

The Yun Family's Ninth Child is an Imp! Chapter 106

Yun chujiu did not know that she had become a pervert in an Feng and an Yin's place. At this moment, this guy was writing the so-called love letter from memory!

Yun Chujiu was secretly proud as she wrote. Fortunately, she had a photographic memory. Otherwise, she would not be able to escape the clutches of the pretty boy!

"Prince Charming, I have finished writing. Please have a look!" Yun chujiu doggedly handed the letter that she had written from memory to di beiming.

Di beiming took it and looked at it. He could not help but twitch his lips, "Black Thing, your handwriting is too ugly, isn't it? Even a dog's handwriting is better than yours!"

Yun chujiu laughed dryly with guilt, "Whether the handwriting is good or not, that is just a formality. Look at the content, look at the content. Besides, my handwriting is so smooth, like a wave! How Beautiful!"

Di beiming looked at her with disdain and picked up the letter to read.

Di beiming's brows gradually relaxed. His yearning for him was like a torrential river, never stopping? HMPH, she knows her place!

Coquettish slut? Vixen? Di beiming thought of those pretentious admirers and immediately felt that what Yun Chujiu said was too accurate! Black Stuff's literary talent is not bad!

When he saw the third line, the corners of di Beiming's eyes twitched. The world was so big, and she wanted to go out and take a look? ! This could also be a reason? !

When di beiming saw the last line of "Text message love" and the sign of "Little Jiu who loves you to the bone" , his heart was extremely irked. He had said it before, he was so outstanding, so handsome, and so considerate. How could Hei Dong have deliberately run away. ! It looked like she really came to the Linghua faction to be a better match for him.

"Black Thing, since you said it so sincerely, this venerable one will let you off this time. If I find out that what you said is a lie, I will definitely slap you to death with my own hands!" Although di Beiming's words were fierce., however, the way he looked at Yun Chujiu contained a trace of Indulgence and indulgence that he did not realize.

Yun chujiu quickly agreed, "I know, My Prince Charming! I will definitely train hard in the Linghua faction and try my best to chase (Beat) you as soon as possible!"

Di beiming nodded in satisfaction, "I heard that the Linghua faction has an entrance test? You Can't fail it, right?"

Yun chujiu patted her small chest, "Prince Charming! I will definitely pass it! I was personally taught by you, how can those ordinary people compare to me? !"

Di beiming was very comfortable with this high hat. He took out a fruit from his storage ring.

The room was immediately filled with a strange fragrance. Yun Chujiu's eyeballs almost fell out. She looked at di beiming pitifully. "My Prince Charming, is this... is this for me?"

It was rare that di beiming did not tease her. He directly handed the fruit to her. "As long as you perform well, there will be more!"

Yun chujiu answered vaguely as she ate, "Yes, yes, my Prince Charming, I will listen to you!"

Yun chujiu only felt that the fruit was sweet and soft. It melted in her mouth. It was a delicacy that she had never tasted before. In the end, she shamelessly licked her fingers that were stained with the juice.

Di beiming looked at Yun chujiu licking her fingers like a kitten. He felt a little uncomfortable and coughed dryly. "The sky is about to brighten. I will send you back!"

Yun chujiu was a typical mother with milk. A single fruit instantly made di Beiming's image much better. His smile was bright and dazzling. "Okay, my Prince Charming. Thank you for your hard work!"

Di beiming resisted the urge to take out the remaining fruit in his storage ring. He silently warned himself that the water would flow slowly. This fruit was like a carrot hanging in front of a donkey. If the donkey ate the carrot., then the donkey would not work hard!
