

The Yun Family's Ninth Child is an Imp! Chapter 1034

“What are you doing?! Get down quickly! Don’t think that I will let you off just because you are threatening me like this! If you don’t get down now, I will have someone forcefully expel you from Tianyuan Academy!” When instructor Qi saw that Yun Chujiu and the others were actually going to commit suicide, he immediately panicked. He had often profited from the Ma family’s uncle and nephew. If the matter were to blow up, it would be bad if it were exposed to the higher-ups.

Yun Chujiu’s little head was swaying in the knot as she pointed at Instructor Qi. “Hey, Instructor Qi, what is the meaning of this?! Are you trying to silence us?!”

“As a disciplinary instructor, you blamed us without even investigating the truth. Now, you don’t even give us a chance to defend ourselves. I didn’t think much of it at first, but you’re so protective of that Ma Sheng! Could it be that you have some shady business with him?! Or could it be that you have some shady business with Instructor Ma?! Or maybe it’s both!”

Instructor Qi’s face turned red from Yun Chujiu’s words and the veins on his neck bulged. He retorted angrily from embarrassment, “Impudent! You dare to slander the instructor! Men, expel this Yun Chujiu and these people from Tianyuan Academy immediately!”

Yun Chujiu immediately howled, “Is there no one else in the disciplinary department who can mete out true justice? Are we going to let Instructor Qi ruin the fairness and justice of the disciplinary department? We’ve been wronged! Help! He’s going to kill someone!”

The other people from the Huang class also shouted. Some of the surrounding students also joined in the jeers. They were usually punished by Instructor Qi, and they wanted nothing more than to embarrass him in their hearts.

With such a huge commotion, it was only natural that many people were alarmed. A few more disciplinary instructors walked out from the disciplinary department. Originally, Instructor Qi was on duty today, so they did not intervene. However, seeing that the matter had got out of hand, they could only come out from the courtyard.

Not only that but the higher-ups of the Tianyuan Academy were also alarmed. Even Dean Huangfu personally rushed over.

When Dean Huangfu and the others arrived, they saw that the disciplinary department was completely surrounded. A few trees outside the courtyard of the disciplinary department were tied with knots of rope, and over ten students had stuck their heads inside. They looked like they were about to hang themselves. Below them, there were over two hundred students with disheveled hair and dirty faces. Their eyes were red, and they looked like they had nothing else to live for.

“Nonsense! This is absurd! What the hell is going on?!” Dean Huangfu flew into a rage!

Dean Huangfu rarely flew into a rage. Once he flew into a rage, all the instructors instantly became nervous, especially that Instructor Qi, he jogged a few steps and said, “Dean, these Huang class students were bewitched by the rumors of Yun Chujiu and surrounded Ma Sheng and the others. After I announced the punishment, this Yun Chujiu incited everyone to force their case with their lives. This Yun Chujiu is truly crafty and mischievous. She deserves to be expelled from Tianyuan Academy.”

Dean Huangfu frowned and then looked at Yun Chujiu, whose little head was still in the knot. “Yun Chujiu, what do you have to say?”

Yun Chujiu quickly jumped down from the chair, then, she said to the other group leaders, “Hurry up and come down! The wise and unparalleled dean is here. Our grievances are finally being cleared!”

Yun Chujiu wiped her tears and came in front of Dean Huangfu. After she bowed, she said indignantly, “Dean, as the saying goes, it’s always better to live than to die. As long as we have a chance to live, we won’t run to our deaths!

“But Instructor Qi, Ma Sheng, and Instructor Ma were in cahoots with each other. Instead of investigating the truth, they would give us a big demerit and even expel us instead. Our small arms can’t outrun our thighs, we can only fight with our lives!”
