

## The Yun Family's Ninth Child is an Imp! Chapter 1064

Feng Ming and the dozens of people from the Huang class were furious when they heard Yin Sulian's words. When they wanted to argue with her, the pressure in the sky became even more intense. It was hard for them to even breathe, let alone argue, they quickly dispersed.

Feng Ming and the other two vaguely guessed that Junior Sister Little Jiu was about to break through. The Heavenly Lightning clouds were meant to go after her. Where would she go? Could she have gone back to the dormitory?

Yun Chujiu got out of the Spirit Beast Garden and went straight to Dean Huangfu's courtyard.

In a short while, she ran to the outside of Dean Huangfu's courtyard. The guard on duty was still the same burly guard from earlier.

"Big Brother Guard! Hurry up! Someone is going to die! Let me in quickly!" Yun Chujiu's small face was full of anxiety.

The guard was shocked and thought to himself, 'Why does this little girl always make things sound so scary?'

The Guard had hesitated when Yun Chujiu continued, "Brother Guard, don't you think that that thick layer of clouds is a little scary? I have an urgent matter to tell the headmaster. Let me in quickly, or it will be too late!"

The guard also felt that the sky was a little strange, so he said, "Wait a moment, I will go in and inform him. I'll return as soon as possible."

Yun Chujiu glanced at the clouds that had already caught up to her, and with a whoosh, she jumped into the courtyard. "It's too late! Dean, please come out quickly! It's an urgent matter!"

Dean Huangfu was reading in the study when he heard Yun Chujiu's voice. He frowned unhappily, 'Why did this Yun Chujiu come to my place instead of attending class?'

Although Dean Huangfu was displeased, he still walked out of his study.

"Dean, she forced her way in. I failed in my duty." The guard quickly apologized.

Yun Chujiu looked at the guard apologetically. "Dean, please don't blame the guard. I was the one who shamelessly forced my way in! The Heavenly Lightning clouds are most likely here to strike me. I think your courtyard is the most suitable. You should quickly think of excuses and not let anyone in."

The corners of Dean Huangfu's eyes twitched. There was no one else who could say such shameless things so confidently! He raised his head and looked at the clouds, then at Yun Chujiu, he misunderstood Yun Chujiu's meaning. "Little girl, do you want me to help you endure the Heavenly Lightning? Although I can help you, you still have to carry the Heavenly Lightning yourself next time. Otherwise, Tian Dao will continue to come after you in the future. I can't help you every time."

At that moment, the Wu Yun arrived above the dean's courtyard. A bolt of purple lightning as thick as a child's arm had already struck towards Yun Chujiu. She did not have the time to explain and could only push Dean Huangfu away. "I'll do it myself. Just don't let anyone in, and don't go out either! Stay far away!"

Dean Huangfu was dumbfounded. 'Has this little girl gone mad?! She even dared to push him? And she even said that she would do it herself? Did she think that the Heavenly Lightning was a joke?'

'Perhaps, she would be fine after being struck a few times in the Azure Mystic Continent, but how could it compare to the Heavenly Lightning in the Tianyuan Continent? She really did not know the immensity of Heaven and Earth!

'Forget it, I'll just watch for now. If she can't hold on any longer, it wouldn't be too late for me to intervene.'

Dean Huangfu thought of that and took a few steps back. Then, he said to the guard, "You can leave now. No one is to enter until I say so."

Dean Huangfu thought for a moment and decided to activate the isolation array in the courtyard. Then, he was dumbfounded! He felt that Yun Chujiu had been struck by the first lightning bolt. Although she was not severely injured, she should at least be slightly hurt. However... She just strolled around the courtyard with a relaxed expression?!
