

The Yun Family's Ninth Child is an Imp! Chapter 1031

"Class monitor, what if the law enforcement department wants to punish us? What we are doing is against the rules of the academy, especially since you injured that triangular-eyed student Ma Sheng with a kitchen knife."

"That's right, class monitor, quickly think of something. Otherwise, I'm afraid we will all be punished."

Yun Chujiu waved her hands. "Don't worry, it will be fine! When the time comes, all you have to say is that they wanted to spar with us. Leave the rest to me."

Everyone was skeptical, but there was nothing they could do. They could only return to their dormitories with their hearts in their mouths.

Soon, the voice of the Law Enforcement Division's law enforcement tutor rang out from everyone's identity jade medallion, asking everyone to immediately head to the law enforcement division to be investigated.

Everyone immediately panicked and quickly gathered outside Yun Chujiu's courtyard. When they saw Yun Chujiu, the nervousness in their hearts instantly turned into confusion!

They saw their class monitor with disheveled hair and mud on her clothes. She looked as miserable as she could be!

"What are you all standing there for? Quickly follow my lead. Make yourselves look as miserable as possible!" Yun Chujiu said slyly.

Everyone was stunned for a moment. They immediately understood how their class monitor was going to fight against the allegations. Therefore, they began to hurt themselves with all their strength. Some even slapped their faces a few times for the sake of maintaining the illusion. Their faces immediately swelled up!

The corner of Yun Chujiu's eyes twitched, 'Damn, these guys were too dedicated. She couldn't bear to be so ruthless towards herself!'

The road in front of Yun Chujiu's courtyard suddenly became very clean because, well, the dust had been rolled onto their bodies.

Some people had an idea and kicked each other a few times. There were many footprints on their bodies, making them look even more 'presentable'.

Yun Chujiu looked at everyone with satisfaction. Then, she gave everyone a few packets of chili noodles. Not long after, all of their eyes were red and tears streamed down their faces!

"Very good! After we leave the dormitory area, all of you howl for me. Howl as miserably as you can. Don't mention anything about seniors or the Tian Class, lest you attract other grudges.

"Just howl and mention that Triangular-eyed student Ma Sheng saying that he used his power to bully others and that he relied on his uncle Ma Minghua to not keep his word. After the sparring, he still shamelessly went back on his word, and the most outrageous thing was that he even framed us by saying we ganged up on them. He even said that his uncle was a man of his word in Tianyuan Academy and that even Dean Huangfu had to listen to him."

Yun Chujiu thought to herself that Ma Minghua was obviously not a good person. Since that was the case, she would strike first and gain the upper hand. Killing two birds with one stone. She was simply too smart!

Everyone in the Huang class looked at each other. Damn, this class monitor of theirs was really shrewd. No matter the outcome, that Triangular-eyed teacher, Ma Sheng's uncle, Ma Minghua, would be in trouble!

Yun Chujiu felt that everyone had dressed up enough, so she waved her hands and said, "Let's head to the law enforcement office!"

Yun Chujiu walked at the front of the group, followed by the students from the Huang class. The group of people grandly left the dormitory area and as soon as they stepped out, Yun Chujiu waved her hands and began howling her sky-shaking screams!

"Aiyo! We're really in trouble! That Ma Sheng took advantage of his uncle to bully us so badly!

"He kept saying that he wanted to spar with us. Who would have thought that he would beat us up so badly and even try to frame us, saying that we ganged up on them? How could a bunch of rookies like us have the guts to gang up on our seniors? We've really been wronged to death!

"That's right. That Ma Sheng even said that his uncle, teacher Ma Minghua, has even more say than Dean Huangfu. He can do whatever he wants in the Tianyuan Academy and wants to expel all of us. That's too scary!

"That's right! He said that teacher Ma Minghua is the real power behind Tianyuan Academy. Even Dean Huangfu wouldn't dare to do anything to him, let alone the vice-dean and class teachers!"
