

Wonder Doctor

Chapter 961

The moment Qu Jiang said this, there was no small amount of discussion.

“Yes, this Qin Bing is not from our hospital system!”

“That’s right, how come she was chosen?”

“It’s probably because of her high medical skills!”

“Hey to put it mildly, Dr. Qin’s medical skills are really powerful!”

Qu Jiang listened with an ugly face and said in a cold voice.

“No rules make a circle, since you are the director of Temperance Hospital, how can you find an outsider to be the director!”

“Qu Jiang, what do you mean then?”

Dean Yang looked at Qu Jiang, where he didn’t understand what this old thing had in mind.

Qu Jiang said with a cold face and a grit of his teeth.

“Dean Yang, since you have decided to retire, then I, Qu Jiang, will no longer hold back, this Dean I, Qu Jiang, am willing to put myself forward.”

As soon as these words were spoken, everyone immediately looked at him,? This is really a bold move.

“You are willing to recommend yourself? Then tell me, which point are you better than Dr. Qin?”

Dean Yang laughed, he knew that this Qu Jiang had long coveted the position of dean, but he did not expect to be so shameless, he actually proposed himself on a single occasion, and also gave himself an idiom, Mao Sui Zhai.

“Than?”

Qu Jiang smiled at his words.

“How long has he, Qin Bing, only been in Temperance City? Not to mention coming to Temperance Hospital!”

Qu Jiang said and looked at Qin Bing.

“Girl doll, you’d better take the initiative to abstain yourself, inevitably old man will really talk about it I’m afraid you’ll have no place to go!”

“You!”

Qin Bing’s face also turned ugly, from the beginning to the end she didn’t say a word, but this Qu Jiang was directing the spear at herself.

Besides,? It was Dean Yang’s intention to elect herself, it wasn’t like she said it herself, so to find herself in trouble, it’s not like she was really afraid that she would steal his position.

“This matter is about the future of Temperance Hospital, the old man can not be careless, since you do not say that the old man said, today must let home understand who needs to lead Temperance Hospital in the future!”

Said Qu Jiang directly stood up, his gaze swept over the crowd, and then whirled and spoke.

“In terms of seniority, I am the first batch of the hospital with a bang, and President Yang peer generation, this you all know!”

“In terms of ability, I have been the hospital director for how many years, this you all know too!”

“In terms of performance, I have been in the hospital for more than thirty years, and I don’t know how many people I have cured, large or small, and I have even been awarded the title of excellent doctor for many years in a row!”

“And what about Qin Bing?”

Qu Jiang was full of disdain.

“She came to Tamkang Hospital less than a year ago and resigned, although I admit that her medical skills are good, but how can such a person lead Tamkang Hospital to develop better, you all think for yourselves if this is the case!”

“That seems to be the case!”

“Yes, in that case Qu Jiang is indeed more suitable than Qin Bing!”

“Hey, but I think Dr. Qin is quite good too!”

“Who says otherwise!” ,

The crowd was chattering.

Dean Yang, however, smiled and knocked on the table, laughing.

“After all this talk, it’s useless, who will be the dean of this position in the end, it still depends on the meaning of the top, but save me personally I prefer Qin Bing!”

“Why?”

Qu Jiang was puzzled and looked at Dean Yang.

Although the latter said so, but according to the usual practice, generally, as long as the person is elected by the retired dean, almost all of them can become the person to replace the dean, which was no wonder why Qu Jiang valued Dean Yang’s affirmative recommendation so much.

Dean Yang glanced at Qu Jiang and said blandly.

“The director of a hospital is not just about seniority, but also about a person’s ability to lead the development of everyone, and medical skills are important and the most important point.”

“And in my opinion, Qin Bing’s heart is obviously better than yours, and her medical skills are also higher than yours, so I naturally choose her!”

“That’s not fair!”

Qu Jiang immediately retorted.

“Dean Yang, you’ve been the dean for so many years, you can’t just pick a random person towards retirement and be done with it, I’m not convinced about this matter!”

“Then what do you want?”

Dean Yang frowned? Asked.

“If Qin Bing really wants to run for dean, then let her compete with me, if she wins I Qu Jiang have nothing to say, but if she loses, then she must leave Temperance Hospital!”

“You!”

Dean Yang’s face instantly turned ugly, having to leave Temperance Hospital, this meant that obviously in the future Qin Bing would not have to appear in Temperance Hospital.

“Fine! I’ll compete with you!”

Qin Bing was also a bit moved at this point, and agreed directly before Dean Yang could say anything.

“Good!”

Qu Jiang smiled widely at that.

“Then how do you want to compare?”

Dean Yang asked in a cold voice with a stern face.

“Let’s compare Western medicine, to save others from saying that I, Qu Jiang, am leaning on my old age!”

Qu Jiang sneered.

His best skill was in Chinese medicine, while Qin Bing’s best skill was in Western medicine.

“What about you?”

Dean Yang looked at Qin Bing.

“I can do both!”

Qin Bing didn’t pretend and agreed right away.

“Good! Then let’s compete in the heart observation technique! Time ten minutes, whoever is more specific in their observations wins!”

Dean Yang said directly.

Both Qin Bing said that they had no problem with it, and immediately the crowd went to the laboratory.

The so-called heart observation technique is actually a medical means of observing the heart. Modern medical equipment is very advanced and can be used to observe the heart through a vacuum-sized window, which is also a common means of treating some heart diseases.

And because it is a heart condition, time is often very tight and it is likely that a minute's delay will miss the best time to treat it.

So a good or bad heart observation technique will directly affect the judgement of the subsequent treatment of the patient, and can be said to be a skill that every Western medical doctor must be skilled in.

"The time limit is ten minutes, starting now!"

As Dean Yang's words fell, both Qu Jiang and Qin Bing quickly got into shape and began to operate the machine.

The others were all staring at a large screen in between the two, where a block of images were appearing, a picture of the heart area illuminated by the machine.

The heart observation technique involves looking at many areas of the heart and then modelling them with data to visualise the heart on the screen.

The better the observation, the more complete and clear the shape of the heart will be, which is the most intuitive way to judge the outcome of the competition.

A little bit of time passed and soon ten minutes of time passed.

On the big screen, it was obvious that Qin Bing's side had more momentum, while Qu Jiang's side's heart model was already somewhat deformed.

"How is this possible, I can't even beat a stinky girl?"

Qu Jiang was also a bit panicked at this point, in order to reflect his own strength, he deliberately chose the western medicine competition that Qin Bing was more familiar with, but now he was actually pitted by his own choice.

"Done!"

Suddenly, just as Qu Jiang was thinking about what to do instead, Qin Bing actually stopped what she was doing straight away, and at that moment, on her big screen, an obvious heart modelling had appeared, and the situation on it was also very clear at a glance.

On the other hand, on Qu Jiang's side, the heart modeling had been severely deformed, and there was still a fifth of the area where no data had been collected.

"Qu Jiang, do you still have something to say?"

Looking at the result, Dean Yang asked with a smile.

"No I am not convinced!"

Qu Jiang's old face turned red and he said angrily.

“Western medicine is what Qin Bing is best at this is unfair to me, I’m not convinced!”

“Qu Jiang, don’t forget that you were the one who took the initiative to request a comparison of western medicine just now!”

Dean Yang’s face suddenly turned icy cold.

Chapter 962

Qu Jiang, however, said directly with a grit of his teeth.

“I don’t care, I’m not convinced anyway, this match is too rushed, if Qin Bing really has the strength, then I’ll have a proper match with her!”

“How do you want to race?”

Qin Bing looked at him blandly, originally she had little interest in this dean position, but at this moment, seeing this Qu Jiang being so nonsensical, Qin Bing was also getting angry.

“It’s very simple! In five days’ time, we’ll have an abnormal match of Chinese medicine, Western medicine and difficult diseases, and we’ll win two out of three!”

Qu Jiang said in a cold voice

Qin Bing smiled at his words but laughed.

“What makes me believe you won’t backtrack again? After all, you are so shameless!”

“You!”

Qu Jiang’s face was ugly as he fiercely threw a finger at the crowd around him and said.

“They are all from the hospital, let them be the judges after five days, do you dare?”

Qu Jiang looked at Qin Bing.

Qin Bing, however, smiled blandly and nodded.

“I hope you won’t talk and fart again then!”

.....

“Uncle, are you sure?”

Inside the office, Qu Liang asked with a worried face, what level of medical skill his own uncle had he didn’t know, compared to Qin Bing seemed to be really a bit inadequate.

“What do you kid know, this is called expediency!”

Qu Jiang’s eyes were slightly narrowed as he leaned back on the sofa not knowing what he was thinking.

“A plan of expediency?”

Qu Liang was a bit puzzled, not understanding what Qu Jiang was thinking about.

“By the way, don’t you know some friends from the biker gang?”

Suddenly Qu Jiang spoke up and asked.

“Yes, I know some, why do you want to race, uncle?”

Qu Liang asked.

“Race your ass, spend some money to find someone to crash Qin Bing, won’t we win this race straight away!”

Qu Jiang said in a cold voice.

“Huh?”

Qu Liang smiled a little hesitantly, he was fond of Qin Bing, if Qin Bing was really bumped, then he

“Look at your no-good look, when I become the dean, I will find you another one that is a hundred times prettier than Qin Bing, okay!”

Qu Jiang said without good grace.

“Okay, then!”

Once he heard that there was a prettier one than Qin Bing, Qu Liang reluctantly agreed.

.....

The first thing that happened was that Lin Ran came out of the hospital and took Qin Bing with him and left.

The actual fact is that there are no more strange patients in the Tamkang Hospital, so there is no need for Qin Bing to stay. As for other ordinary patients, the Tamkang Hospital is still capable of treating them, it’s just a matter of efficiency.

“Where do we go next?”

Qin Bing asked, seemingly completely unconcerned about the competition in five days’ time, instead wanting to spend some time alone with Lin Ran.

“Let’s go shopping, it’s been a long time since we’ve gone shopping!”

Lin Ran laughed, he also wanted to keep Qin Bing company, these six months the three girls hadn’t seen each other much, making him somewhat self-conscious in his heart, after all, the three others were waiting for him.

“Good!”

Qin Bing was very happy, she was also touched that Lin Ran could say that.

The two of them immediately went to the pedestrian street and spent the afternoon shopping.

It wasn’t until five in the afternoon, after Lin Ran could no longer carry anything else with both hands, that Qin Bing gave up her intention to continue shopping.

When the two arrived at the entrance of the mall, they were ready to get into the car and leave.

But at this moment, a strange voice suddenly came from the side.

“Are you Lin Ran?”

Lin Ran turned his head to look and froze.

“Lan Ya?”

Lan Ya was sort of Lin Ran’s university classmate, but not from the same department as Lin Ran, but from the Finance Department of Tamkang University, and the Finance Department was one of the earliest departments, not together with Tamkang University, sort of in the old Tamkang University campus.

Lin Ran and Lan Ya knew each other because of one person, and that was their dormitory mate, Lao Wu.

He lived in the old campus and liked to go to the old campus to play football, which is how he got to know Lan Ya.

The company’s main business is to provide a wide range of products and services to the public. The first thing he did was to take the initiative to pursue him.

However, he did not feel much for her.

However, Lan Ya is still not dead, always pestering Lao Wu, so that Lao Wu has not even found a girlfriend in college.

But now that he had left the country, he had lost contact with her, but he never thought he would run into her here today.

“Lin Ran is really you, what are you?”

Lan Ya looked at Lin Ran, then at the things he was carrying in his hands, then looked at Qin Bing next to him, and suddenly woke up and laughed.

“I didn’t expect you to be someone’s driver, but it’s not bad, seeing as this young lady should be quite rich!”

Bluea said and extended her hand and smiled.

“Hello, my name is Lan Ya, I’m Lin Ran’s college classmate, you’re his boss right!”

Looking at Qin Bing’s uncommon dress, Lan Ya immediately had the idea of making friends, it had always been Lan Ya’s goal to meet more rich people.

“Hello, my name is Qin Bing, but I’m not his”

Qin Bing laughed and just wanted to explain that he was not Lin Ran’s boss, however, Lin Ran laughed and coughed dryly twice and interjected.

“That Lan Ya, our boss still has something to do later, we’ll leave first!”

Said Lin Ran put the things on the car, Lan Ya was still a little angry, she was not allowed to run into you, your boss is also so rich, let yourself talk more to close the relationship what is wrong.

But when she saw that the car next to Lin Ran was a Porsche, her anger turned into a smile and she was busy looking at Qin Bing.

“Sister Qin Bing, you’re really something, your seat is a Porsche!”

“Er It’s alright!”

Qin Bing looked at Lin Ran and when she saw him gently shake his head, she instantly understood in her heart and said with a smile.

Lin Ran this obviously did not want to reveal his identity, this Lan Ya was so powerful, if Lin Ran revealed his identity, there was no telling if this nee-san would take the initiative to stick it over.

Qin Bing also did not want to set up another love rival for himself, after all, there were already three, er No, it’s four, and there’s still a Lindsay she just doesn’t know about.

“That sister Qin Bing, where are you going? Can you take me with you!”

Lan Ya busy laughing, she has not been a Porsche yet, at this time can not help but want to rub it in.

“This”

Qin Bing was in a bit of a bind.

Lin Ran saw this and was busy saying.

“I’m very sorry, we’re going to the train station later, Lan Ya’s house doesn’t seem to be at the train station!”

Joking aside, not only was Lan Ya’s house not at the train station, but it was also just like back from the train station.

“Let’s see how you still rub it in!”

Lin Ran laughed in his heart, he really didn’t want to have any dealings with someone like Lan Ya.

At the beginning, he had heard that the girls in Lan Ya’s department were all very fond of money, and having money meant that they could be friends even if they were ugly, but without money, even if they were handsome, they were still trash.

He really didn’t have a good feeling about people who always resented the poor and loved the rich, after all, Lin Ran was a big poor bastard before.

Lin Ran was smug in his heart, but who knew that Lan Ya was like winning the lottery and laughed.

“That’s quite a coincidence I was just about to go to the train station too, thank you both I’ll get in the car first!”

With that Lan Ya actually went straight to the passenger side, which left Lin Ran and Qin Bing speechless for a while.

The two of them looked at each other, both feeling helpless, but the words had already been said, so they could only get in the car.

“Right, Sister Qin Bing, what are you guys doing at the train station?”

As the car started, Lan Ya asked with a smile as if she was a familiar face.

Lin Ran was a driver in her opinion, although it was her classmate, but at this time she did not care about Lin Ran at all, but chatted with Qin Bing, as if Qin Bing was her classmate.

“Er Go for a stroll!”

Qin Bing helplessly said.

Lin Ran saw this and was busy taking over the conversation.

“Lan Ya, what are you doing at the train station? It seems quite far from your house!”

“Me? Don’t you know? Song Jian is coming back later, and I’m going to pick him up!”

Lan Ya was all business.

Lin Ran, however, was stunned, his heart already startled.

“Old Five is coming back? Shit how come I didn’t know!”

Chapter 963

“Probably thought it wouldn’t help if I told you, you couldn’t afford to pick him up anyway!”

Lan Ya laughed, speaking very naturally.

Lin Ran used to be notoriously poor, and during his university days he had to rely on scholarships and hard work to even eat, and on weekdays pickles were his standard and patches were his specialty, and these things were known almost throughout the school at the time.

“Er”

Lin Ran was a little helpless.

Qin Bing, however, listened with a slight frown, seeing Lan Ya look down on Lin Ran so much, she was naturally a little upset in her heart.

“Forget it, as long as I don’t let her find out who I am, poor pussies will be poor pussies!”

Taking advantage of the red light, Lin Ran was busy sending a text message to Qin Bing, he was also afraid that Qin Bing wouldn’t be able to resist exposing himself.

“Alright, but I really want to see how long you can pretend, this classmate of yours is no slouch!”

Qin Bing replied with a message, while looking at Lin Ran and covering her mouth with a smile, looking at Lin Ran in order to get rid of this Lan Ya, not only was he mocked, but he also became his own driver, Qin Bing couldn’t help but want to laugh.

“Lin Ran, is this your phone?”

On the side, when Lan Ya saw Lin Ran's mobile phone, her eyes were suddenly full of light.

"Er Sort of!"

Lin Ran said awkwardly.

"Oh my god!"

Lan Ya snatched Lin Ran's phone up as if she was looking at a family heirloom.

"I know this phone, it costs 18,888, I've wanted one for a long time!"

Lan Ya said as she hurriedly turned her head to look at Qin Bing.

"Sister Qin Bing, are you still short of a personal secretary? See if I can?"

"Ah?"

Qin Bing was stunned, followed by a sudden dawn.

Dare I say that this Lan Ya thought that Lin Ran's mobile phone was given to him by herself.

Thinking of this Qin Bing couldn't help but want to laugh, but Lan Ya was still looking at herself, so she couldn't laugh out loud yet, so she could only smile slightly and say.

"No thanks for now!"

"Ao it's alright, if you need it in the future feel free to find me, I'm definitely better than Lin Ran, just because he's such a poor bastard can be your driver, then I'll definitely do better than him!"

Lan Ya said without a care in the world, not caring about Lin Ran's feelings next to her.

"Right Sister Qin Bing, this Lin Ran is very well fed, just buy him a box of pickles plus a few steamed buns later!"

"Er"

Qin Bing was a little embarrassed and didn't answer the question.

Lin Ran also just laughed, not bothering to pay any attention to her.

This kind of person, anyway, there would not be much interaction in the future, so why should he or she be in general terms with her.

On the way, Lin Ran did not say a word, only Qin Bing and Lan Ya occasionally chatted a few words, most of the time it was Lan Ya who was chattering.

The car soon arrived at the train station, and Lan Ya seemed a bit attached to it, not wanting to get down.

"When will Jian Song arrive?"

Lin Ran asked as he stood below.

Lan Ya looked at the time and it was time to arrive, so she got off the bus evenly.

“Hey hey! Out it comes!”

Soon, in the crowd, a clean-cut young man came out, he was wearing a mask, but Lan Ya still recognised it.

“Song Jian!”

“Bluea?”

Song Jian looked over and was a little surprised, he had only spoken to his parents about his return, how did this ninny know about it?

“Isn’t that surprising, look who else is there!”

Lan Ya smiled and turned sideways, giving way to Lin Ran.

“Ranzi?”

Seeing Lin Ran Song Jian was visibly excited, this was his dormitory brother.

“Old Five! Long time no see! Handsome again!”

Lin Ran laughed.

Song Jian was indeed handsome, his own dormitory boss Liu Chen was one of those sporty guys, while Song Jian was somewhat of an idol, plus his family was rich at one point and was a very sought-after target for boyfriends in college.

Unfortunately, he was pestered by Lan Ya for three years in college, resulting in his own brother also playing bachelor for three years.

“This is?”

Song Jian looked at Qin Bing eyes can not help but swept a trace of surprise, the latter’s temperament and dress is obviously not ordinary people, just do not know how to mix with Lan Ya Lin Ran, this combination seems a bit strange.

“This is Sister Qin Bing, but she’s a rich lady, but you can die, she already has a boyfriend!”

Lan Ya laughed.

Qin Bing was stunned to hear this, she didn’t seem to have exposed herself along the way, right, how did this ninny know she had a boyfriend?

She was busy looking at Lin Ran, but Lin Ran smiled and shook his head, the meaning was obvious.

This nee-san was afraid that Song Jian would fall for you, that’s why she said you had a boyfriend.

Qin Bing was stunned, she didn’t expect this Lan Ya to be like this, although it was a bit too much, but the truth was just like that, anyway, she already had Lin Ran, and Lin Ran obviously wasn’t interested in Lan Ya, so this matter would pass if she put up with it.

“Uh I’m just curious, how come you guys are together, this Miss Qin Bing looks very rich!”

Song Jian laughed.

“That’s really the point you’re asking!”

Lan Ya laughed, while pulling Lin Ran over, yes just pulling him over, not even looking at Lin Ran, directly dragging him over.

“This kid is Sister Qin Bing’s driver, people Sister Qin Bing just happened to come around here for something, so she brought me along!”

“Huh?”

Song Jian was visibly stunned and looked at Lin Ran, seeing that Lin Ran just smiled and didn’t say anything, he couldn’t help but feel a pang in his heart.

His own brother from university was actually working as a driver for someone else after graduation, which made him a little upset.

“Ranzi, how much money do you get in a month? No turn around and work with me here, this time I came back just to start a business!”

Song Jian laughed, his family was rich, so he dared to say this.

“What about me? I don’t have a job either, why don’t I follow you too? You can let me do whatever you want!”

Lan Ya laughed, and even rubbed herself against Song Jian from time to time, in a frantic hint.

“Er By the way Ranzi, how come the boss and the others didn’t come with you?”

Song Jian asked with a smile.

“They’re in the empire!”

Lin Ran laughed.

“The Imperial Capital? What for?”

Jian Song wondered.

“It’s a long story, why don’t we go back first? I’ll give you a reception tonight!”

Lin Ran laughed, seeing Song Jian again after almost two years, Lin Ran was also very happy and naturally wanted to get together.

“Good!”

Song Jian said with a smile.

On the side, Lan Ya smiled and immediately quit, and was busy interjecting.

“I’m going too!”

“What are you going for?”

Song Jian frowned slightly, this Lan Ya had pestered him when he was in school, how come he was still pestering him after graduating.

“I’m your scandalous girlfriend, of course I’m going! Besides it’s Lin Ran’s treat, what’s wrong with me going?”

Bluetooth was unconvinced.

“Alright, alright, go if you want to! Let’s get in the car first!”

Lin Ran greeted with a smile.

Only then did everyone get into the car, this time as there was an extra Song Jian, so Bluea also followed and sat in the back, Qin Bing was then free to make it to the passenger side.

“Take me back later, you’re all classmates, it’s quite awkward for me to be here!”

Qin Bing took the time to text Lin Ran.

Lin Ran nodded his head and whirled around to start the car.

After sending Jian Song and Lan Ya back to the former’s house first, Lin Ran then smiled and said goodbye to Jian Song.

“I’ll drop Qin Bing back off first, I’ll call you later when I’ve fixed the place!”

Lin Ran laughed.

“Why don’t we just go together!”

Song Jian laughed.

“Don’t be ridiculous,? I’m the driver, the boss has things to do!”

Lin Ran laughed, and immediately took Qin Bing and left first.

“Aiya, you leave him alone, what’s there to talk about for a poor loser, hurry up and go to your house, let’s think about where to go for dinner tonight!”

Lan Ya held Song Jian’s hand and laughed.

“Let’s? Ranzi just said he would treat me!”

Song Jian had a displeased face, Lan Ya was obviously going to dump Lin Ran and go out on her own.

“You’re crazy, aren’t you? This housemate of yours is so poor, and you’re still playing with him, you’re not afraid that he’ll ask you to borrow money!”

“People say that you can’t borrow from the poor in a hurry, if you keep playing with him, sooner or later you’ll have to lose all your money too, and that’s mine!”

Lanya said busily.

“Yours? Who are you to me? That’s my parents’!”

Song Jian gave her a blank look, turned his head and left, he just didn't like Lan Ya's character that only had money in his eyes.

Chapter 964

"Song Jian you!"

Lan Ya was so angry, but the more Song Jian was like this, the more she wanted to conquer Song Jian, she Lan Ya was also somewhat beautiful, why should you Song Jian just ignore herself.

"Good! You want to play with Lin Ran, right? Then I'll play with you, you're too embarrassed to break off the relationship with him, then I'll make him embarrassed!"

Lan Ya was so angry that she immediately took out her phone and sent a message in the class group.

"Classmates, Song Jian is back, his friend Lin Ran is treating us tonight, any of you want to come?"

After posting it, she also made a point to Ai a female classmate named Hong Xiu, laughing.

"Hong Xiu, you have to go, when people Lin Ran even chased you, it is said that Lin Ran is now rich, you don't want to go and see?"

The message went out and soon received a reply.

"Rich? Really? Then I have to go and see, it just so happens that my boyfriend recently proposed to me too!"

With that, Hong Xiu also sent a picture, only to see a huge diamond ring on Hong Xiu's finger was extremely dazzling.

"Wow, it's so big, but it seems like Lin Ran can afford a bigger one!"

Lanya added fuel to the fire, just in case Hong Xiu didn't take the bait.

"Is that so? Where's the night? I'll be there, Red Sleeve!"

Red Sleeve replied back, following up with a phone call.

"Hey! Brother Wang, there's a reunion tonight, come pick me up early, we'll go together and drive your BMW A4!"

"Really? Good! I'll be there early!"

After saying that, Red Sleeve then hung up the phone.

"Hmph! Lin Ran, still have money? What are you pretending to be, I'd like to see how rich a poor pussy can be tonight!"

Besides, in the group, at this time, seeing that Red Sleeve was going, a group of students all popped up, saying that they were going too.

In fact, many of them were going for Red Sleeve and Lin Ran, because when they were in college, according to the legend, Lin Ran seemed to have liked Red Sleeve, but the latter didn't care about him.

“This is going to be a good show!”

“I heard that Hongxiu has a boyfriend, do you think there will be a fight this time?”

“Who knows then, we’ll find out when we go!”

The group of students were chatting privately.

But on Lin Ran’s side, after sending Qin Bing home, he went to the Yaxiang Hotel alone, how could Lin Ran not entertain his brother when he came back?

Naturally, Lin Ran did not know that Hong Xiu and the others were also coming, so he only booked an ordinary standard room, which could probably accommodate seven or eight people.

But after all, it was the Elegant Hotel, so it was enough to receive Song Jian.

The company’s main business is to provide a wide range of products and services to the public.

Parking the car, Lin Ran went straight upstairs.

“Hey, it’s Xiao Ran! Come on in!”

The person who opened the door was Song Jian’s mother, named Lin Mei, a very beautiful middle-aged beauty.

Most importantly, she was also very good to Lin Ran.

When she was at university, the fifth oldest family was in a good position to bring Lin Ran and his family over to play, and Lin Mei knew Lin Ran’s background, so she didn’t look down on him after all, but thought that he would be able to achieve great things in the future.

In her words, “Poor people’s children are early adopters. Back then, my father and Song Jian’s father came out of the countryside step by step.”

“Auntie Lin, you look beautiful again after a long time!”

Lin Ran laughed.

“Is that so?”

Lin Mei smiled a little embarrassed, while inviting Lin Ran in.

When she came in, Lin Ran was immediately confused, usually Lao Wu’s house was very quiet, how come there were so many people here this time.

“Why is she here too?”

Lin Ran suddenly frowned slightly and happened to see Hong Xiu in the crowd.

“Oops, isn’t that Lin Ran! Everyone, look Lin Ran is here!”

Lan Ya instantly laughed aloud.

A group of people instantly looked at Lin Ran, only when they saw Lin Ran’s outfit, they couldn’t help but laugh.

“Lin Ran, what are you standing around for? Come over here!”

Lan Ya greeted.

“Eh!”

Lin Ran scratched his head in embarrassment and immediately walked over, ready to find a place to sit down.

But only when he got close did he realise that the sofas and chairs at Lao Wu’s house were all full of people, and by a rough count, there were nine of them.

And many of them were classmates who were basically out of touch with each other on a regular basis.

“Ranzi, you do me here!”

Seeing this, Song Jian got up and gave up his seat.

Lan Ya, however, pulled him back again, very upset, and said.

“You’re crazy, letting him sit next to me, you want to disgust me to death!”

“What did you say!”

Song Jian was a little angry, Lin Ran was his own brother and Lanya actually said that.

“Alright, alright! Misha you get up and let Lin Ran do that!”

Lan Ya said very nonchalantly, as if she was the mistress of this house.

“Bluea, are you crazy, asking me to give up my seat for him? What kind of a person is he? He’s a poor loser, does he deserve it?”

Meisha said nonchalantly.

Lin Ran was a notoriously poor pussy at the university, who in the audience didn’t know that, how dare he ask himself to give up his seat for him, he was worthy of it?

“Meisha, that’s your fault, what’s Lin Ran’s relationship with Hongxiu, what’s wrong with people sitting next to Hongxiu?”

Bluea laughed, deliberately bringing the topic back to Lin Ran and Hong Xiu.

“Bluea, joking is joking, but if you’re serious I’ll get angry, although I’m not a lady of the house, I still want to save face, why should he be next to me, I have a fiance!”

Hong Xiu said in a cold voice, while disdainfully glancing at Lin Ran and said.

“Besides, with his poor look, how can he be worthy of being next to me? Don’t think that just because you got a job driving for a tycoon that you’re so awesome, my boyfriend is a real tycoon!”

“Is that so? Hong Xiu is really jealous of you!”

Misa, who was beside her, sniffed and said enviously.

Back in college Misa was Hongxiu's little follower, and she didn't expect to be licking her so much now.

Lin Ran shook his head helplessly at this and laughed.

"Forget it I won't sit down!"

"Old Six!"

Song Jian was a little upset, he hadn't told anyone he was fucking back, how come so many people had come over,? Originally quite happy to see Lao Liu, the two would like to have a good drink in the evening, but now this messed up, if not in his own home, and also came so many classmates, he would have been angry.

"It's okay!"

Lin Ran laughed and turned around to pour a glass of water, his mouth was really thirsty after this journey.

"Lin Ran, why don't you sit with me, I'm going to the bathroom!"

Suddenly, a voice came over, and when everyone looked, it was Meng Meiqi who was sitting on a chair at the side.

"No need for that!"

Lin Ran smiled, he naturally knew Meng Meiqi, when they first enrolled in school, they were lined up right before and after each other, at that time Meng Meiqi had a lot of luggage, Lin Ran even helped her carry it.

Although the two rarely met later because they weren't from the same department, they would smile at each other every time they met, and they were considered friends.

"It's okay, you sit first!"

Meng Meiqi smiled as she got up and went straight to the bathroom.

"Old Six sit down!"

Song Jian was busy greeting, if there weren't so many people at home he would really want to go out and talk to Lin Ran directly.

And Lin Ran had just arrived at his house? He was also a bit upset about going out without even sitting on his butt.

"What does this Meng Meiqi mean?"

Meng Meiqi had just entered the bathroom when Misha, who was on the side, was not happy.

"Misha what do you want again?"

"Song Jian, you've wronged her, look at the way your roommate is dressed, he's a loser, I don't want him to be next to me, what if he smells? How disgusting would that be?"

Meisha said with an aggrieved look on her face.

Chapter 965

“Cao! What the fuck are you talking about! Get lost if you don’t want to stay!”

Song Jian was outright furious, how dare he say his brother smelled, who was he disgusting?

“Misha I’m telling you, our Lao Liu’s family is poor, but you should watch your mouth, this is my house, did I invite you here?”

“You don’t even bother to ask around, although our Lao Liu’s clothes are worn out, they are clean and washed every time he wears them, but some people, there are always a few days a month when they smell horribly, do they have no money to buy clothes?”

Song Jian was not polite, among these people present, Lin Ran was his brother, the others he did not see at all, if not for the sake of his classmates, he would have coaxed people.

“Old Five, forget it!”

Lin Ran smiled and waved his hand.

“Yes! Yes! What’s the point of getting so angry, it’s true that what Meisha said was wrong, but everyone is here to give you a reception right, the starting point is still good!”

Hong Xiu was busy persuading.

Lan Ya on the side saw that it was almost time, if it continued I’m afraid that Song Jian would get angry, immediately laughed and said.

“Let’s do this, let’s just set off!”

“Lin Ran, you’re inviting our Jian Song to dinner, has the hotel been booked yet?”

“It’s booked!”

Lin Ran laughed.

“Where have you booked? There’s nine of us plus you this time!”

Lan Ya laughed.

Lin Ran smiled and raised his eyebrows slightly “All of them are going?”

He had booked a standard room, which seemed to be limited to eight people, but when he thought about it, he was relieved, so he could just change it when he got there.

“Nonsense! Of course they’re all here! What? You didn’t book a roadside stall, did you!”

Meisha said in a cold voice.

She was having a hard time with Song Jian snapping at herself just now, and she was taking it out on Lin Ran right now.

“No!”

Lin Ran shook his head.

“Alright, alright, let’s set off, we’ll know when we arrive!”

Lan Yan smiled brightly and instantly pulled Song Jian out.

“Lin Ran student, want some water?”

The crowd walked out of the room, and Lin Ran wanted to follow them out, but suddenly at that moment, Meng Meiqi actually walked over with two cups of water.

“Many thanks!”

Lin Ran smiled, he was really a little thirsty.

“Just now, I saw you keep pursing your lips, it seems like you’re thirsty!”

Meng Meiqi explained with a smile.

Only then did Lin Ran realise that Meng Meiqi was actually quite good looking, with big eyes and moderately short hair, the whole person looked very elegant, and her clothes were also very simple, she was really a breath of fresh air compared to Hong Xiu and the others.

“Thank you, let’s go out too!”

Lin Ran finished his water and said with a smile.

“Yes!”

Meng Meiqi nodded and followed the two of them out as well.

“How are we going to get there sisters, should we take a taxi?”

Someone in the crowd shouted out, and instantly Lanyard laughed.

“Take a taxi? Does our Jian Song look like someone who doesn’t have a car?”

“Sorry, I don’t have a car indeed!”

Jian Song said blandly.

“That’s not right, you weren’t in college.”

Lan Ya asked busily.

When she was in college, she remembered that Song Jian had driven an Audi A8?

“That’s my father’s, he’s useful today!”

Jian Song said blandly.

“In that case, it’s fine, then we’ll do Hong Xiu’s car!”

Lanya laughed, while straightening her back as if to say.

Did you all hear that? Our family, Song Jian, has an Audi A8 at home, and although it’s his father’s, we’ll have it sooner or later when I’m through.

“That’s fine!”

Hong Xiu laughed back at this, while taking out her phone and sending a text message.

“Talk to my fiancé about being there in ten minutes!”

“Really? So jealous ah ah!”

“Yeah! I wonder what Hong Xiu’s fiancé really looks like!”

“I don’t care what he looks like, just be rich!”

“Yeah, it’s said that Hong Xiu’s family has a BMW!”

The crowd chattered.

And at that moment, Lin Ran and Meng Meiqi walked out.

“Lin Ran, where’s the hotel you booked?”

One of the male students laughed as he also drove a car.

“Ao! It’s in the city centre, 36 Changxing Street!”

Lin Ran laughed.

“Downtown!”

The crowd was stunned at his words, a city centre location could be very expensive,? I didn’t expect Lin Ran to set the hotel where it was.

“Lin Ran, Song Jian is your good buddy, you’re being a driver for Miss Tudor, you can’t book a roadside stall in the city centre, that’s too degrading!”

Lan Ya said busily.

“Naturally not!”

Lin Ran shook his head, not bothering to say more.

The crowd was relieved, if it was really a roadside stall, they might as well just go home, it wouldn’t be humiliating enough!

“Hey hey! My fiancé has arrived!”

As they spoke a BMW had driven over, it was the BMW series that cost over four hundred thousand dollars.

“Hong Xiu!”

The car door opened and a very ordinary-looking youth stepped down, but the moment he got out of the car, the crowd was stunned.

Although the man’s face was ordinary, the shiny gold watch on his hand was a brand-name item, with a market price of at least 30,000 yuan!

“Hello everyone, I am Hong Xiu’s fiancé, Wang Qiang!”

Wang Qiang smiled and introduced himself.

“Wow! Hong Xiu your boyfriend is so handsome!”

“Yes, this watch costs more than 30,000!”

“Yeah, so rich!”

The crowd of female students all looked at Wang Qiang like they were crazy and wanted to jump right on him.

“Everyone is joking, this watch is the top of the line, it comes down to almost fifty thousand dollars!”

Wang Qiang laughed blandly, but there was a smug look in his eyes, a group of turks who had no insight.

“Brother Wang, let’s get in the car!”

Hong Xiu was full of smugness and was ready to get in the car at once.

“Hey, hey! Hong Xiu you don’t introduce Lin Ran to your fiancé!”

On the side, Lan Ya was busy laughing.

“Lin Ran?”

Wang Qiang frowned slightly at his words, he had heard of Lin Ran.

Surprisingly when he was in college, Lin Ran secretly liked Hong Xiu however he didn’t dare to confess his love, at this moment, hearing that Lin Ran was also here, he immediately became interested.

“What’s there to introduce, they’re not even on the same level!”

Hong Xiu said in a cold voice.

“Hong Xiu, it’s better to introduce him, after all I have to thank? Him!”

Wang Qiang laughed.

“Thank him? Is he worthy too?”

Hong Xiu said in a cold voice, not putting Lin Ran in his eyes at all.

“Of course I have to thank him!”

Wang Qiang said with a straight face.

Hong Xiu was irritated by this, but there was nothing she could do but point to Lin Ran at the end of the crowd.

“That’s him, poor as shit!”

“Huh?”

Wang Qiang froze when he saw Lin Ran, this guy was dressed too shabbily actually dared to chase after Hong Xiu?

“Brother Lin Ran? I heard that your family is very poor?”

Wang Qiang asked with a smile.

“Sort of!”

Lin Ran said indifferently.

“Thanks a lot, thanks to you not making a move back then, otherwise how could Hong Xiu become my fiancée!”

Wang Qiang laughed.

“But I think even if you had made a move, I’m afraid it wouldn’t have worked, after all, with your status I’m afraid you wouldn’t be good enough for our Hongxiu!”

“What are you talking about!”

Song Jian really couldn’t listen to this anymore, and directly chided.

“Okay, okay, it’s not too early,? Let’s hurry up and get going!”

Lan Ya saw that she was almost done with things, so she immediately opened her mouth to round up the situation.

“Alright! Let’s go let’s get in the car!”

Wang Qiang blandly glanced at Jian Song and followed before getting into the car.

“Let’s go, Jian Song!”

Lan Ya greeted with a smile.

Chapter 966

Lin Ran could see that so many people had come over tonight, dare I say, to see their own jokes.

And I’m afraid that Lan Ya had also arranged this time, every time when Song Jian was about to get angry, she jumped out to round things up, and that was enough to explain everything.

“The crowd got on the bus, and soon only Song Jian and Lin Ran and Meng Meixin were left on the bus.

“Song Jian come up here!”

Lan Ya greeted as she sat in Wang Qiang’s car.

“Can’t you see there’s only one seat left?”

Song Jian snorted, if he went up there, what would Lin Ran do?

“Isn’t it enough for you to sit by yourself? That car in the back can still be squeezed to make a Meng Meixin!”

Lan Ya greeted.

“What about Lin Ran!”

Song Jian said in a cold voice.

“Him! Come on I’ll give him twenty, let him take his own taxi!”

Lan Ya laughed, and to the second level took out two tens and threw them on the ground.

“You!”

Song Jian was about to lash out.

“Forget it! You guys go first!”

Lin Ran smiled blandly and didn’t say much.

On the side, however, Meng Meixin looked thoughtful, in the face of other people’s taunts and still being able to be so calm, Lin Ran seemed a bit unusual.

She still remembered that when she was at university, Lin Ran was so angry that he turned red and turned his head away, but this time it was as if he didn’t care at all.

“I won’t do it, I’ll take a taxi with Lin Ran, I’m a bit carsick!”

Meng Meixin said, she also didn’t want to drink so many people squeezed, uncomfortable, and most importantly, she always felt as if Lin Ran seemed to have something to hide from everyone.

“I’m not doing it either, I’m with Lin Ran!”

Song Jian said in a cold voice.

“You!”

Lan Ya was instantly a little upset, but if Song Jian wasn’t doing it, what was the point of her doing it, so she walked down as well.

“Forget it I’ll take a taxi with you guys!”

Lan Ya said in a bad mood.

“Then we can go first!”

Wang Qiang sneered.

“Let’s go, let’s go! It’s cold and you’re not afraid of freezing to death waiting for a taxi!”

Hong Xiu said disdainfully.

Following that, the two cars drove straight away out.

“It’s all you! Just take the money and get a taxi, but you don’t want to leave, now we all have to freeze here with you!”

Lan Ya looked at Lin Ran and said in a bad mood.

“I didn’t ask you to accompany me!”

Lin Ran said indifferently, the more he looked at this Lan Ya, the more he hated her, no wonder Song Jian wasn’t interested in her, if it were himself, I’m afraid he would have kicked her off, not to mention not interested.

“All right! Are you finished? I’m happy to be my brother!”

Song Jian said in a cold voice.

“And!”

Lan Ya didn’t want to argue with Song Jian and immediately took out her mobile phone ready to shout DD.

“Pick up the money! Pay later!”

While operating, he made a beeline for Lin Ran.

“Didn’t grow your own hands?”

Lin Ran gave her a bland look, followed by turning around and walking over to the car park next to him.

“Shit! If you don’t pick it up, why are you going to the car park!”

Lanyard said without a good deal of anger, while still being a little puzzled.

“Driving!”

Lin Ran said blandly.

“Drive? You wouldn’t have driven your boss’s car, would you?”

Lanya immediately thought of something, she had come along in the car this afternoon.

“Hm! Yes!”

Lin Ran said indifferently.

“The boss’s car?”

Song Jian was also stunned, remembering the Porsche from the afternoon.

“Drip!”

Sure enough, not much later, Lin Ran drove over in his car, the very same Porsche.

“Holy shit, your boss is too good to you too!”

Lan Ya was a little envious, a driver could actually drive the boss’s car out, this was indeed some big face.

“Ranzi, is this really alright?”

Song Jian was a little worried, if he thought he was making Lin Ran lose his job again, then he would really be a little embarrassed.

“It’s fine!”

Lin Ran laughed, while greeting the three of them as they got into the car.

Naturally, Song Jian was pulled into the back row by Lan Ya, while Meng Meixin did not want to be a light bulb and got into the passenger seat.

The car soon started and the four of them set off.

“Still the Porsche is comfortable to sit in, you drove the car you said earlier ah, really almost did that very busy broken BMW!”

Lanya at this point celebrated.

“Song Jian, after we get married also buy Porsche, OK!”

Lan Ya looked at Song Jian and laughed.

“Get lost!”

Song Jian said in a cold voice, he really did not want to pick up this Lan Ya.

However, Lan Ya was not angry either and laughed.

“In front of so many people, how can you say all the words you said in bed!”

“You!”

Song Jian listened with shame and anger, when have I ever been with you, how fucking shameless.

“Play a song and listen to it!”

Meng Meixin couldn’t listen to it any longer and laughed.

“Mmm! There’s a disc in there!”

Lin Ran gestured with a smile.

Lin Ran didn’t use his phone much, so he usually listened to discs more.

Meng Meixin nodded and immediately found the disc in the storage compartment in front of her seat and put it on, but she soon found a small booklet that appeared to be a driving license.

“Hmm?”

Meng Meixin was a little curious, and no one was paying attention to her at the moment with the music playing in the car, so she opened the driving licence.

“This”

When she saw the name on the driving license, she was frozen.

“This car is Lin Ran’s?”

Meng Meixin’s jaw grew in surprise as she looked at Lin Ran.

Just now, Lan Ya had said that this was his boss’s car, but now this driving license

“What’s wrong?”

Seeing that Meng Meixin was a little off, Lin Ran busily asked.

“Lin Ran, this car isn’t your boss’s, it’s yours right!”

Meng Meixin said as she held up her driving license.

“What did you say?”

Hearing this from her, both Lan Ya and Song Jian froze, especially Lan Ya, who simply couldn’t believe what she was hearing.

The car wasn’t Miss Landlord’s, but Lin Ran’s.

“How is this possible!”

Bluea panicked at once,? snatched up the driving license with one hand, and at a glance she froze as well.

“Lin Ran you!”

At this moment, Lan Ya seemed to think that Lin Ran was a big tycoon, only a very low-key kind.

“What’s wrong?”

Lin Ran drove the car with a bemused look on his face.

“This car is your own, why are you so surprised? Didn’t you just mock yourself for being a poor dick?”

Lin Ran felt ridiculous in his heart.

Lan Ya, however, suddenly thought of something and was busy pointing at Lin Ran.

“Is this car the same as the mobile phone that Miss Landlord gave you?”

“I

Lin Ran was speechless, did he really look like someone who couldn’t afford it?

“If you say so!”

Lin Ran didn’t bother to explain, he didn’t want to reveal his identity to Lin Ran in the first place.

“Holy shit! You kid ate shit, you’re actually so lucky!”

Lan Ya’s eyes were full of envy, how could such a good car be given to a poor loser, how nice it would be if it was given to himself!

“That’s enough, my brother has a good job, what’s wrong with him giving it to me? What are you jealous of?”

Song Jian said.

Only then did Lan Ya put away her greedy expression and said in a resigned manner.

“I’m not eyeing it, I just really like this car!”

Said Lan Ya, looking towards Lin Ran with a look of contempt.

“It really is a silly man with a silly heart!”

“I

Song Jian was so angry that he simply had the urge to jump off the car.

“So that’s how it is!”

Meng Meixin was a little surprised, but looking at Lin Ran’s still calm expression, she was vaguely feeling that things wouldn’t be that simple.

As they spoke, the four of them also arrived at the place, but before they could get out of the car, they heard Meisha’s voice coming from the side.

“Holy shit! Look guys it’s a Porsche hey!”

Chapter 967

“That’s quite a Porsche!”

“Ah so envious!”

“Yeah!”

The faces of the girls were full of spring and they could not wait to jump straight into the car.

“What’s a Porsche, I can buy it for me anytime I want Wang Qiang!”

Hong Xiu saw this but sneered.

“Yes, how powerful is our Hong Xiu family fiancé, it’s not just a matter of words!”

Meisha also laughed at the side.

“This car is not ordinary!”

Wang Qiang, however, frowned and said.

“This car is the top version if I’m not mistaken, it’ll cost at least two million down!”

“Brother Qiang you still know about cars?”

At once a group of girls all looked at Wang Qiang with a light in their eyes.

A Porsche was too far away,? If they could replace Hong Xiu and Wang Qiang together, they would all be content.

“Hey hey! Look guys, isn’t that Lin Ran who got down from the car!”

Suddenly someone exclaimed.

“Holy shit how could it be him, you’re blind”

The four people who came down from the car were none other than Lin Ran.

“How is this possible!”

Misa instantly felt her face burning, and Hongxiu was similar.

Earlier they had been saying that they were poor losers, but now Lin Ran was driving a Porsche, which was a real blow to their faces.

“This can’t be true, it must be this kid driving someone else’s car to act tough!”

Meisha gritted her teeth and followed, then walked straight over.

“Lin Ran! Whose car is this?”

Misha questioned from a great distance.

“Misa?” |

Lin Ran asked, startled.

“Why don’t you guys go inside?”

“Cut the crap, whose car does this belong to?”

Meisha asked again, and at that moment the others came over, each one staring at Lin Ran as if they were interrogating a prisoner.

“Are you guys interesting? Whose is it to do with you guys?”

Song Jian said in a cold voice, ? He was really fed up with these people.

“Well I’ll tell you guys!”

Lan Ya said with an unhappy face.

“This car is indeed Lin Ran’s!”

“What?”

The crowd was stunned at the words, especially a few of the very snobbish girls who couldn’t help but lean in next to Lin Ran when they heard this.

“Brother Lin Ran you’re actually so rich, you’re not a big hidden tycoon are you!”

“Yes brother Lin Ran, look at me, I’m still single, or else I’ll dedicate myself to you tonight?”

“If you want to show up, it’s me first!”

Looking at the few female students changing their faces so quickly, Lin Ran was also helpless.

And Meng Meixin on the side even listened with a slight frown, was it really good to be a woman like this?

“Holy shit!”

Song Jian heard even more speechless, just now it was the power of a few of you to mock, now all of you have turned nasty.

“Dejected what, is it just a Porsche or two?”

Hong Xiu had a displeased face, looking at Lin Ran the poor bastard actually driving a Porsche, or his, it made me angry to think about it.

“Well stop it, this car was given to him by Lin Ran’s boss!”

Lanya said directly as she couldn’t stand looking at it anymore.

“What? Gave it to him? ‘

Everyone was stunned at the words, especially Hong Xiu and Meisha who instantly laughed.

“I told you, how could he, a big poor bastard, afford such a nice car!”

Red Show said disdainfully.

“That’s right, I think it’s just too much trouble for his boss and it’s directly under his name, so it’s easy to do in case there are any violations!”

Meisha also echoed.

Hearing these words from the two women, the three women who were still excited about Lin Ran were all as disgusted as if they had eaten flies.

Originally, even though it was a gift, as long as it was Lin Ran’s car, even if it was sold, there was still a large sum of money, and they could still dedicate themselves to fighting for it.

But now, when they heard that it was only in his name, all three women lost interest and one by one, they simply stopped paying attention to Lin Ran.

“This face is really turning over fast enough!”

Lin Ran couldn’t even help but laugh.

“Laugh! You still have the face to laugh, we’ve been waiting for you for half a day, where’s the hotel you booked? Is there a hotel around here?”

Hong Xiu didn’t feel good, they hadn’t even found a place after arriving for so long.

“Isn’t there one here?”

Lanya deliberately pointed ahead and laughed.

The crowd looked and all of them laughed at once.

“Bluea, stop it, this is the Ya Xiang Hotel, how can a poor bastard like Lin Ran afford to book it!”

Meisha laughed.

“That’s right, the cheapest table at this hotel costs tens of thousands of dollars, the last time Qiang and I came over it was a friend of Qiang’s who treated us”!

Hong Xiu smiled smugly, as if she had eaten here, she was very dignified.

“Lin Ran you do talk, where is the hotel you booked?”

Lan Ya asked after her.

“I don’t think it’s there!”

Suddenly, Wang Qiang pointed to the side and said.

The crowd sniffed and looked, and their faces suddenly darkened.

There was a roadside stall with a cart not far from there, with “Fried Noodles, Fried Cold Skin ……” on it.

“I want to fucking puke!”

Misha burst out laughing.

“Holy shit! Can I go?”

“I want to go too!”

“It’s a fucking shame!”

The crowd murmured.

Lin Ran just looked on indifferently, not wanting to explain at all.

“Lin Ran, you should say something!”

Lan Ya looked towards Lin Ran.

“Say what?”

Lin Ran said indifferently.

“The hotel you booked, it can’t really be that!”

Lan Ya had the heart to die at this point.

“You guys think it is is put!”

Lin Ran didn’t bother to explain, patting Song Jian to indicate that he should follow him, and then rushed to Meng Meixin.

“Let’s go, Classmate Meng!”

“Mmm!”

Meng Meixin nodded and didn't ask much, she had been watching Lin Ran the whole time, so she didn't even listen to what they were discussing.

“Hey hey! Where are you going, the roadside stall is over there!”

Lan Ya was busy shouting, but Lin Ran didn't pay any attention to her.

“I'm so angry!”

Bluea stomped her foot helplessly and immediately followed.

“Hm?”

Hong Xiu and the others couldn't help but frown slightly when they saw this, could it be that Lin Ran had really ordered something other than a roadside stall.

But this was the only place to eat on this road, it couldn't really be the Yaxiang Hotel!

The crowd had doubts in their minds, but they still followed quickly.

Soon the group stopped at the entrance of the Yaxiang Hotel.

“Lin Ran, you!”

Lan Ya looked at Lin Ran, not knowing what to say at this point.

“Let's go!”

Lin Ran smiled at Jian Song and Meng Meixin and was about to go inside at that moment.

“Stop!”

Suddenly, Hong Xiu behind him spoke up.

“Lin Ran, have you had enough, this is a five star hotel, why are you pretending to be here if you don't have money, you need to wear formal clothes to get in here, can you get in like this?”

“That's right, don't even take a piss and look in the mirror, are you worthy of going in?”

Behind her, Meisha also spoke up.

“Brother Lin Ran, let me remind you, the spending here will not be less than 30,000 at least, do you have enough money? Do you need me to lend you some!”

Wang Qiang laughed.

“Yes, do you need Brother Qiang to lend you some, we have plenty of money!”

Hong Xiu laughed smugly.

“No need!”

Lin Ran laughed blandly, turned around and headed inside.

“Ranzi, are you serious? We’re not even wearing formal wear!”

On the side, Song Jian was busy asking, he was also worried that Lin Ran was trying to look fat with a swollen face.

“Let’s go!”

Lin Ran smiled lightly and didn’t say much.

“Shit! Let’s go in first, or we’ll be too embarrassed to be stopped later!”

Hong Xiu suddenly said.

Only then did the crowd wake up, yeah, they were at least dressed decently, if they went in with Lin Ran and were stopped by the doorman it would be too humiliating.

Thinking of this, immediately a group of people went up the stairs first and rushed to the hotel door ready to go in.

Chapter 968

“Hmm? What are they doing?”

Meng Meixin looked stunned and asked busily.

“Don’t mind them!”

Lin Ran laughed at this, he didn’t understand what these people wanted, they must be afraid of being stopped by the security guards if they went in with him.

“I’ll go over there first too!”

As the two of them were saying this, Lan Ya, who was on the side, couldn’t take it anymore and immediately joined Hong Xiu and the group of them.

However, as soon as the group of them reached the entrance of the hotel, they were immediately stopped by the security guards.

“Several people, we are a five-star hotel, you must wear formal wear to enter!”

“Aren’t we in formal wear here?”

Wang Qiang said coldly, what he was wearing was indeed formal attire.

“Sorry sir, when I say formal wear, I mean only one that is worth at least fifty thousand dollars!”

The security guard laughed.

Wang Qiang’s face suddenly sank, his whole outfit was indeed not enough for fifty thousand, at most ten thousand, after all, he would not wear it normally naturally.

“Then what should we do? We’re not even wearing it!”

Hong Xiu was busy looking at Wang Qiang, somewhat unsure of what to do instead.

“What to do? Wait,? Isn’t someone treating you today?”

Wang Qiang sneered, he had a way to get in, just a phone call from his own old man would definitely do it, but there was no need for that, after all, it wasn’t his treat today.

“Why don’t you go in?”

As they spoke, the three of them, Lin Ran, also arrived.

“Lin Ran, I’ve told you,? You can’t get in without formal wear, not even someone like Brother Qiang can get in, let alone you!”

Meisha sneered.

“Say what? Brother Keung is also something he can compete with? It’s just a matter of a phone call if Qiang wants to get in!”

Hong Xiu said irritably.

“Indeed, I can get in with a phone call, does brother Lin Ran need any help?”

Wang Qiang looked at Lin Ran with a teasing look in his eyes, you invited me to help you, if this was really done then it would be a shame and disgrace.

“Is it necessary for Brother Qiang to help him? He is obviously a poor man, he really thinks he is a rich young man.”

Hong Xiu said with disdain.

“That’s right, he thinks he’s rich because he drives a Porsche, I’m afraid he’s forgotten he’s a poor, trashy loser!”

Meisha also sneered at the side.

“Lin Ran, it’s important for people to be self-aware, so stop it,? Hurry up and take us to the hotel you booked!”

“That’s how long this has been delayed, what the hell do you want?”

“What a waste of time!”

The three female students from before couldn’t help but urge.

“Ranzi, let’s go!”

Song Jian couldn’t stand them sneering at Lin Ran here and pulled him to leave.

“Go on? I’ve got a reservation!”

Lin Ran said helplessly.

“Pfft!”

When the crowd heard this, they all burst out laughing.

You're not even allowed to enter, and you've booked a table?

"Lin Ran, can you show some face? You can't even get in if you're booked in?"

Lan Ya said in a good mood.

"That's right, you should be ashamed of yourself if you brag about it!"

"I'm ashamed for you!"

"Shameless!"

The crowd laughed.

Lin Ran, however, just laughed and shook his head, followed by patting Song Jian to indicate that he should follow him.

"Ranzi!"

Song Jian was a little worried.

"It's okay to go!"

Lin Ran laughed, while gesturing for Meng Meixin to follow, and immediately the three of them walked towards the entrance of the hotel.

"Holy shit this idiot is really going!"

"It's really not too embarrassing!"

"I don't know her!"

A bunch of people were having thoughts of running away at this point, they couldn't even get in themselves, and Lin Ran actually brought someone over, how fucking stupid does that have to be.

"How could Jian Song know such brain-dead friends!"

Lan Ya was distressed.

"Get out your phones and take pictures, later they'll be blown out, so we can ask Lin Ran if he's a bitch and deliberately went looking for pain!"

Meisha laughed, while already taking out her phone.

The others also took them out and aimed their photos at Lin Ran's trio.

"Are you ready, they're getting there!"

Mesha laughed.

"Yes!"

"We're ready too!"

The crowd laughed, Lanya saw the situation and hesitated, also took out her phone, ready to shoot it later to persuade Song Jian not to smash and play with Lin Ran, too humiliating also.

“Hey hey! Not right!”

Suddenly, I don't know who shouted.

“Yeah! Where's Lin Ran and the three of them?”

The crowd was stunned, they had just run away for a moment, but Lin Ran and the three of them had disappeared.

“Quickly watch the replay!”

All of them watched the replay at once.

Following that they all froze.

They only saw that Lin Ran and the three of them had actually walked straight in, while the original security guards were still bowing to the three of them very respectfully, with no intention of stopping them at all.

“Shit! What is the meaning of this!”

Hong Xiu's pretty face turned red as she watched, and Meisha on the side was even more furious.

“Why do they get to go in?”

“Yeah! Why can't we!”

“That's not right!”

The crowd murmured.

“Go over and ask, this security guard is too much of a bully!”

Hong Xiu was instantly angry, pulled Wang Qiang and went over first.

“Hey! Why didn't you stop those three people just now!”

Hong Xiu asked directly

“Which three?”

The guard gave her a bland look of disdain.

“The same three that just went in, one of them dressed like a douchebag? Why didn't you stop him!”

Hong Xiu said angrily.

The guard smiled but was stunned, and his gaze instantly turned a few degrees colder.

“This lady, please pay attention to what you say, the one who just went in is a VIP of our elegant fragrance hotel, if you speak out of faith, I will have to clean you up and leave!”

“What? VIP? Who are you calling a VIP? That poor man and you call him a VIP, you are blind!”

Hong Xiu said angrily.

“You say another word!”

The guard’s face suddenly turned ugly and his hand was on the intercom.

“Hong Xiu don’t be impulsive, we can’t be sure who the VIP is yet, after all they are three people going in!”

Wang Qiang said busily.

“Then what should we do? Are we just going to leave?”

Hong Xiu was upset, she had come here today to show off, now what the fuck was this called.

“Don’t rush, let me ask first!”

Wang Qiang said with a cold face, if he really lost to Lin Ran today, then he wouldn’t need this face anymore.

“It’s like this,? We are friends of Mr. Song Jian, so can we go in?”

Wang Qiang asked with a smile.

The crowd instantly understood when they heard this, as long as one actually could test out whether the VIP was Lin Ran or not.

“Song Jian? What Song Jian? Never heard of it!”

The security guard said in a cold voice.

“What about Miss Meng Meixin?”

Wang Qiang asked with a frown.

“Haven’t heard of it! If you’re fine, hurry up and leave, don’t delay our business!”

The security guard frowned.

“Wait, we are

Wang Qiang hesitated a little, but said with a grit of his teeth.

“We are friends of Mr. Lin Ran, we came together just now!”

“Mr. Lin Ran?”

The guard asked with a slight frown at his words.

“You are friends of Mr. Lin Ran? I said why do you look so familiar! Mr. Lin Ran has just explained that someone will report him to understand! You guys can go in now!”

The security guard said.

“What? It’s really him! On what grounds?”

The crowd all felt their faces burning, just now there was a mouthful of poor losers who couldn’t get in or something like that, but now they did have to borrow Lin Ran’s light to get in!

“On what grounds!”

Hong Xiu felt humiliated and immediately questioned.

“On what grounds can you get in just by saying Lin Ran’s name!”

“On what grounds? Just because Mr. Lin Ran is our guest of honour here! Are you going in or not? If not, get lost!”

The security guard said impatiently.

“Go in! We’re in!”

Wang Qiang laughed and then pulled Hong Xiu, who was still a bit unresponsive, and immediately led a group of people inside.

Chapter 969

“Lin Ran! Stop right there!”

As soon as she entered, Meisha shouted at Lin Ran.

“Something wrong?”

Lin Ran turned his head to look at her, his expression not changing in the slightest.

“What the hell is going on here? Why did the security guard say you were the VIP here?”

Meisha questioned.

It wasn’t just her, at this moment, Lan Ya Hongxiu and the group of students next to her all looked over.

In their eyes, Lin Ran was an unapologetically poor loser, but for a luxurious five-star hotel like the Ya Xiang Hotel to say that he was a VIP was a fantasy, so how could they be willing to believe it?

“It’s a long story, if there’s nothing else let’s go upstairs!”

Lin Ran prevaricated, was it necessary to be so clear with you guys about yourself?

“You!”

Meisha was so angry that her pretty face turned red, and Hongxiu at the side was even more clenched in her silver teeth, not saying a word at this point she only felt as if she had missed something, and it seemed like she had really missed it.

“Could it be that Lin Ran has developed? How is this possible?”

Misa, as well as Lanya and Hongxiu, couldn’t help but think this in their minds at this point, but then they denied it, if they were really rich, then there was no need to be a driver for someone else!

“A driver?”

Bluea was suddenly startled and pointed at Lin Ran.

“You You wouldn’t be because of your boss, would you!”

“Boss?”

The crowd was suddenly dumbfounded at his words.

“So that’s it, that must be it!”

Mesha pointed at the surprise on Lin Ran’s face which loosened up a bit.

“So you’ve become a VIP here because of your boss!”

Hong Xiu also reacted, the previous worry on her face cleared away.

Originally, if Lin Ran had really become a rich man, then she had some small regrets, after all, Lin Ran did mean something to her at first, but now that she knew that he was only hanging around so much because of his boss’ light, then she felt much better in her heart.

“Lin Ran, to be honest you really don’t need to amuse your boss’s goodwill towards you like this, Song Jian is your brother, but how many times can your boss help you? It’s better to have this relationship than to have a raise in salary!”

Hong Xiu sneered, Wang Qiang was rich that was his own industry, what did you Lin Ran have? What do you have? You’re only with a rich boss, what are you pretending to be here, once or twice is fine, how can you keep pretending?

Maybe one day the boss won’t be interested in you anymore and you’ll go back to the world of poor losers.

“That’s right, Lin Ran, why are you so stupid? It’s good to know such big bosses and plan for your own future, you really don’t have a brain!”

Lan Ya also couldn’t help but say.

“I thought I was really a tycoon, I feel like I’m borrowing someone else’s light again!”

“Who says it’s not? It’s only been two years since we’ve seen each other, but Lin Ran has gotten a lot more connections!”

“Haven’t you heard, that’s a female boss, maybe she likes a fresh graduate like Lin Ran!”

“Haha, you mean adopted?”

A group of students all burst out laughing at once.

Song Jian was so angry that his veins burst, but Lin Ran was standing by as if he hadn’t heard him, not even angry at all.

“Are you finished? Don’t forget! Even if Ranzi has borrowed from his boss, you have also borrowed from Lin Ran, otherwise would you have been able to come in today?”

Song Jian pointed at the crowd and scolded them without ceremony.

Lin Ran still wanted to persuade him, but Meng Meixin on the side stopped Lin Ran, gesturing for him to go straight up.

“Let’s go!”

Lin Ran shook his head helplessly and instantly walked up first with Meng Meixin.

“Hey hey! Why are you two leaving!”

Seeing this, Hong Xiu immediately quit and immediately pulled Wang Qiang and a group of people and rushed straight up.

Just kidding, such a big five star hotel, what would they do if Lin Ran and Meng Meixin went away fast and couldn’t find it!

“The location is on the third floor, you’ll know when you get there!”

Lin Ran really didn’t want to bother with them and directly stated the location he had set.

In the next second, he as well as Meng Meixin and Song Jian all froze.

Only to see Hong Xiu and the others directly overtake Lin Ran and run straight to the third floor without even looking at him.

“Shit!”

Even though Lin Ran had a good temper now, he couldn’t help but curse, is this a fucking treat for himself or for you guys, really don’t want a bit of Billian.

“Brother Jian let’s hurry up too, otherwise all the good seats are gone!”

Lanya urged from the side.

“I want”

Song Jian just wanted to say that he wanted to accompany Lin Ran, but Lan Ya directly white glanced at him and said.

“It’s not like Lin Ran hasn’t grown legs, so you’ll just accompany me up first!”

Saying that this nee-san was actually angry and petulant, which made Lin Ran suddenly a little speechless.

“Good you win!”

Song Jian even got goose bumps,? helplessly rushed at Lin Ran and stretched his hands, and Lan Ya ran up first.

“Aren’t you in a hurry?”

Lin Ran looked at Meng Meixin who was next to him, this nee-san was quite bashful, not the least bit anxious.

“I’m more interested in you!”

Meng Meixin laughed.

She was very sweet looking, especially when she was dressed very simply and elegantly, and at this moment, when she smiled, she really had the feeling of a fairy sister.

“Er

Lin Ran scratched his head with some embarrassment, how come this Meng Meixin hadn’t realized when she was in college before that she was actually a beauty too.

“What’s wrong?”

Meng Meixin laughed at the situation.

“Nothing, it’s just a surprise, what’s interesting to me!”

Lin Ran laughed.

“Hmm! To put it simply, I think you’re rather mysterious!”

Meng Meixin laughed.

“They mocked you so much and you didn’t even get angry, instead you even explained to the security guards to let them in, so you can see that you didn’t take their actions to heart at all!”

“Just because of that?”

Lin Ran laughed, although it was indeed a bit strange to say that about yourself, it wasn’t to the point of being interested.

“Pretty much, anyway, I think that for someone to be mocked so hard and still be able to remain calm, the whole person must be quite extraordinary!”

Meng Meixin laughed.

“Haha, thanks!”

Lin Ran laughed, he also felt that this Meng Meixin was very special, at least the fact that she didn’t mock herself along with those people meant that this ninny wasn’t a beauty who judged people by their appearance.

As they spoke, the two of them had already reached the third floor, and as soon as they entered the private room, Meng Meixin was instantly stunned by the scene in front of her.

Only to see that inside the entire private room, the decoration was exceptionally luxurious, and the night pearls used for decoration alone were several, but of course the crowd could not tell whether they were real or fake.

But that whole set of gold-encrusted tables, chairs and dishes, completely saw the crowd were stunned.

And the Red Show Lan Ya and others who had come up long before were all dumbfounded at the sight.

“Was it such a luxurious place the last time you guys were here, too, Red Show?”

Misha asked, unable to help herself.

Hong Xiu’s pretty face turned a little red at her words, and Wang Qiang, who was next to her, was busy answering the question.

“Pretty much, when we came last time, the class wasn’t this high!”

“Really? You guys didn’t even come in such a high grade, how did this poor bastard Lin Ran manage to do that?”

“It must be because the owner is powerful!”

“That’s right, I think that kid Lin Ran just got lucky!”

“Ahem!”

Lin Ran listened helplessly and coughed dryly twice to show that he had arrived, so let’s keep some words down.

However, that last female student who spoke seemed to be unconvinced at the situation, and turned her head and rushed at Lin Ran.

“What? Did I say it wrong? You’re not just borrowing the light from your boss, if it weren’t for your boss, I’m afraid you wouldn’t be able to afford to eat at a roadside stall, not to mention this Yaxiang Hotel!”

Chapter 970

“What are you talking about, shut up if you can’t speak, does it matter to you who my brother is in the light of?”

Song Jian said angrily, these people were really going too far the more they talked.

“Okay, let’s sit down, don’t make people laugh!”

Meng Meixin said, pointing out that the two waiters at the door were laughing.

“What are you laughing at! We are here to eat today!”

That female student was instantly dissatisfied, but at this moment, seeing that Hong Xiu Meisha was actually not even speaking for herself, she had no choice but to do so resentfully.

Are you kidding me? Hongxiu and Meisha are not fools, working here as a waitress is better than those of them who can’t even find a job in the system.

The only people who are unlucky enough to be mocked are themselves.

In the meantime, everyone was seated, and Hong Xiu and Meisha were thinking of how to continue taunting Lin Ran, when they realised that there was no more room in the entire box.

There were originally nine people at the dinner, but there were only eight seats here, and looking at the bowls and chopsticks on the table, it was obvious that only eight could be made.

“Why is there one seat missing?”

Meng Meixin said embarrassed, at this moment she hurriedly stood up and gestured for Lin Ran to sit down.

“It’s alright, you sit first I’ll go and deal with them!”

Lin Ran laughed and at the same time prepared to go out and change the private room.

He hadn’t expected so many people to come when he made the reservation this afternoon, and had wanted to change just now, but he hadn’t had the chance.

“Otherwise, forget it, you sit here and I’ll go next door! There’s only one seat left, it’s a waste to spend more money!”

Meng Meixin pointed to a spot next to her, which should be where the waiter usually did, the table was only the size of a palm, so I’m afraid it could only hold two plates of food.

“No need!”

Lin Ran smiled and shook his head.

“But it’s very expensive here, let’s forget it.”

Meng Meixin insisted.

But then Hong Xiu laughed afterwards.

“Meng Meixin, just sit if you want to, besides the people at this table, it’s not something Lin Ran can do right!”

“That’s right, Lin Ran, you’re someone else’s driver anyway, although our jobs aren’t much better than yours, but at least we’re not down and out enough to be someone else’s driver!”

Meisha also laughed.

“Right, and Lin Ran, doesn’t your face hurt when you’re always dashing around in your boss’s name like this?”

“Forget it, what’s there to say to such a poor bastard like him, let’s hurry up and serve the food!”

A few other students were already a bit impatient, jokingly,? It was the first time they had all come to such an upscale place, so naturally they were eager to see how the food was.

The waiters were a little embarrassed and were busy looking at Lin Ran, seeing that the latter nodded before they pushed down and started serving the food.

“What’s wrong with you?”

Lan Ya was sitting next to Song Jian at this moment, looking at him with some concern.

“What’s wrong with me you say?”

Jian Song gave her a cold look and didn’t say anything.

Soon the waiters began to serve the food.

“Greetings distinguished guests, this is our hotel’s special red wine, a collection of eighty-nine years!”

The waiter came up with two bottles of red wine, the crowd was stunned to hear this, honestly they didn’t know anything about red wine.

“Brother Qiang do you know it?”

Hong Xiu saw the opportunity and busily asked Wang Qiang.

“I’ve had the pleasure of drinking it once, it’s a wine produced in 1989 from North Africa, it’s very famous and should be worth around 200,000 a bottle!”

Wang Qiang looked at it and talked about it.

The women were already stunned by what they heard.

“Two hundred thousand a bottle? Just these two bottles of wine alone would be at least 400,000!”

Meisha was even more surprised and speechless.

“Waiter, are you sure you’re not mistaken, such expensive wine is our order? You must have served it wrong!”

How could such an expensive wine have been ordered by Lin Ran, this was too much of a lie.

“Sorry, I don’t know who ordered it either, I’m only responsible for serving it!”

The waiter laughed, while turning around and leaving without saying much at all.

“Bang!”

The crowd had not yet returned to their senses, but Song Jian had already opened a bottle and got up directly to look at the crowd.

“There are seven of you left, three men and four women, one bottle is enough for you! This bottle is for me and my brother!”

With that said, Song Jian turned around and was about to leave, obviously ready to sit with Lin Ran.

“Hey! What does Song Jian mean!”

Hong Xiu shouted directly when he saw this.

“We’re here to give you a reception! What do you mean you’re sitting with that poor loser!”

“Huh? What do I mean? You guys came here to give me a reception on the loan of my brother, and you still let him sit in the corner, your faces are city walls, right!”

Saying that, Song Jian turned his head to look at Wang Qiang.

“Brother Qiang is it, if your family is so rich then don’t bother with us little people, I’ll take a bottle of this wine, if you don’t have enough to drink, tell my brother, I have enough beer!”

After saying that, Song Jian was about to turn around and go to Lin Ran.

“Old Five, forget it, we’ll order more!”

Lin Ran laughed.

“Ranzi you!”

Song Jian let out an obvious cry, order more? This bottle of wine is 200,000, order more? Do you have any money left?

“Haha!”

Hearing Lin Ran’s words, all of a sudden Hong Xiu and the others laughed.

In particular, Hong Xiu was laughing so hard that his eyes were practically popping out.

“Lin Ran, you’re fucking sick, this bottle is 200,000, there are two bottles here, let’s not talk about the meal money, if you order another bottle tonight it will be 600,000, you’re not afraid that your female boss will find out and just fire you!”

“That’s right, it’s hard to find a job as a driver, you really think you’re a tycoon!”

“That’s a fool!”

The crowd laughed one after another.

Only Meng Meixin sat by the side without saying a word, sipping hot water from time to time and looking at Lin Ran with some obvious displeasure on her face.

“Say, Meiqi, is Lin Ran an idiot!”

Hong Xiu also noticed Meng Meixin’s relationship with Lin Ran and immediately brought the topic to her.

“I …..”

Meng Meixin instantly hesitated a little, and seeing that Lin Ran was also looking at her, she took a breath or stood up.

“I think it’s bad for you guys to mock people so much, even if you are borrowing the light from others, but at least Lin Ran didn’t stop you from coming in, we should know how to be grateful!”

“Pfft!”

As soon as Meng Meixin’s words fell, suddenly Hongxiu and the others all laughed.

“Gratitude? That would also have to be Lin Ran giving me gratitude!”

Said Hong Xiu, standing up straight away.

“When he was in college, this poor bastard couldn’t even afford to eat, if I hadn’t often let him run errands and give him money, he would have starved to death!”

“That’s right that’s right, and me!”

Misha stood up too.

“I’m a big fan of the show, I pay him every month!”

“How is that every month?”

Someone next to her immediately wondered.

Mesha, however, laughed.

“Of course it’s every month when he’s not feeling well so he can go and buy me tissues!”

“Haha Misa you’re so bad,? That’s not all boyfriends do!”

The other students next to me laughed.

“How could you!”

Misha laughed smugly.

“My boyfriend I don’t give up, this kid gives money to do everything, don’t use it for nothing!”

“I dare say you’ve come here to tire the silly boy!”

“Haha!”

“Are you guys ever going to finish!”

Song Jian could not stand it any longer and smashed the bottle of red wine on the table with a bang, if not for the good quality of both, I’m afraid it would have broken.

“Ranzi, let’s go!”

Song Jian turned around and pulled Lin Ran to leave, seeing his brother being insulted like this, he had really had enough.
