

Wonder Doctor

Chapter 751

The night was silent, and Lin Ran did not know how he fell asleep, he only knew that he had tossed and turned most of the night, and only then did he fall asleep in a daze.

The next morning, Lin Ran sent Song Nuan to school, but also very thoughtful to accompany her at school to eat a breakfast, but this breakfast eaten, is in the envy of countless students in the crowd to eat.

When parting, Song Nuan pretty face are red to the root of the neck, shyly said.

“Next time you go eat by yourself, sitting with me, like a monkey, surrounded by so many people!”

“Which how? You found this awesome handsome boyfriend, and still not allow others to envy ah!”

Lin Ran said very stinky.

“I pooh, shameless!”

Song Nuan gave Lin Ran a white glance, turned around and walked towards the school building, but her face was filled with a happy smile.

After seeing Song Nuan leave, Lin Ran also followed him out of the school and went straight to the store.

Tomorrow is the treasure competition, he intends to go to the Qu River Bay tonight to meet the wind old, and before that, he's looking for Wang Yifeng to arrange things for tomorrow.

.....

An hour later, arrived at the store, let Lin Ran difference is that people are actually there.

Master Yu is leading Wang Mao and Ah Zhan in learning Feng Shui, this time even Leng Zhan joined in, as if a teacher with three students.

As for Wang Yifeng, this guy is hiding upstairs by himself to sleep, according to Wang Mao three people said, this dead fatty did not come back last night, only early in the morning.

Lin Ran do not need to think, know that the fat man must have gone to find Xiao Cui again last night.

.....

Without shouting to wake him up, Lin Ran sat alone upstairs to read a book, and occasionally answered the feng shui questions raised by several people in Master Yu, time soon came to noon.

A meal time, this dead fatty finally is awake.

“Hey, Ranzi, why are you here?”

Seeing Lin Ran, Wang Yifei could not help but be stunned, hit fat face full of embarrassed smile, obviously last night's matter Lin Ran afraid of knowing again.

“Fat master I’m not First to countless contributions to promote economic fierce development well, hehehe!”

“Come on, no mind to bullshit with you, and you say something serious!”

Lin Ran white Wang Yi life a glance, followed by the book in his hands down, solemnly said.

“Tomorrow is the treasure competition, will you participate?”

“This still need to ask? Without Fatty I will compete for treasures, is there any gold in it?”

Wang Yifeng said proudly.

“Hm!”

Lin Ran nodded at his words, and then said.

“Then, you should accompany me to Qinghe Bay this afternoon!”

“Qinghe Bay?”

Wang Yifeng was stunned at his words, followed by some hesitation.

“I’m afraid I can’t do it this afternoon, Old Yu head took a small order, we have to go to make money this afternoon!”

“Small single? What small single?”

Lin Ran frowned slightly, his own self said not to let Wang Yi life to take a single, how this guy took a single again.

“Hey, it’s not a big deal, it’s a deal with a rich family, to renovate the villa, let us go to point out the feng shui, this work is simply for nothing, do not take it for nothing!”

Wang Yifeng laughed.

Lin Ran smiled also relieved, if only to specify feng shui, then with Master Yu’s ability, think it is also enough.

“Okay then, take care of yourselves, if you can’t solve it, just leave it and wait for me to come back!”

Lin Ran reminded.

“Don’t worry!”

Wang Yifeng had a confident look as if the matter was left to me, you can rest assured.

Then Lin Ran took the people to have lunch, and then chatted with Master Leng Zhan Yu and others for a while, answering the doubts in their minds, and when the employer came looking at 2 pm, Wang Yifeng and others left first.

No one, Lin Ran also returned to the clinic, help sit for a while, until 6 p.m., he said goodbye to the crowd, ready to go to Qinghe Bay alone.

The treasure competition will start tomorrow, this trip to Qinghe Bay is also very necessary, Lin Ran always felt that the wind old man inside the old son Qingniu is not simple, now he has this condition, naturally want to understand more things.

The first step was to go, and before he got out of Tamagawa City, his phone suddenly rang.

“Hmm?”

Seeing that the caller number was an unfamiliar number, Lin Ran couldn't help but frown slightly, but still picked up the phone.

“Who is it?”

Lin Ran asked directly.

But there was no one on the other end of the line to speak.

“If you don't talk again, I'll hang up!”

Lin Ran said indifferently, if the other party was really a prank, then he had little interest in playing along with the other party.

After waiting patiently for a while, just as Lin Ran was about to hang up, suddenly a voice that was both familiar and unfamiliar came from the phone.

“Old Six!”

“Lao Si?”

Lin Ran stopped the car with a kick of the gas pedal and said in an excited voice.

“It's me!”

Finally the other party's voice came over the phone.

“Why did you kid change your number!”

Lin Ran also could not help but red eyes, since graduation to now, almost a full year almost no contact, at this time again heard the voice of the old four, he could not help but heart is very excited.

“It's a long story, are you free now? I want to see you for a while!”

On the phone, Liu Yusong sounded a bit anxious.

“Where is it? I'll be right over!”

Lin Ran instantly returned.

“Taizen Hotel!”

Liu Yusong said.

Lin Ran smiled but was stunned, that place is not exactly where he came back last night and felt that he saw Lao Si, did he not see wrong last night?

Thinking in his mind, Lin Ran had already hung up the phone and drove out.

.....

The hotel is a three-star hotel, the distance is not far, an hour later Lin Ran drove to this place, and in a hotel outside the mouth of the alley, met the old four.

The fourth, real name Liu Yusong, the family parents are business, the conditions are not bad, is considered the best conditions inside the entire dormitory, the fifth to be closer than his family, but also similar.

The brothers in the dormitory are very good relations, this is only a year did not see, Lin Ran are some almost did not recognize him.

“Ranzi, it’s true that you’re the best of the few brothers!”

The car that Lin Ran drove, although worn out, was at least a business car, Liu Yusong could not help but laugh, but he did not know that this was Song Nuan’s car, and his car was a Porsche.

Looking at the familiar face of the old four, is actually more than a few vicissitudes, Lin Ran also can not help but heart ache, laughing.

“What is good or bad, and then good can be better than you ah, but how do you look so many vicissitudes, in foreign countries have experienced what? When you come back, you don’t say anything, and now your cell phone number has changed, so you want to surprise me?”

Liu Yusong not only smiled bitterly, shook his head, the fist in his sleeve could not help but clench a few points.

“Well, let’s not talk about that, I’m looking for you today because I have a matter that I want to confirm with you!”

Liu Yusong said, took out his phone, flipped out a photo and handed it to Lin Ran.

“Do you know him?”

Liu Yusong asked.

Lin Ran looked at it and followed with a frown.

“This is Yue Feng, why are you inquiring about him?”

This Yue Feng should have nothing to do with Old Fourth by definition, so how come the latter was actually inquiring about him now.

Liu Yusong looked at Lin Ran, his eyes suddenly became serious and asked solemnly.

“Did Qimeng go out with him again before?”

“You!”

Lin Ran was stunned, he didn’t expect that Liu Yusong knew about this.

But things have come to this point, Lin Ran concealed also useless, only had to nod.

Chapter 752

Seeing Lin Ran nod, Liu Yusong's entire face instantly went icy cold as he took back his phone and rushed at Lin Ran with an arch.

"Thank you!"

After saying that, he turned around and walked away, and his entire aura all changed at that moment.

Seeing that his situation was not right, Lin Ran was busy chasing after him.

"What's going on?"

"It has nothing to do with you, you go away!"

Liu Yusong said coldly, and these words did not seem to treat Lin Ran as a brother at all.

"I'll go, right? What about you? I'm telling you, this Yue Feng is very dangerous, I don't care what kind of grudge you have with him, but now Liu Qimeng doesn't love you anymore, if it's because of everything else, but if it's for her, is it worth it?"

Lin Ran looked at Liu Yusong and asked, he knew that his brother was in too deep, but it was because of this that he was afraid that Liu Yusong would do something out of the ordinary for Liu Qimeng.

"Is it worth it?"

Liu Yusong suddenly stopped in his tracks and looked at Lin Ran.

"What about you? Can you really forget about Zhao Yu?"

Faced with Liu Yusong's question, Lin Ran, however, revealed a bland smile.

"I can't forget, but so what, she's already just a part of my memory, it doesn't conflict with the fact that now I like someone else and am with someone else, she's already a memory from the past!"

"A memory from the past? I can't do it!"

Liu Yusong sneered.

"I don't care what's going on with you, but you called me to come over just to confirm Yue Feng's identity, and now you refuse to say anything, if you still consider me a brother, shouldn't you tell me what's really going on?"

"I can at least help you!"

Lin Ran spoke bitterly.

"Believe me, I'm not telling you because I consider you a brother and don't want you to get involved!"

Liu Yusong looked at Lin Ran and solemnly said.

"But we are brothers, do you think I can stand by and do nothing? What if it's the boss or Zhang Xu and the others who are coming now? Can you guarantee that they can also stand by and do nothing?"

Lin Ran asked rhetorically.

Liu Yusong froze, yes! He only thought that he didn't want to drag his brothers and friends into this, but from the moment he called Lin Ran, the latter had actually been dragged in by him.

Now he was told to quit, was that possible?

"Ai!"

Liu Yusong sighed and said helplessly.

"An hour ago, I heard this person at the hotel, that is, when Yue Feng called again, it seems that he was arranging for someone to find Qimeng, saying that he was going to sell her into a nightclub!"

"I've been abroad for so many years, always have news of Qimeng, I've seen their photos in her circle of friends, I just wanted to confirm that what I saw was not Yue Feng!"

"So what? You are now going to save Liu Qimeng?"

Lin Ran asked rhetorically.

"Yes!"

Liu Yusong didn't deny it either.

"Are you sure?"

Lin Ran continued to ask.

"Sure!"

Liu Yusong still insisted.

Lin Ran laughed at this.

"Let's go, get in the car, if you walk I'm afraid you won't be able to find her all night!"

Lin Ran said.

Liu Yusong was stunned, and then he understood that Lin Ran had a point, so he finally followed him to the car.

"Leng Chop, help me find out the location of a person, her phone number is"

Lin Ran asked for Liu Qimeng's phone number and asked Leng Zhan to help investigate.

As a soldier king, investigating the location of a phone number is simply too don't simple, just ten minutes later, the information came back.

"It's near the train station!"

Lin Ran greeted, immediately drove over.

.....

The hotel at the train station, I believe that many people have lived, yes, at this time, Liu Qimeng is living here.

The corridor of the hotel, the light is very dim, a line of four people all the way to a room door, they tiptoe waiting at the door, did not go in.

Suddenly, a cursing sound came from inside the hotel.

“Get out of here! Stinking bitch!”

“Brother Feng, it’s not like that, why don’t you go back to the empire, didn’t we agree to go back first thing tomorrow morning?”

The panicked voice of Liu Qimeng came from the room.

That’s right the other one, it was none other than Yue Feng.

“Back to the imperial capital? Back to the imperial capital for what? Continue to spend time with you and spend money on you?”

Yue Feng put on his clothes while licking his lips disdainfully, he looked at the unkempt Liu Qimeng in front of him and couldn’t help but say in his heart.

“Look really fucking watery, it’s a pity that in the future is the plaything of a thousand people! It’s really a pity.”

“Brother Feng what are you talking about? Just now in bed you clearly said you would accompany me back?”

Liu Qimeng’s eyes were filled with confusion.

She originally planned to go back by herself, but suddenly Yue Feng came and said a lot of good words to herself, and finally under the attack of good words and money, she sank once again.

But now, Yue Feng actually said to turn the other cheek, lifting his pants and disowning him.

“Accompany you back? Do you know what it means to coax someone? If I didn’t want to enjoy you twice more before destroying you, I wouldn’t even bother to fucking see you!”

Yue Feng’s face was cold, ever since he was poked by Lin Ran at the banquet and lost Song Lin’s family as a big moneymaker, he had no intention to continue with Liu Qimeng, in the end she, Liu Qimeng, was not as good as Song Lin, at least the latter still had use value, but she? From the beginning to the end is just Yue Feng’s plaything.

“This is not true, this is not true! Brother Feng you’re kidding me, right?”

Liu Qimeng’s heart was broken, she was busy pulling Yue Feng forward, repeatedly asking questions.

“Get lost!”

Yue Feng had no interest in Liu Qimeng at this time, and pushed the latter to fall on the bed, followed by walking towards the door, while sneering.

“Don’t worry, after all, you also accompany the old man finished almost a year, I will find a good place for you, in the small towns around Tanjiang City, there are many illegal nightclubs, hood you to there, don’t worry about no man to play with you!”

“And, with your beauty and experience, I’m afraid you’ll soon become the headliner there, don’t worry, whether it’s a man, or money, I’m absolutely no less than you!”

“Nightclub? Men?”

Liu Qimeng heard a chill in her heart, where she did not understand what Yue Feng means, he is to sell himself to the nightclub, then not to mention the pursuit of happiness, married to a rich man, whether she can still marry, and even whether she can come out of it alive is a question.

“No! Brother Feng, you must be joking, I am your woman, you can’t do this to me!”

Liu Qimeng chased towards Yue Feng again.

But this time, she was a step too late.

Yue Feng has opened the door, the next moment, the four or five punks guarding the door, directly poured in, all ignoring Yue Feng, rushed and face Liu Qimeng went, pre-prepared sacks without saying anything, directly on Liu Qimeng’s body, regardless of whether she was dressed or not.

“Hurry up and transport away! Don’t make more trouble!”

Royal wind stood at the entrance of the building, blandly lit a cigarette, shouted at the men carrying people out.

“Don’t worry boss!”

The leader of the men smiled back and immediately four people carrying Liu Qimeng came out of the room and ran towards the elevator.

But the crowd just arrived at the elevator, followed by a voice sounded.

“Put the man down!”

“Bang!”

The leader of the gang flew backwards.

Chapter 753

“Hmm?”

In the distance, Yue Feng look can not help but frown slightly, immediately dropped the cigarette, towards the elevator entrance walked quickly over.

But this was only a distance of a dozen meters, but the more he walked the more frightened in his heart, when he was about to come closer, originally carrying the sacks of their own is a henchman, is actually all have flown backwards.

“Who!”

Yue Feng longing is not calm, quickly ran over.

But just a corner, a black fierce then rushed and his head hit over.

“Looking for death!”

Yue Feng saw a fierce drink, the palm of his hand reflexively blocked in front of his body, and that black shadow collided heavily.

“Bang” the huge force directly issued a muffled sound, followed by Yue Feng could not help but retreat several steps, to stabilize his body at the same time, he saw clearly, standing in front of his own not far away, it was Lin Ran.

“It’s you again!”

Seeing Lin Ran Yue Feng also completely fire, from yesterday afternoon to now, this guy after another bad thing, even though he still does not want to fight with Lin Ran, but now the heart of this anger is really can not be suppressed.

“Qimeng!”

On the side, Liu Yusong had already untied the sack and rescued Liu Qimeng inside, and even when he saw that Liu Qimeng’s whole body was unkempt and could even be described as unclothed, he even took off his own clothes and let the former wear them on his body.

“Yup Yusong, how is it you!”

When she saw Liu Yusong, Liu Qimeng was obviously stunned, but then her tears fell once again, the fear and fear in her heart, coupled with the regret and remorse she felt when she saw Liu Yusong at this moment, all her emotions exploded in an instant, and her whole body directly jumped into Liu Yusong’s arms and cried bitterly.

“I’m sorry, I know it’s wrong! It’s my fault! I’m sorry!”

“It’s okay! Everything is okay!”

Liu Yusong’s eyes were bloodshot and he simply held Liu Qimeng in his arms, his heart was filled with anger.

He really loves Liu Qimeng, he is such a person, once in love is very serious, but it is also such a character, let him this time in love is injured also so many years, and this time I am afraid that the injury will only be heavier.

“Ranzi, I’m going to kill him!”

Liu Yusong eyes flooded with cold light, drew his own dagger prepared in advance, straight to Yue Feng and go.

“You’re no match for him!”

Lin Ran was too busy to stop Liu Yusong, but the latter didn’t listen to him at all, so he broke away from Lin Ran and lunged at Yue Feng with his dagger.

“You don’t know your own strength!”

The first thing you need to do is to look behind you and look at Liu Qimeng, with anger in his eyes.

Liu Qimeng's eyes met with Lin Ran's and was immediately frightened by his icy cold eyes, his whole body unconsciously shrunk into a ball and was shivering.

"Bang!"

In the front, Yue Feng kicked Liu Yusong, the latter immediately to fly back, the good thing is that this guy this kick is not too strong, know Liu Yusong is just an ordinary person, do not want to make too much of a mess.

Otherwise, if this kick had been used with full force, I'm afraid Liu Yusong would have broken a few ribs even if he didn't die.

"I will fight with you!"

Liu Yusong's eyes were bloodshot as he got up from the ground and was about to rush over again, but this time he was stopped by Lin Ran.

"Come on, you're no match for him!"

Lin Ran scolded.

"But him! He! He's tainted Qi Meng!"

Liu Yusong was worse than dead, Lin Ran could see the despair, and anger in his eyes.

"He is not the only one who has defiled Qimeng, this is the truth, you need to face it when you decide to come over!"

Lin Ran said indifferently, he no longer wanted to persuade Liu Yusong, how Qimeng's person, in fact, they are clear in their hearts, but Liu Yusong can not let go.

In a year's time, how many boyfriends Qimeng had changed, not to mention Lin Ran, I'm afraid Liu Yusong didn't even know.

"The first thing you need to do is to get back together. I really know I'm wrong! Take me away, please take me away!"

Liu Qimeng ran over and hugged Liu Yusong.

Hearing Lin Ran's words, she was also scared, she was afraid that Liu Yusong would leave her behind, she trusted Liu Yusong's character more than falling into Yue Feng's clutches.

"Mmm!"

Liu Yusong hugged Liu Qimeng and nodded his head, then looked at Lin Ran.

"You've thought about it?"

Lin Ran looked at Liu Yusong's appearance and was somewhat helpless in his heart.

"I'm sorry, I really can't forget her!"

Liu Yusong's eyes were filled with tears, he knew that if he did this, Lin Ran would look down on him, but he really couldn't forget Liu Qimeng.

“What does it have to do with me, you don’t have to say sorry to me, you chose your own path, just be happy with yourself!”

Lin Ran looked at Liu Yusong and waved his hand.

“Ranzi, thank you!”

Liu Yusong nodded at Lin Ran and followed before leaving with Liu Qimeng.

“Humph! You ruined my good deed again! Kid, you remember that!”

Yue Feng gave Lin Ran an icy glance and turned around to leave.

“Did I tell you to leave?”

Lin Ran took a fierce step and lunged at Yue Feng.

“Hm?”

Yue Feng’s face sank and he hurriedly turned around, but followed by Lin Ran’s attack.

“You’re fucking crazy, tomorrow is the treasure competition! Do we have to fight now?”

Yue Feng punched and Lin Ran hard, while chiding.

As the words fell, he himself was knocked back a few steps by Lin Ran’s blow.

“You still know about tomorrow’s treasure competition, ah, tomorrow’s treasure competition, and still forget to come here today to wreak havoc, you’re really scum to the bone!”

Lin Ran coldly said, he did not heart Liu Qimeng, in the end this is all she asked for, but his heart hurts Lao Si, watching his brother love so humble, he is really heartbroken, really want to change all this.

“What does it have to do with you, the old man green there is not you!”

Yue Feng said angrily, he did not want to fight with Lin Ran, because in his arrangement, there would be other people to clean up Lin Ran, and his goal was the competition for treasure, the ten thousand treasures spell formation.

“Green me? Then you would have died long ago!”

Lin Ran’s face was icy cold, followed by his feet fiercely, rushing at Yue Feng and lunging again.

“Bastard!”

Yue Feng’s heart sank, a foot to meet it, this time he also made a real full strength, plus a foot to Lin Ran’s punch, he still has a slight advantage, the two almost simultaneously back several steps.

“Lin Ran, even if we have a grudge, when we get to the Ten Thousand Treasures Formation, there will be plenty of opportunities to settle it, why do we have to do it here!”

Yue Feng said angrily.

“Ten Thousand Treasures Spell Formation? If you die now, do you still have the Ten Thousand Treasures Spell Formation? Moreover, if you die, won’t I have one less opponent?”

Lin Ran sneered.

“With just you? Do you really think that I don’t dare to fight you?”

Yue Feng’s face was icy cold, and he was clearly moved to kill as well.

“Ao? If you dared, you wouldn’t be like a shrinking turtle, just hiding!”

Lin Ran sneered.

Yue Feng was completely furious at his words, and his eyes were filled with killing intent as he looked at Lin Ran.

“Good! Good! Since you want to die, then I’ll make it happen!”

Yue Feng said angrily, while saying to himself in his heart.

“If I kill you, that old thing will have to give me an explanation, I really think that I am a gunman for nothing!”

In his mind, Yue Feng’s entire aura has changed, fiercely from the waist felt two blood-red short swords, rushed Lin Ran an arrow step and rushed up.

Chapter 754

“Hmm? Did not use the dagger?”

Lin Ran was stunned to see this, but he knew that Yue Feng spent a lot of money to buy a dagger, but now actually do not use it is intended to be used as a killer?

Also on second thought is not right, this guy is clearly feng shui into the path, if really want to pick the most suitable weapon, naturally is the magic weapon no doubt, and look at his manipulation of this and blood-red short sword, the latter is obviously the magic weapon, as to whether it is his original magic weapon is not easy to say.

“Then why did he still buy the dagger? And spent so much money?”

Lin Ran couldn’t help but think of a possibility, could it be that he bought it for his followers?

But then he denied this thought, spending 80 million just to buy a dagger for his follower was obviously a bit unreasonable, so there was only one possibility left, the other party must have come from a very big source, so big that he thought it was worth the 80 million to buy a dagger.

“Looks like there’s someone behind this guy too!”

Lin Ran’s heart moved and he couldn’t help but be a little wary of him as well.

“What? Afraid? It’s too late!”

Yue Feng’s face sank as the blood-red short sword in his hand carried a wave of Qi and came straight for Lin Ran’s neck.

“How did you see that?”

Lin Ran shook his head helplessly, dodged directly with a dodge, followed by a kick to Yue Feng's back.

Although this guy's apparent strength was similar to Lin Ran's, both being at the peak of the Qi Watching Realm, it was obvious that both his strength and speed, and even his combat experience were far worse than Lin Ran's. He suffered a defeat at Lin Ran's hands after just one encounter.

"Seeking death!"

Seeing that he had actually eaten, Yue Feng was also fired up and waved his two blood-colored short swords in his hands and actually stabbed at Lin Ran again.

This time, his speed had obviously increased a bit, but in Lin Ran's eyes, it was still a bit insufficient.

"Your speed is too slow, did you not eat at night?"

Lin Ran sneered, followed by a step out, and went towards Yue Feng to meet him.

"Bang!"

"Ka!"

With an arrow step and a side turn, Lin Ran perfectly avoided all of Yue Feng's attacks, and at the same time, he slapped Yue Feng on the head.

And he slapped it from the bottom to the top, while this slap rang out, only to see Yue Feng's entire body had already flown backwards, and the two blood-colored short swords in his hands had also flown backwards along with him.

"How is this possible?"

Yue Feng's heart was greatly shocked, he was obviously also at the peak of the Qi Watching Realm, but why did he not even have the slightest power to resist in Lin Ran's hands, this was too abnormal.

"Why is your power speed so fast, we fought before, your power is not much stronger than mine!"

Yue Feng looked at Lin Ran, his eyes full of shock and doubt.

"Before? I just don't want to play with you!"

Lin Ran said indifferently, before he did not even force, otherwise Yue Feng would have flown, but now is different, because of the relationship of the old four, he does have some hatred Yue Feng, but he also knows that now is not the time to kill.

When we get to the Ten Thousand Treasures Spell Formation, he will have no problem treating Yue Feng however he wants.

"Humph! Arrogant, although I don't know what means you have used to grab so much strength, but you don't go to, the Ten Thousand Treasures Spell Formation is possible to bring people in, when the time comes, I will naturally clean you up!"

Yue Feng put down a sentence, turned around and ready to bolt, in and Lin Ran fight on I'm afraid the loss is their own, he is not stupid, at this time is obviously go for the better.

“I said, today do not want to leave so easily!”

Lin Ran said indifferently, although he stood in place and did not move, but Yue Feng is aware that, with his speed, if he really does not want to let himself go, he is afraid that he does not have a chance.

“What do you really want?”

Yue Feng’s face was ugly as he stared at Lin Ran, with a murderous aura in his eyes.

“Isn’t it very clear in your mind?”

Lin Ran laughed, followed by an arrow step directly rushed up, half a nonsense, the words fell, people have reached Yue Feng.

“What?”

Yue Feng was shocked, this speed was simply too outrageous, he just blinked and Lin Ran had already arrived in front of him.

In his perception, the speed of even the peak of the Qi Watching Realm was definitely not this fast.

But how did he know that Lin Ran’s was the true qi of the medical dao, and it was also directly inherited from the Nine Heavenly Mystical Maiden, this power could definitely crush him 18 streets.

“You have also made a move, now try my methods!”

Lin Ran sneered, followed by a slap directly out.

At that moment, only a “bang” sound was heard, at the critical moment Yue Feng still blocked, he placed the two blood-colored short swords on his chest, the sword froze by Lin Ran hit are bent down.

And just as the blood-colored short swords quickly regained their bend, along with his entire person directly flew backwards out.

“Bang!”

Yue Feng did not expect that he could not even resist this slap from Lin Ran, and his entire person flew backwards, and the two Scarlet Short Swords in his hands also flew out of his hands.

“Run! Hurry up and run!”

Yue Feng immediately had this thought in his heart, he understood that he was definitely not Lin Ran’s opponent, if he dragged on he would definitely die in nine days.

“Compulsion Yang this bastard! He said that Lin Ran was not strong enough, damn it! Almost killed me!”

Yue Feng took the dagger that fell down and turned around to run.

But behind him, Lin Ran had already quickly chased after him.

“Stay!”

Lin Ran sneered, followed by a flip of the palm of his hand, then a cold aura slightly out, the burst of cold light is even stabbed the air are emitting a humming sound.

Yue Feng knew that Lin Ran must have used his dagger, the dagger was made by Iron Hand Li, the sharpness of which goes without saying, if he was stabbed by this dagger, I'm afraid nine lives would not be enough to die.

"Bastard!"

Yue Feng's face turned red and he hurriedly stopped himself, wielding two blood-colored short swords to resist.

"Clang clang clang!"

A series of metal clashing sounds rang out, but followed by the dagger still saw the right moment and opened a gash on the back of his hand.

Blood spilled out, a sharp pain made his palm snapped loose, and a bloody short sword fell directly to the ground.

He tried to bend down to pick it up, but at that moment, Lin Ran had already rushed closer.

"Bastard!"

Yue Feng was so vicious that he didn't even bother to pick it up, and kicked directly at the bloody short sword, which immediately cut a red light straight to Lin Ran's face.

"Hmm?"

Lin Ran saw a stunned, followed by a fierce side, raised his hand will clip the bloody short sword, but in the turn of the head to look, Yue Feng is already running out of shadow.

"This guy ran really fast!"

Lin Ran helplessly shook his head, although not captured Yue Feng, but at least break him a short sword, it is not bad.

Lin Ran put away the short sword, this thing is Yue Feng's magic weapon, he can not use, temporarily put away may also be able to use in the future, at least you can exchange something with Yue Feng, blackmail a than.

.....

From the hotel, the old four and Liu Qimeng already do not know where to go, Lin Ran also do not bother to ask, everyone has their own choice, he also do not want to interfere too much with the old four things.

The company's main goal is to provide a solution to the problem of the problem.

After so much delay, it was almost ten o'clock at night, he should also leave for Qinghe Bay.

Chapter 755

The first thing you need to do is to take advantage of the night, and when Lin Ran's car is ready, it's already almost midnight, and the whole scenic area of Qinghe Bay can't see a single person.

In order to avoid that scenic area is responsible for the health of the aunt, Lin Ran can be said to be careful, step by step, slowly slipped in.

At this time still remember the last time I came, that big woman said in public that she liked her, but Lin Ran to aggravation.

“I hope I don’t run into her this time!”

Lin Ran prayed in his heart, he was not afraid of running into the wolves, but most afraid of running into the floor sweeping amah, really is a showman met a soldier can not be justified.

Perhaps the gods really opened their eyes, on the way Lin Ran really did not encounter the sweeping aunt, very safe to come to the statue of Laozi Qingniu.

As usual, in order to prevent being disturbed, Lin Ran directly jumped on the back of the statue of the blue bull, before feeling the piece of tortoise armor from his arms and pressing it on the gap in the neck of the blue bull.

“Weng!”

A buzzing sound came, followed by Lin Ran only felt a blur before his eyes, and when his surroundings lit up again, the whole person was already in a peculiar space.

“Little friend, you’ve come again!”

An old but amiable voice rang out, it was none other than Elder Feng.

“Greetings, Elder Feng!”

Lin Ran bowed respectfully.

“Don’t bother, what’s the matter with this visit?”

Elder Feng asked with a smile, although it was only a wisp of consciousness imprint, it was enough to see how strong this Elder Feng’s original father was.

“There are more things, I think about how to say!”

Lin Ran awkwardly scratched his head, and then organized his thoughts and opened his mouth.

“Right wind old man, let me ask you about someone first!”

Lin Ran said and fished out from his arms the item that he had gotten from Daoist Master Sequoia at Li Sheng’s house and handed it to Elder Feng.

“Feng Lao, this person seems to be named Red Cedar Half Immortal, is this person very powerful?”

Lin Ran asked, at the time that the red cedar Daoist seems to have gotten the red cedar half immortal’s inheritance, which became so powerful, and this red cedar half immortal seems to have a big origin, at the time Lin Ran did not know much, at this time remembered to ask the wind old man.

“Sequoia?”

Wind Elder seemed to fall into memory, a moment later laughed.

“That’s right, this red fir immortal is very powerful, at least more powerful than many people, because he half-step immortal, that’s why he calls himself half-immortal, but this person is very evil, the nature of killing is too heavy, in the righteous feng shui can not gain a foothold, so often live in the deep mountains, rarely in the crowded places to walk!”

“And he this heritage, obviously not passed on by himself, it is likely to be killed by someone!”

Wind old man said, only said here he himself are a little puzzled.

“This red cedar half immortal strength is very strong, and low-profile and vigilant, who would kill him?”

Said the wind old frowned slightly, looked at the items left by the Red Cedar Half Immortal, and soon he lived to, this item has a faint smell in it.

“This This is red cold poison!”

“Ah?”

Lin Ran smelled a stunned, red cold poison he knew, Ling Sa had it in her body, but fortunately he had helped Ling Sa to get the poison out, grafted on a living human wood.

But he didn’t expect that the red cedar half-immortal actually also had this poison.

“This Red Cedar Half Immortal, should have been counted on and died from the Red Cold poison!”

Wind Elder frowned and pondered.

“Wind Elder, who exactly is using this Red Cold Poison?”

Lin Ran busy asked, he was also very curious about this person who put the poison behind the scenes.

“I don’t know, if I knew, he wouldn’t have the chance to be putting out the poison!”

Feng Lao shook his head and also looked helpless.

“This red cold poison has existed for hundreds of years, we have never known exactly who is doing it, forget it! You’d better talk about other things!”

“Mm!”

Lin Ran saw this and no longer insisted, and digressed.

“Right wind elder, I recently discovered a problem, of course it is my own guess, mainly to ask for your confirmation!”

Lin Ran said as he sat down on his knees across from Elder Feng.

“I found out that it seems that not only Feng Shui can enter the Dao, is it that many of them can enter the Dao, for example, I have seen a blacksmith before who seems to have signs of entering the Dao!”

“O?”

Wind old man smiled a little surprised, but followed by a smile.

“It seems that the world outside is becoming more and more prosperous! That’s right, all things can enter the Dao!”

“Our world is very tolerant, so it can be called that all things can enter the Dao.”

“But if you can find this, you should have guessed that of all the paths to the Dao, only Feng Shui is the easiest, martial arts is second, and the most difficult is the medical path!”

“The martial path is second?”

Lin Ran smiled but was stunned and asked.

“No, right Feng Lao, I’ve seen many people who practice martial arts, and they don’t seem to have entered the path, not even a sign!”

“Then that’s right!”

Wind Elder but laughed.

“Do you know why?”

“Why?”

Lin Ran asked busily.

“That’s because the entry root of the martial dao is broken!”

Elder Feng said as he fell into a memory.

“A long time ago, there was a great war in the cultivation world, at that time, people who entered the martial path were very strong, they were physically strong and agile, they were the nightmare of Feng Shui initiation, people who entered the Feng Shui path were not their opponents at all!”

“In that great battle, they are also the main force! Can martial arts into the Tao is about a word of enlightenment, than Feng Shui into the Tao is too difficult, so this one simply can not be recorded down, so that future generations learn! It’s the seniors who teach by example, to teach their juniors!”

“But that big war, martial arts into the path of almost all dead, resulting in a break in the phenomenon of generations, so now the descendants, without the guidance of the predecessors, want to feel into the path is too difficult!”

“So that’s how it is!”

Lin Ran suddenly understood, compared to martial arts into the Tao, Feng Shui is really much simpler, and can also be recorded down to bless future generations, so no wonder martial arts into the Tao is declining, to today is not seen to be able to martial arts into the Tao of people.

“Speaking of which, this is also a historical residual problem, no one can do anything about it, but there are still many people who insist on practicing martial arts, hoping one day to break through this yoke, and once a person breaks through, as long as he is not stingy, martial arts into the path will soon be able to blossom everywhere!

“After all, I believe that after so many years, many people have reached this bottleneck, all that’s missing is the proverbial foot!”

Wind Elder said.

“That’s right! Thanks for mentioning it senior!”

Lin Ran laughed.

With these words from Elder Feng, he also had more confidence in Leng Zhan and Ah Zhan’s entry into the dao with martial arts.

“Well, after saying so much, it’s time to get to the point, you should be coming here for the Ten Thousand Treasure Spell Formation this time!”

Wind Elder suddenly turned his words and asked with a smile.

“Huh?”

Lin Ran smiled a moment of embarrassment, scratched his head and laughed.

“I really can’t hide anything from senior, it’s indeed about this matter! I wanted to ask, what exactly is the existence of this Ten Thousand Treasures Spell Formation, and is there anything that needs attention!”

“You brat!”

Wind Elder laughed at his words and stroked his beard.

“You’re really asking the right person, because that Ten Thousand Treasures Spell Formation was made by the old man!”

“What?”

Lin Ran was stunned at the words, the Ten Thousand Treasures Spell Formation was actually made by Old Man Feng, so wouldn’t he have gotten a big leg up this time.

Chapter 756

“Elder Feng, what is that Ten Thousand Treasures spell formation all about?”

Lin Ran asked busily, guarding a treasure mountain and not digging something out, that was really something to say.

“Kid, do you really want to know?”

Feng Lao looked at Lin Ran, the old face actually showed a hint of an unkind smile, looking at Lin Ran could not help but be stunned.

As the saying goes, ginger is still old and spicy, the old man’s look is clearly saying, you want to know that you have to come up with something to trade, otherwise the old man will not be able to tell you for no reason.

“Kid, I can tell you, but I have a condition!”

Sure enough, followed by the wind old man said his intention.

“Elder, please speak!”

Lin Ran said, he could not directly agree, if the wind old man told him to die, did he also go? He had to weigh the pros and cons before he could decide whether to make a deal or not.

“It’s very simple, I can tell you the origin of the Ten Thousand Treasures Spell Formation and what local treasures inside are most suitable for you, but in exchange, you must do me a favor!”

“What kind of favor?”

Lin Ran was excited in his heart, but he was not yet overwhelmed by Elder Feng’s tempting condition.

“It’s simple, when you enter the Ten Thousand Treasures Spell Formation, help me find an object and collect it!”

Elder Feng laughed.

“An object?”

Lin Ran was stunned to hear this, not understanding what Elder Feng meant by this.

“That is a fellow demon stone, right within the Ten Thousand Treasures Spell Formation, back then I found it, but it seemed to have vaguely given birth to a spiritual intelligence, so I didn’t bring it out, hoping that it would breed its own spiritual intelligence, unfortunately, there were many accidents later, and I didn’t have the time to find him again!”

“This time you just need to find it and collect it!”

Elder Feng laughed.

Lin Ran frowned at hearing this and asked.

“Elder, I don’t know how to be considered to have collected it?”

This what with the demon stone he hadn’t passed at all, how would he collect it? He didn’t have the slightest idea.

“Very simple, a drop of your own blood on it, of course you have to remember one thing, if it has produced its own spiritual intelligence, it is likely to manifest itself in human form, then you can only find her native with the demon stone, drop blood on the stone to do!”

“This kind of thing, born intelligent, if it can be used for my righteous feng shui, the future is unlimited, and likewise if it falls into the hands of people with bad intentions, the future is bound to wreak havoc in all directions!”

Feng Lao said.

Lin Ran listened to a stunned, but the feeling seems quite simple.

“Kid, you still don’t agree to this condition?”

Feng Lao looked at Lin Ran and said with a frown.

“Senior, what you said is indeed very tempting, but you also said, that thing is naturally intelligent, I’m really afraid of falling into his path, you see if the conditions can be changed?”

Lin Ran laughed.

“Well? How to change?”

Feng Lao frowned and asked, this is the first time he met someone who dared to talk to him about the conditions.

“You tell me carefully the situation of the entire Ten Thousand Treasures spell formation, such as what places have more weapons, what places have more magic weapons, what places have more herbs, and what places have more chances! How?”

Lin Ran laughed awkwardly and said.

As soon as Elder Feng heard this, he stroked his beard and laughed.

“You kid, you’re quite greedy, don’t you know that each person can only bring one thing out?”

“I know, but you should also know that everyone can bring a retainer in, and I want to find something for my retainer too, don’t I!”

Lin Ran laughed.

“For your retainer?”

Wind Elder was stunned to hear this, and seeing that Lin Ran didn’t look like he was joking, he couldn’t help but laugh as well.

“Good! I can tell you, but don’t be too complacent, the Ten Thousand Treasures Spell Formation has both chances and dangers, it’s not that if I tell you, you can absolutely find it, everything still depends on you and your attendant’s own luck!”

“This Feng Lao need not worry, I just need to know where I’m going!”

Lin Ran laughed.

“Fine! Deal!”

Elder Feng smiled and nodded, followed by a fierce palm probe, nodding at Lin Ran’s forehead, and immediately a huge map appeared in Lin Ran’s mind.

The map was constructed from true qi, and it clearly divided the entire Ten Thousand Treasures Spell Formation into four parts, while there was a piece in the very center, and the surrounding area was divided into three pieces.

“This out in the middle, is the place with the most magic weapons weapons, is also the most important place, is the core of the great war back then, the danger of many treasures are also the most!”

“The other three places, respectively, are the herbal medicine area, the foreign object area, and the inheritance area!”

"I will not say much about the herbal medicine area, the foreign matter area is the whole war place of the late supply area, there are a lot of then did not have time to use the foreign matter, including heaven and earth treasure materials, all kinds of strange things, etc., before the magic formation there is a competition for treasure you should know, the first three can take one more thing, is in this foreign matter area!

"As for the last inheritance area, is the caretaker of the wind family descendants, gradually sorted out the many inheritance, basically Feng Shui lineage, martial arts only a few scattered!"

"That's basically it, I can remind you, no matter which place once you choose the same thing, then you can only take this thing out!"

"Thank you, Elder Wind!"

Lin Ran said excitedly, with this map and details, when he entered the Ten Thousand Treasures Spell Formation, at least he would not be a blind man feeling the elephant, with a clear purpose, he would naturally do things with half the effort.

"The same demon stone I asked you to find is in the war zone, don't get the wrong place!"

Feng Lao reminded.

Lin Ran nodded at his words, but there was some doubt in his heart.

"Don't be confused, this same demon stone is something brought by the enemy, left behind there, nourished by the killing intent and will of the dead in the war zone for years this gradually gave birth to spiritual intelligence."

Wind old man explained, then a big hand, continued.

"Finally is the origin of this ten thousand treasures spell formation, in fact, this ten thousand treasures spell formation, is the year the entire Feng Shui world battlefield, and then the end of the war I used the formation to envelop it, so as to avoid the things inside out!

"And the whole battlefield killing aura, the average person will go in fear of death, which will be sealed up, only open once every three years!"

"So that's how it is!"

Lin Ran listened to staggering, but soon he thought of one thing, could not help but frown, busy said.

"Then senior, do you ever know if a toxin will appear within the Ten Thousand Treasures spell formation, this toxin is red in color, much like the plague produced by too many dead people!"

"Plague?"

Wind Elder frowned at his words and said busily.

"How do you know this? When many people died inside the Ten Thousand Treasures Spell Formation, this kind of thing did appear, but it was already sealed by me! Where did you know about it?"

“Do not dare to talk nonsense, senior, these things appeared a few days ago on some herbs, and these herbs are produced from Fengling Town, where the Ten Thousand Treasures Spell Formation is located!”

Lin Ran said busily.

“On the herbs? Fengling Town?”

Wind Elder listened to the frown, half a day did not speak.

“Okay, I know! Don’t make a public statement about this matter, I will investigate it myself!”

Feng Lao said seriously.

Lin Ran saw this and was busy nodding, it seemed that this matter was not simple either, the seal that Elder Feng personally cast seemed to have been broken, this was not a good sign, he only hoped that there would be no surprises on this trip to the Ten Thousand Treasure Spell Formation.

Chapter 757

Talking with Elder Feng for one night, Lin Ran’s harvest could not be considered to be rich, especially getting the map within the Ten Thousand Treasures Spell Formation, which was definitely a finance that no one else could have.

“Kid, you really got lucky, this old man is actually the creator of the Ten Thousand Treasures Spell Formation, you’re really guarding a mountain of treasure without even knowing it!”

Pillow Book couldn’t help but laugh as well.

Lin Ran, however, was not impressed and asked.

“Guarding the treasure mountain and so what, or take something in exchange, that what with the demon stone you have heard of?”

“Heard ah, is a very rare stone, your world certainly did not, should also be brought back by the Nine Heavens Xuan Maiden!”

The pillow book casually said.

“How can you be so sure?”

Lin Ran wondered, what makes his world not have it, it must be brought back?

Pillow Book laughed at this.

“Don’t be unconvinced yet, this same demon stone your world definitely does not have, as long as I say what it does, you will be convinced!”

“OK! Then you say it!”

Lin Ran said in no good humor.

“You’re still not convinced!”

The pillow book laughed and said at once.

“This same demon stone is a stone that lives in symbiosis with demon beasts, is there a demon beast in your world?”

“Uh

Lin Ran was stunned and said awkwardly.

“Does Erha count?”

“Count your sister, that is a dog, I’m talking about a serious demonic beast, can eat people!”

The pillow book did not have a good temper.

“This same demon stone is a very powerful demon beast at birth, will only be accompanied by the birth of a stone, generally this stone will be the beast of the demon beast to eat, but there are exceptions to stay!”

“This stone is a very peculiar existence, if you will drop the essence of blood on it, and then find a demonic beast to eat, that demonic beast will absolutely obey your orders, as if it was tamed by you, but the same, the stronger the strength of the demonic beast, the worse this effect!”

The pillow book said, and then continued.

“Another, is the same demon stone to cultivate their own spiritual intelligence, and so her spiritual intelligence from the stone, you can find a newborn demon beast will be the same demon stone fed to it, so that the illusion of spiritual intelligence with the same demon stone is even with the demon beast with the same body, spiritual intelligence cohesion physical strength will be enhanced with the demon beast, the cultivation speed is frighteningly fast, the future achievements are unlimited!”

“But there is one thing, that is, the original life with the demon stone in the body of the demon beast, once the demon beast died, then the person is also finished!”

The pillow book is very proud of said.

“In my world, usually the same demon stone is used to cultivate spiritual intelligence, but you well! Tsk, there is spiritual wisdom also in vain, and there is no demon beast, it is a pity that the same demon stone!”

“Eh...”

Lin Ran helpless, but on second thought, it is also relieved, originally this treasure is received for the wind old, in case people find themselves in the future to go back, even if they cultivate more powerful is also useless.

“It does not matter, anyway, is an exchange of conditions, by the way to collect it!”

Lin Ran released, by now it was already daylight plenty, he also naturally left the strange space.

Get up and look at the early rising sun, Lin Ran could not help but stretch a lazy back, and the wind old talk all night, he did not feel a little tired, really is magical.

“Hey! The one above, you quickly come down, I have already called the police, if you do not come down later you will look good!”

Just when Lin Ran stretched out his lazy back, suddenly a familiar voice came from below.

Lin Ran could not help but look, but this look immediately froze, standing below shouting at their own, actually or the last time the aunt.

The ama looked at Lin Ran is also a stunned, followed by the old face brushed red, fortunately at this time around the pedestrians have not gathered over, she pointed at Lin Ran, shy to said.

“Why is it you again boy, big mother have said how many times, we can not! Why do you still come!”

Lin Ran helpless, looked at the big mother also lazy to take care of, this will only be more and more dark, he simply do not speak.

“Come down quickly, the police will be here in a moment, auntie will not stop you! Hurry up and run!”

Auntie shouted from below.

Lin Ran even listened helplessly, how do I feel that I have become a white boy, this aunt also let himself go!

“Hey! I’m really not interested in you!”

Lin Ran helplessly looked at the big mother, followed by directly jumped down from above.

This scene looked at the big mother immediately jumped, an unstable feet, to fall to the ground.

If she fell to the ground at this age, who knows what disease will not touch.

Lin Ran’s quick eyes and hands, an arrow step forward, directly pulled the big mother’s clothes, pulled it into his arms.

The big mother lying in Lin Ran’s arms, looking at him, suddenly the pretty face is red.

“And say you don’t like me, why so nervous!”

“I!”

Lin Ran heart that bitter ah.

“Ah hey! What are you doing, stand still!”

Just at this time, next to the sound of a reprimand, Lin Ran look to really see the police, then the heart more bitter.

“Go, go, go! Don’t get caught by the police!”

The aunt got up and urged.

Lin Ran is really helpless, this in the end is still misunderstood, but he did not have time to explain, turn around and run away.

“Hey! Young man, are you still coming?”

The aunt stood behind and shouted at Lin Ran.

“Come? Come without telling you!”

Lin Ran said in his heart, how come every time I come to meet this big mother, if the family knows, I’m afraid they came down here, here has been waiting for four or five people ready to beat themselves up.

“Hey! It’s really a hard life!”

Lin Ran helplessly shouted a sentence, a slip of smoke has gone into the woods, spared a circle into the car, directly left the Qinghe Bay.

.....

“Hey! Where are we?”

In the car, Lin Ran directly to Wang Yifeng called.

“Early all arrived, just you!”

Wang Yifeng said helplessly.

Next to him came Leng Zhan’s voice.

“Boss, where are you? There’s still an hour before the treasure competition starts!”

“It’ll be here soon, so you all sign up and go see it!”

Lin Ran said.

“Don’t worry, fat master I have wrapped it all up for you guys, except old Yu head we all signed up!”

Wang Yifeng laughed smugly.

“Where is Master Yu?”

Lin Ran smiled and could not help but be stunned, this guy should be most interested in this kind of thing, how come he did not go together today.

“Hey, it’s a long story, yesterday that small list, there is a little matter not resolved, Master Yu went to the aftermath, I’m afraid I can not rush over!”

Wang a helplessly said.

“How are things?”

Lin Ran Bi frowned slightly after all, asked.

“Do not worry, yesterday fat master I personally went to see, a piece of cake!”

Wang Yifeng laughed.

Only then did Lin Ran put his heart down, hung up the phone and went straight to the location of the competition for treasure.

.....

The treasure competition is set in an industrial park on the outskirts of Tamagawa City, which is said to have been built specifically for the treasure competition.

Because Temperate River City is very close to Fengling Town, so the treasure competition is placed here. Every year, once the treasure competition is over, the selected people will go directly to Fengling Town the next day and enter the Ten Thousand Treasures Spell Formation.

An hour later, outside the industrial park where the treasure competition is located, a dilapidated business car stopped, it was Lin Ran who came in a hurry.

Chapter 758

The entire industrial park, already full of people, Lin Ran came in and found that the style of this industrial park, and all the industrial parks he had seen before are different, this industrial park is said to be an industrial park, in fact, it is a place dedicated to holding a treasure competition.

There are many private cars parked in the whole industrial park, obviously the people who come here to participate are at least powerful and influential.

“Ranzi, why did you just come!”

Seeing that Lin Ran was still walking and looking, Wang Yifeng was helpless.

“What’s wrong?”

Lin Ran wondered, he did not seem to be late, ah, said an hour, he only took forty minutes, but also twenty minutes early.

“You really are, the treasure competition has already started, there are too many people, so it has already started, go go go!”

Wang Yi life busy greeting, followed by pulling up Lin Ran and squeezed towards the crowd.

There are too many people, Lin Ran Wang Yifei, as well as Leng Zhan Wang Mao and Ah Zhan five people, a full wait of nearly an hour, which was lined up close to the front, at this time, the faces of all people are helpless.

“What is this for?”

Lin Ran looked at a huge indoor building in front of him in bewilderment, the people waiting at the door did not have a thousand also have eight hundred, and each are dressed in strange clothes, only Lin Ran the five people dressed fairly normal.

“This is the first place, I have learned before, the competition for treasure will be divided into two competition venues!”

“This first one is strength, this stage alone is said to eliminate many people!”

Wang Yifeng said in surprise.

“Ao!”

Lin Ran smiled thoughtfully.

As the team went inside, soon Lin Ran and the others saw what was inside.

In the building room in front of them, there was a transparent stone the size of a washbasin, the stone was glistening and translucent, as if it was a large glass, no Lin Ran and the others could see it clearly.

On the transparent stone, there was clearly a sunken slap mark, and every time people who went in were slapping down on the slap mark of the stone, and it was as if they had used their own strength.

“Bang!”

Five people are watching, there is another person inside a slap up, that is a youth in white robes, he fell on a slap, immediately the white stone will show a light red, followed by the color soon receded down.

And this youth face also revealed a smile of satisfaction.

“This is Xu Qingfeng of the Qingfeng School, really powerful!”

Someone next to him immediately shouted.

“Light red result, this is passed!”

“Yes! Still really envious!”

“Hey hey, you guys, look, you are the Compulsion Pavilion’s compulsion!”

Soon, someone else shouted next to him, and Lin Ran smiled not only with a slight frown, but also looked over.

“The compulsion pavilion’s compulsion?”

This name is also called a name?

“It is said that this compulsion is only recently shown out of the first corner, when the young generation of the compulsion pavilion was killed by a kid, this compulsion only showed out of the first corner!”

“Just come out? How about the strength!”

“We’ll see!”

A group of people are talking, Lin Ran also curious to see.

That compulsion, very handsome, even with a hint of demon, a long hair with black robes, but looks quite a bit handsome.

“Bang!”

A palm fell, suddenly the transparent stone actually also glowed light red, so that the surrounding people were stunned.

“Holy shit! Only just rise strength and Xu Qingfeng almost, this is too demonic!”

“That is, it seems that the compulsion Pavilion this time to rise, when the compulsion Pavilion trouble that kid also do not know whether to come!”

“Come you do not know ah, after all, this person has only heard the name, we have never seen!”

The crowd is discussing.

Just at this moment, the man named Xu Qingfeng, who was back in the crowd, the key is that he didn't leave yet, but stood next to Lin Ran.

“Brother Qingfeng, aren't you going to proceed to the next match?”

Someone next to him immediately asked.

“There's no hurry, wait for someone!”

Xu Qingfeng laughed, but his smile was filled with a bit of anticipation.

The crowd went up one by one, and soon Lin Ran found out the rules, the stone seemed to be something that could check the strength, each person hit on a different color, usually only if it reached red would pass the test, while other colors were almost always eliminated!

“Hmm?”

Suddenly, Lin Ran saw a familiar figure, she was dressed in a fiery red robe, a long red whip wrapped around her waist, a pretty face, very conspicuous in the crowd, not a forced person, it was Ling Sa!

“She really is here!”

Seeing Ling Sa, Lin Ran could not help but smile, the palm of his hand also unconsciously placed in the pocket, in the pocket there is still a gift not given, it is the jade pendant he prepared, which has the earth cold marrow.

Lin Ran did not notice that next to him, Xu Qingfeng, who saw Ling Sa, also revealed a smile, and smiled that smitten smile, as if he had seen his goddess.

“Hm?”

Lin Ran's gaze only lingered on Ling Sa for a moment, and was soon attracted to a figure lined up in front of Ling Sa.

The other person was wearing a red robe, even his head was hidden in his robe, and when it came to him, only to see him slowly probe his palm, that a very white palm, he gently pressed on the transparent stone.

But then, the whole stone was like suffering a huge heavy blow, the color quickly turned red, and finally it actually reached crimson.

“Bang.”

Suddenly, the transparent stone violently shattered away, immediately shocked a group of people behind grew mouths.

“Another one to break the stone, powerful, this a moment all three appear!”

“Yes! The first two are big deal, but who is this one!”

Looking at the mysterious man in red, the crowd couldn't help but talk about it.

"This kid's strength is even stronger than yours!"

Pillow Book laughed.

"And I don't know what origin!"

Lin Ran frowned, the other party's strength is indeed stronger than his own, although he also has the confidence that he can break this stone, but definitely can not do the other party so calmly!

As he spoke, Lin Ran then saw that the broken stone was quickly carried down and replaced with a new one, and next to the broken stone, there were two more already broken stones, apparently two other people had broken the stone so far as well.

"This time the competition for treasure will be interesting!"

A hint of wariness also arose in Lin Ran's heart.

"Strength is indeed strong, but is it really good to be so open now?"

Lin Ran was thinking in his heart, suddenly Xu Qingfeng next to him actually spoke up, he looked at the red-clothed youth who just walked down, with a few disdain in his eyes.

"Kid, do I have something on my face? Staring at me?"

Xu Qingfeng suddenly turned his head and looked at Lin Ran with the same disdain in his eyes, except that compared to the red-clothed youth, the disdain in his gaze at himself was significantly stronger.

"Just curious!"

Lin Ran blandly returned a sentence.

"Curious? Curiosity will kill the cat, don't disturb me to enjoy the goddess, or I'll make you unable to participate in this competition!"

Xu Qingfeng said indifferently, as if he was talking about a very insignificant matter.

Then his gaze fell in front once again, and it was Ling Sa who was participating in the test at that moment.

"You're looking at her again?"

Lin Ran obviously noticed this and asked with a smile.

"That's right!"

Xu Qingfeng didn't deny it either, while laughing.

"How, isn't she beautiful, soon she will be my girlfriend, and in the future, she will even be my Xu Qingfeng's woman!"

Xu Qingfeng had a smile on his face, as if Ling Sa had already agreed to be his girlfriend.

Lin Ran couldn't help but laugh as he listened.

“Do you know who I am?”

Chapter 759

“Who are you? Haha, I really don’t know who you are!”

Xu Qingfeng laughed, while turning his head away from looking at Lin Ran, and said blandly.

“I, Xu Qingfeng, can remember no more than three people in my life, and it’s obvious that you’re not one of them!”

Although the words were spoken plainly, the disdain revealed in them was undisguised.

“Is that so? Then you will remember later!”

Lin Ran laughed.

“O? You’re very confident!”

Xu Qingfeng also laughed.

“But there really aren’t many people who can make me Xu Qingfeng remember, I just don’t know if you have the ability to do so!”

“You’ll find out later!”

Lin Ran also laughed, the other party’s unbeatable attitude, really made him a little annoying, but that’s all, this kind of people he has seen a lot, naturally do not care too much.

While the two of them were talking, the Lindsay in front of them had already started the test.

Her expression is flat, not much change, the palm of her hand on the transparent stone, very open stone color began to change.

Yellow, purple, pink, and soon at a speed visible to the naked eye, the stone turned light red, and there was actually no intention of stopping.

“She is the woman that I Xu Qingfeng has taken a fancy to, how can the strength be so little!”

Xu Qingfeng laughed, not showing any loss at all because Ling Sa’s testing strength exceeded his own.

Together with his previous comments about the red-robed man, it was clear that he had clearly and deliberately not shown his full strength during the test just now.

“Red! Holy shit, that beauty is actually red too!”

“It’s really red!”

Soon, there was a gasp from the crowd of onlookers, and everyone was surprised to see that the transparent stone in front of Ling Sa had actually turned red at that moment, only it didn’t break, but the color was already terribly red.

“Ranzi, see!”

In the back, Wang Yifeng laughed, apparently he also recognized Ling Sa.

“Isn’t that surprising? The woman that I, Xu Qingfeng, look at is so strong, otherwise I wouldn’t be able to look at it!”

Xu Qingfeng seemed to be talking to himself, but it was also as if he was saying to Lin Ran.

Lin Ran laughed.

“You keep saying it’s the woman you Xu Qingfeng has his eye on, so does she have your eye on her?”

“Will do! Sooner or later!”

Xu Qingfeng said confidently.

Lin Ran, however, laughed and shook his head, wondering where this guy got his confidence.

“You don’t believe me? Look for yourself, she’s smiling at me!”

Xu Qingfeng smiled smugly.

Lin Ran turned his head to look, and indeed saw Lin Sha was smiling at his side, only was she really smiling at Xu Qingfeng?

While speaking, Lindsay was already smiling and running over to exactly where Lin Ran and Xu Qingfeng were.

“See? She’s coming towards me, that’s the reality!”

Xu Qingfeng laughed, and finally took another deep look at Lin Ran disdainfully.

“Talking big is for everyone, but you have to have capital, and you’re in front of me, no!”

After saying that, Xu Qingfeng straightened his clothes, smiled and walked towards Lin Ran.

“Heh!”

Lin Ran laughed and shook his head, too lazy to say more, this kind of people are used to seeing no one, he is also lazy to take care of.

At this time there are not many people in front of the line, Wang Yifei see also ran in front of Lin Ran, see the situation Lin Ran also walked over, Ling Sa has successfully passed the first round, he also had to cheer.

“Ling Sa, congratulations!”

In the front, Xu Qingdiao graceful, really have some of the meaning of the world’s grandson, if replaced by ordinary girls I’m afraid long fallen, after all, this guy has a handsome cheeks, plus talk and manner very grandson’s charm, but quite popular with girls.

But facing Ling Sa, this set is obviously not much use.

“Xu Qingfeng? Why are you here?”

Ling Sa frowned slightly, just now she saw that Xu Qingfeng had passed the first round of examination, how come he didn’t go to the second round.

“Naturally I’m waiting for you here, let’s go let’s go to the second round together!”

Xu Qingfeng smiled and issued an invitation.

Such a talented man and a beautiful woman, standing in the crowd is really eye-catching, soon the surrounding people are gathered around.

“This is Xu Qingfeng! The young leader of the Qingfeng School!”

“That’s Lindsay, the most valued young female disciple of the Plum Blossom Grandmother!”

“Tsk, a talented man and a beautiful woman, if I had this kind of strength, I would have to go after them!”

“Forget it, your strength can not pass the first round is a question, but also to go after others? Simply toad want to eat swan meat!”

Ling Sa listened to the face is very unnatural, glared at Xu Qingfeng, blandly said.

“You go by yourself, I still have things to do!”

Said and was about to leave.

“Ling Sa!”

Xu Qingfeng saw the situation and reached out to pull Ling Sa’s white wrist, but followed by Ling Sa to break free.

“What are you doing? Talking is talking, don’t move your hands and feet!”

“Ling Sa, I just want to invite you to join me, no other intention!”

Xu Qingfeng was busy explaining.

“I said no need!”

Ling Sa said in a cold voice.

At this moment, Wang Yifeng on the side also noticed the situation over here, especially when he saw Ling Sa in the crowd, he even turned his head to look at Lin Ran.

“Ranzi, you don’t even care about this? That kid wants to dig you out!”

Wang Yifeng asked busily.

The three people, Leng Zhan, looked at each other with disbelief and couldn’t help but look at Ling Sa a few more times.

They all knew that Lin Ran had four aunts by his side, but when did this Ling Sa appear, and listening to Wang Yifeng, it was obvious that Lin Ran and her relationship was not shallow.

“Don’t worry, it’s our turn soon! Wait until the test is over!”

Lin Ran said indifferently.

He believed that Ling Sa could handle things here, so he didn't worry at all.

"You have such a big heart!"

Wang Yifeng saw this and could only say helplessly.

It was just that he wanted to finish the examination first, but Ling Sa's side would not necessarily agree.

"Xu Qingfeng I tell you, I have no hope with you, I already have a man I like! But the man will definitely not be you!"

Ling Sa looked at Xu Qingfeng and fought with a firm hand.

"Not me? Then there is someone else who is good enough for you?"

Xu Qingfeng is not angry, in his opinion Ling Sa is gambling, the latter has a boyfriend he knows very well, so the pressure does not believe what she said.

"There are indeed not many who can match me, but you are definitely not one of them, and I'm not afraid to tell you that the man I'm looking at is also here today, right here"!

Ling Sa said nonchalantly.

"O? That's interesting, point it out and let me see, what is so sacred that you can look at it!"

Xu Qingfeng smiled, not afraid of a strong opponent, just do not know who the opponent is.

"Are you sure?"

Lingsha looked at Xu Qingfeng and asked with a smile.

"Sure!"

Xu Qingfeng nodded seriously, but his eyes were filled with disdain, and he had even thought about it, no matter who Ling Sa said today, he would trample the other party under his feet, so that Ling Sa would understand that the only one who could truly deserve her was himself.

"Good! Then I'll tell you!"

Ling Sa smiled, raised her hand and pointed at Lin Ran who was lining up on the side.

"The man I have my eye on is him, just now you were talking, I thought you knew each other, now it seems you don't know!"

"What?"

Xu Qingfeng saw this and immediately felt his old face redden, he did not count on a thousand calculations that the person Lin Ran was talking about was actually the kid who was talking to him just now.

To know that just now he did not look at Lin Ran in the eyes, and even said to others that Ling Sa is the woman he sees, and will certainly be his girlfriend, but now

For a while, Xu Qingfeng felt his face hot and hot, while a wave of anger in his heart also came out directly.

Chapter 760

“This kid turned out to know you long ago, just now also pretended not to know anything, simply sinister!”

Xu Qingfeng said in a cold voice, while stepping towards Lin Ran this past.

“What do you want! He’s about to take the test!”

Seeing this, Ling Sa was busy stopping in front of Xu Qingfeng.

“Don’t worry, it’s just a test, if he has real skills, what’s the fear, but if not, going to the test is also a disgrace, I think it’s better to get out now!”

Xu Qingfeng disdainfully dropped a sentence, followed by walking towards Lin Ran.

“Ranzi, sister Ling Sa is coming over!”

Wang Yifeng suddenly said, Lin Ran is looking at the front how many people are left, heard the words turned over.

When he saw Xu Qingfeng in front of Ling Sa with an unpleasant face, not only did he frown slightly, he felt a little uncomfortable.

“Kid! You and Ling Sa know each other!”

Xu Qingfeng looked at Lin Ran and questioned in a cold voice.

“You’re questioning me?”

Lin Ran was irritated by the other party’s tone of questioning, to the second level topped back.

“Yes! I am questioning you, answer my question!”

Xu Qingfeng said in a cold voice.

“Not interested!”

Lin Ran returned indifferently, followed by turning his head to look at Ling Sa.

“Long time no see, beautiful again!”

“Which Where!”

Ling Sa sniffed and could not help but blush, very shy, only this shy eyes are in the obvious happy color.

“Bastard!”

Xu Qingfeng looked at the eyes of anger, his favorite woman, actually made this kind of shy expression to other men, this makes him no matter how can not accept, not to mention he is afraid that if any man, can not accept.

“What a bastard! After the examination, go to the second round, what’s the trouble here, soon it’s our turn, I don’t want to bullshit with you, hurry up and leave!”

Lin Ran said in no good mood.

“Let me leave? What are you!”

Xu Qingfeng sneered.

“Obviously you know Lin Ran, and you pretend not to know her in front of me, you are really sinister!”

“That’s not true, did you ask me if I know Ling Sa?”

Lin Ran said indifferently.

“You!”

Xu Qingfeng smiled, indeed, he had never asked Lin Ran at all, from the beginning to the end he only thought Lin Ran was a silly kid watching, how could he possibly ask Lin Ran such a question, in his opinion Lin Ran could not possibly know Ling Sa in his life.

“Besides, who Ling Sa likes or doesn’t like, you are their own business, what does it have to do with you, and also big words, will like you in the future, on what basis? On the basis of this pussy face?”

Lin Ran said indifferently.

Wang Yifeng on the side smiled and laughed.

“Hey, Ranzi! You don’t know this, nowadays many girls like this kind of girly models, there’s no way!”

“Otherwise you think about it, fat master me this kind of tall and majestic, more and more no market, this is very wrong!”

“Come on, dead fatty, you are Mr. Mighty, but also tall and majestic!”

On the side, Ling Sa said without good grace.

“Ling Sa big sister, so long no see, as soon as we meet, dislike fat master, your conscience will not hurt?”

Wang Yifeng helplessly said.

“How about, so long not see you how fat again!”

Lingsha laughed.

Although the two people are at each other’s throats, but this atmosphere is obviously a happy and harmonious, which makes Xu Qingfeng angry hands clenched, joints are clicked.

“Lindsay, your eyes are really low, even this kind of person can look at!”

Xu Qingfeng said with a face full of disdain.

“My business has nothing to do with you!”

Ling Sa directly disliked back.

Lin Ran looked like he wanted to laugh, waved his hand and said blandly.

“Well, it’s about to be our turn, if you’re okay then go, I don’t have time to gossip with you here!”

Lin Ran looked at Xu Qingfeng and said, then looked at Ling Sa and laughed.

“Honey, are you going to wait for me?”

“Yeah!”

Ling Sa replied without even thinking about it, but after she finished speaking, she felt something was wrong, her pretty face immediately turned red and she said in shame.

“Yuck! Who’s your darling, flesh is dead!”

“Big sister, this is not meat and potatoes, our family Ranzi very romantic, later you will know!”

Wang Yifeng laughed.

Xu Qingfeng trend more angry, both eyes are vaguely revealing a killing intent.

“Asshole! Also examination, just your strength up there is also insulted, or let me invite you out!”

Xu Qingfeng couldn’t bear it anymore, he immediately took a step forward and slapped Lin Ran’s chest with a flip of his palm.

His strength was extraordinary, and this palm slap came out with a vague force, obviously invoking his true qi.

“Holy shit!”

Wang Yifeng saw this instantly face also sank, the current step into a slap collided with Xu Qingfeng.

His strength is similar to Xu Qingfeng, but this guy is wide and fat, before something ghost hunting origin, strength and agility are definitely much better than Xu Qingfeng such sectarian origin.

“Bang!”

A muffled sound, the two collided palms immediately separated, Wang Yifeng also could not help but take two steps back, but in Xu Qingfeng is a full six or seven steps back, the strength of which was immediately exposed.

“How is this possible!”

Xu Qingfeng’s face sank in disbelief at the scene in front of him, this palm he was actually suppressed by this dead fatty, this is not even Lin Ran ah, if he faced Lin Ran, then the result would not have to be even more ugly.

“Impossible! This dead fatty should be the strongest of them all!”

Xu Qingfeng reassured himself, no matter what he didn’t believe that Lin Ran’s strength would be stronger than his own.

“Xu Qingfeng have you made enough noise!”

Ling Sa's face sank and she was busy scolding.

"Ling Sa, I!"

Xu Qingfeng still wanted to explain, but Lin Ran's side was already speaking.

"It's going to be our turn, wait for me!"

"Mm!"

Ling Sa smiled and nodded her head.

On the side, Xu Qingfeng was looking at his teeth.

"Lindsay, wake up, he's not good enough for you!"

"He doesn't deserve me, you can?"

Ling Sa looked at Xu Qingfeng and laughed.

"Who is my Ling Sa's man, it's not your turn to choose for me!"

"You wake up, he is who I have never heard of, let alone what power, you follow me to the time we Qingfeng faction and your Meihua faction that is a marriage, strong union do you understand? What help can you get from him!"

Xu Qingfeng said disdainfully, as the leading figure in the Qingfeng School, he asked himself that he was definitely stronger than Lin Ran, but Ling Sa preferred this bastard.

"Power?"

Ling Sa laughed at his words.

"In my opinion, he alone is a force, a force that definitely does not belong to your Qingfeng Sect!"

"You!"

Xu Qingfeng smiled dumbly, holding anger in his heart but there was nowhere to vent it.

And at that moment, the queue also finally arrived in front of Lin Ran and the others, and the first one on the stage was not Wang Yifeng, much less Lin Ran, but Wang Mao.

"Bang!"

Wang Mao slapped on the transparent stone, but what followed that everyone didn't expect was that the color of the stone actually emerged just a hint of green when this slap was slapped on it, and then dissipated.

"Ah? Haha just this strength? And is a power by itself? Lindsay, are you kidding?"

Xu Qingfeng immediately laughed, just now Wang Yifeng gave him pressure is not small, but at this time a look at the real own guess right, this group of people are afraid that only Wang Yifeng some strength, as for the rest of the people press is miscellaneous.

"Lindsay, see? This is the man you chose, what garbage things around here!"

Xu Qingfeng sneered, his face full of complacency.
