

The Yun Family's Ninth Child is an Imp! Chapter 1027

Just as Ji Sha was on guard against Yun Chujiu, a few instructors walked towards him. One of them was the instructor of the Tian Class, Mo Hanxun. One of the instructors with triangular eyes glanced at Ji Sha, then, he said to Mo Hanxun loudly so Ji Sha could hear everything, "Brother Mo, I heard that this year's freshmen have set up a Huang class? The one leading the class is still that good-for-nothing Ji Sha?"

Mo Hanxun had a haughty attitude. He faintly nodded as a response to that triangular-eyed instructor.

That triangular-eyed instructor raised his volume, "Which of our Tianyuan Academy's instructors aren't at least at the cultivation level of spirit paragon?! Some people just stand in the latrine all day doing nothing. Their cultivation has already fallen to the eighth level of the spirit saint realm, yet they still have the face to stay in Tianyuan Academy. They are really thick-skinned!"

Yun Chujiu felt Ji Sha's entire aura turn gloomy. He was like a wolf that had been injured by a hunter. Although there was hatred and discontent in him, he did not have the strength to contend with the other party.

"Instructor Ji Sha, can we release our spiritual pets while in the Tianyuan Academy?" Yun Chujiu blinked her eyes and asked Ji Sha.

Ji Sha was stunned and replied casually, "They can only be released when they are in their own courtyard or during a battle. Usually, they are not allowed to run around the academy."

"Ah! Then why did I hear a dog barking? Could it be that someone broke the rules and released the dog?" Yun Chujiu asked curiously.

Ji Sha was stunned for a moment before he laughed out loud, "You're right, I do hear a dog barking. Let's go and report it to the Academy's disciplinary office. Naturally, someone will come and punish the owner then beat the dog."

When the triangular-eyed instructor heard Yun Chujiu and Ji Sha, he was instantly enraged, “You! Student! Which class are you from? How dare you say such malicious words in violation of the academy’s rules? Follow me immediately to the disciplinary office to accept your punishment according to the Academy rules.”

Yun Chujiu said innocently, “Instructor, which of my words were malicious? Who did I say such malicious words to? Can’t I even scold a barking dog? Does the dog count as a student or instructor of our Academy?”

“You! You!” The triangular-eyed instructor stuttered, but Yun Chujiu’s words were watertight. He could not find any flaws.

“If there’s nothing else, I’ll take my leave. If you want to criticize a student next time, you’d better have real evidence before you say anything. Otherwise, people will think that you’re bullying a student!” Yun Chujiu said with a smile.

The triangular-eyed instructor was so angry that his face turned red, but he could not squeeze out another word, Yun Chujiu saw the situation and said to Ji Sha, “Instructor Ji, let’s go. This instructor’s eyesight and hearing are most likely not very good, or he has some problems with his comprehension. I don’t know how he became an instructor. Could it be that Tianyuan Academy’s requirements for accepting instructors are so low?! It’s puzzling!”

The corners of Ji Sha’s mouth curled up. Naturally, he knew that Yun Chujiu was venting her anger on his behalf. “Let’s Go!”

The triangular-eyed instructor looked at the backs of the two people and was so angry that he gritted his teeth. “Who is that smelly girl? Why haven’t I seen her before?”

Mo Hanxue said, “Instructor Ma, that’s the new student this year. Her name is Yun Chujiu and she is the class monitor of the Huang class. That little girl is very good with words, but her spiritual power is a little low. Otherwise, she would have made a good seedling.”

“Yun Chujiu? What kind of background does she have?” Instructor Ma was secretly resentful in his heart. ‘She dared to contradict me like this. I will definitely teach her a lesson.’

“It is said that she is the daughter of the Palace Mistress’s old friend, who ascended from the Azure Mystic Continent. I have not heard of any other news,” Mo Hanxun said indifferently.
