

11. Devil Behind the Door

" I will fight for you when you can't. I will do it time and time again. will battle hell and all its demons and become the devil himself to fight for you" ~ Laughing Wolf	ا ھ
Raiden glared at the male seething in front of him, the male that has steady burning lava filled eyes and a look on his face that is some kind of twisted mix of the devil himself and a scary version of the mac hatter who seems to actually enjoy what he's about to do.	a a
He knows he's seen this guy before but where? Suddenly it hits him and anger burst into blue eyes.	
" Oh I know who you are now, you're that guy Izuku was drooling all over that night at the bar. What the hell are you doing here??!" , he panted.	
Katsuki smirked his grip on the males collar tightened.	
" That's me you fuck. And I'm here because you're an abusive asshole who likes to break someone down till they're so tired and mind fucked that they actually think there's no escape. Guess who just popped the escape hatch and let that bird go free", Katsuki sneared as he pulled the male from the wall only to slam him into another one.	b B
The impact shook the ceiling lights and once again Raidens air le his	a
lungs as he coughed.	ď
Katsuki chucked, deep from his throat a demonic sound filling the room.	
" Oh I bet that hurt huh? Hard to breath prick? How about if I do this?	"å
Before Raiden could respond Katsuki wrapped two large powerful hands around his neck and started to squeeze.	
Raiden li ed his hands trying to get the male o his airway. His face losing color as the blonde actually smiled.	
" How's that feeling? I bet you're scared, panicked. You can feel yourself fading away, I can see it in your eyes. You're thinking this crazy bastard is getting ready to kill you and you're helpless to stop it That's fucking terrifying isn't it? Your throat hurts, your lungs are screaming and my hand just keeps getting tighter, because how you feel doesn't mean shit to me. Before this night is over, I'm going to make sure you get a taste of everything that I know that you put Izuki through"	
With those words growled Katsuki let go and the male slid down the wall coughing and choking.

He tried to gasp words out from an aching throat but the firey blonde gave him no time to recover before he li ed him up by the collar and slammed him into the wall again.

"Now imagine feeling breathless, mind still spinning, lungs and chest still aching, white spots in your vision, fucking throat is raw and your mind is in full blown panic and then and then all of the sudden because your so weaken from that someone punches you in the God damn mouth.. can you just imagine??"

Raiden knows what's coming, he knows because it's exactly what he did to the greenett only hours before but he also knows that the fist he's no doubt is getting ready to feel is going to be much worse because even tho he won't admit it Katsuki is bigger and way stronger and just as he closed his eyes the firefighters fist connected with his mouth at such a force it put his bottom teeth right through his lip.

Blood gushed and Raiden couldn't help the whimper in his voice when he tried to yell out.

" Shit that's gonna need to be stitched I bet." , Katsuki smirked.

ď

He stepped back anger still burning as Raiden grabbed his mouth staring at the crazy blonde.

" Look at you, you pathetic excuse for a man. Come on you fuck, you had no trouble throwing Izuku around, what are you waiting for huh??! Oh that's right you like to throw shit huh? Let's see here.."

Katsuki eyed the room seeing a stack of plates the greenett had on the small dining table the blondes face turned up into a devilish smile.

" Ah yeah here we go, fucking perfect"	
Katsuki through one and it crashed against the wall next to Raidens head making him go wide eyed.	đ
" You you're fucking crazy", the male finally choked out.	a
Katsuki laughed, deep, more a growl pushing it's way through.	
" Oh you have no fucking idea. You better run bitch, try and dodge this shit. I'm really good at hiting my targets tho, I was a pitcher in high school"	đ²
With that another plate launched and this one hit Raidens face, the glass cutting his cheek.	
" Fuck yeah there we go. Better get moving. Scary isn't it, hard to keep your mind right when someone is throwing shit at you"	
Raiden lunged for the couch trying to jump over it to take cover but not before another plate reached him crashing against the back of his head.	;
He fell to the floor on the other side of the couch grabbing his head hissing at the pain, when he pulled his hand away he saw blood.	
Katsuki chuckled again.	
" Bullseye! Your head is so God damn big I couldn't miss it anyway. Fuck you really are ugly. I'm not sure how you ever scored Izuku, cause I mean he's hot as fuck, good thing thats shits over with your	
ugly ass and he has me now"	ď
The blonde firefighter was going to be sure he rubbed salt in every fucking wound he could.	å
Raiden jumped up and tried to make a dive for the hallway but Katsuki crashed another plate to his back.	
Raiden cursed in pain crawling to Izuku's bedroom where he stumbled inside and closed the door locking it.	a
Katsuki could be heard laughing as he moved across the room broker plates crunching under his boots.	a
" You running from me bitch? You really are a fucking coward you know that? Hey, while you're in there tho think of how Deku must have felt when he was trying to get the fuck away from you, while he was trying to block out the yelling and the screaming. Oh but there's only one di erence between you hiding in there and Izuku"	
Raiden was leaning back against the door panting, sweating. He's in pain and he knows he can't win, there's fear in his veins, eyes blown wide when Katsuki goes quiet.	
There's silence for a minute then the sound of a very large firefighters shoulder slamming into a wooden bedroom door.	ď
Raiden jumps from it backing up to the opposite wall as he hears Katsuki yelling.	
" Do you know what I do for a living you prick?? I'm a firefighter, we have to break doors and shit down all the time. Do you know who's the one that always call to do it because he's strong as fuck and no	

the one that always call to do it because he's strong as fuck and no door has ever been able to stop him?"

There's actually tears of pure fear in Raidens eyes.

a³

"Why so God damn quiet in there huh? You sure have a big fucking mouth when you're threatening Izuku. Let's hear it bastard, come on. Oh and in case you didn't guess it's me, I'm the one they ...always... fucking.... call ", Katsuki said each of the last words between shoulder slams and finally the door cracked right down the center. a The blonde backed up his breath heavy he as he li s his foot up and crashes it through the door causing the wood to splinter and fall into large pieces on the other side of the bedroom.

a

He shoves the side of his body through the hole he just created and sees the other male cowering in the corner.

Katsuki grins.

" I bet you just almost fucking pissed yourself huh? I would if I were you, fuck I'm not even done here yet"	
As Katsuki crosses the room Raiden pulls a razor out and lunges for him.	්
The firefighter quickly dodges the attack his large hands up in a fighting stance.	
" You cheating fuck. Izuku told me you didn't fight fair, most little bitches like you don't because you know you can't, so you pick on someone weaker, someone sweeter, someone like my Medic"	ď
Katsuki takes a step forward and Raiden pulls the razor again only to have Katsuki raise his leg and swing kick it from his hand while he shoves the male to the wall.	
" Karate, since I was a fucking brat all the way through high-school. Huh, I guess my Medic is right. I really am Mr. Perfect"	a⁴
Raiden sco ed as he tries to lossen Katsuki's grip.	
" Fuck o . You you can have Izuku he's a little whor"	đ
Before he can finish the blonde lands another blow to his face hearing his cheek bone crack.	a a
Raiden yelps in pain and the seething blonde with lava dancing orbs speaks low , getting in the males torn up face.	
" Don't you fucking finish that. Don't you fucking dare, I will snap your God damn neck if I hear you call him another name."	
Katsuki pulls him from the wall and then slams him back against it	

"You listen here to me you abusive scum. You're going to leave Deku alone. You aren't going to step one foot near him again because if you do and I catch you , and believe me you fucker I will catch you, I will fucking bury you in a place they will never find your body. I'm a firefighter, I'm buddies with most of the cops in this city and trust me there's a few I know that would actually help me get the fuck away with it." đ

Raiden swallows hard hardly conscious as he stares at the blonde who he has no doubt is telling the truth.

" I heard that you told Deku that it's not over till you say it is. Wrong you fuck, it's over because I said it is. You broke Izuku down in so many ways to keep him in place because you knew thats the only way you could keep him. I look forward to building him back up in ways he didn't even know existed and I'll be able to keep him because he'll finally see what it's like to be loved by a real man" đ

Raiden wanted to yell back, to snear at the blonde but he couldn't, he's too weak and he knows he's lost and this is death himself.

Katsuki backs away running a hand through his hair then he turns back to the male.

" Ah fuck it"

hard.

With that one more punch is thrown and it almost knocks the male fully unconsciousness. He falls to the ground onto his stomach as Katsuki crouches beside him.

å

" Look at you, look how fucking messy and disgusting you are. What a god damn idiot. Oh and no more text to him either, if I see one I'm coming for you, no place in this city you'll be able to hide, this is my backyard, my playground bitch. Now I would really love to continue this, I would actually love to put you in the ICU but I can't a ord to go to jail tonight because there's this gorgeous emerald eyed medic waiting for me back at my place, probably in my bed by now and I'm just dying to get back there and kiss away every fucking scar you put on him mentally, emotionally, physically. I am definitely, definitely looking forward to showing him how a real man does that too, fuck i can't wait ,but before I go" สื

As Katsuki says that he picks the male up by the collar dragging him out of the room and across the apartment. He opens the door and let's Raiden fall face first into the hallway.

"You're getting the fuck out of his place and this will be the last time you enter it because ill always be behind that door waiting for you. Fuck o you bitch and make sure you don't bleed on his God damn door mat, I hate that shit", Katsuki says as he takes his boot and shoves the male harshly in the rib cage hear Raiden gasp and cough d Katsuki chuckles.

" Steal toed boots bitch"	a
With that he slammed the door locking it.	a

He makes his way calmly across the apartment shutting o the lights and moving to the fire escape.

A satisfied sadistic smirk on handsome features as he hits the ground and makes his way to his truck, he's got a medic waiting for him.

the door he's met with bicolored eyes.	
Shoto is sitting on the couch reading something on his phone.	đ
Katsuki glances around the room.	
" He's in bed. I finally got him to agree to take something to help him sleep it was no easy task tho, he's been worried sick about you", Todoroki calmly explains as Katsuki heads for the kitchen to grab an ice pack for his bleeding knuckles.	
" Good I'm glad he's sleeping" , the blonde says.	
Shoto meets his eye.	
" Did you kill him?"	a
Katsuki takes a drink from a glass of water before answering.	
" What if I did? Would you turn me in Icyhot?"	
Shoto only gives a slight smile.	
" No, but I'd help you bury the body. We just have to be quick before Midoriya wakes up"	สั
Katsuki chuckles.	
" No I didn't kill him. Maybe close. Fuck I wanted to though. I've never been that God damn mad in my life"	r
Shoto nods as he heads for the door turning around.	
" Maybe that's because youve never been in love like this in your life either"	
There's a smirk in bicolored eyes and a crimson eyed firefighter looking back at him in slight surprise.	
Katsuki feels his heartbeat in his ears as he looks at his coworker a smirk forming.	
" Yeah fucking maybe. Get lost fucker, thanks for coming"	
Shoto chuckles.	
" Anything for Midoriya, but I'm sure you understand that now"	
Katsuki nods with a smile. Yeah fucking definitely.	
A er Shoto leaves for the night the blonde moves to the bathroom showering and bandaging his knuckles.	
As soon as he opens the bathroom door to step out he's met in the hallway by a sheepish emerald eyed medic looking up at him with sleepy worried eyes.	
His heart skips an instant beat.	
" Kacchan , I was so worried"	ď
