

My Ex-Wife and Kids Came In Like A Wrecking Ball Chapter 301

At the same time, in kindergarten.

Little Estie arrived at the gate of the kindergarten early in the morning, waiting eagerly for Rosalie and the two little brothers to come.

Yesterday, the brothers told her that Auntie has been busy in the past two days and will come to pick them up in the future.

So last night, Estie waited eagerly for a long time, but the last thing she saw was not Rosalie but another auntie.

At first, she was a little disappointed, but the auntie helped Beautiful Auntie to bring her a message, and the little one knew that Beautiful Auntie still thought about her.

Therefore, the little one is not so sad because of what happened yesterday. She is even looking forward to meeting Beautiful Auntie this morning!

However, she waited until all the children arrived, but still did not see Beautiful Auntie and the little brothers.

Little Star could not help but feel a little down.

"Estie, class is about to begin, let's go in!" Teacher Leigh Ann did not know what the little one was waiting for, so she never urged her until it was time for lessons.

She called out to her, but the little girl pursed her mouth and shook her head, her face full of reluctance.

"Why, what's wrong?" Miss Leigh Ann was puzzled.

The teacher felt sorry for Estie because the little one got lost in the mountains last time. Due to that incident, she is more mindful of the child.

Little Estie stared far away, eagerly waiting for Beautiful Auntie's car to appear.

No matter how bad it is, the little brothers will come too!

Until the class bell rang, there was no sign of the three of them.

Miss Leigh Ann could not persuade her to come in, so she could only accompany her to stand at the door and asked other teachers to help her watch the class. Perhaps due to that disappearance, the little girl's insecurities were pitiful. Beautiful Auntie and the little brothers were not coming. She thought of Beautiful Auntie's attitude toward her two days ago, and the little girl's eyes welled up with tears.

'Did Auntie not want me anymore? Did you transfer little brothers to another school?'

She remembered that the little brothers had almost transferred schools before...

Miss Leigh Ann was so distressed when she noticed the little one was about to cry, so she squatted down to her level to comfort her. "What's wrong, Estie? Can you tell me? Maybe I can help you?"

Estie pursed her lips sadly, took out a small notebook, and wrote "Brother" on it.

As she saw the words written by Estie, Miss Leigh Ann was stunned for a moment. Then she realized that the little one was asking for Lucian and Nox, and she understood what the little guy was waiting for.

It's just that, when the little girl came early in the past, she has never so persistently waited for the two of them...

Miss Leigh Ann was a little confused, but she patiently explained to the little guy, "Lucian and Nox are taking care of mommy at home, they said that their mommy had a fever and asked me for a day off."

After that, she patted the little one's head soothingly, "They will be here tomorrow, so we won't wait any longer, okay? Come in with me, alright?"

Hearing that the Beautiful Auntie was sick, the little girl's face was full of worry.

The teacher reached out to hold her hand, but she shook her head and took two steps back. 1

Miss Leigh Ann was about to ask her what was wrong, but the little girl turned around and ran away.

"Estie!" Miss Leigh Ann hurriedly chased after her.

However, Estie climbed right into the car driven by the Lawrence family driver who was waiting on the side of the road.

Byron learned his lesson from the little girl's disappearance and arranged for a driver to prevent her from running away.

At least wherever she goes, the driver follows her.

The driver felt puzzled as he watched his Little Lady get into the car, and a kindergarten teacher was chasing her outside.

In the next second, the Little Lady's who rarely spoke said in a soft childlike voice, "Go to Auntie's house!"

Who could say no to that?

The driver was stunned for a moment, then happily agreed. Ignoring Miss Leigh Ann behind him, the driver started the car and drove away from the kindergarten.
