

YOU ARE MINE (ENGLISH) - Chapter 821 HER EMOTION WAS SO UNSTABLE

'At night...'

'The weather in April in A was slightly cold and damp. It kept raining.'

'It started raining after dusk. It seemed it would not stop.'

'Scarlet was sitting in her office. She didn't plan to leave. At the moment the light outside turned on unexpectedly. Joanna walked in.'

""Scarlet

why didn't you go? He's called me.""

'Joanna looked at Scarlet

fixing his eyes on Scarlet.'

'Strangely enough

no one would expect that Scarlet would walk for Donald after all those unpleasant stories.'

'Five years ago

because of the negative reports about Donald and complicated relations inside the

Lynch

the board of directors inside the Hawk finally voted to give up on Donald.

He lost

the right to inheritance of the Hawk Real Estate.'

'Luckily

Lynch got involved in lots of other industries. After leaving the Hawk Real Estate

Donald withdrew from the real estate and entered into the media industry

greatly extending the Hawk Media business.'

822 YOU ARE MINE (ENGLISH) - DO YOU HAVE A HEART?

""I think so

" Scarlet smiled and lowered her head

enjoying her cake.'

'The sweetness filled her mouth. Too sweet.'

'Dana raised her eyebrows and asked her in a confusing voice

"Why do you ask this?""

"Just curious."

'Soon

they ate the cake. Dana wanted to send her back. But Scarlet refused him.'

'Dana stood at the door

seeing her leaving. After Scarlet disappeared from his vision the smile on his face gradually disappeared.'

'He sneered at the corner of his mouth. Then he looked away walking to his own car.'

'Scarlet went back home alone. She turned on the light. The house was empty. It

had been such a long time since the man left. She didn't think he would come

back.'

'But Scarlet remained the hope. She still hoped that she could see the man getting

busy in the house when she returned back home. She still hoped that Jason could

wait here for her.'

823 YOU ARE MINE (ENGLISH) - IS IT YOUR WAY TO EXPRESS YOUR LOVE?

'Scarlet has been explained to them many times

but no one listened to her. The rumors kept spreading every corner.'

'Finally

Scarlet didn't want to explain anymore. She told Dana that she refused but Dana didn't stop. She was really annoyed by his insistence.'

'Every time she went off her work

she felt a headache because Dana was waiting for her downstairs.'

'She had to pass through the door to get her car. Therefore she could not avoid seeing him.'

'After working off

she still met Dana. He didn't give her flowers. He started bringing other stuff.'

'He didn't force her to take it. He just wanted to say hi to her and just wanted to talk

to Scarlet for a while. Scarlet didn't want to hurt his feeling.'

'When she was about to leave
she saw a gorgeous woman that got in her way.'
'Really sexy. And gorgeous.'
'Scarlet looked at her for a while
and then she was sure that she never met her before.'
""Who are you?""
'The woman answered word by word
"I am Jason's girlfriend

Kris.""

824 YOU ARE MINE (ENGLISH) - I DON'T NEED TO KNOW

'Kris squinted and said

" I hope you would keep your word. If I could get married to Jason
I would invite you to our wedding.""

""I would attend your wedding

" Scarlet forced a smile on the face.'

'The smile looked gorgeous.'

'As if she would never get hurt.'

""That's great

" Kris sneered and said

"He's done a lot for you this half of the year. Sadly you might never
know.""

""Don't worry about me. I don't need to know. I don't want to know
either.""

""Really? I hope so.""

'Kris sneered and then turned around. Her amber pupils shrunk
immediately. Deep
in her eyes were hatred.'

'After Kris left

Scarlet walked to the lady's room to fix her make-up.'

'She saw her face in the mirror. Her face looked tempting and sexual.

High and

delicate nose. Red lips. Long eyes. Her face was oval.'

'Her face was perfect.'

'She looked like her mother.'

825 YOU ARE MINE (ENGLISH) - SHE WAS DROWNING IN THE
OCEAN OF DEPRESSION

"Because we are friends
I have to tell you. It is my responsibility to take care of you for Edie. You
are her
best friends. You are also the best friend of Joanna."
"Thank you so much. But I believe I can handle my own personal life
myself."

"Okay. But don't wait out a bad patch. Don't force me to ask to take a
rest."

"I would not. Thank you so much for sharing these for me. Don't you
feel tired

now?" Finally

Scarlet asked him curiously.'

'Hearing her question

Donald raised his eyes and asked

"Why do you think I would feel tired?"

"You don't really take Joanna as Edie

do you? It's been such a long time since you've met Edie last time. You
all lived in

A. Don't you want to visit her?"

826 YOU ARE MINE (ENGLISH) - I AM WILLING TO ACCEPT

EVERYTHING

'Jason lowered his head

seeing her looking at him without saying a word. Tears kept falling from
her eyes.

He knew she must be freaked out

,

'He felt so regretful. He tried to comfort her

"Don't worry. I would send you home."

'She didn't say a word to reply.'

'At the moment

Scarlet forgot everything that happened just now. All she could feel at
the moment

was the warmth he gave her.'

'She was so scared that this was nothing more than a dream. She might
break such

a beautiful dream with one word

one breath.'

'Therefore

she didn't say a word.'

'Jason kept the key to her house. He opened the door and put her on the sofa. Then

he rushed into the bathroom and prepared warm water for her. Then he picked up

her body and walked into the bathroom. She was like a doll without the ability to

talk to move. All she could do at the moment was to stare at the man in front of

her.'

""Scarlet?""

'Jason kept calling her name. But she didn't say a word.'

827 YOU ARE MINE (ENGLISH) - SHE WANTED TO CRY OUT

'Was it because of the influence of her parents on her? But it's been such a long

time. It should come to an end.'

'Didn't he do enough for her?'

'What could make her accept his love and get married to him?'

'Sometimes

marriage was nothing more than a piece of paper.'

'A piece of contract.'

'When he proposed to her sincerely

she refused him directly.'

'But he wanted to introduce her as her husband rather than her boyfriend.'

'What he really wanted was for her to get married to him. He couldn't understand

why she was worried about it.'

'Hearing his question

Scarlet laughed out and said

"Okay. I can tell you the truth. What you saw last night really happened to me

before. Satisfied? That was my nightmare.""

'Hearing these words

,

'Jason immediately fell into silence. He was fixing his black eyes on her little face.

He was so shocked.'

'These words were like a clap of thunder exploding in his brain. It took him quite a while to reflect.'

828 YOU ARE MINE (ENGLISH) - IT IS MY RESPONSIBILITY

'After Jason left

Scarlet sat alone on the sofa

staring at those dishes needing washing.'

'At the moment

her mobile phone rang.'

'It was Donald.'

'She picked up the phone. Donald asked her in a gentle voice

"Busy?"

"No. He's gone."

'Hearing this

Donald fell into silence.'

'When Jason called him to ask several days off for Scarlet

Donald thought they must be dating again like those sweet couples. He didn't

expect this.'

'He's gone.'

'Which meant that she refused Jason again.'

'Donald laughed bitterly

"Scarlet

don't you feel guilty while hurting him so deeply. Even I started sympathizing with

him."

"I told him....I've already told him what happened to me that years. It was not his

problem. Then

he left. He returned back to get married to another girl. This is the best result for

both of us."

"Don't you really want to ask him to stay?" Donald sounded a little surprised.'

829 YOU ARE MINE (ENGLISH) - ARE YOU CONFESSING TO ME?

'Jason wanted to test her. He waved his hands without saying a word or throwing an eye on her.'

'It was not difficult for Scarlet. After all they've been living together for such a long time. She was quite familiar with him.

She knew him so well.'

'After passing those things to him she said

"What? Do you think I am really a woman without a heart? Do you think I know nothing about you?"

"Yes. I thought so before. But apparently I am wrong. Since when have you known me?"

'Jason laughed and asked her.'

'Scarlet thought for a while seriously. She didn't know when. She's stayed in the kitchen with him for a long time. Gradually she knew a lot about him in the kitchen.'

"I don't know when. But I know when I realized I remembered everything about you."

"When?"

830 YOU ARE MINE (ENGLISH) - SHE WANTED TO GET PREGNANT

'She forced herself to raise the corner of her mouth and say words in a natural

voice. She didn't want him to hear the disappointment from her voice.'

'Looking at the inspection result in her hands.'

'The smile on her face gradually became bitter.'

'After hanging up the phone

Scarlet took the medical records in her bag. Then she took a deep breath trying to get rid of that disappointment.'

'She should not rush. It took time to heal her body. She wanted to get pregnant. She wanted to live with Jason forever.'
'As long as she got better she would tell Jason. It was so brutal for him. If she didn't get any better in one year she would give up.'

YOU ARE MINE (ENGLISH) - Chapter 831 PREPARING TO REDO THE PLAN

""Why....why are you such a brutal bitch. He is your brother. You should help him.

You should get him out. I've given you a lot of money before when you study at the university. Time for you to help me now.""

'Ashley said without any hesitation.'

""Okay. Fine. Indeed I should return that money to you. Then we are even. Tell me how much.""

""One million

" Ashley answered.'

'Actually

she didn't need that large amount of money. But she's run out of money before. It

was quite difficult for her to maintain her luxurious life now. But she's gotten used

to the luxuriousness. She needed more money to maintain her luxurious life.

Therefore

she said one million.'

'But Ashley at most gave her one hundred thousand dollars in total when Scarlet

was studying in school. Scarlet never expected that she dared to ask her for such a

large amount of money.'

'However

Scarlet didn't refuse her because she didn't want to talk to Ashley anymore.'

832 YOU ARE MINE (ENGLISH) - YOU ARE MY GIRLFRIEND

'The next morning

when Jason sent Scarlet to work

he saw Dana at the door

"Is he your suitor?"

"Jealous?"

"No. He is only one of the pieces of evidence to prove how good my taste of

women is. I am happy

" the man forced a smile. He was jealous. But he didn't want to say out.

He was

pretending to be generous.'

'Seeing this

Scarlet squinted and smiled

"Great

let me get off the car. I want to say hi to him."

"Do you still want your legs?" Jason said in a cold voice throwing a threatening eye on her.'

'Scarlet immediately sat down and looked forward

"Of course."

'Hearing this answer

Jason nodded satisfactorily. Then he drove the car to the garage so that

Scarlet

didn't have to meet with Dana. They could go upstairs through the elevator in the

garage.'

'When Jason drove out

he directly passed through Dana

freaking Dana out.'

'Dana was so shocked that the crystal statue slipped down from his hands

shattering into pieces on the floor.'

"Shit. What the hell?" Dana was raged.
833 YOU ARE MINE (ENGLISH) - I AM HER FIANCE

"Let's go to the canteen. On my treat."

"Sorry?"

"What?"

'The man surrounded the woman's waist with his long arms and stepped into the elevator with her.'

'In the past no matter how close they were

Jason never came to her company. He never mixed his personal life with his work.'

'Therefore her colleagues hardly ever saw Jason here.'

'When Jason surrounded his arms on Scarlet's waist and walked into the elevator

everyone got curious.'

"Miss Yvette is he your boyfriend?"

"I am her fiancé

" Jason smiled and corrected them. Then he introduced himself to them

"Jason William. Fiancé of Scarlet."

'Hearing these words

Scarlet froze for a while. Since when has he become her fiancé?'

'Before she explained

everyone at present started congratulating her.'

"Oh my gosh. Fiancé? But we never hear you mention him?"

"She's low-profile."

"You look so familiar. I've seen you before. You often come to pick up

Scarlet

before

right?"

"Yes."

834 YOU ARE MINE (ENGLISH) - LET ME FEED YOU

'Hearing Scarlet's explanation

Jason squinted slightly. He held her brain and looked at her pure eyes with his deep eyes.'

'Then he said word by word

"Scarlet

listen. I am jealous of every male creature around you

no matter it is a man

a dog

or a car. I want you. I want your body

your heart

your ear

your eyes

even your breath should be mixed with my breath

'''

'These words sounded really arbitrary and ridiculous. But every word remained in

her eyes

conquering her heart.'

'He was a man with male chauvinism. She knew it. She didn't hate it.

Because of

this

she thought he was such a cute man.'

'Scarlet nodded firmly

"Okay

Mr. Wilson. When I go to the market

I would ask them whether the vegetables are female or not. I promise you I would

never allow any males to approach me

okay?'''

'''Okay

" Jason nodded satisfactorily

"Let me feed you."'''

'''Why?" Scarlet asked.'

835 YOU ARE MINE (ENGLISH) - YOU ARE SO CUTE

'''Of course

Mr. William. Would you mind telling me from which aspects should I need to improve this plan?"

"First of all dig deeper into the market to know the mainstream and redo the plans. I want plans for different groups."

"Okay. No problem. What else?"

"Nothing more. I have something else to do. I should leave now. Are you free the day after tomorrow? I want plans that day." Jason said and then left.'

"The day after tomorrow? It might be too rushed. We need time to do the market report."

"Oh. Sadly. Then we might not be able to cooperate with you."

'Jason smoothed his suit and tied his ties slowly throwing an eye on Dana without any expression on his face.'

'Hearing his words

Dana clenched his teeth and said

"Fine. I would come here in the afternoon."

"Okay

"

'Jason said

and then he turned around

leaving him Dana no chance to say one more word.'

836 YOU ARE MINE (ENGLISH) - SHE GOTTEN PREGNANT AGAIN

'Wow...'

'Scarlet was out of the door when she heard Edie's screaming.'

'She immediately rushed in

"What happened?"

'Edie opened the door and said in astonishment

"Why? Why positive?"

"Congratulations. You've been pregnant." the boss smiled and said

'Edie was still in shock. Her face turned white.'

"Boss

is the test accurate?"

"What do you mean? You mean I faked these?" the boss immediately changed his face.'

'Scarlet immediately apologized for Edie

"No-no-no. She doesn't mean. She just gets too exciting. She couldn't believe it."

'Then

she dragged Edie out of the store.'

"What is wrong with you?" Scarlet asked Edie.'

'Didn't she feel happy? She's gotten pregnant again.'

'Edie looked worried

"But... the doctor told Stuart that the possibility of miscarriage is large if I get

pregnant again. I am worried that..."

837 YOU ARE MINE (ENGLISH) - DON'T APOLOGIZE TO ME

'After dinner

Scarlet and Jason didn't stay. They also needed time to digest such good news.'

'After getting inside the car...'

'The atmosphere was a little depressing.'

'Scarlet wanted to talk about something several times. But she didn't say a word out

at the end.'

'Finally

she took a deep breath and said

"Jason

we..."

'Before she said those words out

the car was suddenly stopped. It stopped so quickly that Scarlet didn't have time to

reflect it. She was forced forwards suddenly. Luckily

the seat belt held her. She was bounced back. Before she took a breath

the man suddenly pressed on her lips.'
'He kissed her lips inch by inch. Finally
she was totally drowned in his kiss.'
'The kiss lasted for quite a long time. She felt hard to breathe. She
couldn't think
about anything else at the moment.'
'Finally
she closed her eyes. Tears poured out from her eyes.'
'When they stopped
Scarlet's tempting lips looked swallowed.'

838 YOU ARE MINE (ENGLISH) - I WILL STAY WITH YOU

'Hearing these words
Scarlet was amused. So irony.'
'She didn't send this old man out. Instead
she sat there alone
feeling the smell of smoke and alcohol.'
'At noon
when Jason came to find her
she was sitting in the office room
wandering something.'
""What's up?" Jason frowned and walked to her.'

'Scarlet's eyes were reddened.'
'But when she saw Jason
she immediately smiled
"Glad to see you."
'Looking at her red eyes
Jason frowned. He rushed to her and said
"Who bullied you? Why are you crying? Have you cried? Tell me. I would
definitely teach them a lesson for you."
""Jason...I have nothing now. I have only you
" she held him tightly into her arms and said
pressing her face against his chest
feeling his heart beating strongly. Only at this moment did she feel she
was still
alive.'
'As her tears wet his shirt

Jason felt heartbroken.'

"What happened? Darling. Tell me
okay? I don't want you to be so upset."

839 YOU ARE MINE (ENGLISH) - I WISH YOU LUCK

"I could not get married."

'Scarlet gathered all courage to say these words out.'

'After she told everything to Edie

Edie's face turned pale.'

'Edie didn't expect that such a terrible thing happened to her best
friend.'

'No wonder Scarlet never wanted to get married. No wonder Scarlet
always spoke

daggers to others

especially to her boyfriend.'

'It was because of such a terrible thing.'

"If I want to try a test- tube baby

I should get married. But my physical condition didn't allow me to do
this. I am

afraid. I am hesitating. I am afraid the marriage might become the chain
on Jason.

If we get married

he would never be able to get rid of me. Edie

what should I do now?"

"Couldn't you tell Jason?"

"No...I could not tell him. I only tell you. Don't tell anyone else
including your husband."

"Why?"

'Hearing Edie's words

Scarlet placed her hands on Edie's belly that was perceiving a baby

"How do you feel after getting this baby?"

'Scarlet suddenly changed the topic.'

840 YOU ARE MINE (ENGLISH) - LET ME HANDLE THIS

'Out of the door

Ashley kept knocking on the door so loudly that the neighbors shouted at her to ask her to stop.'

"I want to see my daughter. You should shut up."

"It is night. We are all sleeping. If you dare to make that noise I would call the police."

"Oh. Okay. But I can tell you. My daughter is a famous editor. She could handle everything. Unlike you

you can only call the police. You might need to stay in such an awful place for a whole life."

"Estates. Where are our estates?"

"..."

'As their quarrel got heater outside even Jason was staying with her and Scarlet still felt so fearful.'

"Let me handle this

" Jason was worried about her. He didn't want her to be upset.'

'Scarlet immediately wiped her tears and shook her head

"No. You don't know her. Let me handle this."

"Could you?" Jason asked her in a worried voice.'

'She nodded

"Don't worry. I am strong. Don't you remember? No one could beat me down."

YOU ARE MINE (ENGLISH) - Chapter 841 I WOULD NEVER BOTHER HER AGAIN

'Standing in front of the car

Ashley looked a little nervous

"Are you Scarlet's boyfriend? Do you have a few minutes now? I want to talk to you."

"Come into the car. I also want to talk to you. Let's find a place to have a drink

" Jason said.'

'Ashley nodded. She got into the car.'

'It was the first time for Ashley to come to Modern Technology. The building was

located in the middle of the CBD. It was the tallest building in A.'

'In the time of digital information

the technology company earned the most money especially Modern Technology.'

'The company was well known in A. It was also said that the management layer of

the companies has something to do with the military troops.'

'It was the first time for Ashley to walk into such a high-level building filled with

advanced technology. Looking at those people coming and going

Ashley was astonished. Everyone wore a customized suit elegant and wealthy.'

'When they saw Jason

they would greet him politely

"Good morning

Mr. William."

842 YOU ARE MINE (ENGLISH) - SHE WAS DEEPLY MOVED

'After walking out of the building

Ashley held the card tightly in hands. She still wanted more.'

'After hesitating for a while

she called the man she never contacted these years

Scarlet's father

Jeff.'

'When the phone was answered

Ashley heard Jeff's drunk voice.'

"Who is it?"

'Hearing the sound

Ashley immediately knew he got drunk again.'

"Ashley."

"You? You such a bitch. You dare to call me now. Tell me where you are now. I

would go to kill you immediately."

'Hearing Ashley's name

Jeff immediately got raged. He shouted out that he wanted to kill her.'

'Hearing this

Ashley didn't get angry. She said in an anxious voice

"I don't want to waste my time quarreling with you. Do you know Scarlet had a

boyfriend?"

"I don't care about her boyfriend. Wait for me there. Don't move.

Where are you?"

"Asshole. You don't even know her boyfriend. Her boyfriend is really rich. Do you

know about that?" Ashley said.'

"Rich?" hearing this

Jeff was a little shocked.'

843 YOU ARE MINE (ENGLISH) - EVERYTHING LOOK LIKE A DREAM

"Is it difficult to answer this question?"

"Yes. Quite difficult. I am afraid that I might need a whole life to answer you."

"Don't use the same words you've used in front of other girls

okay?" Scarlet sounded a little angry. It seemed that she didn't like this answer.'

'Jason touched his nose and said

"Frankly speaking

I've never spoken the same words to other girls."

"Really?" Scarlet suspected his answer. But Jason looked so sincere at the

moment. Scarlet finally accepted his explanation.'

"Why do you fall in love with me? Since lots of good girls chased after you. Do

you like being abused? Are you SM? All those girls want to take care of you. But I

never want to do that. On the contrary

I always quarrel with you. I really could not understand why you fall in love with me."

844 YOU ARE MINE (ENGLISH) - THE LOVER'S PRATTLE

'When hearing his words

Scarlet burst into tears. She surrounded the man's neck with her arms and kissed on

his lips

slowly and carefully.'

'After the kiss

Jason stepped backward and gave his hand

"My beauty

are you willing to dance with me?"

"Yes."

'At the moment she answered

all the fireworks around them disappeared suddenly. The rose-shape

mine lights

were lit on. The young couple was deeply immersed in a romantic

atmosphere.'

'The Symphony was on.'

'It was Waltz.'

'They danced with the music. They cooperated with each other so well

as if they were born to dance with each other. They knew each step of each other.'

'They fixed eyes on each other

ignoring the sky

the ocean

the waves.'

'At the moment

they only remembered each other.'

'They've forgotten anything else

including the romantic scene.'

'The lover's prattle.'

'The rose

the dress

the crystal shoes.'

845 YOU ARE MINE (ENGLISH) - HE SUCH A CHARMING MAN

'Feeling Scarlet's depression

Jason grabbed her small hands tightly.'

'''If you like it here

let's purchase a house by the sea. You can come here whenever you want to see

sunrise and sunset.'''

'''No. Thank you

Jason

for what you've done for me. I love it. It is enough for me. I don't need too much.'''

'''I would create more for you. Not only last night.'''

'He grabbed her small hands

fixing his eyes on her

making this vow in a determined voice.'

'While Jason became serious

he was really attractive.'

'He used to be a playboy. He never cared about anything before. He always laughed

while talking. He left others the impression that he never took anything seriously.

But she didn't have the heart to refuse him.'

'He was such a charming man.'

'Though Scarlet knew he was fooling around her

though she knew she was nothing more than one of his targets for him she was still willing to fall in love with him.'

'Therefore

when he took her seriously

Scarlet could not control herself anymore.'

YOU ARE MINE (ENGLISH) - Chapter 846 SHE DIDN'T KNOW WHICH ONE TO CHOOSE

'Hearing her words

Joanna immediately changed her face

'Stop working these days. Spend some time on your wedding dress. Most women only get married once. You should be the most beautiful one on your wedding day.

Tell me whatever you need. I want to be your bridesmaids.'"

"But no bridesmaid gets married.'"

"I don't care. I want to be your bridesmaids

"

"Okay. Fine. As you wish.'"

"Oh. Who else have you invited? Let me design the invitation card okay?'"

"I don't want to invite too many people. So just you and the Yates couple. No one else.'"

"The Yates couple. Stuart and Miss Yates? I still remember them. It's been many

years since I met them. How was everything going with her?'"

"She's fine. Maybe I would invite more people. I need time to think about this.'"

'Scarlet also worried. She didn't want Joanna to meet with Edie. After Joanna got

sick

she always thought she was Edie. If Joanna really met Edie she might recall something. She might become even sicker.'

847 YOU ARE MINE (ENGLISH) - I'VE GAMBLED AGAIN

'Jason looked towards him

"Do you want to talk to him for a second??"

"They are so greedy. I have no money now. Even if he sees me again I have no money to give him anymore." Scarlet said in a cold voice'

'Jason didn't say a word. He didn't tell her he's given Ashley one million dollars.'

'Scarlet was a woman with self-respect. She didn't want to show her awful family.

Even though she told him

Jason still needed to take care of the softness at the bottom of her heart.

He still

needed to care about her feelings'

'Jeff came to her company every day. But the receptionist kicked her out every day.

Finally

Jeff didn't show up. Scarlet finally took a relieve

,

'But she didn't know this was just a start.'

'Jeff went to visit Edie.'

'When Edie came to Scarlet's company to talk about her wedding she saw Jeff at the door'

'Edie knew Jeff because she was the best friend of Scarlet. Edie went to Scarlet's

old house before. She saw Jeff before.'

848 YOU ARE MINE (ENGLISH) - HE REALIZED HE MADE A BIG MISTAKES

'When Edie stepped out of the hospital

Jeff stopped her behind.'

'He tumbled towards her and moved his dry lips. It seemed that he was hesitating.'

'He kept looking towards the hospital. But he didn't say a word out.'

'He also realized he'd made a big mistake. He didn't know whether he had a chance

to make an amendment. After all

Scarlet was his only lovely daughter.'

'Hearing no words from Jeff

Edie said in a helpless voice

"She is badly injured. Her hands might not recover completely. It might affect her

career."

""What?" hearing this

Jeff screamed out. He immediately said in an anxious voice

"Why? How? If she gets fired

I would never be able to pay the debt. They would definitely kill me."

'All of a sudden

Jeff became much older. He fell on the ground

keeping trembling.'

'Edie really couldn't put up with the man in front of her anymore. He dared to

mortgaged the house Scarlet's grandmother left Scarlet.'

849 YOU ARE MINE (ENGLISH) - DON'T DRIVE ME CRAZY

""Edie

I don't know how to laugh or cry out now.""

'Scarlet didn't fall into silence this time. She talked in a slow voice

"I really want to kill them all and go to jail. Really they force me to do so. They almost drive me crazy.""

""No

Scarlet

you should never do this. You finally make peace with Jason. You are about to get

married. If you were imprisoned in jail

what should Jason do? He loves you so much. You should not let him down. You

should not throw him into despair.""

'Hearing Edie's words

Scarlet burst into tears. She looked at Edie and asked her painfully

"What should I do now? What should I do for my family? I am exhausted now

Edie. I feel like I am almost drowned in the ice water. I could not see any light

around. I could not see the end. I think I might die soon.""

850 YOU ARE MINE (ENGLISH) - THE WEDDING DRESS

""You....""

'Why did Scarlet changed totally after she woke up?'

'Jason was so shocked that he couldn't say a word out. But Scarlet kept smiling.'

""When I woke up

I saw you sleeping beside the bed. Actually

I was so desperate and sad before. But when I woke up and saw you sleeping

beside me

I suddenly felt sorry. You looked so tired and worried about me. Jason when seeing you

I felt better. I suddenly think nothing else matters. I can handle anything else. I don't have to worry about anything as long as you stay with me.'" 'At the moment she finished Jason suddenly rushed to her and held her tightly into his arms.'

"Jason..." she felt his body was trembling. Scarlet called his name slight. But Jason interrupted her "Don't talk. I want to seize the moment. Let me hug you for a moment.'" 'Hearing his words Scarlet raised a smile at the corner of her mouth. She leaned against his body feeling his smell calming herself down.' 'The hug lasted for quite a while.'

YOU ARE MINE (ENGLISH) - Chapter 851 A PRECIOUS LESSON

'Dana looked forward to cooperating with Modern Technology before. He really thought Jason thought highly of him. Therefore he stayed up every night these days trying the best to improve the business paper.' 'Unexpectedly when he finally finished the business paper all his excellent employees quit the job in his company and went to work for Modern Technology.' 'All of a sudden Dana realized what Jason was really planning on.' 'Jason wanted to steal all his men away and destroyed his company.' 'Hearing Dana's words Jason didn't care at all. He even shrugged his shoulder innocently and said in a wronged voice

"Mr. Blake
stop this nonsense. I have never done anything to you. You do this
totally
voluntarily. Besides
have I lowered my price? Never. If you keep saying this nonsense
I could sue you. Do you know how much you should pay me then?"
852 YOU ARE MINE (ENGLISH) - YOU'RE SUCH A PLAYBOY
"The only one I love is you
baby."
"Me? I am afraid I am not enough for you—you're such a playboy. Jason
William
you can do whatever you want before. I don't care at all. But now
if you dare to play this again
I would cut your manhood off immediately. Do you believe it?"
'Scarlet threw an eye on his manhood. All of a sudden

Jason felt great pressure.'
"I...I never..."
"Great. Then take me to her. We can negotiate with her together. Show
me how
sexy and gorgeous she is." Scarlet said in an angry voice.'
"Well...I am afraid...I couldn't take my girlfriend to ..."
"What?" Scarlet stated at him unsatisfactorily. Seeing the anger in her
eyes
Jason immediately gave up
"Fine. Let's go."
'When Jason took Scarlet into the conference room
Eileen Leery was already waiting there for him. She wore a super short
black
leather skirt and a V collar shirt. Really sexy and tempting.'
'Her long curly hair was gathered behind on her back. Her back looked so
fabulous.'

853 YOU ARE MINE (ENGLISH) - I WANT TO PUNISH YOU
'When Scarlet opened her mouth and called his name
the man immediately turned around and approached her. Then he
pressed his lips

on her lips without any hesitation.'
'He surrounded her waist with his big hands
putting her up onto the desk.'
'Scarlet was much shorter than him. Therefore
he directly placed her on the desk so that he could kiss her more deeply.'
'He moved all files away from the desk.'
'The kiss this time was so wild and arbitrary. He didn't give her a second
to take a
breath.'
'At the moment

Scarlet didn't know what to think about. She was totally immersed in the
pleasure
of sex.'

'They didn't know when they lowered the shutters.'
'They didn't know when they locked the door.'
'There were only two of them in the office. Both were panting
immersing in the net of sex and love.'
'He was worried about her hand. So he was so careful.'
'After quite a while
he slowly loosened her
"I want to punish you now."
854 YOU ARE MINE (ENGLISH) - SHE NEVER SAW HIM LIKE THAT
'Hearing her words

Jason smiled slightly. Scarlet had changed a lot. She'd been much cuter
in front of
him. She always got him angry before. But she didn't do that again.'
'Jason touched her head gently. Then he started changing the clothes for
her. He did
it so carefully. He didn't want to hurt an inch of her body.'
'This was not the first time for Jason to change clothes for Scarlet. He did
it quite
proficiently.'
'He avoided the wounds on her body. At the moment
he looked so gentle.'
"Wait here for me. I still have some work to do. Let's go enjoy some
tasty food

after I handle them this afternoon."

"Okay."

'Scarlet answered obediently. Then she casually picked a magazine on the desk.'

'Seeing this

Jason's face changed immediately. At the moment he turned around

he took the magazine as well as books about men away. He threw all of them into

the trash bin.'

'Jason packed up all the files and started working.'

855 YOU ARE MINE (ENGLISH) - HAVE I SEEN YOU BEFORE?

"That's it?"

'Aaron raised the corner of his mouth

holding his forehead with one hand

and said in a naughty voice.'

"Or what?" the girl raised her palm-size face. Her face looked quite peaceful.

Aaron didn't see any fear from her eyes fixing on his eyes.'

'Her skin looked quite pale. Her lips were red.'

'Her eyes were black and bright. At the moment

when she looked at him

her eyelashes were blinking

like black butterflies.'

'Well...'

'Aaron suddenly had a familiar feeling...'

'He frowned slightly. Suddenly a small image of a girl came into his mind.

But it

disappeared so quickly that he couldn't catch it for a moment.'

"Who are you? Have I seen you before?" Aaron straightened his body and asked

the girl in a confusing voice.'

'Hearing these words

Molly frowned. She fixed her eyes on her. It seemed that she really looked down

upon her.'

"Aaron

you really suck at fluttering. Do you usually do this with other girls before?"

856 YOU ARE MINE (ENGLISH) - STRANGE CALL

'Time went by quickly in A.'

'Though Edie was pregnant

she was still worried. The doctor told her that the baby might die before being

given to birth. Therefore

Edie spent lots of time in the hospital to do lots of inspection.'

'One day

when she arrived at the hospital and waited for Stuart to park the car her mobile phone rang.'

'She could still hold a mobile phone. But after several days

Stuart might take all electrical products away from her.'

'It took her quite a while to beg Stuart to give her the mobile phone.'

'She looked at the screen of the mobile phone. It was a number from England.'

'After hesitating for a while

she answered the phone.'

""Hello. Who is it?" she asked in English. But no one answered her.'

""Wrong number?" she still didn't hear any words from the other side.'

'She stared at the phone confusingly. At the moment

the phone was hung up on the other side.'

'Strange call.'

'At the same time

Aaron was in Vineyard Winery.'

857 YOU ARE MINE (ENGLISH) - BEING LOVE BY SOMEONE IS A PLEASANT THING

'Everyone in Yates didn't like to speak meaningless words. They didn't even waste

time talking to their parents if they didn't have anything to talk about.'

'Therefore

Aaron didn't waste time speaking meaningless words to Edie.'

'But Edie was different. She kept repeating

asking him to take good care of herself. Suddenly
Aaron felt someone cared about him. Suddenly
he felt he was more than a working machine.'

'Aaron thought this might be the reason Stuart fell in love with her.'

'This was also the life Aaron was looking forward to it.'

"Eddie

if I die

would you feel sorry for me?"

"What?"

'Hearing his words

Eddie trembled slightly.'

"What do you ask me about this? What's up? Is everything all right
there?"

"I am fine. I'm just kidding

" Aaron didn't tell her.'

'He knew she would. She was such a kind girl.'

'Being loved by someone was a pleasant thing.'

'Eddie suddenly had a bad feeling. But she didn't know how to describe it.'

'It was the first time for her to think about this question.'

858 YOU ARE MINE (ENGLISH) - IT FELT SO FAMILIAR

'Hearing her words

Aaron reluctantly took the fork. When he touched her fingers

he felt her fingers were so soft. Was it because it had been a long time
since he

touched a girl last time.'

'Aaron shook his head to get rid of these ridiculous thoughts. Then he
took a piece

of beef into his mouth.'

"No oil? No salt? How can I swallow this?"

"No. Just less oil and less salt. Good for your health. You don't want to
die young

right?" Molly tried to convince him patiently.'

'Who wanted to die young?'

'Aaron frowned deeply and stuffed the food into his mouth. But when he
finished a

half bowl of rice

Molly stopped him.'

""What? I haven't been full

" Aaron finally ran out of his patience.'

'Even though the girl was so young for him

Aaron didn't want to put up with her anymore. She really pissed him off now.'

'He just wanted to eat something peacefully.'

'Aaron stared at Molly coldly. Molly looked back at him fearlessly.'

859 YOU ARE MINE (ENGLISH) - EVERYTHING WENT QUITE WELL

""Me

too. I also love you the most

" Edie leaned against his chest

feeling the smell on his body. It smelt so good. So warm. He could warm each cell

in his body.'

""Excuse me. How long have you been married? Long enough

right? Don't hug here. Please

""

'Jason and Scarlet walked towards them slowly. Scarlet's hands recovered slowly.

They came to the hospital frequently for an inspection today.'

'The doctor told them Scarlet's hand recovered quite well. She might be able to use

it totally.'

'Everything went quite well.'

'Hearing their words

Edie immediately flushed. She immediately pushed Stuart away. But she failed. He

held her into his arms more tightly

,

""But I want to

" Stuart said in a calm voice.'

'That voice...that expression on his face....'

'Apparently

he wished to tell everyone around how they loved each other.'

'Looking at Stuart

Eddie rolled her eyes helplessly.'

"Have you done the recovering process today? How's it?" Eddie asked them.'

860 YOU ARE MINE (ENGLISH) - SAVE HIM OUT

'Jason looked serious. He said. "They must leave their address and phone number.

We can go there now. We would save him out."

'Jason turned the paper. As expected

he saw a phone number. He immediately dialed the number. Then they got their address. They immediately ran towards the direction.'

'It's an underground warehouse

dark and damp. Rats passed by. The smell of rot makes people want to vomit.'

'At the moment when they entered the warehouse

a beam of strong light was directly reflected in their eyes.'

'When they adapted their eyes to the light

they saw a person being tied to the chair. His face was swallowed covered with blue bruises. He was dying. He was Jeff.'

"Dad!"

'Scarlet rushed to him

but two strong men walked out from the goods behind. They stopped her.'

'They wore a black T-shirt

and their arms were covered with tattoos. They looked so scary.'
