

Wonder Doctor

Chapter 991

“What! It’s actually the Taiji Source Eye!”

Seeing what was on top of the jade, He Fei’s entire body froze, while the greed in his eyes was undisguised.

“The Taiji Source Eye is actually the Taiji Source Eye, it must be gotten for sure!”

He Fei’s eyes instantly glowed.

“It’s really the Taiji Source Eye! Won’t Mr. Lin be rich now!”

“Who says it isn’t? The last time the Eye of Taiji origin appeared was a long time ago, and it was said to have sold for a whole seven hundred million dollars!”

“Yes, but this time it’s obviously not as big as the last time, I’m afraid it’s only about six hundred million!”

“You’re joking again, six hundred million is not money!”

“No, I’m afraid this Taiji Yuan Eye is more than 600 million, you know last time the bidders were all big families, and I heard that those who didn’t get it at that time all regretted it, if the news of this time gets out, I’m afraid it could be sold for a billion!”

At that moment, the bottom of the room was already in a mess.

Especially the one who said at the end that it would be sold for one billion, immediately set the atmosphere alight.

“Mr. He Fei, after my calculations with the other auction houses, the value of this Taiji Yuan Eye is set at seven hundred million, so .....

Liu Dingtian opened his mouth, his face a little ugly.

As I said before, it was not good for him to behave with anyone who lost.

“It doesn’t matter! I, He Fei, concede defeat!”

He Fei actually agreed with great alacrity.

And this move of his also made Lin Ran a little surprised, he had thought that this guy might even argue a bit more, but he didn’t expect that he would actually agree so readily.

“I am very clear about the value of this Taiji Source Eye, so I concede!”

Said He Fei as he looked towards Lin Ran.

“Brother Lin Ran, poison it!”

He Fei was full of blandness, completely unconcerned.

“Sharp!”

Lin Ran was not pretentious, and immediately took out a silver needle and pricked the tip of He Fei's finger, and immediately a red dot appeared on the latter's wrist.

"In three days' time, the red dot will turn into a thread and by the time it reaches the top of the arm, there's nothing I can do about it!"

Lin Ran laughed, although he didn't know what this He Fei was up to, Lin Ran didn't have any mercy when it came to poisoning.

"It doesn't take three days, I can cure it right now!"

He Fei laughed coldly, following which a silver needle pierced directly into the red spot on his wrist, and then began to drop needles continuously.

However, as each silver needle fell, He Fei's face became increasingly grave, and in the end, he even directly pulled out all the silver needles.

"What a powerful poison, it seems that we can only go back and slowly cure it!"

He Fei sighed and looked towards Lin Ran.

"This poison of yours is very peculiar, I can't solve it for now, but I can definitely solve it within three days!"

"Is that so? Then I'll wait for your news!"

Lin Ran laughed, since the other party was so confident, he naturally wouldn't act as some rotten person.

"Farewell!"

Seeing that there was no more business, Lin Ran was ready to leave at once.

However, He Fei was directly in front of him.

"Wait a minute!"

"Brother Lin Ran, can this Taiji Yuan Eye be sold to me?"

"Wow."

As soon as those words left his mouth, not only Lin Ran, but also everyone else around him froze.

Dare I say it, this guy was so quick, so he had taken a fancy to the Taiji Origin Eye.

"Sell you? It's not cheap!"

Lin Ran laughed.

"No harm, brother Lin Ran, just ask, how much I He Fei will take it!"

He Fei said indifferently, money really wasn't a problem for him, although he only brought five hundred million with him this time, he still had the Nine Fish Spitting Pearl after all, so it would be enough to add up.

“Good! In that case, let’s pay one price, one billion! If you can get it, this Taiji Yuan Eye will be yours!”

Lin Ran smiled indifferently and said.

“Ten .... One billion!”

“My goodness, Brother Lin Ran really dares to ask!”

“Yes, one billion straight away, Liu Dingdian only gave six hundred million!”

“If this is sold, won’t Luo Ran Finance take it to the next level.”

There was a lot of discussion, and some people had already started to mobilise their connections and wanted to place people into Luo Ran Finance.

And some even prepared gifts, ready to visit Lin Ran later.

Are you kidding? Lin Ran’s move was simply a divine move, and the people had already made up their minds who was stronger and who was weaker, so they were naturally ready to get close to Lin Ran.

“One billion! No problem!”

He Fei said as he directly took out a bank card and threw it to Lin Ran.

“There’s five billion on this card, after adding my nine fish spitting beads how about nine billion!”

“Sort of, but there’s still one hundred million missing!”

Lin Ran laughed.

“That’s not a problem!”

He Fei said as he took out a pen and paper and wrote an address, throwing it to Lin Ran.

“In three days Brother Lin Ran will come directly to this place, and the last one hundred million will be given as it is!”

“Good!”

Lin Ran saw this and without any nonsense, he directly accepted the item, while handing the Taiji Source Eye to the other party.

“Cool!”

He Fei harrumphed, ? Immediately, he took the Taiji Origin Eye and left.

“Lin Ran, that Taiji Origin Eye looks extraordinary, why did you give it for sale!”

On the way back, Luo Qiqi was puzzled.

“It is indeed extraordinary, but it’s not as good as you think, if I’m right, a large part of that Taiji Eye is water, the original stone liquid is only very little!”

Lin Ran laughed.

“Then won’t He Fei be angry when he finds out back there?”

Luo Qiqi was a little worried, after all, that He Fei obviously had some history.

“It’s fine, gambling on stones is supposed to focus on gambling, what’s inside without opening it is anyone’s guess, if it’s water, then we can only say he’s unlucky himself!”

“Okay!”

Luo Qiqi did not say more, since Lin Ran had said it was fine, then she was also relieved.

“You can take this money and put it into the company!”

Lin Ran smiled as he was able to give his bank card to Luo Qiqi, the five hundred million was basically unused by himself.

“No, this is your money, it’s better for you to keep it for your own use!”

Luo Qiqi instantly refused.

“What’s mine and yours, you’re all mine!”

Lin Ran said in no good humour, while shoving the bank card to Luo Qiqi.

“You ..... You’re nasty, who’s yours!”

Luo Qiqi’s pretty face flushed and she said no more, but then took out a bank card and threw it to Lin Ran.

“This is the company’s card, all the money earned is on it, this is the main card there is also a secondary card in my hand, how can you go out without some money!”

Luo Qiqi laughed.

“Also!”

Lin Ran did not refuse, he was just about to buy a house recently, and he did need money, so he had this card to use.

As they talked, the two of them had already returned to the company, but Luo Qiqi seemed to be ready to go back with Lin Ran, and after hurriedly packing up a bit, she got into the car with Lin Ran and went to Song Nuan’s house.

“Not sleeping at the office tonight?”

Lin Ran asked with a smile.

“No, there just happens to be something else to talk to you about!”

Luo Qiqi said as she took out an invitation and placed it in front of Lin Ran.

“This?”

Lin Ran was stunned as he picked it up and took a look, on it was written “Temperance Investment Summit!” were written in big letters.

“Tomorrow afternoon, there will be an investment summit, most of the companies in the city will be there, and tomorrow we will also be there, and this time it will be in the name of our Luo Ran Finance!”

Luo Qiqi laughed.

“Then it’s good that you’re going, I’ll forget about it!”

Lin Ran didn’t really want to go, what with the investment summit sounding boring at first.

“No, you’re the proper boss, you have to go! And my father will be there tomorrow too!”

Luo Qiqi blushed coquettishly.

“Er ……”

Lin Ran was helpless and had to agree.

“I’ll wait for you at the office tomorrow afternoon, you can busy yourself in the morning if there’s nothing else!”

Luo Qiqi laughed.

Lin Ran smiled and nodded, he didn’t seem to have anything to do in the morning himself.

But thinking about it, it seemed that the bet between Qin Bing and Qu Jiang was coming up soon, it seemed to be the day after tomorrow.

Chapter 992

A night without words.

The next day early morning.

Su Rou went to school early, while Song Nuan stayed behind to keep Qin Bing company, after all, there were still two days left, and it was quite miserable to be bored at home all the time with everyone.

Lin Ran packed up and was ready to go to Wang Yifei in the morning to see how Xiao Fei was doing, but just before he left the house, he received a phone call from Old Five.

“Ranzi, are you busy?”

“No, why?”

Lin Ran asked with a smile, he was still very happy to receive a call from Song Jian.

“It’s like this, today Wang Qiang invited us to visit the company he works for, do you want to go?”

Jian Song asked.

“The company he works for?”

Lin Ran was stunned, this Wang Qiang, apart from having his own business, also seemed to have a position in Luo Ran Finance it seemed, and this time it should be an invitation to visit Luo Ran Finance.

“Me? Forget it, not much interest!”

Lin Ran smiled and refused.

He had just been to Luo Ran Finance yesterday, and nine out of ten people there now knew him, so if he followed them there, wouldn't he be exposing his identity?

Although it was very cool to expose in front of them and get in their faces, Lin Ran was pressed to have no such interest, he was not from the same world in the first place, so why would he bother.

"Ranzi, I know Wang Qiang and Hongxiu are annoying, but you have to think for yourself too!"

Old Five persuaded.

"You can't be a chauffeur for the rest of your life, put up with it for a while, come over here and let's visit Luo Ran Finance, once we do start our own business behind us, when we make something happen, then Wang Qiang and Hong Xiu will still be ignored!"

"Old five, I understand what you mean, but I ....."

Lin Ran was a bit helpless, he couldn't really tell Song Jian that Luo Ran Finance was owned by himself? That would be too embarrassing.

"Okay, okay, I'll go, I'll be on the road later!"

Helpless, Lin Ran had no choice but to agree.

After giving Wang Yifeng a call, Lin Ran then drove to the entrance of Luo Ran Finance.

"Yoyo look, our handsome Lin is here again today in his Porsche!"

"Isn't that right, it's just brightening up my eyes!"

"Rich people are different!"

As soon as Lin Ran arrived, the voices of Hong Xiu and Wang Qiang were heard next to him, these two seemed to be as unpleasant as the sight of Lin Ran, sourly one after the other.

"Why Lin Ran, your boss is fine today, he actually gave up and let you drive a Porsche out!"

Wang Qiang laughed, afraid that others might not know that Lin Ran's car belonged to his boss.

"It's alright!"

Lin Ran laughed lightly, not bothering to pay him any mind.

"Wang Qiang how do you say that, his Lin Ran is not ordinary, he was in the Liu family auction insider yesterday!"

Hong Xiu laughed, while looking at Lin Ran.

"Lin Ran, tell us instead, how did it feel to stay in that inner arena?"

"It was alright, I even met Mr. Lin!"

Lin Ran laughed indifferently, a remark that caused Hong Xiu's old face to redden.

“Hmph! So what if I saw him, what kind of person can Mr. Lin be like you? At most, you’ll just have a look!”

Hong Xiu sneered, in his opinion Lin Ran was just mentioning the pot.

“Who’s Mr. Lin?”

Song Jian looked confused, having no idea what they were talking about.

“Mr. Lin is the boss behind Luo Ran Finance, an absolute super tycoon! How can we compare!”

Hong Xiu said with a flowery face.

“Right Lin Ran, haven’t you met him, tell me if Mr. Lin is handsome!”

“Him? I’m afraid I’m looking at him from afar, you expect him to be able to tell anything!”

Wang Qiang had a disdainful look on his face.

Lin Ran smiled blandly at this and said.

“It’s alright, Mr. Lin is about my age, and I even had the honour of shaking hands with Mr. Lin!”

“What? Shake hands? Just you?”

Hong Xiu was overwhelmed with jealousy as he heard this and said.

Just you, a poor bastard, actually shook hands with Mr. Lin, what a fucking disgusting way to go out and meet shit.

“Maybe last night Mr. Lin was doing charity work!”

Wang Qiang sneered, but there was the same jealousy in his eyes.

“Well, let’s go inside,? The company still has a big event to attend this afternoon, so we can only take advantage of the morning to visit for a while!”

Wang Qiang greeted, but in his heart he secretly said.

“Hmph! Shaking hands with Mr. Lin? What are you tugging at, I work in Mr. Lin’s company, I’ll let you see what strength means later!”

As they spoke, the group had already entered the company.

As soon as they entered, there were all modern offices, and high-grade decoration, even the most ordinary employees were using very high-grade office equipment.

“This company really has some strength!”

Song Jian couldn’t help but nod his head as he watched, just these office equipment alone were not something an ordinary company could afford, showing the great strength of Luo Ran Finance.

“That’s right, don’t even look at whose company this is, our brother Qiang works in the personnel department, and the manager of the personnel department, Wang, is also our brother Qiang’s cousin’s uncle.”

Hong Xiu was full of smugness.

“Manager Wang?”

The Song family listened with envy, a relative was a manager at Luo Ran Finance, no wonder Wang Qiang was able to get a position here as well.

“Manager Wang? Wang Li?”

Lin Ran frowned slightly as he listened.

“What? You know my uncle?”

Wang Qiang was stunned for a moment, followed by a response.

“Ao I forgot, I think it’s your boss who knows him!”

“Heh, right!”

Lin Ran smiled and nodded his head, not bothering to say more.

The group of people soon arrived at the personnel department, and as soon as they entered, all of them surprisingly stood up, each one looking at Lin Ran’s four faces full of respect.

“Shhh.”

Lin Ran secretly made a gesture at a few people not to speak indiscriminately, and only then did he breathe a sigh of relief.

Luckily, he had reacted quickly, or else his identity would have been pierced the next moment.

“You’re all welcome, I’ve brought my friends here to have a look around, everyone get busy with your own!”

Wang Qiang waved his hand, a boss’s faction, unaware that the others were looking full of contempt, people stood up which was to greet him.

“This is it!”

Wang Qiang led the crowd directly to Wang Li’s office, and immediately pushed the door and walked in.

“Uncle, I’ll bring a few .....

As soon as he entered, Wang Qiang smiled and said.

But before the words were finished, his entire body froze.

“Little Wang how is it you? Where is my uncle?”

Looking at the youth in front of him, Wang Qiang was stunned, and his gaze followed with even more surprise.

“Meng Meixin, why are you here too?”

That’s right, there was someone else in the room besides Xiao Wang, none other than Meng Meixin.

“Lin Ran? You’re here?”

Seeing Lin Ran, Meng Meixin immediately ran over with a smile ignoring Wang Qiang at all.

“Don’t expose my identity!”

Lin Ran whispered before laughing.

“Yeah, Wang Qiang took us on a tour!”

“A tour?”

Xiao Wang on the side smiled and frowned, all of them were obviously human beings who had made it to this position, where they didn’t understand that Lin Ran didn’t want to reveal his identity.

“Wang Qiang, how many days has it been since you came to work? And bringing people to visit, this is Luo Ran Finance, not your home!”

Xiao Wang chided at once.

“Little Wang, who are you talking to? Don’t even look at what status you are,? My cousin’s uncle!”

Wang Qiang scolded, not the least bit put Xiao Wang in the eyes, originally, this Xiao Wang before is Wang Li’s a live in hand, where he will put in the eyes.

“Wang Qiang, open your eyes and see clearly, now I am the manager of the personnel department! As for your uncle, he’s already been fired!”

Little Wang pointed to the sign on his chest and scolded.

Chapter 993

“What?”

Wang Qiang was stunned at the words and his entire body was confused.

His own uncle had been fired? How could this be possible?

“What are you talking about, my uncle is the manager of the personnel department, how could he have been fired, who has such great power!”

Wang Qiang said angrily, looking at Xiao Wang, who used to be just a helper, actually became the new manager of the personnel department, how could he still be calm.

“Mr. Lin opened it, is the power big enough?”

Xiao Wang laughed.

“And there’s you, borrowing your uncle’s name, hanging out a position in the company, doing nothing every day, do you think Lin doesn’t know?”

“Don’t you talk nonsense!”

Wang Qiang’s face turned pale.

“Whether it’s nonsense or not, you’ll soon know!”

Little Wang was too lazy to be bothered with him and turned his head to look at Lin Ran

“Mr. Lin, I’m sorry to miss your presence, I hope you’ll forgive me!”

“What?”

Hearing Xiao Wang’s greeting, everyone froze.

Wang Qiang and Hong Xiu in particular were so shocked that their jaws dropped.

“You ..... What did you call him? Mr. Lin?”

Hong Xiu’s eyes were filled with disbelief, and Song Jian was similar.

“What? You guys don’t know? Mr. Lin Ran is a valued guest of our company!”

Xiao Wang said.

“A valued guest?”

Wang Qiang and the two of them were immediately even more confused, shouldn’t this Mr. Lin be your boss?

“Mr. Lin is a valued guest of our company’s cooperation, am I right Mr. Lin!”

Xiao Wang laughed, although he couldn’t say through Lin Ran’s identity, Xiao Wang was also a human being, so he would naturally find a way to elevate Lin Ran’s status so that he could take the latter’s breath away.

“Sort of!”

Lin Ran said with a helpless smile.

“It’s my boss who has a partnership with Luo Ran Finance!”

“I told you, how could you be Mr. Lin!”

“Scared the hell out of me!”

Wang Qiang and Hong Xiu both sighed in relief, if Lin Ran was really Mr. Lin, they both might as well just kill themselves.

“Alright gentlemen, I’ve said everything that needs to be said, you guys lighten up, as for Mr. Lin do you want me to inform Mr. Luo?”

Xiao Wang asked with a smile.

“No need, we’ll just take a casual stroll!”

Lin Ran laughed.

A stroll? How can this be a stroll? His cousin’s uncle had been dismissed, and he might have to be yellow, so Wang Qiang could not go on shopping.

But at this time already Ma Shan is about to pour noon, the afternoon also have to go with the company to participate in the investment summit, originally did not come to work, this if not, I am afraid that the work will really not report.

Thinking, Wang Qiang still led the crowd directly to the company entrance.

At this moment, a bus and two Rolls-Royces were parked at the entrance, which were ready to pick up Luo Qiqi and a group of other company executives to attend the investment summit in the afternoon.

“Let’s go, it’s a rare visit we have to go and have a look!”

Wang Qiang said helplessly, then took Hong Xiu and got into the car.

“Jian Song come along!”

Hong Xiu invited.

“Mmm!”

Jian Song nodded, he did want to go and see the so-called investment summit.

“Lin Ran is coming along?”

Song Jian smiled.

Lin Ran was just about to nod when Hong Xiu’s voice came from the car.

“There’s only one seat left, Lin Ran or else you can drive yourself there? Don’t you have a Porsche! And it’s a valued guest of someone else’s Luo Ran Finance! How can you do a bus!”

“Hong Xiu!”

Song Jian frowned slightly, where could he not hear that Hong Xiu’s sour words were a dig at Lin Ran.

“Forget it, you guys make the bus, I’ll go by myself!”

Lin Ran said indifferently, he was really not interested in these two people at all, if it wasn’t for Luo Qiqi also saying that he had to go to the investment summit, he would have even gone straight home, not even bothering to idly talk to Wang Qiang and the two people here.

Soon it was time to leave, and the bus was finally filled with people, while Lin Ran was standing by the roadside, chatting with Song Jian, ready to wait for the car to start before he went to drive his own car.

“Lin Ran?”

Suddenly, Luo Qiqi saw Lin Ran in the crowd and couldn’t help but frown slightly.

She already knew about the morning’s events, which was why she hadn’t come looking for Lin Ran, but she didn’t expect the latter to be left hanging on the road at this moment.

“Go and fetch Lin Ran!”

Luo Qiqi rushed to Uncle Luo who was next to her, Lin Ran did not want to reveal his identity, and it was not convenient for her to go over directly at this time.

“Yes!”

Uncle Luo nodded at his words.

“Alright, I’ll go drive and call when I arrive!”

Lin Ran laughed, while bidding farewell to Jian Song and preparing to go and drive her own car.

But just then, Uncle Luo came running over.

“Sir, the young lady is waiting for you in front!”

“Qiqi?”

Lin Ran was stunned, followed by a nod and walked straight towards the front.

“Hey hey! What is this kid preparing to do? Is it possible that he’s angry and ready to walk over?”

In the car, Hong Xiu was always looking at Lin Ran and laughed at the sight.

“Walk over? Unless he’s out of his mind, it’ll take him a good two hours to walk there!”

Wang Qiang laughed.

“That might be looking for a shared bike!”

Hong Xiu laughed.

“No way! He’s not driving the boss’s car!”

Wang Qiang was stunned.

Hong Xiu, however, smiled even wider.

“You’re silly, that’s someone’s boss’s car, he drove it to the summit, he’d be embarrassed to death if his acquaintances saw him, so I guess he wouldn’t dare to drive it!”

“That’s true!”

Wang Qiang suddenly dawned on him and laughed too.

Only Song Jian, who was on the side, clenched his fists, hating to rush down directly, but at this moment, the car had already been driven, and it was impossible for him to get down even if he wanted to.

“Hm? Ranzi?”

Suddenly, Song Jian saw Lin Ran stop in front of a Rolls Royce, followed by the car door opening.

“Hm? Isn’t that Mr. Luo?”

Hong Xiu noticed this as well, and immediately his entire body froze.

“Shit! How did this kid get into Mr. Luo’s car!”

Wang Qiang was also confused.

What kind of person was General Luo, to actually let a poor bastard get into his car, this was too shocking.

Especially since this person was also Lin Ran, this made it even more difficult for Hong Xiu and Wang Qiang to accept it somewhat.

“This Lin Ran couldn’t really be Mr. Lin from Luo Ran Finance, could he!”

Wang Qiang guessed at this point that the things that had happened in the last few days had always had Lin Ran in them every time, which made him very confused.

“Impossible! Absolutely not possible!”

Hong Xiu reacted greatly,? outright vetoed it.

“How could it possibly be Mr. Lin with his dangly face!”

“Besides if it’s Mr. Lin, how can the employees of Luo Ran Finance not know him!”

“Moreover, you were forgotten, but Lanya said that this kid is a female tycoon’s driver!”

Said Hong Xiu, still not feeling relieved, suddenly thought of a point and busily said.

“I know, don’t you guys forget that? Before that little Wang said that Lin Ran was a VIP of their company, it must be because of the female boss too, and this time when he got into Mr. Luo’s car, it must be because of that reason too!”

“My God Xiu’er, you can even go write a deduction novel, such a comprehensive analysis!”

Wang Qiang couldn’t help but praise.

“That’s right, if you want to act like a pussy in front of me, don’t even look at who I am, Lin Ran is definitely a poor pussy, there is no injustice in this matter!”

Hong Xiu said smugly.

Song Jian, on the other hand, did not say a word as he pondered in his mind, and after a few moments slowly spoke.

“You guys are all saying that Lin Ran is a poor pussy, so I would like to ask, can a poor pussy make the female boss take the initiative to hold his arm? A poor pussy can make Mr. Luo personally stop the car?”

“You guys are the ones who say it’s because of the female boss, but where is the female boss? Have you seen her? So many times the female boss is not there, but Lin Ran is still so dignified, don’t you guys think it’s ridiculous to put all the problems on the so-called female boss?”

Said Song Jian as he looked at the two, his eyes slightly narrowed.

“Or are you two deluding yourselves, not wanting to admit that Lin Ran is a rich man! And richer than you guys?”

Chapter 994

The venue of the Investment Summit is located in the city centre.

It is a very busy commercial street, and the venue for the summit is in the most prosperous five-star hotel on the commercial street, the Tamagawa Hotel.

This hotel is the face of the entire city of Tamagawa, and was opened by the Luo family, which took the lead in funding a number of strong enterprises to work together.

On weekdays, this hotel is basically not open to the public, only used for special receptions, no way this hotel is about a brand name, not you can come just because you have money.

“Wow! Brother Qiang, you’re really amazing, you can actually come to the Temperance Hotel, this is a place that many people can only dream of coming to!”

Standing at the entrance of the hotel, Hong Xiu was so excited that if it wasn’t for the limited memory of her phone, she would have wanted to take a direct shot of the hotel’s introduction.

Of course, naturally, there was no shortage of selfies of herself, after all, she would have to post them to her friends later.

“Hongxiu there you are!”

Suddenly a voice rang out from the side, turning her head to see that it was unexpectedly Lanya and Misa.

“Why are you two here too?”

Seeing the two, Hong Xiu was obviously a little upset, joking Temperance Hotel, this was a place that could represent status, it was best to only come by yourself.

This is good, Misha and Hongxiu also came, how else can one enjoy this esteem all by oneself.

“Why don’t you look welcome to us?”

Misha frowned slightly.

After these two incidents, there was also a layer of separation between her and Hongxiu, apparently precisely because of Lin Ran.

“What’s not welcoming about me, but this is the Temperance Hotel, you have to see if they welcome you on the hotel side!”

Hong Xiu said indifferently.

“I’m here with Brother Qiang, who is from Luo Ran Finance, as for you guys, even though we are classmates, I can’t help you!”

“That won’t be necessary, we can naturally get in since we’re here!”

Meisha said blandly, even she mocked herself, this Hongxiu was really okay.

“Brother Jian we came with Jiang Fu, he’s already taken care of the tickets!”

Bluea was busy holding onto Jian Song’s arm, her face full of smiles.

“Jiang Fu? Why are you hanging out with him too?”

Jian Song frowned slightly, clearly not having a good feeling about this Jiang Fu.

“Brother Jian, what happened last time was all a misunderstanding, besides Jiang Fu is just one of Brother Tian’s men, and there are times when he has no choice!”

“Is that so? What does it have to do with me!”

Song Jian said coldly, while shaking off Lan Ya’s arm.

Last time Jiang Fu helped Brother Tian deal with Lin Ran, this was something he hadn’t forgotten, so how could he possibly have a good face at this moment.

“Hey hey guys, look, what a beautiful Rolls Royce!”

Suddenly, Meisha pointed to the side and exclaimed.

When Hong Xiu and the others looked, they were frowning slightly, the car was none other than Luo Qiqi’s car.

The car stopped and Lin Ran walked straight out of it, this scene immediately made the two of them, Lan Ya Meisha, grow their mouths.

“How come Lin Ran is in this car?”

“Yes!”

The two were so shocked that they were at a loss for words.

“And, Lin Ran is actually talking to the woman up there, my god, what kind of identity is Lin Ran!”

Meisha’s whole body was trembling, before Lin Ran personally told him that he had no money, but now .....

“Could this kid have been lying to me all along?”

Misha had some regrets in her heart.

Why hadn’t she insisted on it in the first place, at least seeing this situation at this time wouldn’t have been so hard on her heart.

“Come on! He has never seen the world, that kid is only sitting in that car by the face of his female boss, with himself I’m afraid he can’t even afford the wheels!”

Hong Xiu said in a cold voice.

She just couldn’t see Lin Ran being good, even if it was clear in her mind at this point that Lin Ran was simply lucky, this wouldn’t do.

“Old Fifth, let’s go!”

Lin Ran smiled as he walked over, sweeping his gaze over the crowd and directly addressing Song Jian.

“Mm!”

Jian Song nodded, and the two of them immediately walked towards the hotel.

“What the hell!”

Hong Xiu was so angry that she gritted her teeth, this attitude of Lin Ran ignoring herself simply made her nauseous.

“Forget it, he’ll get his ass kicked later!”

Wang Qiang consoled as he stayed while Hong Xiu also walked in.

“Go! Let’s go in too!”

Meisha greeted, and immediately followed in with Lanya.

The Jiangfu Group, which Jiangfu represented, was also considered a new industry, although it was a small company, but this kind of investment summit, which never turned down any company, was supposed to promote the development of enterprises in Tamagawa City, so naturally, all who came were friends.

When they arrived at the hall, the summit was about to start, so Lin Ran took Song Jian to sit down at an unoccupied table and prepared to have a good chat.

But as soon as he sat down, Hong Xiu and the others arrived and sat down next to him without any problem.

“Why don’t we change places?”

Lin Ran got up and laughed.

“Yes!”

Song Jian followed and got up, but before the two of them could leave, suddenly Lan Ya pulled Song Jian’s do down.

“Change what place, I think this place is just fine!”

“That’s right, do some people think this place is a roadside stall? Change the place if you want to, if you have the guts to change the stage?”

Hong Xiu sneered.

On the platform, there was only one big round table, obviously only the highest status people could go up there, while their position was obviously the ordinary hospitality area.

“Lin Ran, it’s your first time in a place like this, don’t run around, sit obediently or people will think you’re here to be a waiter!”

Wang Qiang couldn’t help but laugh, seemingly wanting to let out all the anger he was holding before.

“I’m warning you, sit over there, there are two more seats opposite, don’t be next to me, it’s too fucking humiliating!”

Hong Xiu sneered, at this point the two were in full vigour, constantly taunting Lin Ran.

“Ranzi, forget it, let’s go across the street!”

With an ugly face, Song Jian pulled Lin Ran up and was about to go over.

“Hey hey! No, you have to be next to me!”

Lan Ya instantly quit, directly pressing Song Jian into his position and refusing to let go.

Seeing this, Lin Ran shook his head helplessly and was ready to sit over himself, at least next to Meisha, who hadn't been targeting himself recently.

But at this moment, suddenly there were three youths next to him who came over and greeted Jiang Fu warmly.

“Yo isn't this Jiang Fu of Jiang Fu Group? How come Brother Tian didn't come!”

The youth in the lead laughed.

“Meng's three brothers, long time admirer!”

Jiang Fu laughed, while greeting the three men and seating them, and immediately a table was filled.

“Aiya, it's better to hear a hundred things than to see them, the three Meng brothers are really talented! Heroes come from youngsters!”

Jiang Fu praised.

“Mr. Jiang is joking, we were worried that we didn't know anyone, but we ran into Mr. Jiang right after.

The Meng family elder laughed.

“That's a must!”

Jiang Fu hurriedly made up a smile, while introducing Lan Ya Mesa and the others to the three of them.

The three brothers also greeted each other one by one, but then they saw Lin Ran who was standing aside and had no place.

“Mr Jiang, this brother is also your friend?”

Elder Meng asked with a big smile.

Jiang Fu's face changed and he was a little embarrassed not knowing what to say.

If it was before, he would have said he didn't know him in no uncertain terms, but since Brother Tian had even been beaten up last time, he didn't dare to say anything about Lin Ran now.

But while he didn't dare to say anything, someone else did, and Hong Xiu immediately laughed and said.

“Mr Meng, you're joking, how could we know him, he's just a waiter, a poor loser!”

Chapter 995

“Yes, Brother Meng, you still remember me! My father is Wang Tianba! My name is Wang Qiang!”

Wang Qiang followed suit and laughed.

“This kid is one of my fiancée’s classmates, his family is very poor and he works here as a waiter, if we didn’t know his background, we would have almost been fooled by him!”

“O so!”

Boss Meng nodded slightly.

“Brother Wang Qiang, slightly influenced, but nowadays there are many scammers, you have to worry, especially what classmates class, that is impossible to guard against!”

“That’s right, that’s right!”

Wang Qiang was busy laughing.

The crowd was talking and laughing, and even mocking Lin Ran a little from time to time.

Song Jian listened so much that he wanted to turn the table upside down, but Lan Ya was holding onto his hand, so he had nowhere to vent his anger.

“How come I’ve been so unlucky lately!”

Looking at his place being taken, Lin Ran also scratched his head helplessly and prepared to find a place to do it.

But when he turned around, he was stunned. The tables that had been empty were all full, and as far as the eye could see, he was the only one still standing in the same place.

Even the high platform was filled with people,? Luo Qiqi was also on it, and next to him was Luo Ming and Jiang Sansi.

“It’s really worthy of an investment summit, basically all the famous entrepreneurs from the entire Temperance City are here!”

Lin Ran exclaimed, looking at the scene in front of him, he also felt happy for the future of Tanjiang City.

“All right, everyone, our investment summit will start soon, so if you haven’t taken your seats yet, hurry up!”

The host urged as soon as he got on stage, obviously talking about Lin Ran as well.

He was the only one without a seat in the entire venue, so he was simply not too noticeable.

Seemingly to avoid embarrassment, as soon as the host’s words fell, the lights struck through, leaving out Lin Ran’s supposed seat so as not to be embarrassed by the crowd, and to give Lin Ran time to find a place.

“What’s with this kid’s tiger head and waiters standing around!”

Boss Meng shook his head and said.

“Who knows, maybe he’s an idiot!”

Hong Xiu sneered, at this point the scene was as relieving as it could be!

“I think so, where would a normal person stand here! It’s a disgrace!”

Wang Qiang echoed.

“Brother Jian, your brother is too stupid!”

Lanya also laughed.

“Say another word!”

Song Jian blushed ugly and glared at her, scaring her into saying more.

“Hey bro, come here! What are you standing around for?”

Suddenly, someone from the crowd standing next to him spoke up, ? Most of the people standing here at this moment were some drivers and the like, with little status and naturally no seats.

“Kid, you’re stupid to be a driver, hurry up and come over here, don’t mind the shame!”

“That’s right, no status still blindly rubbing what seat!”

“Now you’re not coming over, you’re not a waiter, are you?”

“Waiter? Is the Temperance Hotel blind to find such a brainiac as a waiter?”

“Haha, maybe they just have connections?”

The crowd couldn’t help but laugh.

And at this moment, the guests at the several surrounding tables also looked over and couldn’t help but shake their heads.

To lose face on such an occasion would simply be asking to be famous.

At this moment, on top of the high stage, the host had already handed the microphone to Luo Ming.

“Gentlemen, we all know that tonight is an investment summit in our Temperance City, since it is an investment summit, it is naturally a gathering of some big companies, but I am curious, how come the boss behind our Luo Ran Finance is not here?”

Luo Ming looked towards his daughter, Luo Qiqi.

“Yes! Kiki, your father can’t even look at Mr. Lin?”

“That’s right, where’s my great nephew going?”

Jiang Sansi and Liu Dingtian both couldn’t help but ask, there was bound to be a place for Luo Ran Finance on this high stage tonight, but Mr. Lin didn’t show up and the crowd felt a bit underwhelmed.

“Gentlemen, on an occasion like today, there is no father and daughter, only cooperation, so I am flattered that you all remember our boss at Luo Ran Finance so well!”

Luo Qiqi took the microphone, swept her gaze over the crowd and followed with a smile.

“Actually, Mr. Lin has already arrived! Right inside the venue!”

“What? Mr. Lin has already arrived?”

“Really? Where is it?”

“Shit, it’s not on our table, is it!”

“I don’t know, huh? Hurry up and look for it!”

A kind of bosses were boiling, that was the boss of Luo Ran Finance, if we could get to know each other, not to mention chatting a bit, just getting acquainted could bring great benefits I’m afraid.

“Hey hey! Did you hear that, Brother Qiang? Mr. Lin is here too, at last we can see the real face today!”

Hong Xiu pulled Wang Qiang in excitement.

“Yes, at last we can meet Mr. Lin!”

Wang Qiang was also full of excitement, but he didn’t forget to glance at Lin Ran next to him and sneered.

“Lin Ran, Mr. Lin, both surnamed Lin, how come this gap is so big!”

“I pooh! Lin Ran just him also match with Mr. Lin? Comparing with a pig turd a pig turd wouldn’t even be happy!”

Hong Xiu laughed.

“What, you guys haven’t met Mr. Lin yet?”

Boss Meng spoke up and laughed.

“You’ve met Mr. Meng?”

Hong Xiu said with a flowery face.

“I’ve met, I’ve had dinner with Mr. Lin twice!”

Elder Meng laughed.

Who couldn’t brag, and since Mr. Lin wouldn’t come over to greet himself on such occasions, he wasn’t worried about being poked and prodded.

“Mr. Meng is so powerful!”

Hong Xiu was full of envy.

Wang Qiang, however, looked a little unhappy, his mother’s own woman looked at another man with her eyes shining, who could be comfortable with that.

“Sister Hongxiu, if you want to get to know Mr. Lin, I can help introduce you later!”

Meng Gongzi laughed.

“No need!”

Wang Qiang instantly refused, looking at Boss Meng with a wary expression.

“Ao, it’s alright, what I said is valid at all times!”

Boss Meng glanced at Wang Qiang and smiled at Hong Xiu.

And Song Jian, who was watching from the side, couldn’t help but laugh at once.

“This digging is simply too blatant, but it’s not like it’s his business, so naturally he’s too lazy to care!”

As the crowd spoke, Luo Ming on the stage could hardly stand it anymore and urged on.

“Alright Kiki, Mr. Luo! Hurry up and let Mr. Lin come up, I haven’t even seen him for a long time!”

“Hee hee okay!”

Luo Qiqi smiled heatedly and shouted after her.

“Let’s have Mr. Lin come up!”

At once everyone’s eyes looked towards the stage, obviously waiting for Mr. Lin to arrive.

“Ai!”

Lin Ran sighed helplessly, he didn’t really like this kind of occasion, but the words had already been said, so he had no choice but to walk towards the stage.

“Hey, hey! Look guys, why is Lin Ran walking towards the stage?”

Hong Xiu was startled.

“Holy shit, this kid doesn’t think that Mr. Lin is shouting at him!”

Lan Ya was also frozen.

“Holy crap, it’s too them to be ashamed! Don’t say we know him later!”

Wang Qiang said busily.

At this moment, even Jiang Fu and the three males of the Meng family couldn’t help but cover their faces, obviously too embarrassed.

“Hey hey, isn’t that the driver? Why is he still walking towards the stage?”

“Holy shit didn’t he just say he was a waiter? Now his brain has been kicked by a donkey!”

“I think so!”

The people around them couldn’t help but laugh too.

Lin Ran was dressed so dirtily that no one would even think of him and Mr. Lin as the same person.

Chapter 996

Amidst the murmurs and jeers of the crowd, Lin Ran slowly arrived at the front of the stage, standing quietly and without speaking, while all eyes were looking over at that moment.

The next scene, however, left the crowd stunned.

Only to see that on top of the high stage, Luo Qiqi Luo Ming and Jiang Sansi Liu Dingtian and a host of other corporate giants of Tanjiang City actually all arched their hands at Lin Ran and laughed in unison.

“Welcome Mr. Lin to the stage!”

“What?”

“Barf!”

“Ding dong!”

The chopsticks and spoons in the hands of Hong Xiu Wang Qiang, and even Lan Ya and the others, all fell down.

And Boss Meng’s old face even turned red as he directly pushed his chair away and hid under the table.

He himself just wanted to brag about it, but who knew that he would be hit in the face so soon.

“He ..... Lin Ran ..... How could it be .....”

Hong Xiu was losing the strength to even speak.

“How could Lin Ran be Mr. Lin!”

Wang Qiang’s face bristled white as he looked back.

Even if he said that Lin Ran was a rich man he wouldn’t be so surprised.

But now that Lin Ran was actually Mr. Lin, an existence that could completely bankrupt his Wang family with the movement of his little thumb, how could he not be surprised.

“Jian ..... Brother Jian!”

Lan Ya’s mouth grew in surprise at the same time.

“What? Seeing my brother’s strength and dumbfounded?”

Song Jian sneered, he was also surprised just now, but at this moment it was more of a blessing for his brother, he was genuinely happy for Lin Ran that he had made it to where he was today.

“Weren’t you all so bullying just now?”

“Why are you all silent now?”

Song Jian swept his gaze over the crowd and finally landed on Hong Xiu.

“Lin Ran never liked you at all before, it was just a few silly classmates circulating rumours around making fun of him, and I can even tell you that Lin Ran never wrote any letters in college, and the person you wrote letters to communicate with was someone else too!”

“What are you talking about?”

Hong Xiu’s pretty face turned red and she wanted to find a crack in the ground.

“You’re the only one who dislikes my brother, do you deserve it?”

“Also, where’s the Meng family brother who was so tugging just now? Didn’t they say they had dinner with Lin Ran? Where is he now? Why is he missing?”

With a cold smile on his face, Song Jian got up and left the place.

Seeing Lin Ran’s achievements today, he was relieved, so naturally there was no need to eat any more of this meal, he was already full just from looking at the faces of Hong Xiu and the others.

“Gentlemen, excuse me for a moment, I’m going to take care of some business!”

On the stage, seeing Song Jian get up and leave, Lin Ran was busy rushing at Luo Ming and the others, and then actually followed him out.

“No, something has to be done, I can’t let the Wang family be destroyed by my hands!”

Wang Qiang reacted at this moment and hurriedly followed out as well.

“Brother Qiang, you wait for me!”

Seeing this, Hong Xiu also hurriedly followed out, while Lan Ya and the others naturally couldn’t stay any longer and ran out one by one.

“What’s wrong with Lin Ran?”

Luo Ming asked with a puzzled look on his face.

“Nothing, a few former classmates, some things to take care of!”

Luo Qiqi said blandly.

“O! That’s so!”

Luo Ming suddenly dawned on him, there were times when words didn’t need to be said clearly, those here were all understanding people, they naturally knew what was going on.

.....

“Old Fifth, why are you leaving so soon?”

Lin Ran chased out and asked busily.

“Ranzi, I didn’t expect you to be Mr. Lin now!”

Song Jian looked at Lin Ran and smiled.

“Sorry, I never told you, mainly because I didn’t want to be exposed in front of that group of them!”

Lin Ran said helplessly.

“I understand, in fact I should have thought of that, just where does Lao Si have the money to start a business, it’s obvious that someone helped him!”

Song Jian laughed.

“No matter who I am, we’ll always be brothers!”

Lin Ran laughed.

“Mmm!”

Song Jian also smiled, really brothers do not need to say much at all, a little bit of the usual is all can feel.

“By the way, what are you going to do in the future?”

Lin Ran asked with a smile.

“Start a business!”

Song Jian said.

“Good! I understand!”

Lin Ran nodded his head.

He understood Song Jian’s character, a very dignified person, so if he helped him directly it was obviously not very realistic, so it was better not to say some things and just do something practical.

“Wang Qiang and the others are here too!”

Song Jian suddenly frowned and said.

“They should be here to apologise!”

Lin Ran smiled lightly, having known this would happen.

“Lin Ran ..... No no, it’s Mr. Lin, what happened before .....”

Wang Qiang’s old face reddened, somewhat unable to open his mouth.

Originally, the person who had been mocked by himself before, suddenly found that people were much more bullying him than he was, whoever else was afraid that he would not be able to accept it for a while.

“What was it before?”

Lin Ran turned around and looked at Wang Qiang, his expression still bland.

“I .....”

Wang Qiang was at a loss for words, even if Lin Ran had given him a good taunt or beaten him up, it would have put him more at ease than this lack of reaction now.

“Mr. Lin, what happened before was indeed my fault, if you have anger, please don’t implicate my family thank you!”

Wang Qiang gritted his teeth and still spoke out what was in his mind.

“Don’t worry, I’m not that careful, as for anger! Why should I have anger? Do you really think I’ll get angry just because you guys mocked me a few times?”

Lin Ran said indifferently.

“Right... I’m sorry!”

Wang Qiang lowered his head, only now understanding what Lin Ran meant.

His own taunts didn’t mean anything to others, in the first place, they weren’t on the same level as himself, so there was no need to get angry because of a few of his words.

And now that I think about it, perhaps my own mockery before was no different from being a fool in people’s eyes.

“Then Lin Ran ..... Mr. Lin, in the future we .....”

Wang Qiang asked busily, but as soon as the words left his mouth, he felt that they were a bit too much.

“In the future? There shouldn’t be much chance of meeting in the future!”

Lin Ran said indifferently.

Although he didn’t care to see Wang Qiang in general, it didn’t mean that he was cheap, you’ve mocked yourself so much and still expect yourself to help you? Think too much.”

“You’re enough Lin Ran!”

Hong Xiu was furious at his words.

“So what if you are Mr. Lin, aren’t you still my college classmate, what are you magical, even if you don’t help Brother Qiang, what nonsense are you talking about!”

“Also, don’t think that just because you’ve climbed high up in the Luo family, in my Hong Xiu’s eyes, you’re just a soft-earned trash!”

“Hong Xiu shut up!”

Wang Qiang hurriedly blocked, however Hong Xiu waved Wang Qiang away.

“Why should I stop? My mouth is on me, I can say whatever I want!”

Hong Xiu was annoyed and angry.

“Yes, the mouth is on you, you can say whatever you like, it has half a cent to do with me!”

Lin Ran said indifferently, then actually turned around and smiled at Jian Song, following which he walked towards the hotel.

“Stop right there, I haven’t finished yet!”

Seeing Lin Ran ignore herself like that, Hong Xiu became even more furious, what she did was just to make Lin Ran look at her one more time, but what did she get? Instead, it was Lin Ran’s outright ignorance.

“Blast the person out, I don’t want to see this person in the hotel in the future!”

Lin Ran said at the security guard, and then disappeared inside the hotel.

## Chapter 997

“Lin Ran, what are you, I don’t want to see you yet!”

Hong Xiu was so angry that she gritted her teeth.

“Don’t want to see him, don’t want to see and still invite again and again, you’re really guilty of being a bitch!”

Song Jian said in a cold voice, following which he also turned around and left the place.

“Brother Qiang!”

Hong Xiu looked at Wang Qiang.

However, Wang Qiang shook his head with a bitter smile and said blandly.

“We’re over, don’t bother me in the future!”

After saying that, Wang Qiang actually turned around and left the place as well.

For this kind of result, Lin Ran naturally did not know, nor did he even bother to know, because at this moment, he was leaning on thinking about a big event for tomorrow.

.....

The next morning, Lin Ran drove to the Tamkang Hospital early in the morning.

The reason is that today is the day when President Yang announced his retirement and a new president was elected, and no surprise, the post of president is bound to be born between Qin Bing and Qu Jiang.

The result will depend on who is the better candidate.

In the morning, at eight o’clock, all the hospital leaders were already gathered, especially Qu Jiang who had brought Qu Liang to the meeting room early in the morning.

“Lin Ran?”

Seeing Lin Ran, Qu Jiang couldn’t help but frown slightly, but then he smiled.

It was because when his eyes swept away, he didn’t even find Qin Bing’s figure.

“What, I heard that Qin Bing had a car accident? It shouldn’t be serious, right?”

Qu Jiang had a worried look, but in Lin Ran’s eyes it was as fake as it could be.

“It should be fine, after all, if she died at least there would have to be a funeral or something!”

On the other side, Qu Liang sneered, his words even more full of malice.

Lin Ran’s gaze swept over the two men, there was an icy coldness in his eyes, and for a moment it actually scared the two Qu Jiang’s hearts to the point where a hint of fear rose in their hearts.

“I sh\*t!”

Very cross Qu Jiang reacted and gave Lin Ran a disdainful look as he muttered to himself.

“Why should Laozi be afraid of him? A hairy kid is just that, even Qin Bing has fallen for it, so why should Laozi be afraid of him?”

“Two!”

Suddenly Lin Ran spoke up.

“Do something and leave a line, so that we can meet later!”

“What? What did you say?”

Qu Liang instantly laughed.

“Leave a line for something? I’ll see you in the future? Who the fuck is going to meet you, don’t fucking disgust me, after today this dean is on our side, not to mention Qin Bing, even you have to be kicked out of Temperance Hospital, and also meet each other in the future, in the future you or Qin Bing go meet each other yourself!”

Lin Ran frowned slightly.

It was true that he had an honorary expert position at Tamkang Hospital, but few people paid attention to it on a regular basis, after all, an honorary expert was just a title, not many people would care about it.

“Qu Liang, forget it! What is there to say to this kind of person? After today’s incident, some people should show their true form. A poor loser who has studied for two years in college, and still dares to call himself a little miracle doctor.

Qu Jiang said disdainfully.

“Have you finished?”

Lin Ran looked at the two, and his face was completely ugly at this point.

“Originally, I still had a glimmer of hope for you guys, but now it seems that there is no need for that either!”

Lin Ran said as he sat straight back down in his seat, not saying a word.

Some words would suffice, and as for what the other party said or did, that was not his business.

“Humph! Pretending to be a god, I’ll see what kind of tricks you can play today!”

Qu Jiang coldly snorted, and immediately led Qu Liang to the opposite side and sat down.

Soon everyone had arrived, and Dean Yang even sat on the main seat, sweeping his gaze across the crowd and speaking.

“All of you who have come here today should know what it is about!”

“Understood!”

“The selection of the new dean!”

“Your retirement, Dean Yang!”

The crowd said one after another.

Dean Yang nodded, and then said.

“Everyone knows about this matter, so let me say another thing that everyone doesn’t know!”

“Tonight, there will be a very grand Chinese medicine and acupuncture exchange meeting in our Temperance City, and this is the last time I will lead a team to attend today!”

“What? A very grand Chinese medicine and acupuncture exchange meeting?”

The crowd was stunned at the words, and some of them, who were majoring in Western medicine, sighed helplessly, the Chinese medicine and acupuncture exchange meeting, obviously there was nothing for them in Western medicine.

“Then, Dean, is it true that all those who are majoring in Chinese medicine can go to this exchange meeting tonight?”

Although he was not good at acupuncture, he was at least a Chinese doctor, so naturally, he could go.

However, Dean Yang was shaking his head.

“As I said,? Tonight’s exchange is very grand, so even for our Temperance Hospital, only three people can attend, of which I definitely have to go, the remaining two spots, Lin Ran has one more, and the last one depends on who wins this new deanship today!”

“What? Lin Ran has one more? On what grounds?”

Qu Liang immediately quit.

The new dean was understandable, but why should Lin Ran still have a position?

“That’s right, why does Lin Ran still have a spot?”

“Dean Yang, isn’t this too unfair!”

There were soon other doctors who quit and came forward to say.

Lin Ran swept his gaze over these people and couldn’t help but frown slightly.

He clearly remembered that these people hadn’t taken a stance on who they supported last time when Qin Bing was around, but this time they were clearly on Qu Jiang’s side.

“This old thing has been making quite a lot of moves lately!”

Lin Ran laughed bitterly, it seemed that this Qu Jiang had fought hard for the position of dean.

Dean Yang swept his gaze over the crowd and his face suddenly hardened.

“Why aren’t you guys convinced?”

“Of course I’m not convinced!”

Qu Liang jumped straight out in the first place.

“Which Chinese medicine doctor here didn’t enter the hospital earlier than Lin Ran? Why should he be able to go where others can’t!”

“I, Qu Liang, am the first to disagree!”

“Au? Then why are you unconvinced!”

Dean Yang suddenly laughed.

“Lin Ran’s place was not only earned by Renjia himself, but also by the little miracle doctor’s reputation out there, and this time the organizer invited Lin Ran by name, and what level are you Qu Liang? How come I didn’t see the other party invite you to go?”

“I!”

Qu Liang was suddenly speechless.

Even some of the previously indignant doctors had shut up.

The organizer took the initiative to invite, who could carry this.

“Are there any questions now?”

Dean Yang swept his gaze over the crowd and said in a cold voice.

The crowd was silent.

“Good! Since there are no questions, then the selection will begin!”

Dean Yang said blandly.

“Begin? Dean Yang, you’re joking again, do you see Qin Bing coming?”

Qu Jiang seized the moment and spoke directly in mockery.

“To be late for such an important selection, how can you be worthy of being the new dean with such an attitude? Can you convince the public?”

“Ao! No, I heard that Dr. Qin seems to have had a car accident, I’m afraid he won’t be able to participate in this selection, tsk! But what a pity!”

Qu Jiang sneered.

Dean Yang, however, looked towards Lin Ran without speaking.

Lin Ran smiled lightly and stood up, while tapping twice at the door, and then a voice came in.

“I was in a car accident, but the driver that some people hired was not very good, so I managed to survive!”

“Looks like I’ll have to let you down!”

At the end of the sentence, a silhouette had already walked in, if not Qin Bing or who else.

Chapter 998

“You! How could you ....”

Qu Jiang froze at once.

The Qin Bing standing there in front of him was glorious, where was the slightest sign of injury.

Not to mention a broken and bloody head, not even a single scrape or bruise, it didn't look like she had been injured at all!

“Like I said, I let you down!”

Qin Bing blandly said, while already reaching Lin Ran in front of him.

“You .... What are you saying, why can't I understand!”

Qu Jiang reacted and hurriedly adjusted his attitude, saying in a cold voice.

“Doctor Qin, since you're fine, how can you be so late for such an important occasion today? Making so many people wait for you alone?”

Since Qin Bing was unharmed, Qu Jiang could only look for things elsewhere to try to weaken Qin Bing's prestige in the crowd.

“That's right, the whole hospital has been crazy busy after not seeing anyone for the past few days, and now they are running out to compete for the position of director, certain people are really shameless!”

Qu Liang also chimed in.

As soon as these words were spoken, some other doctors also began to discuss in low voices.

Indeed, the entire Temperance Hospital had been unusually busy with Qin Bing not showing up in the recent week, and at this time, when talking about this matter, some of the doctors could not help but feel a little indignant in their hearts as well.

“Isn't my not showing up just what some people have in mind?”

Qin Bing said blandly, then his gaze fell on Qu Jiang and Qu Liang.

“Aren't certain people just hoping that I, Qin Bing, will never show up for the rest of my life? Today I'm still about to explain why I'm so late! That's because I went to the Public Security Bureau!”

“The Public Security Bureau? What for?”

Dean Yang couldn't help but ask with a frown.

“Dean Yang, you don't know, I suspected that the car accident the other day was deliberately staged by someone, so I went to report a police report, and today I just happened to ask about the progress of the investigation!”

Qin Bing laughed.

“Someone staged it? You mean someone else did it on purpose?”

Dean Yang’s face was ugly.

“That’s right!”

Lin Ran spoke up.

“I was there that night, and unfortunately, I’ve already found the driver of the bus that had the accident!”

Said Lin Ran and looked at Qu Jiang.

“I believe things will come to light, but I still want to ask, Dr. Qu, do you want to continue with this bet today?”

“You!”

Qu Jiang’s face was ugly, and he already felt bad in his heart.

“I’ll say it again, I guess the police are already on their way this time, it’s not too late for certain people to run!”

Lin Ran laughed.

At the same time Qin Bing also spoke up.

“That’s true, if I ran then wouldn’t that be like admitting in public that the person who plotted to kill me was this person!”

Said Qin Bing, pretending to wake up.

“Yeah right, but if we don’t run, when the police come later, we’ll be exposed just the same!”

“Tsk, Lin Ran, you’re too ruthless! You don’t give people a chance to live!”

Qin Bing looked at Lin Ran and snapped.

“A way out? If it wasn’t for the quality of the car itself, I’m afraid it would have been crushed into a discus!”

“Wouldn’t you say the opponent was too ruthless, Dr. Qu Jiang Qu!”

Lin Ran laughed.

“I ..... How should I know!”

Qu Jiang’s face was blue and white, at this point he wanted to bolt immediately, but now if he left in public then he would really be sitting on this matter.

At that moment, he was in a dilemma of either leaving or not leaving.

“Jingle bell!”

Suddenly, at this moment, Qu Jiang’s mobile phone rang.

Hearing this sound, Qu Jiang immediately as if he had caught the straw that saved his life, immediately got up and looked at Dean Yang and said.

“Dean Yang, sorry, I’m going to take a call!”

With that Qu Jiang turned around and walked towards the outside of the conference room, wanting to take the opportunity to bolt.

But just at that moment.

“Bang!” With a loud bang, the door of the conference room was actually pushed open from outside, followed by a group of uniformed police officers who actually poured in.

“Captain, that’s him! He’s got the phone!”

Someone shouted.

At once the police captain gave a look and four or five policemen went straight forward and detained Qu Jiang.

“Gentlemen, what is this about?”

Even though it was clear in his mind, at this moment Dean Yang stood up and asked.

“Dean Yang, right, we suspect the car accident the other day, and your hospital’s Dr. Qu Jiang, we need to take away for investigation!”

“What?”

Hearing this, at once all the doctors present froze, especially Lin Ran and Qin Bing were even more pretending to be surprised.

“Dr. Qu Jiang, how come it’s you? We’re both from Temperance Hospital, you’re actually ....”

Lin Ran said in surprise.

“Humph! Lin Ran, what are you pretending for, you clearly knew it was me!”

Qu Jiang was so angry that his old face turned red.

“Yeah, I knew it a long time ago!”

Lin Ran laughed.

“Knowing is knowing, but the other doctors here don’t know, right, as the saying goes, hitting a snake by the seventh inch, what’s the use of me knowing it myself, I have to let everyone know, otherwise if you use such tactics to harm others in the future, then I, Lin Ran, must regret it to death!”

“You!”

Qu Jiang was speechless, only now did he realise that Lin Ran was just trying to mess with him and ruin his reputation.

“Who is Qu Liang?”

The policeman spoke again.

“I’m ..... I am, I have nothing to do with this!”

Qu Liang was already scared to death at this point, he really had nothing to do with this, at most he knew something about it, but now .....

“We suspect you of covering up, and then knowing the situation did not stop it, not to mention the police, please go back with us and assist in the investigation!”

“I .... I wronged ah comrade police!”

Qu Liang wanted to cry, knowing that there is also a fault ah.

Watching Qu Jiang and Qu Liang being taken away, Lin Ran laughed aloud and said.

“Have a good rehabilitation inside, you can still get out earlier, otherwise you can really live inside for the rest of your life!”

“Pfft!”

Qin Bing couldn’t help but laugh.

Qu Jiang was already a large age, if this was accidentally sentenced to ten or twenty years, it would not be a lifetime inside.

“Gentlemen .....”

Dean Yang looked to the crowd, the meaning was very obvious.

“Dean we have no problem, Qu Jiang is to blame, this deanship is not for Dr. Qin!”

“Yes, we will definitely give our full support to Dr. Qin!”

“Yes, yes!”

At once a group of doctors spoke up first instead.

“Alright, in that case, this dean will be given to Qin Bing!”

Dean Yang said, and a big stone in his heart finally fell to the ground.

“Doctor Qin, do you have anything to say?”

Dean Yang looked at Qin Bing, with solace in his heart, the best candidate in his mind was still Lin Ran, but Lin Ran didn’t have the idea, and it was a good result for Qin Bing to do it.

“Yes!”

Qin Bing put away the smile on his face and swept over the crowd with a serious face.

“Since no one has an opinion, then I, Qin Bing, will say one thing!”

“This car accident has also made me see a lot of things, in the past I smiled at people, those here are after all my seniors and deserve my respect, but some people will not show me the slightest bit of mercy because of my respect!”

“Therefore, I would like to advise all the doctors here, if you have any problems, you’d better come out in the open, if you are caught by me messing around secretly, the result will definitely be worse than Qu Jiang, if you don’t believe me, you can try! I vouch for the reputation of my imperial Qin family!”

After saying that, Qin Bing’s face then eased up a little.

“Of course, if everyone is a good doctor and a good colleague, I, Qin Bing, will naturally welcome you with a smile!”

“No .... I don’t dare!”

“We are bound to follow Dr. Qin’s lead!”

“Yes, yes, fully cooperate with Doctor Qin!”

The doctors who had previously spoken for Qu Jiang immediately took a stand.

Are you kidding? They were scared enough just by what happened to Qu Jiang, not to mention that Qin Bing had also brought out the Qin family in the imperial capital, if they used the power of the Qin family, would they still be able to do well here?

The Qin family in the imperial capital was not something that ordinary people like them could mess with.

“Were my words just now a little harsh?”

After the meeting was adjourned, Qin Bing asked Lin Ran in a soft voice.

Lin Ran, however, just smiled.

“One can’t stand firm without being ruthless, and some things must be both courteous and soldierly!”

Chapter 999

“You’re here!”

Inside the office, Dean Yang spoke up.

“Dean!”

Lin Ran and Qin Bing saluted respectfully, although Dean Yang had now officially stepped down from his position, he was still their senior after all, so they naturally had to perform this salute.

“No need to be polite, the main reason for finding you here is the exchange meeting tonight!”

Dean Yang said with a serious face.

“What’s going on with the evening exchange meeting, Dean? I don’t think I know any of the organisers, how come I was invited?”

Lin Ran frowned slightly.

Dean Yang's reaction was obviously that the other party was not a small one, but why did he ask for himself by name? Was it just because of his name as the Little God Doctor?

"I don't know exactly, but the other party did name you to go!"

Dean Yang said.

"Moreover, there is something I must remind you of!"

"The other party is so big that even some medical experts from the empire were eager to come over, but they were all rejected in the end!"

"What?"

Lin Ran and Qin Bing were both stunned, even the medical experts from the imperial capital had refused, what kind of status did this have to be?

"Moreover, an old friend of mine said that the other party is very powerful,? Don't look like they are also studying Chinese medicine, but their power can easily crush any big family with a move of their fingers!"

Dean Yang worried.

"Of course, it's said that they have an internal rule that they can't strike at ordinary people! But how exactly this ordinary people are classified, I don't know!"

"Ordinary people?"

Lin Ran frowned slightly as something occurred to him.

"Alright, the time and place are on here!"

Dean Yang took out two invitations and handed them to Lin Ran and Qin Bing.

"I'll be waiting for you at the entrance in the evening!"

"Dean!"

Just as Dean Yang finished speaking, Qin Bing was the one who spoke up.

"How about we go over there ourselves in the evening? That I have someone coming at home too, so ....."

"In that case, that's fine!"

Dean Yang nodded his head.

"Who from your family is coming?"

Walking out of the office, Lin Ran was busy asking.

If it was Qin Bing's parents, it would be awkward, accompanying his father-in-law and mother-in-law to the exchange meeting, it wouldn't be awkward to death.

“What are you afraid of, why are you worried about my parents coming over!”

Qin Bing laughed.

“Which .... Which!”

Lin Ran had an embarrassed look on his face.

“It’s Elder Qin Ji, he’ll be on the road this afternoon, he’s also very high on this exchange, he should know something about the inside story!”

Qin Bing said.

“In that case, then it looks like we’ll have to go and greet him this afternoon!”

Lin Ran laughed.

This exchange looked a little unusual, so naturally it was best to get some more information.

In the afternoon, Qin Bing’s house.

Several Porsches stopped neatly, and Qin Qi stepped out of the car surrounded by a group of people.

“Little friend Lin Ran, it’s been a long time!”

Upon seeing Lin Ran, Qin Qi immediately arched his hand and smiled.

“You’re welcome, Elder Qin!”

Lin Ran returned the salute.

“Come inside and talk!”

Qin Bing smiled as he invited the two inside and then took his seat.

“Little friend Lin Ran, have you heard about the Chinese Medicine Exchange tonight?”

Qin Ji got straight to the point.

“Naturally I have heard about it!”

Lin Ran nodded his head, he had come for this.

“In that case, I won’t talk nonsense, tell me everything you know, and I’ll tell you what you don’t know”!

Qin Jie laughed.

Lin Ran nodded and immediately told what he knew, most of which he had learnt from Dean Yang’s mouth this morning.

“That’s too little!”

Qin Qi shook his head straight after hearing that, and said a moment later.

“Actually, the one invited to come this time is none other than the legendary Chao Heavenly Pavilion!”

“Chao Heavenly Pavilion?”

Lin Ran was stunned at his words, he naturally knew of the Chao Heavenly Pavilion, and had had problems with He Fei of the Chao Heavenly Pavilion before, but what did this Chao Heavenly Pavilion have to do with the Chinese Medicine Exchange?

“That’s right, it’s the Chao Heavenly Pavilion, this Chao Heavenly Pavilion is actually a Chinese medicine force, the people in it are proficient in the art of Chinese medicine, don’t look at how weak each of them are, but behind them stand countless powerful people!”

Qin Ji frowned and said.

Lin Ran smiled thoughtfully.

“This Chao Heavenly Pavilion is actually a force that specialises in healing cultivators!”

Qin Qi continued.

“That’s why many large clans and powers have their shadows behind them, just ask this kind of existence that has friendships with many large powers, who would be willing to offend!”

“That’s also true!”

Lin Ran nodded his head.

One big family and big power was fine, but what if it was a group of them? I’m afraid even a tiger would have to lie down.

And the Chao Heavenly Pavilion was undoubtedly the one who could mobilise such a situation, as there were too many forces that owed them favours.

“Having said all this, I just want to remind you that you must not offend one person at tonight’s exchange!”

Qin Qi suddenly said seriously.

“That is an old man who is leading the team here this time, I am afraid that if you offend him, you will really not be far from death!”

“Of course, it doesn’t matter to the other disciples of the Chao Heavenly Pavilion, after all, there will always be cases of inconsiderate discipline when the power is large, as long as they don’t touch their core figures, the Chao Heavenly Pavilion won’t care!”

“So!”

Lin Ran sighed in relief at his words, apparently He Fei should just be a disciple level figure, if he really messed with one of the Chao Heavenly Pavilion’s elders and great powers, I’m afraid trouble would already be at his door.

“That’s all I know about the inside story, but there’s one more thing I need to tell you as well!”

Qin Qi continued.

“According to the usual practice in previous years, every time the Chao Heavenly Pavilion comes out to hold an exchange, there will be a bid for a place, and whoever bids for this place will enjoy the opportunity to see a doctor, so this time tonight the bidding should be very intense!”

“Bidding for a place? Seeing a doctor?”

Lin Ran was stunned, a visit to the doctor was a visit to the doctor, why was there a bid? How can ordinary people still afford to see a doctor then?

“Lin Ran, I know what you’re thinking, but this is the Chao Heavenly Pavilion, they only see patients for cultivators, it’s already great that the exchange can take out a spot for ordinary people to see a doctor!”

Qin Jie sighed.

“Hm!”

Lin Ran nodded, although he didn’t agree with this kind of differentiation, but in all honesty what did it matter to him, as long as he didn’t disgrace his ancestor’s name.

“Well, that’s pretty much it, let’s go together tonight at eight o’clock!”

Qin Qi said and went to rest.

The time soon arrived at eight o’clock in the evening.

Inside the Temperance Hotel, it was already decorated in an ancient style.

Inside the largest meeting room of the hotel, two young men sat at a tea table and exchanged low voices.

“Brother Tian, what should I do? This poison has already not passed my little arm, I’m afraid that if I wait for two more days I’ll be completely finished!”

He Fei had a worried look on his face.

“What can I do? Who told you to go out and mess around without following the rules, now you’ve been cleaned up!”

He Tian gloated and laughed.

“Brother Tian, you have to help me, otherwise I’ll just have to go to the Grand Elder!”

He Fei’s face was full of worry, going to the Grand Elder then his own sneaking out would follow the exposure.

The Grand Elder, who had always been known for being strict, was afraid that he would not be merciful to himself.

“This matter, I think it’s best to go directly to the Grand Elder!”

He Tian frowned and said.

“Brother Tian, stop it, I might have to be locked up for ten years for going to the Grand Elder!”

He Fei said anxiously.

Chapter 1000

“What can I do if I don’t find it? I’ve seen you poisoned three times already, there’s no sign of improvement at all, and now you only have the Grand Elder with you, what else can you do!”

He Tian said helplessly.

He Fei slapped the table as he listened and said angrily.

“I’m angry when I talk about this, the Grand Elder didn’t go to the exchange meetings in so many cities before, but came to this Temperance City every year, many people within the organization say that the Grand Elder must have a mistress in Temperance City!”

“Shut up!”

As soon as He Fei’s words fell, He Tian opened his mouth to scold.

“Do you want to die? How dare you talk about the Grand Elder like that!”

“Brother Tian what are you afraid of, it’s not like he can hear you, besides we’re the Second Elder’s people! You’re still afraid of him?”

He Fei had a disdainful face.

He Tian, however, had a cold face and scolded.

“You’d better keep your mouth shut about such things, or even the Second Elder won’t be able to protect you, and don’t forget that the Chao Heavenly Pavilion is still headed by the Grand Elder now!”

“Alright!”

He Fei was helpless.

It was clear that not coming out to hold an exchange was all an opportunity to have fun, but every time they came to Temperance City it was heavily restricted, or else they wouldn’t be the only two brothers to follow.

“Well,? It’s about time, let’s go out and wait,? The kid who poisoned you should also be arriving soon!”

He Tian got up and said.

“Go!”

He Fei responded, mentioning Lin Ran he was angry, the poison he was poisoned with was difficult to cure even if it was not, the Taiji source eye he bought back from this kid did not have much jade original liquid in it, which made him very unhappy, he always felt he was being pitched.

.....

“Look over there!”

Outside the hotel, Qin Qi pointed at the giant poster on the hotel wall and said.

“That man up there is the person who is bidding for the spot this time, Chao Tian Pavilion Divine Doctor He Tian!”

“Divine Doctor He Tian?”

Lin Ran looked over, only to see a picture of a youth hanging on the poster, the youth didn't look very old, ? similar to himself, but there was an extraordinary look between his eyebrows, obviously of great importance.

“Let's go, the time difference is not all!”

Qin Qi greeted, and immediately led the crowd to step into the hotel.

“Brother Tian, that kid is here!”

At the entrance of the venue, He Fei suddenly pointed ahead and said.

“I see it!”

He Tian's face was instantly icy cold as he immediately walked towards Lin Ran.

“Yo isn't this Divine Doctor He Tian Mr. He!”

Seeing He Tian, Qin Qi hurriedly greeted, the people of the Chao Heavenly Pavilion, that was someone who couldn't be offended by any of them.

“None of your business, go aside!”

He Tian didn't give any face, not even looking at Qin Ji, he turned around and came in front of Lin Ran.

Qin Qi's face sank, but he still managed to squeeze out a smile and busily asked.

“Divine Doctor He Tian, how do you know this little friend of mine, Lin Ran?”

He Tian did not speak, at this moment he was facing Lin Ran with all eyes, an icy coldness filled the air.

“Why do you want revenge?”

Lin Ran looked at He Tian and said blandly.

“Get rid of the poison!”

He Tian said in a cold voice.

“That's fine, pay the final payment and admit defeat at the same time to immediately detoxify the poison!”

Lin Ran laughed lightly, he and He Fei had no big conflict, in the end it was He Fei himself who had made the bet, he was just playing along.

“The money can be paid, admitting defeat is not possible!”

He Tian said blandly.

“Love can't help!”

Lin Ran smiled blandly, turned around and prepared to enter the venue.

“Stand still!”

He Tian chided.

“Kid, you’re too arrogant to want me, Chao Tian Pavilion, to admit defeat!”

“Is that so? Then why did you come to me? Solve it yourself if you dare!”

Lin Ran laughed.

“You!”

He Tian’s face was ugly, if he could solve it himself, why would he bother waiting for Lin Ran here?

“Brother Lin Ran, don’t be angry, Brother Tian is also worried about my safety, otherwise, I’ll give you the money immediately and apologise to you on a personal level!”

He Fei said busily, he had looked down on Lin Ran before, but now how dare he, after all, his life was still in the hands of others.

“He Fei, you are from the Chao Heavenly Pavilion!”

He Tian said in a cold voice.

“But Brother Tian, I don’t want to die! There’s no way I can go to the Grand Elder either!”

He Fei said busily.

“You!”

He Tian was so blue in the face, but he didn’t dare to continue, this bastard had actually told the Grand Elder too, if the Grand Elder knew about this, not to mention him, even he would suffer!

“Grand Elder?”

Lin Ran frowned slightly, and Qin Ji at the side even turned pale and was busy looking at Lin Ran.

Clearly the person he had said earlier that he absolutely could not offend was this Grand Elder.

“Lin Ran wants to ..... otherwise.”

Qin Ji wanted to make peace, but Lin Ran interrupted him with a direct wave of his hand.

“The bet was made by He Fei himself, not a single penny can be lost, and an apology must be given! If your Grand Elder doesn’t like it, just let him come to me!”

After saying that, Lin Ran turned around and went straight into the venue.

“Arrogance! Even the Grand Elder is something you can meet!”

He Tian’s face instantly sank, and with a single stride, he arrived in front of Lin Ran.

Although they specialized in the art of Chinese medicine, they were, after all, at the very top of existence and were naturally cultivators, and He Fei's strength was also at the peak of the Qi Watching Realm, so he naturally didn't put Lin Ran in his eyes.

"If you don't eat your wine, then go to hell!"

If this slap hit him, I'm afraid that Lin Ran's face would turn into a twist in an instant.

"No upbringing!"

Lin Ran's face sank as he followed with a kick.

"Bang!"

With a muffled sound, He Fei's entire body instantly flew backwards, sliding out on the ground for more than ten metres before stopping.

If Lin Ran hadn't used only a third of his strength, I'm afraid that his bones would have been broken by now.

"Kid you dare to make a move on me! I'm from the Chao Heavenly Pavilion!"

He Tian's face was ugly, cloaked in the identity of the Chao Heavenly Pavilion, everywhere he went, people treated him with respect, even some strong people in the Heaven Seizing Realm of Creation had to be courteous to him, but now he was actually beaten up by a kid about his own age.

"What's wrong with the Chao Heavenly Pavilion's? Don't think too highly of yourself, I'm also a doctor, so I don't need your Chao Heavenly Pavilion to treat me, so don't open your mouth with threats, they won't work on me!"

Lin Ran said in a cold voice, while looking at He Fei who was at the side.

"Still the same words, take the money and apologize or wait to die!"

After saying that, Lin Ran took the lead and entered the venue.

"Brother Tian why don't we just forget about it, it's just an apology!"

He Fei was really goaded, this was a matter of his own life!

"Muddle through."

He Tian's face was icy cold, seeing that more and more people were coming over at this time, he could only suppress his anger and said in a cold voice.

"Go first! We'll talk later!"

After saying that, he pulled He Fei to the backstage.

"What about Brother Tian?"

He Fei had a impatient face.

“Don’t be in a hurry! Allow me to think of a solution, we don’t lack money, but this apology is absolutely not acceptable, otherwise if the Grand Elder and the others find out, we’ll be finished even if we come!”

He Tian said and fell into a deep thought, after a moment he suddenly thought of something and smiled as he slapped his head.

“That’s right! There’s a solution!”

“What solution?”

He Fei asked busily, at this moment he pinned all his hopes on He Tian.

“You should know about Ghost Elder!”

He Tian laughed.

“Ghost Elder? Isn’t that Grand Old Zhang’s personal guard? It’s said to be a Creation Realm powerhouse!”

He Fei was dumbfounded.

“Right! That’s him, whenever the Grand Elder comes out, the Ghost Elder is bound to accompany him, as long as we let Lin Ran make a move on us first later, the Ghost Elder will definitely make a move in a critical situation, as long as we lend the Ghost Elder’s hand to kill him, won’t this be over!”

“Brother Tian, there you go!”

He Fei was instantly filled with wild joy.
