

The Yun Family's Ninth Child is an Imp! Chapter 1059

"Yun Chujiu, you may go back. I will send someone to deal with this matter immediately." Dean Huangfu thought to himself that it would be a pity if this little girl did not report something like that! Instructor Zhou was really detestable. It was fine if he usually formed a group for personal gain, but he made a joke about the student's future. He deserved to be punished!

After she thanked Dean Huangfu, Yun Chujiu hopped out of Dean Huangfu's courtyard.

It was unknown how Dean Huangfu had negotiated with Deputy Dean Yin. In any case, in less than two days, Instructor Zhou was fired. The new person to teach the Huang class was Instructor Ji Sha. In fact, the other three classes instructors of the spirit energy class had their instructors in charge teach them their spiritual power class. Only the Huang class was assigned to Instructor Zhou.

The students of the Huang class were very uncertain at the beginning. Could Instructor Ji Sha be able to do it? Not only was he sloppy, but he could not be seen all day long. If it were not for the class monitor, their Huang class would be like a child without a mother.

Unexpectedly, when Instructor Ji Sha taught them, he was more than a hundred times better than Instructor Zhou. Not only was his lectures deep and simple, but he was also very vivid in his descriptions. Everyone immediately felt like they had found some treasure.

Yun Chujiu was puzzled. How did Instructor Ji Sha, who had such a high standard of lecture, end up in such a miserable state?!

Yun Chujiu counted with her fingers. If she went to the Spirit Beast Garden again today, she would not have to go again in the future. Thus, she hopped to the Spirit Beast Garden.

After Yun Chujiu had cleaned the bear house, she praised the eight Barbaric Bears and then hopped to the vermillion-beaked long-feathered Crane's Beast House.

A small part of the tail feathers of the Vermillion-beaked Long-feather Cranes had already grown back. They were now very obedient, afraid that Yun Chujiu would cause trouble for them again.

“Little Babies, today is the last time I will help you clean the Beast House. In the future, there will be very few opportunities for us to meet. Don’t miss me too much!” Yun Chujiu said after she cleaned the Vermillion-beaked Long-feather Cranes Beast House.

After they listened to her parting words, the Vermillion-beaked Long-feather Cranes barely held back the urge to sing a song. That little devil was finally going to leave. They could finally return to the days where they were free. Their feathers were finally safe.

“Why aren’t you saying anything? Are you missing me already? Don’t worry, there will be a beast taming class in a few days. When that time comes, I will come and play with you!” Yun Chujiu said with a smile.

The crane group’s mood instantly fell from the clouds to the eighteenth level of hell!

What?

The Little Devil wanted to learn beast taming techniques?!

Oh god, oh Earth, their days were numbered! Who could save them?!

Obviously, the crane’s prayers did not have any effect. Three days later, the First Grade’s beast taming class began.

As it was an elective class, not many people attended the class. Therefore, there was no distinction between the four classes, Tian, Di, Xuan, and Huang. All the first grade students attended the class together.

That meant that she would eventually run into her rivals. Sure enough, Yin Xuecheng and Yin Sulian also chose to attend the beast taming class.

Yin Xuecheng's expression was very haggard. Ever since he sent out those assassins and they did not return, he had been worried for several days. He felt uneasy in his heart the entire time.

And the worst thing was that when he went to the Yicui Tower during his break, he found that his body could no longer function normally! No matter how those women teased him, there was no response!

He secretly went to a few medical centers and spent a lot of money to buy a lot of medicine, but it still had no effect. He could only thicken his skin and see Deputy Dean Yin. Deputy Dean Yin did not find out the reason, so he had to let him cultivate in peace. If there was a chance, he would look for Herb King Bai Li of Herb King Valley to check it out..
