

## YOU ARE MINE (ENGLISH) - Chapter 661 I AM YOUR BABY

'At dinner

Edie hesitated for a while and finally made the decision. She called the hospital.

The doctor told her the patient already woke up. He might already return back home.'

'She took relief and then dialed Arther's number.'

'She wanted to call Norman. But he has undergone training with the troops. She

could not contact him. She wanted to know whether Arther could.'

'Arther couldn't contact Norman

either. Norman would come back until the training finished after one month.'

'She hung up the phone and walked to Laty's room. The little girl had fallen into a

deep sleep. She was holding a big terry one meter in height.'

'It was the gift Edie gave her for celebrating the first day she went to school.'

'Edie looked at her daughter in silence for quite a while and then she left.'

'But at the moment Edie left

the little girl opened her eyes immediately. She took the mobile phone out and sent

a text to Stuart.'

## 662 YOU ARE MINE (ENGLISH) - DO IT YOURSELF

'Hearing these words

Edie blushed immediately. She wanted to get rid of his hands but she was so weak in front of him.'

""But I want to cook today. I don't want to play cards. Do you mind? I've been so

busy with my work before that I didn't make time to cook for them. Do you mind

me using your kitchen for a while?""

""But....but you are my guest. How could I...""

""If you come to our house

we would ask you to cook for us.""

'He said in a peaceful voice. No one could say no to him as if his sound had magic power.'

"All...all right then. I could ask Sophie to help you."

"Thank you. But that's not necessary. I can handle everything myself."

'Then

he held Edie and took her to the sofa

"Sit here for a while. Sophie's mother prepared all the ingredients. You might don't

like some dishes. Just enjoy those you like. I would cook for you in the future....if I

have one more chance."

'He said. The last sentence sounded upset.'

'Then

he turned around and left.'

663 YOU ARE MINE (ENGLISH) - DO YOU MIND MY SEEKING AFTER YOU?

'When he said these words the atmosphere turned weird again.'

'Edie stood up immediately

"I can help you."

'Seeing Edie standing up

Stuart stood up immediately and held her hands

"All right

I can help her."

'Then

he poured a bowl of soup and gave it to Laty

"Edie wants you to eat. So

eat now."

'He fixed his frightening eyes on Laty's little body.'

'Laty felt really dangerous.'

'Holy crap. He was protecting her. To guard Edie

he didn't care about her feeling at all.'

'But Laty would not be handled so easily. She ate the soup and said

"Mom

I want that. I could not reach it. ""  
'When Edie wanted to take it to Laty  
Stuart stopped her and took the food to Laty in person.'  
""Mom  
I want the shrimp. Could you shell peas for me?" Laty said.'  
'As Edie wanted to start  
Stuart stopped her.'  
""Mom

too much fishbone on this fish..."  
'Before she said all the words out  
Stuart already started taking all the bones from the fish.'  
664 YOU ARE MINE (ENGLISH) - TOO GOOD FOR ME  
""Are....are you kidding me? Stop fooling around me  
Stuart." Edie frowned.'  
""You lost your husband  
and I lost my wife. I can chase after you  
can't I? Do you have men to chase after you  
Miss Jackson? If not

now you have one. If you want a husband  
tell me. I can definitely be a good husband.""  
'He said and smiled gently. Then he took a sip of coffee.'  
'His voice sounded so warm.'  
'At the moment  
Edie was already driven crazy.'  
""Stuart  
don't be ridiculous. We are totally different person. You are born in a  
noble family  
too good for me.""  
""I don't care. I am willing to step into your word. If you don't open the  
door of  
your world  
I can get in through the window.""  
""Stuart

" Edie padded on the desk suddenly and stood up

bending towards him

"I would never date with you again."

'Her face looked so cold as the frost in the cold autumn. At the moment she looked like a cold beauty.'

'Stuart threw an eye on her breast and coughed in a low voice

"Bigger now."

665 YOU ARE MINE (ENGLISH) - WHAT A PIECE OF LUCK

'At the same time

in the branch of L.N.'

'Stuart was connecting the headquarters

starting to arrange Brittany to take over the group.'

'He's already started searching for Aaron. Aaron's been playing outside for a long

time. It was time for him to come back to take over the job.'

'Stuart was exhausted these days. But he still went to school every day and then

took his work back to the house he bought recently.'

'In the monitor

he saw Edie sleeping tightly. All of a sudden

all exhaustion disappeared. He suddenly started enjoying working.'

'At the moment

Ivan knocked on the door and walked in. Seeing Stuart's pale face and body sitting

straightly

he wondered whether Stuart had a limit.'

'Stuart worked like a robot. It seemed that he would never fall down.'

'He would keep working all the time if he didn't meet with Edie again.'

'When he met Edie

he finally looked a little bit like a human being.'

666 YOU ARE MINE (ENGLISH) - TAKE SOME REST

'Edie had graduated for so many years. She didn't remember she had time being so

happy when she studied at school. She never lived like those students standing

around her at the moment. She never had time and mood to admire a cute boy.'

'But  
when seeing these girls cheering up around her  
Eddie suddenly felt relaxing. She felt she got younger.'  
'Eddie took their money and said gently  
"Don't worry. I am a professional. I would capture all the wonderful  
moments of  
him for you. If I fail  
I will return all your money."  
"Great. Thank you very much."

'Eddie set up the tripod. As the moment the man in front of her turned  
around  
she would be able to capture his face in the lens from all directions.'  
'Now  
she has set the camera to continuous shooting mode.'  
'The man perceived those girls' enthusiasm. He turned around slowly.'  
'When seeing his eyes  
Eddie froze immediately.'  
'Stuart?'  
'Why was he here?'  
667 YOU ARE MINE (ENGLISH) - MY WORLD DOESN'T FIT FOR YOU  
'He had no one...'

'These words  
like sharp needles  
inserted deeply into her heart.'  
'Her face turned pale immediately. She didn't expect that Stuart  
experienced all  
these years.'  
"Where's the vice President?"  
"After he was informed that you passed away because of the vice  
President. He  
couldn't forgive himself  
not to mention the vice President. He broke off with the vice President.  
When he  
saw the vice President  
he would look at her like looking at a stranger."  
'Ivan sighed slightly.'

"Mr. CEO lived like a ghost. He lost his soul. He was suffering after you left. But when you came back he is still suffering. Miss Lara...could you try to comfort him a little bit

to talk to him to get some sleep. If he kept doing this he might die. Do you really want him to die?"

'Seeing tears in Edie's eyes

Ivan realized she must be in deep love with Stuart. Therefore he decided to persuade her.'

668 YOU ARE MINE (ENGLISH) - HE COULD HOPE NOTHING

'After saying so many words out

Edie's tears fell down. But she still fixed her eyes on him with determination.'

'Her words

like the coldest water

put out the fire of his anger.'

'She never told him all these before.'

'He didn't expect that life was so hard for her before.'

"Why...why didn't you tell me earlier?"

"If I tell you

what could you do? What would you do?"

'She showed a bitter smile and asked.'

'Her words choked him. Such an omnipotent man found no words to answer.'

'Indeed

what could he do if she told him? Except being guilty

he could do nothing.'

'It was he that dragged her into his world all of a sudden. He didn't even give her a

second to adapt to his world before exposing her to the public.'

'He ruined her career

"Sorry..."

'Stuart said

fixing his deep black eyes on Edie's pale small face.'

'He couldn't help himself wiping tears on her face.'

'But she stopped him.'

""Stuart

don't do this for me. Your tenderness was poisonous for me. Don't use it on me

please.""

669 YOU ARE MINE (ENGLISH) - HE WOULD NOT LEAVE ANY TRACE

'No one replied to the text.'

'Laty frowned. She still didn't want to give up.'

""What kind of attitude did you just now? What happened to Edie? Why didn't you talk to us?""

""Liar. You bastard liar. You told me you would wash vegetables and cook for me.

You said you would help me wash clothes and sweep the floor. You promised me

to feed my pet and water my flowers. Remember? Why did you withdraw all of a

sudden? You bastard.""

'She sent several texts to Stuart. But no one replied. Laty couldn't control herself.

She dialed his number directly.'

'Hearing that familiar message she finally realized she's been on his blacklist.'

'Hell.'

'Why did he do this?'

'Looking at the screen

she felt so strange. Her cheap dad just disappeared totally from their life.'

'Meanwhile

inside the car

Ivan was surrounded by a weird atmosphere.'

'He hesitated for a while and said

"Mr. CEO

you need to sign the acquisition contract tomorrow...""

670 YOU ARE MINE (ENGLISH) - HOW COULD IT POSSIBLE?

'The next morning  
when Laty woke up  
Edie already left. She wrote a long letter to Scarlet.'  
'Apparently  
Scarlet must be Edie's best friend. She would take care of her in the  
following  
days.'  
'Scarlet arrived on time. She knocked on the door at 7 o'clock in the  
morning.'  
'She received a strange text from a strange number. It was her "old  
friend". She  
wanted her to come to A. She wanted to see her again. If Stuart didn't  
come

she would post the video recording her naked dance in a college dorm  
on the  
Internet.'

'Stuart thought it must be her roommate in college. Edie has passed  
away. Which  
one would be?'

'Only they know her naked dance in the college dorm. Scarlet thought it  
must be  
their trick.'

'When the door was opened  
Scarlet saw a little boy.'

'The boy looked so cute. His face looked quite familiar. He blinked his big  
shining  
eyes

and asked her in an innocent voice

"Are you Scarlet? Nice to see you."

"Who are your parents?"

671 YOU ARE MINE (ENGLISH) - IT WAS TOO LATE TO REGRET

'Edie heard their discussion.'

'Two men were bleeding everywhere...'

'That would be so painful for them.'

'Edie could no longer support her body. She fell down  
bursting into tears.'

'She kept shaking her head and said  
"No  
impossible. He wouldn't die. How could Stuart die? He has been  
confronted with  
lots of disasters  
but he always survives. How could he die in such a small accident?"  
"Mom. Do you have any words to tell dad? It might be too late if you  
don't say at  
the moment..."  
'The little girl said and sobbed. Her bright eyes were covered with tears

fixing on Edie.'  
'Hearing Laty's words  
Edie looked towards the white sheet stained by blood. She felt her eyes  
were  
burning.'  
'Suddenly  
she made a smile in despair.'  
"What can I say...he already died...."  
'Her tears kept falling down as if it would never stop.'  
"Don't have to want to tell him anything?"  
'Edie's eyes were blank at the moment as if her soul was already taken  
away.'  
'Stuart passed away.'  
672 YOU ARE MINE (ENGLISH) - SHE WOULD FIND THE SOLUTION  
'If he really died today

she would regret what she's said to him forever. She would hate herself  
for life.'  
'Edie thought.'  
'She stopped pushing him away. On the contrary  
she hugged him back tightly.'  
"No..don't say this. I don't want you to die. I want you to be alive."  
'Her tears fell down  
wetting the man's shirt.'  
'Until this moment  
others in the ward realized Edie didn't come for the man on the second  
bed.'

"So you come for this handsome man. I am still wondering what's your relationship with that man. He was sent here with his wife. He didn't look like a man with a mistress..."

"I also think so. Quite a poor couple. They are still so young. Everyone should treasure the moment. Anything could happen anytime.... all we can do is to seize the moment."

'Hearing these words Edie was amused. They didn't say that just now.'  
'But they were right.'

'Everyone should seize the moment.'

673 YOU ARE MINE (ENGLISH) - I NEVER LIMIT HIS FREEDOM

'At the moment Scarlet's package arrived. She stopped talking to Edie and walked out to get the package.'

'Jason was watching TV on the sofa. Edie smiled and walked to him with a glass of drink.'

"Juice? It would help you forget your loneliness

" Edie smiled and said.'

'Jason took the juice and said

,

"Edie could you do me a favor. When you talk to Scarlet please ask her when she wants to get married."

'Scarlet was as young as Edie. They were both twenty-eight years old. She was still

full of vitality. But Jason was already thirty-three years old.'

"I am afraid that she would let you down. She told me she wouldn't get married."

"Wouldn't you get married?"

674 YOU ARE MINE (ENGLISH) - IT WAS SO UNFAIR FOR HIM

"Perhaps...I've interfered too much

" Edie said in a depressed voice.'

"About her relations with Jason?" Stuart raised the corner of his mouth and

smiled.'

"Yeah."

"Come on. I know you feel wronged. Here lean on my chest."

'Then

Stuart held her into his arms directly

without even asking her whether she needed it or not.'

'Edie curled her lips and said

,

"I am fine now. I was indeed sad just now. But now

I am fine. I believe they can handle it. My words would help them. I should have

mind my own business. I don't want to make her angry actually. After all

it has been five years since I came here last time. I didn't want to let her down. I

can handle it."

"Good girl. If you don't want to talk to her now

you can stay here watching my cooking. Everyone on the Internet said the man

looked charming while he was cooking. What do you think about that?"

'Stuart asked Edie seriously.'

'Edie stated to him

"Mr. Yates

since when have you started reading those posts on the Internet?"

675 YOU ARE MINE (ENGLISH) - SHE WOULDN'T CRY

'His anger

like a volcano

was burning her soul.'

'Scarlet was still trying to raise the corner of her mouth to make the best smile in

front of him.'

'That smile was like her shield  
protecting her from any harm from others all the time. She never took  
this off her  
face.'

'Even though she was crying  
she was still the proudest and prettiest one.'

'Scarlet raised her eyes to stare at him and asked

"How could you say these? We've reached an agreement we were  
nothing more  
than sex partners. I've reminded you so many times not to fall in love  
with me.

Otherwise

I might hurt you. But you didn't listen to me. You fell in love with me.

You

shouldn't blame me."

'When she said these words

Jason was so angry that his body kept trembling.'

'He buckled her shoulder and shook her angrily as if he wanted to tear  
her body

apart at this moment.'

""Scarlet

don't you love me?""

""I love you....so deeply.""

'Scarlet said in a slight voice.'

""Then why...." Jason looked at her in shock.'

676 YOU ARE MINE (ENGLISH) - STOP FOOLING AROUND

""But you need to go back tonight. You couldn't stay here.""

""Mr. Sampson was on vacation. Now the flat was empty. Besides  
I am injured. No one could take care of me if I went back. Do you really  
want me

to go back

" Stuart said

pointing at the bandage on his forehead?'

'Well...'

'His words really hit her point. Edie didn't know how to do it at the moment.'

'At the moment

Stuart looked really weak and poor. She didn't know whether something was wrong

with her eyes or Stuart was really good at pretending. No matter how sober she was

Stuart looked quite sincere and lost at the moment.'

'As if he would really be left in the empty flat alone without anyone to take care of him.'

'Edie immediately changed her decision.'

"All right then. You can sleep on the sofa tonight. We can talk about this tomorrow."

"Okay."

'Hearing this answer

Stuart raised the corner of her mouth showing a slight smile.'

'Deep in his smile was his craftiness like a fox.'

677 YOU ARE MINE (ENGLISH) - I WOULD NEVER LEAVE YOU AGAIN

'The next morning

sunlight poured down on the bed through the curtain

sleeping on the bed were the couple entangling with each other.'

'Edie didn't wake up naturally. She woke up because she felt so painful that she had

to get up.'

"Morning darling."

'Edie heard the man's low and sexy voice like melodious piano music.'

'Edie stretched her body and got rid of Stuart's arms. Stuart raised his hands and

held his little wife back into his arms.'

"It...it really hurt."

'She stood the pain for a whole night

till she woke up. It softened the man's heart.'

'He said in a guilty voice

"I told you to tell me when you feel hurtful. You don't have to stand it in silence.

Let me prepare some warm water for you."

"Okay."

'Edie shrunk her head in the quilt. She still remembered how crazy they were last

night. She felt so shy that she didn't dare to raise her head.'

678 YOU ARE MINE (ENGLISH) - HE WOULD LOVE HER FOREVER

'Edie couldn't get up until she lay on the bed for quite a while. When she got up

and opened the bedroom door

she saw Stuart's new secretary

Deik. Edie saw him before.'

'He was arranging Stuart's stuff in the house. Some important stuff was placed at

the door of her bedroom.'

"These are Mr. CEO's clothes and the computer. He would need the computer for

business. This is his wallet. He asked me to give it to you and said that you could

use it at your will."

'At your will...'

'He really dared to say that.'

'She took the wallet and opened it. She saw a picture. It was in the dress shop. She

was wearing a gorgeous dress

standing with Stuart. It was Ivan that took the picture for them.'

'She sent the picture to Stuart. But she never expected that he really placed it in his

wallet.'

'She took the picture out. Staring at the picture

she reminded lots of things that happened before

as if those things happened yesterday.'

'Then she saw several words behind the picture.'

## 679 YOU ARE MINE (ENGLISH) - IT SMELT SO GOOD AND PURE

'Edie was standing at the door. Seeing what happened in Laty's bedroom she felt so warm. Laty finally got rid of loneliness now.'

'But

was it really okay for her to throw all those barbie dolls away?'

'''It is your design. I didn't change a little bit.'''

'''I will be with you forever from now on. We could teach Laty together.

We would

find the best way to bring her up. Edie

she is our only child.'''

'''Don't you want one more? The country policy encourages us to have one more

child now.'''

'It was Edie's dream. She wanted two children

one cat

and one dog.'

'When the sunset

she would take a walk with her children and husband. She would lead the dog

while Stuart held the car in his arms.'

'''No. I am scared. I am worried that I would lose you again.'''

'Stuart held Edie's hands tightly. He recalled the scene five years ago when she lay

on the bed

dying slowly.'

'It was his nightmare. A terrible nightmare for him forever.'

'He didn't want to go through that nightmare again.'

## 680 YOU ARE MINE (ENGLISH) - SHE FINALLY FORGIVE THOSE PEOPLE

'Then Edie took Laty to visit her mother. Her tomb was located in an isolated

corner. The tomb was so old. It has been placed there for so many years.

No one

came to visit her.'

'Edie saw a bouquet of lilies in front of the tomb. She assumed that maybe Stanley came here before her. But she was no longer his daughter. She had nothing to do with Greg anymore.'

'Mother it is me. I've come to visit you.'

'Edie said in silence telling her mother everything was happening these years. She told her mother that she had made the decision. She decided to give up that hatred and started all over again. She decided not to hate anyone again. She decided to forget everything happening in the last generation. She decided to start her whole new life.'

'If her mother was still alive and knew Edie finally could give up that hatred and forgave those people she must be so happy.'

'Because she said so to Edie before she passed away.'
