

My Ex-Wife and Kids Came In Like A Wrecking Ball Chapter 755

“Then what’s going on?” Nox could not help but ask

Estie just stared at Rosalie eagerly, wanting to get her affirmation.

Rosalie’s eyes softened at the little girl’s gaze, and she nodded helplessly, “okay, I won’t be angry at Daddy.”

Hearing what she said, the little girl blurted out in her innocent voice, “Mean Auntie is staying in my house.”

Lucian and Nox were stunned for a moment. They then immediately realized who the Mean Auntie she was talking about.

Rosalie looked blank, not knowing who the little one was referring to.

“It’s Wendy Fuller!” Nox was so angry when he thought of that bad woman bullying Mommy. He could not understand how Daddy would let that bad woman stay at his home!

Hearing this, Rosalie frowned slightly.

Although she had promised the little one that she would not be angry, she still felt a strange feeling in her heart.

She did not know what Byron was thinking. On one end, he kept talking about pursuing her and how he would give her a proper explanation. On the other end, he let Wendy live in his house.

Moreover, Byron knew what Wendy had done to Little Estie. The little girl’s resistance toward Wendy was almost written on her face. With her around, the little one would inevitably feel depressed.

The symptoms of the little girl’s speech issues had just improved. Rosalie was afraid that because of Wendy’s constant presence, the little girl’s condition would worsen like before.

Moreover, none of them could guarantee whether Wendy would take this opportunity to attack the little girl again.

Rosalie’s heart broke as she thought about the little girl being picked on by Wendy.

“Auntie.” Little Estie carefully tugged on the hem of her clothes.

Rosalie came back to her senses and lowered her eyes to meet the little girl’s gaze. “Yes, darling?”

The little girl frowned, her face full of worry. “Are you angry? You promised me you won’t be angry with Daddy.”

Even at this point, the little one was still trying to speak for her father. Rosalie could not help but feel a burst of sadness. “Not at all. I promised you, so I’ll keep my promise.”

The little girl was obviously relieved. A small smile appeared on her face.

“Were you in a bad mood just because Aunt Wendy is staying at your home now?” Rosalie looked at the little one tenderly.

The little girl knew that Auntie was not angry with her daddy, so she had nothing to hide. She said in a sullen voice, “Mean Auntie isn’t good to me. I like you more, Auntie.”

After speaking, she looked at Rosalie innocently. “Can you stay at Estie’s house? And the brothers too!”

Hearing Little Estie say this, the two little boys also seemed very excited. “Mommy!”

They wanted to go with Estie. At the very least, when the bad woman bullied Estie, they could stand up to protect her!

Rosalie looked into the eyes of the little one and was overwhelmed with emotions, but reality did not allow her to fulfill Estie’s request.

Rosalie held the little girl in her arms tenderly and asked her softly. “I’m so sorry, darling. Do you dislike Auntie Wendy very much?”

The little girl nodded vigorously.

‘That auntie is always fierce and scary. She’ll hit me, and she always only acts nice in front of Daddy.’

Rosalie felt helpless at the obvious resistance on the little girl’s face. “The brothers and I may not be able to come to stay at your house, but I’ll help you talk to your daddy, so don’t worry.”

Hearing this, even though she was lost, the little one nodded obediently.
