

## The Yun Family's Ninth Child is an Imp! Chapter 1088

Yin Xinlian said coldly, "Yun Chujiu, although your courage is commendable, I advise you to think twice. This is a matter of life and death for you now."

Yun Chujiu said indifferently, "I also want to say this to you. Your sister is stupid but I believe that you aren't. If you don't want to lose your life, don't provoke me!"

Yin Xinlian sneered, "You really don't know the immensity between Heaven and Earth! Yun Chujiu, I will give you one last chance. 400000 Spirit Stones and this matter will be dropped. Otherwise, I will definitely issue a challenge to you."

Yun Chujiu ignored her, instead, she looked at Yin Sulian, whose face turned pale again. "Yin Sulian, don't dawdle! Hurry up! Kneel and admit your mistake. Do you want to go back on your word? Back then, you swore an inner demon oath. If you don't fulfill the promise, your soul will be shattered!"

Yin Sulian was afraid that Yun Chujiu would not admit her defeat, so she suggested that the two of them swear an inner demon oath. She did not expect that she would be implicated now! If one of them was willing to forgive her, then the inner demon oath would not take effect. However, if Yun Chujiu insisted on fulfilling the promise, Yin Sulian would be punished by Tian Dao if she broke it.

Yin Sulian looked at Yin Xinlian for help. Yin Xinlian gritted her teeth and said, "Sulian, keep to the agreement! Don't worry, I will avenge you for today's humiliation!"

Yin Sulian knew that she had no way out. With a pale face, she knelt on the stage and said to Yun Chujiu, "I was wrong!"

Yun Chujiu said with a smile, "Yin Sulian this is not the first time you have knelt to me. Do you have to look like you are half dead?! Admitting your mistakes is a huge improvement. I hope you'll learn to remember to not provoke me in the future. Otherwise, the next time you kneel won't be as simple as that!"

“Oh right, if it wasn’t for your sister’s aggressive attitude, I wouldn’t have made you kneel. After all, you even helped me pay for the competition fees previously! Tsk tsk, it’s just a pity. Who asked you to have such an ‘amazing’ sister? She had to come up and provoke me. If you want to blame someone, then blame her!”

The crowd below the stage felt a little cold for some reason. That Yun Chujiu was really evil. With those words, even if Yin Sulian did not end up hating Yin Xinlian, she would start feeling uncomfortable around her. Moreover, Yin Sulian had been living in Yin Xinlian’s shadow the whole time, so she was probably already dissatisfied. As a result, a wedge would probably be driven between the Yin sisters after that day.

As expected, after Yin Sulian stood up, she handed over 200,000 upper-grade Spirit Stones to Yun Chujiu. She did not pay any attention to Yin Xinlian and left the competition stage in a hurry.

Yin Xinlian’s face flushed red, she turned around and said darkly to Yun Chujiu, “Yun Chujiu, it seems that I’ve underestimated you. You actually dared to sow discord between us sisters. You’re truly vicious to the extreme! I won’t forgive you! I’ll see you on the Life and Death Arena.”

“Yin Xinlian, ask yourself, have I ever provoked you sisters? It’s all your fault. I gave you sisters a chance, but you didn’t take it. Now you’re blaming me? You don’t have to use the Life and Death Arena to scare me. The one who will die will be you. If you don’t believe me, we’ll see what happens,” Yun Chujiu said indifferently.

“Yun Chujiu, no matter how glib your tongue is, it can’t change the fact that you’re weak. In half a year, you’ll be dead!” After Yin Xinlian said that, she jumped off the stage and left.

Yun Chujiu bowed to the dumbfounded Instructor Zhuang and then jumped off the stage.. She said to the Huang class, “Class, I’ve made a small fortune. Let’s go to the canteen to get some food!”
