

38. My how Things Have Changed

"Just when I thought I needed nothing, in walked you, and that's when I realized I had nothing until you" ~ Laughing Wolf

Aer the short unexpected video call between Izuku and Katsuki the blonde sits at the table of Station One restaurant with his friends.

There's a far o look in crimson eyes with a love struck gaze as his thoughts shi to Izuku and the fact that tomorrow he'll marry him, claiming that medic that caught his sights from night one.

His friends notice.

Kirishima chuckles beside him.

"You gonna look all dreamy eyed now for the rest of the night bro?" Sero laughs drinking his beer.

"Right? Wise well say good night to him now cause I'm pretty sure we've lost him now that he saw Mido again"

Scarlet eyes bounce back and fourth between the two and their teasing while he smirks.

"Shut up fuckers. Shouldn't you shits be happy for me? That Katsuki Bakugo finally fucking found someone that I actually wanna settle down with huh?"

Denki laughs lightly munching on his burger.

"Gotta say, I wasn't sure it would ever happen. Anytime anyone even brought up you getting into a serious relationship you ran the other way."

"Yup. Katsuki Bakugo the one hit wonder, putting out fires and breaking hearts all over the city till green hair and eyes", Sero grins.

The redhead laughs looking over at the blonde sitting beside him.

"Ah yes, our bro who always had the philosophy of and I quote, 'I don't need any extra holding me down, besides I'm way too busy being the best fucking firefighter this city has ever known' ". Kirishima says in a mocking voice making them all laugh.

Katsuki chuckles leaning his forearms on the table.

"Oi, I'm still the best fucking firefighter this city has ever known, just now I have the best fucking and hottest medic this city has ever known"

Denki smiles.

"Mido is a really good medic"

Katsuki sco s.

"Corse he is Duncce. He's mine, anything mine is amazing. That and he worked really hard to be where he is. I'm proud of him"

The table is speechless for a minute before three huge grins take over.

"Wooooow, you really are in love. Katsuki Bakugo, biggest, loudest ego, proud of someone else other than himself?!", Sero teased with a whistle at the end.

Katsuki smirks flipping his friend o.

"You shits, I never had a reason to be proud of anyone else before but... damn think of everything Izuku has been through and how far he's come and he's smart as fuck. There's alot to be proud of"

Denki pretends to cry.

"Hear that guys? Our boy is finally growing up"

"I know man, so manly, so manly", Kirishima says his arm thrown around the blondes neck.

"Right?! Man how things have changed", Sero grins throwing a fry at the firefighter.

Katsuki can't help but grin with a deep laugh.

"Fuck! I would have stayed home alone if I knew all you fuckers were gonna do bust on me all god damn night"

The redhead laughs then a serious look falls on his features.

"Has to be done bro, it's part of what we do but in all seriousness I'm really happy for you bro. Mido is awesome and he's come a long way, and I've known you a long time but I'm not sure I've ever seen you so happy, it's really cool to see that Izuku isn't the only one who really changed."

The blonde meets his bestfriend's eye seeing the truth in them.

He fist bumps him with a genuine smile on sharp features.

"Thanks man. Means alot"

And it's true that as much as he swept his way into Izuku's life knocking down walls and knocking out abusive pricks, that green eyed medic had waltz into his with a gentle calm and a loving way about him that made a cocky brash edgy firefighter fall in love way he never expected, showing him that yeah he was great on his own but amazing when he had love and support and a gentle voice to soothe his rough and restless edges.

He feels his chest ache with love at the thought something he also didn't know he was capable of feeling so strongly.

As great as this night has been with his friends he won't deny he's missing his greennett hard right now.

Aer a bit more teasing smack talk and banter and another beer or two the crew of friends is back at the couples apartment to settle in for the night before the big day tomorrow.

Katsuki is sitting on the couch watching a few movies busting Denki for beging scared of the current horror flick on the screen till Sero's voice breaks in a er the laughs calmed down.

"So you ready to do this tomorrow Bakubro?"

The blonde meets his friends eye. A smile forms as he shakes his head yes.

"Hell yeah I'm ready. Might have married that nerd the night I met him if I could have talked him into it"

Kirishima laughs.

"Well, the lines didn't stick not sure the proposal would have"

Katsuki chuckles.

"Fuck o, those lines definitely worked, or he wouldn't be becoming Izuku Bakugo tomorrow"

Izuku Bakugo.

The name works his way from his inner ear right into the depths of his heart.

He sighs deeply deciding to end his boys night a little early and head to bed to text his fiancée for awhile.

"Night fuckers, see you in the morning"

Once he's in the bedroom the blonde strips his shirt o falling back onto his bed pulling his phone out.

Mr Perfect

Miss me yet?

Green eyes light up when he sees the notification.

Medic

Yes! Pretty much the minute you dropped me o. You back home now? Was waiting to hear from you

Katsuki smiles as he lays there.

Mr Perfect

Yeah, the extras are passing out in the livingroom. All except for Duncce probably, scared the fuck outta him watching scary shi

The greennett rolls his eyes with a grin.

Medic

So mean Kacchan! Kami is sensitive about that stu and I don't like them ether

The blonde smirks.

Mr Perfect

I know you don't, I turn it on so that you climb into my lap and I can be the hero and protect you from the monsters on the screen, and break into a full on make out session to distract you.

Izuku laughs with a light blush as he responds.

Medic

And just how do you know I don't just pretend to be terrified so that you'll do exactly those things?

The blonde grins with a chuckle.

Mr Perfect

Well I mean you crying and begging me to turn it o while you hide your eyes is kinda a give away Medic

Medic

Fine you win

Mr Perfect

I normally do. Ready to marry me tomorrow?

The greennett smiles wide with an excited sigh.

Medic

More than ready Mr Perfect. More than ready. I can hardly believe it, so much has happened since that first night I checked out the hot, line throwing firefighter who didn't want to be checked out at all.

He replies with a smirk he learned from his hot blonde himself.

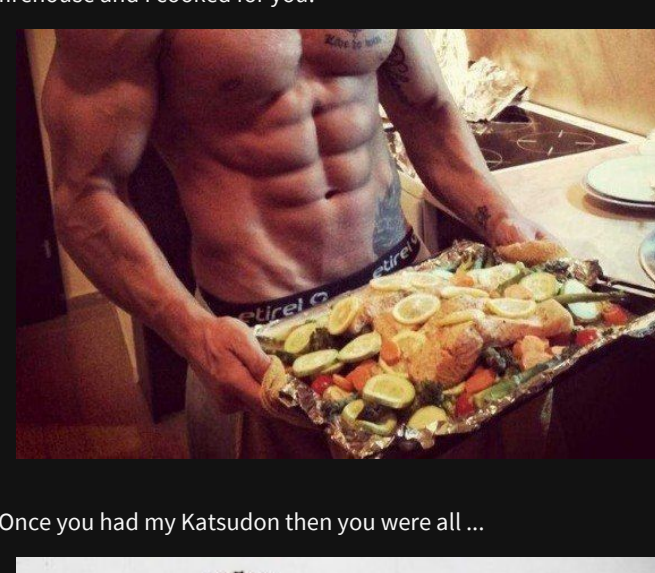

Katsuki laughs in the dark room.

Mr Perfect

Yeah I was all...

But you were all...

Izuku throws his head back and laughs hard.

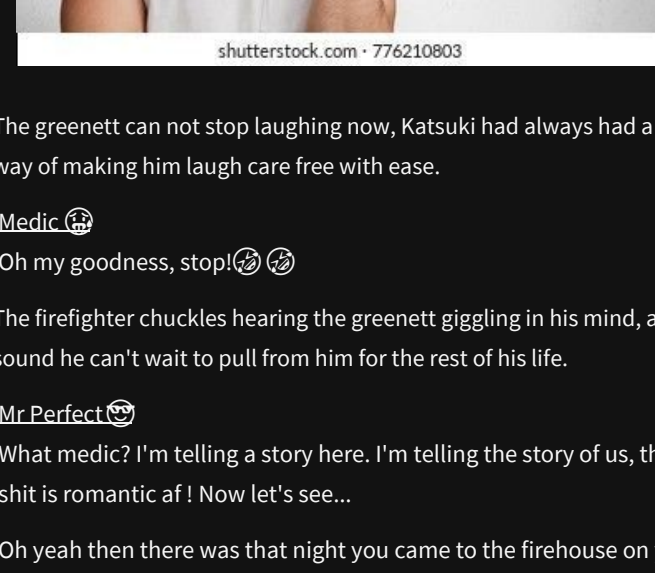

Medic

That's not true!

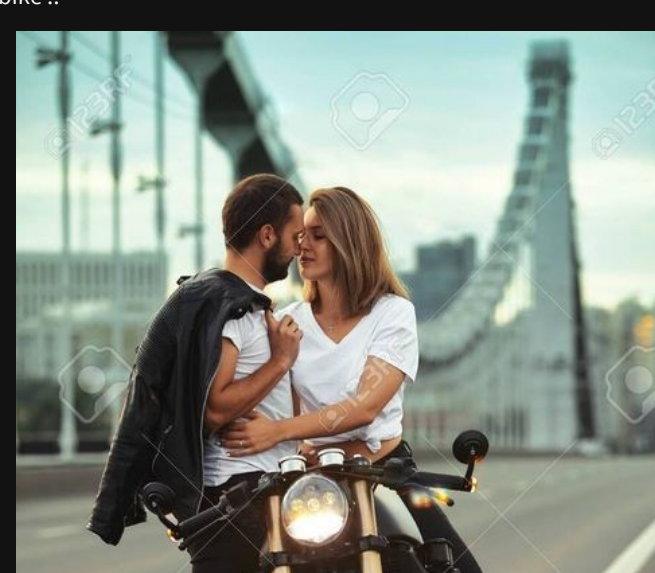

The blonde grins enjoying his back and forth time with his soon to be husband.

Mr Perfect

Hell yeah it is, totally rejection until I talked you into coming to the firehouse and I cooked for you.

Once you had my Katsudon then you were all ...

The greennett can not stop laughing now, Katsuki had always had a way of making him laugh care free with ease.

Medic

Oh my goodness, stop!

The firefighter chuckles hearing the greennett giggling in his mind, a sound he can't wait to pull from him for the rest of his life.

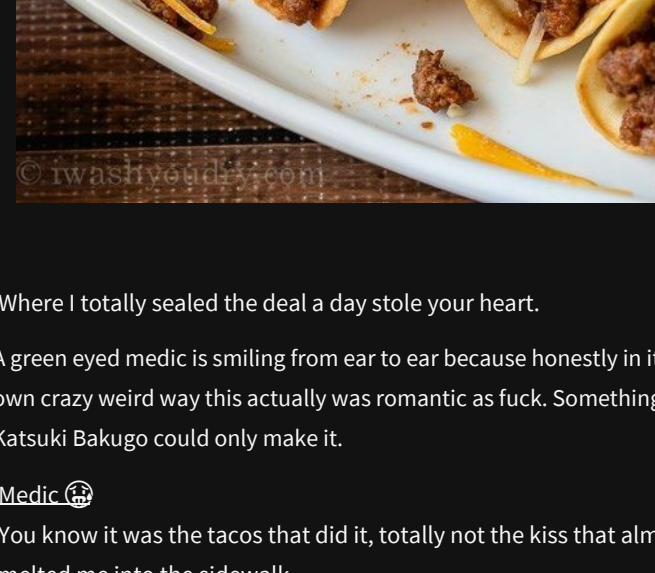

Mr Perfect

What medic? I'm telling a story here. I'm telling the story of us, this shit is romantic af! Now let's see...

Oh yeah then there was that night you came to the firehouse on your bike ..

And then the next day ..

Where I totally sealed the deal a day stole your heart.

A green eyed medic is smiling from ear to ear because honestly in its own crazy weird way this actually was romantic as fuck. Something Katsuki Bakugo could only make it.

Medic

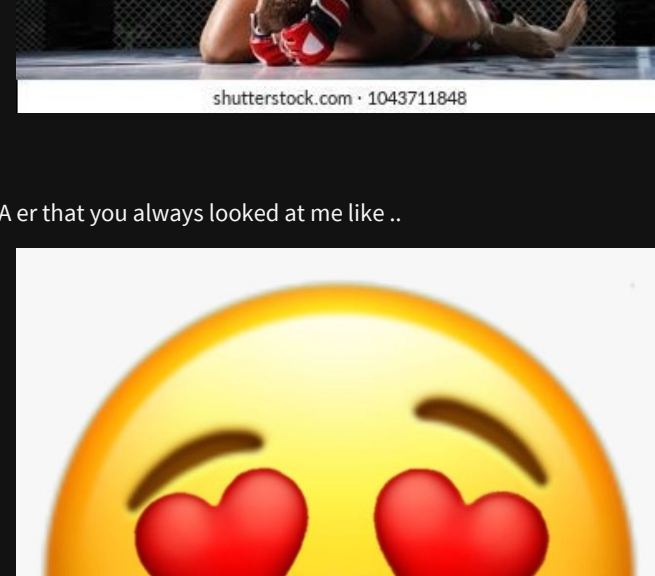

You know it was the tacos that did it, totally not the kiss that almost melted me into the sidewalk.

Mr Perfect

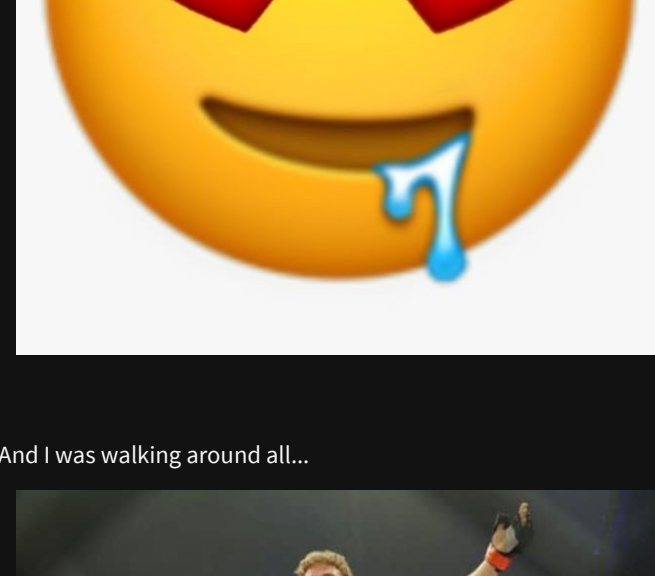

Was all part of my evil plan to over throw you and take you as my own . Mahahahaha. Now where was I?

Oh yeah ...

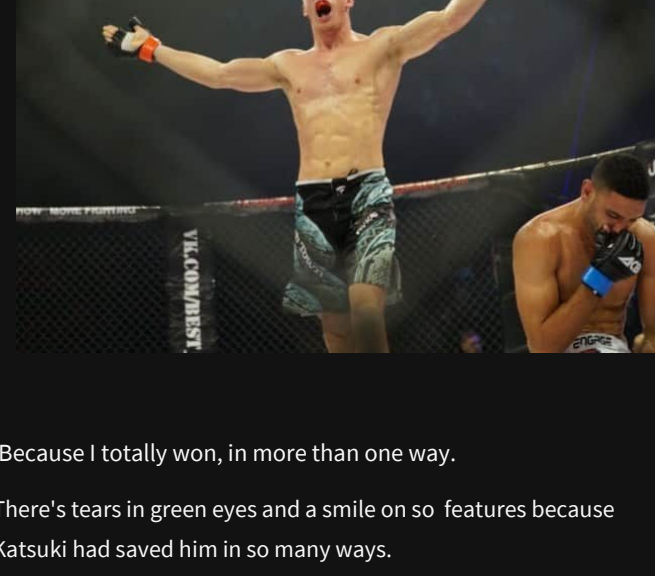

So a er that there was a douch bag smack down, a blonde hot as fuck firefighter to the rescue

Aer that you always looked at me like ...

And I was walking around all...

Because I totally won, in more than one way.

There's tears in green eyes and a smile on so features because Katsuki had saved him in so many ways.

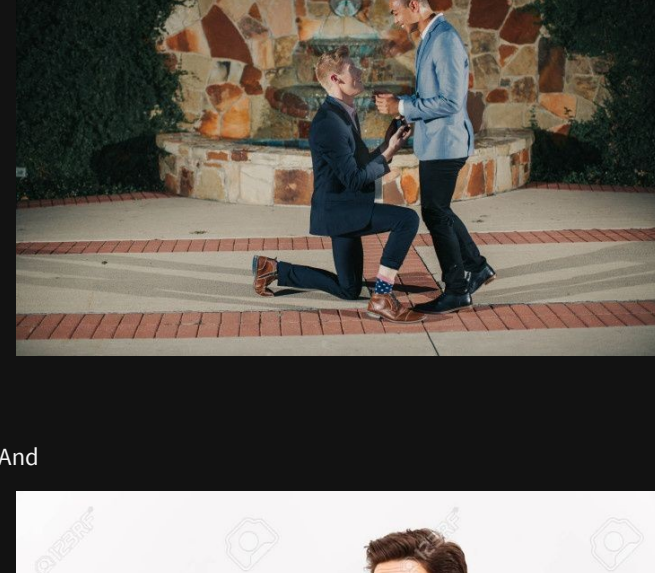

Mr Perfect

Then there was some life in between. Fireman's Ball, the night I rocked your world

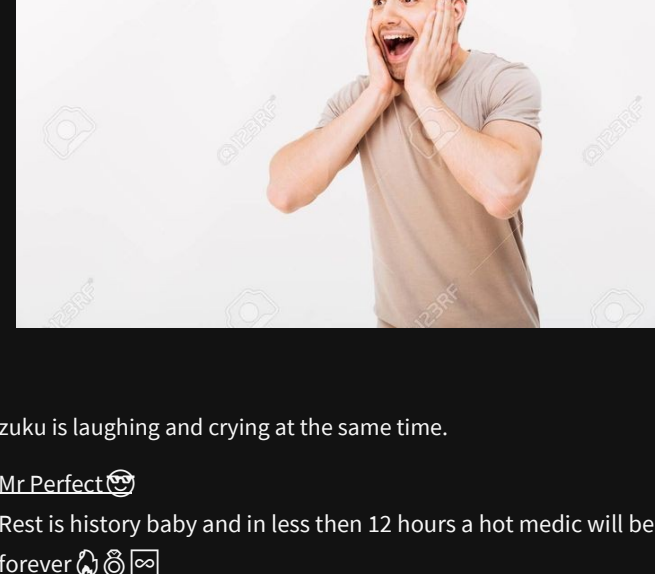

Meeting crazy ass parents.

Me beating the shit outta that fuck again.

A little of this, little of that, lots of lines later and then

And

Izuku is laughing and crying at the same time.

Mr Perfect

Rest is history baby and in less then 12 hours a hot medic will be mine forever

The blondes phone suddenly rings in his hand.

"Hi bab..."

He doesn't get to finish his greeting before a teary voice cuts him o.

"I love you Kacchan, I love you so much I feel like my heart is breaking. You're amazing and... and Perfect, and my life would be a mess without you. I can't wait to marry you tomorrow, honestly I wish it was tonight because I hate this tradition and I just wanna be with you", he hurries out with a teary chuckle at the end.

Katsuki feels his heart ache against his chest listening to words so sincere they're breaking him down.

"I love you too Deku, fuck I love you. Saying that to you sometimes never feels like enough, but I'm definitely gonna show you every damn day. And you're right this tradition sucks bad. I want you here too, curled up right next to me, right where you belong, right where there will always be a spot for you"

Izuku laughs with tears still falling.

"That last part was one of the best lines ever"

Katsuki smirks.

"Wait till tomorrow"

The greennett smiles looking out the window.

"I can't wait till tomorrow. Gosh I miss you so much, I'm definitely the clingy one in this relationship"

The blonde chuckles, voice going low in the dark.

"Oh dumno about that, I'm missing you so damn much I thought about faking an injury just so you could check me out"

The greennett giggles.

"Doesn't sound like a horrible idea, I rather enjoy checking you out", he grins making Katsuki raise a brow on the line.

"I knew it, finally you admitted it, only took like seven months", he smirks playfully hearing a so laugh he aches to have next to him.

There's a beat of silence then a so voice.

"I can't wait to marry you Mr Perfect"

The blonde smiles.

"Me ether Medic. Can't come soon enough baby, few more hours and you'll be Izuku Bakugo"

Izuku feels butterflies.

"I know, it's gonna be amazing."

The blonde smiles

"It already is amazing, more than he fucking realizes, more so every day"

"Kacchaaaaan"

Katsuki laughs at his nickname being drug out by his fiancée.

"What?"

Izuku sighs, with love bursting at the seems.

"How is it possible you just get more Perfect?"

"Because, I got this green eyed medic who brings it out in me. Now we need to get some sleep before we're late for our own wedding"

"Not a chance. But yeah I suppose you're right. I'll meet you at the alter hot stu"

The blondes smiles.

"I'll be waiting Medic, I'll be waiting."
