

The Yun Family's Ninth Child is an Imp! Chapter 1083

The crowd took the initiative to clear a path for Yun Chujiu. She seemed like she was not in a hurry and slowly walked towards the competition stage.

As she walked, she waved at the crowd and said, "Thank you for your support. You've come to support me so early. I'm really grateful!"

The corners of everyone's eyes twitched again. 'You're too shameless. Who's here to support you? Alright, I was originally here to watch the show, but Yin Sulian is courting death by running her shameless mouth. We want you to win now, but can you win?'

The Huang class students were originally very worried, but when they saw Yun Chujiu had strolled in, they felt an inexplicable sense of confidence. Perhaps their class monitor would give them a surprise. After all, she had never let them down before.

Yun Chujiu finally strolled to the base of the competition stage. She leaped onto the competition stage and bowed to Instructor Zhuang, who was in charge of the competition. Then, she walked to Yin Sulian's side and said with a smile, "Yin Sulian, have you prepared two million upper-grade Spirit Stones? Don't say that you don't have any money when you lose later."

Yin Sulian curled her lips and said, "I should be the one asking you that question. You will be the one who loses!"

Yun Chujiu sighed and said, "Yin Sulian, we have no grudges between us. Moreover, although you are not very beautiful, you are not ugly enough to scare people. I have always been a soft-hearted person. If you cancel the competition now, it is still not too late. I will not hold it against you."

Yin Sulian was so angry she gritted her teeth. "Yun Chujiu, you are really shameless. You are afraid and yet you still refuse to admit it so you want me to cancel the competition on my own accord. Don't even think about it! Instructor Zhuang, since Yun Chujiu has arrived, the competition can begin."

Instructor Zhuang stood up and glanced at the two of them. Then, he said, “Yun Chujiu, you have not paid the fee for the competition. You can only start after you have paid the fee.”

Yun Chujiu’s eyes were wide open. “What? You still need to pay a fee? How many Spirit Stones?”

“Five hundred Spirit Stones.” Instructor Zhuang thought to himself, ‘This Yun Chujiu was a hothead. Agreeing to such a reckless competition and not even knowing she had to pay a fee.’

Yun Chujiu frowned and looked at Yin Sulian. “Yin Sulian, this competition was proposed by you. You should pay the fees for me! Otherwise, let’s forget about this competition!”

Instructor Zhuang was stunned on the spot. He had been in charge of the competition stage for many years, but there had never been a competitor who was so shameless. He actually asked his opponent to pay the fees for her. Her skin was too thick!

The audience below the stage were equally stunned!

Holy shit!

There was no one else who was so shameless!

Yin Sulian sneered. “Yun Chujiu, are you still shameless? Why should I pay the fees for you?”

Yun Chujiu said with a smile, “Who asked you to propose the competition? You don’t have to pay. I don’t care. At most, we can cancel the competition.”

Yin Sulian’s heart skipped a beat. ‘This Yun Chujiu couldn’t be thinking of taking the opportunity to cancel the competition, right?! I can’t let her have her way!’, and so she said, “You really are a poor person! You didn’t say that on purpose, right?! Did you think that I wouldn’t help you pay for the

competition so that you could cancel the competition? In your dreams! Instructor Zhuang, I will pay for Yun Chujiu's competition fees. Here are another 500 Spirit Stones."

After Instructor Zhuang accepted the Spirit Stones, she took out a huge Spirit Stone from her storage ring. "This is a low-level Spirit Stone. It can withstand attacks of less than a thousand points. When you use your materialized spirit energy to attack this Spirit Stone, the display screen on the competition stage will display your attack power. Now, you can begin.. Which one of you will go first?"
