

The Yun Family's Ninth Child is an Imp! Chapter 1009

Di Beiming was both Baili Yan and Qin Mingzhu's weakness. When the two of them heard Yin Xinlian's words, they immediately looked at Yun Chujiu with unkind eyes.

"Yun Chujiu, what is your relationship with His Excellency?" Baili Yan stared at Yun Chujiu.

"Me and His Excellency? Isn't he the Palace Mistress's son? What kind of relationship could we possibly have?" Yun Chujiu looked at Baili Yan with a confused expression.

"Junior Yun, I'm just asking casually. Don't worry, senior will take care of you from now on. You just have to take part in the fourth round of the test properly." Baili Yan saw that Yun Chujiu's expression did not seem to be fake, and she thought to herself, 'Could it be that this little girl still does not understand love? Since she has yet to be enlightened, I won't tease her anymore. If she pesters His Excellency, it would not be pretty.'

Yun Chujiu nodded, and then asked curiously, "Senior Bai Li, what did senior Yin mean when she said something about leading a wolf into the house and that I wasn't as I seemed?"

Baili Yan sneered, "Some people have their own ulterior motives, so they think that others are like her. Don't take it to heart. As long as you enter Tianyuan Academy, they won't dare to do anything to you."

"Yes, I'll listen to senior Bai Li. Then, I'll leave first. See you later." Yun Chujiu said obediently.

Yin Xinlian looked at Yun Chujiu's back and said coldly, "Baili Yan, you'll regret it! This little girl is not as simple as she looks."

"Not simple? She's a little girl from the Azure Mystic Continent, what could be not simple? Yin Xinlian, you'd rein in your Yin family. Each one of them is so stupid, it's embarrassing!" Baili Yan said mockingly.

“You don’t have to worry about the Yin family’s matters! Let’s go!” Yin Xinlian glared at Yin Sulian and Yin Xuecheng, then left with the two of them.

Baili Yan and Qin Mingzhu glanced at each other, then the two of them also turned around and left. Seeing that the show was over, the onlookers also dispersed.

Three days later, the fourth round of the Tianyuan Academy’s entrance examination began.

“This round of the test is still a team-based evaluation. All of you will be transported to a field where there are 250 jade tokens inside. The group that obtains the jade tokens will be qualified to enter the academy. The rest of you will be disqualified and will be allowed to compete with each other for the remaining spots. The test will end after 10 hours. We will begin now,” said the instructor in charge of the test.

A white light flashed in front of everyone’s eyes. When they opened their eyes, they had already entered a sealed test field.

Everyone could not wait to start their search for the jade tokens. Yun Chujiu still behaved as leisurely as before. She poked her head forward to take a look and then simply sat on the spot. She did not have any intention of going around to look for it.

“Junior Sister Little Jiu, aren’t we going to do anything? If we start too late, I’m afraid that the jade tokens will be gone!” Feng Ming asked in puzzlement.

“Senior brother Feng Ming, do you think we can keep the jade tokens even if we can find them? Once we get our hands on the jade tokens, we will become targets. We are just looking for trouble!” Yun Chujiu blinked her eyes and said.

“Junior Sister Little Jiu, although what you said makes sense, we can’t just give up like this, can we?” Shi Xuan frowned and said.

“In any case, it’s only ten hours. There’s no rush. Let them fight among themselves for a while. We will pick up the scraps when the time comes,” Yun Chujiu said slyly.

Although Feng Ming and the other two did not know how Yun Chujiu intended to pick accomplish that, they already had some confidence in Yun Chujiu. Therefore, they accompanied Yun Chujiu to meditate and rest.
