

Wonder Doctor

Chapter 771

After kicking Liu Yusong over, the black boss copied the kitchen knife and went straight to Liu Chen, who had just hit him with a bottle, and now he also recognized Liu Chen.

“Boss!”

Zhang Xu saw the situation shouted a word, copied a side chair directly stuck in the black boss.

It is said that the dog is anxious to jump the wall, at this time Zhang Xu completely did not know what he was doing, he suddenly force also let the black boss caught off guard, the chair directly stuck his hands, froze him to the wall, a time can not move.

“Fucking looking for death!”

Black boss cursed angrily, but for a time was unable to break free of the mad Zhang Xu.

“Old Fourth is still not leaving!”

Liu Chen looked at Liu Yusong, with anger in his eyes.

“Go? Where to go? I can’t go at all!”

Liu Yusong said angrily.

“Why can’t you go?”

Liu Chen had a look of anxiety in his eyes, he just couldn’t understand why Liu Yusong wouldn’t go! Why can’t he leave?

“My parents are still in his hands!”

Liu Yusong’s eyes were bloodshot and he said angrily, followed by tears, and his head was buried.

“Let’s go or not! The old man can’t carry it anymore!”

Zhang Xu said angrily beside him, as the saying goes, one drum is exhausted, as the bravery of the earlier outburst gradually faded away, the black boss is about to break free of Zhang Xu’s chair.

“Don’t even fucking think about leaving!”

“Bang!”

Suddenly, only to hear a muffled sound, stuck in the black pull plate chair was suddenly lifted out, Zhang Xu the whole person fell directly to the ground, on all fours.

Liu Chen saw the situation just want to go over to help him, the front of the black boss is an arrow step directly on the body of Zhang Xu, the hands of the kitchen knife raised high, towards Zhang Xu’s head on the chopping down.

Although it was only a kitchen knife, but the force if really split down, not to mention life, whether to stay a whole body is the question.

“Zhang Xu!”

“Lao Er!”

Liu Yusong and Liu Chen look at the moment froze, this moment time seems to have stood still, they can only watch, mid-air kitchen knife quickly fall, the god of death seems to have summoned Zhang Xu.

“Fucking old four, you really let me down!”

Zhang Xu could not help but cursed angrily, his own life to fight out the time, so wasted.

“I’m sorry!”

Liu Yusong covered his eyes, tears bursting from his eyes.

“Stop!”

Suddenly, a cold shout sounded like a thunderclap and exploded in everyone’s ears.

Liu Yusong and Liu Chen couldn’t turn their heads in time, only to see a cold manœuvre fly in violently from the doorway, it was a dagger, they clearly saw.

The dagger was bland, but the cold light on the blade of the dagger was so blinding.

Black boss was also awakened and looked up.

But the next scene, his whole person froze.

Only to see the tip of the dagger, straight from his eyes swept past, the sharp cold aura although not touching him, but still stabbed his eyes raw pain, could not help but close his eyes.

“Stab”

A crisp cutting sound sound, the black boss only felt his hands light, opened his eyes violently.

However, he did not see the kitchen knife in his hand, as long as half of the kitchen knife handle, the handle of a flush cut, seems to say that it was cut off by the dagger. ,

“Bam!”

The kitchen knife fell to the ground, emitting a series of crisp metal collision sounds.

Following a black shadow rushed in violently, the large figure kicked the black boss in a strong, directly kicked him backwards out.

“Bang.”

The whole black boss directly hit the wall, and then slowly slid down.

Zhang Xu lying on the ground, wearing thick breath, a bubble of urine did not hold, has flowed down the trouser legs.

“Which .... Which good man, much ..... Thanks a lot!”

Zhang Xu was busy from the ground, turned his head to look, when he saw the hotel door that familiar cheeks, suddenly hot tears directly to jump over.

“Old six! You can’t fucking come earlier!”

“Get down! Two big men hugging what hug!”

Lin Ran said without good humor, while backing Zhang Xu off his body.

“Ranzi!”

Wang Yifeng came out of the store and was holding his dagger in his hand.

Lin Ran took the dagger and put it away before entering the restaurant.

“Old Six!”

Seeing Lin Ran, Liu Chen couldn’t help but sigh with relief, and at the same time, he also had some regrets in his heart, because of his impulse, he almost harmed Zhang Xu, but fortunately, the result was good, Lin Ran came over in time.

“It’s okay!”

Lin Ran smiled, sort of comforting Liu Chen.

“Lao Si! Hello again!”

Lin Ran looked at Liu Yusong on the ground and smiled.

“Yes, we meet again!”

Liu Yusong laughed bitterly, while standing up from the ground.

“Fuck! Who just moved his hand!”

Boss Black threw away the handle of the kitchen knife in his hand and pulled out a pig-killing knife from the side, looking at the crowd with anger in his eyes.

“I moved, so what?”

Wang Yifeng came over from the side with a disdainful face.

Just now they separated, Leng Xie took Wang Mao two back to the store, seize the time to learn feng shui knowledge, after all, tomorrow will go to the Wanbao spell formation, while he came here with Lin Ran.

“You’re fucking looking for death!”

Boss Black was still a bit unaware of what was going on, and copied the pig-killing knife in his hand and charged over again.

“Old Six!”

Liu Chen saw the situation and shouted.

Zhang Xu at the side could not help but cover his eyes, but Lin Ran was like a nobody, turned to Liu Yusong at the side and asked.

“I seem to hear just now, you said that your parents are in his hands? What happened?”

Liu Yusong turned his head to look at Lin Ran and did not speak for half a day.

“Can’t you even trust your brother anymore?”

Lin Ran continued.

“No!”

Liu Yusong lowered his head.

“I just don’t want to get you guys involved, it’s only twenty years! Time will soon pass!”

Liu Yusong whispered.

“Bang!”

As they spoke, a muffled sound came from the front, followed by the sound of metal clanging, followed by the sound of screaming.

“Who the hell are you!”

“Ah! My arm!”

“No! Stop it!”

“How dare you fucking hit!”

“I’ll kill you!”

.....

A series of curses rose and fell, but they soon stopped and were replaced by pleas for mercy.

“Don’t! Don’t fight, grandpa I’m wrong! I’m really wrong!”

“You know you’re wrong? Your grandfather I don’t have a grandson like you!”

Wang Yifeng threw the black boss to the ground, brought two chairs from the side, directly stuck on him, sat on his buttocks to make him lie on the ground honestly and honestly.

Lin Ran did not bother to look at the exchange of blows between the two, but only looked at Liu Yusong.

“Twenty years? How old will you be in twenty years? How many twenty years do you have to waste here?”

Lin Ran said as his gaze swept over the entire store and finally pointed at the black boss on the ground and said.

“I don’t know what you’ve been through, and I haven’t asked, but if you don’t even believe in your brothers anymore, then consider that there was never a brother like me, Lin Ran!”

“If but a little bit you still treat me as a brother, tell me what happened!”

“I, Lin Ran, do not believe that the things you happen to be, a thing related to this kind of scum, is something that I, Lin Ran, can not set right!”

“Right!”

Liu Chen also chimed in.

“Old Four, just say it! We’re all here and still can’t explain everything?”

Zhang Xu also said eagerly from the side.

“You guys!”

Liu Yusong’s eyes looked red as he gritted his teeth!

Finally, he spoke up!

Chapter 772

“Actually, I came back three months ago! At that time, it just so happened that I knew that your proposal was successful, boss!”

Liu Yusong said in pain.

“You came back at that time? Then why didn’t you come?”

Liu Chen asked busily.

“I ....”

Liu Yusong was silent.

“I have no face to meet you guys!”

Liu Yusong lowered his head and said.

“I actually came back without hiding it from my family because for some reason, I learned from Qimeng’s mouth that my parents’ business was in trouble!”

“As you know, my family is a small business, but this loss directly made my parents lose everything, they sold everything, including the house car, etc., but in the end still owed 200,000 foreign debts!”

“I wanted to help, but when I came back, I realized that I couldn’t help at all, and even selling blood was barely enough to keep the family afloat!”

Said here, Liu Yusong has sobbed uncontrollably.

“Fuck is the old me to lend them 200,000!”

On the side was, Wang Yifeng firmly stuck in the ground of the black boss upset said.

“Really?”

Liu Chen said incredulously, the old fourth family had this kind of change they actually did not know at all.

Moreover, how old four confused to find this black boss to borrow money, the other party is not a serious person at first glance.

“It’s true!”

Liu Yusong nodded his head.

“I have no choice! I had to ask them to pick up 200,000 to pay off the debt for my family, but I didn’t think he was borrowing from a loan shark!”

Liu Yusong looked at the black boss, his eyes full of anger.

“In just two months, I have to pay back one million dollars in interest plus principal! I don’t have any money at all!”

“So what’s going on now?”

Lin Ran frowned and asked, he didn’t expect that the fourth and third had both run into loan sharks, they said it was poison that couldn’t be touched, but he didn’t expect that his two closest brothers had both run into this thing.

“He let me work here, the whole twenty years!”

Liu Yusong said.

“You promised?”

Zhang Xu asked busily.

“I have no choice, they withheld my parents, what else can I do?”

Liu Yusong said in pain.

“Why didn’t you call the police!”

Liu Chen asked, in his opinion, I’m afraid the police would not be worse than this record.

“Call the police?”

Liu Yusong showed a bitter smile.

“Call the police? You think I am a vegetarian, if you feel like calling the police, I guarantee that he will never want to see his parents in his life!”

Boss Black sneered.

“You are fucking bullshit!”

Wang Yifeng gave Boss Black a slap and made him shut his mouth.

“So you agreed? Sell twenty years of your time?”

Lin Ran looked at Liu Yusong, with grief in his eyes.

“I couldn’t help it!”

Liu Yusong held his head, his face filled with pain.

“Ranzi!”

Wang Yifeng looked at Lin Ran without saying much.

“Let him get up!”

Lin Ran said indifferently.

Wang Yifeng nodded and yanked Boss Black up from the ground, saying in a cold voice.

“Be honest with me, or slaps will be served!”

“You!”

Boss Black was so angry that his face was blue, when has he ever suffered this loss, but as the saying goes, a good man doesn’t eat the loss in front of him, he can’t beat this dead fatty, so he can only endure it for the time being.

Lin Ran looked at the black boss, did not say anything, but will pocket fished out a a bank card, placed on the table.

“Ranzi!”

Liu Yusong was stunned, busy opening his mouth to block, but Lin Ran waved his hand to stop him.

“There are two hundred thousand on this card, the money is yours! Let my brother’s parents go! And his personal freedom!”

Lin Ran looked at the black boss and said indifferently.

“Two hundred thousand?”

Boss Black had a disdainful look on his face.

“I’m a loan shark, so you want to fool me with 200,000 fucking dollars? How can you lie to the devil?”

Lin Ran laughed at his words.

“That’s it, don’t want it, I’ll send you to the Temagami River tonight to feed the fish!”

“Scare me? Don’t forget that? Your brother’s parents are still in Laozi’s hands!”

Boss Black laughed, with disdain in his eyes, with hostages in hand he naturally would not be afraid of Lin Ran’s threats.

“Ranzi! Do not mess around, is twenty years I can wait!”

Liu Yusong said, he did not want anything to happen to his parents.

“What will you wait for?”

Lin Ran looked at Liu Yusong.

“Twenty years you think is a short time, but after twenty years? Your life is ruined understand?”

“Your parents if only you think they have the face to live?”

“But !!”

Liu Yusong still wanted to retort, but suddenly was unable to find the words.

Lin Ran turned his head and looked at Boss Black.

“I’ve made the conditions very clear, now decide!”

“You really think I’m fucking scared!”

Boss Black instantly laughed and reached for the phone in his pocket, ready for Lin Ran to hear the voice of Liu Yusong’s parents.

But this hand was put in the pocket, but half a day did not feel the phone, which could not help but make his heart a cold.

“Bang!”

A muffled sound, only to see Lin Ran slapped the phone on the table, looking at the black boss blandly said.

“Do you think it’s hard to find their location?”

“You!”

The black boss heard his face change, the other party was able to take his phone unnoticed, with this want to find the location of Liu Yusong’s parents, it is not a difficult thing

“Either take the 200,000 and get lost! Either wait and feed the fish, I give is ten seconds to consider!”

Lin Ran said as he pressed the lighted phone and looked at the black boss.

The latter understood that I’m afraid that as long as he waited for the phone’s screen to go out, his time would be up.

He looked at Lin Ran, and then Wang Yifeng, and then even more so at Liu Yusong, and finally compromised after gritting his teeth.

“OK! Two hundred thousand on two hundred thousand, but this is only the money his parents owe, how do you count the money you beat me today? What about the damaged tables, chairs and benches here?”

Boss Black looked at Lin Ran with anger in his eyes.

“One size fits all, this account will be settled later, let the people go first!”

Lin Ran said in a cold voice.

“One size fits all? Oh, good!”

Boss Black laughed and took two steps forward to pick up his cell phone and bank card, followed by a call.

“Bring someone here!”

After saying a simple sentence, Boss Black hung up the phone, and he looked at Lin Ran and sneered.

“Let’s make it one size fits all, I hope you won’t cheat later!”

“No way!”

Lin Ran didn’t bother to pay attention to him, he found a seat for himself and waited quietly.

He did not say anything, and no one said anything to the side, the whole restaurant was quiet for a while, only Liu Yusong was standing there looking around, looking very uneasy.

Soon, just over ten minutes later, a group of people came in outside the hotel, all of them wearing denim jackets, either with tattoos on their faces or earrings, and holding baseball bats in their hands, looking like gangsters.

“Haha!”

Seeing the visitors, Boss Black burst out laughing.

“I really have to thank you, gave me time to shout at people!”

Said, black boss gaze swept over the crowd, eyes rushed full of disdain, at this time here are their own people, where he still have a half fear.

“Lin Ran is it!”

Black boss looked at Lin Ran, with a cold smile on his face.

“Like one size fits all, one piece counts, yes! Master Black I will accompany you today and count one yard by one yard!”

“Let go!”

Boss Black sneered, and someone behind him quickly escorted Liu Yusong’s parents over and pushed them in front of Lin Ran.

Chapter 773

“Mom and Dad!”

Seeing his parents, Liu Yusong immediately rushed up, tears unconsciously flowing down his face.

“Son! Why are you here!”

The parents looked at Liu Yusong and their tears also slipped down unconsciously.

“What the fuck are you crying for? Shut the fuck up!”

Boss Black scolded, immediately scared Liu Yusong's parents did not dare to make any more noise.

He nodded in satisfaction, with a smug smile on his face, and turned his head to look at Lin Ran.

"Alright! I've released the man, now! How about we settle the score for you beating me up and smashing my store? Ah! Haha!"

Boss Black's face had an open and wild, twisted smile.

"Yes!"

Lin Ran laughed blandly, while glancing at Liu Chen and Zhang Xu, the two would understand and hurriedly went forward to drag the old fourth and his parents to a side corner to save involving them later.

"Cool!"

Boss Black laughed at this and likewise pulled over a chair and sat opposite Lin Ran.

"Very rich, right? Then let's count the money!"

Boss Black laughed, while lowering his head and pointing at his face and said.

"Your brother just slapped me thirteen times! I slap are not wrong to count!"

"That brother of yours, gave me a beer bottle!"

Black boss pointed at Liu Chen.

"But out of the mix, according to your rules, we are one size fits all, I also gave your friend a bottle, the account we buy!"

Said, the black boss turned and pointed to the back of a wrecked ground, said.

"Broken two tables, five chairs, plus this full hour of my store sound, a total of so much! I counted correctly, right!"

Boss Black looked at Lin Ran and pulled out a cigarette, and someone next to him immediately stepped forward to light it.

"Poof!"

Boss Black painfully spat out the smoke ring in his mouth, with a face of enjoyment, while laughing and asking.

"Recognize the account?"

"Admitted, no miscalculation!"

Lin Ran looked at him indifferently, his expression not changing in the slightest.

"Yes!"

Boss Black smiled.

“Then pay the money! Three million in total!”

“Three million? Are you fucking playing with me?”

Wang Yifeng smiled, a few rotten chairs dare to ask for three million, this guy is obviously not ready for a good deal!

“Why is it too much?”

The black boss looked at Wang Yifeng and laughed.

“I don’t want to give it, I have so many brothers here, you ask them if they agree!”

“Want to fight, you come to a hundred people to try?”

Wang Yifeng’s face was cold, and he directly drew out the divine dragon sword at his waist, looking like he wanted to cut someone!

“Holy shit! Quite bluff, toy knife, right!”

Black boss laughed, now society normal people who would run around with such a large knife, and before Wang Yifeng obviously nothing in the waist, suddenly drew such a large knife, it is obvious that it can retract the toy goods.

“Is not a toy knife you to try not to know, afraid you have to neck hard enough!”

Wang Yifeng laughed disdainfully.

“Pretty wild, then try ah!”

Black boss immediately stood up from his position, here are his own brothers, he is not afraid of Wang Yifei, talking arrogantly.

“Boss Black!”

Lin Ran suddenly spoke up.

“What’s up?”

Boss Black looked at Lin Ran, with disdain in his eyes.

“Aren’t you settling accounts? Sit down and talk!”

Lin Ran said blandly.

Boss Black laughed at that.

“Sit down and talk? Haha! He said sit down and talk!”

Boss Black looked at a group of his men and laughed.

At this time those men also heard and laughed, looking at Lin Ran one by one pointing, with disdain in their eyes.

“Say it, what do you want?”

Boss Black sat down in his position with a disdainful face and said.

“There is an account you should forget?”

Lin Ran laughed.

“O? What account?”

Boss Black asked with a smile.

“My brother has been working for you for two months, how about this account? I already gave you your two hundred thousand!”

Lin Ran said indifferently.

“Are you fucking playing with me? I don’t even want the fucking interest, and you’re telling me this?”

Boss Black’s face instantly went icy cold.

“You’ve miscalculated!”

Lin Ran laughed.

“My brother has been working with you for two months, not to mention the interest, the principal is almost there, 200,000 is indeed owed to you, I gave you! But now I have to calculate my brother’s wages!”

“Two months, sixty days! Not much for one day, 100,000! That’s six million, you have to calculate three million after deducting, you still owe me three million, how are you going to pay this money?”

Lin Ran said indifferently.

“Bang!”

Hearing this, the black boss suddenly slapped the table and stood up, pointing at Lin Ran and cursing angrily.

“You’re fucking playing with me, right? I’ll let you play today!”

With these words, the black boss waved his hand, and a group of punks around him grabbed their weapons and pounced on Lin Ran.

“Ranzi!”

Wang Yifeng looked at Lin Ran, obviously seeking his advice.

“Don’t make a scene! The money owed to us is enough!”

Lin Ran said blandly.

“Yes!”

Wang Yifeng waited for these words, and with a wave of the divine Dragon Blade in his hand, the back of the blade turned outward and the blade turned inward, he met the man who pounced on him.

“Let’s go out and wait!”

Lin Ran got up and greeted.

“Good!”

Liu Chen nodded and immediately left the store with Zhang Xu, taking Liu Yusong and his parents with him.

The store was filled with screams, and it was impossible to tell whose it was, while Lin Ran and the others stood at the door, especially as soon as Lin Ran left the restaurant, he took out his cell phone and made a call.

“You guys send them back first, I’ll come to you in an hour!”

Lin Ran said to Liu Chen.

The latter nodded at his words, knowing that sending Liu Yusong and the others away first was the most important thing at this time.

Liu Chen and Zhang Xu escorted Liu Yusong and the three of them out, and since the houses were all sold, they had to find a hotel nearby to stay.

They did not have to leave for long before the store quieted down and Lin Ran walked in again.

At this time, the whole hotel was in a mess, blood stained a large area of the ground, Wang Yifeng sat alone on the table, drinking wine while gnawing on a chicken leg, so happy.

“Hey! Ranzi quickly come to taste, this guy made chicken legs you do not say, the taste is really good!”

Wang Yifeng laughed.

Lin Ran, however, did not pay attention to him, and came straight to the side to look at the black boss who was stepped on by him, and laughed.

“Boss Black, are we done with this account?”

“Bastard! If you have the ability, you can kill me, or I’m not finished with you!”

Black boss said angrily, his whole face is swollen, obviously just now Wang Yi life down to focus on him.

“Still want to calculate ah? I think you’d better find the police!”

Lin Ran laughed, while patting Wang Yifeng’s shoulder.

“Let’s go, the police will be here soon!”

“Holy shit, you called the police! Good report, this group of scum scum need to be arrested, save here to harm the people!”

Wang Yi life full easy road, while picking up the two remaining chicken legs, busy to follow.

The two just left the hotel not long after the police arrived, the opponent is who they do not know, but so many people gathered here, still holding baseball bats, this alone they have to explain a good deal.

“Where to now?”

Wang Yifeng asked as he ate his chicken leg.

“Arrangement!”

Lin Ran laughed, while taking out his cell phone and calling Liu Chen.

“I’ll wait for you guys at the snack street near the nearby school, and when Lao Si’s parents are asleep, bring him over with you!”

“Good!”

Liu Chen nodded, while hanging up the phone.

Chapter 774

At this time is almost summer, the snack street next to the school is also crowded, and even some dress sultry beauty has changed into shorts and skirts, in this night of the early lights, really some temptation of people’s hearts surging.

“Holy shit! Ranzi, Tanjiang City there are such good places, you kid how not to bring me here before! Not enough brothers ah!”

Wang a life wiping the corners of the mouth of the harrumph, dissatisfied said.

“You have Xiao Cui and still come to this kind of place, do you think your kidney deficiency is not serious?”

Lin Ran said without good humor.

“Nonsense, when have I ever had a kidney deficit, fat master, look at our body!”

Wang Yifeng showed off his muscles.

Lin Ran did not bother to pay attention to him, sat down in front of a barbecue stall and casually ordered something.

“Hey hey! Add two skewers of cashew!”

Wang Yifeng was busy shouting.

“Isn’t it not a kidney deficiency? Why are you eating loin?”

Lin Ran gave Wang Yiming a white look.

“You don’t understand this, it’s called saving for a rainy day!”

Wang Yifeng laughed smugly.

While the two of them were talking, Liu Chen and Zhang Xu had already Liu Yusong had rushed over, the latter’s parents were very tired and fell asleep not long after arriving at the hotel, so it was obvious that they had suffered a lot at the hands of that black boss.

“Ranzi!”

As soon as we met, Liu Yusong to directly “fluttered” and knelt down, his eyes were tackled with tears.

“Get up!”

Lin Ran got up and greeted him, while Liu Chen and Zhang Xu helped him up.

“Sit down and talk!”

Lin Ran greeted, and only then did everyone take their seats, but Liu Yusong could not suppress his excitement and looked at Lin Ran with great excitement.

“Ranzi, I really don’t know what to say, thank you for what happened to my parents this time! From now on you just want me Liu Yusong to die, I’m not the one with the handle if I frown!”

“I have nothing to ask you to die for!”

Lin Ran laughed helplessly, while greeting the fat man from the side took out a dozen bottles of beer, and no nonsense directly greeted.

“Come and drink!”

“Yes! Drink!”

Liu Chen echoed, today this matter he is also held a belly of fire, at this time can not wait to drink a few good vent.

“Drink!”

The parents returned safely, Liu Yusong is also in a good mood, a bottle after a bottle, everyone seems to want to let out the depression in their hearts, whether it is today’s matter or the previous matter, whether it is someone else’s or their own, as if at this moment we have found the vent.

In fact, the friendship between men is so simple, a meal, a few bottles of wine, a chat, it is happy.

“Lao Si!”

The beer was put down, and Lin looked at Liu Yusong, whose cheeks were a little red at this time, obviously drinking too fast and getting a little up.

“Where’s Liu Qimeng?”

Lin Ran suddenly asked, he felt strange just now, he had just helped to save Liu Qimeng last night.

And that girl also said last night seems to be to make up with Lao Si, Lao Si also agreed, how is it that in a day’s time, she is no longer seen again?

Liu Yusong smiled and looked at Lin Ran, a trace of grief swept through his eyes, did not speak, but instead picked up a beer and poured himself.

“Hey hey! What are you doing!”

Liu Chen was busy stopping him.

“That is, you just say on the line, your thing we still do not know?”

On the side, Zhang Xu also persuaded.

Liu Yusong face full of wine, looked at the crowd, followed by the eyes red, tears immediately flowed down.

“Why are you still crying?”

Liu Chen looked at him helplessly.

“Ranzi!”

Liu Yusong snapped his head up to look at Lin Ran, then actually raised his hand and gave himself a slap, the slap was as loud as a deadly blow.

“Lao Si you!”

The crowd was stunned, did not understand what was going on.

“No one stop me!”

Liu Yusong picked up the wine glass, five fingerprints faintly appeared on his cheeks, he did not care about the same gaze cast by the people next to him, got up and rushed at Lin Ran and said.

“Ranzi, I’m blind, completely blind, I thought everything could go back because I came back, but I realized this morning that everything can’t fucking go back!”

“It was like this a year ago, and it’s still like this this morning!”

Liu Yusong said a mouthful of beer in the glass and light, “bang”, the glass pressed on the table, said seriously.

“From now on, I, Liu Yusong, swear that I have nothing to do with Liu Qimeng, whether she is dead or alive has nothing to do with me at all! I’m done with her!”

With that, Liu Yusong sat back down, but everyone could see that he was just forcing a smile on his face.

Sure enough, after less than two seconds of being strong, followed by tears flowing down.

“What is going on?”

Lin Ran looked at Liu Yusong, although this is not the time to ask, but he still had to ask, some things are like poisonous sores, you do not cut open, never know what is inside, do not know how to treat.

“She ..... She! She ran away again!”

Liu Yusong cried out in pain, covering his head living like a defeated loser.

“Last night I took her home, she said to get back together with me, we talked a lot at night, but early the next morning she did not even leave a note, and left!”

Liu Yusong painfully said.

“Brought home? And chatted a lot? I’ll be damned if I’m going to talk to you after I’m done with my business!”

To the side, Wang Yifeng asked with a laugh.

“Hmm?”

The crowd looked at him, what the fuck is this time, this fat bastard actually still thinking about the business?

“So look at me for what? Brought home, and chatting at night, that is definitely done ah, how fat master my analysis is not right?”

Wang Yifeng was surprised.

“Shut up! To your grandfather!”

Lin Ran did not good-naturedly said.

“Hey! If you think about it this way, your brother was dumped again, but at least he played once more, right?”

Wang Yifeng said in a serious manner.

Next to hear this, Liu Yusong cried even more painfully.

“Grass! Stop crying, look who’s there!”

Suddenly, Zhang Xu, who ran to the side to get a napkin, ran back and pointed to a seafood barbecue not far away and said.

The crowd sniffed and looked, and they all froze, they actually saw Liu Qimeng.

“Qimeng?”

Seeing Liu Qimeng, Liu Yusong was stunned, followed by about to get up and go over, but was stopped by Lin Ran.

“What’s the point of going over there? What you just said yourself, you forgot it so quickly?”

“!!”

Liu Yusong’s eyes were filled with pain and struggle, Liu Qimeng was his first love, he really couldn’t forget it.

“Old Fourth, will you listen to my advice?”

Lin Ran looked at Liu Yusong and spoke in a serious manner.

“They say first love is the most heartfelt, I can understand, but have you ever thought about it? A woman left you again and again, is it really because she was slutty and unrestrained?”

“!!”

Liu Yusong was speechless and did not know how to answer.

“I’ll tell you what, it’s not because she’s slutty, it’s because you’re not what she’s after, in the end you’re too trashy for her! Understand?”

Chapter 775

“Too hot chicken?”

Hearing these words, everyone froze, they didn't expect Lin Ran to say this.

“Don't mind me saying it, it's just the truth!”

Lin Ran said indifferently.

“If we compare you to a harbor, before everyone's harbor was similar, you were on pretty good terms, she followed you! But what about now?”

“Your harbor is in shambles, which boat is willing to dock? If you build your harbor very well, not to mention one boat, ten boats are looking for you to dock, do you understand? Begging is no love, you must make yourself excellent, you can grasp the initiative, even the right to pick others, or you are still dumped life!”

Lin Ran said word by word straight through the heart, Liu Yusong listened to the whole body trembling, for a time do not know what to say.

“She is there, you can find her at any time, or even go to the imperial capital to find her, but is it useful? Will she live with you for the rest of her life?”

Lin Ran continued.

“Moreover, I still say that she is not suitable for you, you are not suitable for her, only because she is your first love, you so do not want to give up, but when you really take a break from this matter, turn around and look at it again, the previous inability to cut off, unable to give up, is just a joke!”

Saying that, Lin Ran will drink the wine in the cup, while feeling out a line of bank cards slapped on the table.

“I now give you a way, I take you as a brother, give you a way, can you grasp the Lord, willing to grasp the Lord, everything in you! I've said everything I need to say, that's all I can do for you!”

Lin Ran said and pushed the bank card in front of Liu Yusong.

“There are fifty million dollars on the card, one million of which is your salary, if you promise that in the future you are my man, one million dollars a year, the remaining forty-nine million, you take it! Go to the empire and open a company for me, I don't care what you do! I also do not care how you operate, I only have one requirement, the company must be profitable, even if a dollar, you have to make money for me, no losses!”

“When you can do this, you are thinking carefully, Liu Qimeng in the end is suitable for you, then if you still want to be with her, this 50 million as my blessing to you, after you mixed into what do not look for me, this is my last brotherly love to you!”

“Ranzi!”

Liu Yusong looked at Lin Ran, his eyes were complicated and he didn't know what to say.

Fifty million, not to mention him, any other person would be a fortune that could change fate, but Lin Ran just gave it to himself so easily.

“Old four, to be honest old me quite envious of you, Ranzi so helpful, I am jealous!”

Liu Chen laughed.

“But you have to know what truth Ran Zi is trying to make you understand, rich Liu Qimeng the words kind of woman you want how many there are, but when you really have money, you will find that you want is not such a woman understand?”

“Boss forget it, you now say he does not understand, I think it is better to give it to time!”

Zhang Xu said, while looking at Lin Ran.

“Ranzi, is your company still short of people? Annual salary of 500,000 will do!”

“Fuck you!”

Lin Ran white like Zhang Xu.

“I’m serious, you don’t really want me to inherit my father’s roast chicken store, right?”

Zhang Xu had a impatient face.

“Find Lao Si, now he’s the general manager of my company! I don’t care about that!”

Lin Ran laughed.

“Lao Si!”

Zhang Xu smiled and looked at Liu Yusong.

At this moment, Liu Yusong let out a deep breath, seemed to have thought of something, and looked at Lin Ran and laughed.

“Ranzi, I understand! I’ll just ask you one thing, are you serious?”

“Of course!”

Lin Ran sipped his wine with a bashful face.

“Fine! Then I’ll show you now how I’ll come to use this first sum of money!”

Liu Yusong said picking up the bank card and turning around to leave, but he didn’t take two steps but turned his head around and rushed at Zhang Xu.

“Why are you still frozen! Vice President Zhang!”

“Vice President? I’m a vice president! Here comes the shit!”

Zhang Xu, with a lecherous smile on his face, immediately followed.

“These two people!”

Liu Chen laughed helplessly and shook his head.

“You’re not with them?”

Lin Ran looked at Liu Chen.

“Me? I’m about to get married, so I won’t be with them .....”

Liu Chen laughed, just before the words were finished, Lin Ran was laughing.

“One million a year, you better go, no you the boss pressure, I’m afraid they both fool around!”

“Deal!”

Liu Chen did not even think about it, immediately got up and followed.

“Holy shit! You are really generous to your friends!”

On the side, Wang Yifeng jerked his roasted loin, enviously said.

“Money is a foreign thing, it’s not brought to life, it’s really brothers!”

Lin Ran laughed lightly.

.....

Plus this side, Liu Yusong took Zhang Xu Liu Chen directly to the seafood store, and Liu Qimeng and the man beside her bumped into each other.

“Liu ..... Liu Yusong!”

When she saw Liu Yusong, Liu Qimeng was obviously stunned, she didn’t think she would run into Liu Yusong here, this is simply too much of a coincidence.

“What’s wrong Xiao Meng? Do you know each other?”

Liu Qimeng next to a middle-aged bald man blandly asked, his manner of speech is obviously very cultivated, a look is rich people.

“Friends ..... Ordinary friends!”

Liu Qimeng said with her head down, her heart was afraid that Liu Yusong would poke himself on the spot.

But obviously she thought too much.

“That’s right, we are just ordinary friends, before! And we will be in the future!”

Liu Yusong had a bland face, and his whole temperament had already started to change.

“How many of you want something?”

The bald man looked at Liu Yusong and the others and frowned slightly, he could tell that ever since these three arrived, Liu Qimeng’s state was not right.

“Nothing, just an old friend meeting so I came over to talk!”

Liu Yusong laughed.

“Ao! Like this!”

The bald man smiled blandly, not paying attention to the three, turned his head to look at the waiter and greeted.

“Waiter, have a set meal for two!”

“Good .....”

The waiter just answered a word, but Liu Yusong spoke up.

“Waiter, don’t let in the guests at the back, I’ll cover all the rest of the dishes!”

“Hmm?”

The bald man looked at Liu Yusong and his eyes were cold.

Liu Qimeng looked at Liu Yusong even more surprised, last night she already knew that this guy’s current situation was very rotten, otherwise she wouldn’t have run away in the night.

But now!

“Stop it, where do you have the money!”

Liu Qimeng said busily.

“I’m sorry, I have money right now! Just be dejected!”

Liu Yusong laughed, while turning around to pay and followed to leave.

“Hey sir you?”

The waiter looked stunned, but Liu Yusong laughed.

“All the dishes for the lady to bring up, can not eat all return to you! But be sure to bring them all up!”

“Ah? Okay .... Good!”

The waitress was dumbfounded, if Liu Yusong hadn’t really paid tens of thousands of dollars, I’m afraid she really thought this guy was here for trouble.

“Liu Yusong you! What the hell do you mean!”

Liu Qimeng shouted at Liu Yusong.

Liu Yusong turned around and looked at her blandly and spoke.

“This meal, break-up meal! A year ago you dumped me, and last night you dumped me again, I, Liu Yusong, am not a bicycle, every time you kick me, this time I, Liu Yusong, kicked you! From tonight onwards I have nothing to do with you!”

"I hope that when we meet, we'll still be friends. After all, college is friends, and we will see each other in the future as friends!"

After saying that, Liu Yusong's mouth showed a cold smile, turned around and left.

#### Chapter 776

The heart is indeed very painful, facing the first love who can really cut off at once, Lin Ran still can not, more likely to be Liu Yusong.

A full meal of wine until the early morning, Lin Ran and the crowd to say goodbye.

Liu Yusong, Zhang Xu and Liu Chen were completely bound, and when Lin Ran was done with the matter of the Wanbao spell formation, he would go with them to the imperial capital to choose a site for the company.

As for the future development of the company, Lin Ran believed in Liu Yusong's ability, after all, he was the smartest one in college, and his family was also a business family, although they were not big, but at least they had experience, and he believed that the funds he gave would definitely allow Liu Yusong to make a big move.

.....

The next morning, Lin Ran Wang Yifeng took Leng Zhaoge three people, directly left the Temperance City, towards the wind ling town rushed over.

The reason is that this time, the magic formation only has one day, so he did not purposely go to the four women to say goodbye, after all, now Song Nuan and Su Rou are still in class, Luo Qiqi and Qin Bing should also help in the clinic, there is really no need to make a special trip.

Fengling Town, is a very inconspicuous town in Tanjiang City, this place is surrounded by mountains, forming a very natural basin, but the good thing is that the place inside is big enough so that a town is formed.

And the most famous thing here is the abundance of herbs, but the people here are very low-key, so no one knows that the basin is also hidden in a rich town, Fengling Town.

Fengling Town, the reason why it is called this name, it is said that because in the town around the mountain, is actually a huge mausoleum, buried is the wind family, so it is called Fengling Town.

Although it sounds a little scary, but this is the legend, there are even people say that the wind tomb town is actually the descendants of the wind family, for the ancestors to guard the tomb of the place, just too many people to form the town.

For these, Lin Ran also do not want to investigate, because these are not much to do with themselves, he came to Fengling Town this time only one purpose.

He came to Fengling Town this time with only one purpose: to enter the Ten Thousand Treasures Spell Formation and find a chance! Maybe we can find the last spirit pearl, the spirit pearl for Song Nuan's bone replacement and marrow cleansing is still missing the last one, the fire spirit pearl!

"Holy shit, this place is really crowded!"

Arriving at the entrance of the town, the five people were subdued by the scene in front of them.

Only to see the entrance to the town of Fengling Town, the town was full of people, this town entrance was very much like the entrance to a mountain fortress in ancient times, and at this moment it was surrounded by people.

"Brother Lin Ran!"

Suddenly, a voice came from the side.

Lin Ran and the others looked and found that it was Li Sheng.

"Brother Li Sheng!"

Lin Ran smiled and went up to greet him.

"You guys are really not in a hurry, many of the first hundred people have already arrived there!"

Li Sheng pointed to a halfway up the mountain inside the fortress and said.

"This Fengling Town is divided into two places, the mountainside is where those who are qualified to enter the Ten Thousand Treasures Spell Formation will go, and only there can they enter the Ten Thousand Treasures Spell Formation!"

"And in the middle of this town, the big square, is the waiting area, many of the selected people's power clan, are there!"

Li Sheng said lowered his voice and reminded.

"Yue Mountain is also here this time!"

"Yue Mountain?"

Lin Ran smiled a cold smile at the corner of his mouth, Wang Yifeng even laughed at the corner of his mouth.

"This old bastard really dares to come, Ranzi! Let's go and meet him?"

"No need, it's not like our target is him!"

Lin Ran shook his head, Yue Shan was already his defeated opponent, there was absolutely no need to waste time on him!

"I'm afraid it'll be a bit troublesome, because the road leading to the mid-levels just happens to pass through that square!"

Li Sheng frowned and said.

“No matter, unless he’s tired of living!”

Lin Ran said indifferently, followed by a greeting.

“Let’s go, it’s getting late, let’s go there too!”

The crowd had no objection, and immediately headed towards the mid-levels.

Halfway up, Li Sheng asked.

“Brother Lin Ran, I wonder who you are going to lend to me this time?”

“Ah Zhan!”

Lin Ran shouted.

“Boss!”

Ah Zhan stepped forward.

“Let Ah Zhan follow you, but we don’t even know what’s really going on inside this Ten Thousand Treasure Spell Formation, so I can only talk about it like this!”

Lin Ran said helplessly.

Indeed, what is the situation inside the Ten Thousand Treasures Spell Formation out of the people are avoiding talking about it, no one knows.

Whether people appeared in one place when they went in, or separated from each other and scattered everywhere, no one knew, so he just said so, after all, really wait to enter the Ten Thousand Treasures Spell Formation, Ah Zhan and Li Sheng were not together, then he could not help.

“This you take!”

Li Sheng suddenly touched out several pieces of jade pearls and handed them to the crowd.

“This is the sensing stone, as long as you take him with you can sense their respective positions, the Ten Thousand Treasures Spell Formation is too dangerous, one person’s action is especially so, I hope that when we enter, Ah Zhan can rendezvous with me as soon as possible!”

“Good!”

A battle also did not think much, immediately nodded.

Lin Ran and others have accepted, this is not the time to say any pretentious words, there is this thing is naturally the best.

Talking, a few people have come to the town inside, the town inside the people obviously to less, walking up the road also do not have to be crowded.

The crowd soon arrived at the square side that Li Sheng said, only to see that next to the road, a square the size of two soccer fields stood, densely packed with people, but if you look carefully you can see that these people’s clothing is divided into several categories, obviously different schools of power.

“Lin Ran!”

Suddenly, just as Lin Ran and the others were about to cross the stone platform towards their destination, a familiar voice came over.

Turning his head to look, at once Lin Ran smiled.

“Sage, long time no see!”

“Yes, long time no see!”

Qin Jie laughed, yes this time he had come too.

“Brother-in-law, how about it? Do you want to join hands with brother me?”

To the side, Qin Feng jumped down, and beside him followed a big brawny man, obviously the attendant he was going to bring in this time.

“Anywhere, if you’re not sure about your strength, you can follow me!”

Lin Ran laughed.

“You kid, if not for the sake of my sister, talking so crazy old man would have beaten you up!”

Qin Feng said irritably, while also followed the jump down.

“Let’s go up together, it’s almost time!”

“Time?”

Lin Ran smiled and was stunned.

“Why don’t you know?”

Qin Feng looked at Lin Ran and said with a helpless expression.

“Eight o’clock on time to open the universal treasure spell formation, first to first, now it is seven fifty!”

Qin Feng did not have a good temper said.

Lin Ran look at the table is really, suddenly some helpless.

“Really do not know!”

Embarrassed smile, Lin Ran is ready to continue to catch up.

But not by chance, at this time, another voice came over.

“Lin Ran’s son! Stop right there!”

This voice was also very familiar, but the words were filled with anger, and it was so loud that it immediately attracted the surrounding crowd.

Lin Ran and the others turned their heads to look and found that the speaker was none other than Yue Shan, who was standing on the stone platform, looking down at Lin Ran with anger in his eyes, while next to him was standing Yue Feng.

“Yue Shan old bastard, why are you shouting at your grandfather?”

On the side, Wang Yifeng laughed aloud.

As soon as these words were spoken, there was an uproar around, daring to shout Yue Shan in public like that was simply challenging the majesty of the Imperial Yue Family.

“Brush! Brush brush!”

Sure enough, as soon as Wang Yifei’s words fell, a group of Yue family guards next to Yue Shan, one by one, drew out the weapons in their hands, their faces were full of killing intent.

Chapter 777

“Who is this person? How dare he challenge the Imperial Yue family? You’re tired of living!”

“Who knows, there are many who are not afraid of death these days!”

“I don’t think so, that kid is surrounded by Qin Feng, obviously has a friendship with the Qin family!”

“This Qin family and Yue family openly fighting, this time I’m afraid it’s not the Qin family backing it up!”

The surrounding crowd is talking, for most people, the imperial capital Yue family that is definitely a huge thing, although it is not a sect, but this kind of family’s heritage is deeper than some sects.

“Yue Shan, do you still want your old face? How old are you to be serious with a junior, it’s not just that you lost to Lin Ran last time, why do you want to bring people to beat you this time!”

On the side, Qin Ji directly stood out, and said this directly to poke Yue Shan’s old bottom.

“What? Yue Shan lost to that kid, how is this possible!”

“Holy shit, this is fake!”

“Bullshit, a relative elder of the Qin family can lie?”

“Holy crap, who the hell is that kid, so dangling!”

The surrounding group of people were immediately confused, Yue Shan lost to him, so wouldn’t his strength also reach the Heaven Seizing Realm, then still come to participate in what the Ten Thousand Treasures Spell Formation, already not qualified, right?

“Gentlemen!”

The crowd was discussing, when suddenly, the relative spoke again.

“I know what you’re wondering, I can tell you very seriously that Lin Ran only has the hope Qi realm, but! Yue Shan really lost to him!”

“Yue Shan, you don’t deny it, do you!”

Qin Ji looked at Yue Shan with smugness on his face.

“Elder!”

On the side, Yue Feng looked with a gloomy face, but at this time the two elders were talking, there was no place for him to interrupt here.

“Qin Ji, is it interesting to say these cool words? Is your strength higher than mine?”

Yue Shan looked at Qin Ji, his face equally gloomy.

“No! I’m not like Lin Ran either, did I deny it?”

Qin Qi was also dry, directly saying that he was not as good as Lin Ran.

“Humph! I’m looking for Lin Ran for something else this time, it has nothing to do with your Qin family, don’t wade in the muddy water!”

Yue Shan glared at Qin Ji and turned to look at Lin Ran.

“Lin Ran! Hand over the stuff!”

“Stuff? What stuff?”

Lin Ran was stunned at his words and wondered.

“Your Yue family’s stuff, when did it come into my hands? I seem to remember that I’ve only taken one thing from your Yue family so far, and that’s Yue Bu’s life! How do you want me to pay for my life?”

“You!”

Yue Shan’s face sank as he heard this, Lin Ran saying this at this moment was simply slapping the Yue family’s face in public.

“Holy shit! Yue Bu’s life!”

“Yue Bu is really dead!”

“I said how come I didn’t even see Yue Bu this time!”

“That Yue Feng turned out to be a substitute ah, Yue Bu died, so this time the Wanbao spell formation is only he stood out!”

“That brother fierce ah, actually killed Yue Bu directly, that is the Yue family carefully cultivated disciple ah, and is said to be Yue Shan’s disciple!”

“That is not a stone hammer, disciples are dead, this Yue Shan actually still not kill Lin Ran, that is obviously really can not beat ah!”

The crowd chattered even more fiercely, Yue Shan looked blue, knowing that it could not be dragged on, the longer it dragged on, the worse it would be for the Yue family’s reputation.

He turned his head and looked at Yue Feng, with anger in his eyes, scaring the latter to hastily lower his head.

“It’s all because of what you did!”

Yue Shan snorted coldly and turned to look at Lin Ran.

“Hand over Yue Feng’s short sword!”

“Short sword?”

Lin Ran smiled and suddenly dawned on him, and a dark red short sword appeared in his hand with a flip of his palm.

“You mean this hilt?”

“That’s right!”

Yue Shan said in a cold voice, this sword was exactly what the family gave Yue Feng after he was promoted up, also hoping that he could grow up inside the Ten Thousand Treasures Spell Formation this time, but who knew that before the Ten Thousand Treasures Spell Formation had even entered, the short sword had already been robbed of a handle.

“Give it back to me!”

Yue Feng looked with greed in his eyes, this short sword is his original magic weapon, the loss of one is very big impact on him.

The people around looked dumbfounded, they didn’t expect that Lin Ran had not only killed Yue Bu, this also snatched someone’s weapon, this was simply the nemesis of the Yue family people.

“Give it back!”

Yue Shan looked at Lin Ran with anger in his eyes.

“Hurry up!”

Yue Feng also hurriedly urged.

However, Lin Ran was holding the short sword and seemed to have no intention of returning it, he looked left and right, and finally looked up at Yue Shan.

“Return it?”

“On what grounds?”

“What do you mean by what, that’s my Yue family’s stuff!”

Yue Shan was so angry that he said angrily.

“To the Yue family’s!”

Yue Feng also hurriedly echoed.

“O?”

Lin Ran, however, laughed.

“Of the Yue family? It has the words of your Yue family engraved on it? Or does it say that this short sword comes from the Yue family?”

“I’m baffled, you guys take a weapon to fight, get robbed by others, and others have to return it? Are you guys sick in the head, or do you think that the whole world belongs to your Yue family and you can do whatever you want?”

Lin Ran laughed.

“I see! It’s just old and idle, if he doesn’t jump out and say a few words, afraid that others will forget that their Yue family still has him as an old and immortal existence!”

On the side, Wang Yifeng laughed.

“Bastard!”

Yue Shan’s face was gloomy and his gaze was cold and stern as he looked at Lin Ran and said coldly.

“Less nonsense, this short sword you must return today, or do not think about the mountain! The old man still has the ability to leave you behind!”

“O? Then you try!”

Lin Ran smiled at his words.

This Yue Shan knows that he can’t beat himself, he actually started to Wan Rascal, and wants to trap himself and not let himself go up the mountain, this is really shameless to the core.

“Yue Shan, you are really shameless the older you get, you really think this Fengling Town is your Yue family’s turf? You do it for me to see? My Qin family is the first to say no!”

Qin Ji’s face sank, also stood out.

At this time, many people around were attracted over, and even the red-robed youth, but he seemed to have little interest, blandly looked at the road continued.

Xu Qingfeng, on the other hand, because of the more active, long ago on the mountain, at this time, although know what happened at the bottom of the mountain, but helplessly has no way to rush back.

“I should have known to wait at the bottom of the mountain, or Tongda this falling dog!”

“Come on, let’s go in!”

Lingsha greeted the attendant next to him, and immediately walked towards the place where he entered the Ten Thousand Treasures spell formation.

“Miss, don’t you want to wait for him?”

The attendant seemed to know about Ling Sa and Lin Ran’s affair.

“No, that kid is so fond of making a splash everywhere he goes, we’ll just go treasure hunting first, we won’t wait for him! Rubbish!”

Ling Sa said, and instantly walked towards the front.

.....

“Qin Ji! That kid isn’t even your Qin family’s son-in-law yet, and you’re so anxious to defend him?”

Yue Shan’s face was ugly, with Qin Qi here he really had some difficulty, even if he struck out at Lin Ran, with Qin Qi on the side, he would probably stop him.

“That’s none of your business, anyway, the more I look at you, the more annoying I feel, so I want to fight against you how!”

Qin Qi looked unreasonable.

“You!”

Yue Shan was so angry that his face turned blue, but there was nothing he could do.

“Lin Ran! I advise you to honestly hand over the things yourself, take things that are not yours and be careful of choking to death!”

Yue Shan suddenly looked at Lin Ran, his eyes cold.

“Is that so? Then I’d really like to know how choking to death is!”

Lin Ran said indifferently.

“Humph!”

Yue Shan snorted coldly at his words, and immediately turned his head to leave.

The surrounding crowd was dumbfounded, they didn’t expect this Yue Shan to finally give up, this Lin Ran was too powerful, his face was actually so big that he could make Qin Ji stand up for him.

But just as the crowd was thinking, suddenly, Yue Shan actually turned around violently and lunged at Lin Ran with the wind at his feet.

At once, everyone around was confused.

If word of this got out, not to mention Yue Shan, I’m afraid the entire Yue family would lose face, not to mention him.

“Yue Shan! You shameless!”

Qin Ji reacted half a beat slower, and when he chased out, he already realized that he was too slow!

“If you took something from the Yue family, then take your life to amuse yourself!”

Yue Shan’s eyes were full of killing intent, his hands only on the breath soared, obviously already moved to kill, and this move was not prepared to hold back.

Chapter 778

“Ranzi!”

Wang Yifeng was shocked at the sight of this, while Leng Zhan, who was next to him, had already rushed to Lin Ran, trying to block the blow for him.

From the day Lin Ran cured his leg, he had already given his life to Lin Ran.

“Dodge! You can’t block it!”

Lin Ran hurriedly pushed Leng Zhan out of the way, while rushing out a dozen meters with an arrow step, pulling away from the crowd, so as not to let Yue Shan’s attack scourge the crowd.

At this time, the surrounding people are very conscious to give way to an open space, only Lin Ran alone in the middle.

“Still playing sneak attack, want something to take ah!”

The short sword in Lin Ran’s hand was thrown violently to the ground, and it was stuck in the ground, while he was standing next to it, with the look of waiting for you to come and take it.

“Arrogant little boy, looking for death!”

Yue Shan’s eyes burst with killing intent, asking for the short sword for Yue Feng was originally a gimmick, he also wanted to take advantage of this to be able to kill Lin Ran, cultivators all boast of being broad-minded and benevolent!

But really encounter a junior forced their own strength are strong, and how many people can not change their state of mind, this Yue Shan is obviously narrow-minded people, Lin Ran killed the heart, need an excuse.

In the meantime, Yue Shan has already rushed to Lin Ran’s front, hands only on the rise of black loathing, rushing Lin Ran’s heavenly spirit cover and slapped over.

“Is there no progress at all?”

Lin Ran saw the situation and smiled blandly, his body leaped, his feet directly touched with Yue Shan’s palm, followed by the force to come to an aerial back body turn, followed by the double fist and Yue Feng collided together.

All this happened too quickly, many people present almost did not see clearly.

But the next scene they are realistic to see clearly.

Directly Lin Ran jumped higher and higher the more he fought, and finally jumped directly to the top of Yue Shan’s head. Both feet rushed downward and kicked Yue Shan’s head.

“Hmm?”

Yue Shan felt that something was wrong and hurriedly dodged, but Lin Ran had been waiting for him, as soon as he dodged, Lin Ran immediately followed, and his two feet were like machine guns constantly tucked in his chest.

“Bastard!”

Yue Shan’s hands hurriedly went to block, but his speed was not advantageous, and soon Lin Ran’s foot broke through his defense and kicked him in the chest.

A huge footprint was clearly imprinted on his chest.

“Old scoundrel! Send you to meet with Yue Bu today!”

Lin Ran’s eyes also fiercely chilled, the dagger in his hand with the broken tip had already appeared, and the sharp cold aura stung the eyes of the surrounding onlookers as soon as it appeared, so it could be seen how sharp it really was.

“Die!”

Lin Ran’s hand dagger flung, rushed Yue Shan’s neck directly cut over.

“What!”

Yue Shan was so frightened by this scene that cold sweat broke out at the back of his spine, he could feel the sharpness of that dagger, I’m afraid that killing him wouldn’t even stop, it would cut his neck in an instant.

“How can he have this level of magic weapon!”

Yue Shan’s heart was greatly alarmed, but at this time left him little time, he hurriedly turned his hand and took out a piece of something similar to a turtle armor, which was the size of a face basin, and was placed on his chest for defense.

“Bang!”

Almost at the same time he took out the thing, the dagger had already stabbed over with a muffled sound, instantly piercing through the thing in his hand, followed by a slash towards the neck.

“Bastard!”

Yue Shan completely panic, a hand will throw away the things in his hands, hands quickly block, in a hurry one hand actually did not block the way, he watched the dagger cut through his cheek, will be a strand of his white hair neatly cut off, simply blow hair.

In the nick of time, fortunately his other hand blocked the dagger and sent it flying back with a slap, which held his own life.

But at this time he has become a bird of prey, where he still dares to fight with Lin Ran, heart cold with anger, but did not dare to go up, on second thought, he actually directly took out a golden talisman seal.

The body of the seal is golden, very delicate and beautiful, was taken out of the instant, Lin Ran felt his surrounding breath in the faint trembling, obviously by the seal to mobilize.

“Forcing the old man to use this Golden Law Runic Seal, you are proud enough to be proud of yourself!”

There was madness in Yue Shan’s eyes, and he instantly struck the talisman seal over.

At once the surrounding sky changed dramatically, and countless five elemental auras were quickly devoured by the talisman seal, as if a fierce beast that was brewing a terrifying power was madly devouring the power.

“Yue Shan! Are you done? This is not a place where your Yue family can run wild!”

Suddenly, a strong voice resounded through the sky, followed by everyone clearly saw, in the distance halfway up the mountain, a huge palm fiercely poked out, a slap smashed the golden spell seal in mid-air, the sky was filled with golden light just like a firework.

“Wind ..... Wind .....”

Yue Shan face pale, legs can not stop trembling, just about kneel down.

“In the unbridled, the old man directly shoot you dead!”

The other party did not have a good temper, a rebuke all over not to speak.

“Bastard!”

Yue Shan gritted his teeth heart is very reluctant, people also lost, the bottom of the box also used, but in the end? Lin Ran is still alive and kicking, instead he himself this time is really embarrassed to the home.

“Elder Yue Shan, still playing?”

Lin Ran pulled the short sword up from the ground and raised it with a smile.

“Humph!”

Yue Shan’s face sank as he turned around and was about to leave.

“Elder, the short sword is still in his hand!”

On the side, Yue Feng was very reluctant.

“I’m not fucking blind, go get it yourself if you can! Piece of shit!”

Yue Shan was so angry that he almost had to slap Yue Feng to death with his hands, this was simply a disgrace.

“.....”

Yue Feng did not dare to breathe a breath, facing the angry Yue Shan, he was really afraid that the other side of a slap to kill himself.

But the surface does not dare to say, the heart is already Yue Shan to greet several times.

“Fuck, the old man to take the blame for their own disgrace, rushed me to temper, their own garbage can not beat that kid, but also blame me?”

Cursing in the heart, at the same time Yue Feng still rushed to follow, magic weapon is lost a, but at least there is still one in the hand, ten thousand treasure spell formation has begun, he also can not continue to waste time.

“Thank you, Elder Qin Ji!”

Lin Ran smiled and arched his hand at Qin Ji, then also ignored the strange eyes cast by the surrounding people, led Li Sheng and Qin Feng and other people together towards the half mountain side.

The time dragged on so just, ten thousand treasure spell formation has already started, and there are only those of them left who have not yet entered.

.....

Halfway up the mountain, in front of a very secluded thatched hut, a white-haired old man leaned leisurely on a chair.

“Patriarch! You are looking for me?”

Suddenly, a woman in white appeared, her silver hair flowing skin is very fair, but the face is wrapped in a layer of light veil, so that people can not see its face.

But the vague outline is all telling, its appearance is how beautiful.

“Linglong! Who is that kid?”

Feng Qi sat up straight from his chair and asked.

“Lin Ran, one of the top three in the top one hundred this time!”

The woman in white named Linglong said.

“O? Bring him to me later, I want to treat him to a cup of tea!”

Feng Qi laughed.

“Clan chief? Invite him for tea? Wouldn’t this courtesy be too high?”

Feng Linglong was surprised, to know what the status of the Feng Clan Chief represented, actually inviting Lin Ran to drink tea, this was definitely a groundbreaking invitation.

“That kid is the person chosen by the ancestor, inviting him to have a cup of tea is not too much!”

Feng Qi laughed.

“The person chosen by the ancestor?”

Feng Linglong was stunned at the words and could not help but be a little surprised.

“What? You didn’t see it?”

Feng Qi was a little surprised.

“See what?”

Feng Linglong indeed did not see, just now she had been busy with others entering the Ten Thousand Treasures Spell Formation.

“That kid has fast turtle bones on him, apparently used twice, the ancestor seems to be very interested in the kid!”

Feng Qi laughed.

“Turtle bone token?”

Wind Linglong heard the words face also became serious, as a wind family she knows only too well, the coldness represented by the turtle bone, to this also dare not have the slightest carelessness, immediately in accordance with Feng Qi's instructions to do.

Chapter 779

A group of people quickly arrived at the halfway point of the mountain, but by now everyone else had already entered the Ten Thousand Treasures Spell Formation, and only Lin Ran and Yue Feng were left outside.

"Follow me if you enter the spell formation!"

At the entrance of the fortress, Feng Linglong couldn't help but look at Lin Ran two more times and said blandly.

"Holy shit! Did Ranzi see that, extremely good!"

On the side, Wang Yifeng already looked straight, although Feng Linglong with a veil, but this does not affect her in any way is beautiful, just that out-of-the-ordinary temperament general women can not have.

"Shut up!"

Lin Ran busy glared at Wang Yi life, this guy is what time still look at the beauty, the other party a look is in charge of the wind family of the Wanbao spell formation, this dead fatty if you annoy the other party, their little lives will not be accounted for here.

"No, I just think it looks good, good-looking and not let people say!"

Wang Yifeng said resentfully, and knew that his words just now were a bit presumptuous.

A group of people followed Feng Linglong soon came to a fortress located halfway up the mountain, which is built on the mountain, the front is the fortress behind the mountain.

"Wanbao spell formation is inside this cave, do you guys want to go in now or wait for Lin Ran together?"

Feng Linglong looked at the crowd and asked.

"What do you mean?"

Lin Ran looked at her in bewilderment, what do you mean wait for me together, aren't we going in together?

"Before you go in, there is a reward you forgot?"

Feng Linglong said.

Lin Ran smiled and suddenly dawned, almost forgot about this, won the top three of the competition for treasures, indeed there is a gift.

"In addition, the location that appears inside this Ten Thousand Treasures spell formation is random, so whether you wait or not is actually the same!"

Feng Linglong looked at the crowd.

“Just wait, you guys hurry up!”

Qin Feng urged.

“Good!”

Feng Linglong also stopped talking nonsense, and took Lin Ran and walked towards the side.

Lin Ran followed her and didn't ask too many questions, the two of them went straight through a small path and soon an ordinary thatched hut appeared in front of them.

“Your reward is inside, someone will give it to you, go in!”

Feng Linglong said.

“Many thanks senior!”

Lin Ran bowed respectfully.

Feng Linglong, however, looked at him with a slight frown and said with dissatisfaction.

“Senior? Am I very old?”

“Uh .....

Lin Ran was speechless, but his heart was a little speechless.

“Who knows how old you are with a veil, can't shout you beautiful lady ah, if you kill me how to do!”

“I'll go in first!”

Do not know how to pick up, Lin Ran simply do not pick up, stiffen up and walked towards the thatched roof.

“This kid, still shy!”

Under the veil, Feng Linglong revealed a smile, she has not been interested in a man for a long time, and the other party is still a young youth at a young age.

.....

Arriving at the thatched hut, Lin Ran immediately saw an old man leaning back in a chair to rest.

“Senior, junior Lin Ran, come to collect the reward!”

Lin Ran stood in the doorway and said respectfully.

“Well! Come in!”

The old man smiled and said, he was naturally the current patriarch of the Feng Family, Feng Qi.

“Elder!”

Lin Ran walked forward and stood respectfully.

“Come sit down and talk!”

Feng Qi greeted with a smile, while two items appeared on the stone table with a wave of his hand.

“This is?”

Lin Ran looked stunned, two items, one was a token-like object, while the other was a very delicate wooden box with carved dragons and phoenixes on it was not a mundane object at first glance.

“The token is the credential to enter the hub, and what’s inside this wooden box is your reward this time!”

Feng Qi smiled.

“Open it and see?”

“Mm!”

Lin Ran suppressed the excitement in his heart and picked up the wooden box and opened it right away.

At once a pure aura came to his face, what appeared in front of him were two round discs, these two discs were full of light and color, at first glance, they were magic weapons made of superior materials, and the aura emitted from them was not mundane, at least definitely not worse than Wang Yifeng’s divine Dragon Blade.

To know the divine dragon knife but the pillow book to take the material divine dragon axe, and then melted into, at least is also looking at the Qi realm top magic weapon, and this disc in front of you, is obviously also this level.

“These two discs are a set of top magic weapons of the Qi Watching Realm, ten years ago was taken out of the Ten Thousand Treasures Spell Formation, but that person later died, the discs were finally recovered by our Feng family after several weeks!

Feng Qi recalled, and then looked at Lin Ran.

“This time as a reward to you, you have two choices, the first directly for your own use, that token will be useless, the second, take the token and this disc, enter the formation hub, find the place where the token guides to put the disc back, in return you can pick other things within the formation, now choose!”

“Senior, I would like to ask inside the Ten Thousand Treasures spell formation, can there be fire spirit beads?”

Lin Ran asked, facing such a top-notch magic weapon, it was false to say that he was not impressed, but now he did need the fire spirit pearl more, so he was a bit torn.

“There are many wonders in the Ten Thousand Treasures Spell Formation, you can go and take a look!”

Feng Qi laughed.

“Many thanks senior!”

Lin Ran nodded and immediately put away both the token and the disc, following which he was about to get up.

“Wait! When you’re done with the stuff, don’t you want to have a cup of tea with me, senior?”

Feng Qi suddenly said.

“Have a cup of tea?”

Lin Ran was stunned, he had delayed quite a lot of time, if in not enter the Ten Thousand Treasures spell formation, this mere day of time is not enough, I’m afraid.

“Don’t worry, I’m not a stingy person, I won’t delay you for long, and in return, I can give you a gift!”

Feng Qi laughed.

As soon as Lin Ran heard this, he directly sat back in his seat.

“Come, try this fine clear spring of mine!”

Feng Qi laughed, and with a wave of his palm, a pot of tea and two tea cups appeared on the table.

Tea cups inside is full, although not yet drink, that faintly already has a tea fragrance wafted out, Lin Ran smell a moment out of mind.

“Taste a bite!”

Feng Qi laughed.

Lin Ran nodded, immediately picked up a sip, immediately a warm feeling into the body, as if a hot spring in the winter, to melt away the body’s cold winter.

“Good tea!”

Lin Ran couldn’t help but exclaim.

“It’s good if you like it!”

Feng Qi laughed, while taking a sip himself, and while putting down the teacup again, he spoke.

“Where did you get your turtle bones?”

“Hm?”

Lin Ran heard a startled, the heart can not help but nervous, the existence of the wind old man is a big secret of his, if the pillow book is the absolute secret core, then the wind old man is also second only to him, but now wind Qi this word seems .....

“It is the compulsion Yang hands snatched!”

Lin Ran said as such, one is to answer him, two is also to see what he will say, after all, wind Qi know the existence of wind old, he also do not know, so can only take a step to see a step.

“Ao, that kid actually has a turtle bone in his hand too!”

Feng Qi pondered.

“Yes, he has a piece inlaid on his magic weapon halberd, which was snapped off by me at first!”

Lin Ran said.

“Then how did you know that he had it on his halberd?”

Feng Qi suddenly looked at Lin Ran and asked with a smile.

Lin Ran was stunned, and his eyes became wary.

“Haha! Just asking, well it’s almost time, you should go back!”

Feng Qi laughed.

“Another gift for you, you six people this time, two by two groups I can arrange not to let you separate, but only two of you!”

Feng Qi laughed.

“Many thanks senior!”

Lin Ran smiled and bowed, can let them not separate, although only two groups of two, that is also very good, at least two people together the probability of survival is also large.

Chapter 780

Ten minutes later, the entrance to the cave of the Ten Thousand Treasures spell formation, Lin Ran and others finally walked in.

For Lin Ran got something he did not say, others naturally also very sensible did not ask, at this time the delay has been quite a lot of time, the crowd also do not want to waste time.

Inside the cave was dark and surprising, except in the middle of the cave, there was a stone platform with a stone pillar on it, and on the pillar was a basketball-sized stone.

This stone emits a budding white light, seems to have a flow of light, looks very comfortable.

“Get ready, I’ll send you in!”

Feng Linglong stood aside, slender jade hand waved, immediately the white stone then shot out seven rays of light, instantly enveloped Lin Ran Li Sheng as well as Qin Feng and others, the next moment the light was great, followed by seven people directly disappeared in place out of thin air.

The surrounding area is hazy, white light blinding, so that people simply can not see clearly where they are.

“Remember, if you want to come out, crush the talisman, time a day, when the time is still not out, then you can only wait three years later!”

Feng Linglong’s voice sounded in his ears, followed by Lin Ran felt his hand more than a jade thing, should be she said the letter talisman.

The surrounding white light quickly dissipated, and soon a wretched earth appeared in front of Lin Ran, making him look stunned.

The earth, which was dark red, seemed to be stained by blood, and everything around was very desolate, not to mention the trees, not even a single weed, as if the whole world had been burned, everywhere was desolate and dilapidated.

“What’s going on? What’s going on? Holy shit! What’s going on with Lin Ran?”

Suddenly, a voice sounded in Lin Ran’s mind like an explosive thunder.

“What are you mad about?”

Lin Ran speechless, how the pillow book suddenly followed like a demon, launched a crazy.

“Ranzi! Where is this! Quickly tell me where this is?”

The pillow book looked excited, as if it had seen its old mother.

“Nonsense, where else could it be, the Ten Thousand Treasure Spell Formation!”

Lin Ran said without good humor.

“Bullshit, how can this be the Ten Thousand Treasures Spell Formation, this is ....”

The pillow book was abnormally excited, but soon it quieted down, Lin Ran could feel that the excitement in his heart seemed to sink into silence, as if he had seen through something

“What is going on?”

Lin Ran asked busily.

“I knew I was overthinking it!”

The pillow was disappointed and sat down on the golden paper, lowering his head and not speaking.

“What the hell is going on? Tell me!”

Lin Ran asked busily.

“The aura in this Ten Thousand Treasures spell formation makes me feel familiar, I just thought I was back in my world, but now I realize that this place turned out to be just a small world!”

Pillow Book said indifferently.

“A small world? You’re saying that this Ten Thousand Treasures Spell Formation is a small world?”

Lin Ran was stunned, he had always thought that this place was just a battlefield of engagement, but now the pillow side book actually said that this was a small world!

“That’s right, it is a small world, this is a spatial-like magic weapon, in my world although also very precious, but I have seen a lot, the breath inside this magic weapon and my world breath a touch the same, should be brought from my world!”

The pillow book blandly said, although it came across something from its own world, but only a broken magic weapon, obviously it can not raise interest.

“You should not be too sad, there will always be a chance to go back in the future!”

Lin Ran said comfortingly.

“Maybe!”

The pillow book lazily lay down on the paper, ready to go back to sleep.

“To remind you, this small world is already tragically broken, it will collapse at any time, in addition, three kilometers in front of you, there is a person trapped, do you want to go to save it?”

The pillow book blandly said.

“How do you know?”

Lin Ran was stunned to hear, how this guy seems to be familiar with the things inside this small world.

“Nonsense, the aura inside is what I am most familiar with, my divine sense now radiates out and can cover at least a hundred miles around, I can even mobilize the entire power of this small world if I want to!”

The pillow said disdainfully.

“Holy shit! So dangling!”

Lin Ran could not help but burst out a foul mouth when he heard.

“Come on, don’t flatter me, if I really use the power of this small world, you will all die out here, hurry up and go!”

The pillow said without good humor.

Lin Ran nodded, before his consciousness returned to reality.

“Boss, what now?”

Wang Mao didn’t notice Lin Ran’s abnormality and looked around vigilantly.

“Go to the left front, three kilometers to see what’s going on!”

Lin Ran said, at this time, just the two of them, since the pillow book said that a person was trapped ahead, then he also went along to see, maybe he could meet an acquaintance, and according to the map provided by Wind Elder, the location of the suitable magic weapon he was looking for, was also in this direction.

Three kilometers, for the two can be described as very close, just a few minutes, the two have crossed a large desolate distance, came to a large pit.

In front of them was a huge deep crater, which was sunken as if it had been struck by a meteorite.

And at the bottom of the deep pit, there was a man doing it on a plate, his hair snow-white, a dress has been completely torn, if not wrapped in dark red mud, I'm afraid to run naked.

Look at the age of that person seems to be a little older than Lin Ran, but also definitely not older than a few years.

"Hmm?"

Suddenly, the man snapped open his eyes, he saw the two Lin Ran above the deep pit, and a trace of confusion swept through his eyes.

"Why is there still someone? Isn't everyone going to die?"

He murmured softly, but followed with a start, seemingly thinking of something.

"Ten thousand treasures spell formation! Again ..... It's open again, I'm saved!"

The deadly aura on his face immediately dissipated and was replaced by ecstasy as he hurriedly got up and shouted at Lin Ran.

"Friend, help me! I can tell you everything about this place, including all my treasures!"

"Who are you?"

Lin Ran looked at him and asked, not saying yes straight away, this man was dressed strangely not like someone who had just entered, making him suspicious.

"My name is Qing Mu Ya, I'm a disciple of the Clear Wind sect! You must have heard of our sect right!"

The other party said busily.

"Qing Mu Ya? The Clear Wind Sect?"

Lin Ran frowned slightly at his words, he didn't expect to meet a disciple of the Clear Wind Sect just after entering, but this person's strength was obviously too much higher than Xu Qingfeng, so how come he had never heard of his name before.

"Since you're from the Clear Wind School, and you're looking for me for help, don't you know that I have a grudge against one of your sect's disciples?"

Lin Ran frowned and asked, instead of trying to probe it would be better to just open up the sky and say something.

"Conflict? Brother did you misunderstand!"

Qing Mu Ya was a little anxious, it was hard to meet someone, but it turned out that the other party also had a conflict with his own sect, this is simply playing him ah.

"No brother, listen to my explanation, I came here three years ago, not your batch, so you have conflicts with other Qingfeng sect disciples, it has nothing to do with me, I am innocent to be implicated! Brother as long as you save me out, I'll definitely clean up that unintelligent junior disciple!"

Qingmua hastily shouted.

“Three years ago?”

Lin Ran was stunned when he heard that, what is this? Could it be that there are still people who came in before and didn't go out?

“Explain clearly, what do you mean by coming in three years ago? Why didn't you go out?”

Lin Ran asked.
