Billionaire Wants To Get Married Chapter 6

When Vanessa returned to the Simmons mansion, Queenie and Elise were watching TV, and the two of them immediately came over as soon as they saw her.

‘Vanessa, did you go out with Felton? Where did you go?’

Although Queenie and Felton were only half-blooded siblings, Felton had always loved her. When she saw Vanessa and Felton getting close, she was not very comfortable in her heart.

‘Walking around, shopping.’

‘So what did you buy?’

Queenie looked Vanessa up and down and found that Vanessa was still dressed so casually. She felt a little better, but still sounded weird, ‘That’s right, you’re soon to be married into the Anderson family, indeed should be well dressed up, otherwise, what we should do if the Anderson family is not satisfied with you?’

Vanessa squinted at Queenie coldly, ‘We still have you,

She was just about to lose her temper when a bunch of people suddenly came to the door, ‘Is Miss Simmons here?’

Elise turned back, ‘And you are?’

There were three or four people at the entrance, each holding a small box, ‘We’re here to deliver a gift for our young master, and is Miss Simmons her?’

Queenie’s face flashed with a touch of smugness because her suitors used to send gifts to her home.

She cleared her throat, ‘Well, I am. What is it?’

Those guys opened the boxes one by one, revealing a complete set of jewelry set with diamonds.

Queenie’s and Elise’s eyes immediately widened. This was the latest SU jewelry, and a full set was worth millions!

What was this guy? So generous!

Elise immediately eyed Queenie, 'Queenie, say thank you to this generous gentleman!'

Queenie's face was blushed with excitement and she reached out to take the box, but the person opposite paused for a moment, 'Wait, you're Miss Queenie?' 'Sorry, you can't take these things. This is a gift from our young master to Miss Vanessa.'

'Excuse me?' Queenie's face almost twisted and she subconsciously glanced towards Vanessa. Such precious things were actually given to that country bumpkin? They can't be wrong, can they?

That man also noticed Queenie's gaze and instantly understood. He quickly came to Vanessa and said with a very respectful attitude, 'Miss Simmons, this is a gift specially prepared for you by our young master, and we hope you like it!'

Vanessa lightly swept a glance at the gift and wasn't thrilled, 'Who is your young master?'

Many people wanted to send her gifts, and she didn't find it strange at all.

That man tried to please Vanessa, 'Miss Simmons, you don't have to worry about it. Our young master said **that** you will meet eventually.'

He then put things down and left. Queenie's **eyes were** red because of anger, and she stared at Vanessa with a deadly glare, 'Vanessa, you really got something on you, didn't you? You've only been in Imperial Capital

for one day, and you've already got acquainted with such a rich young gentleman! You're my role model'

Vanessa smelled the mockery and frowned, 'I do not know who this guy is, but if you are jealous of me being given pretty gifts, you can take them away. I have so much jewelry that I simply can't carry it all.' She was telling the truth. Every new arrival of SU every season would be sent to her, so she didn't think there was anything special about this precious set of jewelry

Queenie felt insulted to the point that she snorted coldly, dragged Elise, and turned around to leave.

Vanessa stared at their backs for a while, did she say the wrong thing again?

She sighed. Why was it so hard to get along with people? She can't even tell the truth?
