran and couldn't help but laugh.

Lin Ran waved his hand and said helplessly.

"I didn't expect your family to have so many relatives, if we do have a wedding banquet in the future, I'm afraid I'll have to go bankrupt just by feasting on your family's guests!"

"You don't have to come!"

Song Nuan gave Lin Ran a white glance, with small expectations in her eyes.

"Hey hey! My father, and my grandfather!"

Song Nuan suddenly pointed to the distance and said.

Lin Ran looked and saw Song Yujiang and Song Qishan, Song Nuan's father and grandfather.

"Let's go and find them!"

Song Nuan greeted Lin Ran with a smile and went over, but only just got up, a middle-aged beauty came over from the sidelines.

She was wearing a mink coat, the whole person looked very graceful and luxurious, and Liu Yun compared, the whole body does not know how much more luxurious.

"Water Aunt Shui, what brings you here!"

Song Nuan was stunned, busy smile, only this smile is a little embarrassed.

Lin Ran frowned as he watched from the side, because he found that this Aunt Shui looked very much like a person, it was the same Song Lin that he had seen only before.

"Xiao Nuan ah, what's going so flustered?"

Aunt Shui asked with a smile as she held the red wine glass in her hand, but a bit of disdain came out from the depths of her eyes.

“I’m taking my friend to meet my father!”

Song Nuan said truthfully.

“Ao, so ah! You go first, I’ll have a chat with your friend!”

Aunt Shui laughed blandly, but her words were noncommittal.

“Aunt Shui, or else wait for”

Song Nuan just wanted to refuse, but Aunt Shui opened her mouth and interrupted her.

“What? Your Aunt Shui I can still eat him up?”

“No No!”

Song Nuan was a little anxious.

Lin Ran, however, got up and smiled.

“It’s okay, you go first, since I’m an elder, I should!”

“But”

Song Nuan still wanted to say something, but Lin Ran winked at her.

Seeing that Lin Ran had given himself a hint, Song Nuan had to stop insisting and gave him a sympathetic glance, followed and left first.

“You are Lin Ran, right!”

Aunt Shui faced the direction Song Nuan left and asked directly without looking back.

Lin Ran not only frowned when he saw this, he spoke without looking at the person, which was indeed a bit very rude.

He blandly sat down and pretended not to hear, the first time they met they did not respect themselves, then naturally he did not need to give any good looks.

“I’m talking to you, are you deaf?”

Aunt Shui turned around, her face obviously a bit unpleasant.

“O? I don’t know what Aunt Shui said? I didn’t really hear it!”

Lin Ran laughed.

Aunt Shui laughed at this and sat down on her butt next to her, laughing.

“Looks like you really don’t have good ears!”

“No!”

Lin Ran also laughed.

“My ears are very sensitive, maybe it’s because your voice was too small just now, Aunt Shui!”

“My voice is small?”

Aunt Shui revealed a cold smile.

Lin Ran, however, was a serious man and pointed at the waiter next to him, laughing.

“Look, he’s asking that customer what he wants to drink!”

Aunt Shui sniffed and looked over, while somewhat puzzled.

“That guest said he wanted and red wine!”

Lin Ran continued.

As soon as his words fell, the waiter really picked up the red wine glass and handed it over, this scene looked at Aunt Shui could not help but blush, looking at Lin Ran’s gaze also a little wary.

“Look, I told you I have a very sensitive ear!”

Lin Ran looked to Aunt Shui and laughed.

“Humph!”

Aunt Shui coldly snorted and said directly.

“Kid, I didn’t come here to chat with you about the day, I just want to ask you, are you my family’s Xiao Nuan’s girlfriend?”

“Yes!”

Lin Ran didn’t hide it and directly nodded his head and admitted it.

“Good! Then you leave, I’ll give you as much as you want for the breakup fee, as long as you leave Xiao Nuan!”

Aunt Shui said directly.

Lin Ran smiled at his words but smiled as he looked at Aunt Shui and said.

“Aunt Shui, how many years have you and uncle been married?”

Aunt Shui smiled, just want to speak, next to Song Yuntian is already carrying fruit busy running over.

“Come and eat the fruit, this is my just”

Song Yuntian did not finish a sentence, when saw the table next to Aunt Shui, suddenly froze.

“That This You guys talk, I still have things to do! There’s something else!”

Said Song Yuntian a slip of smoke will run out of sight, leaving only a plate of fruit.

But see the fruit Lin Ran more speechless.

This Song Yuntian took the fruit, it is not even cut or a whole, you know this is a five-star hotel, the waiter on the fruit are cut in advance, but Song Yuntian this guy sent the fruit, actually not even cut.

Aunt Shui could not help but laugh when she saw this, she picked up one of the fruits, while looking at it herself, while saying to herself.

“Some people, ah, just follow the fruit like, look good, but eat not necessarily delicious!”

“Song Nuan is, after all, a member of our Song family, although she is not my daughter, but not everyone can climb high, you understand what I mean!”

“I don’t understand!”

Lin Ran laughed, while directly picking up an apple and ate it, not putting Aunt Shui in his eyes at all.

Seeing Lin Ran eating, Aunt Shui couldn’t help but reveal a cold smile.

“Dirtbag, just a dirtbag, eating fruit to cut does not understand?”

“O? Why? Can’t you eat it like this?”

Lin Ran asked with a smile, not the least bit angry.

“Do you understand taste? Do you understand etiquette? You’re at such a level and you still want to be with Xiao Nuan, I think it’s Song Yujiang who was fooled by you!”

Aunt Shui said disdainfully.

Lin Ran smiled at his words but laughed.

“Tasteful etiquette? Well, I don’t really understand it, but right! I at least don’t talk to people behind their backs, for that alone, Aunt Shui you don’t seem to have much taste in etiquette either!”

“Bang!”

Aunt Shui’s face instantly changed when she heard that, and she directly stood up with a slap on the table.

“You dare to talk to me like that, do you still have me as an elder in your eyes! You are simply reckless!”

“Elder?”

Lin Ran smiled at his words, and likewise stood up, looking at Aunt Shui.

“You’re not really my elder, you’re Song Nuan’s elder, but what do you have to do with me?”

“Does it matter to you whether I fall in love with Xiaonuan or not? I think you should worry more about your own daughter’s affairs, besides!”

Lin Ran said, pulling out the broken-tipped dagger from his waist and raising it in front of Aunt Shui, laughing.

“Just eat the fruit, you can tell me if you’re not used to it, I brought a knife and can cut it for you!”

Chapter 744

“You!”

Aunt Shui was furious and her face was very ugly, she glared at Lin Ran and said in an angry voice.

“A bumpkin is still on the line with mother, so what if you have a powerful mouth, you’re still a bumpkin!”

As she spoke, Aunt Shui fished out a photo from her bosom and threw it at Lin Ran’s face, sneering.

“Look carefully, this is my daughter’s boyfriend, Xiao Nuan has been better than my daughter since she was a child, but so what, now she has found a loser like you, just this point she will lose!”

Lin Ran did not bother to pay attention to her, followed the photo fell to look at the location, when he saw the two people in the photo on the ground, he froze.

Only to see the photo, a man and a woman leaning together, looking very intimate, the woman is her daughter Song Lin, Lin Ran had seen.

But the male, to Lin Ran never thought, would actually be Yue Feng!

“This guy plays really flowery ah!”

Lin Ran laughed, a few hours ago he had bumped into Yue Feng and Liu Qimeng together, but he didn’t expect that in the blink of an eye he would become Song Lin’s boyfriend, this really answered the saying, the world is really small.

“Still laughing?”

When Aunt Shui saw Lin Ran like this, she couldn’t help but laugh as well.

“What? Are you scared? Or are you just like this, shameless and shameless!”

Lin Ran smiled, from speaking to now is finally revealed a is a cold smile, he lifted his head to look at Aunt Shui, blandly asked.

“I just don’t understand, are Song family, the gap between these people is so big? I talk to Song Nuan friends, in your way, what is it, besides, your daughter and Song Nuan is not a deadly rival, according to reason you should not care!”

“Why now, following the crazy old woman like, here bite people?”

“Who are you calling a crazy old woman!”

Aunt Shui was instantly furious.

Lin Ran, however, remained aloof and pointed to the top of his head and laughed.

“Can’t you see for yourself who is a crazy old woman?”

Aunt Shui was stunned, followed by looking up, only to find that the ceiling turned out to be all reflective glass design, usually do not pay attention will not find, but at this time, once she looked up, a face full of anger, with a red face appeared in front of her, it is her own.

“Aunt Shui! For the sake of your aunt Nuan I shout you, but also for the sake of Song Lin and Nuan is about the same age I remind you, let your daughter away from that man, or be green I’m afraid do not know!”

“What are you talking about!”

Aunt Shui listened to the face completely icy cold down, she looked at Lin Ran scolded.

“The heart is not right, originally just thought you poor, but did not expect your heart is still so poisonous, see my daughter find a rich and status boyfriend, here alarmist, Xiao Nuan is really blind, how will see such a loser like you.”

“Huh!”

Lin Ran saw this helpless smile, and did not bother to say more, looked at not far away is and Song Yujiang laughing and talking Song Nuan, get up and ready to go over.

Words are not half-hearted, he is also too lazy in and this water aunt to break up.

“Stand still! Who told you to leave!”

Aunt Shui’s face sank and blocked in front of Lin Ran.

Lin Ran just gave a bland look, didn’t say anything, and prepared to go around.

But Aunt Shui was unrelenting and still blocked in front of Lin Ran, which made Lin Ran a little hot.

“Get out of the way!”

“Out of the way!”

“I repeat, get out of the way!”

Lin Ran’s face was cold, and his voice was ice-cold.

“I said don’t let!”

Aunt Shui was very strong, this was their Song family’s dinner party, she could not be afraid of Lin Ran.

Lin Ran saw the frown, straight ahead ahead of the walk, which made Aunt Shui look can’t help but frown.

This is if she gives in and gives way, then want to press Lin Ran on the impossible, although the distance between the two in the rapid approach, but she still gritted her teeth and hold on.

Lin Ran did not look at her, just blandly looking ahead, as if there was no one in front of him, walking on his own, anyway, he is a big man is not afraid of losing, you have the ability not to let, when the time comes to see who embarrassed.

“Stand still!”

Finally, Aunt Shui could not help but see Lin Ran getting closer and closer, she could not help but blush and take a few steps backward.

But Lin Ran acted as if he didn't hear, still walking on his own, not caring at all about Aunt Shui's changing face.

The distance is getting closer and closer, Lin Ran can even smell the rich perfume smell on Aunt Shui's body, I don't know how much perfume this old woman has sprayed, itching his nose.

"No more!"

Suddenly Lin Ran was stunned and immediately raised his head.

"Huh?"

Aunt Shui looked puzzled, but then her face changed, only to see Lin Ran's raised head fell down violently, rushing to her about to sneeze.

But it was too late for her to hide.

The only thing I heard was a sneeze, and both Lin Ran and Aunt Shui froze, Lin Ran sneezed directly on Aunt Shui's face, Lin Ran could even see that he seemed to have spit up a face of spittle, how awkward the picture was.

"Hold Sorry, the main you this perfume is too bad smell!"

Lin Ran awkwardly said, but Aunt Shui is a pretty face red, can no longer hold back, raised his head shouted at the top of his voice.

"Ah! Molestation ah! Come and catch the rascal!"

"Molestation?"

"Who is it?"

"How dare you?"

As soon as Aunt Shui said this, many relatives and friends around were attracted over, especially some who had just met with Lin Ran, who couldn't help but run over because of their doubts.

"Ranzi, what's going on!"

Liu Yuntian also ran over and looked at Lin Ran in bewilderment, in his impression Lin Ran is not a lustful person, how at this time by Aunt Shui shouted molestation.

"Shui Li, what for?"

Song Yutian also followed and rushed over, saw Lin Ran and Aunt Shui, immediately frowned, Lin Ran what he had just seen, and Aunt Shui, he would rather believe Lin Ran, because this Aunt Shui is indeed very obnoxious.

"Song Yutian what I do, do not understand the human language, he molested me! Are you still a man!"

Shui Li opened her mouth and questioned.

Liu Yun, who rushed to the side, but laughed.

“Shui Li, how do you say this, Song Yutian is my man, you were molested he does not care is not a man? What is your man for?”

“You!”

Shui Li heard the face more red, eyes constantly searching in the crowd, but never found his man, even his own daughter did not see.

“Where did these two dumbasses die!”

Shui Li screamed in her heart.

And at this time, Song Yujiang also brought Song Qishan and Song Nuan rushed over, when they saw Shui Li, they could not help but frown, Song Yujiang even directly chided.

“Shui Li, this is a family dinner, what are you shouting! At an old age, you don’t even pay attention to the occasion!”

“You!”

Shui Li became even angrier as she pointed at Song Yujiang and said angrily.

“Song Yujiang, is this how you act as a host? This kid molested me, and you said I shouted nonsense, don’t think I don’t know, he is a good son-in-law, but are your eyes blind? This kind of person dares to molest even me, how dare you marry Xiao Nuan to him?”

“Molest you? You don’t know how old you are, what do you have to let people molest you!”

Song Yujiang said in no good mood, while pointing at Lin Ran and scolding at Shui Li.

“Don’t I know better than you what Lin Ran’s temper is? If you mess up the party here again, believe it or not, I’ll blow you out!”

Chapter 745

“Surname Song, you crazy dog, I am Song Qinghe’s legitimate daughter-in-law, who are you to coax me!”

Shui Li was unrelenting.

“Why should I coax you? Just because you are full of talk here!”

Song Yujiang glared at her, did not want to say more, this is a family dinner, so a place, already very bad, if things go on, I’m afraid it will only hurt everyone’s peace.

“Shui Li, all right!”

Song Qishan on the side helplessly shook his head and said.

“I know very well what kind of person Lin Ran is, he can’t possibly molest you, stop it!”

“Old man, you don’t believe me either?”

Shui Li looked cold, even Song Qishan did not believe in himself, was his image in the eyes of his relatives all so rotten?

“It’s not that I don’t believe you, Lin Ran is my student, what kind of person he is I know best, what you said about molestation he simply can’t do it!”

Song Qishan said chestily.

“You! You guys!”

Water Li looked furious, but at this time her own man and daughter are not in, she alone really can not say Song Yujiang and a group of them.

“Good! Good! You are all in cahoots with him, it doesn’t matter! Today molested me, let’s settle this account slowly!”

Shui Li coldly said, immediately took out the phone and called out, and soon three figures squeezed out from the crowd.

It was Shui Li’s husband, Song Qinghe, and her daughter, Song Lin, and her boyfriend, Yue Feng.

“What’s going on with Shui Li?”

Song Qinghe could not help but frown slightly when he saw a group of people surrounding his daughter-in-law.

Song Lin, who was on the side, was also busy asking, but when she saw Lin Ran, she immediately smiled.

As for Yue Feng further back, he was still in a watching mood, but when he looked at Lin Ran, his face changed, and at the same time, he also took two steps back, becoming somewhat covered up, as if he was afraid that Lin Ran would see him.

Just kidding, he had just bumped into him with another woman, and now here he was, it was strange that he could not be nervous.

“He molested me!”

Shui Li pointed at Lin Ran and at the same time, she jumped into Song Qinghe’s arms, looking like a little woman who had been molested.

“Kid! You his looking for death!”

Song Qinghe was furious when he heard that, molesting his woman, what was the difference between molesting him and cuckolding him.

“Lin Ran, you’re simply looking for death!”

On the side, Song Lin similarly chided in a cold voice.

“Oh, you guys are really a pair of father and daughter, opening your mouths and shutting up I’m looking for death I’m looking for death, are you guys dead?”

Lin Ran laughed lightly.

“What do you mean!”

Song Qinghe was stunned to hear.

“You guys aren’t dead standing in front of me for what? I sought you guys out? Not what you guys said about me looking for death?”

Lin Ran said with a straight face.

The moment these words were spoken, some of the surrounding relatives couldn’t help but laugh out loud, these words were simply damaging without even bringing dirty words.

Song Nuan also couldn’t help but laugh, seeing that Lin Ran was still in the mood to flirt with Song Qinghe, her hanging heart was put down.

“Sharp-tongued!”

Song Qinghe’s face was ugly, seemingly ready to explode at any moment.

However, Lin Ran was unconcerned and gave the crowd a bland look and said.

“Aunt Shui said that I molested her, but I think it was actually her who molested me, don’t believe me, let’s hear it and help me do justice too!”

Said Lin Ran looked at Song Yuntian and Song Nuan and said.

“Just now Song Nuan and I were chatting, originally we were going to pay a visit to her father, that is, Mr. Song Yujiang, see Aunt Shui suddenly appeared to stop me, said nothing to let go!”

“I said I’m Xiao Nuan’s boyfriend!”

Said here, Lin Ran glanced at Song Nuan, and did not forget to wink.

Song Nuan is listening to the pretty face, what is this? In front of his own personal family, confessed to himself?

“This guy, have to make everyone know?”

Not only did Song Nuan’s pretty face turn red, but Lin Ran continued.

“I said I was Xiaonuan’s boyfriend, but Aunt Shui said she wanted to talk to me, there was no way Xiaonuan left alone, and I stayed to chat with Aunt Shui!”

“But this day is also finished chatting, I want to leave, but Aunt Shui just won’t let, you guys say, in the end, who is molesting who?”

Lin Ran said and did not forget to point at Song Nuan laughed.

“Speaking of la molestation, I’m baffled, this kind of even the brain is not how to say the words, I’m afraid that an idiot will not believe!”

Speaking of which, Lin Ran looked at Aunt Shui and asked with a smile.

“Aunt Shui, do you think you are younger than Xiao Nuan, or do you look better than Xiao Nuan? Or would you like to tell me what is it about you that is worthy of my molestation compared to Xiao Nuan? Just because of maturity? Sorry I don’t like that!”

“You!”

Shui Li was so angry that her face turned blue, if Song Qinghe wasn’t beside her at this moment, I’m afraid she would have fainted from anger.

“That’s right! Shui Li, you said he molested you, do you have proof?”

“I think it is nonsense, he is Xiao Nuan’s boyfriend, how can he molest you!”

“On the matter of fact, Nuan is young and beautiful, there is no reason for him to molest you!”

The surrounding kind of relatives have also opened their mouths, although Lin Ran said some coarse words, but the words are not coarse, it is such a gift, and people are not single, there is such a beautiful girlfriend, eat up to molest you an old woman.

“You guys! You are all blind!”

Shui Li finally couldn’t help herself, she swept her gaze over the crowd and pointed at Lin Ran and chided.

“Even if I’m wrong about the molestation, but all of you open your eyes and see what kind of identity this kid has and what his intentions are when he mixes with our family’s banquet!”

“That’s right! Don’t look at him dressed like a man, but he’s just a poor loser!”

On the side, Song Lin interjected without missing a beat.

“This evening, I saw with my own eyes that he had to ask Xiao Nuan to pay for his clothes, such a man is not a scum!”

Said, Song Lin also looked at Song Nuan, a big sister caring sister’s posture, said.

“Xiao Nuan, sister is also afraid that you will be cheated, these days there is no way to buy things for your girlfriend to pay, this is a liar, for your money to come, you may not be cheated ah!”

“He’s not a liar, don’t be ridiculous!”

Song Nuan was busy retorting.

On the side, Lin Ran, however, laughed as he looked at Shui Li and Song Lin and said.

“You both have sharp questions, okay! I’ll answer them one by one!”

Lin Ran smiled blandly, looked at Shui Li, and said.

“What’s my status? Mixed up in your family’s dinner party, there’s one question I don’t understand, Aunt Shui, what’s your last name?”

“Hmm?”

Shui Li was stunned at her words, and the people around her were also stunned not understanding what Lin Ran meant by this.

“Of course my surname is Shui!”

Shui Li said with a cold face.

“Ao, then what does someone’s Song family’s dinner party have to do with you?”

Lin Ran laughed.

“You! Me! I’m the daughter-in-law of the Song family, in ancient times I was Mrs. Song! Do you think it has anything to do with me!”

Shui Li said angrily.

“O! That’s how it is!”

Lin Ran smiled with a look of realization and looked at Song Nuan, smiling as he asked.

“Xiao Nuan, after you get married, you don’t have to call yourself Mrs. Lin, I can call myself Mr. Song! I’ll join the family, okay!”

“Pfft!”

Hearing Lin Ran’s words, Song Nuan almost didn’t spurt out a mouthful of old blood, the surrounding relatives even listened and laughed, who all knew that Lin Ran’s words were just joking, deliberately angry at Shui Li.

As expected, Lin Ran followed and turned his head to look at Shui Li.

“It’s because the Song family is here, what do you say to me about your family’s dinner, it’s their Song family’s dinner, you and I are at best a little bit related to their family! Also your family, what’s the matter with your water family!”

Chapter 746

“How dare you say you’re not greedy for cousin Song Nuan’s family’s money! You can even say something like joining the family, you are really shameless!”

Seeing this, Song Lin was busy speaking up.

Lin Ran turned his head to look at her and laughed.

“Don’t be in a hurry, I’ll answer your question now!”

“You said it was Song Nuan who paid for the shopping this afternoon, where’s the evidence? Do you have it? No, don’t talk nonsense, although you are Xiao Nuan’s cousin, but we are not familiar, talk nonsense and I will sue you for slander!”

“You!”

Song Lin angry face blue, can not help but white Yue Feng beside a glance, usually this guy is very manly, but today how actually dumb fire, hiding in the back of a word not to say.

She did not know that Yue Feng was afraid of Lin Ran, if Lin Ran poked him in public, he and Song Lin this matter will be yellow.

Yue Feng's position in the Yue family is very special, he is considered a concubine, and the Yue family really in charge of the family does not belong to a lineage, although he became the first person in the Yue family by virtue of talent, but in the end is only temporary, he can stabilize the main own position, depending on his current strength can be raised a cut.

And Song Lin the family is exactly his target, in order to cultivate he needs a lot of money, but in the Yue family's awkward position, doomed him to not get a lot of resources, so he approached the Song family, want to use the Song family's financial strength to help him.

To know Song Lin and Song Qinghe and Shui Li although some people annoying, but in the imperial capital they are still some prestigious rich people, or Yue Feng could not run here to accompany Song Lin to what family dinner.

In the end, all have a purpose!

"I personally bumped into it this afternoon, and you still don't admit it!"

Song Lin looked at Lin Ran and said angrily.

"You saw it in person? There are times when what you see with your eyes is not always true!"

Lin Ran laughed, while taking out his phone for the crowd to see, only to see that there were many debit text messages on his phone, all received by Lin Ran when he was buying something.

"That's right! Then you're reading it wrong yourself! I was trying to pay, but they were all stopped by Lin Ran, and what you saw was the scene of me putting away my bank card, but you didn't even hear what we were saying!"

Song Nuan also stood out at this time.

She even took out the invoice for her clothes and put it on the table.

"You and Aunt Shui said that Lin Ran is a liar and a poor loser, you don't know him at all, talking nonsense about a person here, where are your qualities?"

"This dress is a full 300,000, he has this money to buy me clothes, what do you think he has to covet my family's things, you are rich, but not everyone likes money and is willing to sell themselves for it!"

Song Nuan said in a cold voice, and for a time really said Song Lin and others are frozen.

But as the saying goes, rivals are rivals, and enemies will always be enemies, Song Lin quickly reacted and looked at Song Nuan and laughed.

"Three hundred thousand dollars of clothes? It's indeed very extravagant, but cousin aren't you too stupid, a 300,000 dollar dress to win your trust, you are really good at fooling!"

"You!"

Song Nuan was so angry at her words that her face turned blue.

Song Lin, however, did not relent and continued.

“Try to ask, what if this kid only has 300,000 deposits? Even if he does not, borrow money to borrow three hundred thousand, if you can win your trust, once you marry him, by virtue of Uncle Yu Jiang’s status and resources in Tamagawa City, not to mention three hundred thousand, three million are easily earned back!”

“Is this a very difficult account? Cousin you are still too young, there is still a lot to learn!”

Song Lin laughed smugly.

Song Nuan, however, was so angry that she gritted her teeth and just wanted to retort, but she was stopped by Lin Ran.

Lin Ran swept his gaze over the crowd and finally landed on Song Lin’s family.

“I find that your family likes to deal with money!”

“It’s not that we like dealing with money, but we don’t want to deal with poor losers like you, trash who presume to blend into the rich circle!”

Song Lin laughed smugly, her face full of disdain.

“OK! Then let me ask a question, how much money does a person have to be considered a poor loser to be qualified to deal with you guys?”

Lin Ran asked with a smile.

“Oh, do you have a hundred million? Do you know how much money that is? I’m afraid you’ve never even heard of it!”

Song Lin laughed, with that open and arrogant smile, as if she had already given Lin Ran a complete death sentence.

“One hundred million? Interesting!”

Lin Ran shook his head at his words, while a smile appeared on his face.

He slowly stretched out his hand and once again pulled out the dagger from his waist and gently placed it on the table.

“Now I’m qualified enough, but seriously, I don’t want to deal with you guys, it’s too disgusting!”

Lin Ran looked at the three Song Lin’s family and said with a frown, that expression was like eating flies, it made him sick and uncomfortable.

Song Lin three people looked at Lin Ran, are a little dumb, do not know what this guy is up to, take out a dagger and say they are qualified, what does this mean? Is it a threat to them?

“Kid, you’re in over your head, right? Who are you trying to scare with a dagger? Turn around and look, there are security guards outside, believe it or not I will call the police now!”

Song Qinghe said in a cold voice, before he thought that Lin Ran was not in danger and seemed to be prepared, but now it seems that this is completely a fool ah!

“You’re a fool, right!”

Song Lin laughed.

Shui Li on the side was even more laughing as she looked at Song Yujiang on the side and laughed.

“Song Yujiang, this is your son-in-law? If this is the case, I do not care, your daughter really like to marry it, this kind of brain of the fool, really hard to find!”

“Mom, you still can’t see it? This kid is just a poor loser, we were exposed in anger, and took out the dagger, this is the age, still play this trick is simply laughable!

Song Lin mocked, while pointing at Yue Feng behind herself and laughing.

“Aunts and uncles, aunts and uncles, this is my boyfriend, today I wanted to introduce to everyone, I did not expect Xiao Nuan actually found a fool over, but you do not have to worry, because my boyfriend that can martial arts, just such a fool, a minute to beat down!”

“Is it Yue Feng!”

Song Lin looked at Yue Feng face is full of smiles and smug.

However, Yue Feng is harder to say than to eat flies, and did not answer, only an embarrassed smile, strictly speaking he himself is not sure he can win Lin Ran, although he is very conceited, but before and Lin Ran that clash, but also let him understand, this unknown youth in front of him, I’m afraid the strength is not below himself.

“Speak up! What are you laughing at!”

Yue Feng’s reaction made Song Lin dissatisfied and said coldly.

“Say what? We might all be relatives in the future, so it’s better not to make the relationship too stiff!”

Yue Feng said awkwardly.

“Relatives? Just a person like him wants to be a relative with me, unless my Uncle Song is blind!”

Song Lin looked at Song Yujiang, although the words were spoken in a relaxed manner, but in reality, she gave Song Yujiang a general, the meaning was obvious, if you really let Song Nuan marry Lin Ran, then your eyes are really blind.

“Lin Ran!”

Song Nuan also looked at Lin Ran, somewhat did not understand his meaning.

Lin Ran smiled at this, looked at Song Lin, and spoke.

“Do you know why your boyfriend isn’t talking?”

“You know?”

Song Lin asked rhetorically, with disdain in her eyes.

“I naturally know!”

Lin Ran laughed.

“Because this dagger, of all the people present, only he can recognize the value!”

Chapter 747

“Only he knows?”

Song Lin was stunned to hear this and was a bit suspicious, how did Lin Ran’s words sound as if they knew each other?

“Brother Yue Feng, did I say it right! Why don’t you stand up and say something for your brother and tell us how much this dagger is worth?”

Lin Ran looked at Yue Feng and smiled blandly.

“There’s nothing to say! Settle your own affairs!”

Yue Feng coldly reprimanded, he is a thousand calculations, but ultimately failed to calculate will be here to meet Lin Ran, originally he has designed the whole dinner party how to enter the Song family, but now because of Lin Ran’s appearance, not only the plan can not be realized, may also be at any time to face the embarrassment of Lin Ran poke through himself.

And when the time comes, not to mention expecting Song Lin to help pay for it, can not be very own he are burning joss sticks.

“Ao? Then you are the default?”

Lin Ran laughed at the situation, Yue Feng did not say much, which satisfied him, at least it shows that he is still scornful of himself.

“What exactly is your relationship?”

Song Lin looked at Lin Ran and then at Yue Feng, her heart was a little uneasy.

“Yes! Ranzi, how do you guys know each other?”

On the side, Song Yuntian was also puzzled, he also lived in the imperial capital and knew the identity of this Yue Feng, but how did Lin Ran know each other, according to his understanding, Lin Ran had never been to the imperial capital at all, so how did he and Yue Feng know each other.

“This is a long story, let’s put it simply, when I went to buy this dagger before, I met with Brother Yue Feng once, he also bought one at that time, do you know how much it cost?”

Lin Ran laughed, while looking at Song Lin and the three of them.

“How much? A broken dagger can still how much money, three thousand I count you expensive!”

Shui Li disdained, now what era, still play daggers, in her opinion, this dagger is afraid that even her a mink, a lipstick expensive are not, actually still dare to brag here, simply do not know what to do.

“Three thousand? Mom, what are you thinking? This is what age, still three thousand, this dagger I see at most a few hundred!”

Song Lin also said unimpressed.

“Ranzi, don’t mess around!”

Song Yuntian was a little nervous, even the name calling changed.

“Yutian, what do you think?”

On the side, Song Yuntian’s mother Liu Yun was busy asking.

Song Yutian frowned slightly, shook his head, and said.

“I, Song Yutian, dare not say anything else, but I am absolutely accurate in reading people, this little friend Lin Ran is definitely not a fraud, and I am afraid that this dagger really has a great origin!”

As for Song Yujiang and Song Qishan, they didn’t take it to heart at all, Lin Ran had given them too many surprises, at this time Lin Ran wasn’t in a hurry, they naturally couldn’t be in a hurry either, they were all watching quietly, wanting to see how Lin Ran was going to settle in the end.

“Three thousand? A few hundred? Tsk, it’s really not a world”!

Lin Ran laughed to himself, while smiling at Yue Feng and said.

“Brother Yue Feng, if I heard correctly before, you should have spent 80 million on that dagger!”

“How much?”

Hearing Lin Ran’s words, Song Yuntian was frozen and almost subconsciously opened his mouth to ask.

“Eight Eighty million?”

“Holy shit, I didn’t hear wrong!”

“So much money, can invest in several projects!”

“I go, I only earn so much money in two years!”

“Crazy! Really crazy!”

A group of relatives around couldn’t help but look at Yue Feng, some thought he was rich and generous, but some thought he was a loser.

“Is this really true about Yue Feng?”

Song Lin turned her head to look at Yue Feng, with anger in her eyes.

“That’s right!”

Yue Feng knew he couldn’t hide it, if the other party really had the intention to just inquire and find out, it was useless for him to hide it, so he simply didn’t bother to hide it.

“You!”

Song Lin gasped at the sight and pointed at Yue Feng.

“Good you Yue Feng, before let you buy me a gift of 100,000 are not willing to, buy a dagger actually 80 million, you are really generous ah!”

“No Xiaolin, listen to me, things are not you”

Yue Feng still wanted to explain, Lin Ran trend laughed.

“The two, the wrong place, this is not the place where you coax your girlfriend, there are conflicts home in coaxing, now I still have to continue to say it!”

Lin Ran opened his mouth and laughed.

“Lin Ran, what do you want in the end!”

Yue Feng looked at Lin Ran, with anger in his eyes.

“What? I don’t want to do anything, I just want to break it off, am I qualified enough or not!”

Lin Ran said indifferently, while picking up his own dagger and raising it at the crowd, saying.

“Gentlemen, you have all heard it, the dagger that Yue Feng bought, 80 million! But do you guys know how much this dagger of mine costs?”

Lin Ran said and the dagger in his hand was directly flung out.

Then the crowd only saw a cold aura fierce flash, followed by a “clang” sound, the next moment there was only a “weng” vibration sound, and when the crowd looked over, could not help but freeze.

Only to see the wall not far away, originally used as a decoration of a large iron plate, instantly penetrated to go, and the dagger is also the whole into the wall, at this time only the dagger handle exposed outside, because the force is too much issued a burst of buzzing sound.

“This dagger of mine is 20 million more than brother Yue Feng’s!”

Lin Ran smiled lightly, and followed it towards the dagger.

“I’ll go!”

Song Yuntian smiled and ran over to help Lin Ran pull it out, but after pulling it out several times his face was green with anxiety, but the dagger did not move at all.

“I’ll do it!”

Lin Ran smiled and went forward, one hand pulled the dagger out of the wall, and smoothly inserted it back into his waist.

He swept his gaze over the crowd once again, and this time he clearly saw that the eyes of the crowd looked at him changed, if before it was disdain and look at the hilarity, then now it is absolutely respectful, a trace of awe unconsciously flowing in his eyes.

Soon, his gaze once again fell on Song Lin three, blandly smiled.

“I wonder if I’m qualified now? Of course, did I say I wasn’t interested in playing with you guys?”

“You!”

Song Lin was furious, she had just called Lin Ran a poor loser, and this guy took out a dagger worth 100 million, this was simply slapping her face in public, making it very embarrassing.

“So what if it’s a hundred million! Who doesn’t have a hundred million!”

Song Lin said angrily.

“Did I say you didn’t have one?”

Lin Ran laughed.

“What I said was whether I was qualified enough!”

“So what if you are qualified, in my eyes you are still a poor loser, not to mention comparing to me, you can’t even compare to a finger of my boyfriend!”

Song Lin did not relent, pointing at Yue Feng smugly.

“Yue Feng has a listed company in the imperial capital, how about you? What do you have, a broken dagger and still tugging it up, what are you comparing with me!”

“O?”

Lin Ran couldn’t help but laugh at his words.

He looked at Song Nuan and Song Yuntian, with a solicitation in his eyes.

“It’s better not to!”

Song Nuan’s silver teeth were tightly drug and hesitantly said.

Song Yuntian but a clenched teeth, spoke.

“Nothing hesitant must say!”

“Say what?”

Song Lin was stunned, did not understand what they were up to.

Yue Feng, on the other hand, had already started to turn pale, he understood what the two Lin Ran were exchanging, and it was obvious that it was about himself.

“Xiao Lin, otherwise forget it, we are all relatives and friends, why make such a stalemate!”

Yue Feng said busily.

However, what awaited him was a resentful look from Song Lin.

Relatives and friends? That was someone else, not her Song Lin, since she was compared with Song Nuan, she never won, this time she must win, she must trample Song Nuan’s boyfriend, also known as Lin Ran, under her feet, in order to eliminate the hatred in her heart.

Chapter 748

“A stalemate? I’m really a gatekeeper for Xiaonuan, do you think there are many people as good as you in this world? Xiao Nuan is my cousin, I can’t see her happiness in this life ruined in the hands of this bastard!”

Song Lin said with great righteousness, but these words could not be described as not poisonous.

The first is a wave of damage Lin Ran, and then also from the side to reflect Song Nuan’s vision is not as good as their own, choose what trash scum man.

Just at this time, her words, in Song Yuntian’s and Song Nuan’s ears, were that ironic.

“Song Lin, you are enough! You still have the heart to say here that the boyfriend Xiao Nuan chose is not good, how high do you think your vision is?”

“Song Yuntian what do you mean?”

Song Lin looked at Song Yuntian with a face of anger.

However, Song Yuntian was looking at Lin Ran, wanting to see what he had to say.

Lin Ran saw this and spread his hands, indicating that he didn’t care, it didn’t have much to do with him anyway, after all, he wasn’t Song Nuan’s fiancé yet, so he didn’t have to consider whether it would affect Song Lin and Song Nuan’s relationship if he said it.

But Song Yuntian is different, if you say out in public Yue Feng’s matter, Song Lin’s family know thankful thing is okay, if Song Lin does not know how to be thankful, and even have to relate to his anger, then it is really more than worth the loss.

“Forget it, I’ll say it!”

Lin Ran smiled lightly and said.

Just as his words fell, Song Yuntian on the side also seemed to be the same, as he grabbed the words and looked at Song Lin’s three people and said aloud.

“What does it mean, I’ll tell you what it means, the boyfriend you chose is the total scum, just before we came to the dinner, we also ran into him with another woman in the supermarket, and I’m not afraid to tell you, that woman is the ex-girlfriend of Lin Ran’s college classmate!”

“Wow!”

The moment these words came out, there was an uproar, and the eyes of the crowd instantly fell on Song Lin’s mother and daughter, while not forgetting to look at Yue Feng, who had a black and grey face at the back.

A few hours ago, he was with another woman, but now he appeared here again, saying that he was Song Lin’s boyfriend, what else could this be if not a scum.

“You guys are talking nonsense! How can Yue Feng be a slag!”

Song Lin objected vigorously, unwilling to believe.

“Is it, just ask him yourself!”

Lin Ran said indifferently.

“If Xiao Nuan hadn’t kept stopping me for fear of you guys getting upset, I would have said it long ago, and I reminded Aunt Shui when she came to talk to me just now, but she didn’t listen either!”

“You!”

Water Li smiled and her face was instantly iron blue, before Lin Ran did say that her daughter should stay away from Yue Feng, but she thought that was Lin Ran looking for trouble and didn’t even take it to heart, which knew that people turned out to mean this.

“From the beginning to the end, Xiaonuan did not want to compare anything with you, it is you who has been unrelenting here, is it interesting?”

Lin Ran looked at Song Lin and said blandly.

“Yue Feng is richer than me, more powerful than me, but so what? With your head on the prairie, you think you’re a success? Green hearted?”

“You! You!”

Song Lin was so angry that she gasped, turned her head to look at Yue Feng, and just wanted to break into a cuss, but her fingers just lifted up, suddenly her feet went weak, and her whole body actually fell down towards the back.

“Xiao Lin!”

Yue Feng was shocked to see this, and subconsciously hugged Song Lin, but when he placed his palm on the tip of Song Lin’s nose, he froze.

“Not breathing? Gashed to death?”

Yue Feng’s heart was shocked, holding Song Lin’s hand busy let go, instantly Song Lin “flutter” on the ground.

“Pissed off, it has nothing to do with me, it’s Lin Ran, he did it!”

Yue Feng immediately pointed the finger at Lin Ran.

“Xiao Lin!”

Song Qinghe and Shui Li hurriedly ran over, and once they checked Song Lin’s nostrils there was really no breath, their eyes immediately turned red.

“Lin Ran! I’ll fight with you!”

Water Li immediately became anxious, turned around and rushed at Lin Ran.

“You’re mistaken, it’s not me who green her!”

Lin Ran said helplessly.

“It’s you! You return my daughter’s life!”

“I’ll fight with you too!”

Song Qinghe’s eyes also flushed red as he rushed at Lin Ran and pounced directly.

“That’s enough! Have you guys had enough!”

Finally, Song Yujiang could not stand it anymore and directly reprimanded the two Song Qinghe.

“Song Yujiang, you don’t have to pretend to be a good person here, it wasn’t your daughter who died, was it!”

Song Qinghe said angrily.

Song Yujiang’s face was ugly and he said in a cold voice.

“Did you all bring your brains with you when you went out? How come you didn’t starve to death with this kind of intelligence?”

“You!”

Song Qinghe was suddenly speechless.

“Xiao Lin just fell into a coma, and you say she’s dead. If she really died, it’s because of you two brainless parents!”

Song Yujiang said in a cold voice while pointing at Lin Ran.

“You guys are still looking for trouble with him now, who exactly did this to your daughter? Don’t you have any low in your own hearts?”

“Seeking revenge on him? I’m not afraid to tell you, the best doctor in Tanjiang City is him, you go and kill him, go ahead! If he dies, your daughter will not be saved by the King of Heaven!”

“What?”

Song Qinghe and Shui Li were both confused.

“The best doctor in Tanjiang City? How is that possible?”

Song Qinghe said incredulously.

“How is it impossible, he is the best doctor in Tamagawa City!”

Song Yujiang said without good grace.

“Just how is it possible for him, he is just a poor”

Shui Li was still saying, just before the words were finished, she was interrupted by Song Yujiang.

“How is it impossible for him, you really think I and Nuan eyes are blind ah, Lin Ran what kind of person we do not know ah? We don’t know what kind of person Lin Ran is? Is he just like you guys, with only money in his eyes?”

“You don’t believe me, so why don’t you just let Lin Ran treat you and find someone else to treat you, except for the problems, don’t blame me for not reminding you!”

Song Yujiang said angrily.

Lin Ran but mang spoke.

“Uncle Song, anger is anger, but if she does not pass gas in a minute, even if the cure brain is also ruined!”

The crowd heard the words can not help but gulp, the brain is a person’s fundamental which everyone knows, if the brain is deprived of oxygen for more than a certain period of time, even if cured is likely to be a vegetable, by then it is useless everything is too late.

“What? One minute?”

Song Qinghe heard immediately sat on his buttocks, Shui Li is even more anxious black eyes, directly fainted.

“Ai!”

Lin Ran saw the situation and shook his head helplessly, rushed to greet Xiao Nuan next to him, followed by the two of them and quickly came to Song Lin.

“What to do?”

Song Nuan looked at Lin Ran.

“Cross your hands on her chest!”

“Good!”

Song Nuan was busy on doing as he was told.

And Lin Ran also squatted down next to the moment Xiao Nuan’s palms were just positioned, a palm pressed on Song Nuan’s hands, followed by a force directly pressed Song Nuan’s hands quickly down, and then quickly recovered.

But it is this heavy blow, originally lying on the ground because of lack of oxygen face purple Song Lin, fierce body altogether on a wild cough, the whole person also sat up violently from the ground.

“Little Lin!”

Seeing this scene, Song Qinghe old tears, busy up towards his daughter ran over.

The unconscious Shui Li, also woke up after Song Yuntian repeatedly pinched her, saw the situation and was busy jumping over.

“Thank you! Thank you!”

Song Qinghe old tears, looking at Lin Ran face shame, do not know what to say, only said thank you.

Lin Ran saw the trend blandly smiled and spoke.

“Thank you is not necessary, if you really love her, stay with her more, do not let her life only climbing, look at the climbing have put the child Hou into what, so small-minded, actually can be angry faint, you think about who is responsible for this?”

Chapter 749

In the crowd, Yue Feng hid in an inconspicuous corner and watched as Lin Ran really cured Song Lin, he couldn't help but clench his palms into fists and smashed them viciously on the table next to him.

“Bastard! All the arrangements were for nothing!”

Yue Feng said angrily, in order to get the support of Song Lin's family, he didn't invest much, but everything turned out to be bad in Lin Ran's hands.

“And that Liu Qimeng, if she didn't have nothing to find things Lin Ran to catch up, none of this would have happened!”

The more you think about it, the angrier Yue Feng is, now Lin Ran he can not move, but Liu Qimeng he is able to!

Thinking in his heart, Yue Feng's anger also reached the extreme point, he immediately turned around and left the banquet ground.

.....

The first thing you should do is to take your daughter to the hospital to check if there are any hidden problems.

Although Song Yujiang said that the best doctor in the whole Tanjiang City is Lin Ran, but just now they made such a big conflict, people can save Song Lin regardless of past suspicions, is already considered a gift, and then let others to check their daughter's body, they themselves can not pull this old face.

“All right, all right! Let's disperse!”

Song Yujiang greeted, dismissed a kind of watching relatives, although so far, but the good thing is not to affect the atmosphere of the banquet, we still talk and laugh.

“Uncle Song, teacher! Sorry!”

Lin Ran rushed Song Yujiang and Song Qishan salute, slightly apologetic, if not for him I'm afraid this banquet would not have made such a scene.

“It has nothing to do with you! This is our internal matter, no one expected Shui Li to go so far, and you are right, Song Lin is too narrow-minded, this is not a good thing, let this incident be a lesson for her!”

Song Yujiang said blandly.

Song Qishan at the side also nodded his head.

“Lin Ran ah, you are the most outstanding medical skills among my many students, do not let this matter delay your future ah! The Chinese medical profession has you that is a valuable asset!”

“Teacher, you're flattering me!”

Lin Ran laughed awkwardly, he was only a student in front of Song Qishan, so he was a little embarrassed to be praised by his teacher.

“Lin Ran, come with me, I have something to say to you!”

Song Yujiang said.

Song Qishan saw this and smiled lightly, immediately pulled Song Nuan and laughed.

“Baby granddaughter, go accompany grandpa to meet the relatives, recognize people now, so that you won’t make mistakes when you receive gift money in the future!”

“Receive gift money?”

Song Nuan listened to a stunned, some puzzled, but Lin Ran heart is a stunned, seems to have guessed Song Yujiang looking for himself to talk about what.

.....

Next to the banquet hall, in a very sophisticated private room, Song Yujiang personally made a cup of tea for Lin Ran, and there were only two people in the whole room, him and Lin Ran.

Together with that comment from Song Qishan earlier, Lin Ran looked a little nervous, and he had vaguely guessed something.

“Lin Ran, we should have known each other for a year!”

Song Yujiang sat opposite Lin Ran and asked with a smile as he sipped his tea.

“Not yet, but soon!”

Lin Ran laughed, he graduated last summer, and today is still a month short of graduation time.

“Well! Almost a year, that’s not too short!”

Song Yujiang laughed blandly.

“Since the time I handed Xiao Nuan over to you for your protection, it seems to have been destined to be unrecoverable!”

Song Yujiang suddenly sighed and looked at Lin Ran and said.

“Xiaonuan grew up with grandfather, the feelings for grandfather even thicker than for me as a father, this I also blame myself, but my work you know, busy is the norm, but I do not regret, their own daughter is a daughter, other people’s daughters are also daughters, do this business, we must take the people as a family, do you think I’m right?”

Song Yujiang looked at Lin Ran, with a bitter smile on his face.

“Uncle Song is right, I believe Xiao Nuan will understand!”

Lin Ran said.

Song Yujiang waved his hand at his words and laughed.

“She understands me very well, this is also an honor for me as a father!”

Saying that, Song Yujiang took out a pen from his pocket, and Lin Ran saw that it was a dark golden fountain pen, which should be a gift from a friend.

Song Yujiang took the pen and quickly wrote down a series of numbers on the paper, Lin Ran looked but stunned.

“Uncle Song, what are you doing?”

Lin Ran looked up at Song Yujiang, a little surprised.

“This is Xiaonuan’s birth date, I know you know feng shui, if you are interested in Xiaonuan, pick a time, I agree to this marriage!”

Song Yujiang looked at Lin Ran and spoke truly.

“But uncle, Xiaonuan hasn’t graduated yet!”

Lin Ran was a little flattered, but at the same time, she also felt the love of a father for his daughter.

With Song Yujiang’s position, it is impossible not to know that he has many beautiful women around him, but he did not mention a word obviously did not want to make it difficult for his daughter, after all, this situation Song Nuan did not even draw a line with Lin Ran, obviously she really likes Lin Ran.

And at this time, Song Yujiang’s words are undoubtedly meant to tie Lin Ran to Song Nuan’s side, so that he can also get rid of his previous life and have only Song Nuan in his life in the future.

“One more month to graduation!” Song Yujiang looked at Lin Ran with a glint in his eyes.

Lin Ran understood that Song Yujiang was afraid of the prom and hurriedly got up and said solemnly.

“Uncle Song, I understand your care for Xiaonuan, but I Lin Ran is definitely not much less than you, for my current situation, I’m sorry! But I don’t want this either, I equally don’t want to hurt Xiao Nuan!”

Lin Ran said and continued with a grit of his teeth.

“About the matter of marriage, I am very happy that you can agree, but marriage is not a matter for me alone, it also involves Xiaonuan, my family, and many, many people, I can’t be so hasty!”

“Besides, I’m really not ready to get married now!”

“Not ready?”

Song Yujiang frowned slightly and looked at Lin Ran without speaking, obviously waiting for him to explain.

Lin Ran thought for a moment and said.

“The recent changes in Tanjiang City you should also see in the eyes, many strangers, many mysterious people, these are not as simple as it seems!”

“You mean, the feng shui community gathering?”

Song Yujiang frowned slightly, said the road.

“This is not just a feng shui world gathering, this is another jianghu, and this jianghu recently storm clouds, no matter how politely said, as long as step into this jianghu, this time is born in a chaotic world!”

“I’m sorry, because of my reason, many people are involved, there is Xiao Nuan!”

Said Lin Ran eyes became firm, looking at Song Yujiang said.

“But I promise you, I will absolutely protect Xiaonuan’s safety, even if it costs me my life, as for getting married, now is really not the time!”

Looking at Lin Ran’s firm eyes, Song Yujiang finally compromised as he sighed and said.

“Ai! I don’t understand what you young people think, but I can see that Xiaonuan really likes you, since that’s the case I won’t say any more, just think of me as just expressing my attitude!”

“If there is that day, I still say this, I agree with your marriage, at least I, Song Yujiang, look at you favorably, you are a man worth trusting!”

“Thank you!”

Lin Ran clasped his fist and bowed, although his heart was a little sour and felt sorry for Song Yujiang, but he could not help it, he really could not get married now, not to mention the chaotic world, and Qin Bing, Luo Qiqi, Su Rou and even Ling Sa, if he did so, I’m afraid he hurt not just one person, but many people.

Chapter 750

“What’s wrong? It seems like you’re in a bad mood!”

Leaving the hotel, on the way back to the clinic, Song Nuan looked at Lin Ran and asked worriedly.

“Nothing!”

Lin Ran shook his head without saying anything more.

Song Nuan, however, had already guessed a little and was a little embarrassed.

“Is my father said something, you don’t have to put it on your mind, I understand everything!”

“Xiao Nuan!”

Lin Ran turned his head to look at Song Nuan, with guilt in his eyes.

“Am I a slag!”

“Don’t talk about yourself like that!”

Song Nuan parked the car on the side of the road and looked at Lin Ran solemnly.

“Scum is not so measured, you are excellent many people like you which is not wrong, just this era makes you appear to be scum, it is not your fault, just born at the wrong time!”

“You really think so?”

Lin Ran looked at Song Nuan and smiled.

“Yeah! Excellent people, others naturally have the right to like, it’s not your fault!”

Song Nuan nodded her head.

Lin Ran, however, laughed even more helplessly, he looked at Song Nuan and shook his head, saying.

“If all the women in the world think like you, then I’m afraid the men will be laughing out loud in their dreams!”

“Screw you, I said that’s the good ones, I didn’t say all of them!”

Song Nuan gave Lin Ran a white glance, and when she saw that he was in a better mood, she was ready to continue driving.

But at this moment, Lin Ran was fiercely speaking.

“Look!”

“What’s wrong?”

Song Nuan was stunned, busy following Lin Ran’s gaze looked over and found that it was a three-star hotel on the side of the road, but the hotel entrance was swarming with people, it didn’t seem any different!

“Where are the people?”

Lin Ran was stunned, busy jumping out of the car.

“Wait for me in the car!”

Dropping a sentence, he ran towards the hotel.

Song Nuan could see clearly from inside the car, Lin Ran ran to the entrance of the hotel and looked around for a long time before he finally walked back.

“What’s going on?”

Song Nuan asked busily.

Lin Ran shook his head, directly into the car, sighed and said.

“Maybe I missed Lao Si too much, just now all hallucinated, as if I saw Lao Si.”

Lin Ran shook his head with a bitter smile, today saw Liu Qimeng, so when you think about it, maybe just now was really hallucinating.

“Let’s go, back to the clinic, you still have classes tomorrow!”

Lin Ran said bitterly, Song Nuan nodded, immediately drove the car straight to the clinic.

The two of them returned to the clinic already at 11:00 pm.

The time is not early, Song Nuan immediately ran to take a bath, but the entire clinic, only Lin Ran's room has a bath room, because he is the master bedroom, the other side bedroom is not.

No way, after all the night, Song Nuan was also nervous and sweaty, plus she has to attend class tomorrow, she still decided to take a shower first.

"Otherwise, you sleep here? I'll sleep in the second bedroom too!"

Seeing that Song Nuan wanted to take a shower, Lin Ran said thoughtfully.

"No, I don't want to sleep in your bed!"

I didn't expect Song Nuan to be determined, this master bedroom is usually Lin Ran live, the bed his breath is very strong, Song Nuan is also afraid that he will sleep here will want to get into the wrong way.

"That's fine!"

Lin Ran saw the situation is not forced, himself directly lying on the bed, first rested, but Song Nuan is still inside the bath, he naturally did not take off clothes.

"No peeking!"

Song Nuan dropped a sentence, and immediately locked the bathroom door, and then the sound of water came from inside.

Lin Ran lay on the bed, listening to the sound of water, but his mind had already flown to the day after tomorrow, because the day after tomorrow is the start of the competition for treasures, and I do not know if I can enter the selected quota this time, so as to go to see what the ten thousand treasure spell formation.

"Moreover, I always feel that I should be able to run into Compass Yang this time!"

Lin Ran thought in his mind, since the last battle on Wan Ren Mountain, Compulsion Yang seemed to have evaporated and was completely missing.

But the compulsion pavilion he created still exists, but the strength and status is not as strong as before, and is in a state without a leader, if not for the large family, I'm afraid it would have been annexed by other forces.

"Compulsion Yang! I hope you do not come, or we should end this grudge!"

Lin Ran whispered to himself, and gradually sleepiness struck his heart.

I don't know how long it took, but when Lin Ran was sleepy, suddenly he heard a footstep and woke up from his sleep.

But when he opened his eyes, it was a blindingly bright light that illuminated his eyes, and he could not open them for a moment, only to see vaguely through a slit that there seemed to be a white shadow moving in front of him, and it was facing him in its entirety.

"Hmm?"

Suddenly, Lin Ran smelled a very familiar fragrance, which was the body fragrance of Song Nuan's body.

Gradually, Lin Ran's eyes also adapted to the bright light, and only then did he realize that it was Song Nuan walking out of the bathroom after taking a shower, and the white shadow was exactly the way she was wrapped in a bath towel.

"What are you doing?"

Song Nuan looked puzzled and wondered what Lin Ran was doing.

"Er That nothing, just now was asleep!"

Lin Ran embarrassingly said, at the same time found Song Nuan full body is actually only wrapped in a bath towel, can not help but feel the tip of the nose a sour, seems to have nosebleeds want to flow out.

"That This, you hurry back to Back to Back to Ah-choo!"

Lin Ran did not finish a sentence, suddenly a sneeze out, before in the hotel water Li body perfume is too pungent, so that he now smell the fragrance and want to sneeze.

But he this sneeze does not matter, Song Nuan is a shock, the body wrapped in a bath towel suddenly opened, only to see the white bath towel along the body slipped to the ground, followed by Lin Ran eyes are looking straight.

"Ah!"

Song Nuan screamed, while busy covering his body, and shouted at Lin Ran.

"You're still looking!"

"Ah?"

Lin Ran was stunned to hear this, he wanted to move his eyes away, but this damn eyes at this time for some reason, as if not listening to their own control.

"Don't close your eyes yet!"

Song Nuan shouted with a blushing face, while busy picking up the bath towel on the ground and wrapping it up again.

Lin Ran covered his eyes, through the finger slits to see Song Nuan's pretty face are red to the root of the neck, busy to explain.

"I I didn't mean to, it's mainly because Aunt Shui's perfume is too strong today, I My nose seems to be a little allergic!"

"You!"

Song Nuan angry pretty face red, this guy obviously saw everything, but also pretended to be like a nobody, but actually complained about other people's perfume, is simply to get a bargain but also sell a good thing.

"Dare to say out, I'll gouge your eyes out!"

Song Nuan angrily dropped a sentence, turned around and ran out of the room.

The first time I saw Song Nuan leave, Lin Ran breathed a sigh of relief and went back to bed, but just saw the water hibiscus, he could not sleep, lying in bed tossing and turning, but always in the mind is just that wonderful scene.

“This girl, really tempting people to death!”

Lin Ran helplessly said.

At the same time touched his nose, followed by froze, he realized that he did not know when actually nosebleed.

“Holy shit! I can’t think, I’m afraid I can’t stop this nosebleed if I think about it!”

Lin Ran busy reminding himself, but this reminder seems to be like a hint, the more you let yourself not think, but the more the scene that just made people want to jump on the mind.

“Oh my God, how can I sleep tonight!”
