

The Yun Family's Ninth Child is an Imp! Chapter 1067

The strange phenomenon in Dean Huangfu's courtyard attracted the attention of the entire Tianyuan Academy. Even the cultivators and Demon Beasts within a radius of several hundred Li paid attention to it.

Heavens, such dense Heavenly Lightning. Could it be that a rare treasure or a rare beast had appeared?

That could not be right. Even if a rare treasure or a rare beast appeared, there would at most be a few Heavenly Lightning bolts. What the hell was that lightning bolt that had struck for more than six hours?! Could it be that the Wu Yun had gone crazy?!

Some teachers and students were afraid of the might of the Heavenly Lightning and stood at a distance to observe. Only Deputy Dean Yin wanted to know what was going on in the courtyard, as he tried to make his way in, he did not expect to be stopped by Dean Huangfu's guards. "Deputy Dean Yin, there is an order or prevent anyone from entering the courtyard. Not even you."

Deputy Dean Yin snorted coldly and stood not far away to observe.

'That old fogey Huangfu Zhongheng must have some unspeakable secrets. Otherwise, why would he not allow anyone to enter in broad daylight?! To be able to attract so much Heavenly Lightning, it must be something extraordinary. I must find a way to see what he was up to.'

Recently, he had lost a few helpers consecutively. It seemed that this old fogey Huangfu was going to make a move on him. He could not just sit around and await his death. He had to think of a way to bring him down.

The more deputy Dean Yin thought about it, the more frustrated he became. Thus, before he knew it, he had paced around outside the courtyard.

At that moment, Yun Chujiu felt very comfortable in the deep pit. She replenished her spirit energy while also replenishing her body. She smile as she chewed on a roasted chicken drumstick.

On top of her head stood a black bird. It opened its pea-sized eyes wide and helped Yun Chujiu resist the lightning strikes. It had one short wing on his waist and the other pointed at the sky. Because he was afraid that Dean Huangfu would find out, this fellow could only use its body language to provoke the Wu Yun.

The Wu Yun in the sky, had nowhere to vent his frustration. Now that he saw an ugly bird daring to provoke him, he was so angry that lightning strike after lightning strike struck towards Little Black Bird

Wu Yun looked down proudly, 'After these ten lightning strikes, there would be nothing left of you! Hmph! You dare to challenge me? I'll send you to your grave!'

Who would have thought that the ugly bird would arrogantly flap its two short wings and fly a small circle in the deep pit? Not only was it completely fine, but it was also even more lively than before.

Wu Yun felt that he had suffered a critical hit of 10,000 points!

F*ck, it was fine if that little devil could not be killed! Why could it not even kill this ugly bird? Could it be that its Heavenly Lightning was really just an inferior facsimile?!

To verify the power of the Heavenly Lightning, Wu Yun glanced down and saw a person pacing around outside the courtyard. It was annoyed it to look at him, so he casually struck him with a Heavenly Lightning bolt!

Deputy Dean Yin was thinking of countermeasures, but he did not expect to win the "Grand Prize". A purple Heavenly Lightning bolt as thick as a child's arm flew towards him with all its heavenly might.

Even in his dreams, Deputy Dean Yin did not expect the Heavenly Lightning to vent its anger on him. By the time he reacted, it was already too late. Fortunately, he had a defensive spirit weapon on him, which blocked the Heavenly Lightning.

The Wu Yun in the sky saw that the Heavenly Lightning he had used could not hurt anyone, and became even more depressed. So, he threw another Heavenly Lightning bolt at Deputy Dean Yin.

Deputy Dean Yin was completely stunned!

In a moment of desperation, he had no choice but to use his defensive spirit tool to block the Heavenly Lightning bolt again. The second Heavenly Lightning bolt did not do much damage to him either.

The Wu Yun in the sky grew even angrier this time!

'Damn it, I can't believe this! I can't kill that pervert or that ugly bird, and now I can't even hurt an old man?!'

Boom! Boom!

Bolts Heavenly Lightning after another struck down towards Deputy Dean Yin.
