

## The Yun Family's Ninth Child is an Imp! Chapter 1035

Instructor Qi saw that Dean Huangfu was silent, he immediately became anxious. "Dean, don't listen to this little girl's nonsense! She attacked Ma Sheng and the others first, and she even planned to frame Ma Sheng and the rest. I was completely impartial in dealing with them, and there was no selfishness involved at all."

"Impartial in dealing with them? There was no selfishness at all? One must speak with a conscience when he speaks. Aren't you feeling guilty when you said that? I've heard that you've received quite a lot of benefits from the Ma family's uncle and nephew and helped to frame many students. Many of the warnings and punishments on the students were fabricated by you from out of thin air!"

Yun Chujiu's small face was solemn as she said firmly, "Seniors, today is a good time for us to set the record straight. Are any of you willing to come out and testify against Instructor Qi and the Ma family's uncle and nephew?! People need to be courageous in life. Are you going to suffer in silence just like that?! If you don't even dare to resist this small injustice, do you think that you can live in peace?"

"I'm willing to testify! A few days ago, it was clearly Ma Sheng who humiliated me. I was so angry that I retaliated. Yet when we arrived at the disciplinary department, Instructor Qi had already given me a big demerit without even asking. He even said that Ma Sheng didn't do anything at all!" A male student dressed in the second-grade Tian Class uniform said.

"I'm also willing to testify!"

"And me!"

"Me too!"

...

With someone taking the lead, the others became bolder. Moreover, even Dean Huangfu had been alarmed. It was indeed a good opportunity. They might be able to take down the uncle and nephew duo of the Ma family and Instructor Qi in one fell swoop.

The sweat on Instructor Qi's forehead fell like a waterfall. He had never expected that the matter would spiral out of control.

At that moment, Ma Sheng shouted in exasperation, "Shut Up! All of you shut the f\*ck up! If you continue to spout nonsense, I will not forgive you!"

Dean Huangfu frowned when he saw Ma Sheng's arrogance. Compared to Yun Chujiu's eloquence and pitiful appearance, Ma Sheng's arrogance was really displeasing.

Ma Minghua was also among the instructors. He knew that something bad was going to happen today. He never expected that before he could make things difficult for Yun Chujiu, she had already taken the initiative against him.

At that moment, when he saw his stupid nephew's behavior, he wished he could go up and slap him to death! It's all because of that idiot. I will end up implicated by him!

"Deputy Dean Yin, the disciplinary department is under your jurisdiction. I hope that you can thoroughly investigate the matter of these students and do them justice." Dean Huangfu looked at an old man beside him.

Yin Haoyu was one of the deputy deans of Tianyuan Academy. He nodded his head and said, "Dean, it's my negligence for the disciplinary department to be in such a mess. I will definitely investigate thoroughly and will not tolerate it."

Dean Huangfu nodded and looked at Yun Chujiu. "Yun Chujiu, Deputy Dean Yin will arrange for the matter to be investigated thoroughly. What exactly happened today? You have to tell the truth, or else I will not let you off easily."

Yun Chujiu saw the glint in Dean Huangfu's eyes. Moreover, there were many onlookers when the incident happened, so she could only tell the truth. However, telling the truth also had to be done skillfully.

"Dean, your vision is really sharp. You have seen through my little trick in an instant. I really admire you!" Yun Chujiu first put on a high hat for Dean Huangfu, then, she continued, "After the meeting today, the students of our Huang class were planning to go back to the dormitory to rest. Unexpectedly, Ma Sheng led dozens of people to block our way, giving us two choices. One was to hand over a hundred high-grade Spirit Stones each as gift money, and the other was to kneel and kowtow to them to beg for mercy. He even threatened us female students to do some dirty things with them.."
