

The Yun Family's Ninth Child is an Imp! Chapter 108

"Maybe you sneaked out after we fell asleep. Are you young? You have a criminal record!" The More Yun Chushan looked at Yun Chujiu's neck, the more suspicious she felt.

Yun chujiu hated di beiming to death in her heart. It was all that Damn Gigolo's fault! However, she also bit his neck a few times. was he also surrounded by people?

Thinking of the smug gigolo being watched and laughed at by others, Yun chujiu unconsciously laughed out loud.

Yun Chushan took a step back suspiciously. Did Yun Chujiu go crazy? !

"Third sister, if Little Jiu sneaks out, how can we not be awakened? Besides, this is not ye city. We are not familiar with this place. How can there be a man? ! It must be a bug!" Yun Chuqi could not stand Yun Chushan's smug look.

Yun Chushan suddenly raised her voice, "Bug? I slept on the ground with her, why didn't she bite me?"

"HMPH! Maybe the bug also knows that your blood is black!" Yun Chuqi still didn't change her poisonous tongue.

Yun Chushan's face immediately darkened, "Yun Chuqi, what do you mean?"

"It means literally, if you don't want people to know, don't do it yourself!"

Yun Chushan had a guilty conscience. When she heard Yun Chuqi's words, she said with a stern expression, "I didn't do anything wrong. What's there to be afraid of people knowing! It's the mark on Little Jiu's neck that is very suspicious!"

Yun chujiu gave a look to Yun Chuqi, who was about to fly into a rage. She laughed and said, “Anyway, this neck of mine is definitely not bitten by a human. You can think whatever you want! I’m starving to death. Hurry up and eat breakfast!”

Yun Chushan felt a little guilty, so she didn’t dwell on this matter anymore.

After breakfast, Yun Chusi and the others found Yun Chujiu. “Little Jiu, what do we need to prepare for the entrance test in two days?”

Unknowingly, the members of the Yun family treated Yun chujiu as the person who made the decision!

Yun chujiu giggled and said, “Eat well and sleep well. There will always be good people. We will definitely be able to pass the first three rounds!”

Yun Chusi and the others were stunned. “Little Jiu, this, this will work?”

Yun chujiu shrugged her shoulders. “What else can we do? Even if you don’t sleep for two days, you can’t level up, right? Why Don’t you save some energy!”

Everyone thought about it and thought that Yun Chujiu was right. After all, they couldn’t make any qualitative leap, so they might as well save some energy!

Therefore, for the next two days, the members of the Yun family mainly rested. Yun Chujiu, who was in charge of the money, also became generous. She sold two horses and exchanged them for a few thousand spirit pearls. Everyone’s food standard also improved a lot.

One night before the test, Yun Chushan took out an oil paper bag and handed it to Yun Chujiu. "Little Jiu, third sister has let you down in many ways. This is the snack that third sister bought for you just now. Try it!"

Yun Chujiu's eyes flashed, and she smiled as she took the oil paper bag. "Third sister is really thoughtful! We are all sisters, how could we have a grudge against each other overnight? I Have Long Forgiven You, third sister!"

Yun Chushan smiled unnaturally. "Little Jiu is really getting more and more sensible! Quick, try the snack!"

Yun Chujiu's heart turned cold. Yun Chushan, I've already given you a chance, but you still insist on harming me. From now on, I won't treat you as a member of the Yun family anymore!

"Third sister, this snack looks very delicious, but it's a little dry. Help me get a glass of water, one mouthful of snack and one mouthful of water is just right!"

Yun Chushan immediately turned around to get a glass of water. When she turned around, she saw that the corner of Yun Chujiu's mouth was stained with a lot of crumbs. She snatched the glass of water and gulped it down.

Yun chujiu kept praising, "Damn, third sister, this snack is really delicious. I ate two pieces in one go and almost choked to death!"

Yun Chushan's eyes flashed with a trace of joy. It's Done! I've done what Bai Moyu asked her to do. Tomorrow, she will be able to team up with them. The Bai siblings already have very strong helpers. She will definitely be able to enter the spirit flower sect!

As for Yun Chuwu and the others, with Yun Chujiu, this good-for-nothing implicated, they will definitely not be able to pass the test!
