

The Yun Family's Ninth Child is an Imp! Chapter 1017

Yun Chujiu put away the voice transmission talisman and went downstairs to look for An Feng.

“Miss Jiu, I’ll stay in the Long Wind Inn in the future. If you have anything to say, you can send a voice transmission talisman to me or come to me directly,” An Feng said respectfully.

Yun Chujiu nodded and then said with a smile, “Pass me Your Excellency’s congratulatory gift!”

When An Feng had given her the 20 million upper-grade Spirit Stones, she was so happy that she could not close her mouth. It turned out that the Pretty Boy was not just playing with her. It was really strange for the Pretty Boy to be so generous all of a sudden!

Yun Chujiu gave another 100,000 upper-grade Spirit Stones to An Feng. “Little Madman, this is a reward for you. Save it for your wife!”

An Feng was shocked. The Ninth Miss was too generous. “Ninth Miss, I was just doing my job. This reward is too much!”

“It’s no big deal. I earned over three million during the test today. Spirit Stones are just a number to me now,” Yun Chujiu said proudly.

“Ninth Miss, how did you earn money during a test?” An Feng was stunned. ‘What did she earn over three million during the test? What did this mean?’

Yun Chujiu told him about the fourth round of the test. An Feng was stunned. The only one who could earn money during a test was Miss Jiu!

Most importantly, those people were willing to pay for it and even helped to hide it. There was no one else who could pull such a thing off!

“Little Madman, I realized that you people from the Tianyuan continent are generous. You didn’t even blink your eyes when it came to 100,000 spiritual stones.” Yun Chujiu said with a smile.

An Feng’s eyes twitched violently. He did not blink an eye? People risk usually their lives when trying to enroll in Tianyuan Academy!

“Little Madman, I heard that Tianyuan Academy is divided into the Tian Class, Di Class, Xuan Class, and Huang Class. An excellent entrance test result like mine should put me in the Tian Class, right?” Yun Chujiu said proudly.

An Feng nodded. “Normally, the classes are divided according to the entrance test results.”

“Then I must be in the Tian Class! In the future, if you come to the academy to look for me, just come to the Tian Class to look for me,” Yun Chujiu said with confidence.

Three days later, Yun Chujiu brought Feng Ming and the other two to Tianyuan Academy in high spirits.

On the display outside the square, the information about the class distribution had already been posted.

Yun Chujiu said to Feng Ming with confidence, “We are definitely in the Tian Class. You can just look for our names in the Tian Class.”

Feng Ming and the other two also felt that if they were to be divided according to the test scores, the four of them should be placed into the Tian Class. However, after looking at the Tian Class list several times, they still could not find their names, instead, they saw the names of Yin Sulian and Yin Xuecheng.

Feng Ming and the other two hurriedly looked through the list of the Di Class, but they still could not find their names. Just as they were preparing to look through the Xuan Class list, Yin Sulian walked over.

“Tsk tsk, Yun Chujiu, although you have passed the test by luck, the Academy’s instructors have sharp eyes. The Huang Class! Hahaha! That is the famous class for trash. Yun Chujiu, trash will always be trash! Moreover, I heard that the Huang Class has not been set up for many years. It must be because you are too trashy that the Academy has re-established the Huang Class this year.”

Yun Chujiu frowned. Her eyes scanned the Huang Class’s name list. Indeed, she saw the names of her, Feng Ming and the other two. Although she was a little puzzled, however, she stayed calm and composed.. “Yin Sulian, aren’t you afraid of offending all the students of the Huang Class with your words?”
