

Chapter 55:

(*The following dialogue switches Korean mode by itself)

After the last sentence was severely rejected, even though the mobile phone is still ringing, Lu Sicheng chose to put down the mobile phone. The game character has already appeared in the spring water. He opened the task bar of purchasing equipment and bought the basic salary equipment.

The mobile phone screen is still flashing and there is a new WeChat sent -

Li Hengshuo is still very sticky and coquettish, seemingly ready to cling until Lu Sicheng approves him... However, Lu Sicheng ignored him, and he took a look at his neck and saw him. He even knew that he was still nursery rhyme. When A Tai's grievances and vengeance are ready to smash the **** blade of his former teammates, Lu Sicheng has only the urge to turn his eyes. The game begins, and the man simply throws the phone to the side and let him go.

Both sides of the camp began to send troops. Lu Sicheng "squats" with a mouse and assisted the stone man with the help of the assistant. After the stone is finished, the man is ready to go online. At this time, the mobile phone lights up again. In a large row of speeches, another An id appeared -
Lu Sicheng: "..."

Lu Sicheng: "Lu Yue."

"Dry ha?" Hey, in the chair of the nursery rhyme next to Lu Sicheng, the boy who is biting the tip of his tongue and playing the game does not lift his head. "You don't talk to me, this will win, then lose the master. The drop may be completely violent and then change the game password!"

Lu Sicheng: "..."

Lu Sicheng reached out and pulled out his mouse line directly. In Lu Yue's "squeaky" breath, the man took the phone to him and said: "How is this woman?"

Lu Yue rushed to insert the mouse line, and drilled out from under the table and looked at Lu Sicheng's mobile phone. His face looked blank: "Which woman?"

Lu Sicheng glanced at the front page, and the home page was screened by the huawei team. So he entered the WeChat and found the name, and put down the phone again: "This."

Lu Yue: "You are dating each other."

Lu Sicheng: "Why do I have her on my mobile phone?"

Lu Yue: "The people are very good at you, the people are beautiful, the personality is good, and the height is also matched -"

Lu Yue said while holding his mouse and keyboard.

Lu Sicheng flexed his finger on the table: "Let me say that the third time you regretted being a dead body, now for the second time: Why do I have her on my mobile phone?"

Lu Yue: "..... Ms. Wang said that you said that you are not suitable that day, the girl still wants to try to add WeChat, Ms. Wang knows that you are definitely not willing to add, so I call me - I was threatened! She said that if I don't do it, the next one is me!"

Lu Sicheng put down his mobile phone and slaps the head of the stupid brother who is looking for his brother to seek glory.

Lu Yueqi screams, Lu Sicheng takes back his mobile phone, and sees that Kun is still sending new information tirelessly.

Lu Sicheng: "..."

Re-catch the phone, I want to go back to "just like you", then a word jumps above the phone -

Lu Sicheng: "..."

What are the problems of these people and the good deal?

Stopped the hand to prepare to reply to Kun WeChat, Lu Sicheng did not hesitate to shut down the phone directly.

- Then the world is clean.

.....

One day later, Lu Sicheng felt that Tong Yu looked at his own eyes strangely, but for some unspeakable mysterious reasons, he did not take the initiative to explain to the family why he said this day -

He could feel where he was going, and there was a pair of gaze on his back sweeping around, and every time he turned back, the gaze was "squeaky" and disappeared... ..

Lu Sicheng did not expose it, so he was so funny that the "sweet eyes" behind him swept around him and swept it all day -

One day later is Saturday, and it is the match day of zgdx.

Lu Sicheng used to sleep early the night before the game day, so when he woke up and went downstairs this day, it was still 10:00 in the morning. The base floor was quiet, just a layer of

sofa sitting on the cross-legged person - the man was lying on one leg. A book of pink notebooks, according to Lu Sicheng's memory, the book should be filled with dense words. At the end of each sentence, there is probably a picture of her own painting that does not know who to sell to Meng. The book was opened by the man but he was not watching it. He only had a funny cat stick in one hand, and he fought his own fat cat that didn't look very flexible.

Hearing the footsteps, she said without raising her head: "So early?"

Down to the bottom of the stairs, the man stopped:

"Occasionally get a bed, and report to you?"

The nursery rhyme threw a funny cat stick and said with no expression: "Of course, since it is your woman, I think you should be informed of what color underwear you wear."

Can't you stop? Lu Sicheng put his hands in his trouser pocket and lazily said: "Black."

"..."

"Is it satisfied?"

Lu Sicheng walked down the stairs and did not squint and walked in front of the nursery rhyme - and the man was like a moving fish like a big cake. When he saw him, the big cake didn't even make a cat stick. I was chasing after Lu Sicheng's feet.

The nursery rhyme sat on the sofa and watched the man take the yogurt out of the refrigerator, took two drinks, then threw it into the microwave for two seconds, ripped the lid on the top, and bent over to put the remaining yogurt box on the ground. - The big cake rushed up without a fuss. If it was a dog, the nursery rhyme suspected that it might have shaken its tail.

"Today's game, Li Shuoshu will come." Lu Sicheng suddenly stared at the cat and yogurt.

"Who?"

"Kun."

"What is he doing?"

"I don't want to see if we are really together. If he finds out that this is not the case, you are waiting to be his eighteen."

"18.....He looks like a child."

"You said it, look." Lu Sicheng glanced at the man sitting on

the sofa. “He changed his girlfriend in South Korea a long time ago, but he was more diligent than changing his underwear. But because he didn’t find a fan as a girlfriend and he was a top performer. So everyone has never heard a similar wind.”

“Do you understand him so much?”

“When I was in the tat team, he was actually a trainee of the tat team. It was not the outside legend that he joined the team after I left the team. So in theory, I am his predecessor, and because of this, I am in contact. He can’t shoot the person - so he said it the day before.”

“Oh,” the nursery rhyme felt that he was persuaded a little.

“But I have to make up such a terrible reason, saying that I would say hello to me before.”

“You cat courageously, after you have finished greeting you, you should grab the phone and grab the phone, and then continue to be hooked up by the master, then sink, and finally become his eighteen—”

“The line is OK,” the nursery rhyme raised his hand and covered his ear. “Know it!”

Lu Sicheng satisfactorily “hmm”, in the kitchen, I don’t know where to turn over a piece of bread and take a sip...

At this time, there was still a little time to go to the competition venue. I didn’t wake up. The nursery rhymes and Lu Sicheng both lined up several ranks of hot hands. Until noon, the other players got up and the base was full of excitement.

Everyone discussed the opponents who are about to face the team, climbed the bus, and found a place to sit. The nursery rhymes are receiving a text message from the huawei team. They feel that the child’s literature is really good for his grandmother. At this time, Lu Yue heard her and Lu Sicheng said behind her: “Is that woman really coming today? You play Do you really want to go eat with her after the game?” The nursery rhyme was immediately attracted to the attention. She looked up from WeChat and looked back. The eyes just happened to be opposite Lu Sicheng.

“Well, I said that there are other arrangements for the game after the game is not available. She said that the tickets have been bought, or to watch the game.” Lu Sicheng took the lead

to remove his eyes.

“How can you arrange anything else?”

“What if it is not prepared to promise her to go to dinner together?”

“I don’t understand what you are holding,” Lu Yue stretched his legs. “The young lady is very good-looking. The key is that you are both tall and straight -”

“So I like to introduce my mom to you.”

Lu Sicheng put on the headphones, obviously too lazy to say a little more, Lu Yue asked himself to touch the nose without interest, looked back and saw the virginity of this side, smiled: “My brother’s blind date is to see the game.”

The nursery rhyme “oh” sounded, and the heart wanted to introduce Kun to her, and the two people who had a good time were just a couple... Thinking about her, she found that something was wrong, and she bit her finger and turned around: she I found that my thoughts at this moment are as evil as the vicious female counterparts of Korean dramas. ...this is not right.

.....

An hour later, in the entanglement of the nursery rhymes, the zgdx team arrived at the venue.

The makeup was put on the stage, and the nursery rhyme saw the huawei team’s wilderness in the audience. He sat in the first row of the zgdx fans, and many zgdx fans’ faces were very dreamy. I feel like I am dreaming, except for a sister who has a bunch of flowers at the foot and is counting down on her mobile phone. Everyone else has used a mobile phone camera to take a close-up shot.

And Li Shushuo seems to be unaware or familiar with this, and he is playing with his mobile phone.

After a while, the children’s mobile phone on the table lit up – The nursery rhyme put down his mobile phone and licked his head and revealed his face from behind the computer screen. At the same time, Li Hengshuo raised his head and smiled at the table. The nursery rhyme was thinking that even if he was polite, he would say hello to others. What’s more, the child laughs too cute, but before she makes an action, her head is caught by a big hand that sticks out from the side and forcibly turns to one side -

She looked at a pair of dark brown cockroaches.

“You will be eyebrows with him again. I am afraid that in the face of his French kiss, I will let him dispel strange thoughts.”

“No eyebrows to see.”

“When I am jealous.”

“...” The nursery rhyme was silent. “Know, you let go of my head first.”

“No, he is still watching.”

“... Cheng Ge.”

“what?”

“What happened to your blind date?”

“Nothing happened, I refused, the girl didn’t give up and wanted to try it - even the esports didn’t know what to try.”

“...people looking for a boyfriend is not looking for a job, why do you know what e-sports is?”

“Because I am willful.” Lu Sicheng is a serious man.

The nursery rhyme “嘖” laughed: “You refused to add someone to her WeChat? Slag.”

The hand on the head of the nursery rhyme pressed a little harder: “Lu Yuejia.”

Lu Sicheng replied in a concise manner to answer the various problems of the nursery rhyme. During this period, he looked down slightly. At this time, he couldn’t hear what he was saying with the nursery rhyme. He probably felt that the two were intimate, and this action was in the eyes of Li Shuoshuo. More like Lu Sicheng because of some deliberate declaration of sovereignty, he frowned... until about a dozen seconds later, Lu Sicheng muttered “can” and finally let go of the nursery rhymes, then picked up his mobile phone and looked at it - Suddenly, Li Shushuo’s tearful complaints were returned.

When the man turned his head and talked to the chubby next to him, the sound naturally seemed to have never happened.

Xiaopang: “What whispering do you and shooting Mai Lin?”

Lu Sicheng: “She wants to take Yasuo. I asked her if she still wants to see the sun of tomorrow.”

Xiaopang: “...”

Nursery rhymes: “...”

So in the first match, the nursery rhymes carried the “this person is very inflated, she wants to take the Yasuo” black pot to choose Lefran, perfect to keep the feel and Lu Sicheng both

explode carry, successfully won the first game Victory, cleanse your own crimes.

The game took thirty-eight minutes.

Picking up the headphones and standing up, the nursery rhyme habitually looked at the audience seats below. Li Shuoshu also sat down on his own head and played with the mobile phone.

Instead, the girl who was sitting next to him and had a big bunch of flowers at his feet disappeared... .

The nursery rhyme raised his eyebrows. At this time, he did not reassure the matter. He walked behind the teammates and went to the lounge. Lu Sicheng took out his mobile phone and didn't know what Li Shuoshu said... The nursery rhymes could not understand Korean. Only during the period, Yu Guang accidentally saw the girl at the end of the passage of the contestant standing in the audience. At this time, she was holding a large bunch of flowers in her hand. She looked at Lu Sicheng and walked in, revealing a clear Smile.

The virginity is stunned, and it takes three seconds to react to who this person will be.

In the fourth second, she began to recall what should be done if the Korean drama is a vicious woman.

In the fifth second, before she had time to stop herself, her body responded with a step in the brain. She raised her hand and grabbed the sleeves of the man who was walking down in front of her and was playing with her mobile phone.

In the sixth second, Lu Sicheng stopped and turned around and looked at the nursery rhyme inexplicably.

In the seventh second, the boy licked the edge of his sleeve and made a little effort. The man asked "what to do" and leaned down, while the nursery rhyme raised his hand and gently rubbed it with his fingers in his eyes. Tone.

Lu Sicheng: "?"

The nursery rhyme let him go, took a step back, and smiled calmly and smiled: "Here, I lost an eyelash."

She bounced her fingertips.

Lu Sicheng: "...oh."

When the man turned around again, he finally saw the person standing behind him holding the flower. From the moment he sideways, the nursery rhyme clearly saw that the smile on the face of the man was not the same as before... And at this time

the face of the nursery rhyme The smile has also disappeared together with the “stay calm” of the genius. She sneaked into the player’s lounge like a muddy, sitting on a chair, slipping into the corner and heading against the wall.

The author has something to say: The woman will take care of the land (.)
