

The Yun Family's Ninth Child is an Imp! Chapter 1030

"Crazy! All of you are crazy!" The second-year students from the Tian Class were on the verge of a mental breakdown!

When they had just entered the school, they had also been blackmailed by the seniors of the higher grades. Back then, they had all swallowed their anger and handed over the money. How could they dare to resist?!

They had not expected that these students from the Huang Class would not only dare to not hand over the money but also dare to beat them up. They must have gone crazy!

The commotion was getting louder and louder. Many students from the dormitory district came out to watch, but they were only there to enjoy the show. Those who were there never felt that it was a big deal. Some people even shouted and cheered from the side.

The second-year students from the Tian class were soon all beaten up and bruised. They lay on the ground and wailed like ghosts and wolves, Yun Chujiu carried a large kitchen knife and walked to The triangular-eyed senior. "Senior, I wonder if you are satisfied with this sparring match?"

The triangular-eyed senior's hair had been burned off, and his face was covered in soot. His uniform was also torn and tattered. He gritted his teeth and said, "Damn girl! You dare to gang up on seniors in public? Just wait to be expelled!"

Yun Chujiu held the large kitchen knife and rubbed the triangular-eyed senior's bald head. "Senior, you are wrong. We are obviously sparring, when did we gang up on each other? We previously agreed that if any side loses, they would have to take pay the winner 10,000 high-grade Spirit Stones. Now that you have lost, shouldn't you fulfill your promise?"

"You, you are spouting nonsense! When did we say that? !" The triangular-eyed senior was about to go crazy from anger!

Yun Chujiu held the large kitchen knife and gently cut The triangular-eyed senior's face. Immediately, fresh blood flowed. The triangular-eyed senior was in so much pain that he cried like a ghost and howled like a wolf, Yun Chujiu smiled and said, "If you are willing to make a bet, you must admit defeat. Quickly take out ten thousand high-grade Spirit Stones, or I will use your face as a canvas with my knife!"

The triangular-eyed senior angrily scolded, "Stupid girl, don't even think about it! Just you wait, I won't forgive you!"

Yun Chujiu curled the corners of her mouth and then cut the triangular-eyed senior's face again. The triangular-eyed senior was in so much pain that he almost fainted. "Stupid girl! Do you know who I am? I am Ma Sheng, and my uncle is Instructor Ma Minghua. Just you wait! I will get my uncle to expel you!"

"Aiyo, I have heard of those who can only rely on their father, and now there are still those who only on their uncles too?! Cut the crap, hand over the Spirit Stones, or I will continue to draw on your face!" Yun Chujiu said fiercely, and the big kitchen knife in her hand was about to continue 'drawing'.

"Stop! Stop! I'll give it to you!" The triangular-eyed senior was terrified. A wise man should cut his losses while on the back foot.

'This stupid girl was extremely bold. If I do not pay her, she would continue to carve up my face. I'll pay her first and deal with her later.'

The triangular-eyed senior took the lead, and the other second-grade students in the Tian Class also gave in one after another. They each offered 10,000 upper-grade Spirit Stones to Yun Chujiu.

Yun Chujiu then said with a smile, "Why didn't you do it earlier?! We welcome all seniors to come and spar with us frequently in the future. However, the next time we raise the price, it will at least cost 50,000 upper-grade Spirit Stones!"

The triangular-eyed senior and the others were filled with hatred in their hearts. 'Damn girl, just you wait. There won't be a next time! If you gang up on us in public again, you will definitely be expelled from Tianyuan Academy.'

"Seniors, we are a little tired. We will take our leave now. Thank you for the sparring lesson! We will see you later!" Yun Chujiu waved her hands and led the Huang class students away.

The triangular-eyed senior waited for Yun Chujiu and the others to leave before he gritted his teeth and said, "Let's go! We will go to the disciplinary department and report this incident!"

The others also bared their teeth and shouted, "That's right! Let's go to the disciplinary department and report this. Those people from the Huang class need to be severely punished, especially their leader Yun Chujiu. She must be expelled!"
