Billionaire Wants To Get Married Chapter 23

“The Simmons family and the Taylor family have joined in marriage?” :

‘Isn’t it too fast? I haven’t heard anything about it before!’

‘First the Anderson family and then the Taylor family, Sebastian is working on a plan to make bigger strides!’

The crowd was in an uproar. Vanessa was also a bit surprised. She subconsciously went to look at Felton and saw him standing in place with a gloomy face.

This news came so suddenly, she supposed he himself did not know, right?

Felton’s friends, on the other hand, complained that he did not treat them as buddies.

Only he himself was frozen in place with a blank face, unable to say a word.

Vanessa thought for a while but still went over and asked, ‘Are you... alright?’

Felton glanced at her and gave her an ugly smile, ‘I’m fine.’

Vanessa obviously didn’t buy it and kindly reminded, ‘Even if you are not happy with this decision, do not go to him for answers now. He’s domineering and won’t change his mind.’

‘I understand.’ Felton smiled bitterly. Even Vanessa, who had just returned home, knew what kind of person Sebastian was, it could be seen how far he had gone!

Seeing that Felton was so upset, Vanessa wanted to say something, but she was not good at comforting people, and could only stand by his side in silence.

When the banquet was over, Felton immediately stared at Sebastian with a cold face, and the face that was always filled with smiles was now filled with coldness.

‘Dad, would you mind explaining to me what is going on? Please tell me why I suddenly got engaged!’

He held back his anger so that he wouldn’t say anything too bad.

Sebastian also knew that it was not a good idea to hide it from his son, but he knew better than that if this worked out, it would be of great benefit to the

(Chapter 23 Quarrels Simmons family.

The help and support that the Taylor family can give to the Simmons family were not only in the company.

And Yvette Taylor was the only daughter of the Taylor family, with good looking, wealthy family, and good education. She was perfectly worthy of Felton.

But he knew his son. His son was stubborn and it was impossible for him to accept the family marriage. So finally, after comprehensive consideration, he simply settled this matter first without telling his son, and then made opportunities for them to bond.

Anyway, they were young, relationships were never hard for them.

Sebastian lightly coughed and walked to Felton's side, stretching out to try to pat him on the back.

But this time Felton took a step backward after noticing his father's movement, avoiding the hand that **was** about to land on his shoulder.

Sebastian spoke with some embarrassment, 'Felton, this is my bad, I did not discuss it with you first, but I am also for your consideration! As long as you and

Yvette can be together, our company's business will

Quarrels certainly be thriving, and you don't have to work so hard anymore..."

'Enough!"

Sebastian got interrupted by Felton before he could finish.

'You think I have a problem with my ability to run Simmons Group well, don't you? Or you are too greedy and want to use it to get to the top!"

The Taylor family was one of the most influential families in the city, too much better than the Simmons family.

However, did they have to use marriage to strive for further improvement?

“No, it’s not like that..”

Seeing that his son was very angry, Sebastian hastily denied it.

Just at that moment, Elise walked out from behind **Sebastian**.

‘Felton, how can you talk to your father like that? He is doing this for the good of the Simmons family, and also for your own good? After you and Yvette are together. things would be a lot easier than now.’”
