

Wonder Doctor

Chapter 971

“Don’t!”

Lin Ran was busy stopping Jian Song.

“The food is already served,? Finish eating before you go!”

Lin Ran was really a bit hungry, he had been busy all day during the day and had only had a drink of water at Lao San’s house, by now he was already hungry.

“Haha!”

Hong Xiu and the others laughed again at that.

“That’s Song Jian, what’s the rush you’re looking for, someone Lin Ran has been poor for over twenty years, it’s so hard to get a meal at a five star hotel, you can’t ruin his intentions!”

“This is a rice bucket!”

Meisha couldn’t help but laugh out loud as well.

And at this moment, the dishes on their dining table had all been served almost.

Lin Ran didn’t bother to pay them any mind and stopped the waiter.

“What do you need, sir?”

The waiter busily asked.

“Just two dishes, and a bottle of wine!”

Lin Ran laughed.

He didn’t care what he and Song Jian ate, all he cared about was the brotherhood, and being able to sit and chat together was already very satisfying.

“Okay you wait a moment!”

The waiter smiled and nodded, pushing down at once.

“And order two separate dishes, what? Hot and sour shredded potatoes? Or scrambled eggs with tomatoes ah!”

Hong Xiu was unrelenting.

“Sister Xiu, I think fried bok choy is more like it!”

“Haha, is beer enough?”

A group of students couldn’t help but laugh at once.

“Ranzi,? Why are you so good at talking!”

Song Jian was so angry that he was red in the face and looked at Lin Ran with distress.

“It’s alright, don’t pay any attention to them!”

Lin Ran laughed.

“Ranzi, is it because of Zhao Yu?”

Song Jian suddenly asked.

“I heard when I came back that Zhao Yu dumped you?”

“Mmm!”

Lin Ran nodded, if Song Jian didn’t mention it, he had almost forgotten about Zhao Yu, thinking about it, he hadn’t seen her for over a year, and he didn’t know how she was doing now.

“That stinking woman!”

Song Jian was so angry that he gritted his teeth, apparently he knew something about what had happened back then, only that he was in Lin Ran’s way because he had loved this woman before after all, so he didn’t have the good sense to call her a stinking bitch straight away.

“Old Fifth forget it, Zhao Yu and I have already talked things over, there’s no more conflict!”

Lin Ran said indifferently, although Zhao Yu was a sore spot in Lin Ran’s heart before, but after talking about it, Lin Ran was relieved, and Zhao Yu had already left with her parents, so the matter was over.

After all, it was questionable whether the two of them would ever see each other again.

“Your dish has arrived, sir!”

As they spoke, the waiter had already brought up the dishes, but what the crowd didn’t expect was that the waiter walking at the front of the table was not carrying the dishes, but a table.

“What are you doing?”

Hong Xiu saw this and was busy asking, something was wrong with this situation!

“What are you guys doing here? He only ordered two dishes, do you have to bring a table up here?”

This was a five-star hotel, and it was impossible to add a table, but now it had actually appeared.

“Sorry, no comment!”

The lead waiter said blandly, not saying a word more than that.

“You!”

Hong Xiu and Meisha were instantly defeated, but they didn’t dare to say anything else.

They saw a group of waiters quickly set up the table and followed with two dishes, but just when the crowd thought it was too much, another group of waiters came up behind them, and they had one dish in hand, and it looked even more generous than the one served before.

“Holy shit! That’s an Aussie Dragon!”

“Oh my god, such a big lobster!”

“That’s Yaxiang Hotel’s signature dish, Wuhu Sihai, it’s said that even small portions cost 200,000, this is obviously a large portion!”

“And the drunken steamed chicken, it’s made of pure natural black chicken, my goodness!”

The crowd’s eyes were rolling round, almost drooling, compared to the table in front of Lin Ran, the table in front of them was a piece of shit!

“Mr. Lin Ran, this is our 83 year old supreme model red wine, worth three million dollars!”

The beautiful waitress laughed, while already opening the wine with a bang.

This sound caused Hong Xiu and the others’ hearts to puff out.

“Three Three million!”

They were all dumbfounded.

“On what grounds!”

Hong Xiu couldn’t help himself and slapped the table in question.

“He clearly only ordered two dishes and a bottle of wine, how can you guys serve so many dishes!”

“That’s right!”

Misha couldn’t help but ask too.

“Sorry, all the other dishes are complimentary!”

The pretty waitress laughed.

“Complimentary? What about ours?”

Hong Xiu was immediately unnerved, women were all face-lovers, who didn’t want to drink a three million bottle of red wine.

“Sorry, you guys don’t have any!”

The waiter said and looked at Lin Ran.

“Mr. Lin, all meals tonight are free of charge, please enjoy your meal!”

After saying that, the waiter left, leaving only a surprised crowd behind.

“All free of charge!”

Hong Xiu’s entire body was sitting paralyzed in his chair at this moment, while Wang Qiang’s old face was even redder, all this clearly showed that Lin Ran was not an ordinary person, otherwise where else would he have such a big face.

But just now they

“No, this must be a fake, Lin Ran you are borrowing your boss’s light again aren’t you!”

Hong Xiu pointed at Lin Ran and said.

“Does it have anything to do with you? Just eat it, don’t eat it light!”

Lin Ran said indifferently, already picking up a glass of wine and drinking with Song Jian.

“Lin Ran, I want to eat Aussie Dragon!”

Suddenly, Meng Meixin looked at Lin Ran, her small eyes fluttering as if she could speak.

“Then come over here!”

Lin Ran laughed, although Meng Meixin was a bit of a snacker at this point, she was at least sincere, unlike some people who were so moralistic.

“Okay!”

Meng Meixin wasn’t polite either, and immediately pulled a chair and ran over, she had felt that Lin Ran was unusual before, and at this moment she was even more convinced of her judgement.

“Meng Meixin!”

Hong Xiu was furious at the sight of this, while some of the female students who were still sitting next to them could not help themselves at this point, and one by one, they looked at Lin Ran’s table and started drooling.

But before, except for Meng Meixin, they had all sneered at Lin Ran and were all too embarrassed to speak up at this point.

“Stop looking, come over if you want to eat, there are so many dishes and the three of us can’t finish them!”

Lin Ran said helplessly when he saw this.

“Good!”

“Thank you Ranzi!”

“Ranzi is the best!”

At once a group of people all rushed over like crazy.

Only Hong Xiu Wang Qiang was left behind already Meisha.

“Hong Sister Hong Xiu, or else we would also”

Meisha spread envy, especially when she looked at the Aussie dragon was already about to be eaten up, she was even more anxious.

“I’m not going over there!”

“Hong Xiu, forget it! Maybe your friend is really that capable?”

Wang Qiang was also a bit worried at this point, if Lin Ran was really that powerful, then he couldn't wait to flatter him, so how could he possibly be willing to offend.

“That's absolutely impossible,? Don't believe me, you guys are watching! He's so extravagant tonight, he must have used his boss's name, and when his boss finds out he definitely won't spare him!”

“I guarantee you, his boss will have to call after a while!”

Hong Xiu said firmly.

“Then I'll go over there then, I really want to try the Aussie Dragon!”

Misha saw this and shrugged, running after it as well.

“You!”

Hong Xiu was so angry that she was about to explode, and luckily Wang Qiang beside her hadn't left yet.

But when she turned her head to look, Hong Xiu's entire body had been confused, only to see that Wang Qiang was actually also salivating as he looked at the table across the table, of course it wasn't the dish he was salivating over, but Lin Ran the man.

Chapter 972

“Old Five didn't expect your life abroad to be so boring!”

Hearing Old Five's account, Lin Ran couldn't help but laugh as well.

“Yeah, if I had known that going abroad was such a situation, Laozi really shouldn't have gone out!”

Song Jian also said helplessly.

“Forget about it, I'm already content to be able to go back to China again, I'll have you brothers to play with in the future!”

Song Jian laughed.

“By the way Old Six, how have you been for two years? Zhao Yu split up, did you find a new one?”

“I ah”

Lin Ran scratched his head a little embarrassed, how to say this, is it that he is surrounded by too many women, I'm afraid that even if he said people do not believe ah!

“Old Six!”

Seeing that Lin Ran was somewhat torn, Song Jian obviously already thought that Lin Ran was not looking.

“Huh?”

Lin Ran looked at Jian Song in a daze.

In turn, Jian Song gestured for Lin Ran to look to his side.

“Old Six, to be honest, this girl Meng Meixin is not bad, her family used to be in our district, to say the least we both were hairy kids, this girl is kind-hearted from a young age, she is also pretty, I see she seems to be interested in you, or else ask for a contact and try?”

Song Jian laughed.

“Huh? Forget it, I’m afraid we’re not suitable!”

Lin Ran said awkwardly.

Meng Meixin was indeed pretty, but he already had so many love debts that he couldn’t afford to pay off, so how could he dare to mess with someone else.

“What are you two talking about? What’s inappropriate?”

Meng Meixin came over at this point and asked with a smile.

“Ah Nothing nothing!”

Lin Ran instantly already, busy laughing.

“Thank you ah Lin Ran classmate, this is the first time I’ve eaten an Aussie dragon that tastes different!”

Meng Meixin laughed.

“You’re welcome!”

Lin Ran said with an embarrassed face.

“By the way Lin Ran, can I add you to my VX? When it’s my birthday later, I’ll treat you to dinner too!”

Meng Meixin laughed.

“Huh? Okay!”

Lin Ran was stunned,? Followed by a nod.

Meng Meixin was quite nice, at least she could talk to herself, so it was good to be a friend.

With this mindset, Lin Ran added Meng Meixin’s friend.

This side of the room was chatting and laughing, while on the other side, Hong Xiu was watching Lin Ran with clenched fists, looking at him with dead eyes, she was waiting! She was waiting for Lin Ran’s boss to give him a call and then see Lin Ran run away in a huff.

No matter what, she didn’t believe that this was Lin Ran’s ability to do this tonight, it must be Lin Ran’s boss who was secretly helping.

“Ding Ding Ding!”

Suddenly, I don’t know who all mobile phones rang.

Hong Xiu heard it but was stunned, and was busy pointing at Lin Ran and shouting.

“It’s your phone, it’s your phone!”

“My phone is my phone, why are you so excited? Never seen a phone before?”

Lin Ran was speechless, this Hong Xiu was making a fuss, scaring him so much that he almost didn’t throw the red wine glass in his hand to the floor.

“Hey, still awake?”

Seeing that it was Qin Bing calling, Lin Ran instantly got up and walked out.

“It must be his boss, it must be!”

Seeing this, Hong Xiu instantly came to life and got up and sneered.

“What do you all think he is, just a lapdog, he spent so much money tonight, it must be his boss’s connection, his boss must already know about it, he’s finished!”

“Haha!”

Hong Xiu was full of smugness.

Song Jian, however, turned pale as he listened, if this was really what Hong Xiu said, then wouldn’t he have screwed Lin Ran, after all, the latter had all done this to receive himself.

“Hong Xiu, Lin Ran is not that kind of person, you should stop talking about him!”

Meng Meixin frowned slightly and seemed to be a little upset too.

“Not that kind of person? Oh, do you know him well? Don’t think I don’t know, seeing him show off a few times, he thinks he’s found a rich man, why do you like him!”

Hong Xiu said in a cold voice.

“I don’t!”

Meng Meixin’s pretty face instantly turned red, she did have some good feelings for Lin Ran.

“No what are you blushing about!”

Hong Xiu laughed.

“You’re really blind, don’t believe me let’s wait and see, as soon as he comes in he’ll definitely say he’s leaving, he’s done! It must have been his boss who called!”

Hong Xiu’s face was full of triumph.

And by now the crowd had almost finished eating, one by one they all looked towards the door, as if they were waiting for Lin Ran to come back, wanting to see if what Hong Xiu said was true.

Soon, Lin Ran finished his phone call and walked in, and as expected, as soon as he came in, he looked at Song Jian and said.

“Old Five, sorry, I have to go! A friend of mine has something for me!”

“It’s alright, you go and get busy! I’ll treat you next time, let’s get together again!”

Song Jian said with a busy smile.

While Hong Xiu on the side was already laughing out loud.

“See, I told you it must be, it’s still your friend, it’s obviously your boss calling!”

“What my boss?”

Lin Ran was stunned, not understanding what Hong Xiu was talking about.

“You still want to deny it, it was clearly you who spent so much money that your boss found out about it, and now you’re still pretending, I’ll see how long you can pretend!”

Hong Xiu laughed.

“Ai!”

Lin Ran shook his head helplessly, this woman had clearly gone a bit off the rails.

“Mei Qi, see you next time, I’ll be off first!”

Lin Ran smiled at Meng Meixin, while taking out his car keys and tossing them to Jian Song.

“You guys will drive my car back later, get a chauffeur and take Meiqi back first!”

“Huh?”

Jian Song was stunned and asked busily.

“What about you? How are you going to get around without a car?”

“My friend drove here, don’t worry!”

Lin Ran laughed, while waving his hand at Meng Meixin, and followed it out of the hotel.

“Bastard!”

Hong Xiu gritted her teeth as she watched, this guy Lin Ran actually gave the car keys to Song Jian and asked him to take Meng Meixin back, she hadn’t even done the Porsche yet!

“Hey hey! You guys come and see, you can see down here, in the end is not Lin Ran boss, let’s take a look and find out!”

This is, Lan Ya shouted at the window.

All the people heard the words and came over.

As expected, the crowd soon saw that Lin Ran had appeared in front of the hotel below and walked straight towards a car.

“My god, that’s a Rolls Royce!”

“Hey hey! Look guys, it’s a woman coming down!”

“That’s her! She’s Lin Ran’s boss, Qin Bing, I’ve seen her this afternoon!”

“Haha! How about that, right, Lin Ran has definitely been found out by his boss, he’s definitely going to slap him later!”

Hong Xiu burst out laughing.

But following that she was dumbfounded.

Between them, as the crowd watched, the woman actually jumped directly into Lin Ran’s arms, and the two of them were full for a while before they let go, and then the woman actually sat on Lin Ran’s arm and walked towards the Rolls Royce.

It was only a few moments later that they got into the car.

“This bastard is actually being maintained, and a little white boy!”

Hong Xiu instantly smiled even wider.

“No! No!”

Lanya was frowning at this point.

“Why not! They’re all wrapped up together!”

Red Show was unconvinced.

“Absolutely not, think about it!”

Bluea retorted.

“If it really is a package, she doesn’t even need to look for Lin Ran, just one phone call and Lin Ran would have to rush over, it obviously doesn’t make sense for her to come looking for it herself!”

“And!”

Lan Ya said with a grit of her teeth.

“And just now Lin Ran got on the passenger side and it was Qin Bing who was driving! Have you ever seen a boss drive a driver? Or have you ever seen a rich woman drive a little white boy?”

“Weng!”

The crowd was stunned at the words, indeed, it was absolutely impossible for a boss to drive a driver, and a rich woman would never drive a young white boy herself.

Chapter 973

But what was going on with what they were seeing right now?

“This is neither here nor there, so what do you think is going on?”

Hong Xiu was also angry and confused, and asked directly.

Lanya gritted her teeth and said.

“There is only one possibility, and that is that everything tonight was Lin Ran’s own doing, and Qin Bing is chasing Lin Ran that’s why she was so proactive!”

“That’s absolutely impossible!”

Hong Xiu immediately retorted, but the crowd had a scale in their hearts, and that seemed to be the only way to explain this matter.

“Chasing after Lin Ran?”

Meng Meixin’s heart soured a little at her words, and vaguely seemed to have fallen for Lin Ran as well.

“What’s wrong with me!”

Meng Meixin’s pretty face turned red, a little embarrassed.

“Meiqi, let’s go I’ll take you back!”

Song Jian was too lazy to stay any longer, as Lin Ran had left, he naturally wanted to leave as well.

“Mm!”

Meng Meixin nodded her head and walked out with Jian Song at once.

“Hey hey! What about me, you bastard, Meng Meixin was sent by Lin Ran, obviously Lin Ran likes her, what do you want to send alone! You didn’t even spare your brother’s daughter-in-law, you bastard! You can’t get away with it with me around!”

Seeing this, Lan Ya immediately chased after her.

“What’s wrong with you? What’s wrong with me sending her back!”

Song Jian said.

Meng Meixin, on the other hand, was red in the face because Lan Ya had just said that she was Song Jian’s brother-in-law and that was Lin Ran’s

“Meiqi you don’t really like Lin Ran, do you!”

Lan Ya saw this and asked busily.

“Huh? I don’t!”

Meng Meixin was stunned and said busily.

“Still saying no, you’re blushing!”

Bluea laughed.

“You

Meng Meixin was even more embarrassed this time.

“Come on, where’s all that nonsense! Shut up if you want to take the car!”

Song Jian gave Lan Ya a blank look, and then walked out of the hotel.

But Lin Ran’s side, sitting on the passenger side, was a little worried.

“Don’t worry, it’s probably because you’ve been too tired lately, you’ll be fine after a good night’s rest when you get home!”

“Maybe, but I just suddenly really want to see you!”

Qin Bing spat out her little tongue.

Originally, she had come home in the afternoon and was ready to rest.

But after sleeping until just now, something suddenly stirred in her heart, as if something was about to happen, so she came running to find Lin Ran.

“Hmm! Let’s go to Xiao Nuan’s house tonight then!”

Lin Ran smiled.

“Mmm!”

Qin Bing nodded her head.

However, Lin Ran always felt a little embarrassed, that was Song Nuan’s house after all, and as a result, he often took different women back, although Qin Bing and the four of them were very close, but this act of his was really a little scummy.

“It looks like I’ll have to go back and buy a house!”

Lin Ran said helplessly.

It was no good staying at Song Nuan’s house all the time, after all, in case Song Yujiang went there one day, this misunderstanding of his would be a big deal.

Thinking about it, Lin Ran took stock of his estate, since he had donated 300 million to Luo Qiqi, he didn’t really seem to have much left.

Although he wasn’t worried about making money, it was really hard to feel like he had no money.

The car drove towards Song Nuan’s house, and the road was quite quiet, after all it was night and there were not many cars on the road.

But just as the two of them reached the neighborhood where Song Nuan’s house was located, suddenly a big truck in front of them rushed straight over.

And as Lin Ran looked carefully, it was obvious that there was no one left in the big truck, and the moment the lights came on, a black shadow had jumped out of the truck and ran towards the flowers on the side.

“Qin Bing be careful!”

Lin Ran hurriedly spoke, but he was still a step too late, only to see the big truck crashing head-on.

“Boom!”

There was a loud sound, and all of a sudden the villa area that had been resting was lit up, while two security guards rushed over, but when they saw the situation at the door, they were frozen in shock.

“My goodness, this man must have been crushed to death!”

“That’s right, the body is flattened!”

“It’s a pity about a Rolls Royce!”

The two security guards sighed, and followed up by calling the police.

.....

At home, Song Nuan had already washed up and was ready to go to bed. Yesterday, her father came back and the two of them had a long talk, which also made her finally find the goal she was fighting for, which was to try to do everything well, although this feeling was very general, but it gave her a direction in life.

“Nuan! Nuan, look at the news, there’s a car accident near the villa on our campus there!”

Outside, came the voice of her mother.

“Huh?”

Song Nuan couldn’t help but be a little nervous at the sound of her voice, knowing that usually Lin Ran and Su Rou still lived there!

Immediately Song Nuan took out her phone and found the news.

“My god it’s still a Rolls Royce, what a shame!”

The voice of Song Nuan’s mother came from outside.

“Yes!”

Song Nuan nodded her head, although Rolls Royces were precious, she had seen many of them and didn’t care too much about them.

“Hey hey Xiao Nuan, look at the license plate, why is it so familiar!”

Suddenly, Song Nuan’s mother’s voice rang out again.

“What?”

Song Nuan was stunned, and was busy picking up her phone to look at it, and under this look her whole body froze.

“This is Sister Qin Bing’s car!”

Song Nuan’s pretty face turned pale as she instantly put on her clothes again and ran out of the house.

“Xiao Nuan where are you going!”

“Don’t worry about it mum, I have to go check it out!”

Song Nuan said and already ran out, at the same time called Qin Bing, but the phone where there is still someone to answer, call Lin Ran also do the same.

.....

“Where are you going so late, Mr. Luo?”

The housekeeper Luo looked at Luo Qiqi who had just woken up and was very worried.

“Don’t talk nonsense hurry up and prepare the car, I want to go to Sister Nuan’s house!”

Luo Qiqi was already frantic, she had just woken up and saw the news of the car accident, she naturally recognised Qin Bing’s car, or she had found someone to buy it!

“Sister Qin Bing, Brother Lin Ran you can’t be alright!”

Luo Qiqi’s eyes were already red at this point.

.....

At school, Su Rou packed up her things and called Lin Ran, wanting to ask if he was still going back to stay tonight.

However, no one answered the phone after a long time. Bored, Su Rou watched the news and prepared to jog back.

“Ah! How is this possible!”

Suddenly, she looked at the news she had just pushed, and suddenly her whole body felt like a thunderstorm.

“Sister Qin Bing’s car, where’s Lin Ran?”

Su Rou’s entire body instantly panicked, grabbed her things and ran back home as if she was running.

.....

Twenty minutes later, in the neighborhood, the three women of Song Nuan’s family arrived at the same time.

They looked at each other’s anxious appearance and knew that the other was not sure what had happened either.

The three of them pushed the door in, all praying in their hearts that they hoped Lin Ran and Qin Bing hadn’t been when they were.

Pushing the door open, the three women were stunned to see that in the room, Qin Bing was sitting on the sofa, wearing her pajamas, while Lin Ran was sitting behind her, holding something in his hand, not knowing what he was doing.

“Ah!”

Qin Bing was startled at the sight and hurriedly ripped off her lifted pajamas while her pretty face immediately turned red.

“No It’s not what you guys think!”

“We were wishful, I didn’t do anything to Qin Bing, we were just in”

Lin Ran hurriedly explained, afraid that the three women would misunderstand.

However, the three women at this time were all red in the eyes, ? pounced directly towards the two, and all of a sudden everyone hugged each other.

The three Song Nuan also burst into tears at once.

“Xiao Nuan, what’s wrong with you guys?”

Qin Bing was still dumbfounded, and hadn’t even reacted from his escape from death just now, so he couldn’t help but be even more dumbfounded at this point.

Lin Ran, however, had already guessed what was going on and smiled to comfort her.

“It’s alright, don’t worry! We’re all fine!”

“Where’s the driver? Have you found him?”

Song Nuan was the first to gather her emotions and looked at Lin Ran.

“Not yet, but I’ll go find him later!”

Lin Ran said indifferently, before carefully telling the story.

Chapter 974

“Your father already knows about this and will be here later, since you are all here, Qin Bing will be in your hands!”

Lin Ran said already changing his clothes from fresh.

“Remember what I said, no one should reveal any news about Qin Bing in these few days!”

Lin Ran said and had already left the door.

Tonight’s incident was too dangerous, plus he had already gotten some clues, so naturally he couldn’t wait here without worrying, taking the initiative was the way to go.

When they reached the entrance of the district, Wang Yifeng also hurried over, and the two of them immediately got into the car and rushed in one direction.

“Ranzi, what is going on?”

In the car, Wang Yifeng was frowning, if Lin Ran hadn’t called him, he wouldn’t have known that such a big thing had happened to the two of them.

“It should have been premeditated!”

Lin Ran’s face was ice-cold, a compass in his hand was constantly changing directions, while next to the compass was a black piece of cloth that seemed to be a fragment of clothing.

When he and Qin Bing jumped out of the car, it happened to be the same bush where the murderer had escaped, and the old heavens had opened his eyes, Lin Ran had actually found the torn fragment of the murderer’s clothes, with this thing with Lin Ran’s current strength, it was simply too easy to find the other party.

“Damn it! Who did this?”

Wang Yifeng came up in anger and scolded with a slap on the steering wheel.

“We can’t be sure yet, but it should be from Temperance Hospital!”

Lin Ran said.

“Tamkang Hospital? What’s old man Yang doing?”

Wang Yifeng said without good grace.

“It’s not his fault, after all, he’s old plus retired, and now Temperance Hospital is at its most chaotic!”

Lin Ran shook his head.

I’m afraid that the only person who had clashed with himself in this recent period and was worthy of such a big kill was Qu Jiang of Temperance Hospital!

Moreover, this driver was obviously coming for Qin Bing tonight, so it also confirmed Lin Ran’s suspicions.

“So what are you going to do? Do you want me, Master Fatty, to protect that nee-san close to you?”

Wang Yifeng was a true man.

“Fuck off, it’s not your turn to protect her, it’s imperative to catch the murderer first!”

Lin Ran said in a bad mood.

He had already thought about this, since the other party had laid a vicious hand, then he would make the best of it and let Qin Bing just play disappear for a few days, and then appear when the time came, so he could also beat his opponent by mistake.

.....

A remote bar, at this time is a crowd of people.

“Hey! You saw everything, right? Where’s my money?”

A young man sat in the corner with a ticket in his hand, seemingly ready to catch a flight!

“Where’s the person? The report didn’t say that the person was dead!”

An old man’s voice rang out over the phone.

“Qu, you fucking me? Hurry up and pay the money, or else believe it or not I’ll have your family in the news once too!”

The young man said angrily, this time he had hidden the matter from his boss to take private work, and was ready to run away when he got the money, if he delayed, I was afraid that after tonight he would have to get into trouble.

“Fei, you do not scare me, I dare to find you naturally have my means, can not see the target dead evidence, the money you do not want!”

The old man’s voice came through the phone.

Xiao Fei smiled at his words but laughed.

“Qu Jiang, do you really think I’m a fool?”

“You How do you know my name!”

Qu Jiang suddenly tensed up, it was naturally impossible for him to use his real name for such unpromising matters, but the other party actually knew it anyway.

“You don’t even fucking look at who I follow, do you think it’s hard to investigate you?”

Fei’s face was full of disdain.

“I’m saying it for the last time, my flight is at 3am, there are still two whole hours left, in two hours, if I don’t see the money, the material you spent to hire the murderer will be sent directly to the regulatory department, think about it yourself!”

After saying that, Fei hung up the phone directly.

“Bastard!”

Qu Jiang was so angry that he slammed his phone on the ground, and his face was only bursting with veins.

But Xiao Fei, hanging up the phone, was not worried that Qu Jiang would dare to cheat, after all, compared to his future, 200,000 was not really a matter.

“Hmm?”

Suddenly at this time, Xiao Fei saw in front of the bar, a woman is drunk, from time to time also complained two, the key is that this woman really has a few beauty.

The key was that this woman was really pretty, plus she was a bit drunk and her shoulder straps were falling down, so she looked at Xiao Fei with straight eyes.

“Damn it! Two hours later, I’ll have to run away, I don’t know what the future holds, so I’ll have to fuck her before I go!”

Thinking, Xiao Fei walked towards the woman.

.....

But Lin Ran's side, under the guidance of the compass, soon the two men's car heard the entrance of the bar.

"Here?"

Wang Yifei jumped out of the car and looked at the bar in front of him with a slight frown.

"This is it!"

Lin Ran nodded his head and the two of them walked inside at once.

The bar was called Zero Point Bar, and it was just about one in the morning, while there were a ton of cars parked in front of it, and it was obviously bustling inside.

"Has Renzi found it yet?"

As soon as he entered the bar, Lin Ran put away his compass and relied on one pair of eyes to find it again.

"Don't worry, the man's scent is on the clothes, I'll be able to recognise it if I see it!"

Lin Ran returned.

Even though the bar was very crowded at the moment and was filled with other smells such as alcohol and cosmetics, to Lin Ran, the scent on each person was impossible to change.

"Pah!"

Suddenly, there was a commotion from the crowd in front of them, followed by angry curses.

"You fucking bitch, shame on you, do you know who I am? Come with me if you know what you're doing, or I'll kill you on the spot!"

The one who spoke was none other than Xiao Fei.

"Get lost! Don't touch me, do you know who I am!"

The woman was on the ground, a hot slap mark on her face was evident.

"I don't care who the fuck you are! Come with me or not!"

Fei said angrily, looking at the woman lying on the ground in front of him, her clothes unkempt.

"You don't think so!"

The woman was very strong and refused.

But then came another slap.

"I'll give you a slap for your face!"

The whole bar was in an uproar, and many of those who were watching were applauding.

"Fuck!"

Xiao Fei ripped off the woman's jacket and was about to rip off her T-shirt.

At this moment, a black shadow suddenly flashed, followed by the youth's raised palm suddenly flew towards the back, while the whole person was also brought up from the woman.

"Bang!" The sound smashed directly on the table not far away.

"Who! Who the hell!"

Little Fei was also very resistant to beatings, immediately rolled up and looked over alertly, and with this look he instantly changed his face.

"It's you! I can't believe you're not dead!"

"Sorry to disappoint you!"

Lin Ran looked at him indifferently, the person he was looking for was naturally Little Fei.

"You've got a hell of a life!"

Xiao Fei snorted coldly and turned to run, jokingly, the Rolls Royce had crushed this guy and he didn't even die, obviously he wasn't an ordinary person, and he himself had a plane to catch soon, so naturally he couldn't waste time with Lin Ran here.

"You can't leave!"

Lin Ran smiled faintly at this, and then kicked the bottle on the ground.

With a "whoosh" sound, the bottle cut a beautiful arc and with a precise "pop", it knocked Little Fei to the ground.

Chapter 975

"You!"

Little Fei covered his head and crawled up, his body was now covered in blood.

"Come here for me, Fat Master!"

Wang Yifei stepped forward and pressed Consumption onto the sofa with one hand, and the whole man sat straight up.

"What the hell are you!"

Little Fei couldn't move a muscle, looking at Lin Ran with anger and panic in his eyes, he didn't expect the person he had messed with this time to be so powerful.

"I don't care who you are, if you dare to hit me, I'll pick your skin!"

Before Lin Ran could say anything, the woman who had been beaten up before was already furious, copied her own high heels and rushed at Xiao Fei.

The several centimeters of heels hit Xiao Fei like no money, and Wang Yifei and Lin Ran both felt a moment of fear.

“Damn it, you can’t offend women!”

Wang Yifeng said resentfully.

Lin Ran, on the other hand, did not say anything and watched quietly.

“Brother thanks for these things, my name is Mei”

The woman turned her head dashingly and said, but before she could finish her words, her entire body froze.

“Lin Ran How can it be you!”

Looking at the youth who appeared in front of her, Meisha instantly felt like her entire outlook on life had been turned upside down.

Lin Ran was definitely a big poor bastard in her memory, not to mention fighting, he couldn’t even fight on a regular basis, but now he actually

“No You are definitely not Lin Ran, who the hell are you?”

Meisha shook her head repeatedly, she couldn’t believe that this youth in front of her could be Lin Ran no matter what.

This was too big a gap.

“Who else could I be, fellow Misha!”

Lin Ran said indifferently.

The woman in front of him was no other than Hong Xiu’s bestie, Misha who was still mocking herself over dinner, only that she didn’t expect to meet again in such a scene.

“You This can’t be right, you big poor bastard, how dare you strike someone and come here to cause trouble!”

Misha screwed herself, still thinking she was dreaming.

“Who are you calling a poor pussy, you woman? Believe it or not Fat Master I”

Wang Yifeng was instantly displeased.

“Fatty forget it, I am indeed a poor pussy now!”

Lin Ran laughed helplessly, after financing Luo Qiqi, he was indeed a poor pussy.

“Ranzi you!”

Wang Yifeng did not understand, but Lin Ran did not want to say more, waved his hand at this Meisha and said.

“You go away, this kind of place will come less often in the future!”

“You!”

Misha said with an embarrassed look on her face, gritting her teeth.

“Who are you to control me!”

“It’s too dangerous here, if we didn’t happen to arrive tonight

After all, the same university is a game, Lin Ran still wanted to persuade, but the words were just halfway through the sentence, but Meisha is directly playful face rose red angrily rebuked.

“The actual fact is that you’re the only one who is good at what you do, and I also have connections, even if you don’t show up tonight, I still have a way to take care of him!”

Misha said defiantly.

After all, she had just taunted Lin Ran a few hours ago, but in the blink of an eye, she was saved by the latter.

Moreover, there was clearly something wrong with all of Lin Ran’s actions during the night, which made her mind puzzled.

But the truth was that a poor bastard who had been in front of herself for three years, she didn’t believe that Lin Ran would turn over a new leaf no matter what.

Not only did he have a lot of money, but he was also so capable of fighting so dominantly, which was something she absolutely could not believe.

Because if this single was true, then wouldn’t she be missing out on the most important thing in her life.

Money and power were exactly what she had been seeking all her life.

“Do whatever you want! I’m leaving!”

Seeing this, Lin Ran was too lazy to say more and immediately gestured for Fatty to take the people and leave.

It was still imperative to hurry up and get the exact situation from Xiao Fei’s mouth, whether the murderer behind the curtain was Qu Jiang or not.

“Just go, who cares about you!”

Meisha turned red and was upset in her heart.

Even the more she looked at Lin Ran, the more she was displeased, poor pussies should be poor pussies properly, nothing to jump out and drag what drag, even if it’s okay to drag for dinner tonight, now they are still pretending to be so bullish, want to make who regret it!

The more the poorer you are, the more you’ll be.

Lin Ran, however, shook his head helplessly.

This is why he had to do this, he had to make an effort to save you, but he was still being counted.

“Ranzi, did you let someone down, why do you look like a resentful woman!”

Wang Yifeng couldn't help but laugh.

"Who are you calling a resentful woman, just his loser old lady can't look at him!"

Meisha had been paying attention to the movement on Lin Ran's side, and at the sound of her words, she chided.

"Forget it!"

Lin Ran was really speechless, why did you mess with her? Why do you have to be scolded again when you can just leave?

The two men took Little Fei ready to leave, but at this time Little Fei is struggling, if this is really taken away, then they can still have good.

"You can't take me away! My big brother is in the bar, you can't take me away!"

Fei shouted busily.

"Big brother? I'm in this bar too, so it's hard to say that your big brother is me!"

Wang Yifei said disdainfully, he had seen a lot of bullshit big brothers, he really didn't care about them.

"You can't take me away, I'm one of Tian's men, you'll regret it if you take me away!"

Little Fei shouted busily.

"Brother Tin? What Brother Tian?"

On the side, Meisha asked with a frown.

And at this moment, on the side, there were already onlookers who began to whisper and talk.

"Brother Tian? It can't be that Qi Tian who has become very famous recently, right!"

"Most likely, it's said that this bar is owned by Qi Tian!"

"That would be exciting, it is said that this Qi Tian is also a ruthless person, I just don't know who is more ruthless when he meets this person!"

"I don't know who's more ruthless, but at least if this woman doesn't leave, I'm afraid she won't be able to leave at all!"

Listening to the crowd's discussion, Misha couldn't help but swallow her spit.

"Hey! You guys aren't leaving yet? That Brother Tian seems to be very powerful!"

Meisha said with a red face.

"Why aren't you leaving?"

Lin Ran asked rhetorically.

"I want you to care!"

Meisha retorted, at this moment she had some mixed emotions, originally well she would have just left, but looking at Lin Ran not leaving, she didn't want to leave either, as if she was afraid of that so-called Brother Tian if she left first.

"No, if I do leave first, won't that make me look like I'm not like Lin Ran, just this poor bastard, I can't be bluffed by him!"

Meisha thought in her mind.

Lin Ran, however, smiled and shook his head, there were some things he simply didn't bother with, and immediately gestured for Fatty to take Little Fei and leave.

"Why are you afraid?"

Meisha laughed at this, she just wanted to let Lin Ran know that even if you Lin Ran wasn't afraid of people, I, Meisha, had even less reason to be afraid, a poor punk still wanted to act like a punk in front of herself, it was absolutely impossible.

"Stand still!"

The thought was in her mind when suddenly a hoarse voice came directly from the doorway.

Followed by a dozen youths wearing black leather jackets and holding baseball bats in their hands surged in, while in the middle of them, a middle-aged man, who was around thirty years old, was scratching his bald head and looking at Lin Ran and Meisha and the others with disdain on his face.

"Let the people go!"

The middle-aged man said blandly, while lighting a cigar and smoking it.

"Who the hell are you!"

Wang Yifeng said disdainfully.

"Hmph! He's the old man, Brother Tian, nicknamed Iron Head Tian! Kid you are finished!"

Little Fei laughed at once.

While the other brother Tian smiled blandly at his words and said in a cold voice.

"Little Fei, you've grown up, your wings are hardened, you can even take orders on your own, right!"

"Brother Tian misunderstood, listen to my explanation!"

Little Fei panicked at once.

Brother Tian, however, threw his cigarette on the ground with a hand and said in a cold voice.

"Is it a misunderstanding, let's talk about it later!"

Chapter 976

Said Tian, looking towards Lin Ran.

"Put my brother down first!"

“On what grounds?”

Lin Ran said indifferently.

When Brother Tian saw this, he frowned, and a junior next to him immediately stood out.

“I think you’re fucking tired of living, how dare you ask why if Brother Tian says so, I’ll tell you why!”

With that the youth flung his hand, and at once the baseball bat in his hand came smashing towards Lin Ran’s head.

The baseball bat was very heavy, and with the acceleration from such a distance, if it really hit Lin Ran’s head it would have splattered blood everywhere.

“It’s over, this kid is finished!”

“Yes, after offending Brother Tian, I’m afraid he won’t be able to leave this bar tonight!”

“Last time I heard that a rich young man offended Brother Tian and had his legs broken, so it’s useless to look for connections!

“I also heard that last time a woman spilled her drink on Brother Tin, and she was stripped naked and hung on the road!”

“Ah!”

Misha sat on her butt in shock and hurriedly fished out her phone to try to find a connection.

“Bang!”

The baseball bat was already in front of Lin Ran as he spoke.

However, the next moment, everyone froze.

Before the little brother could react, he heard a “bang” and fell to the ground with the bat, spilling blood everywhere.

“Huh?”

Qi Tian’s face was cold as he watched, and the men around him even picked up their weapons and surrounded the two men, even Meisha.

“Brother Tian, misunderstanding is all a misunderstanding!”

Meisha had been completely confused at the sight.

“Misunderstanding? It might have been a misunderstanding, but it’s definitely not a misunderstanding now!”

Qi Tian sneered, while looking at Lin Ran.

“Kid! You’re good with your hands, let’s say this thing ends tonight, how do you want to play it!”

“You can play it how you want!”

Lin Ran said indifferently, he really didn't care about one Qi Tian.

"Haha! Interesting!"

Qi Tian laughed at this, and then he clapped his hands together, and all of his buddies dropped their baseball bats, and then pulled out shiny blades from their bodies.

It was clear that this time they were going to get real.

"I'm not going to bother talking to you guys, you two are very tough, right? Either kneel down and kowtow to me a hundred times tonight or wait to be chopped to death!"

"As for you!"

Qi Tian turned his head to look at Meisha.

"It's even easier, now take off your clothes and go do a pole dance or wait to be hung on the main road too!"

Said Qi Tian, and scratched his head for a moment before looking at Meisha.

"Let's start with you then, it's not bad to watch a dance before you do it!"

Qi Tian had a greedy look on his face, Meisha was quite good looking, and with her unkempt clothes at the moment, he had a few urges.

"You!"

Meisha smiled and suddenly her pretty face turned pale, these two choices not trapped that one, as long as she did, then this life is over.

"Brother Tian, misunderstanding this must all be a misunderstanding!"

Meisha panicked, at this point the hand holding the phone was trembling a little.

"Do you want to help?"

Lin Ran looked at Meisha, although this woman was annoying, she was also her classmate after all, so for Lin Ran to watch her get ruined was a little less than tolerable.

"Just you? You'd better think about what you're going to do!"

Meisha said angrily, following which she turned her head to look at Qi Tian and said with a busy smile.

"Brother Tian is really a misunderstanding, you must know my boyfriend, I'll call him now!"

Saying that, Meisha hurriedly dialed out, and a moment later the call was answered.

"Brother Tian my boyfriend!"

Meisha said with a busy smile.

"O?"

Qi Tian also smiled and took the phone to chat.

But before they could chat for a couple of minutes, Qi Tian cursed.

“Holy shit! What the fuck, you still want me to give you face, do you have fucking face with me?”

Said Qi Tian and hung up the phone straight away, following which he slammed the phone down.

“Brother Tian this is all a misunderstanding, my boyfriend is Jiang Fu, the boss of Jiang Fu Group!”

Meisha was also anxious and said busily, in fact this boyfriend was also the one she had only hooked up with in the past two days.

“Fuck you, do you know who owns that Jiangfu Group?”

A little brother next to Qi Tian immediately jumped out.

“That’s Brother Tian’s, what Jiang Fu, you’re just one of Brother Tian’s men, you let your men ask Brother Tian for face, you can be real show!”

“What!”

Meisha heard the face suddenly changed, the whole person sat down on the ground with a butt.

I thought I would have everything in this lifetime of glory and wealth by finding Jiang Fu, but now, the man I was looking for was actually one of their minions, which

“Still don’t fucking go and take off your clothes and dance? Waiting for Laozi to do it himself?”

Qin Tian sneered.

“!!”

Meisha was really anxious this time and was busy turning her head to look at Lin Ran, with a prayer in her eyes, as if to say help me!

“Hey! What are you looking at us for, don’t you need it?”

Wang Yifeng was straightforward and laughed at once.

“You guys!”

Meisha was really desperate this time, she gave Lin Ran a vicious look and actually got up and prepared to undress.

What else could she do, it was better to be watched by a bar than to be hung on the main road and watched by countless people.

“Brother Qi Tian, or else we’ll start first?”

Suddenly, Lin Ran’s voice rang out.

“Lin Ran you

Meisha looked at Lin Ran with a responsible emotion in her eyes, she had rejected people before, but now they actually stood up for themselves anyway.

“I don’t need your help, you’d better mind your own business!”

Thinking of her own mockery of Lin Ran in the afternoon,? At this moment she really had no face to ask Lin Ran to help herself anymore, and in the end it was a matter of whether he could get away himself, how could he possibly help himself.

“Okay!”

Lin Ran saw this and said no more, turning his head to look at Qi Tian.

“Let’s get started, hurry up!”

“Sure, can start!”

Qi Tian sneered, he was also curious as to how this Lin Ran would actually choose.

“Kowtowing is not possible, neither is taking a beating, so do it!”

Lin Ran looked at Qi Tian and laughed, while rolling up his sleeves.

“Holy shit, you’re going to do it yourself, Ranzi!”

Seeing this scene, Wang Yifeng instantly revealed a sympathetic look.

“What else? Just keep an eye on him!”

Lin Ran said indifferently.

“Alright then, I just have some sympathy for this Brother Tian! I’m afraid it’ll turn into Big Brother later!”

Wang Yifeng laughed.

“What do you mean!”

Meisha was stunned at hearing this and was a little confused as to what was meant by Brother Tian turning into Big Brother.

“Tian becomes big, one less cross, the head is not gone!”

Wang Yifeng laughed.

Mei Sha was stunned to hear this, her face was full of speechless, this is the time to joke, this dead fatty is really nervous enough.

“Funny!”

The corners of Tian’s mouth were teasing, following which a group of his men pounced towards Lin Ran with a wave of his hand.

“Quite a mouth, I just don’t know if you have the strength!”

“If I do, you’ll find out now!”

Lin Ran smiled indifferently, followed by a dodge and already reached Brother Tian, followed by raising a kick directly from Ahler’s chest.

Only a pig-like sound was heard, and immediately Brother Tian's entire body had already flown backwards.

"Anyone else want to make a move?"

Looking at those men who were already stunned before they could do anything, Lin Ran laughed lightly.

Chapter 977

"Gulp!"

All the hands down gulped, where did they dare to make a move at this point, not even their own boss could resist a single glance, let alone them.

"How is this possible!"

Looking at the scene in front of her, Meisha's entire body was frozen, unable to calm down for a long time.

"Let's go!"

Lin Ran said indifferently, and was ready to leave at that moment.

"Stop!"

Meisha finally couldn't help herself and shouted at Lin Ran.

"Something wrong?"

Lin Ran said indifferently.

"Who the hell are you!"

Meisha questioned, how could she not believe that this youth in front of her could be Lin Ran.

"What do you think?"

Lin Ran said blandly, he himself didn't ask her to believe that he was Lin Ran.

"When did you become so strong?"

Meisha continued.

"It doesn't seem to have anything to do with you!"

Lin Ran said calmly, this was his own secret, why should he tell anyone else.

"What's wrong with you telling me a word of truth?"

Meisha's hands clenched in anxiety, if Lin Ran really was already this strong,? Then wouldn't one

"Did one really miss out on a tycoon, and a particularly powerful one at that?"

"No! This can't be!"

Meisha's heart had been completely messed up, although at first Lin Ran was somewhat related to Hong Xiu, she was also Hong Xiu's bestie, and when she first met Lin Ran, she still had some small thoughts.

After all, Lin Ran was very clean looking at first, but after learning Lin Ran's identity, she instantly dismissed her thoughts and later turned to mock Lin Ran.

But to her surprise, it was that person who she couldn't even look at back then who had actually become so strong now.

"There's nothing impossible, haven't you seen it all!"

Lin Ran smiled lightly before saying.

"You're right too, I'm just a poor loser now, I can only fight a little at most!"

"It's alright, so I'll take my leave!"

Lin Ran said.

After saying that, he turned around and left.

"Wait, you haven't answered my question!"

Mesha hurriedly stopped Lin Jeanne.

"Since when did you become so strong!"

She really wanted to know when exactly Lin Ran had become so strong.

If it was recently, then she could still accept it, after all, at first in college Lin Ran was indeed weak and she hadn't looked away.

But if he was already strong at university back then, then he could really go to hell, there was a big man hiding around him, but he didn't even know about it and thought people were poor weaklings, if this got out, not to mention her I'm afraid even Hong Xiu would have to kill himself.

"How can I put this question!"

Lin Ran scratched his head, not knowing what to say, could he say that he had risen to prominence after being dumped?

That would be too humiliating, making it seem like he wouldn't be a bully if he wasn't dumped.

The Xuan Yang Pharmacopoeia is, after all, an ancestral heritage, and there are so many subtleties in this matter that I'm afraid no one would believe me if I told them.

Just thinking, suddenly look's eyes fell on Meisha's chest, and suddenly a plan came to mind.

"Let's put it this way, my strength is like your strength, at first it's not visible, but gradually and slowly it comes to the fore!"

"Huh? What do you mean?"

Misha didn't react for a moment, not knowing what Lin Ran meant by that.

“Well, just think about when you first started university, and look at you now!”

Lin Ran said, scratching his head.

“Just started university?”

Misha was even more confused now.

But soon she noticed that Lin Ran’s eyes were looking at herself, and the position seemed a bit

“Ah!”

Suddenly, Meisha woke up with a start.

Pointing at Lin Ran, she blushed with shame and anger.

“Lin Ran you Rascal! You can peek at me from when I first started school!”

Meisha’s pretty face flushed red, she simply wanted to find a crack in the ground.

It was true that her figure was a bit rotten when she first enrolled in school, and she was even called the Princess of Peace behind her back.

And it was only after three years of university, with the supplement of papaya, that she gradually gained confidence, but she didn’t expect that this guy Lin Ran had actually been paying attention to her

“Ahem! This is not something to say, men! There’s only a few places to look at a woman, and you’re good! Keep it up!”

Lin Ran himself didn’t even know what he was saying.

“You’re still saying that!”

Meisha’s pretty face was completely red by now.

“I’ve got things to do, bye!”

If he stayed any longer, he was afraid that something would happen again, so Lin Ran immediately said something and took Wang Yifeng with him and bailed out.

“Bastard! If you like to see it, you should have said so, if you knew you were so good, people I’ll be your girlfriend, what’s so good about looking through clothes!”

Misa’s heart was not feeling good, but missing out is missing out, and now that I think about it I did get a little too snobbish.

“Where the fuck is everyone!”

A long time later, Qi woke up from his coma and immediately jumped up and cursed.

But looking around, where was Lin Ran and Meisha at this moment, even his own little brother, Little Fei, had been taken away.

“Tian Brother Tian, they ran away an hour ago!”

One of his men said stiffly.

Brother Tin was stunned as he realized that these men of his were not even farting around, not to mention injured, and their clothes were incomparably neat and tidy.

“You bunch of goons, I’ve really fucking lost my mind!”

“Brother Tian, it’s not that we’re not up to it, it’s mainly because they’re too good!”

His men said with some embarrassment.

“You’re too good, find out who the hell that kid is! If I can swallow this anger, they are not Qi Tian!”

“Yes! Yes!”

The subordinate was terrified and immediately ran out with his men to find out the news in the night.

.....

It was already three o’clock in the morning when he returned home, Little Fei had been handed over by Lin Ran to Wang Yifeng to take away, and he himself had gotten the evidence as he had hoped.

“Well?”

At home, Song Nuan was the only one still awake.

Song Yujiang had already come by, while leaving some people behind to guard the perimeter; after all, yesterday’s crash was too serious and he was worried about his daughter’s comfort.

“It’s been checked out, it was indeed Qu Jiang who did it!”

Lin Ran said as she took a sip of water.

“Then I’ll call father and take the bastard away as soon as it’s light!”

Song Nuan said angrily.

“There’s no rush, the evidence can be sent there at dawn, but this Qu Jiang can contact this kind of person, so he must have a lot more on him!”

“What do you mean?”

Song Nuan frowned.

“Since we have to investigate, we have to investigate clearly, you talk to Uncle Song, four days, arrest the person after four days!”

Lin Ran said.

“Four days later? Isn’t that the day Sister Qin Bing is running for Dean?”

Song Nuan asked.

Qin Bing naturally also told the story about running for the dean of Temperance Hospital.

“That’s right!”

Lin Ran nodded his head.

“I am going to make Qu Jiang completely reveal his true colors on that day!”

Lin Ran said in a cold voice.

To move a person, there was no better effect than revealing the truth at the most important time.

“Don’t let Xiao Bing go out for the next few days, in four days, I will send a big gift to Qu Jiang!”

Lin Ran said indifferently.

“Mm!”

Song Nuan nodded, it was obvious that Lin Ran was really angry this time too.

After all, Qin Bing had almost had an accident, so it was understandable that Lin Ran was so angry.

Chapter 978

The next morning, Lin Ran got up early to go and buy breakfast.

Qin Bing was not in a position to go out these days, and Lin Ran was prepared to stay behind to keep her company, but after learning that the three girls would be staying, he was relieved.

At ten o’clock in the morning, Lin Ran was about to go to Wang Yifeng to see how Xiao Fei was handling the situation.

But just as he left the house, he received a call from Meisha.

“Lin Ran, noon at the Ya Xiang Hotel, make sure you come!”

“Forget it, I have things to do!”

Lin Ran refused outright.

“I know you were upset last time, but this time it’s not me treating you, it’s Wang Qiang!”

Meisha laughed.

“Him? What does he want with me?”

Lin Ran frowned slightly, strictly speaking he and Wang Qiang were not even close friends, let alone being said to invite himself to dinner.

“It’s not because of Song Jian, your brother is preparing to start a business and Wang Qiang wants to work with him, so he invited him to dinner, and Song Jian just happened to want to take this opportunity to meet with you!”

Meisha laughed.

“Then why didn’t he give me a call?”

Lin Ran frowned.

“His phone just happened to run out of battery!”

Meisha laughed.

“Ranzi, come on!”

Said the phone, and Song Jian’s voice actually did come over the phone.

“Alright then!”

Lin Ran frowned slightly and nodded, since Jian Song had just asked, he naturally couldn’t refuse.

Thinking at once, Lin Ran was ready to rush over.

But just before he got into the car, Song Nuan ran out at the back, actually saying that he had to drive to Qin Bing’s house to get something, and then opened the Porsche up.

Helplessly, Lin Ran didn’t have a car to drive, plus it was still quite early, the more he swept a small yellow car towards the agreed place and rushed over.

“Brother Song Jian, this is Brother Jiang Fu! He is a friend of my father’s, he is the president of the Jiangfu Group, with his help, we can definitely succeed in this cooperation!”

Wang Qiang smiled and introduced him.

“Brother Song Jian, you are young and promising!”

Jiang Fu laughed, he was in his thirties, his hair was typically Mediterranean and he spoke with a strong southern accent, which impressed Song Jian.

“Speaking of which, Meisha and I are friends too!”

Jiang Fu laughed.

He was not the girlfriend that Meisha was talking about last night, except that Meisha was lying to Qi Tian at the time, and technically this Jiang Fu and Meisha were just ordinary friends, except that Jiang Fu had some interest in her and Meisha had not agreed yet!

“That would be a kiss on top of a kiss!”

Wang Qiang laughed, not feeling any problem at all.

On the other hand, Hong Xiu was frowning slightly, she was quite close to Meisha, and seeing that Meisha was actually so close to such an old man, she couldn’t help but feel a little unworthy for the latter.

“Misa, what’s wrong with you?”

Mentioning Misa, Hong Xiu looked over and saw her soulfully looking ahead, seemingly waiting for someone, so she thought something was fishy.

“Yeah Misa, I heard last night that it was fine, why do you still look so upset?”

Jiang Fu also came over and laughed.

“Nothing! Lin Ran will be here in a minute, you guys go in first, I’ll wait for him!”

Meisha said, she hadn’t slept well all night since last night, tossing and turning with the shadow of Lin Ran, making her heart feel a little uncomfortable.

And today, hearing that Lin Ran would be coming, she couldn’t help but feel a little anticipation in her heart.

“Lin Ran? Is that the kid who beat up Brother Tian last night?”

Jiang Fu frowned slightly at his words, especially when he saw the light in Meisha’s eyes at the mention of this kid’s name, that kind of jealousy could be imagined.

“Don’t be ridiculous, it was Brother Tin who started the trouble! ”

Meisha said.

“Fine I won’t say anything, but I’m curious to know what this Lin Ran really looks like!”

Jiang Fu sneered, while already sending a text message to Qi Tian, jokingly he was Qi Tian’s subordinate how could he not tell the latter about Lin Ran.

“He’s here!”

Suddenly, Meisha pointed ahead and laughed.

While Jiang Fu and the others looked up, they were suddenly but stunned, followed by all of them laughing.

Jiang Fu and Wang Qiang in particular were practically laughing their heads off.

“Lin Ran! Why are you here on a bike? Where’s your Porsche?”

Hong Xiu immediately laughed, she knew that the Porsche belonged to Lin Ran’s boss, but seeing Lin Ran in this poor loser state made her happy.

“O, Lin Ran had something to do and someone else took it!”

Lin Ran said blandly.

“It was driven away by your boss!”

Hong Xiu instantly laughed.

“Sort of!”

Lin Ran shook his head helplessly, he had just ridden a bicycle, why was this Hong Xiu so happy?

“Ranzi!”

Song Jian was busy greeting him, and Lin Ran immediately walked over.

“Brother Lin Ran, come come let me introduce you!”

Wang Qiang smiled as he prepared to introduce Jiang Fu to Lin Ran.

Then Jiang Fu saw this but directly waved his hand and sneered.

“Forget it Wang Lao Band, although I, Jiang Fu, am not the boss of any big company, but at least I am the general manager of Jiang Fu Group, don’t introduce me to all kinds of unsavoury people!”

“If it’s okay, let’s go in, He pedal bicycle to stand together, it’s a damn shame!”

“Jiang

Song Jian smiled and frowned slightly, just ready to speak, but was stopped by Wang Qiang.

“Be impulsive, for the sake of business can only temporarily let your brother endure a little!”

Wang Qiang busy advised to, eyes but there is an imperceptible sneer said.

“Business? I can fucking talk business with you? If it weren’t for the fact that Lin Ran had insulted me yesterday, I wouldn’t even bother to know you!”

That’s right, today he, Wang Qiang, had come for Lin Ran, what with his cooperation with Song Jian, it was all a lie.

“Ranzi!”

Song Jian turned his head to look at Lin Ran.

“What do you think of this Jiang Fu?”

“Deal less with it!”

Lin Ran said indifferently.

“What about Wang Qiang?”

Jian Song asked again.

“The same!”

Lin Ran said indifferently.

Jian Song nodded at his words, he too felt that something was wrong.

The crowd soon arrived at the third floor of the hotel, still the same place as yesterday, something that surprised Lin Ran greatly.

“Lin Ran, this time it’s Wang Qiang’s treat, how’s it feel different from last night when you came over!”

As soon as he was seated, Hong Xiu smiled and spoke, and the provocative meaning was very obvious.

“Nothing feels like it, it’s just a meal!”

Lin Ran said indifferently.

“O? Then you’re thinking wrong! This meal today could lead to a big partnership!”

Hong Xiu sneered, his eyes filled with disdain.

“Do you know how big it is?”

“Not interested in knowing!”

Lin Ran said indifferently.

“I’ll tell you even if I’m not interested!”

Red Show said in a cold voice.

Not interested? I’m here to get back at you today, if you don’t cooperate, then you can’t help it!

“That’s a \$30 million order, have you ever seen that much money?”

Hong Xiu was full of smugness, as if the money was her own.

“Hong Xiu, forget it!”

On the side, Meisha was busy speaking up to discourage.

“Hmm?”

Hong Xiu was stunned and looked at Meisha, usually this nee-san was all for helping herself, why was she so abnormal today, the moment Lin Ran was mentioned her whole temper was off, and now she was actually helping Lin Ran speak.

“It’s fine, it’s fine!”

Seeing that Hong Xiu was getting suspicious, Meisha hurriedly bowed her head and kept quiet.

“Hmph! Kid have you seen this before?”

Red Show once again looked at Lin Ran.

“Huh!”

Lin Ran laughed helplessly, understanding in his heart that this was a bullshit party, and that he was just here to make fun of himself.

With that in mind, Lin Ran immediately laughed and said.

“I haven’t seen enough, and I’m not interested in meeting!”

After saying that, Lin Ran looked at Song Jian.

“Old Fifth, since you want to talk business, then do it properly, I’ll leave first!”

After saying that Lin Ran got up and was about to leave, he was so busy himself, he was simply too lazy to waste time here with this group of idiots from Hong Xiu.

Chapter 979

“Hurry up and get lost, who cares about you, you’re not too much of an eyesore here!”

Hong Xiu sneered.

In the first place, she had invited Lin Ran over to get back what she had done yesterday, she had mocked and ridiculed him quite a bit, she was still uncomfortable keeping such a poor bastard here.

“Brother Lin Ran, this occasion is indeed not suitable for you today, another day! Some other day I, Wang Qiang, will treat you alone at a place of your choice and I’ll pay for it all!”

Wang Qiang said with a smile.

The meaning under his eyes was clearly saying.

“You deserve the class of this hotel? I’ll take you to a roadside stall for a meal later, how much can you eat at a roadside stall!”

“Hurry up! Wasting old man’s time!”

Jiang Fu said disdainfully, but his eyes were dripping, to be honest he didn’t want to let Lin Ran leave now, after all it would take a little time for Qi Tian to get here.

“Wait!”

Sure enough, Song Jian who was sitting opposite the two spoke up.

“Brother Jian Song has something to do?”

Wang Qiang frowned slightly at this.

However, a smile swept across Jiang Fu’s eyes, he had long guessed that there was no way Song Jian would really let Lin Ran leave.

“Wang Qiang, I made it very clear before I came here, this cooperation is not only between me and you, but also Lin Ran!”

Song Jian said in a cold voice.

“Him?”

Wang Qiang gritted his teeth at once.

“Jian Song! I thought you were joking before, you don’t even think about it yourself, our cooperation is easily up and down in millions, does he have money? How can we cooperate if we don’t have money?”

“I can lend him money if I don’t have it!”

Song Jian said blandly.

“According to the previous funding plan, I have at least thirty percent of the shares, so I’ll give him half of it, any questions?”

“You!”

Wang Qiang was instantly furious and his face turned blue.

Even if they only had ten million dollars, fifteen percent would be one and a half million dollars, why should this kid get one and a half million dollars for nothing?

“This is not negotiable, if you do not agree, then there is no need to negotiate!”

Song Jian said in a cold voice.

Originally, when he came back this time, he wanted to bring Lin Ran with him to make a fortune, although now it was Wang Qiang who approached him first, but Lin Ran he would not give up no matter what.

Looking at Song Jian thinking of himself in every way, Lin Ran couldn't help but be a little moved, this was his college roommate, when there was really true affection.

“Old Five, forget it! I'm not interested in doing business!”

Lin Ran said, in fact, he wanted to say, “I'm not really short of money, there are plenty of ways to do it, but at this moment, there were many people, and he really didn't want to reveal his identity.

Even though he was very strong, his friends were different, and Song Nuan and the others were just ordinary people, so it was better to keep a low profile unless necessary.

“Nah! You've heard it all, it's people themselves who aren't interested, and you still have a hot face on what cold ass!”

Wang Qiang gloated, and then looked at Lin Ran.

“Some people are destined to be poor pussies for the rest of their lives, so what if they know a few rich friends, they're simply rotten to the core!”

“Right! That's so true!”

Hong Xiu laughed too.

“Don't think that if you find a rich boss and invite your classmates out for a nice meal that you're a bully, not knowing that in the eyes of others you're just a big idiot!”

“Come on, you guys, stop it! Lin Ran didn't mess with you! And you guys invited him!”

Misha couldn't take it anymore and retorted.

“Misha, you're crazy! You're speaking for him?”

Hong Xiu looked at Meisha in surprise, from the moment we met today, this girl had been out of sorts, and now she was actually speaking up for Lin Ran, you know you didn't show any mercy when you taunted him yesterday!

“Misa! Do you like this kid?”

On the side, Jiang Fu, who hadn't said anything, spoke up.

He looked at Meisha with jealousy in his eyes, Meisha was pretty and young, exactly the kind of dish he wanted to get his hands on, but now the dish he had his eye on was obviously trying to fly into someone else's bowl, which made him feel ashamed of himself.

"I didn't!"

Misha's eyes flashed and she hastily denied it.

But the blushing face said it all.

"Meisha, I didn't expect you to have such special tastes, you actually like poor pussies!"

Jiang Fu couldn't hold back any longer, if it was because he was waiting for Qi Tian before, he hadn't opened his mouth.

But now even he couldn't help himself.

"Wang Qiang Song Jian! You two don't need to argue, today I, Jiang Fu, put my words down, this cooperation, with him and without me! Whether you want to make money or want brotherhood, your choice!"

Jiang Fu finally looked at Song Jian and said with a cold smile on his face.

It was said that the three of them were working together, but in the end it wasn't Jiang Fu who took the lead, as long as he didn't agree, there was absolutely no way that Lin Ran would join.

"In that case, farewell!"

Song Jian smiled blandly and got up to lead Lin Ran away

"Station Master!"

Jiang Fu smiled.

"Is there anything else?"

Song Jian said blandly.

"Business is business, it doesn't matter if business doesn't work out, but there are some things that must be concluded today!"

Jiang Fu sneered, while looking at his watch, with a teasing corner of his mouth.

"It's about time, so I'll say it plainly!"

"Brother Tian has already arrived, so even if you promise, this kid won't see the sun tomorrow, dare the most Brother Tian, you still want to mix in Tanjiang City? Daydreaming!"

"Brother Tian?"

Lin Ran frowned slightly at his words, not expecting that this Jiang Fu had secretly informed Qi Tian.

"You're really a qualified lapdog!"

Lin Ran laughed.

“Hehe, annoyed and angry? Curse! You go ahead and curse! Do you think I care? When Brother Tian arrives, won’t you still have to kneel down for Laozi as usual!”

Jiang Fu sneered.

“Lin Ran! You should go now!”

At this point, Meisha was completely anxious.

“Meisha! What the hell is wrong with you?”

Hong Xiu was also anxious, why did Misa keep speaking for Lin Ran.

“Who the hell are you BFF!”

“Hong Xiu I’m sorry, but yesterday Yesterday Lin Ran saved me!”

Meisha’s eyes had turned red.

“Saved you? What the hell is going on?”

Hong Xiu looked confused.

Misa only told the story.

Before she could react, there was a bang and the room where they were eating was kicked open.

“Good boy! You’ve made me look for you!”

Qi Tian rushed in with his men, followed by a startled look.

“Yoo-hoo! The pretty girl is here too, what a coincidence! I didn’t like the pole dance yesterday, so I’ll let you two join me today!”

Qi Tian looked at Hong Xiu and Meisha with greed in his eyes, Meisha was already beautiful, and Hong Xiu’s posture was even better than Meisha’s, which made Qi Tian’s heart very excited.

“Brother Tian!”

Jiang Fu got up and came next to Qi Tian with a respectful face.

“Good job this time!”

Qi Tian smiled and patted Jiang Fu on the shoulder, before looking at the crowd.

“What the fuck are you still standing around for? Dance!”

“You!”

Hong Xiu and Meisha were both stunned, and the two of them were busy looking at Wang Qiang and Lin Ran who were on the side.

“Old Six!”

Song Jian was also worried at this point and hurriedly pulled Lin Ran and prepared to run.

Lin Ran, however, did not move and said blandly.

"It's alright, just wait!"

Wang Qiang also stood up at this moment and smiled at Qi Tian.

"Tian Brother Tian, my name is Wang Qiang, my family is in the ore business, my father, Wang Tianba, is quite famous in Tanjiang City, give us face, Hongxiu is my fiancée, Meisha is her best friend, let us go!"

Chapter 980

Wang Qiang said and pulled Hong Xiu to the side, but Meisha was reluctant to come over.

"Brother Qiang!"

Hong Xiu was also frightened at this point and hid behind Wang Qiang, not daring to show her head.

"Don't worry, my father's face he still has to give some!"

Wang Qiang said confidently, although his fame was not big,? But Wang Tianba was also a small name in Temperance City, he really didn't believe that Qi Tian didn't know him.

"Who did you say your father was?"

Qi Tian's face was ugly as he stared at Wang Qiang.

"Wang Tianba!"

Wang Qiang straightened his back, very confident.

"The Wang Tianba who makes ores?"

Qi Tian confirmed again.

"That's right! That's the one!"

Wang Qiang laughed.

"Then let me ask you, three years ago, did something happen to one of your father's ore pits?"

Qi Tian continued.

"Yeah, how do you know?"

Wang Qiang was also stunned, he did know about this matter, at that time that ore pit smashed a lot of people to death, but it was suppressed by his father with money,? How come today a gangster actually knew about it.

"How do I know? You said how do I know!"

Qi Tian laughed.

"Forget it, since you know, then you should know what my father is capable of, I advise you to just let us go, as for Lin Ran and the others I don't care!"

Wang Qiang sneered.

“Huh! Haha!”

Qi Tian instantly laughed, still with such anger in his eyes.

“Leave? I’ll fucking let you leave!”

Qi Tian said, picking up the bottle on the table and smashing it directly on Wang Qiang’s head with a “pop”.

“What the fuck do you think you are, if you hadn’t talked about this, I would have let you get away. I’d have let you get away with it today!”

“Qi Tian, my father is my Wang Tianba, don’t you dare touch me!”

Wang Qiang said angrily.

“You’re the one I’m beating up! Your father won’t run away either!”

Qi Tian said angrily, and with a wave of his hand, the men next to him already rushed up and punched and kicked Wang Qiang.

A handsome face was instantly beaten into a pig’s head face.

“You You’ll regret this, I’ll call my father right now!”

Wang Qiang was so angry that he took out his mobile phone and was about to dial out.

“Bang!”

Another bang, a black shadow hit Wang Qiang’s mobile phone directly, and it was instantly smashed to pieces.

“Don’t worry, even if you don’t tell your dad then? I’ll go to him too, back then I was one of the people on that mine, if I hadn’t escaped with my life, I would have fucking died at your father’s hands!”

“This debt, let’s settle it slowly!”

Qi Tian said in a cold voice.

“What!”

Wang Qiang instantly wilted, he had wanted to use his father’s name to deter the other party, but he didn’t expect the deterrent effect to be effective, instead he had invited such a big enemy for himself.

“It’s over! This is the end!”

Wang Qiang sat on the ground, his face ashen.

“Brother Qiang, do something! I don’t want to jump out of my clothes ah?!”

On the side, Hong Xiu was busy running over, with a face of love prisoner.

“What can I do, it’s all your good girlfriends! Nothing to mess with Brother Tian for!”

Wang Qiang said angrily, if he had known that Qi Tian was so bad to mess with, he wouldn't have bothered with Meisha, now well not to mention saving people, I'm afraid that even he would have to plant himself today.

"Have you finished? Finish talking and don't go jump!"

Qi Tian scolded, he was really out of patience, especially when he looked at Lin Ran still standing by, he could not wait to rush up and cut this kid into pieces.

"What about Brother Qiang!"

Hong Xiu looked at Wang Qiang with a prayer in her eyes, she really didn't want to go jump.

"Lin Ran!"

Meisha was looking at Lin Ran at this point, with guilt in her eyes, obviously she still had to bother Lin Ran with today's events.

"Misha you are crazy, you are still begging him, what can he do? What else do you know but to eat!"

Hong Xiu was so anxious at the situation that she shouted.

"Come over here and beg Brother Qiang with me, as long as Brother Qiang's father is willing to help, we'll still be saved!"

Meisha sniffed and turned her head to look at her, saying blandly.

"No one can save us today except Lin Ran!"

"What are you babbling about!"

Hong Xiu was completely anxious, Lin Ran didn't know what tricks he had used to actually confuse Meisha into believing him so much.

"Ranzi!"

Song Jian looked at Lin Ran, with doubts in his eyes as well.

"Don't worry it's alright!"

Lin Ran said indifferently.

"Kid! You're still fucking pretending with me now, if you hadn't sneaked up on me yesterday, could I have lost to you?"

Qi Tian also saw that if he didn't take care of Lin Ran now, he wouldn't be able to watch this pole dance.

"Sneak attack? I seem to have walked straight past you!"

Lin Ran said indifferently.

"You're still sophomoric, fine, then you can walk again today and I'll see!"

Qi Tian said and already waved his arm, and at once a dozen of his men surrounded Lin Ran, clearly not prepared to give Lin Ran any chance.

“Ranzi!”

Song Jian was also anxious at this point.

This group of people opposite him were obviously ruthless, and he was really worried about Lin Ran’s safety.

“Just watch!”

Lin Ran smiled lightly and moved after him.

His body flowed, and in the blink of an eye Lin Ran had reached the front of the crowd.

“Bang!”

He could only see him fiercely kick the first junior who rushed in, directly knocking him onto his back, falling to the ground motionless.

“This!”

Seeing this scene, Wang Qiang and the others all froze, especially Hong Xiu who couldn’t say a word for half a day as he watched with his mouth growing.

“Ranzi! You!”

Song Jian looked equally surprised, but his face clearly had a look of excitement, his own brother had become so powerful, he naturally felt proud too.

“Bang Bang Bang!”

Punch after punch, move after move, in just a few breaths, all of the dozen or so men fell to the ground, leaving only Qi Tian and Jiang Fu standing by.

“Goo dong!”

Jiang Fu and Qi Tian both couldn’t help but swallow their spittle, especially Jiang Fu who was completely dumbfounded at this point.

He hadn’t expected Lin Ran to be so capable of fighting in any way.

If he had angered the other party with a single word just now, wouldn’t he have been almost as bad as those men by now.

“You Who the hell are you!”

Qi Tian also wilted at this point, before he had decided that it was Lin Ran who had sneaked up on him and lost, but now he had completely understood that he and Lin Ran were not at all on the same level.

“You don’t know that!”

Lin Ran laughed blandly.

“You What do you want!”

Seeing Lin Ran coming towards him, Qi Tian instantly panicked.

“What do you think?”

Lin Ran still wore a faint smile.

“You Don’t you come over? , I admit defeat and I’ll never bother you again! You let me go!”

Qi Tian instantly wilted and fell straight to the ground begging for mercy.

This scene looked hot on Wang Qiang and Hong Xiu’s faces, they themselves had mocked someone earlier, but now?

“Let you go? On what grounds?”

Lin Ran laughed.

It wasn’t that he hadn’t given the opportunity, if he really wanted to waste Qi Tian, he would have done it last night, so why show mercy.

“You were given a chance, but you didn’t know how to grasp it, so don’t blame me!”

Lin Ran’s eyes fiercely chilled, followed by a kick that sent the take-off flying, only to hear a “bang”, a table in the distance had shattered with a sound.

At the same time, the sound of several bones breaking rang out.

“Ah!”

Jiang Fu’s eyes glazed over in fear at the sight and he fainted.

Lin Ran turned his head and blandly glanced at Wang Qiang and Hong Xiu, before turning around and leaving with Song Jian.
