

## The Yun Family's Ninth Child is an Imp! Chapter 1050

Wu Heng wanted to argue further, but Instructor Wu glared at him. "Quickly apologize! Otherwise, I'll immediately write a letter to your father!"

Wu Heng was immediately terrified. He could only walk to the front of the crane shed and apologize reluctantly. "I'm sorry, I shouldn't have plucked your tail feathers."

The cranes were originally angry. Now that the damn fatty had apologized, they returned to the resting area that Yun Chujiu had drawn and lay down, no longer paying any attention to the people outside.

Instructor Wu quickly laughed. "It seems the cranes have decided to let this matter go, then let's also just forget about it! Instructor Yuan, Instructor Qian, it's my fault for being rash. I'll treat you someday and apologize to the two of you."

Instructor Yuan and Instructor Qian exchanged a few words of courtesy and laughed coldly in their hearts, 'This Instructor Wu was thick-skinned enough to brazenly protect his nephew. He had probably used his power for personal gain many times. However, he was Deputy Dean Yin's lackey, it was better for them not to get on his bad side.'

"Cough Cough! Instructors, if there's nothing else, I'll be leaving. Although the feeling of being wronged is very unpleasant, fortunately, I was cleared of suspicion in the end. Otherwise, I would really have taken the injustice to my grave!" Yun Chujiu said with a sigh.

Instructor Wu opened his mouth and wanted to say something, but he did not know what to say. He could only watch as Yun Chujiu hopped away.

The third-grade students went to other beast houses and left the Spirit Beast Garden after class. Only Instructor Wu stayed behind.

"Uncle, I really didn't pluck the tail feathers of those cranes!" Wu Heng swore.

“If you didn’t, why would they have hated you so much?” Instructor Wu glared at him and said.

Wu Heng said aggrievedly, “How would I know?! In any case, I really didn’t do it! I think it’s most likely that Yun Chujiu did it.”

Instructor Wu frowned, “No matter what, if it wasn’t for Yun Chujiu’s quick thinking, it wouldn’t have ended well for you today. Don’t find trouble with her anymore! That little girl is too scheming. You can’t beat her.”

Wu Heng reluctantly agreed, but he did not think much of it in his heart. Humph, she must have felt guilty to be involved in the first place. She must have plucked the tail feathers of the cranes. He would find an opportunity to teach her a lesson.

At that time, Yun Chujiu had hopped back into the dormitory. Little Black Bird asked in confusion, “Master, why did you help Wu Heng? When did you become so kind?”

“Aiya, master bird, I’m not that kind. It’s just that if they investigated further, the culprit will inevitably be found out. This is the best ending. Moreover, it also gave me a good reputation of being kind and magnanimous, so why not?” Yun Chujiu said with a smile.

Little Black Bird curled its lips. It knew that their master’s heart was black. How could she suddenly have become a white lotus?!

After Yun Chujiu cleaned the beast houses for a few days, some instructors and handymen in the Spirit Beast Garden discovered that the beast houses of the violent Barbaric Bear and the Vermillion-beaked Long-feather Cranes were very neat. The demonic beasts were all moving in fixed areas and were very obedient.

Someone reported the matter to Instructor Wu. After Instructor Wu checked it out, he asked everyone to learn how to do the same in other demonic beast areas. Unfortunately, the effect was not as they expected. Those other demonic beasts did not listen to them at all.

Yun Chujiu's chaotic academy life became more and more peaceful. The students of the Huang class listened to her every word. Every day, after she attended classes and cleaned the Spirit Beast Garden, she worked hard to cultivate.. She deeply felt that being seen as a weakling would not be a good thing in the long run!
