

The Yun Family's Ninth Child is an Imp! Chapter 102

Yun Chujiu's heart skipped a beat when she heard Feng Ming's words. She eagerly followed Feng Ming to a more hidden place.

"Little girl, I see that you don't have any spiritual power. I'm afraid it will be very difficult for you to pass the test. However, the test this time is different from the previous ones. The first three rounds require a team to participate in the test. You must seize the opportunity." Feng Ming saw that Yun Chujiu did not have any spiritual power, he could not help but feel sympathetic.

Yun Chujiu's heart moved, and she quickly thanked him. "Thank you, senior brother Feng Ming. I will definitely make good preparations when I go back."

Feng Ming could not help but look at Yun Chujiu in a new light. He thought that Yun Chujiu would definitely ask him about the content of the test, but he did not expect the little girl to know her limits, so the smile on her face became even more genuine. "You're welcome. I hope you can pass the test."

Yun chujiu thanked him again. Only then did she find the extremely excited Yun Chuwu and the others and return to the inn.

"Little Jiu, why did that senior brother Feng Ming look for you just now?" As soon as she entered the room, Yun Chushan could not wait to ask Yun Chujiu.

Yun chujiu did not hide anything. "He told me that the first three rounds of the test were team tests. The results were ranked according to the team's results."

Yun chushan immediately cried out, "What? Then wouldn't we have a burden like you?"

Yun Chuqi snorted coldly. "Third sister, if it weren't for Little Jiu, you wouldn't even have the qualifications to participate in the test! What an ingrate!"

Yun Chusi and the others also gave Yun Chusi a reproachful look. Yun chushan quickly said, "I was in a rush. I didn't mean anything else."

Although Yun Chushan said so, she had already calculated in her heart. If she were to team up with the Yun family, she would definitely not get a good result, not to mention that Yun Chujiu, this trash, would be a burden! It was not easy for her to get the test qualification. was she going to give it up just like that? Absolutely Not!

After dinner, Yun Chushan found an excuse and sneaked out of the inn alone.

Yun Chuwu, Yun Chuqi, and Yun Chujiu stood by the window and watched Yun Chushan sneakily leave the inn.

"Little Jiu, what did you say Yun Chushan went to do?" Yun Chuwu asked suspiciously

"Of course, she went to find a partner to form a team. She didn't want to be implicated by a good-for-nothing like me!" Yun chujiu answered slowly.

"Humph! What an ingrate! I really misjudged her in the past! But there are no acquaintances in Linghua city. Who Did she go to find?" Yun Chuqi was furious.

"Why are there no acquaintances? Have you forgotten about the white scum and the others?"

"Bai Moyu? It Can't be? The Bai family and our Yun family have always been on bad terms. How could they agree to team up with Yun Chushan?"

“They will agree because they have the same bad taste!” Yun Chujiu’s eyes flashed with a trace of fierceness. Yun Chushan, I hope you won’t disappoint me. If you don’t seek your own death, I really have no way to get rid of you, the black sheep of the Yun family.

“Little Jiu, what should we do?” Yun Chuwu didn’t notice Little Jiu’s expression. She looked at Yun Chushan, who was far away, and asked worriedly.

“Wait and see!” Yun Chujiu said slowly.

Yun Chuwu and Yun Chuqi were stunned. Little Jiu was indeed different from before. Ignoring everything else, just his calmness was much better than theirs.

Two hours later, Yun Chushan returned. Besides guilt, there was also an uncontrollable joy in her eyes.

Yun Chujiu and the other two pretended not to see it. They chatted for a while and then went to sleep.

Since the four of them were in the same room, Yun Chuwu and Yun Chushan slept on the bed. Yun Chujiu and Yun Chuqi simply slept on the ground.

In her sleep, Yun Chujiu dreamed that a wolf had bitten her neck. She instinctively raised her leg and kicked the wolf.

“Black Thing! How dare you kick me! Do You Want to die? !” A cold voice said, and it was the kind that gnashed her teeth!
