

Wonder Doctor

Chapter 981

“Misa! Misa!”

Misa wanted to leave too, but was stopped by Hong Xiu.

“What?”

Mesha looked at Hong Xiu, a little irritated.

Originally, this matter had ended up being settled by Lin Ran today, but now Hong Xiu was actually chasing after herself asking about Lin Ran all the time.

If you ask, just ask, but you’re still grasping at the topic of whether Lin Ran had money or not.

“Meisha, tell me the truth, does Lin Ran have any money left or not!”

Hong Xiu went straight to the point, this question was very important to her, after all, it was rumoured at the university that Lin Ran liked her.

If Lin Ran was really rich now, then she must regret it to death.

“I don’t know!”

Meisha said coldly.

“Meisha, are you still my bestie or not!”

Hong Xiu was a little angry.

“I really don’t know!”

Misha was a little angry.

“Nope! You must know, before when you said what happened at the bar last night, you clearly said that Lin Ran himself admitted that he didn’t have any money!”

Hong Xiu was unrelenting.

“Fine! He doesn’t have any money alright, he said it himself who knows if it’s true or not!”

Meisha finished looking at Hongxiu and sighed.

“Is it so important whether he has money or not? Is money the only thing you recognize?”

“You!”

Hong Xiu was instantly blushed by the comment and said coldly.

“Misa what are you talking about, don’t you only recognize money?”

“Huh!”

Meisha laughed.

“Yes! The old me only recognized money, but now I don’t, whether Lin Ran has money or not he’s my classmate, and in the future you don’t expect me to mock him with you!”

With that said Meisha shrugged off Hong Xiu, turned around and left.

“Bitch!”

Hong Xiu was so angry that her fists clenched.

If Lin Ran was really rich she would have regretted it, after all she missed a chance to be a rich man, but now it was obvious that Lin Ran didn’t have any money, just a better body.

“Forget it Hong Xiu, I’ll find a chance to ask that Lin Ran out in the morning and humiliate him properly!”

Wang Qiang mulled it over in his mind.

You can fight? Then I’ll find a chance not to give you a shot, let’s compare money, I can’t beat you in a fight, but I’ll smash you to death even if I smash money!

“Let’s go! Let’s go to the front desk!”

Hong Xiu was undeterred and immediately pulled Wang Qiang and ran to the front desk.

“Let me ask you guys, did Lin Ran pay for those things that were smashed by the conflict upstairs just now?”

When they reached the front desk, Hong Xiu asked directly.

This was the Ya Xiang Hotel, those tables, chairs and benches that were smashed upstairs, at least they had to be tens of thousands of dollars, so it was easy to tell if Lin Ran had any money or not by asking.

“Sorry both of you, the ones that were damaged Mr. Lin Ran let be credited to Qi Tian!”

The receptionist laughed.

Hong Xiu smiled at that and laughed too.

“Haha! I knew in this kid didn’t have any money, otherwise he would have settled it himself! I bet he’s really a poor guy, he’s just able to fight!”

When he got the confirmation, Hong Xiu’s mood was instantly much better, after all, compared to Lin Ran, Wang Qiang that had real industry, how long can you pretend, Wang Qiang that was rich for life.

“Ah-choo!”

Besides, Lin Ran, riding his bike couldn’t help but sneeze, and he didn’t know who was scolding himself behind his back again.

“Hey! Brother Lin Ran, you dared to get into a fight at the Yaxiang Hotel just now?”

Soon after, Luo Qiqi’s call came, the Ya Xiang Hotel was their Luo family’s property after all, so naturally she knew about it quickly.

“Yes!”

Lin Ran nodded his head.

“Are you alright!”

Luo Qiqi said with concern.

“It’s fine, just smashed some tables, chairs and benches, I didn’t have the heart to ask the hotel to waive the bill, so I counted it on Qi Tian’s head!”

Lin Ran laughed.

Just kidding, what was the point of having the Luo family wipe their own asses in a fight, although this amount of money was not much, someone had to pay for it, so naturally it was on Qi Tian’s head.

“It’s alright, since you’re alright then I’m relieved, why don’t you come to the office later, I have something to talk to you about!”

Luo Qiqi smiled.

“Mm!”

Lin Ran nodded his head and immediately rode his bike towards the company.

Luo Qiqi was still at Song Nuan’s house in the morning, not enough to know what had happened, but in the afternoon she ran to the company again.

When he arrived at the downstairs of the company, Lin Ran was stunned.

Only to see that this office building that Luo Qiqi had plopped down was very grand, and the whole building was actually hung with Luo Ran Finance’s advertisement, obviously plopping down a building directly.

“This arm is too big too!”

Looking at such a splendid company in front of him, Lin Ran couldn’t help but sigh, it seemed like Luo Qiqi was serious this time.

“Hey hey! What a guy, talking about you! You’re not allowed to enter without a license!”

Lin Ran was just about to enter when he was stopped by the security guard.

“Cards? What cards?”

Lin Ran was dumbfounded, it was his first time at the company, how could he possibly have a card.

“It’s the access card, no one is allowed in without one!”

The guard said seriously, clearly not joking with Lin Ran.

“I ...”

Lin Ran was a bit helpless, his own girlfriend opened the company, he still can not enter.

Thinking at once, he took out his mobile phone and was about to call Luo Qiqi.

But just at this time, his own shoulder was tapped by someone.

“Lin Ran, it’s really you!”

A familiar voice rang out, and Lin Ran turned his head to look at it and was a little surprised.

“Mei Xin? What are you doing here?”

That’s right, the person who came was none other than Meng Meixin.

“I’m here for the interview!”

Meng Meixin laughed as she raised the information in her hand.

“Come here for an interview?”

Lin Ran was stunned.

“Right! Don’t you know what the background of this Luo Ran Financial Company is?”

Meng Meixin said in surprise.

Lin Ran shook his head

“It’s said that it’s a company run by Luo Qiqi, the thousandth daughter of the Luo family, and it’s recently received another three hundred million in financing, making the company even bigger than before!”

Meng Meixin said, with this envy in her eyes.

Lin Ran, however, shook his head and said.

“Mei Xin, you shouldn’t be short of money, and if I’m right, your family should be well off, right, and you still need to come out to find a job?”

“Huh? How did you know that?”

Meng Meixin was surprised.

“Coincidentally, I’ve taken a business deal from your family before, so I know the reputation of the Temperance Meng family!”

Lin Ran pointed to a Meng character embroidered on the corner of Meng Meiqi’s shirt.

The Temujiang Meng family, the first order Lin Ran had taken when he opened his Feng Shui shop, was for the Meng family.

Lin Ran still remembered that it was for this family to change their feng shui, and he didn’t expect that Meng Meixin was actually a Meng family member as well.

“Well, I am indeed a Meng family member, but it’s just a name in vain, our family and the Meng family actually have very little interactions, thinking that we are of a foreign tribe!”

Meng Meixin laughed helplessly.

Lin Ran nodded, he had heard before that Meng Meixin's father had so wanted to sever ties with his family, he just didn't think that it would actually be the Tanjiang Meng family.

"Now it doesn't seem strange that I'm here looking for a job!"

Meng Meixin laughed.

"No, then you go in!"

Lin Ran laughed.

"You're with me, interviewers are allowed to bring people in, and I see that you seem to want to go in!"

Meng Meixin laughed.

Lin Ran was stunned at his words, this nee-san was attentive, since this saved himself from having to call again, immediately, under Meng Meixin's leadership, the two of them entered the office building directly.

A few moments later, the two of them arrived at the door of a personnel director's office.

"Okay, I'll go in for the interview first, wait for me, I'll show you around here when I come out!"

Meng Meixin laughed.

"Mmm! Go for it!"

Lin Ran smiled, and then sat down in his chair bored.

Chapter 982

Inside the office.

"Hasn't Lin Ran arrived yet?"

Luo Qiqi asked Uncle Luo who was standing by.

"Not yet, I've sent someone down to wait!"

Uncle Luo said busily.

From the moment he received the news that Lin Ran was coming, he had already sent someone down to wait, but he hadn't waited for news until now.

"Alright, Brother Lin Ran doesn't have a car today, so he might be late, just in time for me to take a shower!"

Luo Qiqi instructed, then turned around and went into his office.

....

In front of the talent manager's office, Lin Ran was bored and listening to the few applicants around him chatting.

"Hey hey! Have you passed yet?"

A beautiful woman asked her companion.

"I don't know yet, but I heard from my cousin that there's more hope for girls to pass!"

"No way, this is Roran Finance, why are you still looking at that girl!"

A man next to him also interjected.

"Why not, never mind the strength of the company, beautiful women will always be the first choice of the company!"

"Shit!"

"I thought Luo Ran Finance was very talent-oriented, but I didn't think it was also a rubbish company that only looks at faces!"

The male applicant said angrily.

"You can't say that!"

The female candidate who spoke first said.

"I heard from one of my girlfriends earlier that it seems to be this Wang Li manager's own problem!"

"His own problem?"

The person next to her was puzzled.

"Yes, it's said that this Wang Li is very horny, so many of the people he interviews are girls who pass!"

"Shit! Is it hard to get Laozi to seduce him?"

The male applicant was upset.

"There's still this thing? Then I'd better get someone else!"

The female applicants were also a bit discouraged.

Many of them were fresh graduates, so they were a bit worried when faced with this kind of old man in the workplace who was also horny?

"You bastard!"

As the crowd murmured, a woman's angry insults came from inside the office.

"What the fuck do you dare to slap me, believe it or not I'll make you walk out of this building!"

Followed by another male voice ringing out.

Lin Ran frowned slightly as he heard it, and immediately got up and rushed over, it was none other than Meng Meixin who was inside for the interview at this moment.

"Open the door!"

Lin Ran shouted.

However, from inside came Meng Meixin's crying cries for help.

"Lin Ran, help me!"

"If you shout, I'll kill you!"

There was also the voice of a middle-aged man.

Lin Ran instantly became anxious and directly lifted his foot and kicked the office door open.

Where was this? This was the Luo Ran Finance Company, a company with great potential in the entire Temperance City, and how many people were proud to be able to enter this company.

But now, someone actually dared to kick in the door here, which was simply great news to other job seekers.

At this moment, a group of people couldn't help but gather around.

"Bang!"

The office door broke at the sound, and a large group of people immediately gathered around, while Lin Ran even rushed in with a single step.

"Mei Xin!"

Lin Ran shouted, and only then did he see Meng Meixin cowering in the corner, while in front of her stood a middle-aged man in his thirties, who was obese, and his eyes were open and slithering as he stared at Meng Meixin, almost not popping out.

"Lin Ran!"

Meng Meixin pushed away the middle-aged man and flung herself into Lin Ran's arms, her face covered in tears.

"Is everything alright!"

Lin Ran's heart seized, Meng Meixin was his classmate, although the two had a shallow friendship, but how to say it was also a classmate, and Meng Meixin had never looked down on himself, but now he was his friend's company encountered such nasty things.

"Who the fuck are you, who let you in, get out!"

Wang Li saw the situation and became irritated and chided.

"I can get in whenever I want, so you blame me for your door not being strong?"

Lin Ran looked at Wang Li, his eyes already glowing with ice cold.

"Bastard, you really think I'm afraid of you!"

Wang Li said in a cold voice, while looking at Meng Meixin.

"Bitch I'm telling you, what you shouldn't say better not be said, or you'll never be able to enter Luo Ran Finance in your life!"

“You’re threatening her?”

Lin Ran’s eyes narrowed slightly when he saw this.

At this moment, there were all the onlookers outside the door, and some had even been squeezed in, but he didn’t expect that this dead fatty would dare to threaten Meng Meixin in public.

“What’s wrong with me threatening her? Poor loser!”

Wang Li said disdainfully, in his opinion Lin Ran must be Meng Meixin’s boyfriend, many college students came to apply for jobs during this graduation season, and he had seen many pairs of them.

“What’s going on with Mei Xin?”

Lin Ran you look like Meng Meixin.

Meng Meixin was really frightened, at this time lying in Lin Ran’s arms stammering a bit unable to say.

“Don’t worry, with me here, this fat bastard can’t touch you!”

Lin Ran persuaded, at the same time a wave of medical dao true qi had been sent into Meng Meixin’s body to stabilize her.

“He At first he asked me for my contact details, then he said he’d admit me if I promised to sleep with him! Then I then slapped him!”

Meng Meixin said slowly.

“What?”

Hearing these words, the people at the door were all startled, especially the female university students who hadn’t had the chance to interview yet, and each of them had pale faces.

How could they have ever thought that in a company as big as Luo Ran Finance, there would still be such scum.

“Don’t listen to her, she’s lying!”

Wang Li instantly panicked.

“I’m lying? I’ve been recording since I came in!”

Meng Meixin said and directly took out her phone and played the recording over, and immediately the crowd was furious.

“You! Who the hell are you, you must be a spy from the enemy who has infiltrated inside our company, otherwise who would have a recorder with them for an interview!”

Wang Li was in a hurry and immediately took out his mobile phone and shouted to the security guards.

“Detain them both and send them straight to the police station!”

Commercial theft of secrets this was a very serious crime, Meng Meiqi’s recordings were not even a matter of concern in front of this I’m afraid.

“I’ll see who dares to move!”

Lin Ran’s gaze was like electricity shining through the crowd present, scaring those security guards so much that they didn’t dare to make a rash move.

“You What do you want!”

Wang Li was also startled, looking at Lin Ran’s murderous gaze in fear.

“What for? You said what for!”

Lin Ran put Meng Meiqi on a chair to the side and walked over towards Wang Li.

He then raised his hand and gave a slap, and then flew up with a kick, directly sending Wang Li flying backwards.

“You! How dare you hit me!”

Wang Li got up from the ground, looking at Lin Ran in shock with blood hanging from the corner of his mouth.

“Are you so bullying? I don’t dare to hit you!”

Lin Ran sneered.

“I can be a member of Luo Ran Finance, how dare you hit me!”

Wang Li’s eyes were filled with anger.

“Oh, you’re thinking too much! You were already dismissed before I did it!”

Lin Ran sneered.

“Fired? Just by you? You don’t even fucking look at what you are, I’m the manager of the personnel department, what the fuck are you, and you’re firing me!”

Wang Li’s face was disdainful, the mention of his job gave him an edge, even if he was a slag he was still from Luo Ran Finance, and you? You’re just a poor loser who just graduated, and you’re still playing hardball with yourself?

“Believe it or not, from now on you are no longer an employee of Luo Ran Finance!”

Lin Ran said indifferently.

“You’re still getting aggressive, you say no and you’re not? Then let’s see who the security guards listen to!”

Wang Li sneered and was just about to greet the security guards to make a move when suddenly a woman’s voice came from outside instead.

“If he says you’re not, then you’re not! Wang Li, you’re fired!”

As the words fell, a group of people poured in, led by none other than Luo Qiqi as well as Uncle Luo.

Chapter 983

“Luo General Luo!”

Seeing the visitor, Wang Li sat down on his butt, his face full of disbelief.

“Chief Luo you are mistaken, I have been with you since the beginning of the company too, you actually fired me for a poor pussy!”

Wang Li said, this half year even if there is no credit but also hard work, and at this time around many colleagues are watching, she really do not believe that Luo Qiqi dare to fire himself on the spot.

“Oh! Poor bastard? If he is a poor pussy, what are you? You’re not even a piece of shit!”

Luo Qiqi sneered.

“You, General Luo!”

Wang Li couldn’t believe that these words were coming out of Luo’s mouth.

In normal days, General Manager Luo was very high and cold in front of them, not to mention smiling, she rarely even spoke, but now she actually said that about herself for a poor punk.

“That’s enough!”

Luo Qiqi chided coldly, while turning to look at the many employees around her and scolded.

“I will only say one side, from today onwards our new boss of Luo Ran Finance, is him!”

Said Luo Qiqi, pointing at Lin Ran.

“What?”

“Holy shit really!”

“This kid is actually the new boss of Luo Ran Finance?”

“Shouldn’t it be back that General Luo has taken a fancy to him!”

The crowd was chattering.

Even Meng Meixin at the side grew her mouth, her face full of surprise.

Luo Qiqi swept her gaze over the crowd and said blandly.

“Our company’s latest financing of three hundred million was given by Lin Ran! Do you guys have a problem with this decision of mine?”

“Weng!”

The moment these words were spoken, there was another outcry.

“Three hundred million It’s actually from this kid?”

“Fake, this kid looks similar to me, how can he have so much money!”

“That’s right, so rich and still dressed so shabbily!”

“You guys don’t understand, people who are really rich are very low-key!”

“Yes, yes, I even saw him come on a bike before!”

“Shit really, riding a bike! This stature rides a bike!”

The crowd was even more surprised.

While Lin Ran was looking at Luo Qiqi a little helpless, he had financed three hundred million purely for Luo Qiqi to use on her own, but he didn’t expect the real ninny to actually give himself the position of the old boss.

“I’ll go up first and wait for you!”

Luo Qiqi looked at Meng Meixin and then said to Lin Ran.

“Mhm!”

Lin Ran nodded his head.

“Lin Ran, you You turned out to be so rich!”

Meng Meixin looked at Lin Ran with a face full of surprise.

“Hmm, but now it’s very poor, how’s that? Do friends still have to do?”

Lin Ran asked with a smile, he didn’t want to reveal his identity just because he didn’t want to lose Meng Meixin as a friend.

When the oldest Liu Chen and Zhang Xu found out about his identity, it was fine, but ever since Lin Ran gave the fourth Liu Yusong a sum of money to start their own business, Lin Ran felt that the relationship had changed a little.

The three men’s feelings towards him were no longer as purely brotherly as they had been at the beginning, and there was more fear in them, which made Lin Ran a little helpless.

After all, his money did not come from the wind and he was helping out for the sake of his brotherhood, but what they did really got on Lin Ran’s nerves.

But the way they did it really made Lin Ran angry.

So Lin Ran now, on the contrary, preferred to treat people as poor losers, so that he could at least see the true thoughts of some people’s hearts.

“Of course!”

Meng Meixin laughed.

“I was afraid that you would look down on me for being so rich!”

“Why not!”

Lin Ran laughed, then waved his hand next to someone who immediately took a look at the contract.

“Sign it, from now on you’ll be a member of Luo Ran Finance!”

Lin Ran laughed.

“Huh?”

Meng Meixin was a little hesitant.

“Don’t worry, there’s no personal relationship, it’s purely because I think highly of you! It’s like when I was mocked by Hong Xiu and the others, you were special!”

Lin Ran laughed, he believed that Meng Meixin was a talented person and would definitely be able to make a mark in the future at Luo Ran Finance.

“Besides, you’ve forgotten! You have to make a good life for your mother!”

“Me!”

Meng Meixin was stunned.

Yes, she came from the Meng family, but what had the Meng family given her? Nothing, she could only come out to find a job like an ordinary person.

If she hadn’t run into Lin Ran this time, I’m afraid it was questionable whether she would have made it out in one piece.

“Mei Xin, remember my words, mountains will fall and people will run away, even if the Meng family is big, it belongs to those in power, not you! As long as you are willing to work hard, you don’t need to ask the Meng family in the future, they will come and beg you themselves!”

Lin Ran said in a serious tone.

“Mm!”

Meng Meixin nodded, and then laughed.

“Then don’t forget, I’ll treat you to dinner on my birthday! Don’t be too bad!”

“Sure!”

Lin Ran laughed.

It was indeed rare to find a friend who treated each other with sincerity.

However, while he thought so, Meng Meixin did not necessarily think so.

Taking the contract documents out of the office building, Meng Meixin’s mind was filled with Lin Ran’s shadow on the way back.

Even thinking about the time when she changed tables to go to his place to eat Aussie Dragon, Meng Meixin couldn’t help but smile.

“How nice it would be if everything could be the same as it was back then! At least I dared to express my heart then, but now

Meng Meixin thought in her heart, but a hint of scarlet swept across her face.

.....

But Lin Ran, then came to Luo Qiqi's office.

"Who's that woman?"

As soon as she came in, Luo Qiqi began to ask after her.

"A college classmate!"

Lin Ran said helplessly, he had expected this scene a long time ago.

"O, she likes you!"

Luo Qiqi said, somewhat unhappy.

"How did you see that!"

Lin Ran was speechless, he just thought of Meng Meixin as a friend.

"A woman's intuition!"

Luo Qiqi said blandly.

"But come on, don't intuit, I can't get by if you intuit once!"

Lin Ran said helplessly.

"What do you mean!"

Luo Qiqi didn't understand.

"I have all four of you around me, I still don't think it's too disturbing, if I keep looking I'm afraid I'll really die young!"

Lin Ran said helplessly.

"Screw you, it's not like the four of us have done anything to you!"

Luo Qiqi's pretty face reddened, coming to be able to on the high cold suddenly dissipated, again became that lively and lovely little Qiqi.

"Say it, what are you looking for me for, you're not here to announce that you're making me the boss!"

Lin Ran said helplessly, he really didn't have much interest in being the boss, and it was possible that he would leave after six months, so this was not even up for discussion.

"That's one thing, after all, I wanted you to be the boss of Luo Ran Finance in the first place, can't you see that even the name is a combination of ours!"

Kiki Luo laughed.

"Let's talk about it later, let's start with the second one!"

Lin Ran digressed.

“Ao, the second one is even simpler, it’s that there’s a stone gambling meeting tonight and we have to go there!”

Luo Qiqi laughed, while telling the story.

It turned out that after Lin Ran had raised the money, Luo Qiqi had quickly picked up a big cooperation project.

The other party was in the jade business, and tonight they happened to be holding a regular gambling session, so naturally Luo Ran Finance, as a partner, had to be there.

“And I also inquired that your uncle Jiang Sansi and Jiang Yi Yi will be there!”

Luo Qiqi laughed.

Lin Ran nodded and laughed at his words.

“In that case, let’s go, I haven’t seen my uncle for a long time either!”

Chapter 984

At 8pm, Regal Hotel, Lin Ran and Luo Qiqi arrived surrounded by a motorcade.

“You go up first, I’ll go and find Yi Yi!”

Lin Ran laughed, he had received a call from Luo Qiqi when he arrived earlier, stating that he would be waiting at the door.

“Mmm! See you later!”

Luo Qiqi nodded her head.

Following this, Lin Ran got out of the car alone.

He hadn’t seen Jiang Sansi and Jiang Yi Yi for a long time, and Lin Ran was also very pensive, but luckily Luo Qiqi was very accommodating and didn’t refuse.

The Regal Hotel was very big and Lin Ran searched for a long time before he saw Jiang Yiyi guarding the south entrance.

“Lin Ran? What’s he doing here?”

Just as Lin Ran was about to go over and say hello, a man and a woman not far away next to him were frozen in their tracks as they watched.

“I don’t suppose he’s here to be a waiter, after all, this kid doesn’t have any money!”

Hong Xiu sneered.

That’s right, the two were none other than Wang Qiang and Hong Xiu.

“Let’s go, go over and have a chat!”

Hong Xiu had a smug look on her face, ever since she had established with Meisha that Lin Ran was still a poor man, this was much better for her.

“Forget it, my dad sent me here today to meet the world, the organizer and Luo Ran Finance are big players, if they know we still know this poor bastard, it would be too degrading!”

Wang Qiang’s face was full of disgust, it was fine on normal days, who didn’t want to look good on such occasions, talking to a poor punk like Lin Ran was naturally a big loss.

“What are you afraid of! We haven’t gone in yet, just say a few words at the door!”

Hong Xiu had already thought of how to mock Lin Ran properly, so as to get out the grievances in his heart for the past two days.

“Lin Ran!”

As they spoke, the two had already reached Lin Ran.

“What a coincidence, you guys are here too!”

Seeing the two, Lin Ran was visibly stunned, not expecting to come across Wang Qiang and the two at the hotel once.

“Yeah, what a coincidence really, but isn’t it normal for us to come here?”

Hong Xiu sneered, while straightening her back, today she was wearing an evening gown and even had jewellery of great value around her neck, at a glance she was dressed as a broad wife.

“Lin Ran what are you doing here? Is it hard to say that you’re broke and came here to work part-time as a waitress?”

Hong Xiu laughed, the disdain in her words overflowing.

“Lin Ran, you are also a classmate of Hong Xiu’s, if you really have no money you can work in my company, there is no need to trample yourself like this!”

Wang Qiang laughed.

“Your company?”

Lin Ran frowned slightly, he seemed to have heard before that Wang Qiang also had a job, only it didn’t seem to be his own company.

“Ao! I forgot to tell you that Brother Qiang is a multi-tasker, not only did he open his own company, but he also has a position at Luo Ran Finance, Ao! I forgot to tell you that you didn’t know that either!”

Hong Xiu was full of smugness.

“Roran Finance is a new kind of powerful company, it’s much more promising to work there than to start your own company, but for poor people like you, I’m afraid there’s no hope in life!”

“Yeah, right!”

Lin Ran laughed lightly, but in his heart he was already cursing.

“I don’t stand a chance? If you knew that I was the boss of Luo Ran Finance, I wonder if you would still be able to smile with that face!”

“The people here tonight are all big names, especially the owner of Luo Ran Finance, Luo Qiqi, who is the daughter of the Luo family, so let’s hurry up and go in. What’s there to say to this poor bastard here!”

Wang Qiang said impatiently.

“That’s right!”

Hong Xiu was full of smugness, then looked at Lin Ran and said.

“Lin Ran, for the sake of classmates, I won’t tell anyone about you working here as a waiter, I’ll let Wang Qiang take you to Luo Ran Finance for a stroll some day, it’ll be an eye-opener for you!”

With that the two turned around and left, but before they could take two steps out, Hong Xiu remembered something and turned his head and laughed.

“O, yes! If we run into each other inside later, you’d better pretend you don’t know us, we can’t afford to lose face!”

Hong Xiu sneered, before turning around and leaving with Wang Qiang’s arm.

“What a dog!”

Lin Ran was speechless and turned around to leave as well.

But before he could even take a step, he suddenly saw that a luxury car had listened down not far away, and then a young man actually jumped down from it, the young man was very handsome and looked imposing.

“Hey hey! Isn’t that Liu Lin, Young Liu!”

Hong Xiu immediately looked straight in the eyes.

“It’s Young Liu, it’s said that he is Liu Xuan’s distant cousin, tsk tsk a cousin is just a cousin, he’s actually so rich, it’s really enviable!”

Wang Qiang looked at the light put in his eyes.

“Let’s go over and say hello!”

Hong Xiu was busy persuading, to be able to say hello to such rich people, that was simply a status symbol.

“Good! I’ve met with Young Liu a few times!”

Wang Qiang laughed, very confident.

“Young Liu! I’m Wang Qiang, my father is Wang Tianba!”

Wang Qiang instantly smiled and walked over.

Liu Lin turned his head at his words and glanced at him, pondering.

“Wang Tianba? You are the young grandson of the mining industry?”

“I dare not, I’m not a grandson in front of you, I’m just a commoner!”

Wang Qiang said with a busy smile.

“Well, go up if you’re here!”

Liu Lin said with a smile.

“Yes! Yes!”

Wang Qiang and the two of them nodded their heads and bowed their backs in a respectful manner.

“By the way! That one just now is your friend?”

Liu Lin suddenly pointed at Lin Ran in the distance and asked with a smile.

Wang Qiang and the two men were stunned, and were busy waving their hands.

“No how could that be our friend!”

“Yes Young Liu, although we can’t compare to you, we won’t be friends with everyone either!”

Hong Xiu was also busy saying, with even more fear in his heart, fortunately he hadn’t said too much to Lin Ran, otherwise if he was misunderstood by young Liu, it would be the end.

“Ao! It’s not the best!”

Liu Lin laughed and nodded his head.

“There are all kinds of people these days, so you should still be careful of your identity!”

“Yes!”

“Sure sure sure!”

Jokingly seeing, Liu Lin had already left first.

And Hong Xiu and Wang Qiang also turned their heads to look at Lin Ran who was not far away, with some disdain in their eyes, and then also went upstairs.

Looking at the scene in front of him, Lin Ran couldn’t help but be a little speechless, it seemed like he hadn’t said anything, and as a result, he had been mocked again.

“But this Liu Lin is Liu Xuan’s distant cousin? Could this Liu Xuan be that person?”

Lin Ran had some doubts in his mind.

Back when Lin Ran had just obtained the Xuan Yang Pill Canon, he had once also had a disagreement with a Liu family, the male cousin of that family was Liu Xuan, and his father was none other than Liu Dingtian, Lin Ran still remembered that time it seemed to be a posing session as well, something called the Wandering Merchant Firm!

Only that nothing seemed to have crossed paths since then.

“Forget it, we’ll know when we meet!”

Lin Ran laughed and shook his head, following which he walked over towards Jiang Yi Yi.

Only when he hadn't taken two steps, Lin Ran was stunned to see Liu Lin, who had greeted the two Wang Qiang earlier, actually standing in front of Jiang Yi Yi at this moment, and the two were even talking and laughing, seemingly very familiar with each other.

"Interesting!"

Lin Ran couldn't help but laugh, and immediately walked towards the two.

Chapter 985

"Yi Yi, waiting for someone here?"

Liu Lin laughed, Jiang Yi Yi was Jiang San Si's own daughter, so he naturally recognised her.

"Yes!"

Jiang Yi Yi smiled politely, who this youth in front of her was she Yemen clear.

And there was one more thing, this Liu Lin had a very bad reputation, so Jiang Yi Yi was polite enough not to want to have too much to do with this man.

"Yi Yi, you see it's about time, maybe you and others have already gone up,? Or else I'll accompany you up?"

Liu Lin laughed, Jiang Yi Yi was definitely a big beauty level, if he could pick up his hand, his Liu Lin's face would also shine.

And in the end he was just a lapdog of Liu Xuan, if he could climb up with the Jiang family, then this position of his would be completely secure.

"No need, I and the others are already here!"

Jiang Yi Yi smiled blandly and turned his head towards Lin Ran and walked over.

"Cousin! You're late!"

Jiang Yi Yi intimately held Lin Ran's arm and laughed.

"Uh There was a delay on the road!"

Lin Ran laughed, not noticing in the slightest that Liu Lin next to him had frozen.

"Come on let's go up, daddy misses you so much!"

Jiang Yi Yi said, the pampered implication revealed between her eyebrows looked at Liu Lin who couldn't help but gag.

"Yi Yi, long time no see, beautiful again!"

Lin Ran also couldn't help but cross to, if Jiang Yi Yi wasn't his cousin, Lin Ran wouldn't really dare to be so close to her, after all he was a man too.

"Yi Yi! That's the guy you're talking about!"

On the side, Liu Lin couldn't help but jump out, pointing at Lin Ran with a face full of disbelief.

"Right! You still have something to do?"

Jiang Yi Yi looked at Liu Lin, a little impatient.

There wasn't enough time already, so how could this Liu Lin still stop himself, when he really was a bit indiscriminate.

"Yi Yi! Are you kidding me, tonight is the first collaboration between our Liu family and Luo Ran Finance? You actually went in with this poor loser? Does Elder Jiang know?"

Liu Lin said in a cold voice, not giving Lin Ran any face at all.

"It's none of your business if my father knows, besides who are you calling a poor loser?"

Jiang Yi Yi's face instantly turned ugly, calling her cousin a poor loser was really the first time she had ever seen it.

"Yi Yi, have you been tricked by this kid? Just his clothes together don't cost as much as one of my shoes, what is he if not a poor loser!"

Liu Lin said disdainfully.

"You!"

Jiang Yi Yi was so angry that she was red in the face, although she wanted to retort, but what he said was also true, Lin Ran was indeed dressed somewhat shabbily.

"Yi Yi forget it, let's go up!"

Lin Ran was too lazy to bother with Liu Lin, greeted him and prepared to go up.

"Stop!"

Liu Lin saw this but laughed.

"Kid, you're crazy, didn't you hear what I said, did you? Tonight is held by our Liu family, just because you still want to go up? I won't even let you go up as a waiter!"

With that, Liu Lin even took out his mobile phone, apparently to call the security guard.

"Your Liu family?"

Lin Ran laughed.

"If I'm not wrong, you're just a distant cousin of the Liu family, right, and you can represent the Liu family?"

"You!"

Liu Lin's face was instantly icy cold, this was the biggest scale of adversity in his heart.

Yes, he was a distant cousin of the Liu family, but following the Liu family, he was now a popular figure, and everywhere he went, people had to give him face, but now he was actually slapped in the face in public by a poor loser, how could he stand this?

“Yes! You’re not going to get in tonight, and I’ll make sure you don’t leave this place!”

With that, Liu Lin immediately put the call out, and it didn’t take long for seven or eight security guards to run over.

“Waste him for me and blow him out!”

Liu Lin was nonchalant, pointing at Lin Ran and scolding him.

“Yes! General Liu!”

The security guards there didn’t care so much, they followed orders and immediately surrounded towards Lin Ran.

“Cousin, it’s trouble!”

Jiang Yi Yi smiled heatedly at Lin Ran and immediately ran to the side, she knew best what kind of skills Lin Ran had and was not worried at all at this moment.

“What are you doing!”

However, before the group of security guards could do anything, a scolding sound came from the side.

Followed by Jiang Linshan, he came running over.

“Liu Lin! Do you want to die? How dare you let people surround my sister!”

Jiang Linshan was full of a violent temper and was instantly fired up when he saw this.

Most importantly, Jiang Linshan was Jiang Sansi’s own son, so how could he put someone like Liu Lin in his eyes.

“Young Jiang, look carefully, it’s not Yi Yi I’m targeting! Rather, it’s this poor loser!”

Liu Lin’s face turned red as he pointed at Lin Ran.

Although he was angry at Jiang Linshan in his heart, he knew that his current status was not enough to fight against these truly rich people, and once he offended the Jiang family, he was afraid that the Liu family would not hold him either.

So at this moment, he could only hold back.

“Him?”

Jiang Linshan turned his head and saw Lin Ran, and became even angrier in his heart.

“Neither can he, follow through and get the hell out of my way or I’ll waste you now!”

Jiang Linshan said in a furious voice.

“Jiang Linshan, don’t go too far, at least I’m a member of the Liu family!”

Liu Lin was annoyed and chided.

“A member of the Liu family? Who’s from the Liu family? How come I’ve never heard of it, want you otherwise you call Liu Xuan over and let me ask him?”

Jiang Linshan sneered.

“You!”

Liu Lin was so angry that his fists were clenched, and in his heart he already understood that this guy was determined to protect Lin Ran, and he would not be able to get any benefit from this matter today.

“Good! Jiang Linshan you’re a bully, let’s have a long day ahead!”

Liu Lin said and turned to leave, but after taking two steps, he turned his head and laughed.

“Jiang Linshan, I’m really baffled, the tang Jiang family actually protects a poor pussy, what? This thing ready to recruit door-to-door son-in-law? Haha!”

“You’re fucking looking for death!”

Jiang Linshan said and was ready to rush over and give this kid a good beating, but was stopped by Lin Ran.

“Don’t stop me, cousin, let me go and waste this brat!”

Jiang Linshan was still a little angry.

“Forget it, what’s the point of getting into a fight with this kind of person, let’s go up there! Don’t keep uncle waiting!”

Lin Ran laughed.

“That’s right!”

Jiang Linshan then stopped and took Lin Ran and Jiang Yi Yi upstairs together.

This time when they went up, Lin Ran was sure that this event was really held by that Liu family, except that to Lin Ran’s surprise, Luo Qiqi’s partner this time was actually the Liu family.

It was only then that Lin Ran and the Liu family had some problems, especially that second generation Liu Xuan, and the two of them had some conflicts, but then, I don’t know what happened, but this Liu Xuan just evaporated and never appeared.

“Oops! Still too late, people are almost done with the opening ceremony!”

Only after the three of them came up did they realize that the opening ceremony of the gambling exchange was already nearing its end, and some of the bigwigs among them had already settled down.

Only when Lin Ran scanned the whole room, he did not find the figures of Luo Qiqi and Liu Dingtian.

Suddenly just at that moment, the voice of the host came to the stage.

“Gentlemen, before the exchange officially begins, let’s introduce the leaders and predators who are present tonight!”

“Er

Lin Tian listened as it dawned on him that it was not yet time for these people to make their appearance.

The three of them were patiently waiting for the process to finish so they could go and meet up with Jiang Sansi.

Instead, at this time, not far away, Liu Lin was walking over with a youth, pointing at Lin Ran from a great distance.

“Cousin, it’s this kid, Jiang Linshan had to bring him in, this is the place where our Liu family is held,? How can we let

“Shut up!”

Liu Lin did not finish a sentence, he was interrupted by Liu Xuan on the side.

Liu Xuan looked at Lin Ran, his expression was very complicated at this time.

Chapter 986

“Go! Follow me over to meet!”

Liu Xuan said after a moment of silence, taking a deep breath.

“Good!”

Liu Lin was full of excitement at his words, not noticing in the least the respectful smile that was on Liu Xuan’s face at this moment.

“Brother, look! Liu Lin is coming over with Liu Xuan!”

Jiang Yi Yi shouted busily.

Only then did Jiang Linshan and Lin Ran notice the two people who were walking along the side.

“It’s really him!”

Lin Ran was stunned, not expecting that it was really this Liu Xuan.

“Cousin, it’s alright, today I’m seeing who dares to touch you!”

Jiang Linshan patted his chest, although his Liu family was powerful, the Jiang family was not easy to mess with, especially since Lin Ran had the Luo family behind him, so Jiang Linshan was not worried in the slightest.

“Kid! You’re tugging, this is my cousin Liu Xuan, you guys keep tugging!”

Liu Lin wasn’t even polite, stepping forward and looking at Jiang Linshan with disdain.

“And you, don’t fucking think you’re so awesome just because you found a backer, I’ll have you out of here later! Poor loser!”

Liu Lin pointed at Lin Ran and said disdainfully.

“What are you talking about!”

Before Jiang Linshan could say anything, Liu Xuan, who was on the side, spoke up with a cold face.

“Haha, see! My cousin is already angry!”

Liu Lin didn’t notice in the slightest that Liu Xuan was speaking at himself, and looked at Jiang Linshan’s trio with a face full of disdain.

“I can make shut up!”

Liu Xuan raised his hand and “slapped” a slap,? At once Liu Lin was struck blind.

“Cousin, you hit the wrong person, I am your cousin ah!”

Liu Lin said.

“It is you that Laozi is hitting!”

Liu Xuan said in a cold voice.

“What did I ask you to come for?”

“Didn’t you come to take revenge for me?”

Liu Lin was dumbfounded and had no idea what was wrong with Liu Xuan that he would actually beat himself up.

“What revenge! I brought you here to meet Mr. Lin!”

Liu Xuan had an angry face.

Liu Lin was even more stunned at hearing this.

“Met Mr. Lin? Are you kidding, cousin, just this poor loser of his, and you still want me to have met him? Is he worthy?”

“You’re saying a word!”

Liu Xuan’s old face turned red with anger, if it wasn’t for the fact that there were too many people here at this moment, he would have already shot out his hand to teach this cousin a lesson.

“Hey, hey! Brother Qiang, look, what’s going on over there? Young Liu is actually getting beaten up!”

Hong Xiu and Wang Qiang, who had managed to blend in, both looked dumbfounded at once.

Especially when they saw that Lin Ran was actually there, they were completely confused.

“How come that poor bastard Lin Ran is also there!”

“I don’t know!”

“But looking at him, it looks like he’s on good terms with that man and woman!”

Hong Xiu’s face was full of disbelief.

“Those are the Jiang sisters, they’re all on the same level as Liu Xuan, so how could they know Lin Ran!”

Wang Qiang was also flabbergasted.

“Is it possible that that kid got lucky and his boss just happens to know someone from the Jiang family?”

Hong Xiu wondered, this was the only explanation as to why Lin Ran was there, after all, how could he know the Jiang family siblings with his poor status.

“It’s possible!”

Wang Qiang couldn’t help but nod his head as well.

“It pisses me off, it’s too far away to hear what they’re saying, if only we could get closer!”

Hong Xiu couldn’t help but say.

“It’s impossible, it’s my father’s limit to come in and see what’s going on, and we’ll have to leave when the exchange starts!”

Wang Qiang said helplessly.

However, Hong Xiu’s pretty face turned red as she listened and gave Wang Qiang a somewhat irritated look.

In her eyes, Lin Ran was a poor loser, an existence that could never be compared to herself in her life, but now it was the poor loser in her own eyes that was actually standing in the inner court, while she was only able to stand outside, which made her heart feel very uncomfortable, just like eating shit.

“Why are you still standing there! Apologise to Mr. Lin!”

Liu Xuan looked at Liu Lin with an icy cold voice.

“Cousin you’re asking me to apologise to him? On what grounds?”

Liu Lin was puzzled, although he was your distant cousin, he was now at least a member of the Liu family, you actually asked me to apologize to a poor bastard, how could he bear it.

“What, you don’t even listen to my words anymore?”

Liu Xuan’s face was icy cold.

Liu Lin even listened with a pale face, his fists clenched and gritted his teeth.

“Yes Sorry!”

Liu Lin spoke up, ? He was able to have his current status, all because of Liu Xuan’s cultivation, as long as the latter was willing, he would turn back to his original poor loser at any time, which was something he definitely did not want to see.

“Attitude!”

Liu Xuan did not relent and continued to scold.

“I’m sorry!”

Liu Lin completely wilted and said respectfully.

But the anger in his eyes was something anyone could see.

“Mr. Lin is still satisfied!”

Liu Xuan looked at Lin Ran and smiled.

“Forget it, I don’t care about any apology from him either!”

Lin Ran waved his hand and said blandly.

“What! Liu Lin actually apologized to Lin Ran again!”

Hong Xiu and Wang Qiang almost didn’t faint at this scene.

The mouth shape of the apology they could still read, and Lin Ran waved his hand again, making it obvious that the apology was for Lin Ran.

“It must be because of the Jiang siblings, it must be!”

Hong Xiu was so angry that she stomped her foot.

“What kind of shit luck did this bastard get!”

Hong Xiu was getting angrier and angrier as she thought about it, and was busy turning her head to look at Wang Qiang.

“Brother Qiang, isn’t there any way to get in? I want to expose him on the spot!”

“How can you go in? This is the Liu family’s turf, do you want me to die?”

Wang Qiang said in a cold voice, he loved Hong Xiu, but he would never put himself in danger for a woman, let alone gamble on the whole Wang family.

“But I’m not willing!”

Hong Xiu said angrily.

“Bear with it!”

Wang Qiang also said in no good humour.

“Wait until we ask this kid out later and poke him in public!”

Wang Qiang said comfortingly.

“Fine!”

Hong Xiu was so angry that he turned away, not wanting to say anything more.

“Brother Lin Ran, long time no see!”

Only then did Liu Xuan arch his hand, a formal greeting to Lin Ran!

“Yeah, it’s been a long time, I’m curious how you haven’t been looking for trouble with me since?”

Lin Ran laughed.

“Brother Lin Ran is joking!”

Liu Xuan looked embarrassed, back then Liu Dingtian had cautioned himself not to trouble Lin Ran, but back then he was high-minded and arrogant how could he have listened, it was only later when Lin Ran was removed from the Temperance Hospital, plus some of the things that happened afterwards, that he was completely convinced.

“I’m serious!”

Lin Ran laughed, obviously keen to get to the bottom of what was going on inside.

Liu Xuan was silent for a moment, and then spoke.

“It’s my eldest uncle, Liu Mu! He could see that Brother Lin Ran was extraordinary and told me not to mess with him, so he held back!”

“As it turns out, my eldest uncle was right, and it’s lucky I held back, otherwise I’m afraid I wouldn’t even have the chance to stand here and talk to Brother Lin Ran now, let alone be able to work with Luo Ran Finance!”

Liu Xuan laughed to himself.

“What are you talking about, cousin, what do we care about him if we cooperate with Luo Ran Finance!”

Liu Lin said in disbelief.

“Shut up!”

Liu Xuan glared at him, then looked at Lin Ran and said with a smile.

“Sorry, this cousin of mine doesn’t know any better, I’ll teach him a good lesson when I get back!”

Lin Ran laughed and didn’t say anything.

And at that moment, the voice of the host once again sounded on the stage.

“Alright! Next let’s have tonight’s host, Mr Liu Dingtian of the Liu family, and the big boss of Luo Ran Finance, Miss Luo Qiqi!”

“Wow!”

As soon as these words were spoken, there was a commotion on the stage, and all eyes converged on the stage, only to see Luo Qiqi and Liu Dingtian slowly walking onto the stage under the gaze of the crowd.

Chapter 987

“Gentlemen, today is the opening show of the cooperation between our Wandering Trade and Luo Ran Finance, I hope you all have fun!”

Liu Dingtian laughed, while looking like Luo Qiqi next to him and smiled.

“This one is not unfamiliar to any of you, right? She is the daughter of the Luo family in Tanjiang City, and is also the big boss behind Luo Ran Finance now!”

“I know her! Miss Luo!”

“A tiger’s father has no daughter!”

“Awesome!”

A series of applause and shouts rang out from the stage.

However, Luo Qiqi smiled blandly, took the microphone in her hand and spoke.

“Thank you all for your support, but here I would like to state one thing, the real big boss behind the current Luo Ran Finance is not me!”

“Huh? How is that possible!”

“Yes, fake it how is that possible!”

“She founded Luo Ran Finance, how can the boss not be her!”

The crowd was suddenly chattering.

Lin Ran just listened with a slight frown, and in his heart he had already guessed what Luo Qiqi wanted.

“Gentlemen, it’s really not me! Not long ago our company went through financing you all should know that!”

Luo Qiqi laughed.

“I know, but it’s not like you’re changing your boss!”

“Yeah, your company isn’t even a listed company yet!”

“That’s really strange!”

The crowd was puzzled in their minds.

Luo Ran Finance is not a listed company,? So the financing would at most be in the form of IOUs or something like that, and the owner would definitely still be Luo Qiqi.

But now the latter was saying that the owner of the company was no longer her, which made it very difficult to understand.

You know, non-listed companies, unless Luo Qiqi takes the initiative to hand over the big power, it is impossible to change the person.

Listening to the people’s discussion, Luo Qiqi, however, smiled blandly and said.

“This is true, not long ago I have given sixty percent ownership of the company to this financier, the biggest boss behind our Luo Ran Finance!”

“Miss Luo, then isn’t that who this friend really is!”

Liu Dingtian asked busily, in fact he already had a guess in his mind, otherwise Liu Xuan wouldn’t have spoken to Lin Ran like that before.

It was just that until all the guesses were confirmed, then none of them were true.

“This person Liu also knows and has dealt with!”

Luo Qiqi laughed, while her gaze raced past the crowd.

“He’s Mr. Lin!”

“Mr. Lin? Which Mr. Lin?”

Liu Dingtian hurriedly confirmed, there were too many people with the surname Lin, so who knew which Mr. Lin it was.

“Miss Luo, is that Mr. Lin here today?”

“Yes, are people here?”

“Yes, yes!”

A group of bigwigs on the stage asked one after another.

“Naturally he’s here!”

Luo Qiqi laughed, she had actually seen where Lin Ran was, she just hadn’t pointed it out yet.

“Then why are we still standing around, have Mr. Lin come out!”

“Right, invite Mr. Lin on stage!”

“Welcome Mr Lin!”

“Please ask Mr. Lin to come on stage!”

Liu Dingtian also shouted from the side.

This caused Lin Ran to be a little embarrassed, it was really the first time that he had come up on stage in front of so many people.

“This way, Mr. Lin likes to keep a low profile, so let’s ask those who are not involved in the exchange to go out first, and then ask Mr. Lin to come out afterwards, okay?”

Liu Dingtian said with a smile.

“Good!”

The crowd said they had no problem with that.

Immediately, some staff members came to clear the venue.

Because the next exchange to be held would have many people with money on offer, some people who simply couldn't afford it would also be asked out so as not to reveal too much information.

"Ai! Looks like we won't be able to see this Mr. Lin today!"

Hong Xiu sighed, he had wanted to witness the so-called Mr. Lin, but now it seemed that he was not interested.

"Yeah, but it's infuriating to think that that bastard is still standing inside!"

Looking at Lin Ran still standing in place, Wang Qiang was furious.

"Forget it, wait until we ask him out tomorrow and poke him in public early!"

Hong Xiu said in a cold voice.

Wang Qiang nodded, and the two of them started to exit the stage with the staff leading them.

"Alright, now we have Mr. Lin on stage!"

Liu Dingtian's voice came from the back, which made Hong Xiu and Wang Qiang couldn't help but glance back with regret in their hearts.

"Hey Brother Qiang, look at that fool actually walking towards the stage!"

Hong Xiu suddenly said.

Wang Qiang was busy looking and saw that Lin Ran was walking towards the stage.

"This kid is really here to be a waiter, I'm afraid he's serving Mr. Lin drinks!"

"Humph! Shameless, what a thing!"

Hong Xiu spat, disdainfully.

"Alright you two, it's time for you to go out!"

Came the voice of a staff member from the side.

"Got it rush what rush!"

Red Show was annoyed, but still walked out of the venue, and as the two walked out, the doors had closed.

At the end, the two saw through the doorway that Lin Ran had walked onto the stage and was then completely out of sight.

"What's that fool doing up there! What a disgrace!"

Hong Xiu cursed angrily.

"Exactly!"

Wang Qiang was also furious, gnashing his teeth, and had already started to calculate in his mind how to ask Lin Ran out and poke him properly.

However, in the inner arena, when Lin Ran walked onto the stage, Liu Lin also looked incredulous and even sneered.

“What’s this poor bastard doing up there? It’s not too humiliating!”

“Cousin, do you think he’s out of his mind!”

“Shut up!”

Liu Xuan said in a cold voice, but in his heart he secretly said.

“Looks like father’s guess is true! This kid is Mr. Lin!”

“Gentlemen, this is Mr. Lin, Lin Ran!”

Luo Qiqi handed the microphone to Lin Ran with a smile on her face.

The crowd on stage was stunned, as Lin Ran was indeed dressed too shabbily for the crowd to react for a moment.

But then the words of Luo Qiqi, “Mr. Lin likes to keep a low profile” rang out, and they all understood.

A thunderous applause erupted.

“Mr. Lin is really unassuming!”

“Yes, a hero really is a young man!”

“Ai! Getting old!”

A group of old bosses all sighed.

“Little friend Lin Ran, it really is you!”

Liu Dingtian looked at Lin Ran with a sigh in his eyes, fortunately Liu Xuan had not completely resisted Lin Ran back then, otherwise this business would have been nothing for their Liu family!

“Long time no see, Mr. Liu!”

Lin Ran said with a smile.

“Haha! Fate is fated!”

Liu Dingtian laughed, while waving his big hand in a direct manner.

“Well? Since Mr. Lin has already shown up, how about starting the exchange directly and loading the goods!”

As his words fell, a full ten pillars rose up on the stage, while ten beautiful looking waiters each walked up with a plate.

A moment later, a stone had been put down on each of the ten pillars, a full ten of them.

“Alright gentlemen, these ten stones compared to you all know what they mean, for tonight’s gambling exchange, these are the ten goods!”

Liu Dingtian laughed while sweeping his gaze over the crowd, finally landing on Lin Ran.

“I believe many people in Tanjiang know of your great name, Mr. Lin, the little miracle doctor of Tanjiang Hospital, who is proficient in the art of Chinese medicine and acupuncture, and the last time we met, it was Mr. Lin who saw the pearls of wisdom in our Wandering Trade and auctioned away the goodies!”

“It can be said that Mr. Lin is quite proficient in both Chinese medicine and gambling stones!”

“But tonight, I must also introduce another friend who has equally profound attainments in Chinese medicine and stone gambling, and he is tonight’s honoured guest, He Fei from Chao Tian Court, Mr. He!”

Chapter 988

“Chao Heavenly Pavilion?”

Hearing the name, the crowd was puzzled, none of them knew what it was, but it sounded as if it was a force.

“All of you may not have heard of the Chao Heavenly Pavilion, but I only need to introduce the crowd to know it compared to the others!”

Liu Dingtian laughed.

“The Chao Heavenly Pavilion is a very mysterious force, no one knows what kind of existence they have, but!”

“But if you all have the heart to understand, some of the great clans in the imperial capital, be it the Qin family or the Yue family, or even other great clans, they all have ties with the Chao Heavenly Pavilion!”

“Liu Dingtian, that’s odd, how did such a powerful figure come to us?”

“Yes, it can’t be that you know him!”

Some people wondered, if it was as Liu Dingtian said, this Chao Heavenly Pavilion was so powerful, it shouldn’t be someone Liu Dingtian could know either!

“You’re all very kind, how can I know him? It’s just that he recently came to Tamkang City to attend an exchange meeting of Chinese medicine practitioners, so he took the time to come to our place!”

Liu Dingtian laughed.

“Well, after all this, I just want our Mr. Lin and this Mr. He Fei from Chao Tian Pavilion to get to know each other a bit, after all, heroes cherish each other, right?”

“Good, next we have Chao Tian Ge He Fei! Mr. He!”

As Liu Dingtian’s words fell, all eyes immediately looked to the side, only to see a white-robed young man walk out from behind the door, he looked even more handsome, as soon as he appeared, it was as if he became the centre of the entire venue.

“Mr. He Fei, the exchange meeting will start soon, I wonder what else you want to order?”

Liu Dingtian gave the microphone to He Fei, very respectfully.

“Nothing to say, hurry up and start, I’m in a hurry! Also don’t compare anyone to me, the people of our Chao Heavenly Pavilion are not just any cats or dogs!”

“Wow!”

As soon as those words left their mouths, everyone immediately looked at Lin Ran, the implication was clear that they didn’t put Lin Ran in their eyes.

One should know that although tonight was the main event held by the Liu family, but Luo Ran Finance was also a partner, and Lin Ran was definitely the top seat, but now this Chao Tiange He Fei was not giving Lin Ran the slightest face at all.

“Oh, really?”

Lin Ran laughed.

“Mr. Liu, then I would also advise, in the future don’t compare me to random people, after all who knows if the other party is a man or a dog! Who can stand it if they bite you a bit!”

“Huh? What did you say, kid?”

He Fei’s face instantly went icy cold.

On the contrary, Liu Dingtian, who was caught in the middle, was a bit at a loss for words.

“Didn’t you hear clearly enough? Then I’m repeating myself, I suspect you’re not human, how can a human be so incapable of speaking!”

Lin Ran sneered.

The crowd on the stage all laughed at that.

“Lin Ran is it, do you know what you are in my eyes? A clown who thinks he knows a few medical skills and calls himself a little divine doctor, he’s not afraid that others will laugh at him!”

“As for gambling stones, I’ve been playing since I was three years old, how can you compare yourself to me!”

He Fei sneered.

Lin Ran listened but smiled blandly.

“O? Then it seems that your Chao Heavenly Pavilion is really not very good, a famous medical practitioner who doesn’t study medicine properly but goes to play with stones, it seems that your status in the Chao Heavenly Pavilion is not very good either!”

“You know about the Chao Heavenly Pavilion?”

He Fei’s face instantly sank.

The Chao Heavenly Pavilion, Lin Ran naturally knew something about it, only that his confidence was also extremely low.

It was still something he had purchased from Li Sheng at great expense after he had met the Nine Specters Lady back then, feeling that he knew too little about the forces of the entire Feng Shui world.

The Chao Heavenly Pavilion was said to be a medical power, and all the people inside were proficient in Chinese medicine, but they were strange, never treating ordinary people, and none of them had an establishment, so to put it bluntly, they were just journeymen doctors!

But such a power was highly respected by the big families, especially the bigger the family, the more respect they had for them, so I wonder what the foul play is.

At first, when Lin Ran heard about this power, he was quite happy, after all, he was touched to know that there were still so many people promoting Chinese medicine, but now it seemed that even within the Chao Heavenly Pavilion, I was afraid that there were quite a few existences like He Fei who were so uncaring and arrogant.

“Kid! You really do make me a little curious, in that case! Dare you bet on a game!”

He Fei looked at Lin Ran with a cold smile in his eyes.

“How can I bet?”

Lin Ran asked with a smile.

“It’s simple, you call yourself a little divine doctor, so you naturally know medicine, let’s have a two-in-a-row bet!”

He Fei said, and with a wave of his palm, several silver needles flew out, directly ripping the red cloth off the ten stones on the stone pillar.

“Let’s bet on the stones first, whoever has the highest value wins, the one who wins will take out a pair of poisons and the one who loses will take them, if he is capable of solving them himself!”

Said He Fei, but smiled.

“Of course, in order to avoid people saying that I Chao Tian Pavilion bullying juniors, if you can not solve it? Feel free to come to me and kowtow to me three times, and I will solve it for you how?”

“Then if it’s you who loses, the same three kowtows right!”

Lin Ran laughed.

“That’s right! But you don’t stand a chance!”

He Fei laughed.

“Really? Then let’s have some fun!”

Lin Ran said indifferently.

“Good!”

He Fei smiled and immediately waved his palm, and one of the ten stones was already standing up, clearly the one he had chosen.

“Up!”

Lin Ran also dared not lag behind, and with a wave of his palm, a stone likewise stood up.

“Let’s start, Mr Liu!”

Lin Ran smiled lightly while sitting on the chair next to him with Luo Qiqi.

“This

Liu Dingtian was at a bit of a loss at this point, he had thought that Lin Ran and He Fei would be able to sympathize with each other, but he didn’t expect that these two would be at each other’s throats as soon as they met, and looking at the current situation, no matter what the outcome was, his Liu family would be the most difficult to deal with when caught in the middle.

“That two, our exchange tonight is the focus, or else let everyone gamble on the stones first? Let’s reveal the results of the two of you when we’re done?”

Liu Dingtian said, giving himself a buffer of sorts.

“Yes!”

He Fei and Lin Ran nodded their heads, indicating that it was fine.

Only then did Liu Dingtian breathe a sigh of relief and arranged for the host to come on stage and begin the process of gambling on the stones.

What should have been an exciting bet on the stones was made very tasteless with this bet between Lin Ran and He Fei.

It was over in a hurry to help the hour.

As for the opening of the stones, no one said anything, and it was obvious that the crowd was waiting for the result of the bet between Lin Ran and He Fei.

Liu Dingtian had just rested for half an hour, and without even thinking of a fart solution he had to rush up again.

“Two, in that case, let’s open the stone, but as the saying goes, victory and defeat are commonplace, so no matter what the result is, please don’t take it out on the others!”

These words were obviously meant for themselves, otherwise they would have to be finished if they offended anyone the Liu family.

“Don’t worry, we at Chao Tiange are not so bad as to cross your Liu family!”

He Fei said disdainfully, and Chao Tiange had the right to say that.

“So do I!”

Lin Ran said indifferently.

Liu Dingtian was relieved at this and immediately arranged for people to start opening the stones.

Chapter 989

But what surprised the crowd was that the stone opener had only just cut the skin off the stone, and before the inside was revealed, He Fei was standing up by himself.

“All right! I’ll do the next steps myself!”

“This How can I dare to ask you to do it?”

Liu Dingtian said, this He Fei obviously identity is not ordinary, he also do not want to offend.

“You think too much, this stone is very peculiar, these two masters of yours can’t open it!”

He Fei said blandly, while glancing at Lin Ran next to him, and followed him onto the stage.

“There’s a good show to watch, I didn’t expect this He Fei to know how to open a stone too!”

“Yes, this kid looks like he’s a real drag, but he actually knows how to open stones!”

“Don’t talk nonsense, this kid doesn’t look ordinary, it’s better not to offend!”

“Yes, yes, just the fact that Liu Dingtian introduced that this man is proficient in the art of Chinese medicine is already extraordinary!”

There was a lot of chatter from the crowd on stage.

Although everyone had never heard of Chao Tiange’s name, looking at Liu Dingtian’s respectful face, it was obvious that this He Fei’s backstage was extremely large.

“Hehe!”

He Fei smiled indifferently, ignoring the chatter, followed by a spread of his palm, and immediately two silver needles appeared in his hand.

“Whoosh!”

Following that, the palm of his hand waved violently, and at once two silver needles quickly crossed the sky, and then the warp was to pass directly over the jade stone.

This scene was like silver thread cutting tofu without the slightest hint of stopping, and the moment He Fei’s palm stopped, the jade stone on the table had already broken into two pieces at the sound.

“Such a cutting method is too uncouth!”

“Yes, wouldn’t all the good stuff inside be spoilt if you cut it like that!”

“Hey, what a waste!”

There were many comments from the crowd.

You know that gambling is gambling, but this stone is after all the common property of the Liu family and Luo Ran’s finance, and when Lin Ran and He Fei opened the bet, both of them paid for it, and the value of this stone alone was at twenty million dollars.

It was also fortunate that Lin Ran had become the big boss of Luo Ran Finance, otherwise he wouldn't have been able to get the money for this stone alone.

"There!"

He Fei gently wiped the silver needle before gesturing for the attendant next to him to hold up the jade stone for display.

At this moment, however, Lin Ran didn't care about this at all, instead he was fascinated by the way He Fei had used the needles just now.

"What's wrong?"

Luo Qiqi, who was next to him, busily asked.

"This person does have some tricks up his sleeve, using a treacherous needle technique that has been lost, it seems that he does have some origins!"

Lin Ran frowned and said.

The Treacherous Needle Technique, as recorded in the Xuan Yang Pharmacopoeia, was a very secretive technique of acupuncture in ancient times, and had only appeared a few times, usually no one knew of the existence of this medical technique at all.

But the Xuan Yang Pharmacopoeia was, after all, a legacy left behind by the ancestors, and naturally, this needle technique was also recorded, so Lin Ran was able to see it at a glance.

"Never mind the needle technique, look at his stone!"

Luo Qiqi was suddenly stunned, and busily shouted.

Lin Ran turned his head to look and was also stunned along with him.

He only saw that the two stones being held up by the attendant at that moment were actually clear and unmistakable pieces of patterns.

The two stones had been cut from the middle, and on the two cross-sections at the moment, the base colour was that light green colour, although it wasn't exactly the finest jadeite, it was at least worth some money.

And the most important thing is, in this base colour only on, actually is distributed with a full nine emerald green colour, at first glance, as if nine small fish in the pool swimming in general.

"This This is nine fish spitting out pearls!"

"Yes, and look at the nine little fish surrounding the beads, it's even more superb!"

"My God, no wonder he said that the master stone opener is not skilled, with this level of complexity, I'm afraid that only the emperor can find a master to open it!"

"But he just cut it open in one go! Could it be that he already knew what was inside before?"

The crowd thought carefully, each one looking at He Fei as if he were a treasure.

Just kidding, someone who could peek at what was inside the jade was simply a pot of treasures, it was no problem to make as much money as you wanted.

“Gentlemen, as you can see, I have nine fish spitting out a pearl, nine is the ultimate in numbers, and nine fish plus a pearl just makes one full ten, so you should already have an answer in your hearts as to the value of this item!”

He Fei looked at the crowd and said with a smile.

The most important thing is not the colour of the jadeite, but the fact that it is a whole. Although it is two petals of stone, there are at least four or five fish on each petal, so the value of this item is the whole.

“This thing is at least heavenly priced!”

“Heavenly price? I don’t think so! Although this nine fish spitting pearl of his is rare, it is after all two petals, if it was a piece on top it might be okay!”

“Gentlemen, what do you think the value is?”

There was a lot of discussion among the crowd, and for a while they couldn’t come up with the exact value of this item.

Luckily, Liu Dingtian finally stepped in and came up with a final price only after discussing with a few friends who were also in the jade business.

“Mr. He, the total value of this item should be around 300 million, if it is put up for public auction it should be able to reach 400 million, our company is willing to pay 400 million to buy it outright, what do you think?”

Liu Dingtian said directly, such a good thing to buy even if it was not sold, it was still something to support the appearance of the door, and absolutely could not be missed.

“Four hundred million? Not for sale!”

He Fei directly refused, jokingly, he really did not lack these money, good things are hard to see but money is easy to earn.

“Good! In that case, I’ll ask Mr. Lin to open the stone!”

Liu Dingtian said regretfully.

“Him? There’s no need for that!”

Suddenly, He Fei laughed.

“What is this, Mr. He?”

Liu Dingtian was puzzled.

“His stone is like that even if it doesn’t open, inside is a Taiji diagram, although it is also worth a lot of money, but the Taiji diagram is still a bit short of the fire compared to this Nine Fish Spitting Pearl of mine!”

Said He Fei, looking towards Lin Ran.

“Kid, I think you should stop wasting my time and just admit defeat, maybe I can even give you a simpler poison!”

“Is that so? Then I have Mr. He to thank for that!”

Lin Ran laughed lightly, while also getting up and walking towards the stone.

“My stone likewise needs to be opened personally!”

Lin Ran said indifferently, while already reaching the jade stone.

“Hmph, I don’t know what to do, a Taiji diagram and you really think you’ve found some treasure!”

He Fei’s face was disdainful, naturally he dared to bet because he expected that Lin Ran’s stone would definitely not be worth more than his own, he just didn’t expect this kid to be so stubborn and now he had to go and open the stone.

“It’s not up to you to say whether yours is worth more or not. Moreover, don’t think how invincible the diagnosis technique of seeking medical advice is, that is after all used to see a doctor, if you use it to gamble on a stone, sooner or later you will look away!”

Lin Ran sneered.

“You How do you know that this is my diagnosis technique! What kind of person are you!”

He Fei’s face instantly changed when he heard this, seeking medical advice was one of the four major acupuncture methods that they did not pass on to the Chao Tian Pavilion, and the diagnosis technique among them could peek into the fundamentals, and even a stone could be seen through if it was cultivated to its full potential, and it was with this hand that He Fei was able to know what was inside the stone in advance.

But obviously, in Lin Ran’s opinion, this guy’s Diagnostic Dictate was not yet well practised.

Chapter 990

“There’s no need to tell you how I know that!”

Lin Ran smiled lightly and actually took out two silver needles as well.

“Humph! Even if you know, so what, a taiji diagram is a taiji diagram, even if you play with flowers he is still a taiji diagram, he doesn’t stand a half chance against my Nine Fish Spitting Pearl!”

He Fei said disdainfully.

“I advise you to think about how you should save your own little life later!”

“No need to worry about that Mr. He!”

Lin Ran smiled blandly, followed by a fierce slap of his palm, and instantly the silver needle was lost within the jade stone.

But then, there was no movement, and Lin Ran just stood motionless in front of the jade stone.

“What’s going on?”

“Yes, why isn’t Mr. Lin moving?”

“It couldn’t be that the cut is broken!”

“It can’t be, Mr. Lin was talking a lot before, how could he have cut it badly?”

“It’s hard to say, you can see that Mr. Lin is dressed in a slovenly way, he’s just a dirtbag, how could he really know how to cut stones!”

“That’s true!”

The crowd murmured.

And He Fei even looked on with a smile on his face, full of disdain.

“Clowning around and trying to learn from me, you really don’t know what you’re talking about!”

Time passed by minute by minute, ten minutes had passed in the blink of an eye, but Lin Ran still didn’t make any movements, standing in place.

“Kid! Are you done, can’t you afford to gamble?”

He Fei waited impatiently and opened his mouth to scold.

“What are you rushing for, can’t afford to wait?”

Luo Qiqi stood out and retorted.

He Fei frowned slightly at his words and gave Luo Qiqi a look, with disdain in his eyes.

“Humph! If it weren’t for the strict rules of the sect, I would have gotten you into bed sooner or later!”

He Fei said secretly in his heart.

In fact, he simply despised people like Luo Qiqi Liu Dingtian and was not even willing to deal with these people.

However, since he was interested in coming to this gambling exchange today, he was destined to deal with these people, so he could not help it.

But normally, he would not even bother to look at these people.

Even though Luo Qiqi was beautiful, he knew that he could not do anything to Luo Qiqi at all, otherwise the consequences would be very serious.

Another ten minutes passed, but Lin Ran was still standing still.

This caused those who had still had a shred of confidence in Lin Ran to start muttering.

“Is it possible that Mr. Lin really doesn’t have a solution?”

“It looks like it, this is clearly a waste of time!”

“Waves don’t waste time don’t know, just from the speed alone, He Fei has already beaten him to the punch!”

“You can’t say that, slow work makes perfect work, maybe there’s something strange about this jade of Mr. Lin’s?”

The crowd was talking, but Lin Ran was completely deaf, the sub-realist was concentrating all his attention on cutting the last part of the jade stone.

“Are you finished, boy! If you don’t dare to bet, just say so and waste my time here!”

Finally He Fei couldn’t help himself and scolded at Lin Ran, while he was ready to go up to the stage to see what Lin Ran was doing.

“Stop right there! You can’t go up there!”

Luo Qiqi saw this and directly blocked in front of He Fei.

“Get out of the way!”

He Fei’s face was icy cold, if it wasn’t for the sect rules he would have done it already, how could he waste his words with a woman here.

“It’s over now!”

“Yes, He Fei is in a hurry!”

“Why is Lin Ran still standing!”

The crowd was all looking anxious, and Liu Dingtian was looking even more unsure of what to do, both of them were not something he could afford to mess with, but they were now in a pinch, which really put him in a dilemma.

“You can protect him for a while, but can you protect him for the rest of his life? This poison today, he’ll eat it for sure!”

He Fei sneered.

“Not necessarily!”

Suddenly just at that moment, a voice came from the front instead, followed by Lin Ran’s eyes opening.

“Kid! How come you can’t pretend anymore?”

He Fei sneered.

“Pretend? Do I need to? It’s some people who don’t have that kind of patience, those who know you’re betting, those who don’t think you’re in a hurry to get reincarnated!”

Lin Ran said indifferently, a remark that directly caused He Fei’s old face to turn red.

“Cut the crap, where’s your jade, bring it out!”

“It’s not just on the stage,? Go and see it yourself if you want!”

Lin Ran sneered.

The crowd looked at the stone platform, sure enough the jade stone was still on it, but it didn't seem to have changed from before!

"You're fucking playing with me!"

He Fei was furious at the sight of this, and with a wave of his hand, he shouted at Liu Dingtian, who was on the side.

"As you can see, this kid's stone hasn't changed at all, so playing with it is just a waste of time!"

With that He Fei actually went straight to the stone platform with a single stride, following which he was about to slap Lin Ran's jade stone with one palm.

But at that moment, he heard a "bang" and the jade on the stone pillar broke apart on its own, while two silver needles flew out of the jade and fell directly into Lin Ran's hand.

"I've kept you all waiting, I've finished opening my jade!"

Lin Ran smiled indifferently.

At the same time, a group of people all pushed over to take a look, and at this glance, they all drew in a cold breath.

On the stone pillar, two jade stones were placed flat together, but at this moment, the two jade stones had two colours, one yin and one yang, which were extremely obvious.

Especially at the two dots of the taiji diagram, the colours were even more vivid and staggering.

"This This is really a taiji diagram!"

"My God, He Fei actually guessed correctly!"

"A godly man, a godly man indeed!"

A crowd of people looked shocked in their hearts.

He Fei, on the other hand, was laughing at this moment.

"Lin Ran, you're really stupid, I said before we started that this Taiji diagram of yours was not even comparable in value to my Nine Fish Spitting Pearl, but I didn't expect you to be stupid enough to cut the stone open."

Although he said so, in his heart He Fei knew clearly that Lin Ran's acupuncture skills should be no higher than his own, or at least if he was given this Taiji Diagram to open, he should not do as well as his opponent.

But that didn't matter anymore, because now he had already won.

"Come on, this is the poison I picked out especially for you, it must taste great!"

He Fei smiled as he took out a glass bottle, clearly having decided that he had won.

“Aren’t you too happy too soon, this is indeed a taijitu for me, but how is it worth more than yours?”

Lin Ran laughed lightly.

He Fei was stunned to hear this and hurriedly chided.

“You’re fucking blind, I have nine of them, and whether in terms of area or colour, your Taiji Diagram isn’t as good as my nine fish spitting pearls understand?”

“O? Is that so?”

Lin Ran laughed at his words, as he swept his gaze across the crowd present, and then laughed lightly.

“Do you all also think that the Taiji Diagram is not as valuable as the Nine Fish Spitting Pearl?”

“This

A crowd of people did not answer, but it was obvious that everyone thought so.

“Haha, see, kid, what else do you have to say!”

He Fei laughed triumphantly.

Lin Ran, however, just smiled blandly and followed, holding the jade up.

“An unusual Taiji diagram is indeed inferior to the Nine Fish Spitting Pearl, but what if!”

“What if this is my Taiji Source Eye?”

With that, he saw Lin Ran blow at the cut surface of the jade, and a large piece of powder flew up, followed by the two Taiji eyes of the Taiji diagram actually changing.

The two Taiji eyes, which were originally black and white, actually seemed to have turned into liquid and began to flow slowly.

At once, the whole venue fell silent.
