

Chapter 92:

Lu Sicheng's “咔嚓咔嚓” location is with a mouse, and the head does not ask: “How is the live broadcast?”

The nursery rhyme took the phone off the selfie stick, and the phone threw it back to his position: “I said everything, and my live room is clamoring to see what happened to you?”

Lu Sicheng “oh” sounded, and casually answered: “Take them a look, send a big sword to give a look, make a fortune.

Fiction”

After saying that the person next to him had no sound, he did not pay attention to it - only Yu Guang saw that the person sitting in his position stretched his neck and looked around, seeing everyone wearing headphones or playing games. She retracted her neck and whispered, “Don't show it.”

Lu Sicheng's action of “clicking” the mouse suddenly disappeared. His hand on the keyboard was slightly picked up and turned to look at the person around him: “What?”

Nursery rhymes: “...”

The man chuckled, raised his hand and patted her head, and sighed with the tone of “the daughter grew up”: “The silly scorpion also knows the food.”

The nursery rhyme rose to the face: “How is it?”

“Not very good,” Lu Sicheng's hand fell back on the keyboard. “It's a great honor to be a protected dog food.”

Nursery rhymes: “...”

.....

On Saturday, both yqcb and zgdx had matches. The yqcb game was one o'clock. When the players packed up the peripherals and got ready to board the car, they turned around and found a group of people next door to the zgdx team. car.

“Why are you going so early?” Ai Jia pulled the edge of the virgin's little bag and pulled her to her side. “Are you not playing behind us?”

“Go early to see your game,” said Tong Yu. “We will officially meet after the Demacia Cup. Now yqcb is already the number one enemy of zgdx.”

“Formally meet... you can't go to the German Cup?”

“No.” Lu Sicheng's voice came from behind the two men. The man reached out and rescued the nursery schoolbag and the person from Ai Jia's hand. He pushed her into the car and

faintly said, “The German Cup II team is The tradition of China Telecom is as usual this year.”

——The annual lpl professional league summer competition will be held until the end of the first round of group matches, and the second round of the group stage will be suspended for one week. There will be a national cup called “De Masia Cup”, which will be held. There are some lpl teams and lspl teams participating together. It is one of the few official large-scale cups except for the professional league... Because the German Cup is also very formal, many teams also regard their champions as the target of competition. Go all out.

However, the Chinese telecom team has always had the practice of starting players not to participate in the cup. Generally speaking, on behalf of zgdx in the Demacia Cup, the team will be the second team or substitute team. The zgdx team will use this large cup as training and select the next year’s professional league. One of the starting players’ assessment items, and the current team starting only with the team to the game site to watch the game.

Nursery rhymes have seen the calendar. In the week after the German Cup, they will fight for the first time in yqcb - compared to the first confrontation in the first training session, now yqcb has been out of the image of the relegation team of the year, completely reborn and become An opponent who can’t be seen.

——The proposal to go to the stadium to watch the match yqcb against the huawei team today is also the result of discussion.

The nursery rhyme got on the bus and sent a text message to Jinyang to ask her not to go to the game.

The other party’s answer to her is quite certain –
After half an hour.

At the venue of the game, Tong Yu and Jin Yang directly sat in the half of the yqcb fan viewing area. It was just that today yqcb and zgdx are sitting on the right side, so there are still a lot of zgdx fans here. In the back row, I met the nursery rhymes and sat down with them in front of them. The expressions on each face were like the grand prizes. I lifted the phone and took a crazy shot, then took the book and asked for a signature.

This is the second time that a nursery rhyme has been in direct contact with a zgdx fan in the audience seat.

The last time she did this, she was not a professional player, but now –

“Today’s game is in the second game. Hongqiao Tiandi is so remote. Thank you for your support.”

“I came with my friend, I am on the door of Aijia... Are there fans of yqcb? Do you look at it? Ah hahaha, I saw the light of the pope and put it together with the lamp of Chengge. I know what you want to do-”

“Signature can be ah, of course... can also be a group photo. If the photo is sent out, remember to p, not only p yourself, this is a crime. Come here, one two three...”

Before the start of the game, the nursery rhymes were surrounded by the girls.

It was hot and chattering. At this time, I heard the sound of high-heeled shoes behind me. This voice was a bit familiar. She paused and looked back. Then she looked at a pair of eyes that said that she was not familiar with strangers. ——There are people who are slightly bent and are about to enter their position. At this time, there are still a handful of zgdx supporters in her hand. It is obvious that she just came back in the back and just came back.

In the moment of confrontation with the nursery rhyme, she also squatted, but the nursery rhyme quickly reacted, and the lips rose, showing a big smile: “Ah, it is you!”

The fan of Ming God, who met in the finals of the spring competition, originally stated that God retired and she retired. I didn’t expect to see her at this time. At this time, she also recognized the nursery rhyme and smiled shyly. Not talking, just pointing to my wrist - the nursery rhyme looks in the direction of her finger, I saw a fluorescent bracelet on her wrist, which clearly reads: zgdx, smiling, fighting!

Nursery rhymes: “...”

It seems as if you are incredibly squinting, and the black enamel shines brightly!

At this time, the back row came with her, and the girl who had talked to the nursery rhyme had grabbed the shoulders of the shy girl, and smiled eloquently.

“It’s really a surprise. I didn’t even think that the new team

members I liked were sitting next to us!”

“Also for us to look down on the sister’s straight male cancer hahahahahahaha! At that time, I was thinking about this girl who is so handsome, is almost circled.”

“The result was not that my team’s new single, wow, Guan Xuan saw your photo, then we all exploded in the group, can’t believe their eyes!”

The girl with the helper hand sat down in her position under the pull of friends, handing the new summer hand to the nursery rhyme, whispered and said: “This time you still don’t need money.”

The nursery rhyme looked at the hand and then lifted it up to cover his smirk.

All eyes are smiling and blinking. The inner joy is hard to say. In addition to “I have fans, ah, ah,” there is left. “She didn’t leave her. She is still very good at her love for this circle.”

Nursery rhymes: “It’s great to be able to stay.”

“Well,” the fan girl bowed his head and smiled. “There is another player who deserves to be liked and pursued, and he continues to stay.”

Nursery rhymes: “...”

Putting the helper’s hand on his face, the nursery rhyme blushes like a tomato and violently turns to sit down in his position. Today, Yang Yang swears two words “瞧你”, and the nursery rhymes kicked her under the chair. , pull out the mobile phone to send her WeChat to her captain -

On the mobile phone, the action of mobile texting on the mobile phone, one step and one instruction, looked up and looked down, so I saw at a glance that on the game platform, the mobile team and a group of dishes were already seated, and behind them. In front of the player’s access door, a tall figure is leaning against the door and lazily watching the stage. The mobile phone he is holding in his hand is still in the WeChat chat interface.

The two men’s eyes collided in the air.

“Hey, your husband doesn’t trust you to run down to the stage, but also come out to guard?” Jin Yang whispered to the nursery rhyme’s ear. “Mom’s so intimate, our family still laughs like a fool and teammates.” Talking and laughing -”

Then she said that the nursery rhymes did not listen to it.
Across the crowd, she saw Lu Sicheng raise her hand and waved in their direction.

“Why did I come out with my honest brother!”

“Mom buy a big gift package? Smiling sat down, Cheng Ge also appeared today is too happy, ah ah ah ah ah ah ah!”

“He is beckoning with us! I saw it and didn’t see it! God, my hair is messed up, is it makeup?”

“So far, he can see a fart, but your eyeliner is really awkward, do you want to make up for it?”

“Where is it...”

There was a commotion behind him.

In the commotion, the nursery rhyme raised his hand and pinned his ear to the back of his ear, then licked the slightly auricle.

The nursery rhyme looked up and saw Lu Sicheng bow his head on the phone for a while, then turned and walked into the player channel.

The door of the player’s passage was gently closed behind him.

The author has something to say: The money left last month is a bit more, continue to send a wave of red packets, 100 ha!

The next two chapters are estimated to be written and played, and I am going to find information..... ah ah ah ah ah
