

## The Yun Family's Ninth Child is an Imp! Chapter 1003

Some people began to attack the cabin door like berserkers, trying to break it down. However, despite hundreds of people attacking the cabin door with their spiritual powers, the cabin door was not damaged at all. Everyone tragically discovered that, at this time, they were already trapped in this flying spirit tool, and could only await their deaths.

Everyone was unwilling to give up and hurled attacks in every direction. Some people even began to attack the cockpit, but there was no effect. This flying spirit tool seemed to be made of Ten-Thousand-Year-Old Darksteel, no spiritual attack could damage it at all.

Everyone collapsed and sat on the ground. Only Yun Chujiu and the other three were still playing cards leisurely. Occasionally, they could hear Yun Chujiu's bell-like laughter.

"Yun Chujiu! Do you have a heart?! We are all worried to death, and you still have the mood to talk and laugh. You are shameless!" Yin Sulian's eyes were red as she said fiercely.

Yun Chujiu looked at her. "Yin Sulian, did you get dementia earlier? I wanted to say my piece back then yet you and your lackeys said that I was overestimating myself, that I was a country bumpkin, and that I was a Gouwei Bacao. Now you remember me? I'm sorry, we are Gouwei Bacao. We only know how to eat, drink, and have fun. We don't know how to do anything else!"

Yin Sulian was so angry that her entire face turned red. "Yun Chujiu, do you think that you're that amazing? If we can't do anything about it, what can you possibly do? I just don't like your attitude! You act like it's none of your business. If we die, you won't be able to escape either!"

Yun Chujiu shrugged. "Aiya I do have an idea. However, I don't like you, your lackeys, and Yin Xuecheng. You and your bastard group. So, even if I had to, I wouldn't share it with you."

Everyone felt like they were drowning yet suddenly found hope of survival. Even if it was just a piece of straw, they would grasp at it, immediately, someone shouted, "Yin Sulian! Yin Xuecheng! Quickly apologize to Yun Chujiu! Once you apologize, perhaps Yun Chujiu will share with us their solution!"

“Yes! It was Yun Chujiu who reminded us just now that we were trapped. Otherwise, we would still be kept in the dark. Therefore, Yun Chujiu must have a way out. Yin Sulian, Yin Xuecheng, quickly apologize!”

“Yes! Apologize! Apologize immediately! Otherwise, we will force you to apologize!”

Yun Chujiu sighed in her heart. Humans were indeed the most animalistic. Previously, they were all trying to curry favor with others. Now that it might affect their own well-being, they immediately turned hostile and refused to acknowledge them.

Yin Sulian could not believe the scene in front of her. Usually, these people would either flatter her or be subservient to her. She did not expect that they had completely changed their allegiance.

Yin Xuecheng’s face was red as he shouted, “Are you crazy? If you dare to do anything to us, the Yin family will not forgive you! We will kill all of you!”

“Hmph! Although the Yin family is powerful, it is a life-and-death situation now. You must apologize to Yun Chujiu quickly! Your family background won’t matter when we’re all dead. Otherwise, we will force you to apologize with our knives!”

“Yes! Apologize quickly, or else I will cut your faces and cripple your limbs!”

“You still dare call Yun Chujiu trash? I think you are even worse! You always rank behind number 250, and you still have the face to call her trash? You are just jealous of her ability! You are suffering from extreme jealousy!”
