

## The Yun Family's Ninth Child is an Imp! Chapter 1055

As expected, Deputy Dean Yin's tone softened when he heard Yin Xuecheng's words. "Since the matter has already happened, there's no point in saying anything more. In the future, you should just obediently study in the academy. You don't have to worry about matters related to that little girl anymore. Just leave it to me."

"Fourth Grandpa, I'll listen to you! Do you think that the Palace Mistress will blame our Yin Family?"

"Don't worry! I've heard of the Palace Mistress's character. Even if she has her heart set on this little girl, it's still easily swayed. Those secret guards might be the guards of the Long Wind Inn, so there's no need to worry too much," Deputy Dean Yin said in a deep voice.

Yin Xuecheng felt relieved after he heard Deputy Dean Yin's words. He left Deputy Dean Yin's courtyard dejectedly.

The next day, the first class of the day was Instructor Zhou's spiritual power class.

Yun Chujiu fiddled with the instructor's desk for a while, then returned to her seat with a smile. She gathered the ten team leaders together and gave them a few mysterious instructions. Everyone nodded, then she returned to her seat.

Not long after, Instructor Zhou walked in. The entire classroom was filled with the fragrance of food. Yun Chujiu held a pig trotter in her hand and happily munched on it!

He curled his lips in disdain. He originally thought that this Yun Chujiu was very difficult to deal with, but now it seemed that she was just a glutton with a glib tongue.

Instructor Zhou opened the lesson plan and began the lesson. The lesson was as obscure and difficult to understand as usual. As a result, many students began to ask questions. Instructor Zhou felt very annoyed, and the words of disdain slipped out of his mouth.

“It’s not that I want to say this, but the students of your Huang class are not ordinary. You can’t even understand such simple and easy-to-understand content. You’re trash, extremely stupid!

“How can a class like you compare to the other three classes? In a few months, you will all be eliminated from the year-end competition!

“It is important to know one’s own limits. With your low aptitude, you shouldn’t have entered the Tianyuan Academy. You have brought the overall standard of the Tianyuan Academy to a lower level!

“Humph! With your limited comprehension abilities, you will never be able to learn how to solidify spirit energy in this lifetime! A bunch of trash!

“It’s a shame that you’re still alive. Why didn’t you hang yourself at the entrance of the disciplinary department the last time?! It’s better if all of you trash just died!”

...

The Huang class students all gnashed their teeth in anger. However, Yun Chujiu had previously instructed them not to talk back to Instructor Zhou. Therefore, although they were all furious, they still listened obediently and no one dared to refute him.

Instructor Zhou felt very proud in his heart. They were just a bunch of trash. They did not dare to make a sound when he scolded them like that. Deputy Dean Yin was too careful. These trash would not be able to achieve anything.

After the class was over, Instructor Zhou left triumphantly.

The students of the Huang class exploded!

“Class monitor, that Instructor Zhou is too much! Are we just going to endure it?”

“Yes, class monitor, Instructor Zhou’s actions are getting more and more out of hand. He usually just gives unclear lectures, and now he’s starting to speak ill of us in our face! Let’s go to the disciplinary department to protest this!”

“Class monitor, hurry up and make a decision. We have to chase Instructor Zhou out!”

...

Yun Chujiu blinked her eyes. “Don’t worry, your class monitor already has a good idea. I promise to make Instructor Zhou suffer!”

The Huang class members were extremely confident in Yun Chujiu. When they heard what Yun Chujiu said, they were instantly relieved. If the class monitor said so then she would definitely do it. They just had to wait for the show to begin!
