

The Yun Family's Ninth Child is an Imp! Chapter 1058

When Yun Chujiu saw that Instructor Zhou had left, she blinked her eyes. Instructor Zhou must have called for reinforcements, so she had to be ahead of him. Otherwise, if she did not finish him off soon, she would be in trouble instead.

When Yun Chujiu thought of that, she jumped down from the table and said to the students of the Huang class, "You guys continue to eat, I'm going out for a stroll!"

Before everyone could react, Yun Chujiu had already disappeared like a rabbit.

Everyone could not help but click their tongues in wonder, 'This little girl's spiritual power was low, but they didn't expect her movement technique to be so fast. She had disappeared so quickly. Where did she go?'

At the time, Yun Chujiu had already arrived outside Dean Huangfu's courtyard.

She was also fearless. She did not even consider whether Dean Huangfu would meet a student of the Huang class so casually.

Yun Chujiu hopped outside Dean Huangfu's courtyard and a burly guard stopped Yun Chujiu.

"Brother Guard, please inform him that the first year's Huang class, Yun Chujiu, is requesting to meet the dean. Tell him she says that it has something to do with the rise and fall of Tianyuan Academy." Yun Chujiu's small face was very serious.

The guard was shocked by Yun Chujiu's words and serious expression. "Wait a moment here."

After a short while, the guard walked out. "Yun Chujiu, the Dean wants you to go in."

Yun Chujiu smiled at the guard. "Okay, thank you, Brother Guard!"

The guard thought to himself, sometimes you have to have some tricks up your sleeve. If it were not for her words, the Guard would not have informed the Dean and he would not have agreed to meet a first year student like her.

Yun Chujiu hopped into the courtyard. Although it was not very big, the interior was very elegant. Yun Chujiu followed the direction of the guard and walked to the outside of Dean Huangfu's study.

After Yun Chujiu knocked on the door a few times, Dean Huangfu's voice came from inside. "Come in!"

Yun Chujiu pushed the door open and entered. She saw Dean Huangfu sitting behind the desk and she hurriedly bowed. "Greetings, Dean."

Dean Huangfu nodded. "I heard that you have something important to report to me regarding the rise and fall of Tianyuan Academy?"

"That's right, Dean, I'm not exaggerating! What kind of place is our Tianyuan Academy? It's a place that teaches and educates people. If someone intentionally misleads people's children, do you think this is a major matter that concerns the rise and fall of our Tianyuan Academy?"

"Oh? Intentionally misleading people's children? What's going on?" Dean Huangfu frowned.

Yun Chujiu told him everything about Instructor Zhou and handed the recording stone to Dean Huangfu.

"Dean, if you feel that the evidence I provided is not reliable, you can send someone to secretly investigate. Instructor Zhou has ulterior motives! It had already been more than twenty days since the start of the semester, and the other three classes students had already learned most of the lessons

regarding the materialization of spiritual power. Our Huang class also has good students, and yet many of our students can not understand a thing he taught us to this day!

“When it’s time for examinations, our Huang Class’s results would not be good, and he would give an excuse saying that our qualifications were too low. That b*stard is too sinister and despicable!

“Sir Dean, I had already exposed Instructor Zhou’s ugly behavior in the cafeteria just now. He shamelessly said that it was to motivate us and then left in a hurry with his tail between his legs. I always felt that this matter could only be completely resolved by you, so I thickened my skin and came to look for you. I hope you won’t blame me.” Yun Chujiu’s small face was full of emotions. One moment she was furious, the next moment she looked pitiful.
