

## You Owe Me, My Love Chapter 71 - 72

Bai Rong was in deep thought as she went back to Xiong Daini's place, while Su Xuyan kept watching her along the way.

His gaze felt like a knife that was cutting at her body and she could only try her best to ignore it by pretending she couldn't see him there.

“Bai Rong, have you done it with Gu Mingchen? If yes, then I'm willing to let you go.” Su Xuyan said coldly.

Bai Rong paused for a moment and turned to look at Su Xuyan in confusion.

She examined the cold expression on his face, unsure if he was telling the truth or not.

If she said yes, Su Xuyan might take revenge on Gu Mingchen. She didn't want to put him in harm's way.

“Su Xuyan, putting those external factors aside, as far as you and I are concerned, do you think we are still suitable to be together? You've seen what your mother thinks of me. You are a smart person, I'm sure you can tell that no one will be happy if we go on like this.” Bai Rong said coldly.

Su Xuyan smirked as he walked up to her, “Are you trying to change the subject?”

Bai Rong looked up at him, “I'm just stating the facts.”

“The fact is Gu Mingchen's parents will never accept you, so forget about him. If I find out

that you're still seeing him, I guarantee to destroy his reputation. Feel free to try me.” Su

Xuyan threatened.

“If his reputation is destroyed, then what about yours? Do you really think that you will be fine after that? That your filthy deeds would just be kept a secret forever?” Bai Rong asked

as she made no effort to hide her hatred for her husband.

He grabbed her by the waist and pulled her in close as he said arrogantly, “Try me then.”

Bai Rong hated how crazy he was and struggled with all her might to get him away from her.

But the more she struggled, the more sinister the look on his face got, “Bai Rong, it's about time we spend some time as husband and wife, isn't it?”

Bai Rong looked at him in terror, “Su Xuyan, don't you dare! Even if we're still married, I can still sue you if I don't consent to it!”

“Sue me then! You think I'm afraid?” Su Xuyan said arrogantly as he picked Bai Rong up and carried her towards Xiong Daini's room.

Bai Rong could tell that Su Xuyan was serious about it and didn't want him to touch her, “Su

Xuyan, let go of me! Let go of me!”

She struggled as hard as she could but it was no use.

She then bit Su Xuyan on the shoulder in desperation and wouldn't let go even when her

mouth was filled with the foul taste of his blood.

Su Xuyan's face turned purple with rage and a murderous intent filled his eyes.

He threw Bai Rong onto the sofa and began to undo his necktie.

She quickly made a run for the door but was caught by Su Xuyan again.

She clawed at his face like a mad woman, but he grabbed her hands and tied them behind her back.

Bai Rong knew she was unable to escape anymore and trembled in fear,

“Su Xuyan, don't do this, don't touch me! I promise to stay by your side forever! Don't touch me!”

She practically screamed the last sentence as she looked helplessly in terror at Su Xuyan.

The jerk stared closely at her as he leaned over and lifted her chin, “Didn't you want me to have sex with you before?”

“That was because I still loved you back then!” Bai Rong said while sobbing.

Su Xuyan rubbed her lips with his thumb, “Then continue to love me.”

He kissed her lips forcefully but Bai Rong pursed her lips and clenched her teeth tightly.

Su Xuyan couldn't make his way into her mouth, and let go of her, “Open your mouth!”

Bai Rong shook her head in fear, her eyes red from crying.

To her, Su Xuyan was like the devil trying to push her into the depths of hell.

“Fine, there are other places I can kiss.” Su Xuyan tore the buttons off her shirt and kissed her on the shoulder.

No, it wasn't a kiss, but a bite.

He sank his teeth into her skin just like how she did to him earlier.

Bai Rong's vision turned blurry as she teared up in despair from the pain.

She was destined to be unfortunate since she was born.

Her father disliked her mother and had found himself another woman outside.

She was born at the same time as Xing Jinnian.

However, Xing Jinnian was accompanied by her parents when she was born, while Bai Rong

was born on the cold floor by her mother who was all alone and in despair.

Her mother had become mentally ill because of her and could never be released as a result.

Her friend had nude photographs taken because of her.

Her lover had offended people that he never would have if not for her.

What if she was dead?

Would all these terrible things end with her death?

She would rather die than to have sex with Su Xuyan.

Bai Rong closed her eyes and bit onto her tongue to numb her senses with the pain.

“What are you two doing?!” Xiong Daini yelled.

Su Xuyan looked up at her and frowned.

Xiong Daini ran up to them and slapped Bai Rong on the face, “You b\*\*\*\*! Are you that

desperate for men?!”

Bai Rong felt the burning pain on her cheek, but there was nothing she could say in her defense.

No one would believe a word she said anyway, so she would rather keep quiet to save

herself the humiliation.

She wouldn't cry either, as that would only sadden her friends and pleasure her enemies.

“Get a divorce right now! This woman is not worthy of being my daughter-in-law!” Xiong Daini ordered Su Xuyan.

“Mom, what's the matter with you? Bai Rong and I love each other very much, so why should we get a divorce?” Su Xuyan refused.

“You're still kept in the dark, aren't you? Wanning has told me that Bai Rong hooked up with Gu Mingchen. What are you doing with a loose woman like her? Aren't you close with Xing Jinnian? I would rather have you be with Xing Jinnian than ruin your reputation with this woman!” Xiong Daini's angry face was red with anger.

“Wanning has misunderstood. Bai Rong already has me, so how could she be with Gu Mingchen? Mom, are you overestimating Bai Rong, or are you underestimating your son?”

Su Xuyan held Xiong Daini's shoulders as he said that.

“She's really not with Gu Mingchen?”

“Of course not.” Su Xuyan said with a smile.

Xiong Daini looked at Bai Rong's untidy clothes and gave her another slap in a sudden burst of anger, “Remember, this slap is a lesson for you. If you dare misbehave as Mrs. Su, it won't just be a lesson next time. Are you guys that impatient, doing it on the sofa.....?”

Xiong Daini gritted her teeth as she said scornfully, “Don’t dirty my place.”

Bai Rong stood up, struggled free of the necktie that Su Xuyan tied her with and slapped Xiong Daini right across the face.

The mother-in-law stared at Bai Rong in shock, as she had never been hit by anyone before.

“This slap is to return yours earlier.” Bai Rong said coldly.

She then slapped Xiong Daini again, “This slap is to wake you up. Even an idiot should be able to see that I’m the victim being tied up here, and your son is the abuser.”

You Owe Me, My Love Chapter 72

Xiong Daini was furious and raised her hand to hit Bai Rong.

Bai Rong caught her by the wrist, “You can cherish your son, but that doesn’t mean you can defile me! Have you ever done anything about your son womanizing out there? What right do you have to criticize me?”

“Xuyan, what are you waiting for? Hit her! Hit her until she apologizes to me!” Xiong Daini shouted.

Bai Rong shifted her cold gaze towards Su Xuyan and stared deeply into his eyes.

“Bai Rong, apologize.” Su Xuyan said in a commanding tone.

“I won’t apologize to you two. You don’t deserve my apology.” Bai Rong said stubbornly.

“Get a divorce! I don’t care, you must get a divorce! Bai Rong, you b\*\*\*\*!  
Get out of here! You

won't get a single penny out of Xuyan!" Xiong Daini stomped angrily.  
"Alright." Bai Rong agreed.

Su Xuyan slapped Bai Rong hard on the face, leaving her dazed on the ground with a bloody nose.

She took about half a minute to regain her senses.

She refused to get knocked unconscious in Su Xuyan's house, and glared coldly at him.

"You really think I'd let you off the hook that easily without a little punishment?" Su Xuyan said angrily.

"Well done, Xuyan! A woman like this must be punished, otherwise she won't learn to keep her legs shut! B\*\*\*\*!" Xiong Daini shouted.

"Perhaps you should apologize now?" Su Xuyan said.

Bai Rong stood up straight, "You can kill me and I still wouldn't beg any of you for forgiveness."

"Shouldn't you think about your friends?" Su Xuyan said menacingly.

Bai Rong paused as she thought about her friends, and let out a smile in defeat.

He was right. She couldn't put her friends in danger because of her.

She was suffering now as a result of her foolishness in the past.

She shouldn't have gotten herself involved with a monster like Su Xuyan.

"I'm sorry." Bai Rong lowered her head as she said it.

"Get the hell out of here, and don't come back here ever again, you b\*\*\*\*." Xiong Daini shouted.

Bai Rong left without turning back.

As Su Xuyan watched her pass him by, he felt a mix of pain and fear in his heart.

“Xuyan, forget about this woman and get divorced quickly! I wouldn’t even mind if you marry

Xing Jinnian. At least she’s better than her.” Xiong Daini said irritably.

“Mom, Rong isn’t that bad. She’s just a little stubborn, that’s all. She’s usually quite sensible.

Just give her some time to adjust.” Su Xuyan looked outside the house.

He felt like leaving too when he saw Bai Rong leave.

“What good is there in her? She slapped me twice! Can’t you see that my face is still red

from it? I won’t let her go that easily. You must get a divorce!” Xiong Daini insisted.

“You slapped her twice too, didn’t you?” Su Xuyan said gently as he tried to calm her down.

“I’m an elder! It’s perfectly fine even if I kill her!”

“Yes, you’re right. I helped you hit her back too, didn’t I? She’s even got a bloody nose now.

Calm down, mom. I can also hit her again later when I get back.” Su Xuyan said with a smile.

“I simply don’t understand why you won’t just get a divorce!” Xiong Daini said.

“I’m the deputy director of the Ministry of Health. It’d affect my future if I get a divorce now.”

“Don’t worry. Your marriage is a secret, so not many people know about it anyway. Besides,

even if you do get a divorce, I can have a word with the commander-in-chief about it and he’ll

even give you a promotion in the future!” Xiong Daini said.

“I’ll handle it accordingly. Here, I’ll apply a cold compress on your beautiful face, mom.” Su

Xuyan let go of Xiong Daini and went to the refrigerator.

Boom!

Thunder sounded outside, and the sky got dark all of a sudden.

Su Xuyan looked out the window worriedly.

It was difficult to get a taxi in that area, let alone any public transportation, so Bai Rong couldn’t have gone far.

“Mom, it’s about to rain. I should get going too.” Su Xuyan said.

“No, let that b\*\*\*\* suffer so she won’t dare defy me in the future. Apply the ice on my face, now.” Xiong Daini insisted.

Su Xuyan looked out the window once again, and retrieved some ice cubes from the refrigerator.

Bai Rong was walking on the road when she felt some raindrops on her nose.

She looked up at the sky and saw that it was pitch black, as if a storm was coming soon.

But, a little storm was nothing compared to that monster Su Xuyan.

She called for a taxi on a ride hailing app, but it would take at least half an hour for the nearest one to arrive.

None of the drivers were willing to come for fear of being stood up, so Bai Rong had no choice but to keep walking forward.

In less than a few minutes, heavy rain came pouring down and drenched her completely.

She had thought of finding a place to hide from the rain, but it didn't seem likely to stop any time soon. She had no choice but to try her luck on the road, hoping for someone passing by to give her a ride.

A car pulled up next to her, and Gu Mingchen rolled the window down, "Get in."

When Bai Rong saw that it was Gu Mingchen, she instinctively refused to get in the car, "No need."

Gu Mingchen took off his coat and opened the car door.

She knew she wouldn't be able to reject his offer and didn't want him to get wet, so she quickly got in.

When Gu Mingchen saw her face, he grabbed her chin and turned it aside, revealing the red and swollen cheek.

He gritted his teeth in distress and anger, "Who hit you? Su Xuyan? You lied to me about you two being very loving!"

She could see the concern in his eyes and teared up a little, but she was too tired to say anything.

Gu Mingchen handed her his coat, "Put it on. Don't catch a cold."

"Mhmm." Bai Rong draped his coat over her shoulders.

She could feel his warmth from his coat.

She tidied up her clothes and looked at him as she leaned on the car seat.

"Are you still not going to tell me why you gave in to Su Xuyan? Or do you really want me to

go crazy at him?” Gu Mingchen gave her a domineering look.

Bai Rong was touched and her eyes reddened further as she said softly,

“Gu Mingchen, I

guess I would’ve been in despair if I hadn’t met you.”

Gu Mingchen turned towards her and held her cold hands, “Just leave it all to me. I’ll take

care of everything.”

She turned to look out the window as tears flowed down her face.

Because she liked him, she didn’t want to get him involved in her mess.

“Gu Mingchen, how long have we known each other for?” Bai Rong asked.

“We’ve been through that already. Ask something else.” Gu Mingchen said.

“Heh.” Bai Rong let out a chuckle as she wiped away her tears that flowed silently.
