

Y Master Qin 281

Chapter 281: Jiang Xun Is Basically Acting As Herself

“The second brother is a righteous and impulsive person. He is a good person, but he always causes trouble with good intentions. Every time little sister helped him clean up the mess, although she was angry, she always remembered how good second brother was when she thought about how he protected her. However, ever since she was young, second brother got to enjoy the love of her parents that she had never enjoyed before. She was also jealous of second brother. However, her little sister’s heart was kind, so every time her second brother was in trouble, she would still lend a hand.

“She only had a high school diploma. Later, she took the college entrance exam and completed her undergraduate degree. However, in her business circle, she was still looked down upon by people. There were even people who talked about her original family. However, she never hid it, nor was she afraid of people talking about it. These were all things that she had experienced, and there was nothing shameful for her. I remember that she had a line saying that her experiences were not shameful. On the contrary, the people who caused her experiences should feel ashamed.”

Screenwriter Yu’s eyes shone with a dazzling light. “This means the same thing as what Jiang Xun said just now!”

“I never thought that there would be someone who could be so compatible with my character!” Screenwriter Yu said excitedly, “I did write the Lin family’s little sister based on Jiang Xun, but I didn’t understand Jiang Xun’s personality at all. Therefore, when I wrote it, I stripped away Jiang Xun’s personality and created the Lin family’s little sister based on my own thoughts. Out of my appreciation for the role of the Lin family’s little sister, I tried my best to put some contradictory but good qualities on her, but I didn’t expect her to be so similar to Jiang Xun herself!”

“I know that the character of the Lin family’s little sister is definitely not the same as Jiang Xun’s, but based on what Jiang Xun said just now, she is the most suitable person for the Lin family’s little sister that I have ever met!” Screenwriter Yu was too surprised, and he was so excited that he couldn’t help but tremble.

He had only created the role based on his own imagination. He didn’t expect that she could be so similar to Jiang Xun!

“Director Guo, the Lin family’s little sister should be played by Jiang Xun!” Screenwriter Yu said excitedly to Haolun, “Jiang Xun is basically acting as herself. She doesn’t even need any acting skills!”

She did not need any acting skills to act as herself!

“Although she is acting as herself, Jiang Xun’s acting skills are also very good, Screenwriter Yu,” Zilong reminded.

“Yes, yes, yes.” Screenwriter Yu nodded repeatedly. “That’s for sure. If Jiang Xun’s acting skills are good and she’s acting as herself, then she’s even better!”

“But Director Guo just said that she has to pass the audition. I think it’s more fair for everyone to audition together,” Xiuse said. “Besides, after hearing what you said just now, I’m also very interested in the role of the Lin family’s little sister. Such a character that was set up with a contradictory personality is really too expensive. The character was set up well to please the audience. The contradictory personality is also very challenging to act. As an actor, who wouldn’t want the challenge of a more difficult performance? To be able to challenge oneself, such an opportunity is really something that can only be found by chance.”

Xiuse smiled and said, “Teacher Yu, you decided to cast Jiang Xun with just one sentence and didn’t even have an audition. It’s really too unfair to the other actors.”

Screenwriter Yu couldn’t find the right words to deal with Xiuse.

Screenwriter Yu was good at playing with words on paper. If he were to go up against with Xiuse on Weibo, even ten of Xiuse might not be a match for him.

However, when talking face to face, Screenwriter Yu was the kind of person who was dumb.

“We all know Teacher Yu’s character,” Haolun said. “He’s the most innocent person. He’ll say whatever he thinks. He doesn’t mean anything else. I’ve said it before. No matter who wants to play the role, they’ll all participate in the audition. It’ll be fair and just. Don’t worry. There won’t be a default situation.”

Xiuse smiled. “That would be the best.”

Screenwriter Yu knew that he had said the wrong thing and had even caused trouble for Haolun. He didn’t say anything more and lowered his head to eat his own food.

“Will Screenwriter Yu be a judge on the day of the audition?” Xiuse asked again.

A gold-medal scriptwriter like Screenwriter Yu always had the right to participate in the casting process.

Screenwriter Yu was stunned for a moment. He thought to herself, if I don’t say anything, why won’t Lu Xiuse let me off?

“I wrote the script, and the role on the paper was created by me. I have my own understanding and opinions about the role, so I will definitely participate in the casting process,” Screenwriter Yu said. “I need to find the actors who are the most suitable for the roles.”

“But I don’t think this is appropriate.” Xiuse’s lips curled into a smile. “At least for the role of the Lin family’s little sister, you should avoid suspicion.”

“You said that just now. It’s obvious that you want Jiang Xun to act. Then when we go for the audition, you’ll naturally be biased toward Jiang Xun. It’s not fair to the others,” Xiuse said. “Who knows if the audition will be just a formality? Since you already think highly of Jiang Xun, no matter how well the others act, you’ll still think that Jiang Xun is the most suitable.”

“You’re suitable for other casting, but for Jiang Xun’s role, I think you should avoid suspicion,” Xiuse said.

Screenwriter Yu put down his chopsticks with a dark expression.

He didn't say anything just now. He didn't expect Xiuse to be so greedy.

He really didn't put Xiuse in his eyes just because she had a financial backer.

Yes, he really couldn't do anything to Xiuse.

"I wrote the role myself. I don't have the right to participate in the casting?" Screenwriter Yu said coldly, "No one in the industry has ever said such things to me! Moreover, Teacher Lu, you are questioning my professionalism! I will not ignore other excellent actors because of my subjective bias. If someone is more suitable than Jiang Xun, I will definitely choose them.

"If you think that you are more suitable than Jiang Xun and that your acting is better than hers, you can just take a look at the audition when the time comes. You are worried that I will be biased, but with Director Guo around, no matter how much I recommend her, the final decision will still be made by him. What are you afraid of?"

Zilong and Haolun thought to themselves, good man, an honest person being forced by Xiuse, his mouth is also quite eloquent!

However, Screenwriter Yu was still too embarrassed to say it out loud. Xiuse's age was really not suitable for acting as the Lin family's younger sister.

For roles of young characters, they could hire small actors, but for characters after the age of high school, they still had to try their best to find adult actors who match the appearance of the characters, which was difficult to find.

If it was Jiang Xun acting, she could definitely act as the character from high school until she became an adult.

After all, she was only nineteen years old. It would not be a problem for her to act as a high school student who was three or four years younger.

But could Xiuse do it?

Nowadays, artistes took good care of themselves. It would not be a problem for her to act as a character who was ten years younger.

But the key was that Xiuse had a strong appearance. After so many years of being contaminated by the entertainment industry, she had long lost her pure and innocent temperament. Her every move, every frown, and every smile carried a worldly aura that she was not aware of. Wasn't acting as a high school student letting the audience watch the drama end?

Chapter 282: Jiang Xun, Show Us One Of Your Moves

Yixin patted Xiuse's hand and said, "Screenwriter Yu is right. Director Guo is the fairest."

Haolun smiled. How could he not understand Yixin's meaning?

Yixin looked at Jiang Xun at this time.

He had been silently observing Jiang Xun for a long time. This little girl was really beautiful.

He had praised many female celebrities, including Xiuse now. In fact, there were other female celebrities as well.

However, none of them could compare to Jiang Xun.

The entertainment industry was already the most attractive place in the whole of China, but Jiang Xun was still a crushing existence in this place.

However, the little girl looked too pure. He did not know if she was as spicy as Xiuse's Kung Fu.

Otherwise, just being pretty would not be that attractive.

"Screenwriter Yu has been saying that Jiang Xun is very suitable for the role. Why don't we let Jiang Xun try playing it here?" Yixin picked up the red wine glass and raised it at Jiang Xun, who was sitting opposite him from a distance.

The corner of his mouth held a smile that he thought was handsome and charming, but in fact, it looked very greasy to Jiang Xun.

There was nothing good in his pair of eyes. He stared straight at Jiang Xun and drank a mouthful of red wine.

Xiuse's expression was ugly. Yixin was hooking up with Jiang Xun right in front of her. Did he really think that she didn't exist!

She didn't really care about Yixin.

But this was a matter of her charm!

Other than Yixin and Xiuse, everyone else's expressions changed.

Jiang Xun's expression turned cold.

This wasn't a formal audition. Letting her perform here was to relieve his boredom!

Zilong wouldn't let Jiang Xun do this either. He was the one who brought Jiang Xun here, so he had to send her back properly.

Not to mention, there was also Mufeng behind Jiang Xun.

He couldn't afford to offend anyone!

Although Haolun didn't know about the relationship between Jiang Xun and Mufeng, Zilong was the one who brought Jiang Xun here. He couldn't let Jiang Xun suffer here.

Not to mention Screenwriter Yu. In his opinion, Jiang Xun was the real prototype of the Lin family's little sister. All the good qualities of the Lin family's little sister could be seen in Jiang Xun.

He would never let Jiang Xun be bullied here.

The three of them did not play the unspoken rules of the entertainment industry. A dinner party was a clean meal. They would never let a female celebrity perform for their entertainment.

When they saw that Yixin actually brought that to their dinner party, they felt disgusted.

Screenwriter Yu spoke first, "I didn't bring a script. How can Jiang Xun act? I wrote such a thick script. I can't remember what lines were."

Haolun also said, "I didn't bring the script with me."

Who would bring a script with them when they were out for dinner?

Yixin deliberately made things difficult for Jiang Xun, but it wasn't apparent enough to pinpoint how.

Xiuse held Yixin's arm intimately and said with a smile, "It is indeed difficult to get into character acting at a dinner party. If Jiang Xun doesn't act well and Director Guo doesn't like it, it'll be our fault instead."

No one thought that Xiuse was trying to help Jiang Xun out of her predicament.

Jiang Xun looked coldly at the couple opposite her.

As expected, Xiuse quickly followed up, "However, Jiang Xun's fighting skills are very good. I heard that she didn't use a stunt double in her last movie, 'Storm in The Heavenly Capital.' She played it very well. It seems that she has a foundation in martial arts."

"I'm ashamed to say that although I've been in the entertainment industry for a long time, I've never worked with a real fighting star before," Xiuse said with a face full of shame. "Nowadays, there are too few actors who know martial arts and Kung Fu. And the few of them are already acting in films. It's because I'm not good enough to work with them in the film industry. I really want to see what it's like to fight with people who really know martial arts."

"Jiang Xun, can you perform for us?" Xiuse looked at Jiang Xun expectantly.

Zilong's face darkened. Xiuse was really going overboard.

He looked at Haolun and was ready to take Jiang Xun away at any time.

Yixin was immediately interested when he heard that. He looked at Jiang Xun with interest. "Jiang Xun, is your Kung Fu really that good?"

"That's right!" Xiuse followed up, "The circle of actors isn't that big. I happen to have a friend who has also acted in 'Storm in The Heavenly Capital.' Everyone in their production team knows that Jiang Xun knows Kung Fu. The martial arts director had even personally praised Jiang Xun. He said that every time he told her a rough movement, she would be able to accurately execute it. Her punches were in place, and she was full of vigor. It's different from us, who only know how to swing and put on a show. Jiang Xun is especially beautiful and powerful when she fights."

"Aiya! There's one more thing, I remember." Xiuse clapped her hands, "When the production team of 'Hell on Earth' was divided into two groups, A and B, Jiang Xun went to the mountain with Group B to shoot a scene. She happened to encounter villagers who were extorting the production team and even started fighting with them. At that time, the crew members were beaten up while protecting the equipment. It was Jiang Xun who single-handedly beat up all the villagers. Zhang Qiyao also posted a video of Jiang Xun fighting. It should still be available on Weibo now."

“She single-handedly beat up a group of people. How could she not be amazing?” Xiuse put on an innocent look and even gave a thumbs up. “Although I didn’t see it with my own eyes, I watched the video and heard everyone in the production team praise Jiang Xun. It can be seen that her Kung Fu is really this good!”

“Now that you put it that way, I’m curious.” Yixin looked at Jiang Xun sitting opposite him with interest, “Jiang Xun, show us one of your moves. Anyway, this room is big enough for you to stretch out.”

Zilong’s face was unsightly.

Yixin wasn’t asking her to dance like he usually asked other female celebrities to, but what was the difference between him asking Jiang Xun to perform martial arts and dancing?

Did those people really just want to watch the female celebrities dance at a dinner party?

Other than some dirty thoughts, there was also disrespect for the female celebrities.

They didn’t treat the female celebrities as equals.

Yixin and Xiuse were like that at this moment. They were playing with Jiang Xun and asked her to perform for them. They treated Jiang Xun as a person who was inferior to them and not as their guest.

“Are you sure?” Jiang Xun laughed. “Do you really want me to perform?”

“What’s there to be uncertain about?” Yixin saw Jiang Xun’s smile and his mind wavered. “Jiang Xun, Director Guo and Director Chen are here. I’m hosting tonight. If you don’t perform, you’re not giving us face.”

Zilong stood up. “Old Guo, I still have some matters to attend to, so I’ll take Jiang Xun away first.”

Haolun nodded. “Alright, then we’ll get together again later. Bring Jiang Xun along when the time comes.”

Although Yixin said that he was treating tonight, inviting Zilong was indeed Haolun’s suggestion.

He had invited him over, but it had caused the junior that Zilong thought highly of to be humiliated in the game. Haolun also felt very apologetic.

Xiuse was not happy to hear it.

Chapter 283: I’ll Give You A Demonstration Right Here!

Didn’t this give Jiang Xun a chance to meet Haolun alone?

Who knew what they would talk about then?

What if Jiang Xun snatched her chance!

“Director Chen, what’s the matter?” With Yixin as her backer, Xiuse didn’t think much of Zilong now.

Zilong and Haolun were high and mighty. They didn’t think much of accepting funds to get someone into the group.

But other directors wouldn't refuse.

She wasn't afraid of offending Zilong.

Even if Zilong asked other directors to ban her, who would go against money?

In this circle, benefits always came first, above everything else.

"Why are you in such a hurry to leave?" Xiuse asked.

Yixin wasn't happy to begin with.

First, he suggested to Haolun that Xiuse is accepted into the group with money, but he was rejected. Now, even though he asked Jiang Xun, a small actor, to perform for a period of time, Zilong would not give him face.

He was not asking Jiang Xun to perform stripping martial arts, so what could she not do?

Zilong and Haolun talked to themselves as Zilong took Jiang Xun away. They did not even ask for the opinion of the person who treated them to a meal. Did they not put him in their eyes!

He, Yixin, was a big shot in the business world!

In front of Zilong and Haolun, he was the capital!

The two directors dared to challenge the capital now?

"Director Chen, what urgent matter do you have to leave immediately? When you agreed to this dinner, shouldn't you have rejected everything?" Yixin said with a smile, "Even if it's really urgent, this won't take more than a few minutes. A few minutes will be enough for Jiang Xun to perform some martial arts for me."

Yixin slammed the wine glass on the table. "Director Guo, Director Chen, don't tell me the two of you won't even give me this bit of face?"

Haolun and Jiang Xun had only met once tonight, so he wouldn't offend Yixin for Jiang Xun's sake.

He wouldn't allow anyone to bribe him, but it wasn't as if he didn't know the ways of the world.

He was very tactful when it was time to be tactful. Otherwise, he wouldn't have achieved his current status.

Therefore, Haolun hesitated for a moment.

However, Zilong wouldn't hesitate. Even if it's not because of Jiang Xun, it was still because of Mufeng.

Was he crazy to bring Jiang Xun here and let her be bullied?

Zilong was about to speak and retort unceremoniously, but he didn't expect Jiang Xun to speak first. "Director Guo, President Yang is treating us today. We are all guests. Whatever I do, please don't take offense."

Haolun was a little surprised. What did Jiang Xun mean?

Did she mean that if she was going to do something, it wouldn't be against him?

Or was Jiang Xun going to give in?

Zilong relaxed slightly. Although he didn't know what Jiang Xun wanted to do, it was definitely not giving in.

If it wasn't giving in, then it was most likely that she was going to cause trouble. That was why she had that word with Haolun.

In fact, he wanted to say that Jiang Xun didn't need to care at all.

Even if she didn't say anything, he would explain it to Haolun.

Based on Jiang Xun's personality and Mufeng's backing, she wouldn't give in.

Even if Zilong was beaten to death, he wouldn't think that Jiang Xun was going to give in.

Such a magical thing couldn't happen to Jiang Xun.

He was rather curious about what Jiang Xun was going to do.

With that thought in mind, Zilong saw Jiang Xun leave her seat and walk towards Yixin.

Haolun looked at Zilong with a dumbfounded expression.

What was Jiang Xun planning to do?

Zilong changed his previously dark expression and sat back down. He did not forget to smile at Haolun.

Haolun was speechless.

What was going on?

What kind of charade was Zilong and Jiang Xun playing!

Why couldn't he understand it?

Jiang Xun walked to Yixin's chair and asked with a smile, "President Yang, do you want to see me perform martial arts?"

For some reason, Yixin felt that Jiang Xun's smile was gloomy and creepy.

However, this feeling only lasted for a moment, and Yixin didn't take it seriously.

What could a little girl like Jiang Xun do?

Therefore, Yixin nodded. Seeing that Jiang Xun was willing to give in, he pointed his chin at the empty space in the room and said, "Go there and demonstrate to us."

"There's no need for me to go there." Jiang Xun sneered and suddenly changed to a cold and arrogant tone. She shouted, "I'll give you a demonstration right here!"

Just when everyone was still shocked by Jiang Xun who suddenly turned hostile, Jiang Xun raised her leg and kicked Yixin's chest.

She even kicked Yixin and his chair to the ground.

“Din’t you want to see a performance? Din’t you want to see Kung Fu?” Jiang Xun went forward and picked Yixin up and threw him to the ground. “I’ll let you experience it for yourself!”

“Isn’t it better to immerse yourself in Kung Fu?” Jiang Xun said as she picked Yixin up again.

Yixin was a 1.8-meter-tall man, but he was picked up by Jiang Xun as if he was a chick.

Even though Jiang Xun had to raise her arm high to lift Yixin off the ground, it was effortless.

Yixin was stunned by Jiang Xun’s attacks and didn’t react for a moment.

By the time he reacted, Jiang Xun had already lifted him up again.

Yixin angrily punched Jiang Xun.

Jiang Xun loosened her grip on Yixin’s collar. When Yixin fell, Jiang Xun instantly jumped up and kicked him in the chest, sending Yixin flying again.

“Bang!”

The sound of Yixin falling to the ground was painful.

Haolun, Zilong, and Screenwriter Yu all lost control of their expressions. They grimaced and revealed the expression of an old man looking at his phone on the subway.

Just as Yixin was struggling to get up with his elbows on the ground, Jiang Xun stepped on his chest and pushed him down again.

“President Yang, does Kung Fu look good?” Jiang Xun sneered and looked at Yixin coldly. She turned around and said to the dumbstruck Xiuse, “Teacher Lu, do you also want to experience the immersive Kung Fu performance?”

Xiuse was silent.

Xiuse trembled and didn’t dare to say a word.

“Jiang Xun!” Yixin roared. His voice was hoarse and full of hatred for Jiang Xun.

Jiang Xun dared to hit him!

Jiang Xun even made him lose so much face!

“Let go of me!” Yixin said angrily. His eyes were red with anger. Like an angry bull, he reached out to grab Jiang Xun’s calf.

Jiang Xun sneered and stepped on his wrist, “Behave yourself!”

“Jiang Xun, unless you dare to kill me today, I’ll make you disappear from the entertainment industry tomorrow!” Yixin shouted at the top of his voice.

Jiang Xun had never seen a man shout so miserably.

In her previous life, everyone was busy killing zombies to save energy. No one would waste their energy on shouting.

In this life, Jiang Xun counted the men she had met.

From young men to old men, no one shouted like that.

“You want me to disappear?” Jiang Xun didn’t care at all. She even sneered arrogantly, “Don’t you know who my dad is?”

1

Jiang Xun felt that it was a new feeling. She didn’t expect that she would be able to become some one who said that.

Chapter 284: There Must Be A Really Big Grudge Between Them

“I know who your father is!” Yixin said angrily.

He had also been on the internet!

Moreover, the person involved was Chengye. They were all in the same circle.

“Then, do you still think you can make me disappear from the entertainment industry?” Jiang Xun sneered. “If you want to take revenge, go find Jiang Chengye. What kind of ability do you have to only deal with me? If you have the ability, fight with Chengye Group!”

Zilong: “...”

Haolun: “...”

Screenwriter Yu: “...”

The rumors on the Internet were true. Jiang Xun didn’t just have a feud with Chengye!

She wanted to bring down Chengye Group!

Xiuse mustered up her courage and gripped the table tightly with one hand, and she said to Jiang Xun, “The entire Internet knows that you don’t have a good relationship with your father, so why would President Yang go after Chengye Group? He only wants to deal with you. It’s impossible for your father to care about you.”

Jiang Xun rolled her eyes and said as if it was true, “This is all for others to hear. Do you understand character design?”

Xiuse was speechless.

She had entered the entertainment industry long before Jiang Xun, and now she was actually being asked by Jiang Xun if she understood character design!

“You’ve been in the entertainment industry for so long, and you don’t even know this kind of basic public relations trick?” Jiang Xun gave Xiuse a look that said, “Are you an idiot?”

Xiuse was so angry that she was panting.

Jiang Xun also knew that she had been in the entertainment industry for a long time!

How could Jiang Xun have the face to say that she didn't understand!

Of course she knew!

"Of course I know! How could I not!" Xiuse obediently jumped into the pit that Jiang Xun had dug and didn't even cover up.

Haolun: "..."

Zilong: "..."

Screenwriter Yu: "..."

Why did they feel that Jiang Xun was fooling Xiuse and Yixin?

Jiang Xun's ability to speak was amazing!

"You mean that you and your father are not on bad terms?" Xiuse asked in surprise.

"Of course!" Jiang Xun raised her chin high. Her pride made her look like she had a strong backer.

As for who was behind the scenes?

Xiuse and Yixin assumed that it was Chengye.

Yixin didn't know about Mufeng, but even if he did, he would probably have the same thoughts as Xiuse. He would think that Mufeng was just playing around and wouldn't support Jiang Xun at all.

Jiang Xun's performance confused Zilong, Haolun, and Screenwriter Yu.

Could it be that the stories on the internet was really a PR ploy?

Were the things that were clarified online fake?

Screenwriter Yu was unsure for a moment.

If that was really the case, he would be very disappointed.

After all, the little sister of the Lin family was based on Jiang Xun.

He even thought that Jiang Xun was the person who was most suitable for the role of the little sister of the Lin family.

But now, Jiang Xun had personally said that all of those were fake?

"I have a good relationship with Jiang Chengye." Jiang Xun didn't make a rough draft to fool people. "My current resources are all given by him. If you don't believe me, you can ask him."

Zilong let out a breath.

Come on, hearing Jiang Xun say that, he knew that what Jiang Xun said before was all to fool Yixin and Xiuse.

He knew very well how Jiang Xun got the role.

She was clearly luring Yixin to fight with Chengye.

She was really raised by herself. She didn't hesitate at all to lead trouble to her father.

Afraid that Haolun and Screenwriter Yu would misunderstand Jiang Xun, Zilong took out his phone and opened Wechat. He pulled Haolun and Screenwriter Yu into their temporary group chat and explained to the two of them.

Zilong: [I know very well where Jiang Xun got the resources for these two TV dramas. Her words just now were to fool Yang Yixin and Lu Xiuse. In the beginning, Jiang Xun acted in Deng Xu's scenes because she participated in 'Accelerated Flight.' There was a segment that Deng Xu saw and he knew that she was good, so he wanted her to try out Bi Yuewu's scenes. That role had a lot of fighting scenes.]

Zilong: [It was also because Jiang Xun passed the audition that she was given the role. Deng Xu discovered her acting talent and recommended her to me. I also asked her to come for the audition, so I decided to use her.]

Zilong: [Jiang Chengye didn't show up at all. I followed the whole journey. I am the most clear about this. What was the name of Jiang Xun's half-sister in Deng Xu's show? She joined the cast with Jiang Chengye's support. She was the one who played Yu Hengjun.]

Haolun and Screenwriter Yu turned around to see Jiang Xun, who was talking about how close she was to Chengye and how good their relationship was.

There must be a really big grudge between them!

Chengye, who happened to have a dinner party in Qin Guan restaurant, suddenly felt an itch on his nose. "Achoo!"

"Director Jiang, do you have a cold?" Someone at the table asked.

"No, it's just that my nose is a little itchy." Chengye sniffed. He didn't feel uncomfortable, but his nose was itchy. Someone was talking about him behind his back.

On Jiang Xun's side, Yixin and Xiuse weren't sure if what Jiang Xun said was true or not.

Xiuse's expression changed a few times and she said, "Aren't you afraid that I'll expose you online if you say that? The image that you just restored not long ago will collapse again."

"Go and expose it. Do you think anyone will believe you?" Jiang Xun rolled her eyes. "Who doesn't know that you failed to seduce Qin Mufeng? What credibility do you have with your words?"

1

Xiuse was speechless.

She wasn't afraid that Yixin would find out. After all, the internet had blown up so much that Yixin already knew about it.

However, she was still blocked by Jiang Xun.

"I... I won't post it myself!" How could she be so stupid as to post it herself! "I can find a marketing account to post it!"

Jiang Xun took out her phone and pressed a few buttons. Jiang Xun's voice came from the phone. "Do you need me to help you publicize the fact that your backer is Yang Yixin?"

Then, Xiuse's voice sounded. "Don't you dare!"

Jiang Xun turned off the phone and put it away. "I'm different. I don't need to look for a marketing account. I dare to post it myself."

Xiuse: "..."

When did Jiang Xun record it? She didn't even notice it!

Yixin stood up and looked at Jiang Xun with a malicious gaze. He was also thinking about how trustworthy Jiang Xun's words were.

Jiang Xun couldn't be bothered to care whether he believed it or not. She curled her lips and returned to Zilong's side.

Haolun and Screenwriter Yu, who had already given up on controlling their expressions, were looking at Jiang Xun in shock.

They couldn't say whether Jiang Xun's acting was good or not, but her skills were really good!

She had beaten up Yixin, a burly man who was more than 1.8 meters tall, to the point that he didn't even have the strength to fight back.

Since the dinner had turned out like this, Yixin probably didn't have the mood to continue eating.

Zilong suggested that it be over.

Haolun and Screenwriter Yu took the opportunity to agree. They didn't want to stay here and listen to Xiuse's mocking remarks.

Yixin was hurt all over by Jiang Xun. He even suspected that all the bones in his body weren't in good shape.

He wanted to go to the hospital immediately for a check-up!

Chapter 285: He's Playing With You.

Xiuse held Yixin's arm and helped him out of the room without leaving a trace.

Yixin was thinking about how to deal with Jiang Xun as he walked.

First, he had to investigate the relationship between Jiang Xun and Chengye.

While he was thinking, he walked out of the room.

When he reached the intersection of the corridor, a few people came out of the corridor next to him.

Among them was Chengye.

Jiang Xun pretended not to see them. She didn't care if the fact that she had a good relationship with Chengye would be exposed and Yixin would be suspicious.

If Yixin was suspicious, then so be it. He really had the ability to make her disappear from the entertainment industry.

Chengye also pretended not to see Jiang Xun. He walked out of the restaurant with the others first and said, "You guys go first. I just met an acquaintance. I'll go back and say a few words."

The others didn't suspect him and politely said goodbye to him.

Chengye then walked back. This time, he bumped into her.

"Jiang Xun!" Chengye shouted.

Jiang Xun stopped impatiently and saw Chengye walking over. "Didn't you see me just now?"

"I saw you." Jiang Xun looked arrogant.

"Why didn't you call me if you saw me!" Chengye said angrily.

"Can't I just pretend that I didn't see you?" Jiang Xun crossed her arms and said.

Chengye let out a breath. "I'm divorced. How long are you going to be angry?"

"You're divorced. Can you just be forgiven for the two of you angering my mom to death? Can you just make up for the past 11 years of my life in the countryside?" Jiang Xun rolled her eyes. "Also, Jiang Yuexi is still happily living in the Jiang family. Why don't you throw her into the countryside for 11 years and let her suffer the pain that I suffered?"

Yixin looked at Chengye and then at Jiang Xun, unable to understand.

Jiang Xun didn't seem to have a good relationship with Chengye, but Chengye's attitude toward Jiang Xun was too tolerant. He wasn't angry even after being criticized by Jiang Xun.

Chengye pinched the corner of his eyes helplessly. Jiang Xun had Mufeng's support now.

Even if she embarrassed him in front of outsiders, he didn't dare to criticize her.

Jiang Xun sneered and pointed at Yixin. "This thing looks down on you."

Chengye looked over and happened to meet Yixin's eyes.

Chengye: "..."

What was Jiang Xun talking about?

Yixin said angrily in a rough voice, "Who are you scolding!"

Yixin's company was similar to Chengye Group. Neither he nor Chengye could defeat the other.

Since that was the case, they could only be polite when they met.

Jiang Xun snorted coldly, and she said to Chengye, "This thing wanted me to perform martial arts for him during dinner and make fun of me. No matter how bad our relationship is, I'm still the eldest daughter of the Jiang family. If he dared to make fun of me like this, it means that he looks down on you."

Chengye was speechless.

This girl doesn't think about him when it comes to good things!

But he will always be there whenever she starts a fight!

"No one can bear this matter." Jiang Xun raised her chin and said, "If he looks down on you so much, aren't you going to fuck him?"

2

"A girl who says fuck all day long, it's very unsightly!" Chengye tried to shift his gaze.

"Don't talk about me, just talk about that thing. Does he look down on you?" Jiang Xun reminded Chengye. "If you don't fuck him, anyone will dare to step on your nose in front of you in the future. If this gets out, people will laugh at you!"

Chengye was speechless.

"President Yang." Chengye could only look at Yixin. "Is what Jiang Xun said true?"

"It's a misunderstanding..." Yixin didn't want to go against Chengye.

They couldn't beat each other, so they could only use up their own strength.

Unexpectedly, Zilong said, "I'm a witness. It's true. We couldn't persuade him no matter how hard we tried."

1

Yixin: "..."

Haolun nodded. "It's indeed true."

1

Chengye: "..."

He had originally wanted to muddle through, but these people just had to come out and testify!

"President Yang, this isn't appropriate!" Chengye could only bite the bullet. He really couldn't lose face!

If he didn't express his stance on this matter, anyone could step on him in the future.

“Director Jiang, I really didn’t know that Jiang Xun was your daughter.” What else could Yixin say? He could only say that he didn’t know.

“Ha! I’m so popular now. The matter of you throwing me out in the countryside has been on the hot searches for a few days. How could he not know?” Jiang Xun curled her lips. “He’s playing with you.”

Jiang Xun snorted coldly and said, “And still looks down on you.”

Everyone was speechless.

You didn’t need to be so obvious that you wanted to pit them so badly that both of them would suffer.

1

Chengye: “...”

You better stop talking!

“President Yang, there is some misunderstanding between me and Jiang Xun, but she is still my daughter,” Chengye said coldly. “I can’t watch my daughter being humiliated outside.”

“You said you didn’t know, but now you know!” Jiang Xun said.

She didn’t give the two of them any room for negotiation.

Yixin: “...”

Chengye: “...”

Why did this happen?

How did they get roasted by Jiang Xun as they talked?

Yixin could only clench his teeth and say, “Director Jiang, I’m sorry. If I knew Jiang Xun was your daughter, I wouldn’t have done that.”

Chengye was about to accept his apology when Jiang Xun spoke again, “You didn’t know, but Lu Xiuse knew. She actually didn’t tell you?”

Xiuse: “...”

Xiuse was stunned. She was standing silently at the side and didn’t say anything. She didn’t have any sense of presence at all. Why did Jiang Xun suddenly drag her into this!

Jiang Xun shook her head and clicked her tongue. “You were so good to her, and you even spent money to flatter her. You even wanted to sponsor her and get her into the group. In the end, she didn’t even tell you such an important thing. She’s obviously scamming you!”

Xiuse was speechless.

Why did Jiang Xun suddenly come to ruin her?!

“I... I din’t know either!” Xiuse could only deny it. “I din’t know about this matter!”

Yixin knew that both he and Xiuse knew about it.

But now, he could only deny it.

Zilong and the others thought to themselves, I heard you talking about Jiang Xun and Chengye in the room just now.

But this time, they didn't say anything more.

Chengye also took the opportunity to give himself a way out. "Since it's a misunderstanding, then forget it. But please remember, President Yang, Jiang Xun is my daughter."

"Of course, of course." Yixin didn't expect Chengye to be willing to stand up for Jiang Xun.

Moreover, Jiang Xun's attitude toward him only seemed to make him angry, but in fact, he couldn't do anything to Jiang Xun at all.

It seemed like he was very indulgent with Jiang Xun.

Jiang Xun curled her lips. She didn't manage to get any of them.

Therefore, just as they walked out of Qin Yang Hotel, they saw the door of a Maybach open.

They were wondering why the hotel didn't get the owner of the car drive away when the car was parked in front of the door.

Chapter 286: Miss Jiang! I Was Wrong!

Due to the need to pick up and drop off guests at the hotel entrance, cars were never allowed to stay there for long periods of time.

At this moment, the car door opened and a person came out from it.

Yixin gasped.

Even though he was at Qin Yang Hotel, he didn't expect to meet Mufeng here.

Yixin quickly shook off Xiuse.

Xiuse had tried to seduce him before. She failed to seduce Mufeng, and she even tried to stir up Mufeng's name online to attract resources for herself. Who knew if Mufeng would hold a grudge against him?

Moreover, Mufeng had always been clean to the point that people doubted his orientation. He hated being intimate with women the most.

Now that he saw that he was intimate with Xiuse, he might have a bad impression of him.

Not only was Xiuse shaken by Yixin, but she was also embarrassed.

She was, after all, a top-notch A-list actress. Although she was not having a good time because of Mufeng, a lot of commercial and film resources were watching.

But she was still a top-notch actress. Anyone would be embarrassed if they brought her out.

Yixin even shook her off with a look of disdain!

Yixin did not dare to casually go up and greet Mufeng. Who knew if Mufeng would give him face.

All along, he had always had a good reputation in front of the people in the entertainment industry. He was also very good at putting on airs.

He didn't want to make a joke in front of Mufeng.

However, he didn't expect that Zilong, who was at the side, would speak first. "Mr. Qin."

Yixin turned to look at Zilong in surprise.

Zilong's face seemed to be exceptionally big tonight.

Not only did he get Jiang Xun to perform martial arts in the corridor earlier, he even took the initiative to call Mufeng.

Zilong was quite famous in the film and television industry. His films had a high reputation, viewership ratings, discussions, and viewership.

However, even if he was a top director in the entertainment industry, he was nothing in front of Mufeng!

How did Zilong dare to show his presence in front of Mufeng at this time?

However, Chengye also called out, "Mr. Qin!"

Yixin was speechless.

What's wrong with these people?

Why are they all so confident?

Why don't I be confident as well?

As he was thinking, Mufeng smiled and greeted Zilong, "Director Chen."

His attitude was so friendly that it seemed like he was old friends with Zilong.

Yixin looked back at Zilong in shock.

Zilong really knew Mufeng?

As for Chengye, Mufeng nodded his head lightly.

Chengye's identity was a little contradictory. He was Jiang Xun's father, but he didn't treat Jiang Xun well.

Therefore, Mufeng only nodded his head lightly to show that he heard it, nothing more.

But in Yixin's eyes, this slight nod was already very good!

At least Mufeng was willing to pay attention to Chengye!

Yixin was just about to open his mouth confidently.

Mufeng even paid attention to Zilong and Chengye. His strength was about the same as Chengye, so Mufeng would definitely pay attention to him too!

He saw Mufeng already walking over.

Yixin's eyes widened. He was so surprised that he couldn't help but tremble slightly.

Mommy, I'm going to talk to Qin Mufeng!

Unexpectedly, Mufeng walked over and stopped in front of Jiang Xun.

Yixin was puzzled.

Mufeng definitely didn't know Jiang Xun. It was just a coincidence that he stopped!

It was also possible that he saw Jiang Xun's beauty?

Yixin was confident that Mufeng had never been close to women?

It seemed that he never really that close to women. It was just that they weren't as pretty as Jiang Xun.

Wait a minute!

If Mufeng really took a fancy to Jiang Xun because she was pretty, then he would be the unlucky one!

Buddha bless Mufeng not to take a fancy to Jiang Xun!

Yixin's mind was abnormally active at this moment.

But soon after, Yixin's eyes widened and his pupils constricted.

He watched helplessly as Mufeng reached out to hold Jiang Xun's hand.

Yixin was shocked.

"Why are you here?" Jiang Xun's eyes were curved, and she was pleasantly surprised by Mufeng's sudden appearance.

Moreover, seeing his car parked at the door, she didn't know how long he had waited.

Jiang Xun was touched.

In front of Zilong, Mufeng couldn't say that he was worried about her, so he only said, "I'm here to pick you up."

Yixin's legs went weak and he almost fell to the ground.

Fortunately, Xiuse helped him up.

Mufeng saw Yixin's strange expression and asked Jiang Xun, "Did you have a good night?"

Jiang Xun curled her lips and sneered. Under Yixin's terrified expression, she pointed at him and said without any softness, "He wanted me to perform martial arts for him, and I beat him up."

1

Yixin didn't dare to laugh and joke anymore. With a plop, he directly knelt down to Jiang Xun.

He didn't even care that they were at the entrance of the hotel. "Mr. Qin, Miss... Miss Jiang! I was wrong! I'm sorry! I really didn't know that Miss Jiang... knew Mr. Qin."

Yixin couldn't figure out the relationship between Jiang Xun and Mufeng. "It's my fault for not recognizing and offending Miss Jiang. I'm sorry, Miss Jiang, please forgive me! Don't lower yourself to my level. I... I'm an idiot who doesn't have good eyesight!"

Everyone: "..."

Xiuse did not expect Yixin to be so afraid just by looking at Mufeng!

[Merit points +10]

Jiang Xun raised her eyebrows and asked the system, "These merit points are all for me, right? They don't seem to be merit points from turning over a new leaf."

The merit points from being seriously reformed were not so little.

The system: "The other party is just too afraid, so he gave you a higher merit point, but he did not change his ways."

Jiang Xun couldn't be bothered.

It was impossible for Yixin to change.

There were people like her who were out of control, but there were also people like Xiuse who were eager to please Yixin.

They were all personal choices.

Yixin had met more people like Xiuse, so it was impossible for them to change.

Jiang Xun sneered, and she said to Yixin, "President Yang doesn't know about my relationship with Mr. Qin, but Lu Xiuse knows it very well. Lu Xiuse had seduced him before. President Yang should know about the failed attempt to seduce Mr. Qin, right? It was when she saw me with Mr. Qin that she had that idea. I didn't expect that she didn't tell you and even encouraged you to humiliate me."

Jiang Xun pursed her lips. "Watch out for yourself."

After saying that, Jiang Xun pulled Mufeng and left.

When Jiang Xun got into the car, she heard a loud and clear sound of a slap behind him.

Jiang Xun didn't look back, but Zilong and the others saw it.

It was Yixin who stood up swiftly and raised his hand to slap Xiuse. "You tricked me!"

Xiuse took a few steps back after being slapped by Yixin. Her fair and delicate face was swollen to the left.

Xiuse burst into tears, but Yixin didn't pity her at all. He said fiercely, "Get lost!"

This bitch. He had spent a lot of money to support her, and he had also bought her bags and jewelry. In the end, she had tricked him like this?

Chapter 287: How Are You Going To Thank Me?

Xiuse wanted to explain, but there were people coming and going at the entrance of the hotel. It was not a good time to explain.

Xiuse had no choice but to cover her face and leave.

However, she did not bring her assistant nor did she drive. She had followed Yixin here. At this moment, she could only find an inconspicuous corner and inform her assistant to pick her up.

*

Mufeng looked at Jiang Xun, who was always energetic but could be exhausted by him, and felt a sense of accomplishment in his heart.

This meant that he was very capable!

Jiang Xun was already so tired that she fell asleep. Mufeng gently kissed her closed eyes. When he saw that Jiang Xun was still unconscious, he could tell that she was really tired.

Mufeng quietly walked out of the room and went to the study.

The next afternoon, Jiang Xun and her roommates had lunch together in the cafeteria.

Ma Haina was browsing Weibo while eating when she suddenly opened her mouth wide. "Big gossip! Quick, look at the trending search. It's already trending!"

"What gossip?" Zhou Daxin picked up the phone on the table and opened Weibo while asking.

"It's Lu Xiuse. Previously, she failed to seduce Great CEO Qin. Wasn't she suspected of using unspoken rules to get to the top? Has she always looked for a sugar daddy?" Haina said, "Now, a president's wife has come out and said that Lu Xiuse is a mistress. She wants Lu Xiuse to hook up with someone else. If she gets angry and divorces the president, the president won't have anything left to eat. This president's wife is so domineering!"

Jiang Xun also opened Weibo to take a look.

It was a Weibo user called [Drinking Milk Tea Instead of Green Tea] who had posted the chat history and money transfer records between Yixin and Xiuse.

The chat records also included some bags and jewelry styles that Xiuse had posted.

She sent them to Yixin, who then transferred the money to her.

Xiuse said sweetly, [Thank you, Brother.]

Yixin: [How are you going to thank me?]

Xiuse: [Tonight... I guess I will perform oral techniques for you?]

Yixin: [Little bitch, I'll choke you tonight.]

There were screenshots of which roles Xiuse had taken a fancy to, and Yixin helped her settle it.

There were also screenshots of who Xiuse was fighting for a certain business, and it was also Yixin who helped her settle it.

There were also things that Xiuse said to belittle other female and male celebrities.

For example, she was saying that a certain male celebrity was stingy and that a certain popular person was not as good as Yixin.

There were also things about a certain female celebrity not being as good as her.

The image of Xiuse, who had been in business for many years, was completely subverted.

Drinking Milk Tea Instead of Green Tea: [I have never cared much about the flowers that Yang Yixin plays with outside. Anyway, no matter how many women he has outside, they are not a threat to my position. We are more like partners than husband and wife. As long as the women outside do not come to harm my interests, I do not care about women like you @LuXiuse. I find it beneath my dignity. If you dare to pester me again, I'll divorce Yang Yixin. I'll make him leave with nothing. Do you think he'll let you off?]

"Wow! Such a big gossip. No wonder there's a 'Hot' in the trending search." Huang Jiajia and the others all saw the gossip about Xiuse seducing Mufeng.

They all remembered how Xiuse's fans mocked Jiang Xun at that time.

"Lu Xiuse's fanbase has completely collapsed." Jiajia vented her anger and took a big bite out of the chicken drumstick. "Their lively, cute, and charming sister actually said such dirty words to a rich person in private."

"Let's see how her fans acknowledge it." Daxin opened the comment.

Sure enough, Xiuse's fans did not recognize the screenshot.

[Can chat screenshots be used as hammers now?]

[Just change the names on Wechat and role-play with two phones.]

[I can get you as many screenshots as you want. You can see any celebrity you want.]

"Does Madam President have no experience in breaking news?" Haina shook her head and sighed.

"Indeed, if there are only screenshots, the fans can easily dismiss them."

However, clearly, Madam President was very experienced.

Even if she did not have any experience, she knew someone who had experience.

She released the screenshot hammer and was questioned by the fans, but she did not say anything.

Instead, after three hours, she released a video message.

It was a voice message from Xiuse to Yixin.

The voice on the recording screen was indeed Xiuse.

Yixin also replied to her via voice message.

The content of their conversation was so vulgar that it was hard to believe that the words came from a female celebrity like Xiuse, who had a good public image.

Xiuse's image was completely overturned.

[The president's wife is awesome!]

[Lu Xiuse's fans, could you still dismiss it? You guys said that the screenshots of the conversation could be faked, but now that the president's wife has released the recording, what do you guys have to say?]

[This recording hasn't been processed in any way. Even laymen can hear it.]

[It seems like the Yang Yixin's wife doesn't have much of a relationship with him. She's holding onto her status and money and won't let any mistress get away with it. She's very clear-headed!]

[Previously, when Lu Xiuse failed to seduce Qin Mufeng, I already said that she was very skilled in doing such things and she must have done it many times before, but I was even scolded by Lu Xiuse's fans.]

Xiuse's fans didn't say anything.

Xiuse herself didn't come out to say anything either.

Yixin's wife had beaten her so badly that it was useless for her to come out and say anything.

The company planned to deal with it coldly and wait for the matter to slowly pass.

As for how Xiuse would develop in the future, it was up to fate.

Anyway, in the short term, Xiuse would not be able to come out again.

The decision was made by Xiuse's management company, and Xiuse's studio was dissolved.

Yunan used to focus most of his energy on Xiuse, and the company's resources were also tilted towards Xiuse.

However, things were different now. The brands that Xiuse had endorsed and cooperated with had all canceled their contracts with her, including those where she was only an ambassador or a brand friend of.

There wouldn't be anymore drama to discuss later.

Yunan then allocated all the resources on hand to her other artists.

And she began to invest more of her experience into other artists.

The company said that they would discuss Xiuse's development after this matter was settled.

But everyone, including Xiuse, knew that the company had actually given up on her.

Who knew how long they would have to wait until the matter was settled?

Even if it was settled temporarily, it would still be mentioned from time to time in the future.

If it could not be settled in a short period of time, there would be a lot of new people in the entertainment industry. Who would remember her after then?

She wanted to compete for the role of the Lin family's younger sister in Haolun's drama, so naturally, she could not do it.

Jiang Xun looked at Weibo and felt that things were changing.

The person who was still popular yesterday had fallen like a meteor today.

The past was as lively as a phantom.

It was not only Xiuse who was affected by this matter.

Yixin was too.

Even if the president's wife said that she had no feelings for him, it would not change the fact that Yixin had cheated on her.

Netizens were still criticizing Yixin.

Chapter 287: How Are You Going To Thank Me?

Xiuse wanted to explain, but there were people coming and going at the entrance of the hotel. It was not a good time to explain.

Xiuse had no choice but to cover her face and leave.

However, she did not bring her assistant nor did she drive. She had followed Yixin here. At this moment, she could only find an inconspicuous corner and inform her assistant to pick her up.

The past was as lively as a phantom.

It was not only Xiuse who was affected by this matter.

Yixin was too.

Even if the president's wife said that she had no feelings for him, it would not change the fact that Yixin had cheated on her.

Netizens were still criticizing Yixin.

Chapter 289: I'm Here For My Reward

Before Jiang Xun could finish, the three of them waved their hands.

Jiajia: "There's no need!"

Haina: "No need!"

Daxin: "No!"

Jiang Xun: “???”

Don't all of you want to see the real deal?

Jiajia: “Great CEO Qin may be good, but he can do it through the screen. I'm afraid that I won't be able to withstand the pressure when he's herein person.”

Haina said, “I can feel the pressure from Great CEO Qin's aura even though we're separated by the screen. I definitely won't be able to handle it in front of him.”

Daxin said, “In order to avoid losing face, let's just fight to the death through the screen.”

Although they usually fought to the death and dared to read any doujinshi or pornographic articles, they were all online!

If they were to meet Mufeng face to face, they would be terrified!

Only Jiang Xun could withstand Mufeng's aura.

If not, they could form a couple!

The three roommates were so satisfied that they didn't blame Jiang Xun for only telling them about it now.

According to Daxin, if a ship had become real, why would they need a bicycle!

Jiang Xun went back to her residence after class in the afternoon.

Although the three roommates wouldn't tell anyone about it, as shippers, they couldn't help but feel happy that the ship had come true.

Jiajia changed her Weibo ID to [My Ship Set Sail] and created a new Fengjiang punch card.

Daxin changed her Weibo ID to [Did Fengjiang Come True Today].

When Haina saw this, she couldn't fall behind, so she also changed her ID to [Fengjiang Harder]

When Jiajia and Daxin saw Haina's new ID, they fell into silence.

It was really the most vicious shipper who said the least.

Under Haina's punch card, there were many comments.

[You're so talented, my friend!]

[In the future, when we follow the scene, can we pull up a banner and write 'Fengjiang Harder?']

Fengjiang Harder: [No problem! Brothers and sisters, be bold and start drinking!]

*

When Mufeng came back at night, Jiang Xun was nervous for a moment. She was thinking about how Mufeng was going to make her express her gratitude?

However, Mufeng didn't say anything. It seemed that Jiang Xun was overthinking.

On the contrary, Jiang Xun felt a little uncomfortable.

This dog-faced man actually made her think too highly of herself!

Jiang Xun ran to take a shower and planned to calm down. She was determined not to think too highly of herself in front of this dog-faced man.

However, when she came out of the shower, it was pitch-black at home.

Jiang Xun: "..."

Mufeng didn't tell her that he was going out either?

Moreover, even if he was going out, he couldn't leave her with no light at all, right?

Jiang Xun's hair was already 70-80% dry, and she came out in the dark.

Although the bathroom was in the master bedroom, there was a spacious open-type dressing room after coming out of the bathroom. The dressing table and the like were all placed here.

The bedroom was after this section.

"Qin Mufeng?"

"Qin Mufeng!"

She called out twice, but no one answered.

"He really went out?" Jiang Xun mumbled and went back to the bedroom through the dressing room.

The curtains were drawn, and even the shading curtains were used.

There was no light coming in from the outside.

The room was really pitch black, and nothing could be seen.

Just as Jiang Xun was about to turn on the lights, she was suddenly pulled over.

Just as Jiang Xun was about to make a move, she felt the someone press on her.

At the same time, Jiang Xun smelled a familiar scent belonging to Mufeng.

Only then did Jiang Xun let down her guard and hit him. "What are you doing... ugh..."

In the next second, Mufeng carried her on his shoulder.

"Didn't you say you wanted to reward me?" Mufeng placed her on the bed. "I'm here for my reward."

Jiang Xun: "..."

At this moment, she really wanted to send Mufeng a shiver.jpg.

In the darkness, there was no light at all. The only light outside the window was completely blocked by the curtain.

Mufeng was so close that Jiang Xun could barely see his silhouette.

Because she couldn't see, every feeling on her body was magnified infinitely.

Jiang Xun took a deep breath. She had never felt this way before.

She was thoroughly explored by Mufeng in the darkness.

"The room is so dark, and you are so white." Mufeng breathed heavily into her ears.

The sweat on his body also fell on her cheeks and shoulders.

Jiang Xun could barely recognize Mufeng's silhouette in the darkness, but because Jiang Xun was too white, there seemed to be a faint moonlight glow in the darkness.

However, Mufeng could see her clearly.

It was like seeing a fairy emitting a faint glow in a hidden and dark forest.

*

In the morning, Jiang Xun's class was late, so she didn't wake up so early.

When she woke up, Mufeng had already gone to the office.

Jiang Xun opened her eyes and looked at her phone. She happened to see the Wechat message Mufeng sent her.

Mufeng: [akimbo.jpg]

Jiang Xun: [...]

Unexpectedly, Mufeng replied instantly, [You're awake?]

Jiang Xun: [dark_circles.jpg]

Mufeng smiled and sent an emoji to Jiang Xun. [Yesterday's you → akimbo.jpg, today's you → akimbo.jpg.]

1

Jiang Xun covered her face. Where did this dog man get so many emojis!

In order to prove that her waist was still fine and was not damaged by the ploughing, Jiang Xun took her phone and went to the gym.

Mufeng knew that Jiang Xun's daily exercise was particularly intense.

Apart from running every day, there was an empty room at home to be used as a gym.

He bought some equipment for Jiang Xun to use.

The fitness room was equipped with an entire wall of mirrors.

When Jiang Xun entered the fitness room, she bent down in front of the mirror. She supported herself with one hand on the floor and used the other hand to take a photo of the mirror with her phone.

She sent the photo to Mufeng. [My waist is very good. There's no need to hold it!]

Mufeng looked at it and his eyes flashed. He replied, [Understood.]

The new posture was unlocked.

3

Jiang Xun was confused.

What did he understand?

Jiang Xun felt that Mufeng's words seemed to have a deeper meaning.

2

Jiang Xun shook her head and went to class with those questions in her mind.

During class break, Jiang Xun received a message from Yicheng.

Yicheng: [The audition time for 'Path of Life' has been confirmed. On this Friday afternoon, you will be scheduled for around 3 o'clock.]

Jiang Xun: [Okay.]

There were still three days left until Friday.

Yicheng: [Jiang Jiang, have you considered when you will be filming if you pass the audition?]

Yicheng simply gave her a call, and he said to Jiang Xun, "Director Chen was able to delay the start of filming for you previously, but not everyone can do that. Moreover, with your acting skills, you will only have more and more appointments in the future. It will definitely not be able to match up to your class schedule. Therefore, you still have to coordinate your class time with your filming time."

"Brother Wang, didn't you think that I would fail the audition?" Although Jiang Xun was very confident in herself, she didn't expect Yicheng to be so confident in her.

He didn't even consider the possibility that she would fail the audition. All he mentioned was the schedule after that.

Chapter 290: The Emergence Of A Strong Enemy

"With your acting skills, how can you not pass?" Yicheng was not worried at all. "As long as the selection is fair and just, it's impossible that you won't pass. If you don't pass, there must definitely be a conspiracy."

"I've also considered the problem you mentioned," Jiang Xun said. "If I really can't arrange the schedule, I can only ask my classmates to help me record the content of the class. I'll watch the videos later."

"That's a good idea. If it's decided, I'll arrange it. I'll go and discuss it with the school. Don't bother your classmates. I'll arrange for someone to follow your class schedule and have a camera at the back to record every class," Yicheng said. "Let's see how Director Guo's play is arranged this time. Even if it's fit

the schedules this time, there will be time conflicts in the future, so it's better to make preparations early."

Jiang Xun agreed.

She had just gotten off the phone with Yicheng when she received a message from Zilong.

He didn't expect that Zilong and Yicheng would ask the same question.

Jiang Xun then told Zilong the method that she had discussed with Yicheng.

Zilong: [That's not bad.]

Zilong: [There's one more thing. I heard that Su Youlan is also fighting for the role of Lin Xuyan. You might run into her when you go for the audition.]

When Jiang Xun had not gotten into acting yet and was just starting out in the influencer industry, she had heard of Youlan.

Youlan was known as the number one beauty in the entertainment industry, so every time a beauty appeared, there would be people comparing her to Youlan.

Other than her beauty, Youlan's acting skills were also commendable.

Jiang Xun did not know how good Youlan's acting skills were.

She really did not have much time to watch Youlan's dramas.

Her classes, filming, and livestreaming had already taken up all her time.

However, one thing was that Youlan was much more famous than her.

Before Xiuse was overturned, she was known as a top female celebrity. However, Youlan was indeed recognized as the ceiling for female celebrity, the top of the top.

Jiang Xun: [I didn't expect Su Youlan to be interested in this role. This role is not the main character, so why would she be willing to play it?]

Zilong: [This drama doesn't strictly have a main character, but all things considered, Lin Xuyan is the central character of this drama. She has a lot of scenes, and the character design is good, so it's not surprising that Su Youlan wants to play it. You might not understand the meaning of joining Guo Haolun's team, but she's willing to play a supporting role in Old Guo's drama. Old Guo's team is now synonymous with excellent production. As long as it's his drama, it will definitely fly to the stars. Moreover, the publicity and marketing in all aspects are also top-notch.]

Zilong: [As long as the drama starts broadcasting, the popularity will immediately rise and it will be vigorously promoted on various social platforms. Even if it's just a supporting role with relatively few scenes, it will be guaranteed to have a very high exposure rate. In addition, he never filmed any popular dramas. To be able to act in his dramas meant that the actor's acting skills had received his approval. If someone was a popular celebrity, they would definitely be able to rely on his dramas to transform successfully. Based on their exposure, reputation, and many top-level traffic, they wouldn't hesitate to lower themselves to play a supporting role in his dramas.]

Zilong: [Not to mention that Lin Xuyan's role is very important and her character is well-set. It's not surprising that Su Youlan wants to fight for it.]

After Jiang Xun finished chatting with Zilong, she went to search for Youlan's works.

Youlan was not old and was only 25 years old this year.

However, she was born as a child star, so her acting experience could be said to be very rich.

Moreover, when she debuted, she mainly acted in movies and directly entered the film industry.

At such a young age, she already had achievements that many actors could not achieve.

Jiang Xun discovered that Youlan had never acted in a television drama before.

She wanted to use Haolun's drama as an excuse to transform, as Zilong had said.

That was because the movies she acted in were all co-productions with well-known directors. She was a pure movie star.

According to netizens, a movie star acting in a television drama was considered to have descended to the mortal world.

However, the role in the television drama that Youlan came to the mortal world to act in was not even a big female lead.

The movie industry was indeed not as hot as it had been in the past few years. Many movie actors came to act in TV dramas for higher pay.

However, in such a situation, the producers gave the actors extremely high pay and a guaranteed role.

It was really rare for someone like Youlan to need an audition to compete for a different role.

However, this also showed that the casting of Haolun's drama was indeed fair.

Even a movie star like Youlan had to participate in the audition.

As for whether the audition was just a formality, Jiang Xun wouldn't make any wild guesses without any results or evidence.

However, Jiang Xun didn't expect a movie star like Youlan to compete for Xuyan's role.

She had confidence in herself, but it wasn't to the extent of being blindly arrogant.

In the afternoon, Jiang Xun returned home after class and took some time to watch one of Youlan's movies.

Jiang Xun rubbed her chin and asked the system, "I think my acting skills are about the same as Su Youlan's."

The system said, "They are indeed... about the same."

Although the system didn't want to admit it, it felt that Jiang Xun was probably a natural talent.

She had only played two roles, but her acting skills were on par with Youlan's years of acting experience.

The system said, "However, I feel that Su Youlan's acting has become a little stereotyped. She's not as agile as she was in the beginning."

It was probably because of this that Jiang Xun was able to be on par with Youlan's acting skills.

Jiang Xun rubbed her chin. "You're saying that because I don't have the support of the system's acting skills, and I don't act much, I'm not as experienced as her, so my acting is more natural. She's experienced, so she's a bit of a model. That's why the two of us have achieved some balance. She has her strengths, and I have mine. But that doesn't mean that I don't have weaknesses, right?"

The system was surprised. It didn't expect the host to be so clear about herself.

And she wasn't angry that it didn't meekly follow her words.

It had been careful and didn't say it out loud just now because it was afraid that the host would be angry.

Jiang Xun sneered at the system, "Hehe, don't use your needle-like mind to guess my broad mind."

The system: "..."

It was going to be embarrassed by this host!

Jiang Xun rubbed her chin, "If that's the case, I'm not completely confident about the audition this time."

The system: "I can calculate your chances of winning for free."

Jiang Xun said, "Sure."

Since the system said it was free, it would be a waste of a free opportunity.

The system said, "According to the calculation, your chance of succeeding in this audition is 52.38%."

Jiang Xun said, "What about Su Youlan?"

The system said, "It's 47.62%."

Jiang Xun said, "The two of us already makes up 100%? There's no one else?"

The system: "I didn't count the others, I only counted you and Su Youlan. The other actors are just escorts, so they don't count."
