

Wonder Doctor

Chapter 761

“No need for you to care!”

Ling Sa face also some hang can not main, that person is obviously and Lin Ran came together, but this strength is indeed a little too much difference.

“Boss!”

Wang Mao some embarrassment said, so low detection strength he also did not expect.

“Do not forget the heart, this is normal!”

Lin Ran laughed lightly, actually did not take it to heart at all.

“Boss! You!”

Wang Mao was a little surprised, thought Lin Ran was deliberately relieving him!

But following what happened in the next scene, only then did he completely understand that Lin Ran did not mean to console him.

“Bang!”

With a muffled sound, Ah Zhan in front of him also landed a palm, but the same result was actually similar to him as well, also a green color.

“What’s going on here?”

On the side, Leng Zhan frowned and asked.

“This stone detection mechanism, is so many years to form, feng shui potential is certainly the most appropriate feng shui, and martial arts practitioners also more or less know some feng shui techniques, as long as the strength of the pass very easy to pass this test!”

“But you guys are different, you only know martial arts, feng shui is just beginning to learn, so it is normal to fail this test!”

Lin Ran explained, while looking at Leng Zhan.

“Alright, it’s your turn!”

“Good!”

Without hesitation, Leng Xie nodded his head and walked over towards the transparent stone.

“Bang!”

A muffled sound, soon the transparent stone turned green, but just when the crowd thought it was still just green this time, the color changed violently, it actually turned purple.

And this purple is still climbing rapidly, it looks like it will appear red.

But time passed, the purple never turned into red, can not help but let people regret.

“Just one step away, Brother Chop is just one step away!”

Wang Mao and Ah Zhan both couldn't help but reveal a look of pity.

But it can't be helped, not passing is not passing.

“Boss!”

Leng Chop's face was not too good when he came back.

“Don't worry! This is not necessarily not a good thing!”

Lin Ran smiled and didn't say much, nodded at Wang Yifeng, who also walked out.

Next to him, Xu Qingfeng was already laughing, just about shouting out loud what garbage this was.

Three people in a row did not pass, the best is only purple, this is simply garbage to him.

“Lindsay, this is the man you fancy? Bringing a bunch of trash to the selection? It's like laughing at me to death!”

Xu Qingfeng laughed.

Ling Sa gave him a blank look and said in a cold voice.

“Speaking as if there is no trash in your Qingfeng Sect, how come you are the only one who came with so many people in your sect?”

“You!”

Xu Qingfeng was immediately rendered speechless by the words.

“Don't be complacent either, it will be Lin Ran soon!”

Ling Sa said blandly.

“To him? I think he's a piece of trash too, maybe not even green!”

Xu Qingfeng said disdainfully.

Just as his words fell, a muffled bang sounded in front of him, followed by a red light rushing up to the sky, red conspicuous, people staggering.

“This

Xu Qingfeng looked immediately stunned, this strength is definitely above him, he is confident that if he exerted his full strength, at most, this is so, but this red light definitely will not have such a high light.

“This dead fatty strength can really ah!”

Xu Qingfeng clenched his fists, and a hint of jealousy could not help but come out of his eyes.

“See? Why don't you continue to be complacent!”

Ling Sa glanced at Xu Qingfeng and smiled smugly.

“Humph! That’s dead fatty’s not Lin Ran’s, what do you have to be proud of!”

Xu Qingfeng sneered, although Wang Yifeng’s strength surprised him, but Lin Ran was definitely not that high, he firmly believed in his own thoughts.

“Really?”

At this moment, Lin Ran was slowly walking towards the transparent stone.

“Nonsense! If you don’t do this, who will be responsible in case your true qi of the medical dao is exposed!”

In his mind, Pillow Book solemnly said.

“Hey, okay, I was going to keep a low profile!”

Lin Ran was helpless.

“Low-key you head, such occasions are not open, you still want to hold back until when, go kid, this time the competition for treasure will be ten thousand treasures spell formation, is the beginning of your rise!”

Pillow Book expectantly said, as if through space and time to see a scene of the rise of the Immortal Emperor back then.

“If it is really my world how good, this kid definitely has the qualifications of the Immortal Emperor back then, coupled with the support of Master Book me, can definitely achieve the position of Immortal Emperor!”

Pillow Book thought in his mind.

“Finally, it’s his turn!”

On the side, Xu Qingfeng looked at Lin Ran, his fists unconsciously clenched, whether he is strong or Lin Ran is strong, is very about to see.

“Let’s start!”

Lin Ran let out a long sigh, followed by extending his palm and gently placed it on the stone.

That’s right, gently!

“What is this kid up to? Gently placing it on?”

“Yeah, how else can this be tested!”

“I’m afraid this kid doesn’t have much energy, he’s just going to go through the motions!”

The crowd of spectators could not help but discuss.

And Xu Qingfeng’s tense face has begun to appear a smile.

The palm of his hand has been up for so long, there is no movement at all, apparently it will not even change color.

“Lin Ran!”

Lin Ran couldn't help but clench her fists as she watched, her heart a little anxious.

Although she obtained a place, but also to bring the plum blossom faction people in, but now

“No matter, if he doesn't pass, I must take him in!”

Lingsha thought in her heart, and even for that she was prepared for the risk of being blamed by Granny Meihua.

“Huh? Haha! That's it? The stone didn't even change color, simply laughing my ass off!”

Xu Qingfeng already couldn't help but eliminate his voice, and even to relieve his hatred his voice was deliberately amplified a lot, causing everyone around to hear and turn their heads to look at him.

“Ranzi!”

Wang Yi life is also looking frown, Lin Ran's strength he knows very well, but now

“Ling Sa, this is the man you chose? Haha, simply laugh me to death”

Xu Qingfeng looked at Ling Sa smugly, the words have not finished, the front is suddenly a “click” of a crisp sound, clear as day.

“Shattered!”

Ling Sa look at the eyes of the light, eyes with excitement.

“What broke, you do not see his stone did not change color?”

Xu Qingfeng didn't react and still laughed.

But the words just finished, he froze, he seemed to hear what shattered.

“Shattered?”

Xu Qingfeng's heart thumped and hurriedly turned his head to look.

The next moment he froze.

Only to see Lin Ran's palm slowly lift up from the stone, and the stone below “clicked”, suddenly split into pieces and shattered with a loud bang.

“Shattered Shattered!”

The onlookers also looked jaw-dropping, and even many people unconsciously turned their heads to look at Xu Qingfeng, as if this is the guy just taunted people did not even change color.

It's true that people didn't change their colors, but they smashed the stone with a slap.

Yes! Just touch the broken, people did not force, just palm on it, the stone shattered.

“How is this possible! The color did not change, how can it be broken!”

Xu Qingfeng eyes are full of shock, the heart only feel cold.

And at this time, the heart of shock is far from just him, not far from the red-robed youth, hidden under the red robe of the eyes can not help but slightly narrowed, as if in thought.

And hid in a crowd of Yue Feng, also look at the double fist clenched, in his side also stood a full-body black robe of people, black robe under a pair of eyes with a killing intent.

“How long has it been, this kid’s strength is so strong? Really can’t stay ah!”

Chapter 762

People have different minds, for these Lin Ran is naturally not clear, even he did not even notice that Li Sheng was also in the crowd, just did not come over to say hello to him.

“Young master!”

Butler Li looked at Li Sheng and seemed puzzled as to why he didn’t go to greet Lin Ran.

“Let’s go, we’ll be together for the second one later!”

Li Sheng laughed, he didn’t force it.

“Ranzi, it’s true that I still understand you, Master Fatty!”

Seeing Lin Ran come over, Wang Yifeng couldn’t help but go up and pat him, and the three people on the side, Leng Zhan, were also very happy.

To know that since they arrived here, Lin Ran was the fourth to break the stone, this achievement alone was enough to make them proud.

“Let’s go, we have a second test!”

Lin Ran laughed, and the crowd nodded at his words.

Although the three of them, Leng Zhan Wang Mao, had failed the first round, it didn’t affect them from visiting.

“Lin Ran!”

Lin Ran also ran over with a smile, but it was without seeing Xu Qingfeng.

“Let’s go!”

Lin Ran also didn’t even ask, and with a greeting, he led the crowd towards the next venue.

“Humph!”

The first person who ignored him like this was the first person of the Qingfeng Sect, who was later killed by him personally.

“Humiliate me like this, and also strong my fancy woman, Lin Ran you wait for me!”

Xu Qingfeng's face was as gloomy as water, and with a flip of his sleeve he instantly followed up with quick steps.

"You have to be careful of that Xu Qingfeng, although he is also considered decent, but his heart is very small, especially because"

While walking, Ling Sa while reminding.

"Don't worry, the man you're looking at is not that bad!"

Lin Ran laughed.

"Bah! How shameless, who looks at you!"

Ling Sa's pretty face was slightly red with shame and indignation.

"What's the point of blushing if you don't fancy me?"

Lin Ran laughed, although Ling Sa had a straightforward personality, she seemed to be no different from a fluttering girl on this issue.

"Nah, it's for you!"

Lin Ran took out the jade pendant he had prepared very early from his pocket and dropped it straight over.

"What is this?"

Lin Ran looked at the flame shaped jade pendant and couldn't help but be a little surprised, what is this? A gift for yourself?

"A gift for you, of course you can also take it as a token of affection!"

Lin Ran laughed.

"I pooh! Sending a piece of broken jade pendant is a token of love? Why don't you buckle to death!"

Lin Ran was not good-natured, but in her heart she was very happy, that's all she said, cultivators like her never lacked money, and even less valued it too much.

"You don't understand, this has something added to it, feel it with your heart!"

Lin Ran smiled smugly.

"Ao?"

Lin Lin smiled a stunned, busy holding the jade pendant feel with heart, followed by she felt her excited mood sink fiercely, suddenly the whole person's impetuous mood suddenly empty bright a lot, as if this jade pendant can make their mood relaxed quiet, very angry.

"This jade pendant!"

Lingsha couldn't help but look at Lin Ran curiously.

"Inside this is the Earth Cold Marrow, which helps your cultivation!"

Lin Ran laughed.

“Earth Cold Marrow?”

Ling Sa was stunned at his words, and followed by busy hanging the jade pendant in his neck.

“It’s hard to get this stuff, our sect has an Earth Cold Stone, but it’s usually not used at all!”

Ling Sa envied.

“It’s good that you like it, with it you don’t have to fight for the Earth Cold Stone in the future!”

Lin Ran laughed, he did not say that he actually has a ground cold stone, but he still have to use, of course, if Lin Sa really asked for, he will not be stingy, after all, this thing for Lin Ran is kind of all foreign things, he still believe in himself he down-to-earth cultivation to the most important.

“Hey! Have you just nervous, have not jealous ah!”

Lin Ran asked with a smile.

“Nervous? Jealous? Jealous of who? Nervous about who?”

Lin Ran said in mock bewilderment.

“Cut it out, you know who I’m talking about!”

Lin Lin gave Lin Ran a white glance, while glancing at Xu Qingfeng who was following not far behind, the meaning was obvious.

“Him?”

Lin Ran glanced at his eyes and couldn’t help but laugh.

“What’s there to be jealous of, he can’t snatch it away, it’s just more helpless!”

“Helpless? Helpless what?”

Lindsay wondered, and this guy speaks very fart, what do you mean he can not take away, as if they have to cling to you with a deadly white face.

“I have no choice but to start the treasure competition, there is an enemy ah!”

Lin Ran shook his head and said.

“What do you mean, blame me?”

Lin Lin looked at Lin Ran and said.

“That’s not true, it just proves the saying, since the ancient red-headed scourge!”

Lin Ran laughed.

“You!”

Lindsay was so angry that she clenched her silver teeth, but Lin Ran continued to laugh.

“I’m not done yet, I just like the scourge!”

“You

Ling Sa listened to this, her pretty face suddenly blushed and she said shyly.

“Shame on you!”

“Yes! Shameless!”

On the side, Wang Yifeng also busy echoed, while Leng Zhan three people laughed and did not speak.

“Uh You guys eavesdropping is very rude!”

Lin Ran was a little embarrassed, he had forgotten about these four people.

“Rude? You kid every day spreading dog food is polite, if not fat master we are used to eating, I have to beat you up!”

Wang Yifeng said in a good mood.

This guy’s a few words to say is also a little embarrassed Ling Sa, hurriedly diverted the topic said.

“By the way, the three of them are?”

“Ao, they’re my friends!”

Lin Ran smiled and introduced Leng Zhan three people to Ling Sa.

“So, ah, by the way do you guys know what will be tested in the next match of this competition for treasures?”

Ling Sa asked.

Lin Ran’s crowd was stunned at the words, they really didn’t know.

Seeing the crowd shake their heads, Ling Sa was also helpless.

“It’s almost time to get to the place, and you guys actually still don’t know what the test is, really!”

Ling Sa had no choice but to introduce it.

“This competition for treasure will be divided into three stages, the first stage you have already passed, and this second stage will also brush down a large number of people, because this second stage test is eye power!”

“Eyesight?”

Lin Ran and the others were stunned at the words, not understanding what this meant.

“It’s simple, you’re given an object, you have to say what it is, what it does, and so on! This is for future entry into the Ten Thousand Treasures Spell Formation, and if you don’t recognize a good thing when it’s placed in front of you, it’s for nothing!”

Lin Lin said.

Lin Ran and other people smiled suddenly awakened, this kind of test Lin Ran naturally nothing wrong, the key is Wang Yi life.

“Ranzi, how can this be done!”

Wang Yifeng was also in a difficult position.

“How to fix it! How do I know what to do, usually let you read more, more study, just do not listen, but must go to Xiao Cui, Xiao Cui body is gold ah, or Yan Ru Yu ah!”

Lin Ran did not have a good temper said.

Lin Ran looked at the side helpless, from the arms of a booklet, threw to Wang Yi life.

“Grab a look, there are some exotic treasures that appeared in the past on it, maybe you’ll be lucky enough to come across them!”

“Shit! If you have this stuff, don’t take it out earlier!”

Wang Yifeng picked up the booklet and opened it to read up, whether it is in the end or not, first look at the heart also have some confidence, in case good luck really came across it!

The crowd walked and talked all the way, and soon came to an open square, and at this time there are obviously fewer people here.

“Brother Lin Ran!”

The crowd just stood still, a voice came over, Lin Ran turned his head to look, found it was Li Sheng.

Chapter 763

“Brother Li Sheng!”

Seeing Li Sheng, Lin Ran immediately walked over, last time he said he would come to attend, he just didn’t expect to run into each other here.

“Congratulations!”

Li Sheng clasped his fist at Lin Ran and smiled.

“Brother Li Sheng too!”

Lin Ran returned.

“Haha, brother Lin Ran, this second examination will start soon!”

Li Sheng laughed.

“Good!”

Lin Ran nodded and then introduced Leng Zhan and the others to Lisheng for a while.

When he learned that Leng Zhan and the others were ex-soldiers, Li Sheng was also clearly stunned, and admiration unconsciously showed in his eyes.

“Lin Ran brother is really good people, there is an ungrateful request I do not know if I can say!”

Li Sheng laughed and said.

“But it’s okay to say!”

Lin Ran laughed.

“If I am lucky enough to obtain the qualification, can you lend me one person?”

Li Sheng laughed and said.

“Lend someone?”

Lin Ran was stunned to hear this.

“Brother Li Sheng is joking, for such a precious quota of the Ten Thousand Treasures Spell Formation, you still need to ask me to borrow someone?”

“I’m serious!”

Li Sheng said solemnly.

“I don’t have many people around me that I can trust, if I didn’t have no choice, I wouldn’t have opened this mouth, and if I’m right, you should only have two slots at most, so why not lend me one person, it’s the best of both worlds!”

“Yes!”

Lin Ran agreed after a little contemplation, indeed, even if he and Wang Yifeng both obtained the qualification, they could only bring two people, and after all, Ling Sa came from a sect, I’m afraid this matter had been discussed long ago, now since Li Sheng took the initiative to mention it, it was a very good solution.

“Many thanks!”

Li Sheng said with a smile.

“Brother Li Sheng is very kind!”

Lin Ran arched his hand, Li Sheng has not helped himself a lot, and this time in the end is also the result he wants, naturally there is no hesitation.

“Gentlemen, those who have passed the first round of examination, come up to the stage quickly!”

As the two were talking, a thick voice rang out.

The crowd looked up and saw that a middle-aged man had appeared in the large square in front of them at some point, and he had a sturdy figure with a strong air, and there was no amplification device in his hand, but his voice still reached everyone’s ears clearly.

“Let’s go! It’s starting!”

Li Sheng laughed, while taking the lead towards the front.

“Fatty, let’s go!”

Lin Ran greeted.

“Hold your horses, let me take a look at it!”

Wang Yifeng said busily.

“What are you doing early!”

Lin Ran did not have a good temper, looked ahead of the crowd there are still a lot, but can still drag on half a minute.

“You hurry up!”

Lin Ran urged.

“Got it!”

Wang Yifeng busy back, but his eyes are not leaving the booklet for a moment.

“I’ll go up first and help you guys grab a seat!”

Lin Ran said, followed and ran up first.

That’s right is to grab a seat, in the square there are a lot of stone tables, these stone tables are very old in color, obviously is placed here all year round.

And at this time the people who went up, hand a stone table, it seems that later to test the eyesight of things will appear on the stone table.

“Kid!”

Suddenly, a voice that hated disharmony came over.

Lin Ran did not need to look to know who it was.

“Something wrong?”

Lin Ran looked ahead indifferently, not even bothering to look at Xu Qingfeng.

“A trash like you is not worthy of Lin Ran, later I will let you know that you are a piece of shit in my eyes!”

Xu Qingfeng said angrily, the anger between his words towards Lin Ran had clearly reached its peak.

“O? I seem to remember that just now you were the one with the light red exam results, so it seems like you are even worse than a piece of shit!”

Lin Ran laughed lightly, easily disliking Xu Qingfeng’s mockery and even scolding him along with it.

“Humph! Sharp teeth, do you really think that Laozi’s strength is that much?”

Xu Qingfeng coldly snorted.

“Could I have been wrong?”

Lin Ran laughed.

“Ignorant little child, watch out later, old me will make you lose miserably!”

Xu Qingfeng was too lazy to be talking nonsense, dropped a fierce sentence, and immediately rushed up towards the stage.

At this time, there are few people in front of the stage, Lin Ran also understood that we can not wait any longer, a snatch of Wang Yifeng’s hand booklet thrown to the side of the cold chop, followed by pulling him up and ran towards the stage.

Luckily, the two of them rushed onto the stage at the last minute and found Lin Ran very smoothly.

“Okay! This test begins in ten minutes! Ten minutes to tell the accurate situation of the items through, directly your answers, I will personally firm! More than ten minutes, the assessment fails!”

The middle-aged man chided aloud.

The crowd nodded their heads at the words.

“Rumble.”

Following that, a deafening sound rang out, and the stone table in front of everyone’s eyes instantly changed.

A rectangular thin line quickly appeared on the stone table, the thin line quickly separated the stone table, a rectangular groove quickly sunken, followed by a very elaborate wooden box appeared in front of the crowd.

“The wooden box is not allowed to be damaged, and those who damage it are directly eliminated from the competition!”

The middle-aged man said aloud.

But his words just fell, not far away came a “bang” a sound, indeed, someone soon in response to the wooden box to smash.

“No, you said too slow!”

The man said with a bitter face.

However, the middle-aged man did not explain at all, a wave of his hand immediately someone came forward to blast that person down.

The middle-aged man swept his gaze over the others present and said aloud.

“No patience at all, this kind of person is dead even if he enters the Ten Thousand Treasures Spell Formation, for the safety of your little lives, it is better not to participate!”

The crowd was stunned to hear this, but no one dared to refute, refutation would mean being disqualified, it was better to endure at this point than to be blown down.

Quiet lasted for a moment, no one dared to move, the middle-aged man looked satisfied nodded his head, and then only aloud.

“The examination begins!”

The voice fell, the crowd in unison picked up the wooden box opened, a time the entire square is the sound of the wooden box was opened.

“Mullein grass, treating injured meridians and broken bones, worth about 30,000 yuan, long produced in Fengling Town!”

In just under five seconds, someone had already spoken up.

Some other people hadn't even opened the wooden box yet, but someone over here had already taken the lead in giving the answer.

“Holy shit, this kid is open!”

Wang Yifeng looked over and found that it was actually Xu Qingfeng, and could not help but curse.

“In talking nonsense directly disqualified!”

The middle-aged man looked in the direction where Wang Yifeng was and chided aloud.

Wang Yifeng was so scared that he hastily covered his mouth.

The middle-aged man then only looked towards the location where Xu Qingfeng was and said aloud.

“Correct! Pass!”

Xu Qingfeng smiled smugly and turned to look at Lin Ran with disdain in his eyes, as if to say aren't you a bully, why aren't you tugging now.

Lin Ran laughed and shook his head, before he opened his wooden box.

Inside is a stone, Lin Ran picked up a look, and immediately froze.

This stone is simply a very ordinary pebble, there are many in the small river ditch, Lin Ran has not seen much before!

“Ginseng, nourish Yin and Yang, this one is worth around 10,000!”

“Rootless water, medicinal guide, its value should be at three thousand!”

“Plutonic stone

At this point, there are already people who are saying the answers one after another.

The scene seems a bit noisy, but it is such a noisy environment, the middle-aged man is not disturbed at all.

Just see him quickly pointed to a person and said.

“Pass!”

Then pointed to another person.

“Wrong answer, fail!”

“Pass!”

He was like a machine that could accurately separate out whether the answer given by each person was correct or not.

Chapter 764

The time passed, Wang Yifeng always did not dare to open his wooden box, although the previous has temporarily read the booklet, but this really came to the test, he is incomparably nervous.

Lindsay took her things and looked around, saw Lin Ran gaze calm, understand that he must be no problem, but when he saw Wang Yifeng, suddenly helpless.

The key is that now can not speak, looking at the time has passed five minutes, Lindsay had no choice but to speak first to say their answer.

“Living wood, peculiar efficacy, wide role, the value is not good to say explicitly, but its value is generally not expensive!”

“Pass!”

Just as her words fell, the middle-aged man’s voice rang out.

“Shit!”

Seeing that Ling Sa had actually passed as well, Wang Yifeng was instantly more anxious.

Ling Sa glanced at Wang Yifei, as if to say, “You’re really a wimp, at least open the box too!”

Lin Ran still holding the pebble, did not open his mouth to speak.

Wang Yifeng looked at him and knew that he was waiting for himself, but he was now

“Damn it! When has the fat master ever been such a wimp, fight!”

Finally, looking at the time has less than three minutes, Wang Yifeng gritted his teeth and opened the box, immediately a yellow talisman seal appeared in front of his eyes.

“Shit!”

Seeing the talisman, Wang Yifeng couldn’t help but burst out foul, picking up the talisman and shouting at the front.

“Ghost Suppression Talisman, it can suppress the evil spirits!”

“Pass!”

The middle-aged man didn’t even look at Wang Yifeng, just pointed at him and shouted.

“Pass, fat master I passed!”

At this moment, Wang Yifei excited almost did not lift the table, this is simply a good fucking luck to home.

He came from a ghost hunting background and ended up with a ghost hunting talisman, which simply deserved him to pass.

“Pebbles, very ordinary, no value!”

Wang Yifei just finished speaking on his side, Lin Ran then also spoke.

“Pass!”

Without surprise, the middle-aged man pointed at Lin Ran and announced the result.

“Ranzi! I passed!”

The two of them stepped down from the stage together, Wang Yifeng still immersed in excitement unable to speak.

“Come on, just got lucky!”

Lin Ran didn't have the good grace to say that Wang Yifeng was able to touch the thing he was most familiar with, which was something he really didn't expect.

“Haha! This is called Heaven blessing Fat Master, destined to make Fat Master me rich this time when I go to the Ten Thousand Treasures Spell Formation!”

Wang Yifeng laughed in triumph.

“Come on fatty, now you're happy, just now you're as weak as a straw bag!”

Ling Sa also rushed over and laughed, all three passed the test, she was naturally very happy.

“Then you are not right, fat master I am confident, know for sure can pass, that is why delayed to open the wooden box!”

Wang Yifeng slyly argued.

Lin Ran did not bother to pay attention to him, turned his head to look at the stage, his eyes searched around, and never found Li Sheng.

“Is it looking for me?”

Suddenly, a voice came from the side, turning his head to look, it was none other than Prince Li Sheng.

“Congratulations!”

Lin Ran laughed, if he didn't see it on the stage, it meant that Li Sheng had passed.

“Same happiness!”

Li Sheng laughed, and then issued an invitation.

“Let's go to the third examination location first, and talk on the way!”

“Good!”

Lin Ran nodded, and immediately greeted the crowd and set off.

But this just did not go out two steps, a figure is blocked in front of the crowd, it is Xu Qingfeng.

“Xu Qingfeng what are you doing!”

Lindsay’s face sank, cold voice questioned.

“No reason, looking for Lin Ran to talk!”

Xu Qingfeng’s expression was bland as he looked at Lin Ran and the others and smiled.

“If I read it correctly just now, you three males, were the five hundred and thirtieth, seven hundred and twentieth, and seven hundred and twenty-second to answer the question out!”

“How?”

Lin Ran smiled at his words.

“Do you know how many I am?”

Xu Qingfeng laughed.

“If you guys aren’t blind, I’m the first!”

Xu Qingfeng’s face was filled with a smug look.

“What? The first is very dragging ah, believe it or not fat master I give you a punch!”

Wang Yifeng said unhappily, if he had known that the box was a ghost suppression talisman, he would have opened it, in the end, this test is not his strong point.

“No self-respect!”

Xu Qingfeng was full of disdain and turned to look at Lin Ran.

“I said I’d show you that you’re trash, and now I’ve proven it! I’m the first, and you’re trash!”

Xu Qingfeng’s face was filled with smugness.

Lin Ran smiled at his words, but he laughed.

“Yes, you were the first, and if I counted correctly, it was almost five seconds from the start until you said your answer!”

“Haha, you even calculated this, nice trash is trash, nothing to count this!”

Xu Qingfeng laughed.

“No, I’m not interested in counting, it’s just that this time of yours is peculiar!”

Lin Ran laughed.

“There is a saying, five seconds is really manly, what, you are fast! You’re proud, huh?”

“Huh? Haha!”

Wang Yifeng laughed at that.

“Five seconds real man, holy shit! You’re proud of yourself!”

Wang Yifeng also echoed.

On the side, the three Leng Zhan also laughed out, and even Li Sheng, who was usually not a smiling person, laughed.

Ling Sa even covered her mouth and gave Lin Ran a white look.

“What are you talking about, there are girls here!”

Looking at this shy look of Ling Sa, Lin Ran also laughed.

“Sorry, forgot! Haha!”

“You guys!”

Xu Qingfeng was furious, he had wanted to overpower Lin Ran in the second round of the test and make Ling Sa see the gap between them clearly, but now the latter seemed to be completely unconcerned as if he didn’t care.

“Ling Sa, I’m the first one!”

Xu Qingfeng said busily.

“So what?”

Ling Sa had a face that didn’t care.

“Lin Ran is just waiting for this dead fatty, otherwise do you think you would be the first?”

“You!”

Xu Qingfeng was so angry that he was speechless.

“You don’t have to waste your breath, I said it! I have no possibility with you, the person I like is him!”

Ling Sa didn’t shy away from pointing at Lin Ran in public and said.

“But he’s a piece of trash!”

Xu Qingfeng was furious.

“What he is doesn’t need you to tell him what to do here!”

Lin Ran was also furious.

“Who the hell are you calling trash? You’ve got itchy skin!”

Wang Yifeng was instantly fired up, rolling up his arms and sleeves to make a move, but fortunately he was stopped by Lin Ran.

“Fatty, forget it!”

“But Ranzi, he called you trash!”

Wang Yifeng was not convinced.

“Is it trash, just know yourself, why care about other people’s opinion, does the dog bite you, you still want to bite back?”

Lin Ran said indifferently.

“Also, how disgusting to bite a mouthful of dog hair!”

Wang Yifeng said with relief.

“Who are you calling a dog!”

Xu Qingfeng’s face was icy cold as he looked at Lin Ran.

“Did I scold you? So anxious to admit it?”

Lin Ran said indifferently, while his gaze became icy cold.

There were seven people on this side, while Xu Qingfeng only had one. Although there were also people from his sect outside, at least now he was at an absolute disadvantage.

“Good! Good boy, you fucking wait for me! There’s a third round, I’ll show you what trash means! In the third round, I will let you clearly see the difference between you and me!”

Xu Qingfeng said angrily.

“Is that so? Then I’ll wait!”

Lin Ran smiled lightly and turned his head away from him.

“Let’s go, after the examination later, I’ll treat you at lunch!”

Lin Ran greeted with a smile.

“Holy shit! Then hurry up!”

As soon as he heard there was something delicious to eat, Wang Yifeng immediately came to life and hurriedly urged.

A group of people immediately rushed towards the last location of the examination.

Chapter 765

This third and most important one is also the Treasure Competition examination.

If the first two are to screen out some people with weaker strength or eyesight, then this last one is the real fight, not only will a large number of people be eliminated, but even the most crucial top three will be determined.

And these top three will then be able to get the Feng family’s token and a treasure.

“Lin Ran!”

Suddenly, Li Sheng on the side spoke up.

“What’s wrong?”

Lin Ran asked in confusion.

“This third contest, as long as you enter the first hundred to get qualified, can not compete or do not earn the first three good!”

Li Sheng said.

“This is why? Is that wind family’s token and gift is very poor?”

Lin Ran wondered.

“That’s not true, the gifts given by the wind family are very good, but for your own safety, I advise you not to compete for the top three!”

Li Sheng said solemnly.

“This is what my father and I said, if you enter the top three, it will be very troublesome after you enter the Ten Thousand Treasures Spell Formation!”

“Thanks to Brother Li Sheng for reminding me, I know!”

Lin Ran nodded his head.

Li Sheng said so, obviously because the top three will be the case, it seems that this Feng family’s treasures are not so good to get, this hot potato who gets, I’m afraid that after entering the Ten Thousand Treasures Spell Formation, it will become a target, I’m afraid that’s why many people are not willing to get their hands on it.

“Kid, don’t listen to his nonsense, what’s wrong with being targeted by others? If you don’t even have the confidence to face a strong enemy, how can you get stronger? Since ancient times, opportunities are accompanied by risks, this point of risk do not want to take, then you should go home and forget about it, what is the point of cultivation”!

The pillow book disdainfully said.

Although the words are not good, but indeed it is such a reason.

“I know!”

Lin Ran nodded, his heart had already made up his mind.

Moreover, if what Li Sheng said was true, then many people would definitely withdraw early this time, and when the time came, it would be relatively easy for them to enter the top three if they really intended to.

.....

The location of the third test, also a huge square, but here the square ground is black, seems to be paved with black charcoal like floor tiles.

At this time there are not many people in front of the square, apparently the number of people who can go to this step has been much less, but as far as the eye can see there are still several hundred, and these people to the end can really stay, but only a hundred people.

“All here!”

Looking at many familiar figures in the crowd, Lin Ran was also very excited.

The red-robed youth was still standing in the crowd, motionless, like a statue, while Xu Qingfeng was standing not far from Lin then face, with an icy cold gaze, as if a poisonous snake ready to pounce out and bite, without saying a word.

Not far away, Yue Feng is also standing straight, in his side also stood a black-robed man, this person's breath is very obscure, Lin Ran never see through him in the end is a youth or an old man, but this person is to give Lin Ran a vague sense of threat.

The companions of the Companions Pavilion, standing not far from the crowd, the same face with confidence, as if the first hundred places have been determined to be his.

Many such people in the crowd, they are the young leaders of the major sects, all want to emerge in this treasure competition, Lin Ran also understood that this is not only a treasure competition, but also a stage for young people to compete, and can enter the first hundred, represents the endless possibilities for the future.

And being able to come out of the Ten Thousand Treasures Spell Formation alive is even more representative of this glorious achievement in the future.

“Okay! All the people have arrived, a total of six hundred and thirty-nine people, now for the last examination, this time the top one hundred, and the top three will be selected!”

A majestic voice rang out, and Lin Ran discovered with a start that the one who spoke was actually the burly man from the second examination.

“I don't need to say much about the rewards for the top three, so let's begin, everyone!”

The man shouted aloud, following which a futon appeared on the black stone platform, all of which were white and placed on the black stone platform, appearing extraordinarily clear and piercing.

“Go!”

I don't know who shouted, at once more than six hundred people vastly rushed up the stone platform, each one sat on the futon.

“Let's go too!”

Li Sheng greeted, and immediately was the first to rush towards the stone platform.

Lin Ran and Wang Yi ordered Ling Sa to look at each other, then also followed.

The stone platform is very large, more than six hundred people sitting on it still have a lot of spare futon. And with all the people on the stone platform, all of a sudden the bottom was looking much colder.

“Hmm?”

Suddenly, Lin Ran saw that the black-robed man was not even up.

“He’s Yue Feng’s attendant?”

Lin Ran’s heart was stunned, originally he thought that this person was also here to compete, but now it seemed that the other party seemed to be Yue Feng’s follower, probably someone that Yue Feng had found to prepare to bring into the Ten Thousand Treasures Spell Formation.

“Okay! The formation will begin in ten seconds, and the one who persists to the end will be the winner!”

With the middle-aged man’s simple words, followed by everyone’s nerves tightened up.

“Rumble!”

An earth-shattering sound rang out, and immediately everyone was surprised to see that the edge of the stone platform around the edge of a white light rushed up to the sky, and immediately converged to form a huge spell formation overhead.

“Formation into shape, this is a really powerful stroke!”

Lin Ran and others watched in awe.

Generally speaking, the formation is invisible and untouchable, but this formation power is also the weakest, may let the formation reveal the form, then the strength requirements are very high, the relative formation power is also very large.

And this assessment of the formation, the light even have a kind of solid feeling, see how strong the strength of the array.

“The last reminder, can not carry directly choose to give up, otherwise it will die!”

Outside the formation, the middle-aged man shouted aloud, while a big hand wave, the formation has begun to operate.

“Shit! What is this thing!”

Soon, a cursing sound came from inside the formation, and at the same time everyone clearly saw that at the top of the formation, there was a huge grinding wheel.

This grinding disk slowly rotated, actually covered the entire stone platform, none of the people below were spared, all within its enveloped area.

“Pressure! This pressure!”

Soon, someone said in amazement, while everyone clearly felt the pressure on themselves getting bigger and bigger as this grindstone continued to rotate and press down.

“Ranzi!”

Wang Yifeng was a little worried, not knowing what exactly this is considered.

“Don’t be nervous, the test is to resist the pressure, if you can’t carry it, you will lose!”

Lingsha was busy reminding.

“Shit! I’m about to burst!”

No sooner had her words fallen than a cursing sound came from the side, while the man gave up straight away, and a light lit up, and the man disappeared, reappearing already under the stone platform.

“Shit! This has just begun, someone has given up!”

Wang Yi ordered people to swallow spittle inadequately.

“More than six hundred people, the last to leave the first hundred, how can not hurry!”

Lin Ran said indifferently, the pressure of this life is not bad for him, and does not have any impact.

He swept his gaze around and found that the red-haired youth, Li Sheng, and Yue Feng Xu Qingfeng, as well as the compulsion, all seemed to be in good shape, and the impact was not great.

In addition, he also found that there were many people who had not come to prominence before, or whom he did not know, also appeared to be calm at this time.

“At this point, they’re all about to start exploding, they’re really hiding deep!”

Lin Ran laughed indifferently, followed by also closed his eyes no longer distracted.

Chapter 766

Lindsay also followed the eyes closed, meditation and concentration, but Wang Yi life this guy with a girl on the sedan chair first like, back and forth to see a non-stop, especially when you see some people open up to give up, but also smiling with pleasure.

Time passed, the big mill above the head has dropped a fifth of the height, but this is a fifth of the height, but in exchange for several voices of abandonment.

“Shit! I give up!”

“I’m not willing to give up!”

“I don’t want to die, I give up!”

“I’m going to explode, I give up too!”

A voice kept ringing out, and a figure was quickly transported out of the formation.

The formation does not automatically determine whether you can still resist or not, if you have to resist hard and do not give up even when the pressure reaches your limit, the result is likely to explode and die.

As time goes by, there are more and more people below the stone platform, while the stone platform is less and less, every minute will be reduced by at least sixty up.

And the more you get to the back, this number is still increasing, the first gritted teeth can still resist, but to the back of every second the pressure changes, is enough to crush a person's heart tolerance.

"Kid, can you still carry it?"

Lin Ran formation closed eyes to recuperate, suddenly a voice but from the ears, he opened his eyes to find it was not far away Xu Qingfeng, he looked at his own eyes with madness and provocation.

"Something wrong?"

Lin Ran asked indifferently.

"Nothing, I just want to see you disappear from my eyes later, of course, if you do not want to disappear, you can also choose to explode in place here!"

Xu Qingfeng sneered.

Seeing this, Lin Ran didn't bother to pay attention to him and directly closed his eyes.

Instead of wasting words with him here, he might as well adjust his state to resist the pressure.

"What? You're scared, you don't even dare to say a word? Is it that you can't carry it anymore?"

Xu Qingfeng sneered.

He was about to is provoke Lin Ran and mess up his mentality.

"You're very idle!"

Lin Ran opened his eyes once again and said blandly.

"Want to chat? Come on Fat Master, I'll keep you company!"

Wang Yifeng on the side also looked over, but his face obviously didn't look too good, and he seemed to be fighting to hold on.

"Damn fatty, better mind your own business first, look at your appearance, I'm afraid another minute will have to become an exploding suckling pig!"

Xu Qingfeng sneered.

At this time the mill has dropped two-fifths of its height, and the number of people has dropped from six hundred to four hundred, and at this time the number of people eliminated per minute is also more, obviously the results will soon appear.

"Oh, garbage! You also on the mouth site cheap, the real fight you can do it Sunzi?"

Wang Yifeng laughed, while glancing at the next Ling Sa.

"See, this chick is destined to be the fat master brother's daughter-in-law, you like, like a top, don't they old toad want to eat swan meat!"

“Damn fatty, what are you talking about!”

Lindsay smelled a pretty face, also could not help but open her eyes, only her situation is even worse, her face has begun to blush a little, apparently the pressure on her impact is not small.

“Damn fatty, if you can’t get into the Ten Thousand Treasures spell formation okay, if you get into the old me will cut your tongue!”

Xu Qingfeng looked at Wang Yifeng, eyes full of anger, Ling Sa is his soft spot, mention the latter his emotional hatred unconsciously angry.

“What’s wrong? Talk about your pain, fat master I am just stating the facts, how can not accept ah!”

Wang Yifeng laughed smugly.

At this point the number of people had dropped to three hundred, and the number of people on the stone platform was still decreasing.

“Lin Ran, I’m afraid I can’t make it!”

Suddenly, the nearby Lin Ran spoke up.

At this moment, her face was pale, her eyes were even a little red, and her whole body looked shaky, as if she was about to resist at any moment.

“Ling Sa quickly go out, I’ll take you into the Ten Thousand Treasures spell formation!”

On the side, Xu Qingfeng was busy shouting.

“Lin Ran, I!”

Ling Sa looked at Lin Ran, with reluctance in her eyes.

“Don’t move!”

Lin Ran’s face sank, while his entire body directly stood up from the spot.

“Holy shit! What is that kid doing!”

“How can he stand up! He’s crazy!”

“Holy crap, I couldn’t even hold on two minutes ago, and he can still stand up now!”

“What a pervert!”

A group of defeated people under the stone platform were talking about it.

And on the stone platform, a group of people even turned their heads to look at Lin Ran, how great the pressure was up here they knew in their hearts, but at this time Lin Ran this guy actually chose to stand up.

You know the pressure will only be more, and even a careless will be this huge pressure to the pressure of rushing out, then do not know where will hit, broken bones are light.

“What is that kid doing!”

Outside the needle method, the middle-aged man also looked frowning, before he did not pay too much attention to Lin Ran, but now his eyes fell on Lin Ran.

The number of people had been sharply reduced to two hundred by now, and the time for the last hundred people was already very close, but he actually stood up at this time.

“Lin Ran what are you doing!”

Lindsay looked with red eyes, her heart was very worried.

“Ranzi! You’re crazy!”

Wang Yifeng also looked dumbfounded.

On the contrary, it was Xu Qingfeng on the side whose eyes were glowing with excitement.

“Hurry! Get out quickly! Get out quickly! As long as he goes out, Ling Sa will be mine!”

Xu Qingfeng thought in his heart, if Lin Ran was also out, then only he could take Ling Sa into the Ten Thousand Treasures Spell Formation, and then the latter would not be his alone.

Lin Ran gritted his teeth and didn’t say a word, the tremendous pressure pressed his teeth to bite out blood, but he was still holding on.

At this time everyone’s eyes fell on him, but he actually did something that made everyone’s jaws drop.

He actually took a step towards Lindsay, followed by sitting on his butt again, but it was this step that had brought him to the side of Lindsay.

“Lin Ran!”

Ling Sa looked at Lin Ran, not knowing what he was up to.

“Don’t talk!”

Lin Ran, with his mouth full of blood, opened his mouth, and the Medical Dao True Qi in his body quickly flowed to stop the blood inside his mouth, while holding Ling Sa tightly in his arms.

“Weng!”

As soon as Lin Sha entered her arms, at once the true qi of the healing dao wrapped her up as well.

At the same time Lindsay then felt the pressure on her body suddenly lighten, apparently this part of the pressure was shared by Lin Ran.

“Lin Ran don’t!”

Ling Sa eyes have mist, looking at the face obviously more ugly Lin Ran, heart is very distressed.

“No matter, I can still carry it!”

Lin Ran gritted his teeth and said.

“Holy shit! What about the game brother, and still show love!”

On the side, Wang Yifeng couldn't help but say, but at this time he was also very bad, talking in a very small voice.

And at this time in the stage below, a group of people are looking dumbfounded.

"This What is this? Holy shit! Can it still be played like this?"

"Holy crap, how come I'm not a girl!"

"So jealous, I wish I had a boyfriend like this!"

"Damn, I'm a guy!"

"What's wrong with a guy? Is there a big eagle girl? A warm man for adoption!"

The crowd below is talking, while at this time on the stone platform, Xu Qingfeng is angry to the teeth, he looked at Lin Ran viciously, there is a good unconcealed killing intent in his eyes.

"Lin Ran! Bastard! Let her go!"

Xu Qingfeng gritted his teeth and shouted with all his strength.

767-768

Chapter 767

However, Lin Ran did not hear the same, holding Ling Sa closed eyes not to say a word.

Time passed by minute by minute, at this time there are only one hundred and fifty people left on the stage, as long as the last fifty people are eliminated, the qualifications of the top one hundred can be determined.

But this is the last fifty people, elimination up is exceptionally difficult, can boil to this step, strength are needless to say, in the face of increased pressure, these people are gritting their teeth to persist, a careless will be eliminated from the game.

And at this point, if eliminated, it would simply be too bad.

"Lin Ran, I'm dying, let me go out!"

Lindsay looked at Lin Ran, with both heartache and guilt in her heart.

Although Lin Ran shared away part of her pressure, but by now even the rest of those pressures are pressing her a little too much, on physical quality she is really much worse than the male.

"Lin Ran I I'm fast There is no way breathe!"

Lin Ran's eyes were slightly narrowed and her mouth was opening and closing, as if she would pass out at any moment.

"Bastard! Quickly let her out!"

Next to him, Xu Qingfeng looked with red eyes, in order to speak his cheeks were distorted by the enormous pressure.

“Shut up!”

Lin Ran glared at Xu Qingfeng with icy eyes, and turned to continue looking at Ling Sa.

Ling Sa’s state was getting worse and worse, and the breath at the tip of her nose was out more than it was in, so I was afraid that she would not be able to carry it at any moment.

“You are harming her!”

Xu Qingfeng said in an angry voice.

Lin Ran, however, was not paying attention to him, a trace of apology swept through his eyes, followed by the whole head pressed down, directly to Lin Sha’s mouth.

“I’m sorry, just a few seconds, you can hold on!”

Lin Ran whispered, followed by a kiss on Lindsay’s lips, a wave of medical true qi entered Lindsay’s body along her lips, causing her spirit to immediately shake.

“Hmm?”

Ling Sa opened her eyes and looked at Lin Ran in front of her, immediately her pretty face turned red, but she didn’t resist, she just looked on, with a happy light shining in her eyes.

“Bastard!”

From afar, Xu Qingfeng’s eyes burst out, the veins on his face are ready to burst, if not for the pressure on his body, I’m afraid he would have rushed over and Lin Ran to fight to the death.

In front of him, Lin Ran actually kissed Ling Sa, this is simply a knife in his heart.

“Brother, give it up! I’ve said it all, she’s my brother’s woman!”

Wang Yifeng lost no time in laughing.

Xu Qingfeng had a fire in his heart, and when he heard Wang Yifeng’s words, he finally couldn’t hold back his “poof” of blood.

“Lin Ran! I will kill you! I, Xu Qingfeng, swear!”

Xu Qingfeng looked at Lin Ran with killing intent in his eyes.

At this time, no matter on stage or off stage, many people were stunned, especially those who failed below, they were all gnashing their teeth, some even cursed out.

“Holy shit! Brother, give some face okay!”

“Damn it, don’t stop me! Let me go up and cut him down!”

“You don’t treat people like human beings!”

“We came down in a mess and they are kissing up there, is there any fucking reason?”

A group of people cursing and grumbling, and some of them know Xu Qingfeng look even more with laughter in their eyes.

Xu Qingfeng likes Ling Sa this thing is not hidden, many people know, but now Ling Sa is being held in the arms of other men kissing, not to mention Xu Qingfeng, afraid to change any man, at this time will have to be angry alive.

“Lin Ran!”

Xu Qingfeng’s eyes bloodshot, the killing intent in his eyes undisguised, even because of the words of Wang Yifeng just now he was so angry that he vomited blood, at this time the corners of the mouth are still a little blood.

“Attention everyone, there is still one last person left, then the top 100 will be decided!”

Suddenly, the middle-aged man’s thick voice rang out again, and only at this moment were everyone’s thoughts pulled back to reality, from the anger, envy, and helplessness they had just felt towards Lin Ran to the tense competition all at once.

“The last person! Who would be so unlucky!”

“The last one, holy shit if we’re eliminated at this point, we might as well run headlong into death!”

“Not what!”

A group of people below the stage are talking, and everyone on the stage at this time are holding their breath, the last person, who does not want this last person will be himself.

“Ranzi, I can’t!”

Suddenly, next to Wang Yifeng spoke up, at this time his whole person lying on the stone platform, his face was iron blue, even because of the huge pressure the whole person’s cheeks began to become distorted, it can be seen the pressure.

“Fatty!”

Lin Ran split up, sharing the pressure for Ling Sa he was also almost close to the limit, at this time there was no time to split up to take care of fatty.

“Hold on!”

Suddenly, Li Sheng, who was sitting on the side, spoke up.

His face is not good, itself is no true qi, all rely on ancient martial arts support he can hold on to this point is not easy, but at this time he actually raised his hand and pressed on Wang Yifeng’s thigh.

“Share some of your true qi with me!”

Li Sheng opened his mouth and said.

“What?”

Wang Yifeng was stunned by the words, he actually asked himself to share his true qi to him.

“Hurry up!”

Li Sheng did not have time to explain and said in a cold voice.

“Give it to him!”

Lin Ran understood Li Sheng’s meaning and also shouted after him.

Wang Yifeng clenched his teeth and immediately split a stream of true qi to invade Li Sheng’s body.

“Weng!”

As the true qi dipped into Li Sheng’s body, his entire body actually trembled, while Wang Yifeng clearly felt a lightness in his body.

“What about me!”

Wang Yifeng was a bit puzzled.

“This pressure is based on strength, the stronger the strength the greater the pressure, you don’t say anything!”

Lin Ran busily explained.

Wang Yifeng gave Li Sheng a somewhat grateful look, and immediately did not speak.

Finally, when the huge grindstone descended to only one-fifth of its height, someone could not carry it.

It was a young man in white, his face was ugly, his body was constantly trembling, he was sitting next to Xu Qingfeng, at this time the whole person’s hair strands were trembling.

“It’s going to end!”

Xu Qingfeng’s heart was happy to see this, understanding that this test was about to be explained, and the next top three was not difficult, I’m afraid.

“According to past practice, as long as I hold on a little longer will definitely be able to enter the top three, then Ling Sa will know the gap between that kid and me!”

“I grass you big man!”

Finally, the white-clothed young man could not carry it, looked up to the sky and cursed angrily, followed by the whole person can no longer sit, the huge pressure pressed the whole person’s body a crooked, towards the side and rushed out, at this time the pressure is like a huge force, pushing him to rush outside.

“I’m not willing to!”

The youth anxiously gritted his teeth, even at this time as long as there is a person proposed I give up, he has not yet had the opportunity, after all, at this time he has not said he wants to give up, people have not left the formation cage range it.

“Ranzi careful!”

Suddenly, Wang Yifeng opened his mouth and shouted.

Lin Ran turned his head to look, only to see that the youth figure quickly rushed towards his side, but his hands scrambled still insist on not phase to give up.

“Bang!”

Suddenly, that youth's palm actually grabbed on Xu Qingfeng's body, and then the huge force directly brought Xu Qingfeng also flew up.

“Fuck you!”

Xu Qingfeng was so angry that he cursed, and at the same time kicked on the other side, which barely broke free.

But the huge pressure on his whole person directly smashed to the ground, and his face to the ground, this smash is simply solid.

“Poof!”

Finally Xu Qingfeng did not hold back, and a mouthful of old blood spurted out, the heart has been so angry that it was about to rage.

Chapter 768

“I give up!”

Finally, that white-clothed youth flew back and forth in the field like a human bomb for a while, and finally shouted out these words.

And as his words rang out, at once a pillar of light directly enveloped him, followed by the whole person disappeared in the field.

“The first one hundred are born, next the first three selections!”

The middle-aged man immediately shouted out.

And at this time, the group of people under the stage could not help but sigh, because their Green City ended here, the next road belonged to those who still remained on the stone platform.

“Not bad for Yue family members, can!”

It was under the stage, the man whose whole body was shrouded in black robes, his eyes were slightly narrowed and a cold smile appeared at the corner of his mouth, Yue Feng had completed his mission, the next step would be up to him.

“The first hundred now, I'm finally liberated!”

Wang Yifeng in also can't hold back, immediately want to go out, already got the qualification he really can't stand it.

“I give up!”

Just before he opened his mouth, Li Sheng next to him was the first to speak.

“I also give up!”

Ling Sa also followed and shouted.

“I give up!”

“I give up too!”

These words were like a plague, spreading quickly to all corners, and the number of people on the stone platform, which originally had a hundred people, was actually rapidly decreasing.

In the blink of an eye, there were only a dozen people left, but these dozens of people seemed to have negotiated, one after another chose to give up, and soon there were only five people left on the stone platform.

They were Lin Ran, Wang Yifeng, Xu Qingfeng, the red-robed youth and a man in green.

“Hmm?”

When Lin Ran went out, Lin Ran’s pressure suddenly diminished a lot, and when he turned his head to look, he actually found that the man in green clothes, Junran, was Qin Feng.

“Kid! You are very good! But too philandering, I’ll pretend I didn’t see what happened today, in the future, if you dare to engage in these behind my sister’s back, I’ll get you killed!”

Qin Feng shouted at Lin Ran, and immediately chose to leave as well.

“Holy shit!”

Lin Ran was a bit helpless, he actually did not find out that Qin Feng was also here, this is finished, if what he and Ling Sa just did was known by Qin Bing, I’m afraid it would be another embarrassment.

“Hey! You wait for me!”

Wang Yifeng saw Qin Feng, also ready to follow out, but then thought, at this time the field is left with the four of them, if he left, then the top three will not come out.

Thinking of this, Wang Yifeng mouth corner revealed a smile.

“Damn, I can’t leave and be cheap to that kid Xu Qingfeng!”

Thinking that he actually directly lying on the ground, slowly towards Xu Qingfeng lying over.

“What is Lin Ran doing?”

Under the stage, Li Sheng looked frowning, before he reminded Lin Ran, but how this guy did not listen, actually still want to go to compete for the top three.

“He has his own plans!”

On the side, Ling Sa explained, at this time, her pretty face was still a little pale.

“Hey! That girl, that’s you!”

Suddenly, a voice came from the side, it was none other than Qin Feng.

“Something wrong?”

Lingsha looked at Qin Feng, somewhat puzzled.

“What’s your relationship with that kid?”

Qin Feng didn’t have a good mood and said.

“Didn’t you see it all!”

Ling Sa was too lazy to explain.

“You!”

Qin Feng was furious and frowned.

“You can’t stay with him!”

“Huh?”

Ling Sa was stunned by the words, and even Li Sheng who was at the side couldn’t help but look over with some complicated eyes.

“I said you can’t be with him!”

Qin Feng repeated.

Ling Sa was suddenly helpless.

“No way, you like men too, you have too heavy a taste!”

“I pooh!”

Qin Feng almost didn’t spurt out a mouthful of old blood when he heard it.

“My sister is his girlfriend, you can not interfere!”

Qin Feng did not have a good mood and said.

“O?”

Lindsay was stunned at his words and followed by looking at Lin Ran on the stage.

Lin Ran also saw this scene, only to feel a chill at the back, this is the rhythm of the end ah.

But the next reply of Linza, immediately let him completely at ease.

“Your sister is your sister, I’m not your sister, besides, what makes a good man not let others like! You have the ability you also go to find ah!”

“You!”

Qin Feng was so angry that he was speechless, he was fighting for his sister, but the female lead did not mind, he minded a ball ah.

“You guys hey! Couldn’t care less!”

Qin Feng was furious, Lin Ran surrounded by many beautiful women, this matter he already knew, before not less advised his sister, but Qin Bing pressed not to listen.

Now when he heard what Ling Sa said, Qin Feng also seemed to understand that excellent people never lack suitors, and this is really true.

“I’m not excellent? How come there isn’t a girl chasing me?”

Qin Feng wondered, while involuntarily touching his cheek.

This scene under the stage, Lin Ran also did not care too much, because at this time, smashing the top of the stone platform, an even more exciting scene is being staged.

“Damn fatty! What the hell do you want!”

Looking at Wang Yifeng crawling over at himself, Xu Qingfeng’s heart to kill was simply all over the place.

Before by this dead fat vomited blood, then the last one left also pulled himself, so that he vomited blood again, at this time he has run out of oil, is also struggling, but now this dead fat again crawled towards himself, what the hell!

“Still fucking call fat master is dead fat, today fat master let you understand a truth, don’t fucking hot fat!”

Wang Yifeng gritted his teeth and said, at this time he had already crawled to Xu Qingfeng, his palms were pressed on the latter’s legs.

“Damn fatty, what the hell do you want!”

Xu Qingfeng looked at the eyes have changed, at this time the pressure is huge he can only force himself to sit, but this dead fatty has reached him, do not know exactly what to do.

“What for? You’ll know soon!”

Wang Yifeng mouth corner revealed a cold smile, followed by actually hands pulled Xu Qingfeng’s clothes, followed by slowly stood up from the ground.

To know the pressure at this time is huge, even Lin Ran and others are unable to stand up, let alone him.

“You want to fucking go crazy don’t drag me into it!”

Xu Qingfeng said angrily.

But Wang Yifeng laughed.

His legs were trembling, and he could barely bow up, but even so, he was already a head above Xu Qingfeng who was on the ground.

Moreover, just now Wang Yifeng tugged him to stand up, and the pressure of just tugging him had made him suffer enough.

“Fat brother, you adults do not remember the small man, do not play, okay?”

Finally Xu Qingfeng could not stand it anymore and begged for mercy.

He was about to decide the top three, but this fatty was looking for trouble at this time, it was simply too abominable.

“Not playing now? It’s over!”

Wang Yifeng showed a smile, followed by the whole person leaned forward, and then a huge pressure directly on his back, and his whole person directly pressed on Xu Qingfeng, just like a stack of Luohan, directly pressed Xu Qingfeng lying on the ground, his face was almost deformed.

Wang Yifeng’s own weight is high, plus the huge pressure on his head, simply like a human head bomb, pressed Xu Qingfeng a mouthful of old blood spurted out again.

“Damn fatty, I fuck you!”

Xu Qingfeng could not help but curse.

“Haha, go ahead, feel free to curse! I’m going out first, you can enjoy this!”

Wang Yifeng laughed, followed by directly choosing to give up.

A light wrapped Wang Yifeng, and he still left the stone platform, and the competition ended here, Lin Ran, Xu Qingfeng, and the mysterious red-clothed youth, officially became the top three.

Just let everyone wonder is, this Xu Qingfeng still have the ability to participate in the Ten Thousand Treasures Spell Formation? The last pressed by Wang Yifeng, just look at the latter’s reminder, all feel like their whole body bones are going to break.

Just what Wang Yifei said before, don’t hot fatty, or really let you eat.

Chapter 769

“This is the end of the competition for treasures!”

As the middle-aged man drank aloud, the Treasure Competition was finally over.

The top one hundred selected at the end lined up in a simple room and received their qualification tokens.

“Many thanks, senior!”

Lin Ran took his qualification token and bowed at the old man who had issued it.

“Little friend, you’re welcome, I’m just a qualification token issuer, here’s your top three recommendation token!”

The old man smiled and handed over another token, which had the word “wind” written on it, seemingly a family token of some kind.

“The top three all have this token, tomorrow when you arrive at Fengling Town you can use it to meet the Feng family, you will get your due reward!”

The old man laughed.

“Thanks for the reminder senior!”

Lin Ran smiled, turned around and left the room, but he didn't notice that the old man looked at his back as he left, but a hint of laughter came out of his eyes, and the corners of his mouth were unconsciously upturned a few points.

"The old ancestor's token breath, interesting!"

The old man said softly before continuing to issue qualification tokens to the people behind him.

.....

Inside the industrial park, very many people did not leave, those who got the qualification token were each excited, but the same people who did not get the qualification token, each had an ugly face.

"Ranzi, the promised noon treat?"

Wang Yifeng has been waiting for a long time, always thinking about the big meal at noon!

"And what big meal, what time is it now, it's better at night!"

Lin Ran did not have a good temper, at this time it is two o'clock in the afternoon, but also eat a big meal.

"Yes! I just have to go too!"

Lindsay laughed.

"Go? You're not coming with us?"

Lin Ran asked.

"No, I still have many fellow disciples, we will go to Fengling Town together, and we will meet tomorrow anyway!"

Lindsay laughed.

"That's fine! Be careful on the way!"

Lin Ran reminded.

Ling Sa smiled and nodded, followed by a kiss on Lin Ran's cheek, before leaving with a delicate face.

"Holy shit! I'm full of dog food!"

Wang Yifeng said helplessly.

Li Sheng on the side also spoke up.

"Brother Lin Ran, let's say goodbye, see you tomorrow!"

"You're going by yourself too?"

Lin Ran asked.

"It's really inconvenient, my father is still looking for me, tomorrow I will definitely arrive at Fengling Town on time, in addition, brother Lin Ran don't forget our agreement, lend me a person by then!"

Li Sheng laughed.

“Don’t worry!”

Lin Ran smiled and nodded his head.

After bidding farewell to Li Sheng, Lin Ran also prepared to take Wang Yifeng and others to leave, but just a few steps out, he saw Xu Qingfeng.

Xu Qingfeng was a bit miserable at this moment, his face still had blood on it, his clothes were also in tatters, and he was standing there with a face of anger that anyone could see.

“Something wrong?”

Lin Ran stopped in his tracks and asked blandly.

“I think it’s just an itchy skin!”

Wang Yifeng rolled up his sleeves and looked like he was about to make a move.

“I’ll just say one thing!”

Xu Qingfeng looked at Lin Ran, with anger in his eyes.

“Say it!”

Lin Ran had a bland face.

“When we get to the Ten Thousand Treasures spell, if you’re a bandit, you’ll fight with Laozi, and you win! Ling Sa I will not be pestering, but if you lose! From now on, stay away from Ling Sa!”

Xu Qingfeng said angrily.

“Yes!”

Lin Ran agreed without even thinking about it.

“I hope you’ll still be free by then!”

Lin Ran laughed lightly and followed before leaving the place with Wang Yifeng.

“Free?”

Xu Qingfeng was stunned to hear this, not understanding what Lin Ran meant by this.

“Could it be a token?”

Xu Qingfeng wondered, the three of them all got the top three tokens, even if the others had coveted it, it should be all three of them in trouble, so why did it say himself?

“No matter! I must win!”

Xu Qingfeng’s eyes were cold, and there was determination in his eyes.

.....

“Brother Qin Feng, you are also leaving?”

At the entrance of the industrial park, Lin Ran saw Qin Feng.

“That’s right! I’m not the only one who came this time!”

Qin Feng said and pointed to the side, only to see that not far away Yue Feng was standing in the crowd, and around him were also clustered a lot of people wearing Yue family clothing, obviously he didn’t come by himself either.

“The competition for treasures is so grand, even people from the clan are here!”

Lin Ran laughed.

“In fact, it’s not grand, these family people are just some people with little status, those who are really powerful won’t come, even the elders of the family didn’t come, that’s enough to explain everything!”

Qin Feng laughed.

“Then they?”

Lin Ran frowned and said.

“They are all in Fengling Town, what really deserves attention is the Ten Thousand Treasures Spell Formation, the competition for treasures is just an add-on!”

Qin Feng laughed.

“Ten Thousand Treasure Array? Fengling Town?”

That’s tomorrow.

“I’m leaving too, see you tomorrow!”

Qin Feng chatted a sentence, followed also left.

Followed soon Lin Ran received a text message from Qin Bing, said his brother came, to go out to play a day, something phone contact.

“Let’s go! We should also go back!”

Look at the time, there is almost an afternoon, Lin Ran is also ready to go back to pack up, the night set off for Fengling Town.

“Boss, you really want to take us there!”

On the way back to the store, Leng Zhan Wang Mao and Ah Zhan three, looking at Lin Ran eyes full of surprise.

“What else? I a place, fatty a place, Li Sheng also want to borrow a person, just to save you three!”

Lin Ran laughed.

Leng Zhan three people heard the words are very excited, that ten thousand treasure spell formation is wonderfully exciting at first hearing, before they still regret that they can not go to see, but now hearing Lin Ran's words, immediately rekindled hope.

"I've already thought about it, Leng Zhan you follow Fatty, Wang Mao follow me, and Ah Zhan go help Li Sheng!"

Lin Ran said.

"No boss, why should I follow Li Sheng ah, I want to follow you!"

"I also want to ask, why do I want to group with fatty?"

Leng Zhan was also a bit confused.

Lin Ran looked at the three and couldn't help but smile.

"You guys want to know the reason?"

"Mm!"

The three people nodded their heads at the same time.

Lin Ran smiled helplessly and spoke.

"First of all, Li Sheng, he is calm and collected will not be easily impulsive, do things in a measured manner, but he is, after all, an ancient martial arts practitioner, no true qi so the strength to be weaker, A battle you are experienced in a hundred battles, can protect him, while you complement each other's hope of survival is also large!"

"As for me, Wang Mao is good at scouting, can provide me with a lot of information, in addition now we do not know what the situation is inside the Wanbao spell formation, so for the time being this grouping is also safer!"

"What about me?"

Wang Yifeng wondered.

"You?"

Lin Ran laughed.

"You have average strength, easy to be impulsive, pig brain, let Leng Xie follow you here just to protect you!"

"Pfft!"

Lin Ran's words, Wang Yifeng almost did not a mouthful of old blood spurted out, behind the cold chop also can not help but laugh.

"Ran your sister, fat master I need someone to protect? Believe it or not, I am definitely walking around inside the fat master!"

Wang Yifeng said unconvinced.

Lin Ran laughed at him and did not bother to answer.

Just in the crowd joking, suddenly Lin Ran's cell phone is ringing.

Picked up a look, it is Liu Chen called, Lin Ran can not help but be stunned.

"Hey! What's up!"

"Lao Liu, Lao Er and I have found Lao Si, but his situation You'd better come over here!"

On the phone, Liu Chen was a little embarrassed.

"Location!"

Lin Ran also no nonsense, directly asked.

Chapter 770

Temperance City, a lively pedestrian street, there is a very inconspicuous snack hall, the snack hall location is very good, but unfortunately, because of the owner's poor management led to even now this lively point, the restaurant is empty.

"Boss, are you sure he is Lao Si?"

Zhang Xu squatted opposite the snack bar, looking suspiciously at the opposite restaurant, the youth who was wiping the table, if Lin Ran was here, he would definitely be able to recognize that the youth was the teacher, Liu Yusong.

"Who else could it be if not him! Although the hairstyle has changed, the aura of the body has also changed, but this face you can still find a second?"

Liu Chen said as he smoked a cigarette.

"Hey, I still don't quite believe it, the old four in the university when the fight is so high, even after graduation, even in the face of Qimeng's blow, still decided to go abroad to study finance, the university ten years of Chinese medicine study almost all gave up, is this courage you say he is the old four? I really do not believe!"

Zhang Xu shook his head.

Many industries, law and Chinese medicine is recognized as the most difficult subject, the former requires you to memorize a large number of legal provisions, while the latter is the need for you to learn lifelong.

There is a saying that doctors are either seeing patients or reading books, and this line of work is such that you can live and learn forever.

But Liu Yusong graduated from college and gave up on Chinese medicine, and went abroad to read finance, others thought he was silly, but they knew a dormitory, not because he was silly, but because of a breath.

Liu Qimeng is too fond of money, Liu Yusong also knows that he will not be able to meet her after graduation, so he wants to make money, which is determined to put into the circle of finance, but the result is that he has not returned, the woman has left.

“The struggle of the road is always a person, I think I see through! The fucking future I’ll find a favorite roast chicken, with the old man home to inherit my father’s roast chicken store!”

Zhang Xu cursed angrily, the old fourth encounter they are very heartbroken.

“Cut the crap, Ranzi still have to wait to arrive, we go in first, I do not want to see the old four so degenerate!”

Liu Chen put out the cigarette butt in his hand, immediately got up and said.

“Old three now at least life is on track, Ranzi has done too much for us brothers, we can not rely on him for everything, this time we do it ourselves!”

Liu Chen said with very firm eyes.

“Good! Fuck him!”

Zhang Xu also face with anger, the two immediately walked towards the store.

“What do you two want to eat?”

Liu Yusong while wiping the table, see someone coming very skillfully said, did not even raise his head.

“Two taels of white meat!”

Liu Chen stood in front of Liu Yusong and said blandly.

The latter was stunned by the words and his whole body froze, he didn’t look up, but he already knew who was coming.

Two taels of white meat, these are the words that only people in their dormitory can understand.

Zhang Xu’s famous poem: ten thousand taels of gold under the knee, two taels of white meat on the chest.

People who were not from their dormitory definitely did not know the chilling meaning of this phrase.

“You guys are here!”

Liu Yusong paused for a moment, and quickly continued to wipe up the table.

“It’s been so long since we’ve seen each other, so you don’t invite us to sit down and have a meal?”

Liu Chen laughed bitterly.

“You’re getting married, shouldn’t you be invited?”

Liu Yusong laughed bitterly.

“If it’s my wedding banquet, I’ll buy all ten meals, but I want to know if you still have money to buy me dinner now?”

Liu Chen said bitterly.

“No!”

Liu Yusong said with a bitter smile.

“Old Fourth, what exactly have you gone through, how did you become like this?”

Zhang Xu couldn't help but ask.

“What else can the manager, life!”

Liu Yusong said with a bitter smile.

While the three of them were talking, a figure came out of the store and saw Liu Yusong wiping the table without raising his head, not even letting the customers sit down, so he was immediately angry.

“Liu Yusong! What are you doing? Don't you know how to give up your seat when customers come? Follow me and get in! You don't want your money this month!”

Liu Chen two people look at the words, only to see that the visitor is a dark young man, his age is not much older than the crowd, but from the skin attitude and body tattoos, it is clear that has been in society for a long time, is an old jianghu.

“You are the boss here?”

Liu Chen looked at the tanned youth.

“Yes, I am the boss here, just call me black boss!”

The youth laughed, looking very familiar with himself.

“What do you two want to eat, the taste of our small store is absolutely authentic!”

Boss Black laughed.

“We're not eating anything, we're here for him!”

Liu Chen pointed at Liu Yusong and said.

“Not eating?”

Boss Black's face suddenly turned cold when he heard that, where was the half of his previous politeness.

“What? Friends?”

Boss Black fished out a cigarette and lit it, asking blandly.

“Yes!”

Zhang Xu nodded his head and said.

Boss Black did not reply to his words, but just silently took a puff and spat on Zhang Xu's face, causing Zhang Xu to dryly cough twice before he said with a disdainful face.

“I don’t care what your relationship is, come to my place without eating, get out! Looking for him for something, wait for after work, it’s office hours! Do you understand?”

“Do you have customers here?”

Liu Chen looked at the black boss.

Just as soon as the words left his mouth, the latter’s face instantly changed.

“You’re saying it again!”

Black boss mouth with a cigarette, eyes slightly narrowed, hands with white gloves have been taken off, two dark palms, full of wounds, and look at the wound is definitely not cooking mess, very much like a fight fight.

This scene really scared Liu Chen two people, but looking at Liu Yusong’s current appearance, they are also really relieved.

“Old Four, quit! Here your future is ruined, you still have brothers! We give a hand, why do you have to do this!”

Liu Chen painfully tricky said.

Liu Yusong did not speak, just blandly looked at Liu Chen two people before saying.

“You guys go away, you can’t help me!”

“You do not say, how can we help you!”

There was anger in Liu Chen’s eyes, the anger of hating iron but not steel.

“There is no end, really think I here is a charity, free escort chat is what?”

Black boss immediately fire, pointing at the door and scolded.

“In one minute, get out of here, or I’ll take your meat and make buns!”

“This is a legal society, do you have any king’s law in your eyes!”

Zhang Xu angrily rebuked.

“King’s law?”

Boss Black laughed at his words.

“You want the king’s law, right? I’ll tell you today, what is the king’s law!”

Black boss said without blinking, palm has touched the back of the table on a bottle of beer, followed by swinging the beer towards Zhang Xu’s head “bang” is a blow.

The beer bottle instantly broke, blood mixed with beer flowed down Zhang Xu’s cheek.

“You fucking seek death!”

Liu Chen also fire, copied the side of the beer bottle “bang” to the black boss, his result and Zhang Xu similar.

But apparently he is more resistant than Zhang Xu, not less experienced in this kind of fight, not the slightest pause, a draw their waist kitchen knife, towards Liu Chen on the chopping over.

“Stop!”

Liu Yusong look red eyes, a hand to capture the wrist of the black boss, said angrily.

“They are my friends, you let them go, what happened is on my head!”

“Go?”

Black boss turned left disdainful glance at Liu Yusong, followed by a kick in his stomach.

“Damn you, still want to leave? Today no one can leave!”
