

Wonder Doctor

Chapter 861

The lunch lasted for two hours, and only when Qin Mingtian was so drunk did it end.

“Lin Ran, you actually drank my father down?”

Looking at her father’s unconscious drunkenness, Qin Bing was not only surprised, but also angry.

She was shocked because her father was known for his ability to drink, but now he was actually drunk down by Lin Ran, and she was angry because Lin Ran didn’t know how to take it easy in case something happened.

“Don’t worry, uncle’s body is very strong, it’s fine!”

Lin Ran laughed.

When he was treating Qin Mingtian earlier, he had sent a strand of his medical dao true qi into his body, so this little bit of wine wasn’t enough to affect his body.

“Lin Ran, this business card is something Xiao Bing asked me to give you, saying that you might need it!”

As he left, Lin Lu handed over a business card.

Lin Ran took it, only to see a person’s name written on it, and a small line behind it, “Chairman of Shengshi Tiandi Company!”

“This person mainly operates properties in the Imperial Capital, aren’t you looking for a suitable office building, perhaps he can help you!”

Lin Lu said with a smile.

“Many thanks auntie!”

Lin Ran said respectfully, with this man’s help, I’m afraid that the matter of the office building would be solved.

“What are you thanking, we are all family!”

Lin Lu laughed, then looked at Qin Bing and said in a serious tone.

“Lin Ran ah, I hope you understand, we only have this one daughter, she is now grown up and is always by your side, you must take good care of her, we two old people have no other requests!”

Lin Ran could not help but be moved by his words and said solemnly.

“Auntie mother, please don’t worry, I will take good care of Xiao Bing!”

“Mom!”

Qin Bing also couldn’t help but have red eyes, although it was true that she hadn’t been back for a long time recently, the longing for her parents in her heart was incessant.

“Alright! You’re all grown up and have your own world now, go!”

Lin Lu laughed.

Lin Ran and Qin Bing looked at each other and gave another salute at Lin Lu before they endured the pain and left.

.....

Leaving Qin Bing's house, Lin Ran went straight to Liu Yusong and, learning that they hadn't found a suitable place yet, gave them the information on the business card and told them to say that Qin Bing's parents had introduced them!

Liu Yusong was so excited that he immediately hung up the phone and went to find that person, while Lin Ran didn't bother.

This was a matter for Liu Yusong and the others to deal with on their own, and to hone their skills.

Lin Ran took Qin Bing straight back to his place. Li Sheng was still exercising with Leng Zhan, so he didn't bother him and sat in the living room watching TV with Wang Yifeng.

Towards evening, Liu Yusong and the others finally came back, and each with a smile on their faces.

"Things are done?"

Lin Ran asked with a smile.

"It's done, the contracts have all been signed, and the place is in an office building not far away!"

Liu Yusong said excitedly.

"Hmm! Have you decided when you want to open?"

Lin Ran smiled.

"The official opening will be in a month's time!"

Liu Yusong laughed.

"Ranzi, we've given this time a lot of thought, we need to recruit people, we need to buy all sorts of equipment, and we need to get the company to take shape first and so on!"

Liu Chen then spoke eloquently.

Zhang Xu was also not idle, already looking up information on various job markets.

Lin Ran was relieved to see that the three of them had already started to cooperate with each other.

"A month is fine, but don't be angry if I can't make it by then!"

Lin Ran laughed, he would be returning to Temperance City soon, as for whether he would be free again after a month, I'm afraid we wouldn't know until then.

"So! It's alright, I'll talk to you at the exact time then!"

Liu Yusong laughed.

Lin Ran also nodded.

“By the way, when are you guys leaving?”

Liu Yusong suddenly asked.

Now that things were basically done, they would also be going to live near the company from tomorrow, so it was time to ask when Lin Ran was leaving.

“First thing tomorrow morning!”

Lin Ran said.

“Shit so urgent? Fat Master I haven’t finished yet!”

Wang Yifeng said helplessly.

“Then you can stay, I’m leaving first thing in the morning anyway!”

Lin Ran laughed.

“I’m not talking about you, why are you in such a hurry? You’re not even warmed up yet, and you don’t even know where there’s a big health care in the city, so why are you going back?”

Wang Yifei looked a little reluctant, mainly because he had been here for so long but had not yet been to the big health care in the capital.

“Something came up at home!”

Lin Ran laughed lightly.

“What’s the matter!”

Wang Yifei was puzzled.

“Xiao Nuan’s graduation ceremony the day after tomorrow!”

Lin Ran laughed blandly, following which he got up and went to rest.

“Go to bed early, we’ll leave early tomorrow morning!”

“Shit!”

Wang Yifeng had a helpless face.

“Eating a mouth full of dog food again, I should have known not to ask!”

.....

There was no talk all night, early the next morning, Liu Yusong and the three of them left first, they had a lot of things to settle, and after saying goodbye to Lin Jean, they went straight away.

“Boss! We’ll get back as soon as we can!”

The three Leng Zhan looked at Lin Ran with reluctance in their eyes.

Although the four of them hadn't spent much time together, they all saw Lin Ran's character in their eyes, and now that they had to part with him for a short time, it still made them a little reluctant.

"Cheer up, I'll be waiting for you guys back in Tanjiang City!"

Lin Ran said with a smile.

Leng Zhan and the three of them were all very admirable to him, both in terms of their abilities and their personal skills.

But admiration was admiration, one couldn't always let them work beside him as odd jobs, that wasn't their path, only by letting them improve as well could they perhaps be of greater help to himself in the future.

Moreover, Lin Ran had not forgotten what he had said at the beginning, that he would take the three of them on a different path, and at the moment they were staying in the imperial capital, they were working towards a future path.

"Brother Lin Ran take care!"

Li Sheng said with an arching hand.

"You too, next time we meet I hope you can make a breakthrough!"

Lin Ran laughed.

"Thank you for your kind words, Brother Lin Ran!"

Li Sheng laughed.

For Li Sheng's path, there was only so much Lin Ran could help, finding insights in the Ten Thousand Treasures spell formation, and here was the gongfa given by Li Mu Di, whether or not they could enter the path with martial arts everything depended on their own diligence, and chance.

"Let's go!"

Finally greeted the crowd, then Lin Ran and Wang Yifeng Qin Bing set off on their journey back to Tanjiang City.

.....

While Lin Ran and the others were leaving the imperial capital, within a certain luxurious courtyard in the imperial capital, Yue Shan was sitting here drinking tea, but his face was vaguely tinged with anger as he looked straight ahead.

Not far in front of him, there was a man kneeling, also wearing Yue family robes.

"You said that Lin Ran left?"

Yue Shan asked in a cold voice.

"Yes Elder!"

The other person's face was wrapped in a mask, and his appearance could not be seen.

“Then chase him to the Temperate River! This son cannot be kept!”

Yue Shan said in a cold voice.

“But Elder, I am afraid that this will”

The other party was a little hesitant.

“Would what? Don’t forget your identity, our Yue family trained you out to do these things, change your clothes when the time comes, even if you die, don’t reveal that you are a member of the Yue family!”

Yue Shan said in a cold voice.

“Yes! My subordinate will go now!”

The youth nodded heavily, followed by getting up and left.

Chapter 862

In the evening, Lin Ran and the three of them finally made it back to Tanjiang City. All three of them were very tired after a long day of driving, especially Qin Bing, who had no true qi after all, and had already fallen into Lin Ran’s arms from exhaustion.

Wang Yifeng drove Qin Bing home before he and Lin Ran prepared to drive to the shop.

Compared to the clinic, the shop was bigger and more comfortable for the two of them, and since I hadn’t seen Master Yu for so many days, I wondered how the old man was doing.

But the car had just left Qin Bing’s house when the “ding-dong” sound of a mobile phone rang.

Lin Ran picked up his phone and found that it was a text message from an unfamiliar number, so he could not help but frown.

When he tapped on the text message, Lin Ran’s frown tightened.

“Fatty! Use your fastest speed to go to the Magnificent KTV!”

Lin Ran closed his phone and said in a stern voice.

“Yes!”

Seeing this, Wang Yifeng knew that something was wrong, and immediately lost all sleepiness as he sped the car to its limits.

“What the hell is going on?”

Seeing that the distance to the luxury KTV was getting closer and closer, Wang Yifeng then asked.

“Someone texted that Xiao Nuan was getting drunk here!”

Lin Ran said in a cold voice.

“What? Big Sister is getting drunk?”

Wang Yifeng was even more furious at his words and gritted his teeth, Song Nuan was definitely a big sister in his heart, but now she was actually getting drunk by someone else.

If it was a woman, it would be fine, but if it was a man, then the result He didn't even dare to think about it.

Just by looking at the killing intent emanating from Lin Ran's body at this time, he could feel Lin Ran's anger.

.....

The KTV, a large private room somewhere, had at least a dozen youths gathering, and among them, most of them were girls, with only three men mixed in.

"Song Nuan is having a drink, we're about to graduate, we won't see each other anymore!"

A fairly handsome looking youth persuaded with his drink.

"I I can't drink anymore, I'm dizzy!"

Song Nuan leaned back on the sofa and said vaguely.

"Xiao Nuan really can't drink anymore, why are you guys like this, keep pouring her!"

Next to her, her best friend, who was in the same dormitory as Xiao Nuan, couldn't stand it anymore and kept persuading from the side.

Their party this time was held at an older age and not in one of their classes, so many of the people she didn't know either.

Originally, all the people from their dormitory were going to come, but because of a temporary problem only Song Nuan and her ended up coming, but now these three men were the ones who kept pouring wine, making Xiao Nuan obviously have a drunken mood.

"I say stinking bitch, what's the matter with you! Get lost!"

The man who was persuading the drink cursed coldly.

"Xu Lan, don't think we don't know that you have a boyfriend, so don't hold us up here, okay?"

Another man next to him spoke up.

"Just know that I have a boyfriend, Song Nuan also has a boyfriend, so don't get delusional!"

Xu Lan said in a cold voice, she was none other than Liu Chen's fiancée, Song Nuan's best friend.

The three people in front of her were known as the three handsome scum of their class, the eldest, Li Shuai Tian, the second, Liu Xu Peng, and the third, Qin Luo.

"Infatuation?"

Li Shuai Tian looked at Xu Lan and instantly laughed, even Liu Xu Peng and Qin Luo who were on the side also laughed.

“Xu Lan, you’re really simple!”

Li Shuai Tian lowered his voice, came up to Xu Lan and sneered.

“To tell you the truth, I don’t want to be her boyfriend at all, but for fun! Always want to!”

“That’s a must, and brother me!”

“And me!”

Liu Xupeng and Qin Luo said and took out their mobile phones and shot at Song Nuan, who was a bit drunk in the eyes, leaning on the sofa in a somewhat provocative posture, plus her delicate face, which made both of them a bit dry-mouthed for a while.

“Asshole! You are animals!”

Xu Lan said angrily, but at this time the whole KTV inside the noisy abnormal, and they are in the most remote corner, no one even noticed here.

“Xu Lan! I advise you to get out of here, or else I’ll kill you too!”

Li Shuai Tian suddenly said, a lustful smile appearing at the corner of his mouth.

“Boss, this one works for me, young lady! Absolutely fun!”

Next to him, Liu Xu Peng narrowed his eyes and laughed.

“Haha! I agree too!”

Qin Luo also cupped his chin and laughed.

“You three are shameless!”

Xu Lan said angrily, she couldn’t help but gag as she looked at the three and pretended to be calm.

“Song Nuan’s boyfriend is Lin Ran, you’d better delete the photos or you’ll all be finished when he comes!”

“What? Lin Ran?”

“Who’s Lin Ran?”

“Just that famous one, but he’s famous, who’s seen him before!”

The three men sneered.

They had all been drinking and were using their alcoholic strength to put Lin Ran in their eyes at this point, after all, none of them were from the same term.

“Xu Lan, don’t fucking scare me, graduation is tomorrow, so what if I play with you two tonight? So what if I play with you two tonight? Tomorrow I’ll be gone, not to mention Lin Ran, so what if your boyfriend Liu Chen comes? Can they find me?”

Li Shuai Tian said disdainfully, and then even looked at Xu Lan’s body and laughed.

"I'm afraid they can only find me and your child, Liu Chen wimp doesn't dare to have a child, Laozi doesn't care, if you don't get lost Laozi will let you experience the initial feeling tonight!"

"You bastard!"

Xu Lan was so angry that she raised her hand to hit Li Shuaitian.

But Li Shuaitian was prepared and grabbed Xu Lan's wrist, and then he was about to take Xu Lan into his arms.

The other side of the room, Liu Xu Peng and Qin Luo could not resist their desire and went towards Song Nuan.

At this time, the entire KTV is very chaotic, no one even noticed the situation here, I'm afraid that even if the three of them pull Song Nuan and Xu Lan out, no one will notice.

And we are all classmates, who would have thought that these three would do such a thing in public.

"Bang!"

Suddenly, just as Li Shuai Tian was about to pull Xu Lan into his arms, and Liu Xu Peng and Qin Luo had already reached Song Nuan, the door to the KTV room was suddenly kicked open.

This loud sound immediately subdued the entire KTV as they looked at the two people who appeared in the doorway.

"Fatty! Guard the door! No one is allowed to leave tonight without my permission!"

Lin Ran said in a cold voice.

"Good!"

Wang Yifeng nodded and followed, locking the door to the room behind him.

Lin Ran's gaze swept over the crowd and finally landed on Li Shuai Tian, who also saw Lin Ran at the same time.

Where they didn't know Lin Ran, they couldn't help but gag at this moment when they saw him.

"What about the boss?"

The three of them came together and looked at Lin Ran warily.

And Xu Lan couldn't help but shed tears when she saw Lin Ran, if Lin Ran had come a little later, I'm afraid the two of them would have really ...

"Sister-in-law, don't worry!"

Lin Ran was busy stepping forward and said with relief.

"It's good that you're here!"

Xu Lan cried tears of joy.

Lin Ran's heart was a bit self-conscious, fortunately Xu Lan was not in trouble, otherwise how could he explain to Liu Chen.

"Turn off the music!"

Lin Ran snapped his head around and scolded to the side.

At this moment, all the girls inside were scared to death to see Lin Ran's murderous gaze, and hurriedly turned off the song that was still playing.

The entire room was instantly silent, and Lin Ran turned his head to look at Xu Lan.

"Who dunked it?"

"That's them!"

Xu Lan pointed at Li Shuai Tian's trio.

"Where are the others!"

Lin Ran continued to ask.

"It doesn't matter about the others!"

Xu Lan said.

Lin Ran turned his head to look at the others and said in a cold voice.

"In one minute, get out! Or don't blame me for not being polite!"

Chapter 863

When they heard this, a group of people ran for their lives out of the room, and soon only Lin Ran and Li Shuai Tian were left in the originally noisy room.

At this moment, Lin Ran was not in a hurry. He placed Song Nuan on the sofa and checked her body first, seeing that she was not seriously injured.

Only after doing this did Lin Ran slowly get up and place his gaze on Li Shuai Tian's trio.

"Lin Ran, they just took a picture of Xiao Nuan, it's in their phone!"

Xu Lan remembered this and said busily.

Lin Ran's already ice-cold face instantly became a few shades colder when he heard this.

"Hand over the phone!"

Lin Ran looked at the three men and said in a cold voice.

"Huh? On what basis?"

Li Shuai Tian laughed coldly.

"Just on what basis, what the fuck are you?"

Liu Xu Peng also laughed disdainfully.

“Kid! If you hadn’t appeared out of nowhere, I would have been playing with your girl by now!”

Qin Luo said even more disdainfully.

Lin Ran’s face went completely icy cold when he heard this.

“I’ll go fuck you!”

Wang Yifeng, however, could no longer tense up and was about to go up and hit someone right away.

“Fatty!”

Lin Ran spoke up.

“Ranzi, you’re even going to take this on?”

Wang Yifeng said angrily.

“No, he I’ll do it myself!”

Lin Ran said indifferently, following which his palm fiercely lifted up and slapped Qin Luo across the face.

This slap was so vicious that before Wang Yifei’s palm fell, there was a “pop” sound next to him, the sound was so loud that it was staggering.

Qin Luo didn’t even react, his whole body hit the wall with a bang, and then he passed out.

“Goo dong!”

Li Shuai Tian and Liu Xupeng could not help but gag as they watched, but then they were also confused as Wang Yi’s two slaps also came.

They tried to resist, but before they could even turn their heads, Wang Yifei’s slaps had already hit them in the face.

Lin Ran took out Qin Luo’s mobile phone just in time to see Wang Yifeng knocking the two men to the ground.

“Take out their phones!”

Lin Ran said indifferently, while picking up a glass of beer on the coffee table next to him and pouring it directly on Qin Luo’s head, waking him up instantly.

“Ranzi!”

Wang Yifeng brought the phone over and handed it to Lin Ran.

Lin Ran that in his hand and did not bother to look at it, but looked at the three people lying on the ground in the ground and said in a cold voice.

“Let’s count the things tonight one by one, you guys buy new phones again!”

After saying that, Lin Ran fiercely flung his hand, and at once, he heard three “bang, bang, bang” sounds, the three people’s mobile phones directly smashed to the ground and turned into dregs, not even dregs, but simply into powder.

“!”

He didn’t take the picture, it was Liu Xu Peng and Qin Luo who took the picture just now, how come his phone was also dropped.

“Alright, the phone matter is settled, now let’s settle the matter of you guys pouring wine!”

Lin Ran blandly came to the table, on it was still the wine that Li Shuai Tian had just taken, Lin Ran picked up the wine and put it between his nose and sniffed it, then he took several bottles of different varieties of wine from the room.

“Fatty! Three bottles each! Fill them up!”

Lin Ran said in a cold voice as he only went up to the nine bottles of wine that were placed on the table in total.

“By what right!”

Li Shuai Tian couldn’t help himself and was busy asking.

“That’s right, who are you to fill us up!”

Liu Xu Peng was also flustered.

And Qin Luo was looking at Li Shuai Tian, where was the backbone at this point.

“Want to know why?”

Lin Ran glanced at the three indifferently and threw the cup of wine in his hand onto the ground.

“You used three kinds of wine to mix for Xiao Nuan to drink, and you’re asking me why?”

Lin Ran said in a cold voice, while chiding.

“Fatty! Pour the wine!”

“Got it!”

Wang Yifeng instantly rolled up his sleeves and picked up one of the bottles and walked over to Li Shuai Tian.

“Three bottles of wine mixed? You guys are really sons of bitches!”

On the side, Xu Lan was so angry that if she wasn’t a woman herself, she wouldn’t have been able to resist the urge to go up to the three of them and beat them up.

Making a girl mix with three kinds of wine, this was simply trying to plot mischief, fortunately she didn’t drink it herself.

“Goo dong goo dong!”

Wang Yifeng directly inserted the bottle of wine into Li Shuai Tian's mouth and poured it all down without pulling a drop.

"You Goo dong Can't be so Goo dong!"

Li Shuai Tian did not finish a sentence, a bottle of wine has been all poured down.

"You guys cluck Can't do this to me like this Lol I've got"

Li Shuai Tian still wanted to say something, but before he could finish his words, Wang Yifeng had already brought a second bottle.

And this time Li Shuai Tian didn't even utter a word, the whole bottle was already poured down.

The third bottle did the same.

After the three bottles were finished, Wang Yifeng came to Liu Xupeng again.

Lin Ran, on the other hand, came in front of Li Shuai Tian and sent a stream of medical true qi into his body, three bottles of wine down, Lin Ran did not want to make a mess.

Soon Liu Xupeng and Qin Luo were also poured with three bottles of wine, and Lin Ran also fed them each with Medical Dao True Qi, death was not an option, but they had to suffer this sin.

As he watched the three men's old faces start to turn red and drunkenness set in, Lin Ran then got up and looked at the three men and said in a cold voice.

"The last account, the plotting! We'll be done after the accounting!"

"You Lol What did you do first!"

Li Shuai Tian was confused at this point and looked at Lin Ran and actually laughed.

"You dare to touch me! Kid, do you know who I hang out with?"

Through the alcohol, Li Shuai Tian also started to let loose his ruthless words.

"Boss, what are you bothering with them, just give big brother a call Call Call ah!"

On the side, Luo Xu Peng also said drunkenly.

"Fight ah! When big brother arrives, the three of them will still have to kowtow and apologize!"

On the side, Qin Luo also laughed.

The three of them had actually completely forgotten about Lin Ran's methods because of their drunkenness.

"What about Ranzi?"

Wang Yifeng asked.

"What about what to do, you believe in the words of three trash, do it! Take off your clothes!"

Lin Ran said in a cold voice.

“Huh? Take off your clothes?”

Wang Yifeng was stunned, and Xu Lan was even more flushed, she was a girl, and Lin Ran actually wanted to take off his clothes.

“Ranzi, your brother-in-law is here, so it’s not appropriate for me to take off my clothes!”

Wang Yifeng frowned and said.

“Get lost! What are you thinking, I’ll let you take off their clothes!”

Lin Ran said helplessly.

“That’s not appropriate either, this brother’s daughter-in-law is still here!”

Wang Yifeng said helplessly.

“I’ll go out first!”

Xu Lan instantly helped Song Nuan out of the KTV.

“Do it!”

Lin Ran said in a cold voice, and the two of them immediately stripped all three of Li Shuai Tian’s clothes, leaving only the small trousers, and as for the clothes they took off, Lin Ran directly threw them outside the window.

“Now what?”

Wang Yifeng laughed.

“Wait!”

Lin Ran said, while going out to give Xu Lan a few words, then went back inside the box and waited.

Xu Lan, on the other hand, took Song Nuan straight to the hotel next door to get a room and stay there for the time being.

“Ranzi, do you really believe that they are shouting “big brother”?”

Looking at Lin Ran sitting on the sofa smoking without saying a word, Wang Yifeng couldn’t help but ask.

“Believe!”

Lin Ran simply said back and then stopped talking.

At this time, the three people who had been stripped naked were gathered together, holding their mobile phones and were making phone calls.

Chapter 864

Wang Yifeng also understood Lin Ran’s worry, he was too busy to be by Song Nuan’s side all the time.

If he couldn't eliminate the grass, I was afraid that it would also endanger Song Nuan, which was why Lin Ran was waiting here for the so-called big brother that Li Shuai Tian and the others were talking about to come over.

Hanging up the phone, Li Rate Tian looked at the two Lin Ran and sneered.

"Good boy! Don't leave if you have the guts, my big brother will be here soon!"

"Haha! They definitely won't dare to leave, if they do big brother will still find the little bitch!"

"Right! Let's block them here and see where they go!"

The three of them said and actually got up and went to the door of the private room, blocking it up, as if they were afraid that Lin Ran and the two of them would run away.

But at first it was fine, but as time went on, the three of them couldn't help but get goose bumps, they couldn't bear the cold as they had no clothes to wear at night.

At first the three were blocking the door, but then they hugged each other for warmth because they couldn't stand it.

"Where is everyone? Where is everyone?"

After there was half an hour, finally an angry voice came from outside the box.

And upon hearing this voice, Li Shuai Tian's three men came to life and looked at Lin Ran's two men and sneered.

"Kid! Your doom has come, my big brother has arrived!"

"Right! Our big brother is here!"

"Say something, you two!"

When Qin Luo saw that they were still putting out harsh words, he helplessly shouted at the door.

"Big brother, we're here!"

"I hear you!"

An echo came from outside, followed by silence.

And this was Li Shuai Tian's trio standing in the doorway, their faces full of smugness.

"Bang!"

Suddenly, a loud bang came from outside the door of the room, followed by the entire door of the room slapping over.

It was obvious that someone was kicking the door from outside.

But to no one's surprise, this kick came over, but the door hit Li Shuai Tian's three people impartially.

The three of them were instantly knocked to the ground and rolled into a ball.

At the same time, a young man in a denim leather jacket came through the door with a dozen of people. The youth in the lead had short hair, wore a leather jacket and had a scar on his face, and looked arrogant.

“Where are the men?”

The youth swept his gaze across the private room and saw the two Lin Ran sitting on the sofa, not seeing Li Shuai Tian couldn't help but ask in an angry voice.

“Big brother! We're here!”

“Behind the door!”

“Over here!”

The three men shouted busily, unable to move at all at this point as they were firmly stuck behind the door.

“Holy shit!”

The youth couldn't help but curse, following which he had the door to the room closed, and only then did he see the three men behind the door.

“What are you three doing? Isn't that disgusting!”

Seeing the three of them hugging together without clothes on, the youth instantly felt nothing but spicy eyes.

“Big brother it's not what you think, we”

Li Shuai Tian hurriedly explained, however the youth was directly waving his hand and interrupted him, questioning.

“Who is the other party? Where are the people?”

“Boss, it's them!”

Li Shuai Tian was busy pointing at the two Lin Ran's people next to the sofa, with ecstasy in his eyes.

“Kid! Our big brother is here, there's no way for you to run away this time!”

“Run? There's no way you can even kneel down to me!”

Liu Xu Peng and Qin Luo laughed in triumph.

The youth on the side gave the two a disgusted look before walking straight towards the two Lin Ran.

“Friend, where do you hang out!”

The youth looked at Lin Ran and said in a cold voice.

At this time Lin Ran's cigarette just finished, pressed the cigarette out, looked up at the youth and said indifferently.

“That’s not even mixed, you’re their big brother?”

“That’s right! It’s me, known as Brother Dali!”

The youth sneered, his face full of disdain.

“You’ve done this to my people, say what you’re going to do about it!”

Brother Dali sneered as the same took out a cigar and held it in his mouth, and immediately a junior next to him came forward and respectfully lit it.

Lin Ran and Wang Yifeng both got up and looked at him, but neither of them said anything, they just watched in silence.

“Pff!”

Brother Dali exhaled his cigarette and laughed at the situation.

“Not saying anything? Then you’re not giving me, Brother Dali, face?”

With that, he gently talked about the ashes of his cigarette, turned his head to look at the brothers behind him and laughed.

“Brothers, people do not give face, what do you say?”

“Big brother, just beat them up, beat them up so that they don’t even know their own mothers!”

Li Shuai Tian said directly.

“Yes, big brother, beat them up first!”

Liu Xu Peng was also busy saying.

“A beating? At least two, I still have acid in my stomach!”

Qin Luo gritted his teeth and said.

The three of them were so angry that they were itching to go up to Lin Ran and beat him up.

“What do you two think?”

Brother Dali turned his head to look at the two Lin Ran with a faint smile on the corner of his mouth, not putting the two in his eyes at all.

“Think what?”

Lin Ran laughed.

“I just want to make sure that the three of them are your people or not!”

“And now? You seem to have confirmed it!”

Brother Dali sneered, still smoking his own cigarette, completely ignoring the two of them in Lin Ran’s eyes.

“Right! Confirmed!”

Lin Ran laughed, while stretching out his arms and looking at his watch.

“Fatty!”

“What’s the word?”

Wang Yifeng stood to the side, having long been waiting impatiently.

“Do it, it’s getting late, time to go back and rest!”

Lin Ran said indifferently.

“Tell me earlier, I’m so tired I can’t even open my eyes!”

Wang Yifeng casually replied, followed by an arrow step and rushed towards the other party.

And at the same time, Lin Ran also charged towards Brother Dali with an arrow step.

“Interesting!”

Brother Dali sneered at this and flicked the cigar in his hand towards Lin Ran, following which he also rushed forward.

“Brothers do it!”

With a greeting from him, at once the group of men behind him moved one by one.

The already unforgiving private room was suddenly in a mess.

The three of them, Li Shuai Tian, who had originally called out to make a move against the two Lin Ran, were now hiding in a corner to the side, the three of them gathered in a group, afraid that the chaos would affect them.

They were just joking, they were only making ruthless remarks, how could they dare to fight Lin Ran, the shadow of the previous beating still remained in their hearts.

“Bang!”

Lin Ran and Brother Dali clashed their fists together as soon as they met each other.

Following that, Brother Dali’s face changed.

He usually worked out and had absolute confidence in his own body, but at this moment, Lin Ran’s punch was actually making him vaguely uncomfortable.

And in looking at Lin Ran, there was a faint smile on his face the whole time, as if he hadn’t exerted any force at all.

“Is that all the strength you have?”

Looking at Brother Dali, Lin Ran shook his head, followed by a fierce change in his entire body’s aura, and then with an arrow step he actually arrived directly in front of Brother Dali.

And this time, Brother Vigor didn't react at all.

"Down!"

With a loud shout, Lin Ran kicked Brother Dali in the stomach.

With a muffled "bang", Brother Dali's entire body flew backwards and then smashed heavily into the corner of the wall.

"Big brother!"

"Big brother!"

Who would have thought that the place where the former fell would be the place where the three of them were.

This smash was called a solid one, and the three were directly smashed to the ground by Brother Dali.

Lin Ran slowly walked to the four of them in front of Brother Dali and looked at Brother Dali, who was lying on the ground with a pale face, and said blandly.

"This is a lesson for you, keep an eye on your dog, if there is another time, I will not only slaughter dogs, but also kill people!"

After saying that, Lin Ran drew out his broken-tipped dagger and stabbed Brother Dali in the eye.

"Ah! No!"

Brother Dali's entire body froze in fear, and a hot stream of water flowed directly down his trousers.

Chapter 865

"Bang!"

The dagger slashed across Brother Power's forehead and plunged heavily into the ground.

And only then did Brother Vigorously react that Lin Ran hadn't really stabbed him in the eye, he was just scaring him.

"Someone! Someone!"

Brother Dali was completely panicked, if he still had the courage to go one-on-one with Lin Ran just now, but now this courage of his was completely broken.

"Big brother, where's anyone else!"

Being pinned underneath Brother Dali, Li Shuai Tian said bitterly.

"What do you mean!"

Brother Dali was puzzled and was busy asking.

"Big brother, you can see for yourself!"

On the other side, Liu Xu Peng, who was pressed with only one head showing, said helplessly.

Brother Dali was busy looking to the side, he had brought a dozen brothers with him, how could there be no one there.

But when he looked to the side, his whole body froze.

He saw that the group of brothers he had brought with him were all on the ground, and they were all stacked on top of each other like a jellyfish.

And that dead fatty was sitting on top of his own brothers, stoned on his own melon seeds, looking like he was watching the fun.

“You!”

This time, Brother Dali was really scared, his dozen brothers were actually taken care of by one person in less than a minute, is this still a fucking human being!

“You three have caused a lot of trouble!”

Brother Dali was so angry that he could hardly wait to skin the three of them alive.

“Remember my words, or you won’t get such a good result next time!”

Lin Ran said indifferently, following which he got up to greet them and left with Wang Yifeng Yi.

It was only after the two had left for a full few minutes that Brother Dali came back to his senses and hurriedly climbed up from the ground, gritting his teeth and saying.

“Fuck, I’ve been out for so long, but this is the first time I’ve been beaten up by someone! Say who that kid is!”

Brother Dali questioned the three.

“He’s Lin Ran, also a student at Tamkang University, but a year older than us and has already graduated!”

Li Shuai Tian said helplessly.

“But Brother Dali, if you really want to take revenge, I know how to find him!”

Suddenly, Liu Xu Peng, who was on the side, spoke up.

“Speak!”

Brother Dali said in a cold voice.

“Tomorrow, just tomorrow we will also be graduating, that kid’s girlfriend is in our year, he will definitely go to the graduation ceremony tomorrow!”

Liu Xu Peng said brightly.

“Graduation ceremony?”

Brother Dali sniffed thoughtfully, and a cold glint even flashed in his eyes.

“Good! Good graduation ceremony, a dozen people can’t clean you up, what about the two dozen, and each one has a baseball bat!”

The fire in Brother Dali’s heart felt a little better when he thought of this.

“Boss, Lao Er, do you feel it, it seems like the floor is wet, is it leaking somewhere?”

Suddenly, Qin Luo asked suspiciously, while touching his body wet and wondering.

“Where is the water leaking? Why doesn’t Laozi know!”

Li Shuai Tian said helplessly.

“It’s fucking time, and there’s still a leak, you three have a hole in your head!”

Brother Dali said with no good humour.

Liu Xupeng, on the other hand, was full of embarrassment and didn’t say a word.

“What’s wrong with you? Why don’t you say anything!”

Brother Dali looked at Liu Xupeng, his eyebrows locked.

“Big Big brother, it’s better not to say anything, it’s embarrassing to say it!”

Liu Xu Peng said awkwardly.

“What’s embarrassing, say!”

Brother Dali said angrily, at this time he was angry, and seeing Liu Xu Peng’s abnormal attitude, he could not help but be suspicious.

“That, it’s really better not to say anything!”

Liu Xu Peng turned red, not wanting to say anything.

“You say it or not!”

Brother Dali looked at Liu Xu Peng, his eyes full of ice cold.

“No! I’ll say it, can’t I say it!”

Liu Xu Peng had no choice but to whisper.

“Actually it’s not a leak, it’s”

“Rather, what!”

Brother Dali was a little impatient.

“Rather, just now Brother Dali you were was scared to pee!”

“Me!”

Brother Dali was so angry at his words that his old face turned red, and immediately kicked Liu Xu Peng in the chest, followed by turning around and leaving the private room.

“I said I wouldn’t say anything, you had to make me say it, I said it and you still hit me, is there any heaven

Liu Xu Peng cried and complained, before he could finish his words, he saw Brother Dali probe in again, Liu Xu Peng’s words that had reached his mouth were immediately held back again.

.....

In the nearby hotel, Xu Lan said goodbye to Lin Ran and then left.

Although the night’s experience made her a bit scared too, but the good thing is that the ending was good, both of them were not hurt, which is still very comforting.

And when she learns from Lin Ran that Liu Chen is starting a business with Zhang Xu and Liu Yusong in the imperial capital, Xu Lan is also very happy and says that she will also go to them when she graduates tomorrow.

Looking at how well Xu Lan and Liu Chen were getting along, Lin Ran was relieved.

After Wang Yifeng saw that everything was fine, he left on his own, but Lin Ran also knew this guy’s character, and nine times out of ten, he ran off to find Xiao Cui again.

The company’s main business is to provide a wide range of products and services to the public.

.....

The only light coming in from the window made it possible to see a faint outline of the room.

Lin Ran lit a cigarette for himself, his heart was torn and self-condemned.

Luckily, Xu Lan had found out in time tonight and sent himself a text message.

If it had been anyone else, would Song Nuan still have been so lucky? If he hadn’t arrived in time, the consequences would have been too much for him to contemplate.

He didn’t want to be like this, but reality often didn’t give him a choice. He had too many things to deal with and couldn’t be by Song Nuan’s side all the time, so there were times when he felt overwhelmed.

“I hope trouble doesn’t find him too soon!”

Lin Ran secretly sighed, right now he rarely had free time, he just hoped that the trouble wouldn’t come too soon.

When would the so-called tutor find him, when would this difficult big bone of the Yue family find him again, and the venom under that Ten Thousand Treasures spell formation, and even the news of Wang Kun, everything seemed to be waiting for him to solve.

“What’s wrong?”

Suddenly, a figure came out of the room, in the darkness it was a very beautiful silhouette, the whole person looked like a genie in the dark.

“Nothing, just thinking about a lot of things!”

Lin Ran smiled lightly.

“I’m sorry for making you worry again!”

Song Nuan blamed herself a little.

“What’s a fool saying!”

Lin Ran stretched out his hand and swept Song Nuan into his arms, neither of them spoke in the darkness, they just snuggled together quietly.

“I’m just blaming myself for always not being there for you when you needed it!”

Lin Ran said quietly.

“I don’t blame you, no one expected this to happen tonight!”

Song Nuan said with relief.

“By the way, are you going to leave this time when you come back?”

Song Nuan suddenly asked.

“For the time being, I’m not leaving!”

“For how long is for now?”

Song Nuan frowned.

“Maybe a month, or maybe a lifetime! Without further ado, let me accompany you to the graduation ceremony tomorrow!”

Lin Ran laughed.

“Are you sure?”

Song Nuan laughed.

“You still need to be sure about this?”

Lin Ran was surprised?

“My father will also be there tomorrow!”

Song Nuan laughed.

“So what? Uncle likes me so much anyway, and has even secretly entrusted you to me!”

Lin Ran laughed.

“Bah! Who entrusted you with that!”

Song Nuan’s pretty face was red and full of shyness.

“Who else do you think there is!”

Lin Ran laughed and gently twisted on Song Nuan's waist, causing her entire body to go limp.

"Stop it, it's not like you can break your body!"

Song Nuan said busily.

However, Lin Ran this time came closer to Song Nuan's ear and whispered.

"It's already possible, but you still have to be safe and careful of pregnancy!"

Chapter 866

"You go away! I'm going to bed, my head hurts!"

Song Nuan blushed bright red and pushed Lin Ran away as she ran back to her room as if she was running away.

"Hey!"

Lin Ran was helpless, lighting a cigarette for himself, his heart screaming bitterness.

He was the one who had refused before, but now that he could easily respond, it turned out that people were still embarrassed, what was this all about.

"Hey Destined to be a bachelor, empty lance with no place to put it!"

Lin Ran helplessly sighed, then also got up and lay down on the sofa, not talking.

.....

The night slowly faded, and when the morning sun poured into the room, Song Nuan had already made breakfast.

Lin Ran got up and ate a couple of bites, and then the two of them left for Tanjiang University.

Today's Tamkang University was destined to be unusual, with cars of all sizes clogging up the entrance to the university.

Inside the campus, people of all shapes and sizes filled the streets of the campus.

Not because of anything else, but because today was the day of graduation for the new class of students.

"Students, in half an hour, the moment you get your diploma, it will be a new beginning of your life, and in this last half hour, please allow me to"

The headmaster spoke eloquently at the top, sitting down to give his final benediction, while the students below were already apoplectic, their minds flying off to who knows where.

"Do you want to go celebrate at lunch later, your successful graduation?"

Lin Ran asked with a smile.

"Celebrate what, make it sound like I can't graduate when I do!"

Song Nuan said without a smile.

“It would have been, if I hadn’t cured your retreat back then, I’m afraid you would still be in a cast now!”

Lin Ran laughed.

“You!”

Song Nuan smiled back, unable to help but remember the first time the two of them had met.

At that time, if Lin Ran hadn’t seen that her leg wasn’t broken, I’m afraid she really wouldn’t have dared to dance in the future.

“Alright, since someone has to treat me to a delicious meal, I’ll reluctantly agree, you can inform Sister Bing and the girls later!”

Song Nuan laughed.

“Mhm!”

Lin Ran smiled and nodded his head.

However, before he could take out his phone and notify them one by one, suddenly three figures actually jumped out from the side by themselves, and each of them was holding a bouquet of flowers, it was none other than Qin Bing’s three.

“Happy graduation!”

“Happy graduation!”

The three of them said in unison, followed by shoving the flowers to Song Nuan.

“You three!”

Looking at Qin Bing Luo Qiqi and Su Rou, Song Nuan couldn’t help but have red eyes, she didn’t expect these three to come too.

“Qiqi, it’s been a long time, your temperament has changed!”

Looking at Luo Qiqi’s slightly more mature aura, Lin Ran couldn’t help but laugh.

“Brother Lin Ran, you’re still saying that, how long has it been since you’ve visited me!”

Said Luo Qiqi as she gave Lin Ran a white look, showing her discontent.

“I’m just busy, let’s all go for a get-together at noon, my treat!”

Lin Ran laughed.

“That’s what you said!”

The four women were all very happy to be together again.

However, at this time, in an inconspicuous corner not far away, Li Shuai Tian took out his mobile phone and called.

“Big brother, we’ve found them, that kid is really here, and there are three more beauties around him!”

Li Shuai Tian said.

“What? Three beautiful women, holy shit!”

Brother Dali’s eyes only glowed when he heard that, he could not wait to rush over to get a glimpse of them.

“Brother, don’t worry, they should be going out soon, they will definitely go out when the ceremony is over!”

Li Shuai Tian was busy saying.

“Fine! Got it, I’ll block them at the door!”

Brother Dali laughed, while at this moment his mind had already flown to the school.

“Three beautiful women, tsk tsk, how blessed old man must be!”

As we were talking, the ceremony was already over.

Song Nuan’s luggage had long since been transported away due to her grandfather, and at this point, she only needed to go and collect her diploma to be considered completely graduated.

“Xiao Nuan, you’ve graduated, I’m afraid I’ll have to spend the rest of my life at school!”

Su Rou looked at Song Nuan’s diploma and was very emotional, before there was still Song Nuan to talk to, but now she had also graduated, the whole school was left alone.

“Sister Su Rou, you can move in with me, it’s pointless to live at school anyway, going to my house and seeing him everyday, two birds with one stone!”

Song Nuan laughed.

“Don’t Don’t be ridiculous, who wants to see him! Rascal!”

Su Rou said with a slightly red face.

“I How is that rogue, I’m a hard worker today, okay!”

Lin Ran was helpless, how did he inexplicably lie down.

“Well, let’s hurry up and find a restaurant, someone is treating us to lunch today!”

Luo Qiqi was busy changing the subject.

“Right, right!”

The three women all echoed the words, and immediately the four of them walked towards the entrance.

At the entrance of the school, there weren’t too many people at this time, after all, many students still had to go and move their luggage, while Song Nuan she didn’t need this process, so naturally she was one step ahead of the others.

However, just as their group of five had just walked out of the school entrance, the nearby Brother Dali was instantly stunned.

“One Two Three Four! Four! Which is three fucking ones!”

Seeing the four beauties beside Lin Ran, Brother Dali was dumbfounded, and seeing Li Shuai Tian running from the side, he couldn't help but curse.

“You bastard still said there were only three, why do you want to take one all to yourself!”

“Me!”

Li Shuai Tian was dumbfounded, he had clearly said there were three more, three more, so didn't that add up to four.

“All right! Look at Laozi next!”

Brother Dali glared at Li Shuai Tian with no good grace, followed by a wave of his hand, and more than twenty youths wearing denim jackets immediately surged over, each of them holding a baseball bat in their hands, and walked towards Lin Ran and the others in an aggressive manner.

Some of the other students around them looked frightened and couldn't help but take a few steps back to look lively.

“Hm?”

Lin Ran also noticed these people, and after seeing that the leader was Brother Dali, he immediately frowned.

“Them?”

The four women of Song Nuan also noticed these people and their hearts couldn't help but lift when they saw that they were the very ones walking towards them.

“Lin Ran!”

Song Nuan even pulled on Lin Ran's arm, clearly nervous.

“Don't worry!”

However, at this moment, Lin Ran was suddenly calm, and there was even a cold smile on the corner of his mouth.

“Kid! You're not too lucky! What's the matter? Borrow”

Brother Dali's voice came over before his person arrived.

But before he could say a word, the sound of a car horn interrupted his words.

Then everyone was surprised to see that six or seven police cars had stopped at the entrance of the school.

The first one was a black Mercedes Benz.

The car stopped, and at once, surrounded by a large group of police officers, Song Yujiang got out of the car and walked straight towards Lin Ran and the others.

“What are you guys doing?”

Seeing the few people from Brother Dali, Song Yujiang’s face suddenly turned ugly, there were actually so many people with baseball bats in public, it looked like they were gathering to cause trouble.

“Surround them!”

Song Yujiang directly chided.

“Holy shit!”

Brother Dali panicked at the sight of this, killing him to think that the police would not come back at this time.

“Dad!”

Seeing Song Yujiang, Song Nuan immediately ran over and jumped into the former’s arms.

“Dad?”

The big brother looked even more could not help but swallow spittle, the heart is even more chilling, fortunately he did not do it yet, otherwise I’m afraid there are nine lives are not enough to be collected, he actually messed with such a big man’s daughter ah.

“That! Uncle police, you misunderstood, we are from the baseball team!”

Brother Dali said busily.

Chapter 867

“Baseball team? What are you doing in front of the school if you’re not going to play baseball? Break it up, break it up!”

The lead policeman scolded.

“We were just about to go play ball, disperse immediately disperse immediately!”

Brother Dali was so scared that he immediately ran away with his men, joking about how he dared to make a scene with so many police officers.

Looking at how quickly Brother Dali and the others came and left, Lin Ran and the others couldn’t help but laugh.

“Dad, you just came, why is it such a big show?”

Song Nuan looked at Song Yujiang in confusion, she knew her father very well, he was usually very low-key, she didn’t expect him to be so high-profile this time.

“I just stopped by to pick you up, I didn’t expect Lin Ran to be here too, since we ran into each other, let’s get in the car together”!

Song Yujiang greeted.

“That won’t be necessary, we have to go for a get-together at noon!”

Song Nuan laughed.

“Let’s get together in the evening, something has happened in the city, and I’ve come precisely to find Lin however!”

Song Yujiang said seriously.

“What’s happened?”

Lin Ran frowned slightly at his words, he knew that trouble wouldn’t come late.

“Get in the car and tell me!”

Song Yujiang frowned slightly, greeted and immediately led the crowd to his car.

.....

At the corner of the school entrance, Brother Dali was scared and his whole body was in a cold sweat, if he hadn’t been smart enough to say he was from the baseball team, I’m afraid he would have really fallen this time.

“You three idiots! Who’s not good enough to heat up, but the grandfather’s daughter!”

Brother Dali looked at the three Li Shuai Tian and was so angry that he wanted to kill someone.

“Big brother, we don’t know either!”

“Yes, who knew Song Nuan’s father was the Grand Master!”

“Song Nuan, Song Yujiang, we should have thought of that!”

On the side, Qin Luo said in a serious manner.

“Get lost!”

Li Shuai Tian and Liu Xu Peng were so angry at his words that they simply wanted to storm off.

“All three of you get lost, I’m not your big brother anymore, fucking almost got me into it!”

Brother Dali glared at the three of them, turned his head and left.

Just kidding, Song Nuan this identity where he still dares to make trouble, in the future Song Nuan Lin Ran this group of people, or to avoid far away, otherwise one day into the are not sure how to get in.

.....

“Dad, in the end what happened?”

In the car, Song Nuan asked with a nervous face.

Song Yujiang put up such a big show, even though he only stopped by to pick himself up, but looking for Lin Ran was the main thing, and with so many people coming to look for Lin Ran, it was obvious that this was not a normal thing.

“It’s a big matter!”

Song Yujiang sighed and glanced at the Secret Art at the side, the latter understood and immediately handed a report to Lin Ran.

“This is?”

Lin Ran took the document, only to see a line written prominently on it.

“Report on the special virus case that appeared in our city!”

Lin Ran was busy reading on, and the more he read, the more shocked he became.

It was written on the report that a special case of poisoning had recently appeared in Tanjiang City, and the patient had been poisoned with a poison that could not be detoxified, and the patient was even delirious, as if he was a walking corpse, and extremely aggressive.

“Where is the patient now?”

Lin Ran asked busily, this was indeed an unusual matter.

“At Tamkang Hospital! There’s someone there monitoring it twenty-four hours a day!”

Song Yujiang said, while turning his head to look at Song Nuan’s four daughters, solemnly saying.

“Remember, you four, don’t tell anyone about today’s incident, it’s likely that there’s a big conspiracy behind this matter, if it leaks out the consequences are not something you can be responsible for, even if you are my daughter!”

“We understand!”

The four women nodded solemnly, this matter was not big or small, in the end it had to be the characterization of what was going on with this patient, if it was really a new type of virus, then the matter would definitely not be small, but if it was just an ordinary virus, then the matter would probably just be left alone.

“So where are we going now?”

Song Nuan asked busily.

The mood that had just graduated was quite good, but at this moment it had also become a bit gloomy because of this matter.

“To the Temperate River Hospital, this time we’re looking for Lin Ran, so that he can go and see what the situation is and if he can determine what it is!”

Song Yujiang said.

“Alright then!”

Song Nuan had no choice, it seemed that this time when he got on the car, he couldn't get off, everything could only wait until he got to the hospital to find out what the situation was before he could leave.

"By the way, I heard that there is another one called Qin Bing among you, which one is it?"

Song Yujiang asked busily.

"It's me!"

Qin Bing raised his hand.

"Well, you'll come along later, Dean Yang mentioned you!"

Song Yujiang simply arrived.

"Mm!"

Qin Bing nodded his head and didn't say anything more.

While the people were talking, the car had already arrived at Temperance Hospital.

Song Nuan Su Rou and Luo Qiqi were arranged to rest in one of the offices, while Lin Ran and Qin Bing accompanied Song Yujiang and the others and went straight to the intensive care unit.

This was a special intensive care unit, which was basically only available to Song Yujiang, but now it was exclusively for this special patient.

Because of the special relationship, all the enclosures around this ward were made of bulletproof glass, so ordinary people could not break through at all, and even those whose strength had not reached the half-step Heaven Seizing Realm could not break through at all.

"Lin Ran! Qin Bing, you're finally here!"

Seeing the trio enter, Dean Yang's tense expression was obviously much better.

"Mr. Song!"

Dean Yang hurriedly greeted.

"Mmm! How is the situation?"

Song Yujiang asked directly.

"The patient's condition is very unstable, he's very cranky now, he's just been sedated, he should be quiet after a while!"

Dean Yang said, while leading the crowd into the guardianship room.

There were not many people inside the guardianship room, apparently this kind of thing was not known to anyone other than a few leaders like Dean Yang.

There was a separate partitioned area inside the ward, and a man was squatting in it, wearing only a white coat, but the white coat was already torn, and the wounds were all scratched with his nails.

Lin Ran slowly step to the side, carefully stare at him, want to see something from him.

“Mr. Song, this time”

Dean Yang opened his mouth, but before he could finish his words, Song Yujiang interrupted him with a wave of his hand, signalling not to speak.

Seeing Lin Ran’s demeanor, Dean Yang then suddenly realized that he was busy shutting up and not speaking, and suddenly the entire custody room was quiet.

“Can you tell anything?”

Qin Bing asked busily.

She had looked for half a day too, but never found anything wrong!

This patient was crouched on the floor, his eyes deadly fixed on the few people outside, not saying a word, just crouching like that, like a beast waiting for prey, ready to wait for an opportunity to move!

“I’m going to go in and take a look!”

Lin Ran suddenly turned his head to look at Dean Yang and Song Yujiang.

“Go in and take a look? No way! It’s too dangerous!”

Dean Yang refused outright.

“What have you found?”

Song Yujiang asked busily.

“I want to make sure what kind of poison he’s been poisoned with!”

Lin Ran said solemnly.

“But it’s too dangerous to go in, his current strength is too much greater than even a normal person!”

Dean Yang said busily.

“No harm done!”

Lin Ran said indifferently.

“But!”

Dean Yang wanted to say something else, but when he saw that Lin Ran’s expression insisted that he had no intention of joking, he reluctantly nodded his head and agreed.

“Then you take care of yourself! If things don’t go right, exit immediately!”

“Mhmm!”

Lin Ran nodded, then directly opened the door to the guardianship room and entered inside with a flash, while locking the door behind him again.

“Hm?”

As soon as he entered the guardianship room, Lin Ran immediately felt a fishy smell pervade the room, and the fishy smell was also very familiar, as he had smelled it just a short while ago.

“Wampum! Venom! How could he have this smell on him!”

Lin Ran’s heart instantly tightened up.

Chapter 868

“Roar!”

Just as Lin Ran’s heart was in shock.

Suddenly, the patient was leaping fiercely and directly lunged towards Lin Ran.

Moreover, as his entire body was suspended in mid-air, Lin Ran clearly saw that his hands and feet were in a strange posture, as if he was a beast hunting for food, which was very bizarre.

“Go back!”

Lin Ran’s eyes fiercely chilled, and his palm had already probed out, directly slapping the other man’s body.

Hearing only a “bang”, the man was directly sent flying backwards and hit the ground with a heavy thud.

At that moment, his entire demeanour changed and he huddled in a corner, looking at Lin Ran warily, his face full of fear.

And at this time, Qin Bing outside had also long ago pinched a sweat, clutching his hands nervously, not even daring to breathe a single breath.

“Don’t move!”

Lin Ran looked at the other party with a deadly gaze, and slowly touched out a silver needle, followed by a flip and a pull, at once the silver needle had brought out a strand of blood from the other party’s body, and at that moment a layer of blood appeared on the whole silver needle.

Lin Ran placed the silver needle on the tip of his nose and just smelled it for a moment, and at that moment the entire person had been completely sure.

“Bang!”

The door to the room opened and Lin Ran walked out, while closing the door again.

“Well?”

Dean Yang and Song Yujiang were busy coming up, their faces tense as they asked.

“Right guess, it’s poisoning!”

Lin Ran nodded his head while placing the silver needles on a tray and said to Dean Yang.

“Dean Yang, do you still remember those poisonous herbs from the last Chinese herbal medicine appreciation conference?”

“I remember, could it be related to this?”

Dean Yang frowned and said.

“It’s also related, and it’s also okay!”

Lin Ran frowned.

“The poison in this person’s body is the poison on top of those herbs, but I’ve already disposed of those herbs, so it’s likely that this person is infected with a new source of poison, the key is that he’s not dead yet, apparently the poison and the poison aren’t quite the same!”

Lin Ran frowned to himself as he said this.

The matter at hand seemed a little too complicated, as if it was the same poison, but the characteristics that manifested themselves were completely different.

Some were instantly dead on contact, while the one in front of him was not in not dead, but had turned out like this!

“Can it be cured?”

Song Yujiang asked busily.

“Yes! But that’s not the point, the source of the poison must be found and dealt with as soon as possible, otherwise this kind of thing will definitely happen again!”

Lin Ran said.

“Leave it to me!”

Song Yujiang nodded at his words and immediately took out the phone and made arrangements, no matter what, he had to at least find out the identity of this person first so that he could determine the location of the incident.

While Song Yujiang was arranging for people to investigate the information, Lin Ran returned to the guardianship room and started treating the other person.

However, after starting the treatment, Lin Ran realised that he was so deeply poisoned that it was almost impossible to completely eliminate the toxins from his body.

Lin Ran had no choice but to let Dean Yang try to change the patient’s blood, while he assisted him by using his Medical Daoist True Qi to block the venom in the patient’s body, and only after three hours of torturing did all the toxins in the patient’s body come out.

At this point, the patient was finally quiet, but he was very weak and fell asleep straight away.

As this was a special case, Lin Ran could not leave, so he had to wait in the hospital.

It was not until the afternoon that the patient woke up for the first time.

“What’s your name?”

Lin Ran asked busily.

“Tiezi!”

The other party was breathless, he was not too old, just in his twenties, but at this moment, it was as if his whole body had been drained of its essence, his face was pale and weak.

“Where are they from?”

Lin Ran continued.

“The villagers near Wan Ren Mountain!”

“How did they become like this!”

Lin Ran continued to ask.

“I don’t know, that day I only went up to the mountain normally to herd sheep, and it turned out like this!”

The youth himself was dumbfounded, completely unaware of what had happened to the hair province.

However, when Lin Ran heard the words Wan Ren Mountain, his entire heart tightened up again.

He couldn’t be more familiar with this place, but how could he have imagined that this time, the matter was actually related to Wan Ren Mountain again?

The patient only talked for a couple of minutes and then fell asleep, not enough to regain his senses this time, which was a relief for Song Yujiang.

Soon after, the people Song Yujiang sent to investigate also sent news, proving that the person was indeed a villager from the vicinity of Wan Ren Mountain, who had disappeared the other day and had not expected to turn up in Tamagawa City.

And they also learned a very strange situation, that is, according to the local villagers, there are a lot of people suspected to have disappeared from their place in recent days!

The point is that most of these people are also not locals, but came to the area just a few days ago!

“Could those people be gone, not missing at all!”

Dean Yang wondered how anyone could be missing at this juncture.

“No way!”

Song Yujiang frowned.

“If they were just gone, that stuff should have been taken away too, but according to the response of the people investigating, those people didn’t even take their luggage away, it was more like they went on a trip to Wan Ren Mountain and ended up missing!”

Speaking of this, Song Yujiang also had a head full of two.

He had only just made some headlines about the venom, but in the blink of an eye, there was another missing person, so he didn't expect this summer to be an eventful one.

"Uncle Song, I think there might be a change at Wan Ren Mountain, you'd better strengthen the vigilance there!"

Lin Ran said.

"Hmm! Arrangements have already been made, I just hope it's not a good idea for something to go wrong!"

Song Yujiang nodded his head.

As for those people who had already disappeared, since they hadn't been reported to the police either, he couldn't say anything for the time being, he could only send someone to find out more about the situation first and make a decision later.

"You guys go first, I'll look for you if something happens!"

Song Yujiang said to Lin Ran.

Lin Ran nodded, and then he and Qin Bing left the intensive care unit.

The patient had been cured, but it seemed that there was a bigger conspiracy waiting for them behind the scenes, and everything was still unclear.

When they came out of the hospital, it was already seven or eight o'clock in the evening. They had originally arranged to go for a big meal at noon, but unexpectedly they were delayed by this for a whole day, which made everyone in the group not in a good mood.

The four women had to go to the hot pot restaurant they always go to, so that they could have a change of mood.

Once they heard that they were going to eat hot pot, the four of them were obviously in a much better mood, except for Qin Bing who always had a worried look between her eyebrows, as if she was still thinking about the afternoon's events.

But when the delicious dishes were served, her mood was gradually dulled by the food, and the four of them were soon chatting and laughing.

Lin Ran interjected every now and then, but the rest of the time was mostly spent thinking about the Wan Ren Mountain.

Ever since the last battle with Compulsion Yang on Wan Ren Mountain, when he and Lin Lin fell off the cliff, he had not been to Wan Ren Mountain for a long time, and had thought that nothing could possibly go wrong there.

But to his surprise, it was only half a year ago that something seemed to have gone wrong on Wan Ren Mountain.

"I don't know what's going on this time!"

Lin Ran thought in his mind, and was soon drawn to the television hanging not far away.

It was surprising to see that the television was actually broadcasting the events of Wan Ren Mountain, and that the media had all gone to interview them, saying that there had been many strange disappearances around Wan Ren Mountain recently.

Most of the tourists were from overseas and had come to the mountain in large numbers only in the last few days.

“What’s going on at Wan Ren Mountain?”

The more Lin Ran looked at it, the more puzzled he became in his mind, not understanding what had happened to the Ten Thousand Rengshan Mountain.

Chapter 869

After dinner, the four women still feel not happy, no way Lin Ran took them to sing again, and only then returned home to rest.

Song Nuan’s family originally had a large villa with a wide silhouette, but the four girls had to sleep in one room, saying that this was a way to improve their relationship.

But you guys enhance the relationship, but also do not pull oneself, this makes Lin Ran very speechless.

“Hey! Do you guys want to promote your relationship with me too, or else we’ll be together?”

Lin Ran laughed.

However, what he got was a unanimous despise from the four women.

“Rascal you don’t want to!”

.....

It was late at night, and Lin Ran was lying alone on the sofa in the living room, pondering over the events of the day, firstly the venom outflow, and secondly the disappearance of the population, all of which seemed to point the finger at Wan Ren Shan.

But Song Yujiang’s behaviour today was a bit surprising to him, because it was obvious that the disappearance of people was a fact, but Song Yujiang did not seem to want to take care of it, and he did not know what the hidden agenda was.

In a daze, Lin Ran also fell asleep.

I don’t know how long it took, but the surroundings were dark, but suddenly Lin Ran heard footsteps, which were hazy and seemed to be separated from him by a wall.

At first Lin Ran thought it was someone walking around outside, but then he realised that something was wrong.

The footsteps were very slow, almost taking several seconds to take a step, and each step was so careful that if he hadn’t been strong enough now, with his six senses, he wouldn’t have noticed it at all.

Lin Ran hurriedly got up and walked softly in the direction where the sound came from.

But when he saw the direction, he couldn't help but frown, because the direction the sound was coming from was actually the room where Song Nuan's four daughters were.

Lin Ran gently opened the door of the room a crack and looked through it, and immediately his whole body tensed up.

He saw a moonlight pouring in from the four women's room, and in the shadows next to the moonlight, there was actually a man standing there.

His whole body was covered in black night clothes, so it was impossible to see his face clearly.

In his hand was a trident thorn, which shone with a cold glint that could not hide its sharpness even in the night.

Lin Ran did not doubt for a moment that if this trident had landed on the four women, they would have been killed in an instant.

And at this moment, this man's actions and his determination were not at all like what an ordinary person could do, he obviously had to be a professional killer at least.

"Who the hell is this person?"

Lin Ran's heart couldn't help but tense up as he carefully took out his broken tip, ready to strike at any moment.

And the man stood still for half a day, as if he sensed something, he gently put away the trident stab, and then actually took two steps forward, looked towards the bed, followed by actually grabbing a corner of the quilt and gently lifting it up.

"Die!"

Lin Ran's eyes chilled at this, and the broken tip in his hand had already flown out in response to the sound.

"Eh?"

The other party instantly sensed it and his body jerked backwards, but he was still a step too late for his speed, and the broken tip of the dagger still grazed his arm.

The dagger's broken tip grazed his arm, and at the same time, Lin Ran's entire body rushed in.

But in the blink of an eye, the other party had already flipped over and jumped out of the window, followed by his entire body disappearing into the night.

"Huh? Who is it?"

Song Nuan and the four girls were sleeping soundly when they were suddenly woken up by this roar, and each of them looked at Lin Ran who had appeared in the room.

"Eh! It's me, I saw that your windows were open, so I was afraid that you would catch a cold, so I came over to close them!"

Lin Ran laughed awkwardly, while hurriedly closing the window, wiping off the blood on the floor with his hands, and preparing to go out.

He didn't intend to tell the four of them about this matter, the other party obviously wasn't coming for them, otherwise they wouldn't have made the move of putting away the trident stab just now.

Instead of telling them and making them worry, it would be better not to tell them, at least they could be more relaxed.

As he said that, Lin Ran was about to go out, but at that moment, suddenly Luo Qiqi was the one who reached out and pulled Lin Ran's wrist, laughing.

"Did you really just come to close the window?"

"Er What else?"

Lin Ran's heart twitched, knowing that this time he was afraid that there would be another misunderstanding.

"Why don't I believe that?"

Qin Bing also laughed.

"In the middle of the night, in a room with four women, you quietly touched in and said you were closing the window, who do you think would believe it?"

Su Rou also chimed in.

"Say! Stinking rascal, what do you want!"

Song Nuan finally said.

"I really came to close the window!"

Lin Ran wanted to cry, how come he was always the one who was hurt.

"Do you need to lift the blanket to close the window?"

Song Nuan questioned, pointing at the quilt that had already been lifted by a corner on her body.

"I didn't lift this, maybe you didn't pay attention in your sleep and lifted it up yourself!"

Lin Ran said, scratching his head with embarrassment.

"I don't lift the quilt at all when I'm asleep!"

Song Nuan directly dismissed Lin Ran's words.

"Good, you really came here to do something wrong!"

Qin Bing looked at Lin Ran with a smirk in her eyes.

"Sisters, this brat has a thief's heart and wants to come and spy on us in the middle of the night, what should we do!"

Song Nuan laughed.

“Beat him to death with a messy stick!”

Su Rou laughed.

“No way, so cruel!”

Lin Ran couldn't help but gulp, beating him to death with a messy stick was too cruel.

“That's not so bad, in my opinion, or else you'll be killed on the spot!”

Luo Qiqi laughed, while already reaching out and pulling Lin Ran's other arm, pulling him directly to the bed with a single force.

“Hey! Don't, I'm a decent guy!”

Lin Ran immediately panicked, if he got on that tomorrow he could still get off, maybe even his life would be lost here.

“What decent man, is there a decent man who runs into someone's room in the middle of the night and shuts the window?”

Luo Qiqi laughed.

“That's right, as far as I can see, he's just here to spy!”

Qin Bing also laughed.

“What about the sisters?”

Song Nuan asked, laughing.

“Strip naked and serve them!”

Su Rou laughed.

At once, the four women plucked the clothes off Lin Ran's body with one hand, leaving only a pair of trousers.

“Oh my god, what are you doing! Robbing a beautiful man by force in the middle of the night?”

Lin Ran was so scared out of his mind that he didn't dare to ask for his clothes, and hurriedly jumped off the bed, not bothering to enjoy the softness of the bed, and ran out of the room like his life depended on it.

Just kidding, the bed of four women, that is not something that can be messed with, Lin Ran does not want to die young, or small life is important.

“Mom, I'm glad I ran fast, otherwise I would have died today! It's horrible!”

Leaning against the door, Lin Ran then breathed a sigh of relief, how could these four he encountered, who were obviously only twenty, be so fierce!

“Cowards!”

Soon, there were actually mocking voices from the four women in the room.

“Cowards! Not a man!”

“I’ll go!”

Lin Ran was not happy to hear this and shouted at the room.

“What kind of a man are you four against one, come out one us one on one if you dare! If I say one word of fear, I’m not the one with the handle!”

“Who wants to fight you one on one, come in if you dare!”

Luo Qiqi shouted.

Lin Ran heard this and was helpless.

“Got to be great guys, when we have the next chance to be alone together, I’ll be making you understand what it means to be a man’s masculinity!”

He didn’t dare to sleep in the living room for fear that if he fell asleep, four beautiful women would come out and take him away by force.

It was a small matter to break his body, but if his sperm was gone and his life was lost, that would be a big deal!

Chapter 870

The following morning, the four girls did not get up early and lazed in bed together.

The school was already closed, and Su Rou no longer had to go to class, while Song Nuan had already graduated, and Luo Qiqi was a rich girl who wanted to do whatever she wanted.

The first time I saw her, I had to go to the clinic, so it was up to me.

“Hey! If we really live together in the future, I’ll be exhausted!”

It was ten o’clock in the morning before the four women got up one by one, and Lin Ran’s whole body felt bad.

But thinking about it, there was a saying that was still very true.

“Who said that an ugly wife is the treasure of the family, a beautiful daughter-in-law is still better!”

Lin Ran sat on the sofa, looking at the beauty of the four women busily washing and dressing up and putting on make-up, he couldn’t say how beautiful his heart was.

“Jingle!”

Suddenly, the doorbell pulled Lin Ran from his fantasy to reality, and he hurriedly ran to open the door.

“Clan Chief Feng?”

Looking at Feng Qi at the door, Lin Ran couldn’t help but be stunned.

“Little friend Lin Ran, long time no see!”

Feng Qi smiled.

“Please come in!”

Lin Ran busily invited Feng Qi into the house.

And as soon as Feng Qi entered, he smelled the fragrance of a woman all over the room and immediately frowned slightly.

“Lin Ran who is it?”

Song Nuan was the first to come out of the bathroom, and as the host, she was naturally the most enthusiastic.

“Er A friend!”

“A friend?”

“Boyfriend or girlfriend?”

“Yeah! Male female!”

The other three women all bubbled up at the sound of their voices.

“This”

When Feng Qi saw this situation, he couldn't help but blush in his old face as well.

One room, four women and one man, and it was still early in the morning, this is something that anyone would probably think about.

“Clan Chief Feng is not what you think, let's go upstairs and talk!”

Lin Ran laughed awkwardly, while giving the four women a wink to keep them out of trouble, before he hurriedly led Feng Qi upstairs.

On the top floor, the two of them sat in the shade, and Lin Ran busily made Feng Qi a cup of tea before he breathed a sigh of relief.

“Clan Chief Feng, you wanted to see me for something?”

Lin Ran asked busily.

“Mmm!”

Feng Qi nodded, not enough but did not go on, instead, he took a sip of tea and said in a soft voice.

“Young man, be careful with moderation!”

“Er”

Lin Ran looked embarrassed, knew that Feng Qi still misunderstood, but this see is too real, Lin Ran also do not want to refute, just awkwardly smiled and nodded.

“Take a look!”

Feng Qi put his teacup down and fished out an earthy yellow envelope from his arms, placing it on the coffee table.

“This is?”

Lin Ran was stunned, not understanding what Feng Qi meant by this.

“It’s from your mentor!”

Feng Qi muttered to himself, while picking up his tea again, clearly not prepared to say much.

“Tutor?”

Lin Ran’s heart sank, understanding that his mentor was always looking for him, so it seemed that his desire to rest for a few days would not be possible after all.

Helpless in his heart, Lin Ran still picked up the letter.

On the outside of the envelope were the words “From Lin Ran himself!”

Lin Ran opened the envelope, inside was a small transparent bag, and inside the bag was some black liquid, but nothing else, let alone a letter.

“Clan Chief Feng, what does this mean?”

Lin Ran asked.

“It’s called magic liquid, something that can change your aura, and it was sent to me by my mentor himself for me to give it to you!”

Feng Qi said.

“Why are you giving me this?”

Lin Ran wondered, why did magic liquid sound so wrong!

“Giving it to you like this is from my mentor, and as for why I gave it to you, it was relayed by me on your behalf!”

Feng Qi said as he put the teacup down, while flexing his fingers, a pillar of light instantly enveloped the two of them, and it was clearly a formation that shielded the outside world.

“What I am about to say is extremely hidden, so don’t tell a second person, or the consequences will be unthinkable!”

Feng Qi said seriously.

“Understood!”

Lin Ran nodded solemnly, even Feng Qi had said this, it was obvious that the matter was extraordinary.

“Actually, this time, it’s a test for you from your tutor, but it’s also a real live battle! If you can successfully complete your mission, your mentor will personally see you and take you away!”

Feng Qi said.

“Take me away? Where to?”

Lin Ran asked busily.

When he was travelling with Fire One Sword and Li Mu Di earlier, Lin Ran had vaguely guessed that they seemed to come from the same place, and that his mentor seemed to be their teacher.

And at this moment, when he heard Feng Qi’s words, he couldn’t help but still ask, where was he going to go if he took himself away? In his current situation if he really left, what about the four girls? What about Xiaojiu? What about Fatty Leng Chop and the others?

Lin Ran had too many worries in his mind.

“I can’t tell you this, I can only tell you that the tutor will see you personally, as for what happens afterwards, it’s not something I can manage!”

Feng Qi said, then with a click of his finger, a map appeared out of thin air on the coffee table.

“Look here!”

Feng Qi said as he pointed his finger at one of the places.

“Isn’t this the Wan Ren Mountain?”

Lin Ran was stunned, the place Feng Qi pointed to was clearly the Ten Thousand Ren Mountains in Tanjiang City.

“That’s right! It’s Wan Ren Mountain, your mission this time is to infiltrate an enemy’s base on Wan Ren Mountain and kill the leader of the other side, an enemy of the middle Heaven Seizing Realm!”

“Mid Heaven Seizing Realm?”

Lin Ran felt a pang, he was only half a step into the Heaven Seizing Realm, this was a big difference.

“How many people are inside this base!”

Lin Ran asked with a frown, he was afraid that he would be in a very difficult position just to deal with the leader of the other party, let alone the fact that it was a base.

“One leader, two more at the early Heaven Seizing Realm, ten at the peak of the Qi Watching Realm, and at least a hundred others who are even weaker!”

Feng Qi said blandly, but then he continued.

“The others don’t need your attention, your task is to kill their leader, I will send someone to deal with the others!”

With that, Feng Qi waved his hand and put away the map again.

“The time is set for tomorrow night! You can choose not to go, but this is your only chance, and if you give up, your mentor will never see you again!”

Feng Qi said.

Lin Ran fell into deep thought at his words, the mission wasn't difficult to say the least, but he had to go and fight for his life even if it wasn't.

The opponents were outnumbered, and although Feng Qi said he would only have to deal with the leader, an engagement of this magnitude was exactly like fighting a war, and who could guarantee that there wouldn't be any fish that would slip through the net to pin themselves down in the chaos of the scene.

And the most important point was why, what exactly was the other side's origin, and why did Feng Qi and the others want to deal with people?

This was what Lin Ran was most concerned about.

"What is the other party's origin?"

Lin Ran asked directly.

"An evil force!"

Feng Qi said.

"You should have noticed it already, there are many people missing near the Ten Thousand Rengshan Mountains, and those people are actually all Feng Shui masters!"

"All feng shui masters? That can't be right, where are there so many feng shui masters in Temperance City, and all of them are near Wan Ren Mountain!"

Lin Ran shook his head, there were actually very few feng shui masters in Tanjiang City, and even if there were, it didn't make sense for them to all gather at Wan Ren Mountain!

"You're wrong, they're not feng shui masters from Tanjiang City, they're from all over the country, and it's just a coincidence that they're all at Wan Ren Shan!"

Fengqi said with a helpless look on his face.

"Because of the Ten Thousand Treasure Spell Formation! And they appeared at Wan Ren Mountain simply because it is customary!"
