

Wonder Doctor

Chapter 851

“Full of shit, simply full of shit!”

Yue Qiu was so furious that his face turned blue, he wanted to break Lin Ran into pieces.

“Don’t be anxious, your more desperate ones are still to come eh!”

Lin Ran laughed lightly, following which he withdrew the last silver needle, and then Xiao Ma stood up from the ground, his whole body actually looking much better.

“Little horse! Let me ask you, whose driver are you!”

Lin Ran said indifferently.

“Yue Qiu of the Yue family!”

Xiao Ma said indifferently, his entire body standing motionless in place as if he was being controlled.

“What about the marriage proposal?”

Lin Ran continued.

“It was also arranged by Yue Qiu, he gave me half a million to propose and disgust the Qin family!”

With that, Xiao Ma took out the bank card from his pocket.

“Very good!”

Lin Ran took the bank card and handed it to Qin Qi who was next to him, before looking at Yue Qiu.

“Do you still have something to say?”

“You!”

Yue Qiu’s face was ugly as he hurriedly looked at the middle-aged man at the side, at this point he was completely out of options.

He had originally wanted to see a good show between Lin Ran and the Qin family, but he had never thought that he would end up becoming the main actor.

“That’s enough!”

The middle-aged man on the side spoke up and chided.

“He’s obviously controlled by you, so it’s still not your call to say anything!”

“I’m in control?”

Lin Ran laughed.

“Can I still control the bank card in his pocket? If it’s real or not, we’ll know on the spot if we examine it!”

There was a ready-made twenty-four hour cash machine in this lobby, just enter your password and test it to see if it was real or fake.

“Lin Ran, what exactly do you want?”

The middle-aged man looked at Lin Ran with an icy coldness on his face.

“What do I want? Your Yue family is really strange!”

Lin Ran laughed.

“Ever since I’ve known your Yue family, it’s always been your Yue family who have been looking for trouble with me, and now you’re asking me what I want, don’t you think that’s funny?”

“Trouble with you? You think too highly of yourself, a small doctor, what qualifications do you have for us to trouble you, in the eyes of our Yue family, you are just a piece of shit!”

The middle-aged man said disdainfully.

“Yue Ding! Say that again!”

On the side, Qin Mingtian was furious when he heard this, that was the man his daughter had taken a liking to, and in the future, he would even be his son-in-law, how could he tolerate being spoken to like that?

“What! Qin Mingtian, you’ve chosen your son-in-law so quickly!”

Yue Ding laughed.

“That’s Laozi’s business, what does it have to do with your Yue family!”

Qin Mingtian snorted coldly.

“Uncle, there’s no need to get angry over such a shameless family!”

Lin Ran laughed, while looking at Yue Ding.

“Looking down on me, are you, it’s alright! There have been many who have looked down on me since I was a child, I’ve long since gotten used to it!”

Said Lin Ran, turning to look at Xiao Ma.

“Are you still asking for this marriage?”

“Me!”

By now Xiao Ma had already reacted, looking at Lin Ran his eyes were filled with panic.

“I’ll only say one side, remember that! Keep on begging and I’ll make you spend the rest of your life lying in a wheelchair, as for whether the Yue family gives you money or not, that’s not my business!”

“No begging! Now get lost, remember, the Yue family can cover you in front of others, in front of me, the Yue family is a piece of shit, trying to cover you! It’s useless even if Yue Shan comes!”

There was a sharpness in Lin Ran’s words, not putting the Yue family in his eyes at all.

“You!”

Yue Qiu was so angry that his face turned ugly, while Yue Ding even revealed his killing intent.

“I won’t beg no more!”

Xiao Ma was busy saying, in the face of Lin Ran’s attitude, how could he dare to gamble, he still didn’t know what kind of virtue the Yue family had, if he was really crippled, it would be good if Yue Qiu didn’t come to fall on his sword.

“Get lost!”

Lin Ran said in a cold voice, Xiao Ma was scared shitless and hurriedly turned around and ran.

“Ranzi! That’s not right, people from the Yue family look down on you, how can you still beat up their dog’s legs like that!”

Wang Yifeng laughed beside him again.

Lin Ran also laughed at his words.

“Whether they look up to me or not is their business, but then again, so what if they look down on me? I’ve looked up to them?”

Saying that, Lin Ran’s gaze once again turned to Yue Qiu and Yue Ding, and said indifferently.

“If I’m correct, this banquet should be related to the Ten Thousand Treasures Spell Formation, may I ask where is Yue Feng of your Yue Clan? What about Yue Bu? Or is there anyone triumphant?”

The moment these words were spoken, there was an uproar.

That’s right! This banquet was, to put it bluntly, a triumphal assembly, as well as an opportunity for some of the rich and powerful in the imperial capital to make contact.

After all, every person who came out of the Ten Thousand Treasures Spell Formation was extremely valuable, and these people were also some of the rich and powerful who were willing to be better existences, but what about this time? The Yue family was almost completely wiped out, not to mention some of the attendants, even Yue Feng had died inside the Ten Thousand Treasures Spell Formation.

“Lin Ran you don’t bully people too much!”

Yue Ding’s face was ugly.

On the side, Qin Ji was laughing.

“Bullying people too much? Who exactly is deceiving people too much? Finding a time to disgust our Qin family, do you really think our Qin family has no one?”

“In previous years, it was always Yue Shan’s old man who came by himself, why did you two foreigners come over this time, are you afraid to come because you can’t lose this person?”

“You!”

Yue Ding was so angry that he was speechless, although Qin Ji's words were hard to hear, this was indeed the truth.

It was because of the decline of the Yue clan in the Wanbao spell formation this time that Yue Shan did not have the face to come over.

"Who the fuck! Who bullied Laozi's sister, looking for death?"

Suddenly, a voice rang out at the door, followed by Qin Feng rushing in.

He happened to hear Qin Qi's words and immediately laughed aloud.

"Elder Jie, this is true what you said, where is the Yue family this time, even Yue Feng died at the hands of Lin Ran!"

"Hey said Lin Ran, where is my brother-in-law? Where is he? That's the number one man!"

"It's right here!"

Qin Ji laughed.

Qin Feng immediately saw Lin Ran and ran over with a smile.

"Brother-in-law! You're really here!"

"Er"

Lin Ran was helpless for a while, he was the one who counted against him and Qin Bing being together at first, but now he was shouting out a mouthful of brother-in-law.

"Xiao Feng ah, do you know? Just a moment ago, Yue Qiu and the other two still couldn't see Lin Ran!"

Qin Ji laughed at the side.

"O? Isn't that brain-dead! The number one in the Ten Thousand Treasures Spell Formation, the top three in the competition for treasures, and they still can't look at others! Can any of their own reach that level?"

Qin Feng laughed.

As soon as these words were spoken, everyone present was stunned, and some people who had also participated in the Ten Thousand Treasures Spell Formation couldn't help but gag when they heard the name Lin Ran, their eyes filled with horror.

Some of the rich and powerful even cast curious glances one after another when they heard the first person.

Seeing this, Lin Ran smiled blandly and waved his hand.

"Let's not talk about these falsehoods, I would like to ask the two Yue family members now!"

"Xiao Ma, this marriage is not proposed, are you still asking for it?"

Both of them were stunned at the words, and their faces were hard to see.

At this moment, the two men's answer, that was about the prestige of the Yue family in the imperial capital, Yue Qiu did not dare to take it indiscriminately, Yue Ding thought about it and looked at Lin Ran and said in a cold voice.

"Lin Ran! You don't have to be too wild, the Qin family can't be your backer for life, to go against our Yue family, you better weigh yourself, whether you have this strength or not!"

Chapter 852

"Right!"

Yue Qiu also hastily echoed.

"Our Yue family's strength is not something you can think about, and really wanting to kill you is just a matter of a word!"

Yue Qiu still didn't feel satisfied and continued.

"You have no money if you want it! You need no one, what qualifications do you have to fight with our Yue family!"

Lin Ran smiled at his words but laughed.

"Right! Let's not talk about anything else, just the piece of people alone, I, Lin Ran, sigh at myself!"

"O? How do you say that!"

Qin Feng asked curiously, their Qin family really had no shortage of people.

"You don't understand!"

Wang Yifeng laughed at the side.

"Ranzi is afraid that people have too many illegitimate children!"

"Illegitimate children?"

As soon as these words came out, some people froze, but Yue Qiu was the only one whose face turned pale.

"What illegitimate children?"

Qin Feng looked over in surprise, completely not understanding what Wang Yifeng meant.

"You all don't know?"

Looking at the crowd's reaction, Lin Ran was also baffled, they actually didn't know about such a big matter.

"Don't really know!"

Qin Qi said helplessly.

Lin Ran laughed at this.

“Then I’ll tell you, from what I know so far, the Human Yue family has an illegitimate son!”

Said Lin Ran, looking towards Yue Qiu and laughing.

“Am I right Mr. Yue Qiu!”

“You!”

Yue Qiu was so angry that his face turned blue and he even wanted to find a crack in the ground.

“Yue Qiu isn’t it, you have an illegitimate son? Holy shit!”

Qin Feng instantly laughed as well.

And a group of people around them all looked at Yue Qiu, with curiosity and ridicule in their eyes.

In the Yue family, Yue Ding and Yue Qiu were the ones in charge of business, and this Yue Qiu was notoriously lustful, but no one expected that this guy actually had an illegitimate son, which was simply explosive news.

“You’ve done it!”

Covenant’s face was ugly, he could even think of what the news headlines would be in the morning.

“I’ve taken care of it all, who knew this kid would know!”

Yue Qiu’s face was ugly, and he was also a bit panicked at this point.

“What now!”

Yue Qiu asked busily.

“How should I know! Hang in there first the elders will be here soon!”

Yue Ding said helplessly.

“Why aren’t you guys saying anything, is this a tacit agreement?”

Qin Feng opened his mouth and laughed.

The others around them were each happy and sad, those who were close to the Yue family before couldn’t help but feel helpless for the Yue family’s weakness at this time, while some who also hated the Yue family were very happy.

“The Yue family still has illegitimate sons, I really didn’t expect this, I don’t know if Yue Shan would still have the old face to talk to me if he came!”

Qin Ji laughed coldly.

He had fought with Yue Shan all his life, but he had never expected such a thing to happen to the Yue family, so he had really lost all his face.

“Old man Qin Qi, what nonsense! Your family is the one with illegitimate children!”

Suddenly, a rebuke sounded, followed by Yue Shan actually rushing in with a group of people.

“Yue Shan? You really dare to come!”

Seeing Yue Shan Qin Qi also laughed.

“Why wouldn’t I dare to come!”

Yue Shan said in a cold voice while sweeping his gaze over the crowd and immediately noticing Lin Ran.

“Little Lin Ran, you really dare to come to the Imperial Capital, good! Good!”

With that, Yue Shan led his men directly in front of Lin Ran.

“What do you want?”

Seeing this, Qin Ji also led his men to rush over, and for a moment the situation in the scene became tense.

“What’s wrong?”

Lin Ran looked at Yue Shan, his expression still bland.

And the group of people around them all looked tense, Yue Shan’s status in the Yue family didn’t need to be mentioned, even his strength made many people feel fearful, but at this moment, Lin Ran faced him without a trace of timidity, which made many people puzzled.

“What’s the matter old man Yue, you didn’t get beaten up enough last time, you still want to get a beating again?”

Wang Yifeng laughed.

Everyone was stunned to hear this, especially those who didn’t know that Lin Ran and Yue Shan had fought.

“What? Yue Shan had taken a beating? Who beat him up, it can’t be that Lin Ran yet!”

“How is that possible, how old is Lin Ran! How could he be Yue Shan’s opponent!”

“It’s hard to say, you didn’t hear what Qin Feng said just now, that Lin Ran seems to be very strong!”

A group of people were discussing.

Lin Ran, on the other hand, was looking at Yue Shan, his expression still indifferent.

“Who just said that our Yue family has illegitimate children!”

Yue Shan asked in a cold voice.

“I said it!”

Lin Ran blandly.

“What proof do you have! If you talk nonsense here, believe it or not, I’ll kill you!”

Yue Shan’s face was icy cold.

“If you want to add to the crime, you can’t say anything, if you want to do it, just say so, you think I’m afraid of you?”

Lin Ran sneered.

“Hegemony!”

At once everyone around them came up with this word, facing Yue Shan and still daring to be this tough, out of domineering they couldn’t think of another word to describe Lin Ran.

“As for illegitimate children, why don’t you go ask Yue Qiu and see if he has any or not!”

Lin Ran sneered.

“Yue Qiu!”

Yue Shan turned his head to look at Yue Qiu, his eyes icy cold.

“Elder Elder, I really don’t have it, don’t listen to his nonsense!”

The first thing you need to do is to admit it. The only way to admit it would be to be sentenced to death, and he would not have to mix with the Yue family in the future.

“You heard it all!”

Yue Shan turned his head to look at Lin Ran.

“Slandering our Yue Family, you’re looking for death!”

“Yue Shan, how many times have you said this? Am I dead? Can you say something useful?”

Lin Ran laughed.

“Whether there’s him or not Yue Qiu knows in his heart!”

With that, Lin Ran took out his phone and looked it up, following which he laughed.

“Very well! There’s already news on the internet!”

Said Lin Ran, picking up his phone and shaking it at Yue Qiu, smiling.

“Yue Qiu, I can only say this once, your son was arrested by the police last night, and you should know better than me what kind of virtue this illegitimate son of yours really has, if you don’t go to save him now, I’m afraid he’ll be out for the rest of his life!”

“You!”

Yue Qiu was stunned to hear this, and his heart immediately panicked.

He only had one daughter on the surface, this illegitimate child had always been something he had hidden, and his generation’s preference for sons over daughters was wanting very badly.

This is also the reason why he only has one daughter on the surface, but is not worried.

And at this moment, when he heard Lin Ran’s words, he instantly panicked.

“What did you say!”

Yue Qiu hurriedly took out his mobile phone and looked it up, while everyone else also took out their phones to look up the information about the arrest last night.

Sure enough, it didn't take long for Yue Qiu's face to change, especially when of course he saw the name Yue San, his eyes instantly turned red.

“Yue San! Is that him?”

“Yue San that's not Yue San!”

“Such a similar name!”

“Hey hey! You guys, look at Yue Qiu!”

Suddenly, someone exclaimed, and when the crowd looked, they actually found that Yue Qiu had really run away and was rushing towards the door.

“It's real, I'm afraid this is going to save his bastard son!”

“Holy shit, the Yue family is really in chaos!”

“Now there's a good show to watch!”

The crowd around them became even more excited.

Lin Ran had caused such a mess, Yue Shan's old face had been completely disgraced, and it would be a shame if this could be resolved.

“Elder Qin Ji!”

Both Qin Mingtian and Lin Lu were busy coming together with worry in their eyes.

They were both very satisfied with Lin Ran's performance, but now it was obvious that he had completely offended Yue Shan.

What was more crucial was that Lin Ran seemed to have no other backers apart from the Qin family.

“I know all of your worries!”

Qin Qi smiled blandly.

“But what I know you guys don't know, Lin Ran he doesn't need a backer, not even the Qin family needs help!”

“Why?”

Qin Mingtian and Lin Lu did not understand.

Qin Ji, however, smiled blandly and said.

“Because there are people who are a big mountain in themselves, and Lin Ran is exactly such a person!”

Chapter 853

“This”

Qin Mingtian and Lin Lu both froze at once.

If it was said before, they would still feel in their hearts that Lin Ran and his daughter were together and pulling a bit of strings.

But now they were completely disabused of that thought.

Qin Ji’s words undoubtedly said that Lin Ran did not need a backer at all, as he was strong enough on his own.

“Lin Ran!”

Yue Shan looked at Lin Ran, his fists clenched, and the killing intent in his eyes had been undisguised.

“What? Want to make a move?”

Lin Ran smiled.

“If you want to do it, come on, don’t be dilly-dally, what am I afraid of you for?”

Lin Ran laughed, afraid? Now that he was halfway to the Heaven Seizing Realm, he didn’t even put Yue Shan in his eyes, if Yue Shan didn’t have the Yue family as a clan, Lin Ran was afraid that he would have already started killing someone.

Although he was strong enough, as of now, he was still unwilling to offend a large family, as the saying goes, dogs jump to the wall in a hurry, so there were times when Lin Ran still needed to consider other factors.

“Yue Shan, does your Yue family have to take the anger of others for their own affairs? Don’t you forget what this banquet is for, aren’t you afraid of arousing public anger if you want to make a move?”

Qin Qi spoke up.

“Qin Ji, you don’t have to put labels on me! I am afraid that you have forgotten the original purpose of this banquet!”

Yue Shan sneered.

“This banquet was originally a place for those who came out of the Ten Thousand Treasures Spell Formation to exchange ideas, and the square in the middle of the field isn’t used for cut-throat competitions!”

“Cut-throat competition? That’s also for the juniors to spar and compete, why do you have juniors in the Yue family?”

Qin Ji laughed.

“Or are you Yue Shan prepared to go up yourself, to spar with a junior who is two rounds younger than you? You’re not afraid that others will laugh off your teeth!”

“You!”

Yue Shan's face was ugly and his heart was burning with anger.

"You don't need to slander the old man here, he is young, but is it age that matters in cultivation? It's strength that counts!"

Yue Shan's gaze turned to Lin Ran.

"He killed Compass Yang, so he's qualified to be ranked among us, is it bullying the young with the old when I challenge him to a spar with him?"

"What? He killed Compulsion Yang?"

"Is that the compulsion pavilion's pavilion master?"

"The Compulsion Pavilion, isn't that a very powerful sect?"

"Oh my god it's unbelievable!"

A kind of people around were stunned, many of them were amateurs, a compulsion pavilion was strong in their eyes, but no one expected that the compulsion pavilion's compulsion Yang had actually died in Lin Ran's hands.

Moreover, this was coming from Yue Shan's mouth, this credibility was simply 100%.

"Kid! You dare to accept old man's challenge!"

Yue Shan looked towards Lin Ran with madness in his eyes.

Lin Ran's arrival in the imperial capital this time was his last chance, and if he could not kill Lin Ran this time, I was afraid that he would really have no chance in the future.

After all, Lin Ran's growth rate was so terrifying that he already felt vaguely out of his depth in his heart.

"A challenge? What about the lottery?"

Lin Ran smiled at his words.

"To each his own life and death, how about if the old man loses a number of times, you can come to the imperial capital as you please in the future, and we Yue family members will automatically evade wherever you go!"

Yue Shan sneered.

"But if you lose, you will not be allowed to leave Temperance City for the rest of your life, do you dare to take it?"

"You're really shameless, if you win I can only stay in Temperance City, if you lose you just avoid me, don't you think you're too shameless?"

Lin Ran laughed.

"Then what do you say!"

Yue Shan looked at Lin Ran with anger in his eyes.

“You lose, your Yue family members automatically avoid me, while every time you meet you have to shout, “I’m a pig, I’m no match for Lin Ran!””

Lin Ran laughed.

“You!”

Yue Shan was so angry that he gritted his teeth, while Qin Jie Qin Feng and the others at the side were all laughing.

“Don’t be unconvinced, if I lose, I’ll never be able to leave Temperance, so you’ve still earned it!”

Lin Ran laughed.

Yue Shan was silent as he pondered for a moment before finally speaking with a grit of his teeth.

“Fine! I’ll comply with you!”

“Humph! When I kill you, shout the words! You won’t hear a single word!”

Yue Shan sneered in his heart.

Following the two men straight up to the middle square, all eyes were immediately drawn to them.

Especially Qin Bing’s family, this might just be a bet and a fight to others, but to them it was a matter of their family’s future son-in-law’s safety and security.

“Elder Qin Ji, aren’t you going to help?”

Lin Lu busily stepped forward and asked, she liked Lin Ran very much and couldn’t help but be a little worried at this point.

“Don’t worry, you guys are not clear about Lin Ran’s strength, but I am clear, Yue Shan wants to kill him, hehe basically impossible!”

Qin Qi laughed blandly, his chest secure.

“Elder Qin Qi, is Lin Ran really that powerful?”

Qin Mingtian couldn’t help but ask as well.

He and Lin Lu were both ordinary people who had never been exposed to the cultivation path in their lives, but as a member of the Qin family he still knew some things about it.

“Let me put it to you this way!”

Qin Qi said with a bland smile.

“Yue Shan fought Lin Ran twice, the first time he was beaten up violently, the second time he didn’t because of some reasons, and this is the third time, and I shouldn’t need to say more about the result!”

“What?”

Qin Mingtian and Lin Lu were both shocked when they heard that.

He was the most famous among all the elders of the Yue Family, perhaps there were more powerful people hidden in the Yue Family, but at least so far, Yue Shan was the only one who could represent the Yue Family.

“Mom and Dad, don’t worry, Lin Ran isn’t someone who doesn’t know the sky is high, he won’t take it hard if he’s not sure!”

Qin Bing also said with relief from the side, but seeing her parents so nervous about Lin Ran made her happy from the bottom of her heart.

“Ai! Such a good son-in-law, don’t let anything happen to him, or else where can I find you a second one!”

Qin Mingtian lamented.

Qin Bing, on the other hand, listened with a blush on her pretty face and said in shame.

“Dad what are you talking about, so as if your daughter can’t get married!”

“Er”

Qin Mingtian had an embarrassed look on his face.

While the family was talking, Lin Ran and Yue Shan above the square were already standing on top of each other, and a big battle was about to break out.

“Little Lin Ran, it’s not too late for you to regret it!”

Yue Shan looked at Lin Ran with disdain in his eyes.

“Regret? What do you have to make me regret?”

Lin Ran laughed.

“The first time you were beaten by me like a dog that lost its home, and the second time you didn’t get half the benefit, you think that this time will be different?”

“Hmph! Don’t know the sky is high! I dare to make this bet today, do you think I’m here to play along for you?”

Yue Shan laughed, with madness in his eyes, following which he only saw him slowly stretch out his palm, and on his palm, there was actually a black glass ball lying quietly.

The glass ball was the size of a fist, and it looked dark and bright, and with the light around it, it looked even more translucent.

“Hmm?”

Seeing this glass ball, Lin Ran’s eyes instantly went icy cold.

Some of the people around him who knew what they were looking at even sucked in cold air as they exclaimed one by one.

“This This Yue Shan is too shameless, actually using something like this!”

“Ai! Who would have thought that an elder of the Yue family would actually have to use this against a young junior, it’s really a shame!”

“You can’t say that, the king is the king, as long as he can win, it doesn’t matter what he uses anymore!”

The crowd around them were talking.

Chapter 854

“Elder Sage what is that?”

Qin Bing asked busily when he saw it.

“Yeah, what is that thing? How come everyone doesn’t seem to think highly of Lin Ran anymore?”

Lin Lu and Qin Mingtian were also busy coming over, hearing the chatter of the crowd, they couldn’t help but worry for Lin Ran as well.

“That’s a Yuan Qi pearl!”

Qin Ji’s face was grave and his brows were furrowed, clearly a little worried too.

“A Yuan Qi pearl? What’s that thing?”

Qin Bing asked busily.

“A Yuan Qi pearl, a heaven and earth treasure that contains the natural power of heaven and earth, using it can boost one’s strength for a short period of time!”

Qin Ji frowned and said.

“Boost strength for a short period of time?”

The three of them were stunned at Qin Bing’s words, and their hearts couldn’t help but all lift up.

Yet Qin Qi was seemingly not finished and continued.

“Moreover, this Yuan Qi pearl is naturally bred in the heaven and earth, so using it to boost strength will not backfire on the user after the effect has passed!”

When he said this, Qin Qi said no more.

Instead, Qin Bing and the three of them had already heard and understood.

In other words, at the beginning, the strength of Yue Shan that Lin Ran had to face suddenly increased, but even if Lin Ran survived this time, Yue Shan would merely return to his usual level, and there would be no such thing as a period of weakness.

And Lin Ran had to face Yue Shan’s real strength as well as the strengthened Yue Shan the whole time.

This situation was indeed very unfavourable to Lin Ran as well.

“So, does he still have any hope of winning?”

Qin Bing couldn’t help but ask.

“Don’t worry, this Yuan Qi pearl is also limited in boosting strength, as long as it’s not the last straw that crushes the camel, Lin Ran will definitely be able to resist!”

Qin Qi said indifferently.

Hearing this from him, the three Qin Bing people were relieved.

However, Wang Yifeng was not so nice, and when he saw Yue Shan take out the Yuan Qi pearl, he was so angry that he cursed.

“You old bastard, you’re old enough to be Lin Ran for two rounds, a bet is a bet, and you’re still fucking high, do you have any shame left?”

“The imperial capital is your Yue family’s territory, and Lin Ran is younger than you, and now you’re still high on drugs, the Yue family is really an eye-opener for me!”

“What, is there no one else in your Yue family? Letting you, an old thing, stand out and get high on drugs to fight a junior? What a show!”

“Tomorrow’s news headline will be: Yue Shan of the Yue family, drugged up to fight a 20-year-old boy, and got his cherry blown off!”

“Damn fatty, what are you talking about, at his age, why don’t you go!”

Lin Ran couldn’t help but dislike him, if you scold, how can you still let yourself go to the chrysanthemum, as far as Yue Shan’s age is concerned, even a dog wouldn’t be happy to let a dog go.

“Ranzi, you just give in, this old thing is more and more difficult for me to see, later you have to clean him up for me, simply for the old man, shameless, do not Bie face!”

Wang Yifeng said angrily.

“You!”

Yue Shan was so angry that his face turned blue, he fiercely turned his head and looked at Lin Ran.

“Your friend talks a lot of nonsense, I’ll beat you down later, I don’t know if he’ll still be able to talk!”

Saying this, Yue Shan directly charged towards Lin Ran with an arrow step.

At the same time, the Yuan Qi pearl in his hand shattered with a bang, and a black aura instantly poured out into his body.

“Suffer death!”

Yue Shan had instantly arrived in front of Lin Ran.

“Holy shit! Shameless, I’ve already caught and filmed it, Yue Shan you still sneak attacked, wait until tomorrow to be on the news, I have to stink you up!”

Wang Yifeng said angrily.

“You!”

Yue Shan was so angry that he was about to explode, if he didn't have a bet with Lin Ran at this moment, he would have already rushed off the stage to fight for Wang Yifeng's life.

"You what you! You're so old and you're still stealing attacks, you really don't want to have a Bi face!"

Wang Yifei cursed angrily.

"Arrogant brat! Insolent little boy! You wait for me, after killing Lin Ran you'll be next!"

Yue Shan was completely furious.

"Gentlemen still not making a move?"

Qin Ji's face turned cold as he shouted aloud.

At once, two or three old men around them who were about Qin Qi's age all stepped forward.

They flicked their fingers, followed by several rays of light that all converged above the square.

A transparent formation instantly enveloped the square.

"Lin Ran this is a defensive formation, the battle between you and Yue Shan won't spread outside, so feel free to strike!"

Qin Qi spoke up and reminded.

"Good!"

Lin Ran smiled at his words, and it was a cold smile that appeared at the corners of his mouth.

It wouldn't spread to the innocent, then he had no worries.

"Yue Shan! Forcing your way up in strength, but you're still a piece of shit in my eyes, listen up! Three moves will send you away!"

Lin Ran said indifferently.

"Arrogance! I'd like to see how you can send me away in three moves!"

Yue Shan laughed, followed by his palm directly reaching out and grabbing Lin Ran's chest.

"Watch out! First move!"

Lin Ran smiled faintly, followed by his hands fiercely clenching his fists, and with his feet underneath him, his body suddenly twisted in a quick burst, and in an instant, he was already in front of Yue Shan.

"Catch the fist!"

Lin Ran coldly shouted, following which both fists swung out fiercely, rushing towards Yue Shan's hand.

"Arrogant!"

Yue Shan's face was filled with disdain, if he hadn't dared to fight Lin Ran so hard before, but he himself had used the Yuan Qi pearl at this moment, and his surge in strength had filled him with confidence as he directly met him.

“Bang!”

The two fists collided, and a muffled sound immediately rang out throughout the banquet hall.

Everyone was surprised to see that the defensive formation that enveloped the square could not help but tremble.

And within the formation, Yue Shan’s entire person actually flew straight to the point of flying out, smashing heavily on top of the defensive formation.

“How is this possible!”

Yue Shan hurriedly stood still and looked at Lin Ran with shock in his eyes.

“Half-step Heaven Seizing Realm, how can you be half-step Heaven Seizing Realm!”

Yue Shan’s entire face turned pale.

To think that he, Yue Shan, had cultivated for most of his life but had always been stuck at the peak of the Qi Watching Realm, never having a clue as to how far he was from the Heaven Seizing Realm.

But now, the person standing in front of him was not a young boy in his early twenties, yet he was already halfway to the Heaven Seizing Realm.

Moreover, the most crucial thing was that Yue Shan had almost witnessed Lin Ran’s growth with his own eyes, from the cricket he could easily crush to the bottom that even he had to take seriously now.

Lin Ran’s growth had caused him to feel a chill like falling into an ice cave.

“This son cannot be kept, cannot be kept!”

The killing intent in Yue Shan’s heart was unprecedented, if he didn’t kill Lin Ran, I was afraid that with the grudge between himself and him, the Yue family wouldn’t have a good outcome in the future.

“Half-step Heaven Seizing Realm, haha! Lin Ran is really something!”

Qin Qi couldn’t help but laugh even as he watched.

Even though Yue Shan had used the Yuan Qi pearl, he was still no match for Lin Ran at this point, and the victory or defeat of this bet was almost ironclad.

“Yue Shan! This is only the first punch, you’ll have to resist, otherwise it’ll be too meaningless!”

Lin Ran laughed as he followed and slowly walked towards him.

“Arrogance! Do you really think that an old man has no more tricks up his sleeve!”

Yue Shan was so furious that his teeth bared and his hands fiercely joined together, followed by a pitch-black scimitar appearing in his hand.

This scimitar was pitch black, and crucially, it was only the size of a palm, looking very miniature, but the black light that filled it made the onlookers understand that it was definitely not an ordinary magic weapon.

When Wang Yifeng saw this thing, he was stunned, followed by a smile.

“Old man Yue Shan, what is this? Why did you bring out the sword you used to self-gun back then, hurry up and take it back! It’s not too shameful!”

Chapter 855

“Bastard!”

Yue Shan glared at Wang Yifeng, the fury in his eyes overflowing.

“Why aren’t you convinced? Then come out, Master Fatty is waiting for you outside!”

Wang Yifeng continued to laugh, inside there was Lin Ran fighting him, while outside there was still Wang Yifeng messing with his mind, it was already good that Yue Shan hadn’t gone mad by now.

“Don’t get cocky, you arrogant little boy! When I’ve finished with him, you’ll be next, so let’s allow you to be arrogant for a while!”

Yue Shan snorted coldly, not bothering with Wang Yifeng, and turned his head to look at Lin Ran.

“Old man’s Black Dragon Blade has not seen blood for over ten years, this time I will take you to sacrifice your blade!”

With that, he saw Yue Shan waving his hands, and at once the Black Dragon Blade of the Scimitar came towards Lin Ran’s neck, and the Black Dragon Blade was spinning around, even bringing a sound of breaking air wherever it passed.

“This is a bit troublesome now!”

Next to him, Qin Qi looked vaguely worried.

“What’s wrong?”

Qin Bing and the three of them were busy asking, they were all happy that Lin Ran’s situation had improved, but at this moment, seeing Qin Qi’s face, they were not only worried again.

“This Black Dragon Blade is Yue Shan’s original magic weapon, I’ve only seen it once in all these years, I didn’t expect him to use it in his anger this time!”

Said Qin Qi, looking towards Lin Ran.

“And Lin Ran, I remember that he has no magic weapon, so he would have to deal with this Black Dragon Blade with his bare hands!”

“No magic weapon?”

Qin Bing was stunned and puzzled in her mind, how come Lin Ran didn’t get one?

She had seen Wang Yifei’s Divine Dragon Axe, but now it seemed to have been replaced with the Divine Dragon Blade, but when she thought about it, Lin Ran really never seemed to have used a magic weapon!

“It’s impossible to explain this matter, maybe Lin Ran has it and has just never used it, or maybe he hasn’t come across the right one yet!”

Qin Ji said worriedly.

When he said this, it made even Qin Bing’s three people’s hearts seize up.

The situation on the field was changing rapidly, and while they were just a little worried, the situation in the field had already changed.

They saw that Lin Ran, facing the Black Dragon Blade, actually met it instead of dodging, and just lunged directly towards it with his bare hands and fists.

“Ignorant little boy, you still dare to resist my Black Dragon Blade!”

Yue Shan laughed, his face filled with disdain.

“Black Dragon Blade? You are the White Dragon Blade, the Green Dragon Blade, and I will make it a masterless dragon blade today!”

Lin Ran laughed coldly, following which his hands only had a surge of light on them, slapping one left and one right towards the black dragon blade in the middle directly.

“You’re afraid you’ve forgotten how Yue Feng’s magic weapon was lost!”

A smile appeared at the corner of Lin Ran’s mouth, a smile that instantly changed Yue Shan’s face when he looked at it.

“Impossible! You can snatch that trash Yue Feng’s magic artifact, how can you not snatch the old man’s!”

Yue Shan relieved himself in his heart, he didn’t want to believe that Lin Ran could take his magic weapon no matter what, it was his own intrinsic magic weapon that he had harboured.

“Bang!”

With a loud explosion, Yue Shan only felt a blur before his eyes, his head felt dizzy, and then he was surprised to see that the black Qi surrounding the Black Dragon Blade had actually been directly burst by Lin Ran.

At the same time, the Black Dragon Blade had calmly appeared in Lin Ran’s hand at this moment.

“Impossible! This can’t be!”

Yue Shan was shocked and hurriedly urged the Black Dragon Blade to break free, it was his original magic weapon and had long been connected to his heart, and under his urging, the Black Dragon Blade instantly reacted.

But Lin Ran was holding onto the Black Dragon Blade with a death grip, his eyes burning as he looked at Yue Shan with a smile on the corner of his mouth.

“Isn’t it a surprise, from the moment you take it out, it doesn’t belong to you anymore!”

Lin Ran laughed.

“Awesome! That’s amazing, catching the Black Dragon Blade with your bare hands, Lin Ran is really something!”

Qin Qi looked thrilled, and the three of them finally breathed a long sigh of relief, their tense hearts now dropping.

“Impossible! Even you want to take my Black Dragon Blade!”

Yue Shan was instantly anxious and tried hard to manipulate the Black Dragon Blade to get out, but Lin Ran’s hands were like a puddle of mud, no matter how much you struggled with the Black Dragon Blade, you couldn’t break free.

“This can’t be! This can’t be!”

“Poof!”

Finally, under the madness, Yue Shan spurted out a mouthful of blood due to the repercussions of his intrinsic magic weapon, and at this moment the intrinsic connection established between him and the Black Dragon Blade was considered completely broken.

“Impossible! How is this possible!”

Yue Shan went completely mad.

“Lin Ran! You seek death!”

Yue Shan’s eyes were bloodshot as his hands quickly formed seals, following which Lin Ran’s face changed.

He felt that the Black Dragon Blade in his hand was actually expanding tremendously, and a power was gushing out from within the Black Dragon Blade.

“Not good!”

Lin Ran’s heart was shocked and he hurriedly threw the Black Dragon Blade out.

“Lin Ran be careful, it’s going to explode itself!”

Qin Qi could also see the signs at this moment and hurriedly spoke up to warn.

As soon as the Black Dragon Blade was thrown out, a black aura burst forth, followed by a muffled “bang”, and the entire square was covered in black gas.

It was pitch black everywhere inside the formation, and no one could see what was going on inside.

“Lin Ran!”

The Qin Bing family’s hearts seized again as they watched, the events that had happened in just a few minutes were like a rollercoaster ride, leaving them all a little breathless.

After the black fog slowly dispersed and completely dissipated the entire formation, the crowd could then see.

Yue Shan was standing in the same place with his clothes unkempt, his whole body was actually shaken into beggar's clothes by the self-explosion of his own magic weapon, and even his hair had fallen apart.

Lin Ran, on the other hand, was no better, and as he was closer to the centre of the blast, the tattered clothes on his body were a little more exaggerated.

"Look, but don't take pictures!"

Lin Ran joked as he swept his gaze over the crowd and wiped the blood from the corner of his mouth.

Seeing that Lin Ran was still in the mood for jokes at this point, Qin Bing couldn't help but laugh out loud, except that at this point, her eyes were clearly tackled with tears.

"You! You actually!"

Seeing that Lin Ran was actually still alive and well, Yue Shan was completely flustered.

"You just made two moves in a row, I'll count you out for the second move I used, it's time to send you out next! Take my third move!"

Lin Ran shouted violently, following which his feet lashed out towards Yue Shan and he lunged.

"Insolent little boy, even if you destroy my Black Dragon Blade, so what if you still want to knock me out of this ring? Idiot's dream!"

Yue Shan roared and took a few steps back, placing his hands in front of his chest, followed by a quick convergence of Qi, which actually wrapped him up in a defensive stance.

"Holy shit! You shameless thing, you're afraid of losing in three moves and you're actually cowering!"

Wang Yifeng couldn't help but curse at this.

And a group of onlookers around them also chattered.

"Yue Shan has really disgraced himself this time!"

"Who says otherwise, using the Yuan Qi pearl and still ending up in this situation!"

"Hehehe don't forget, this third move people Lin Ran hasn't even made a move yet, and he's already scared like this!"

"Hehe! The Yue family has really lost a lot of face this time!"

Listening to the crowd's chatter, Yue Shan's old face turned red, but he didn't say a word.

In his heart, he knew that if he really lost in three moves, the consequences would only be worse than what they were now, and the mockery would be even more piercing than it was now.

"It must be blocked! Must!"

Yue Shan kept reminding himself of this in his mind, this third move was not only about the face of the entire Yue family, but also about his Yue Shan's face.

“This”

Seeing Yue Shan in this defensive stance, Lin Ran instantly laughed helplessly as well.

He had thought that this fellow might end up frantically resisting or even recoiling, but he definitely didn't expect this fellow to choose such a solution in the end.

It was simply like a million kingfishers, hiding in a turtle shell and not coming out no matter how much you attacked.

“Shhh! Go down!”

“Just go down! I've never seen such a shameless person!”

“Shame? Does the Yue family still have any shame now? I'm afraid they've lost all their face!”

“What an insight, fearing defeat in three moves and actually defending directly, it seems that Lin Ran wasn't even able to defend just now!”

The crowd around them murmured, clearly despising Yue Shan for this move.

These people's words also made some of the other Yue family members who had followed them furious, but at this moment, Yue Shan was causing public anger, so even if they were upset as Yue family members, they didn't dare to say anything more.

After all, it was public anger, and once the crowd was upset and fought, they would definitely be the ones to lose out.

“Doesn't your old face turn red when you hear these people's words?”

Lin Ran looked at Yue Shan with a faint cold smile on the corner of his mouth.

“Cut the crap, do it if you have the guts! Sending me away in three moves, what a big talk, send one my way instead!”

Yue Shan laughed coldly, but in his heart, he was nervously thinking of countermeasures.

Even his own magic weapon had been destroyed in Lin Ran's hands, unless he blew himself up, it was already inevitable that he would lose this bet, and now he was merely trying his best to stall for time.

“You're really shameless, in that case, I'll send you down!”

Lin Ran smiled lightly and slowly poked out his palm, his palm hanging down naturally, neither clenching his fist nor extending his palm, it just hung down naturally like that.

“Just you? You really take yourself seriously!”

Yue Shan's face was full of disdain.

He knew that he was bound to lose, but not now. He had to resist for at least three rounds, after which he could shamelessly find a reason to end the bet.

He didn't care if he had to lose his face again, as he had already lost it tonight.

“Oh, when it comes down to it, don’t you do the same!”

Lin Ran smiled lightly, followed by a fierce chill in his eyes, and then his palms fiercely clenched into fists as he shouted coldly.

“I said three moves! Just three moves, it’s time for you to get out!”

As the words fell, immediately everyone’s eyes lit up, and there were actually several to very faint rays of light shooting out from Lin Ran’s fist in a vague manner.

The crowd hurriedly turned their heads to look, but there was nothing in front of Lin Ran, nothing at all could be seen.

But at this moment, the entire banquet hall was filled with an ear-piercing sound of breaking air, and even after the defensive formation had blocked it, and then it reached the crowd’s ears, it was still so sharp that people couldn’t help but cover their ears.

“Eh?”

At this moment, Yue Shan, who was facing the sound of breaking air continuously approaching, but his entire aura had weakened in vain.

“It’s a silver needle!”

Below the square, Qin Qi fiercely exclaimed, at this moment, there were definitely no more than a handful of people in the entire banquet hall who could tell that Lin Ran’s move was a silver needle.

“Silver needles?”

Qin Bing was stunned as she listened, she knew that Lin Ran was good at acupuncture and often used silver needles, but she definitely did not expect that Lin Ran would use silver needles against Yue Shan at this time.

“Xiao Bing, does Lin Ran have a silver needle spell?”

Qin Qi snapped and turned his head to ask.

“I don’t know! Never heard him say that!”

Qin Bing shook his head, himself at a loss.

Qin Qi frowned, he had known for a long time that Lin Ran did not have a magic weapon, but the silver needles Lin Ran was using at this moment were obviously completely different from those used for ordinary acupuncture.

“Could it be that it was obtained inside the Ten Thousand Treasures Spell Formation?”

Qin Qi couldn’t help but speculate.

“What exactly did this kid get inside the Ten Thousand Treasures Spell Formation?”

At this moment, the shock in Yue Shan’s heart was no less than Qin Qi’s.

He could also clearly see the clues that the silver needles Lin Ran had used this time were definitely magic weapons, and not ordinary silver needles used for acupuncture.

While looking at Yue Shan's face full of surprise, Lin Ran only smiled blandly, followed by slowly withdrawing his palm and said indifferently.

"It's over!"

"Over? Not yet! You want to end me even with you? That's just a fool's errand"

Yue Shan said disdainfully, but almost at the same time, he only felt a sudden blur in front of his eyes, followed by a violent pain sensation all over his body.

The pain was as if there were thousands of silver needles stabbing towards oneself from all sides, which simply made people frantic to go crazy.

However, at this moment, Yue Shan had true qi defenses outside his body, so these silver needles were not able to break through these defenses for a while, and were all isolated outside.

"Haha! Resisted?"

Yue Shan's heart was overjoyed as he looked at Lin Ran and sneered.

"Is that all you've got? It seems that your strength and your mouth don't bear a positive relationship! Still wanting to end it in three moves, you're simply delusional!"

"Ao? Is that so?"

Lin Ran laughed at this and followed up with a wave of his palm, and then he heard a "click", and Yue Shan's face, which was still filled with ecstasy, was suddenly stunned.

He clearly felt that his body's defences had been pierced by the silver needles.

The cracking sound was like the pendulum of time before death, each time it rang, it seemed to indicate that Yue Shan was one step closer to death.

"This can't be! Impossible!"

Yue Shan's face turned blue, his entire body was trembling rapidly, and his heart was in his throat at this point, not daring to move in the slightest, fearing that if he moved even slightly, the defensive aura around him would instantly collapse.

"It's impossible for you to go down there, it's simply annoying!"

Lin Ran laughed helplessly, then stretched out his hand and snapped his fingers with a "bang" as Yue Shan watched.

A chain effect ensued.

This thought was like the last straw that broke the camel's back, and in an instant, "bang bang bang" sounded out one after another.

On Yue Shan's body, the crowd could clearly see that a burst point began to appear, and each burst point was accompanied by an explosion of blood.

In just a few breaths, Yue Shan's entire body was already stained with blood, and the defensive aura outside his body instantly broke with a loud "bang".

The huge shattering sound directly blew Yue Shan's entire body backwards.

"Bang!"

With another loud sound, Yue Shan's entire body directly crashed into the defensive formation behind him.

"It's over!"

The crowd looked shocked in their hearts, this victory was basically doomed.

"Too bad, three moves didn't send this guy out of the ring! Otherwise it would have been an absolutely solid win!"

"Yes! If this move had sent Yue Shan down, I'm afraid that this Yue Clan would really have been completely disgraced this time!"

"That's not bad, after all, that Lin Ran has only been training for a short period of time, Yue Shan is already a veteran, he can't even beat Lin Ran now, who else in the Yue Family can organize Lin Ran's rise in the future!"

"Who says otherwise, this time the Yue family has sort of messed with a very bone."

The crowd was chattering, but the next scene that happened was one that completely dumbfounded the crowd's chatter.

Just see above the square, originally Yue Shan should have been bounced back by the defensive array, but no one expected that Yue Shan was like bearing a huge force of ten million pounds at this moment.

It stuck his entire body dead on top of the barrier of the defensive formation.

"Lin Ran what are you trying to do!"

Yue Shan's face changed greatly, he could feel that this force was emanating from Lin Ran.

"What for? Sending you down, of course!"

Chapter 857

A cold smile appeared at the corner of Lin Ran's mouth, followed by the sound of "whoosh whoosh", the sound of air breaking again, this time the sound of air breaking did not come from Lin Ran's body, but from Yue Shan Sheng's body.

"Look, it's on Yue Shan Sheng!"

"My goodness, something has come out of Yue Shan's body!"

The crowd exclaimed, and at the same time everyone was surprised to see it.

Where originally exploded Yue Shan's body in a shower of blood, there was actually a silver needle shooting out, and they directly immersed into the top of the formation barrier, followed by a gap appearing in the formation barrier.

"Lin Ran! You can't do this, you're not going to die with my Yue family!"

Yue Shan was completely anxious when he saw this, if he really fell out, then the Yue family would really be in disgrace this time.

"Immortal? Hasn't that been the case for a long time!"

Lin Ran laughed as he looked at Yue Shan without any more nonsense, and simply spat out two words indifferently.

"Goodbye!"

As the words fell, another muffled "bang" sound was heard, followed by Yue Shan's entire body being blown out of the formation by Lin Ran as if he was a piece of rubbish.

"He fell to the ground with a thud.

"Pull!"

Almost at the same time, Qin Qi shouted, and the defensive formation above the square dissipated at the same time.

"You!"

Yue Shan stood at the bottom of the stage, his gaze burning as he looked at Lin Ran, the anger in his eyes overflowing.

He didn't even bother with the blood all over his body at this moment, he just looked straight at Lin Ran.

"What are you looking at? Shout!"

Lin Ran likewise looked at Yue Shan and chided aloud.

"That's right, what are you looking at! Shout!"

Wang Yifeng also ran over at this moment, pointing at Yue Shan and laughing wildly.

"You!"

Yue Shan was so angry that his face only burst with veins, he did not expect that even with his full defense, he would still end up like this, how could he accept this?

"Elder Yue Shan, why are you trying to cheat?"

Lin Ran looked at Yue Shan, a smile tackling the corners of his mouth.

He really wasn't afraid that Yue Shan would cheat, there were so many people present, and they were all people with a lot of respect in the imperial capital, if Yue Shan was going to cheat, then their Yue family wouldn't need to mix in the imperial capital.

“Little Lin Ran! Don’t you bully people too much!”

Yue Shan said angrily.

In his opinion, although he had made a bet with Lin Ran, this was after all the imperial capital, if Lin Ran really made him angry, the entire Yue family would be mobilised and still be afraid of not being able to destroy a single Lin Ran?

“Bullying too much? All I know is that I am willing to bet and accept defeat, are you going to shout or not, it doesn’t matter if you don’t, but this way your Yue family is talking like a fart, it’s really beautiful!”

Lin Ran laughed.

“You!”

Yue Shan was so angry that his face turned blue and his hands unconsciously clenched.

“Yue Shan, are you really going to punch yourself in the face? You don’t have the slightest measure, you want to renege on a bet you made and lost? The older you get, the more shameless you are!”

On the other side, Qin Qi stood out and laughed.

“Old man Qin Qi, don’t get involved!”

Yue Shan said angrily.

“What about us?”

Just as Yue Shan’s words fell, the two old men who had struck out with Qin Qi before also stood out, and they looked at Yue Shan with disappointment in their eyes.

“You guys!”

Yue Shan was truly panicked this time.

“Yue Shan! You made the bet yourself, and now that you have lost and refused to honour it, does your Yue family have any credibility left?”

One of the old men questioned.

“That’s right! Yue Shan, it’s fine if you don’t want to honour it, just announce in public that your Yue Clan has no credibility to speak of, then we will no longer care about this matter, but all future cooperation between us and your Yue Clan will be cancelled!”

Another old man from outside also said.

And his words were clearly more intimidating.

“You!”

Yue Shan was really anxious this time.

“Fine! Fine! I’ll concede today!”

Yue Shan turned his head to look at Lin Ran, his face blue for a while, bursting with veins of anger.

“I’m a pig, I’m no match for Lin Ran!”

“What?”

As soon as Yue Shan’s words fell, Wang Yifeng immediately perked up his ears and asked, looking as if I hadn’t heard him.

“Haha!”

Some of the surrounding onlookers, however, all laughed out at this moment, the titled elder of the Yue Family was actually cleaned up by a junior, and even shouted such words, this was simply great news in the sky.

“This old man is not up to it!”

Wang Yifeng laughed helplessly, he had wanted to tease him, but who knew that this old thing actually didn’t fall for it at all!

“It’s not up to him not to fall for this trap!”

Lin Ran, however, had a smile on the corner of his mouth.

“You have a solution?”

Wang Yifei looked at Lin Ran and felt a chill.

If Lin Ran was all set to start playing the set, wouldn’t Yue Shan have to die of difficulty.

“Watch this!”

A smile appeared at the corner of Lin Ran’s mouth, following which he actually charged straight down the square.

“What do you want!”

Yue Shan was instantly anxious, thinking that Lin Ran was going to make another move.

But who knew that Lin Ran was running towards the door as everyone watched.

“He?”

Everyone was confused, not understanding what Lin Ran meant by leaving at this moment.

Yue Shan was also stunned at the sight, but then he felt that something was wrong and hurriedly greeted him.

“Let’s go!”

“Yes!”

The other Yue family members hurriedly greeted them, and the group of people prepared to leave.

But at that moment, when the crowd was a little confused as to how this could happen, suddenly a figure walked in again from the doorway, and it wasn’t none other than Lin Ran who had only just left.

“Hello Elder Yue Shan, we meet again!”

Lin Ran looked at Yue Shan and laughed aloud, except that there was a different meaning in these words.

“You!”

Yue Shan instantly understood Lin Ran’s intentions and was so angry that his old face turned red and he didn’t say anything for half a day.

“What? No more shouting? Where’s your Yue family’s credibility?”

Lin Ran questioned.

“Lin Ran, don’t go too far, I’ve only just met with you!”

Yue Shan scolded, forcing down the anger in his heart.

“Just now was just now! Now is now!”

Lin Ran retorted.

“I made it very clear when we made the bet that we had to shout every time we met, I’ve just left, this is another meeting, will you shout!”

“You!”

Yue Shan was so angry that he was practically about to explode.

“Haha! Ranzi has you!”

Wang Yifeng instantly laughed, even Qin Bing and the others on the side couldn’t help but laugh, who would have thought that this guy Lin Ran had even cheated on the bet, he was just waiting for Yue Shan here.

“I’m a pig, I’m no match for Lin Ran!”

Finally, Yue Shan compromised, he shouted and instantly rushed towards the door.

However, while he was quick, Lin Ran was even quicker, twisting his head and rushing out of the doorway, followed by immediately walking back in.

“Elder Yue Shan, goodbye!”

The same scene, the same words, it was simply a tactic that could not be tired of playing.

“Lin Ran you!”

Yue Shan was so angry that he was practically crying, this kid was simply fucking playing with himself.

“I’m a pig, I’m no match for Lin Ran!”

Yue Shan finished shouting and hurriedly greeted the crowd to surround himself, as long as he couldn’t see Lin Ran, then he couldn’t be considered to have met him.

But what he didn't expect was that Lin Ran walked in again and actually jumped straight onto the shoulder of one of the Yue Clan members, looking at Yue Shan in the crowd from the top down.

"Elder Yue Shan, why are you hiding here, it's hard for me to find you!"

"Lin Ran! I'm not finished with you!"

Yue Shan was so angry that his teeth were bared.

"I'm a pig, I'm no match for Lin Ran!"

With a shout, Yue Shan didn't even give Lin Ran a chance and rushed towards the door.

While at the side, a Yue family member directly pulled Lin Ran back to save him from doing this again.

Seeing this, Lin Ran was too lazy to be playing around and shouted at Yue Shan's back.

"Old man Yue Shan, don't forget that in the future, you Yue family members will have to automatically avoid any place I visit, or else I'll live at your Yue family's doorstep and see how you Yue family members will go out in the future!"

Chapter 858

With this incident tonight, his Yue Shan's face was destined to be completely swept to the ground, and the Yue family's reputation was completely worthless.

Lin Ran has also become the destined nemesis of the Yue family, first killing Yue Bu Yue Feng, and then making Yue Shan look bad in public to such an extent, and most importantly.

The most important thing was that in the future, wherever Lin Ran appeared, the Yue family would have to take the initiative to avoid him.

Imagine, if Lin Ran really lived in front of the Yue family, would the Yue family people be able to go out in the future? Unless they still have a back door

.....

"Ranzi, you're too fucking mean, this last sentence sounds like you still want to go and block someone's front door!"

Wang Yifeng ran over and couldn't help but laugh.

"I was just saying that, who cares about blocking their door!"

Lin Ran laughed, while softening Xiao Jiu who was blinking at himself.

"What's wrong?"

Lin Ran asked with a smile.

"Brother, I think you're bad!"

Little Nine said with a straight face.

"O? Why?"

Lin Ran asked busily, he still cared a lot about Xiao Jiu's opinion.

"You're obviously so powerful, but still betting with him, isn't it clear that you're screwing him over?"

Xiao Jiu said.

Lin Ran smiled at this but laughed.

"Xiao Jiu, you can't really blame brother for this, he was the one who had to make the bet, from the beginning to the end brother was passive and accepted it!"

"Hmm! That seems to be the case!"

Xiao Jiu nodded seriously, but then still looked at Lin Ran and said.

"But you're just bad, but you're also cute!"

"You little girl, do you know what cute is!"

Lin Ran couldn't help but give Xiao Jiu a scrape on her face.

At the same time, Qin Jie Qin Bing Hao, who was on the side, also came over, but behind them was this large group of people, some of these people were cultivators, while more were still some rich people who all wanted to befriend Lin Ran.

"This is troublesome!"

Looking at so many people, Lin Ran simply had two big heads, not knowing what to do.

.....

"Elder, are we just going to leave?"

Outside the hotel, as soon as Yue Shan and the others came out, a Yue family member next to him couldn't help but ask.

"Or else what!"

Yue Shan's old face was red with anger and he was worried that he had no place to vent his anger, but unexpectedly, someone else popped up.

"But this breath is too stifling!"

The man said irritably.

"Then go ahead, are you his opponent!"

Yue Shan said angrily, scaring the other man into not daring to speak again.

"Humph! Useless thing, just know behind the back upset not convinced, not convinced just now how you do not go on!"

Said Yue Shan still felt not relieved, turned to look at the hotel behind him, with a chill in his eyes.

"Humph! Lin Ran you wait for me, I will kill you sooner or later!"

After saying that, Yue Shan then turned around and left the place with the crowd.

.....

The banquet with less Yue family was naturally much more harmonious.

And with Lin Ran's secret help, Liu Yusong and the others had finally met a lot of successful people, whether they could work together in the future would all depend on their own efforts.

It was only after the group of tycoons had been dispatched that Lin Ran had the chance to sit down and chat with Qin Ji and Qin Bing and the latter's parents.

However, due to Lin Ran's strong performance just now, Qin Bing's parents were at a loss as to what to do for a while.

According to reason, the mother-in-law and the father-in-law should sing a white face and a black face when their son-in-law comes to the house, but at this moment, when they looked at Lin Ran, their eyes were full of joy, and they could not find anything wrong with Lin Ran at all.

"Mom and Dad! You guys are bleeding out!"

Qin Bing looked embarrassed and said with a coquettish red face.

"Haha, what's the matter! If flowing hallai could find a granddaughter-in-law as good as Lin Ran, the old man would flow too!"

On the side, Qin Ji also laughed.

"Elder!"

Qin Bingqiao blushed and became even more embarrassed.

"Hi! I'm a bit fat, but I'm strong and can do all kinds of household chores!"

Wang Yiming was busy selling himself, if he could sell himself out, it would be a worthwhile trip.

"Uncle, auntie, grandpa! Don't listen to his nonsense, this fatty has another feature that he hasn't mentioned!"

On the side, Xiao Jiu said with a serious face.

"What's wrong with it?"

Qin Qi asked with a smile.

"That! See, it's still Little Nine who loves Fat Brother, come on Little Nine tell them the good things about Fat Brother me!"

Wang Yifeng had a smug look on his face.

Little Nine, on the other hand, said with a straight face.

"He can eat a lot, he eats half of every meal!"

"Pfft!"

Wang Yifei almost spurted out a mouthful of old blood.

While next to him, Lin Ran Qin Bing and the others were already laughing their heads off and couldn't keep their mouths shut.

"Kids are talking nonsense, you guys shouldn't take it seriously!"

Wang Yifeng explained awkwardly, but it was obviously too late.

"Oops!"

Suddenly, just as the crowd was having a good time, Qin Bing's father violently covered his chest and his expression looked very painful.

"Dad! You get it done!"

Qin Bing was also anxiously flushed at the sight, and Lin Lu beside her even hurriedly took out a bottle of western medicine and took out two capsules for Qin Mingtian to take.

"Uncle this?"

Lin Ran frowned at the sight and busily asked.

"It's nothing! It's an old problem, it happens whenever you take a big breath! Today is also a happy day, so no one needs to worry!"

Qin Mingtian laughed, at the same time a little helpless, he was afraid that this sudden moment of his own had affected everyone's spirits.

"Can you tell us the specifics?"

Lin Ran, however, frowned and continued to ask.

"It's really nothing"

Qin Mingtian laughed.

Lin Lu, who was on the side, was busy speaking up.

"What's fine, you've been getting more and more of this lately, let your golden tortoise son-in-law give you a look, you forgot Xiao Bing can say that he is a little miracle doctor in Tanjiang City, definitely better than my medical skills!"

"Yes, yes! Let Lin Ran take a look at you!"

Qin Bing was also busy saying.

"It's not that you two mothers can't see it, so don't bother others!"

Qin Mingtian said, his own wife and daughter were both doctors, but his own illness was not always repeatedly not getting better.

“My mother and I are both Western doctors, Lin Ran is a Chinese doctor, so we might be able to see it well, and I’ve also been studying Chinese medicine recently, so when I’ve learnt it well you’ll be able to cure it in the future!”

Qin Bing said busily.

“Alright, then I’ll trouble little friend Lin Ran!”

Qin Mingtian said, embarrassed.

“Uncle is serious!”

Lin Ran smiled lightly, followed by getting up and coming to Qin Mingtian’s side, probing his hand and placing it on the latter’s chest while asking.

“Can you give an overview of the situation?”

“It’s like this, I suspect it’s related to my work, I’m in medical research, I have to stay in the laboratory all year round, this physical quality is really a bit poor!”

“I didn’t feel anything when I was younger some years ago, but lately, whenever I breathe heavily, my chest gets blocked up, so I thought it was a bout of gas, so I didn’t feel anything!”

“But it wasn’t until one time, when my chest was so blocked that I could barely catch my breath, that I spoke to the two of them!”

Qin Mingtian said helplessly.

Lin Ran nodded at his words, while a stream of true qi had already invaded Qin Mingtian’s body.

With the invasion of true qi, Lin Ran also gradually understood what was going on with Qin Mingtian.

“Uncle, your condition requires acupuncture and moxibustion, and with Chinese herbs you will be cured in about a week!”

Lin Ran said.

“A week? But you won’t be staying in the imperial capital for that long!”

Qin Bing said busily.

“That’s fine, tomorrow you and Lin Ran will go home and teach me by the way, I can also give your father acupuncture while you are gone!”

Lin Lu spoke up and laughed.

“Right, right! You guys go home tomorrow and we’ll have a good chat!”

Qin Mingtian laughed, naturally he wasn’t doing it for this acupuncture, he was doing it for his daughter’s lifelong happiness.

“This

Lin Ran was embarrassed for a while, already meeting today was already very passive, but tomorrow he actually had to go home, that didn't really become meeting his parents.

"Why don't you like it!"

Qin Bing looked at Lin Ran, and a chill swept across her cold as frost pretty face.

Lin Ran was instantly abashed and hurriedly smiled along.

"No! Why not, I'd love to! I can't wait!"

Chapter 859

The dinner broke up in a hurry, and after saying goodbye to Qin Ji and Qin Bing's parents, Lin Ran left with Qin Bing and the others, including Liu Yusong.

Since she was going to be a guest at Qin Bing's house tomorrow, the niece did not go back for the time being.

As for Liu Yusong, they did not disappoint Lin Ran, except for the time he spent fighting with Yue Shan, the three of them spent the rest of the night racking their brains for connections, which could not be said to be useful, but were at least an option for the future.

The next morning, Liu Yusong continued to look for a suitable place. It was not easy to find a satisfactory office building in a place like the imperial capital, where every inch of land is gold.

Leng Zhan also began to cultivate, and under Li Sheng's leadership all three were proceeding in an orderly manner.

As for Wang Yifeng, this guy is like a nobody, watching TV and flipping through beauty magazines, life is so comfortable.

Yesterday he was so tired that Xiao Jiu stayed in the little world of the pillow book to rest.

As for Lin Ran, he was dragged out of the house by Qin Bing early in the morning, with the beautiful name, "You have to go home to meet your parents, you have to prepare something!"

.....

The first thing you need to do is to get ready for the next day.

Looking at the three-storey Chinese villa in front of him, Lin Ran couldn't help but gulp down his spit.

"I say, pretty girl, your family is so rich that it makes me feel very stressed, I always have the feeling that I have to join the family!"

"Yuck!"

Qin Bing gave Lin Ran a white glance and said in a bad mood.

"You're the only one who wants to join the family, don't even think about it, this is the only villa my parents have left, don't pay attention to our family!"

"Er I'm actually afraid that the child won't take my surname!"

Lin Ran helplessly spread his hands and said in a serious manner.

“You also know that I’m the only child in our family”

“Shut up! Who wants to give birth to your child!”

Qin Bing was so angry that her pretty face turned red and she immediately went forward and opened the door of the room.

“If you dare to talk nonsense again, I’ll tell my dad that you’re bullying me!”

Qin Bing laughed at Lin Ran.

“Huh? Don’t don’t, don’t ever! This is all the way to your house, will I still have a life to go back to if you play like this!”

Lin Ran immediately broke out in a cold sweat, it was said that daughters were their fathers’ little cotton coats, if people knew that they had bullied their little cotton coats, Qin Mingtian would still be looking for his life.

“Don’t be silly there, hurry up and come in!”

Qin Bing said pulling up Lin Ran and walked in.

.....

The room is also decorated in Chinese style, with mahogany furniture, vintage chandeliers, and the design of the boigu shelves, giving this entire living room an antique look and feel.

“My dad is more traditional and likes to drink tea when he has nothing to do, so he decorated the house like this!”

Qin Bing introduced with a smile.

And at this moment, Qin Mingtian and Lin Lu also walked out from inside.

“Little Bing! Lin Ran you’re here!”

Seeing the two, Lin Lu revealed a satisfied smile.

Not to mention, Lin Ran and her own daughter really looked like a couple standing together.

“Come on, come on, do it!”

Qin Mingtian greeted with a smile.

“Where’s my brother?”

Qin Bing put down her bag and said with a surprised look.

“He’s out busy, your brother is now the meat and potatoes of our Qin family, so busy that he can’t be seen every day, we’re used to it!”

Lin Lu laughed, while pouring tea for everyone.

“Hurry up and have a sip, then go and cook with mum! It’s almost twelve o’clock!”

Lin Lu laughed.

“Huh? I still have to cook!”

Qin Bing pouted her lips reluctantly, but she had no choice but to take a sip of her tea and get up to go.

Looking at Qin Bing’s back as she left, Lin Ran felt a pang of unease, was she really going to cook, or was she deliberately leaving herself and Qin Mingtian behind so that people could examine her as her future son-in-law.

“Little friend Lin Ran! Let’s talk?”

Sure enough, as soon as the two had left, Qin Mingtian smiled and said.

“That’s fine, but when are we going to see your illness, uncle!”

Lin Ran thought about it and was busy digressing, he was best at talking about his illness, as for talking about other things, he really had no experience in meeting his parents for the first time at home.

“Hey! Look at this brain of mine!”

Qin Mingtian slapped his forehead and was busy asking.

“Does acupuncture take a long time? Is it hard to learn?”

“Not long, it’s quick! And it’s easy too, it only takes three needles!”

Lin Ran laughed.

“O! That’s like that, good then!”

Qin Mingtian smiled and shouted at the kitchen.

“Lin Lu, you come out and learn acupuncture, let Xiao Bing cook first!”

“Hey! Here it comes! ”

Lin Lu instantly came out from the kitchen with a smile.

And seeing this scene, Lin Ran immediately froze, this was good Qin Bing was considered to be completely branched out, and he had to face not only Qin Mingtian this time, but also his mother-in-law, this was afraid that he would have to severely torture to extract a confession.

“Little friend Lin Ran don’t be nervous, how do I need to cooperate with you!”

Qin Mingtian laughed.

“That’s right, Lin Ran let go, just do as you please!”

Lin Lu also laughed at the side.

Lin Ran was however very embarrassed, he would be a ghost if he could let go.

“Then how about this, uncle, lift up your clothes first, I’ll give you some acupuncture!”

Lin Ran said busily, it was better to see the doctor, it wasn’t embarrassing to see the doctor, and it would delay the matter until Qin Bing came out.

“Good!”

Qin Mingtian didn’t talk nonsense and was very cooperative in lifting up his clothes.

“This is how it is uncle, this illness of yours requires acupuncture on three acupuncture points, ten minutes each time, stick to it for a week and your condition will be cured!”

With that, Lin Ran took out three silver needles and placed them in front of Qin Mingtian’s heart fossa, in the middle of his chest, and in the bottom of his heart fossa.

As Lin Ran’s silver needles fell, at first Qin Mingtian’s brow couldn’t help but frown slightly, but it soon stretched out and seemed to be very comfortable.

“Not to mention, after the needles fell, my whole body now feels warm and comfortable!”

Qin Mingtian laughed.

“Comfortable is good comfortable is good! By the way Lin Ran, what kind of illness is he suffering from!”

Lin Lu asked, she and Qin Bing had worried a lot about Qin Mingtian’s health, but they had never been able to cure him, so when they saw that Lin Ran had gotten results after three stitches, they couldn’t help but ask.

“This is chest tightness caused by the stagnation of Qi veins, the initial stage is accompanied by forked breath, but if it gets serious at a later stage, a myocardial infarction will occur!”

Lin Ran said solemnly, this disease was honestly a great hidden danger, but as of now it wasn’t serious.

“It’s so serious!”

Lin Lu was obviously a little worried.

“Auntie, please don’t worry, uncle’s illness is still only in its early stages, acupuncture will cure him in a week, it won’t develop that badly!”

Saying that, Lin Ran explained the three acupuncture points one by one to Lin Lu, who was also a doctor, and although she was a western doctor, it was not difficult to learn just three acupuncture points.

Ten minutes later, Lin Ran removed the silver needles, and at that moment, Qin Mingtian looked like his entire complexion had clearly improved.

“Aiya! A hero really is a young man, great and powerful!”

Qin Mingtian looked at Lin Ran with a look of satisfaction in his eyes.

And after Lin Lu, who was at the side, wrote down Lin Ran’s explanation of acupuncture matters again, she finally spoke up as well.

“Lin Ran, I heard Xiao Bing say that you live with your grandmother, so if you want to have a wedding, do you still have to meet your grandmother!”

“Huh?”

The sudden question made Lin Ran startled and almost failed to react.

“This There’s no need for that, my grandmother likes Xiao Bing a lot too!”

Lin Ran said awkwardly.

Chapter 860

Seeing this, Qin Mingtian smiled and patted Lin Ran’s shoulder, saying.

“Lin Ran ah, to be honest, Xiao Bing’s mother and I have discussed it, if you decide to be together, we won’t object, you can always choose a date!”

“!?”

Lin Ran was dumbfounded, when people meet their parents, their in-laws are all difficult, how come when it comes to himself, he agreed so quickly, this situation is not right!

Just when Lin Ran was full of embarrassment, he was thinking about how to reply.

Suddenly Qin Bing ran out from the kitchen, her pretty face flushed red as she said.

“Mom, you just stewed a bowl of soup, everything else is done, what else do you want me to do, hurry up and check when the soup is done!”

“Yes! Good!”

Lin Lu smiled awkwardly and instantly got up and went to the kitchen.

Qin Mingtian looked at Qin Bing awkwardly and didn’t know what to say.

Qin Bing, on the other hand, glared at him and was very unhappy, saying.

“You guys are selling me out here, who said I’m getting married!”

“You!”

Qin Mingtian’s old face reddened and he whispered.

“Sooner or later a daughter has to go out when she’s older, isn’t it just a matter of time!”

“Besides!”

Qin Mingtian wanted to say something else, but the words reached his mouth and then he swallowed them back.

“Besides what?”

Qin Bing frowned and asked after him.

“Nothing, nothing, clear the table and get ready for dinner!”

Qin Mingtian said with a smile, and immediately got up and ran to clear the table.

“Why do I get the feeling that something is wrong with them!”

Qin Bing said with a frown.

“What’s not right!”

Lin Ran looked confused.

“It always feels like they know something!”

Qin Bing said.

“No No way, know what? It shouldn’t be us”

Lin Ran was a little worried.

“What!”

Qin Bing looked at Lin Ran in confusion, not knowing what he was saying.

“It’s just living together before marriage, if your father finds out about this, then will I still have a chance to live?”

“Bah! Who’s living with you before marriage, don’t put gold on your face!”

Qin Bing said in a bad mood.

Lin Ran thought for a moment that he really hadn’t done anything to Qin Bing, so technically speaking, it couldn’t be considered living together before marriage.

“What are you two muttering about! Hurry over and help serve the dishes!”

Soon Lin Lu’s voice came over.

The two Lin Ran only had to stop the conversation and run to help serve the food.

The food was sumptuous and seemed to have been specially made to welcome Lin Ran, but it seemed to Lin Ran that it was more of what Qin Bing liked to eat.

But it couldn’t be helped, after all, people didn’t know their own tastes, and since Qin Bing hadn’t come back for so long, it was normal to make some of her favourite dishes.

“Come on! Lin Ran, let’s drink a couple of glasses!”

As expected, it was really impossible to avoid drinking when meeting parents.

Qin Mingtian took out some white wine and poured it for Lin Ran.

At this moment this situation, Lin Ran also can not refuse, just and him and wine, Qin Mingtian is really not afraid?

The wine was drunk, and the food was served quickly, but the words were not spoken.

“Dad! Do you have something to say!”

Qin Bing could not stand it anymore and asked directly.

“That’s right! Your father does have something to say!”

At this moment, Qin Mingtian’s old face was red and he was obviously a little drunk.

He put down the wine glass in his hand, his eyes slightly narrowed as he looked at Lin Ran and then at Qin Bing, and after a moment he sighed and said.

“Why didn’t you tell us when such a big thing happened! You two are simply being nonsensical!”

“Huh?”

“It’s not what happened?”

Qin Bing and Lin Ran were both confused and looked at Qin Mingtian not knowing what he was talking about.

“Xiao Bing ah, your father and I both know, you kids too, how can you play with your lives!”

Lin Lu also said in pain.

“No mum, what the hell are you guys talking about!”

Qin Bing was even more confused, as for Lin Ran that was even more completely unaware of what was going on.

Qin Mingtian glanced at Lin Ran and then looked at Qin Bing, his eyes full of doting love.

“Little Bing, how have I treated you since you were a child? I didn’t spare any beating or scolding, you couldn’t not tell your father even if you were still afraid, if your mother hadn’t found out in time, this would have been a big deal!”

Said Qin Mingtian, taking a note out of his pocket and placing it on the table.

“Besides, you don’t have to worry, being pregnant that’s a good thing, our family is going to be populated!”

“That’s right!”

Lin Lu was also busy echoing.

“But you also have to think about your reputation, you two pick a time to get the certificate and we’ll have the wedding banquet! Otherwise, if the baby comes out before the wedding banquet, then how Karma!”

“Get a license?”

“The baby?”

“Pregnant?”

Qin Bing and Lin Ran were completely confused.

“No, Mom and Dad what are you talking about? Who’s pregnant?”

Qin Ming asked busily.

“Isn’t it just you, who else could it be!”

Qin Mingtian said as he slipped the note to Qin Bing, who instantly turned red on her pretty face after just one glance.

“This It’s not what you guys think!”

Qin Bing was instantly helpless, the slip of paper was exactly the invoice list for the mother and baby training he and Lin Ran had mistakenly entered yesterday.

“It’s not what we think? That’s what it was, you both went for antenatal care training, it’s not pregnancy or something!”

Qin Mingtian said helplessly.

“Uncle and aunt, you guys really misunderstood!”

Lin Ran was helpless and hurriedly told the story, hearing the two elders were stunned and their old faces turned a little red.

“We really did get in by mistake!”

Qin Bing busily explained.

“Ao! That’s like that, that’s really embarrassing!”

Qin Mingtian covered his old face, his face full of embarrassment.

“Then what!”

Lin Lu quickly reacted and laughed helplessly.

“It’s alright! Think of it as preparing in advance, don’t you have to have children sooner or later after you get married anyway!”

“What’s mum saying! It’s not that soon!”

Qin Bing’s pretty face was red with embarrassment.

Qin Mingtian was relieved at this point, and he looked at Lin Ran with a slap on the table.

“Lin Ran, I’m telling you! Both Xiao Bing’s mother and I admire you, whether you’re really pregnant or just making a scene, as long as Xiao Bing is willing, our two parents won’t object, so do you see if you should find the time to get it done?”

“Dad! How do you”

Qin Bing pretty face even redder, directly got up and ran to the kitchen, her own father this like raw fear that she can not marry out, this makes her too embarrassed.

“You ah, so anxious why! Daughter is shy!”

Lin Lu gave Qin Mingtian a blank look, got up and went after him.

Lin Ran was also a little helpless at this point, was she that good? Even Qin Mingtian was afraid that he would run away.

“Lin Ran!”

Qin Mingtian suddenly looked at Lin Ran, and his voice actually became louder.

“To be honest, no father would want his daughter to get married, but after all, his daughter is older and the father has no power to do so, I can see that you are a man of great love and righteousness and worthy of her life, so in this matter her mother and I do not want to hold our daughter back, do you understand?”

Qin Mingtian looked at Lin Ran, his face full of sincerity.

At this moment, Lin Ran seemed to be able to feel that last bit of love he had for his daughter as a father, asking himself to let go and let his daughter pursue happiness, he must have had reluctance too, but for the sake of his daughter he chose to suppress the reluctance in his heart.

“Uncle, don’t worry! I will definitely not let Xiao Bing suffer!”

Lin Ran said solemnly.

“Having this word from you is enough!”

Qin Mingtian nodded in relief and immediately lifted his glass of wine.

“Come on let’s continue to drink as a couple, how come you kid is not drunk after drinking so much!”

“Er ...”

Lin Ran was embarrassed, drunk? He had the true Qi of the healing path in his body, not to mention drinking this much, he wouldn’t get drunk even if he drank for ten days and half a month.
