Billionaire Wants To Get Married Chapter 22

Hearing these, Mack's face turned deathly pale. He's finished! He was completely finished!

He did take money from Queenie and promised to find a way to make Vanessa fail in the exam.

But he never thought things would turn out this way. If he knew that he would end up like this, he would not have agreed even if Queenie offered him more money.

Being expelled from University A and gaining a certain notoriety for framing students would mean that he would be disgraced by the entire music circles!

That's too big a price to pay!

Mack subconsciously looked in the direction of Queenie, 'Actually, I...'

'Shut up, you have slandered my sister and still want to find excuses!'

Queenie was afraid that he would give her up, so she quickly walked over and pretended to teach him a lesson. Then she threatened him in a voice that no one

An Engagement Out Of Surprise else could hear, 'The situation got out of hand and giving me up won't help! As long as you keep your mouth shut, I can give you another two million!'

Mack was swayed and did not speak again, allowing the bodyguard to drive him out.

Vanessa took it all in, and said to Queenie implicitly, 'What did you just say? Mr. Roberts seems to trust you?'

Queenie's heart thumped, gathered my composure, 'Did... he? You're thinking too much. Mack Roberts is aware that his notorious conduct was exposed, that's why he did not resist.'

'Really? So I should thank you for sticking up for me?'

Vanessa said calmly, with a trace of suspicion. Queenie didn't dare to stay longer and found an excuse to leave in a hurry.

When she was away from the crowd, she was finally relieved. But when she thought of the two million, she could not help but clench her fist, her nails deep into her palm.

It's all because of Vanessa, she paid a double penalty!

She swore it!

An Engagement Out Of Surprise

She must make Vanessa pay the price!

At the same time, the party went on. With this episode, coupled with the personal support of the principal of University A, those who had contempt for Vanessa changed in attitude instantly. Wherever she went, she attracted almost everyone's eyes, like the focus of the whole scene.

The other one who enjoyed the limelight was Sebastian.

He had a great day today. His son was his right-hand man, and both of his daughters got into University A. And it's more than that, Vanessa was a hidden dark horse, and a piano genius with exceptional talent that even so many of the top names in the music circles couldn't help but praise her.

He even took the opportunity to negotiate a number of potential collaborations, including the marriage of the Taylor family.

When the atmosphere was heated, Sebastian walked on stage, took the microphone and cleared his throat, 'Everyone, a moment, please. As you all know, the Simmons family and the Anderson family are united by marriage, and there's another news I want to share

An Engagement Out Of Surprise with you today."

Hearing these words, Vanessa, who had already gone to the corner to rest, looked up. Did his father mean the marriage between her and the guy who was dying?

But as far as she knew, no one from the Anderson family come to the banquet today, so what was this all about?

Many of the guests present were as curious as she was. They knew a little about things between the Simmons family and the Anderson family, but there was another news? What could it be?

'Mr. Simmons, don't keep us guessing, just say it! We are all listening!'"

'Yeah, just say it!'

Sebastian laughed bashfully, glanced at the boss of Taylor Group, and only then continued, 'My son Felton and the daughter of the Taylor family are in love with each other, our two families have officially reached a marriage alliance, and will hold an engagement ceremony for them soon!'
